22 procured from another governmental agency; (xiii) contracts

8 provide safety and comfort for the pupils with special needs or
9 disabilities, stability of service, and any other factors set
10 forth in the request for proposal regarding quality of service,
11 and then price.

12 All competitive bids for contracts involving an
13 expenditure in excess of \$25,000 or a lower amount as required
14 by board policy must be sealed by the bidder and must be opened
15 by a member or employee of the school board at a public bid
16 opening at which the contents of the bids must be announced.
17 Each bidder must receive at least 3 days' notice of the time
18 and place of the bid opening. For purposes of this Section due
19 advertisement includes, but is not limited to, at least one
20 public notice at least 10 days before the bid date in a
21 newspaper published in the district, or if no newspaper is
22 published in the district, in a newspaper of general
23 circulation in the area of the district. State master contracts
24 and certified education purchasing contracts, as defined in
25 Article 28A of this Code, are not subject to the requirements
26 of this paragraph.

1 (b) To require, as a condition of any contract for goods
2 and services, that persons bidding for and awarded a contract
3 and all affiliates of the person collect and remit Illinois Use
4 Tax on all sales of tangible personal property into the State
5 of Illinois in accordance with the provisions of the Illinois
6 Use Tax Act regardless of whether the person or affiliate is a
7 "retailer maintaining a place of business within this State" as
8 defined in Section 2 of the Use Tax Act. For purposes of this
9 Section, the term "affiliate" means any entity that (1)
10 directly, indirectly, or constructively controls another
11 entity, (2) is directly, indirectly, or constructively
12 controlled by another entity, or (3) is subject to the control
13 of a common entity. For purposes of this subsection (b), an
14 entity controls another entity if it owns, directly or
15 individually, more than 10% of the voting securities of that
16 entity. As used in this subsection (b), the term "voting
17 security" means a security that (1) confers upon the holder the
18 right to vote for the election of members of the board of
19 directors or similar governing body of the business or (2) is
20 convertible into, or entitles the holder to receive upon its
21 exercise, a security that confers such a right to vote. A
22 general partnership interest is a voting security.

23 To require that bids and contracts include a certification
24 by the bidder or contractor that the bidder or contractor is
25 not barred from bidding for or entering into a contract under
26 this Section and that the bidder or contractor acknowledges

1 that the school board may declare the contract void if the
2 certification completed pursuant to this subsection (b) is
3 false.

4 (b-5) To require all contracts and agreements that pertain
5 to goods and services and that are intended to generate
6 additional revenue and other remunerations for the school
7 district in excess of \$1,000, including without limitation
8 vending machine contracts, sports and other attire, class
9 rings, and photographic services, to be approved by the school
10 board. The school board shall file as an attachment to its
11 annual budget a report, in a form as determined by the State
12 Board of Education, indicating for the prior year the name of
13 the vendor, the product or service provided, and the actual net
14 revenue and non-monetary remuneration from each of the
15 contracts or agreements. In addition, the report shall indicate
16 for what purpose the revenue was used and how and to whom the
17 non-monetary remuneration was distributed.

18 (c) If the State education purchasing entity creates a
19 master contract as defined in Article 28A of this Code, then
20 the State education purchasing entity shall notify school
21 districts of the existence of the master contract.

22 (d) In purchasing supplies, materials, equipment, or
23 services that are not subject to subsection (c) of this
24 Section, before a school district solicits bids or awards a
25 contract, the district may review and consider as a bid under
26 subsection (a) of this Section certified education purchasing

1 contracts that are already available through the State
2 education purchasing entity.
