

1 AN ACT concerning professional regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Optometric Practice Act of 1987 is  
5 amended by changing Sections 7, 11, and 16 as follows:

6 (225 ILCS 80/7) (from Ch. 111, par. 3907)

7 (Section scheduled to be repealed on January 1, 2017)

8 Sec. 7. Additional practice locations ~~licenses~~. Every  
9 holder of a license under this Act shall report to the  
10 Department every additional location where the licensee  
11 engages in the practice of optometry. Such reports shall be  
12 made prior to practicing at the location and shall be done in a  
13 manner prescribed by the Department. Failure to report a  
14 practice location or to maintain evidence of such a report at  
15 the practice location shall be a violation of this Act and  
16 shall be considered the unlicensed practice of optometry.  
17 Registering a location where a licensee does not practice shall  
18 also be a violation of this Act. ~~Upon proper application and~~  
19 ~~payment of the prescribed fee, additional licenses may be~~  
20 ~~issued to active practitioners who are engaged in the practice~~  
21 ~~of optometry at more than one address. A license must be~~  
22 ~~displayed at each location where the licensee engages in the~~  
23 ~~practice of optometry.~~ Nothing contained herein, however,

1 shall be construed to require a licensed optometrist in active  
2 practice to report a location to the Department when ~~obtain an~~  
3 ~~additional license for the purpose of~~ serving on the staff of a  
4 hospital or an institution that receives no fees (other than  
5 entrance registration fees) for the services rendered by the  
6 optometrist and for which the optometrist receives no fees or  
7 compensation directly or indirectly for such services  
8 rendered. Nothing contained herein shall be construed to  
9 require a licensed optometrist to report a location to the  
10 Department when ~~obtain an additional license for the purpose of~~  
11 rendering necessary optometric services for his or her patients  
12 confined to their homes, hospitals or institutions, or to act  
13 in an advisory capacity, with or without remuneration, in any  
14 industry, school or institution.

16 (225 ILCS 80/11) (from Ch. 111, par. 3911)

17 (Section scheduled to be repealed on January 1, 2017)

18 Sec. 11. Optometric Licensing and Disciplinary Board. The  
19 Secretary shall appoint an Illinois Optometric Licensing and  
20 Disciplinary Board as follows: Seven persons who shall be  
21 appointed by and shall serve in an advisory capacity to the  
22 Secretary. Five members must be lawfully and actively engaged  
23 in the practice of optometry in this State, one member shall be  
24 a licensed optometrist, with a full-time faculty appointment  
25 with the Illinois College of Optometry, and one member must be

1 a member of the public who shall be a voting member and is not  
2 licensed under this Act, or a similar Act of another  
3 jurisdiction, or have any connection with the profession.  
4 Neither the public member nor the faculty member shall  
5 participate in the preparation or administration of the  
6 examination of applicants for licensure, ~~or certification.~~

7 Members shall serve 4-year terms and until their successors  
8 are appointed and qualified. No member shall be appointed to  
9 the Board for more than 2 successive 4-year terms, not counting  
10 any partial terms when appointed to fill the unexpired portion  
11 of a vacated term. Appointments to fill vacancies shall be made  
12 in the same manner as original appointments, for the unexpired  
13 portion of the vacated term.

14 The Board shall annually elect a chairperson and a  
15 vice-chairperson, both of whom shall be licensed optometrists.

16 The membership of the Board should reasonably reflect  
17 representation from the geographic areas in this State.

18 A majority of the Board members currently appointed shall  
19 constitute a quorum. A vacancy in the membership of the Board  
20 shall not impair the right of a quorum to perform all of the  
21 duties of the Board.

22 The Secretary may terminate the appointment of any member  
23 for cause.

24 The Secretary shall give due consideration to all  
25 recommendations of the Board, and in the event that the  
26 Secretary disagrees with or takes action contrary to the

1 recommendation of the Board, he or she shall provide the Board  
2 with a written and specific explanation of this action. None of  
3 the functions, powers or duties of the Department with respect  
4 to policy matters relating to licensure, discipline, and  
5 examination, including the promulgation of such rules as may be  
6 necessary for the administration of this Act, shall be  
7 exercised by the Department except upon review of the Board.

8 Without, in any manner, limiting the power of the  
9 Department to conduct investigations, the Board may recommend  
10 to the Secretary that one or more licensed optometrists be  
11 selected by the Secretary to conduct or assist in any  
12 investigation pursuant to this Act. Such licensed optometrist  
13 may receive remuneration as determined by the Secretary.

15 (225 ILCS 80/16) (from Ch. 111, par. 3916)

16 (Section scheduled to be repealed on January 1, 2017)

17 Sec. 16. Renewal, reinstatement or restoration of  
18 licenses; military service. The expiration date and renewal  
19 period for each license issued under this Act shall be set by  
20 rule.

21 All renewal applicants shall provide proof of having met  
22 the requirements of continuing education set forth in the rules  
23 of the Department. The Department shall, by rule, provide for  
24 an orderly process for the reinstatement of licenses which have  
25 not been renewed due to failure to meet the continuing

1 education requirements. The continuing education requirement  
2 may be waived for such good cause, including but not limited to  
3 illness or hardship, as defined by rules of the Department.

4 The Department shall establish by rule a means for the  
5 verification of completion of the continuing education  
6 required by this Section. This verification may be accomplished  
7 through audits of records maintained by registrants; by  
8 requiring the filing of continuing education certificates with  
9 the Department; or by other means established by the  
10 Department.

11 Any licensee seeking renewal of his or her license during  
12 the renewal cycle beginning April 1, 2008 must first complete a  
13 tested educational course in the use of oral pharmaceutical  
14 agents for the management of ocular conditions, as approved by  
15 the Board.

16 Any optometrist who has permitted his or her license to  
17 expire or who has had his or her license on inactive status may  
18 have his or her license restored by making application to the  
19 Department and filing proof acceptable to the Department of his  
20 or her fitness to have his or her license restored and by  
21 paying the required fees. Such proof of fitness may include  
22 evidence certifying to active lawful practice in another  
23 jurisdiction and must include proof of the completion of the  
24 continuing education requirements specified in the rules for  
25 the preceding license renewal period that has been completed  
26 during the 2 years prior to the application for license

1 restoration.

2 The Department shall determine, by an evaluation program  
3 established by rule, his or her fitness for restoration of his  
4 or her license and shall establish procedures and requirements  
5 for such restoration.

6 However, any optometrist whose license expired while he or  
7 she was (1) in Federal Service on active duty with the Armed  
8 Forces of the United States, or the State Militia called into  
9 service or training, or (2) in training or education under the  
10 supervision of the United States preliminary to induction into  
11 the military service, may have his or her license restored  
12 without paying any lapsed renewal fees if within 2 years after  
13 honorable termination of such service, training, or education,  
14 he or she furnishes the Department with satisfactory evidence  
15 to the effect that he or she has been so engaged and that his or  
16 her service, training, or education has been so terminated.

17 All licenses without "Therapeutic Certification" on March  
18 31, 2006 shall be placed on non-renewed status and may only be  
19 renewed after the licensee meets those requirements  
20 established by the Department that may not be waived. All  
21 licensees on March 31, 2010 without a certification of  
22 completion of an oral pharmaceutical course as required by this  
23 Section shall be placed on non-renewed status and may only be  
24 renewed after the licensee meets those requirements  
25 established by the Department that may not be waived.
