

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Cadmium-Safe Kids Act.

6 Section 5. Legislative findings. The General Assembly  
7 finds:

8 (1) Children's jewelry that could expose children to high  
9 levels of accessible cadmium could cause potential harm to  
10 children's health and the environment.

11 (2) Because children's bodies are growing and developing,  
12 they are especially vulnerable to the effects of toxic  
13 chemicals.

14 (3) To protect children's health, it is important to limit  
15 children's exposure to accessible cadmium in children's  
16 jewelry and to determine whether further action is required.

17 Section 10. Definitions. In this Act:

18 "Agency" means the Illinois Environmental Protection  
19 Agency.

20 "Body piercing jewelry" means any part of jewelry that is  
21 manufactured or sold for placement in a new piercing or a  
22 mucous membrane, but does not include any part of that jewelry

1 that is not placed within a new piercing or a mucous membrane.

2 "Children's jewelry" means jewelry that is made, marketed,  
3 or designed for or intended primarily for use by children under  
4 the age of 12 and includes jewelry that meets any of the

7 advertising as appropriate for use by children under the  
8 age of 12;

9 (2) sold in conjunction with, attached to, or packaged  
10 together with other products that are packaged, displayed,

21 catalogue, or online web site, in which a person offers  
22 for sale products that are packaged, displayed, or

24 "Children's jewelry" does not include any product category  
25 for which an existing federal standard regulates cadmium  
26 exposure in surface coatings and accessible substrate

1 materials as required under ASTM International Consumer Safety  
2 Specification for Toy Safety, ASTM Standard F-963, or  
3 subsequent versions of this standard.

3 list in this definition, excluding the timepiece itself if  
4 the timepiece can be removed from the ornament.

5 "Manufacturer" means the person who manufactured a final  
6 product. In the case of a product that was imported into the  
7 United States, "manufacturer" includes the importer or  
8 domestic distributor of the product if the person who  
9 manufactured the product does not have a presence in the United  
10 States.

13 distribute for sale, or distribute for use in this State  
14 children's jewelry containing cadmium in any paint or surface  
15 coating or accessible substrate that exceeds 75 parts per  
16 million, as determined through solubility testing for heavy  
17 metals defined in the ASTM International Safety Specification  
18 on Toy Safety, ASTM Standard F-963, and subsequent versions of

20 applicable to children's jewelry. This Section only applies to

3 manage available data on chemicals, including information on  
4 uses, hazards, environmental concerns, safer alternatives, and  
5 model policies and programs, (ii) provide technical assistance  
6 regarding chemical safety to businesses, consumers, and policy  
7 makers, and (iii) undertake other activities in support of  
8 State programs to promote chemical safety.

11 this Act must notify persons that sell the manufacturer's  
12 products in this State about the provisions of this Act no less  
13 than 90 days before the effective date of the restrictions. A  
14 manufacturer that sells or distributes children's jewelry

12 alleged violations; and (iii) examine any record, book,  
13 document, account, or paper necessary to investigate the  
14 alleged violation.

15 (d) Service by the Attorney General of any notice requiring  
16 a person to file a statement or report, or of a subpoena upon  
17 any person, shall be made:

18 (1) personally by delivery of a duly executed copy

4 that violates this Act.

5 (f) If any person fails or refuses to file any statement or  
6 report, or obey any subpoena, issued pursuant to subsection (c)  
7 of this Section, then the Attorney General may proceed to  
8 initiate a civil action pursuant to subsection (e) of this  
9 Section, or file a complaint in the circuit court for the

13 (g) Relief that may be granted.

14 (1) In any civil action brought pursuant to subsection  
15 (e) of this Section, the Attorney General may obtain as a  
16 remedy, equitable relief (including any permanent or  
17 preliminary injunction, temporary restraining order, or  
18 other order, including an order enjoining the defendant  
19 from engaging in a violation or ordering any action as may  
20 be appropriate). In addition, the Attorney General may  
21 request and the Court may impose a civil penalty in an  
22 amount not to exceed \$50,000 for each violation. For  
23 purposes of this subsection, each item and each standard  
24 constitutes a separate violation.

25 (2) A civil penalty imposed or a settlement or other  
26 payment made pursuant to this Act shall be made payable to

1 the Attorney General's State Projects and Court Ordered  
2 Distribution Fund, which is created as a special fund in

13 in addition to any penalties, injunctions, or other relief  
14 provided under any other law. Nothing in this Act shall bar a  
15 cause of action by the State for any other penalty, injunction,  
16 or relief provided by any other law.
