#### SYNOPSIS AS INTRODUCED:

5 ILCS 430/20-15

30 ILCS 605/7.3

from Ch. 127, par. 133b10.3

Provides that 3 executive aircraft and 2 helicopters owned by the State and not designated for emergency use are surplus property and must be sold by a competitive sealed bid method (now, a transferable airplane may be disposed of only if (i) it is no longer needed, (ii) it will not be used as a trade-in, and (iii) a public university or college offering aviation-related instruction or training has not listed its need for an airplane). Requires that the sale proceeds be deposited into the General Revenue Fund. Effective immediately.

10      transferable property and shall have authority to take  
11      possession and control of such property in order to transfer or  
12      assign any such property to any other State agency that has

14      accordance with Section 7 of this Act.

15       Notwithstanding any other provision of law to the contrary,  
16       3 executive aircraft and 2 helicopters owned by the State, as  
17       selected by the Administrator and not designated for emergency  
18       use under a plan developed pursuant to Section 3.120 of the

3       ~~no longer has a need for the airplane, (ii) the airplane will~~  
4       ~~not be used as a trade-in on another aircraft, and (iii) no~~

16       Administrator shall advise responsible officers of the results  
17       of these reviews as necessary.

18       The staff under the jurisdiction of the Administrator shall  
19       review as necessary State agencies' inventories for potential
