10 study has increased significantly in recent years; and

11 WHEREAS, the historically cash-strapped undergraduate
12 student is particularly vulnerable to the activities of

14 WHEREAS, the General Assembly finds that it is in the best
15 interest of the State of Illinois to ensure that its
16 institutions of higher education prepare students to handle
17 credit and debt responsibly; therefore

18 **Be it enacted by the People of the State of Illinois,**
19 **represented in the General Assembly:**

1 Section 1. Short title. This Act may be cited as the Credit
2 Card Marketing Act of 2009.

3 Section 5. Definitions. As used in this Act:

4 "Credit card" means a card or device issued under an
5 agreement by which the credit card issuer gives to a cardholder
6 residing in the State of Illinois the privilege of obtaining
7 credit from the credit card issuer or another person in
8 connection with the purchase or lease of goods or services
9 primarily for personal, family, or household use.

10 "Credit card issuer" means a financial institution, a
11 lender other than a financial institution, or a merchant that
12 receives applications and issues credit cards to individuals.

13 "Credit card marketing activity" means any action designed
14 to promote the completion of an application by a student to
15 qualify to receive a credit card. Credit card marketing
16 activity includes, but is not limited to, the act of placing a
17 display or poster together with credit card applications on a
18 campus of an institution of higher education in the State of
19 Illinois, whether or not an employee or agent of the credit
20 card issuer attends the display. "Credit card marketing
21 activity" does not include promotional activity of a credit
22 card issuer in a newspaper, magazine, or other similar
23 publication or within the physical location of a financial
24 services business located on the campus of an institution of
25 higher education, when that activity is conducted as a part of

1 the financial services business's regular course of business.

2 "Institution of higher education" means any publicly or
3 privately operated university, college, community college,
4 junior college, business, technical or vocational school, or
5 other educational institution offering degrees and instruction
6 beyond the secondary school level.

7 "Student pursuing an undergraduate education" means any
8 individual under the age of 21 admitted to or applying for
9 admission to an institution of higher education, or enrolled on
10 a full or part time basis in a course or program of academic,
11 business, or vocational instruction offered by or through an
12 institution of higher education, where credits earned could be
13 applied toward the earning of a bachelors or associates degree.

14 Section 10. Financial education. Any institution of higher
15 education that enters into an agreement to market credit cards
16 to students pursuing an undergraduate education, or that allows
17 its student groups, alumni associations, or affiliates to enter
18 into such agreements must make a financial education program
19 available to all students. Additionally, an institution of
20 higher education shall make available to all its students, via
21 posting in a conspicuous location on its web pages, the
22 financial education information required by this Section. The
23 financial education program shall include, at a minimum:

24 (1) an explanation of the consequences of not paying
25 credit card balances in full within the time specified by

1 the billing statement, including an explanation of the
2 methods employed by credit card issuers to compute interest
3 on unpaid balances;

4 (2) an explanation of common industry practices that
5 have a negative impact to consumer credit card holders;
6 current examples include low introductory rates, a
7 description of acts on the part of cardholder that would
8 cause an immediate shift to a higher interest rate, and
9 complex timing calculations which can trigger higher
10 rates;

11 (3) examples illustrating the length of time it will
12 take to pay off various balance amounts if only the minimum
13 monthly payment required under the agreement is paid;

14 (4) an explanation of credit related terms, including
15 but not limited to fixed rates, variable rates,
16 introductory rates, balance transfers, grace periods, and
17 annual fees;

18 (5) information concerning the federal government's
19 opt-out program to limit credit card solicitations, and how
20 students may participate in it; and

22 consequences that could result from using a debit card for
23 purchases that exceed the deposits in the account tied to
24 the debit card.

1 issuers.

2 (a) Any institution of higher education, including its
3 agents, employees, or student or alumni organizations, or
4 affiliates that receives any funds or items of value from the
5 distribution of applications for credit cards to students
6 pursuing an undergraduate education, or whose student groups,
7 alumni associations or affiliates, or both, receive funds or
8 items of value from the distribution, must disclose the
9 following:

10 (1) the name of the credit card issuer that has entered
11 into an agreement with the institution of higher education;

12 (2) the nature of the institution of higher education's
13 relationship with the credit card issuer, including the

24 promoting the credit or debit card.

25 (c) To the extent that the institution of higher education
26 is a State or government entity receiving public funds and

1 otherwise subject to the Freedom of Information Act, all
2 agreements with credit card issuers shall be subject to
3 disclosure to any requester pursuant to the Freedom of
4 Information Act.

5 (d) This Section applies to all contracts or agreements
6 entered into after the effective date of this Act. Nothing in
7 this Section is intended to or shall impair the obligations,
8 terms, conditions, or value of contracts between credit card
9 issuers and institutions of higher education that were entered
10 into before the effective date of this Act.

11 Section 20. Gifts and inducements. No institution of higher
12 education shall knowingly allow on its campus the offer of
13 gifts, coupons, or other promotional incentives to students
14 pursuing an undergraduate education where the ultimate goal is
15 to induce a student to complete an application for a credit
16 card. All institutions of higher education shall prohibit their
17 students, student groups, alumni associations, or affiliates
18 from providing gifts, coupons, or other promotional incentives
19 to students pursuing an undergraduate education where the
20 ultimate goal is to induce a student to complete an application
21 for a credit card.

22 Section 25. Provision of student information prohibited.

6 address, or (vi) other personally identifying information.
7 This requirement is waived if the student pursuing an
8 undergraduate education is 21 years of age or older.

9 Section 30. Enforcement; violations. Whenever the Attorney
10 General has reason to believe that any institution of higher
11 education is knowingly using, has used, or is about to use any
12 method, act, or practice in violation of this Act, or knows or
13 should have reason to know that agents, employees, students,
14 student groups, alumni associations, or affiliates used or are
15 about to use any method, act, or practice in violation of this
16 Act, the Attorney General may bring an action in the name of
17 the State against any institution of higher education to
18 restrain and prevent any violation of this Act and seek
19 penalties in amounts up to \$1000 per incident.

20 Section 97. Severability. The provisions of this Act are
