9 (a) Purpose. It is the purpose of these ~~this~~ amendatory  
10 Acts ~~Act~~ of 1997 and 2010 to establish a uniform program of  
11 health benefits for community college benefit recipients and  
12 their dependent beneficiaries under the administration of the  
13 Department of Central Management Services.

14 (b) Creation of program. Beginning July 1, 1999, the  
15 Department of Central Management Services shall be responsible  
16 for administering a program of health benefits for community  
17 college benefit recipients and community college dependent  
18 beneficiaries under this Section. The State Universities  
19 Retirement System and the boards of trustees of the various  
20 community college districts shall cooperate with the  
21 Department in this endeavor.

22 Beginning July 1, 2011, the Department of Central  
23 Management Services shall be responsible for administering a  
24 program of health benefits for community college benefit  
25 recipients and community college dependent beneficiaries

2 State Universities Retirement System and the boards of trustees  
3 of the community college districts shall cooperate with the  
4 Department in this endeavor.

5 (c) Eligibility. All community college benefit recipients  
6 and community college dependent beneficiaries shall be  
7 eligible to participate in the program established under this  
8 Section, without any interruption or delay in coverage or  
9 limitation as to pre-existing medical conditions. Eligibility  
10 to participate shall be determined by the State Universities  
11 Retirement System. Eligibility information shall be  
12 communicated to the Department of Central Management Services  
13 in a format acceptable to the Department.

14 (d) Coverage. The health benefit coverage provided under  
15 this Section shall be a program of health, dental, and vision  
16 benefits.

19 not limited to a reduction in benefits based on eligibility for  
20 federal medicare benefits, that are provided under subsection  
21 (a) of Section 6 of this Act for other health benefit programs  
22 under this Act.

23 (e) Insurance rates and premiums. The Director shall  
24 determine the insurance rates and premiums for community  
25 college benefit recipients and community college dependent  
26 beneficiaries. Rates and premiums may be based in part on age

1 and eligibility for federal Medicare coverage. The Director  
2 shall also determine premiums that will allow for the  
3 establishment of an actuarially sound reserve for this program.

4 The cost of health benefits under the program shall be paid  
5 as follows:

6 (1) For a community college benefit recipient, up to  
7 75% of the total insurance rate shall be paid from the  
8 Community College Health Insurance Security Fund.

9 (2) The balance of the rate of insurance, including the  
10 entire premium for any coverage for community college  
11 dependent beneficiaries that has been elected, shall be  
12 paid by deductions authorized by the community college  
13 benefit recipient to be withheld from his or her monthly  
14 annuity or benefit payment from the State Universities  
15 Retirement System; except that (i) if the balance of the  
16 cost of coverage exceeds the amount of the monthly annuity  
17 or benefit payment, the difference shall be paid directly  
18 to the State Universities Retirement System by the  
19 community college benefit recipient, and (ii) all or part  
20 of the balance of the cost of coverage may, at the option  
21 of the board of trustees of the community college district,  
22 be paid to the State Universities Retirement System by the  
23 board of the community college district from which the  
24 community college benefit recipient retired. The State  
25 Universities Retirement System shall promptly deposit all

2 Security Fund. These moneys shall not be considered assets  
3 of the State Universities Retirement System.

4 (f) Financing. All revenues arising from the  
5 administration of the health benefit program established under  
6 this Section shall be deposited into the Community College  
7 Health Insurance Security Fund, which is hereby created as a  
8 nonappropriated trust fund to be held outside the State  
9 Treasury, with the State Treasurer as custodian. Any interest  
10 earned on moneys in the Community College Health Insurance  
11 Security Fund shall be deposited into the Fund.

12 Moneys in the Community College Health Insurance Security  
13 Fund shall be used only to pay the costs of the health benefit  
14 program established under this Section, including associated  
15 administrative costs and the establishment of a program  
16 reserve. Beginning January 1, 1999, the Department of Central  
17 Management Services may make expenditures from the Community  
18 College Health Insurance Security Fund for those costs.

19 (g) Contract for benefits. The Director shall by contract,  
20 self-insurance, or otherwise make available the program of  
21 health benefits for community college benefit recipients and  
22 their community college dependent beneficiaries that is  
23 provided for in this Section. The contract or other arrangement  
24 for the provision of these health benefits shall be on terms  
25 deemed by the Director to be in the best interest of the State  
26 of Illinois and the community college benefit recipients based

1 on, but not limited to, such criteria as administrative cost,  
2 service capabilities of the carrier or other contractor, and  
3 the costs of the benefits.

4 (h) Continuation of program. It is the intention of the  
5 General Assembly that the program of health benefits provided  
6 under this Section be maintained on an ongoing, affordable  
7 basis. The program of health benefits provided under this  
8 Section may be amended by the State and is not intended to be a  
9 pension or retirement benefit subject to protection under  
10 Article XIII, Section 5 of the Illinois Constitution.

11 (i) Other health benefit plans. A health benefit plan  
12 provided by a community college district (other than, until

19 the affected retiree. A community college benefit recipient or  
20 community college dependent beneficiary whose coverage under  
21 such a plan expires shall be eligible to begin participating in

7 such a plan expires shall be eligible to begin participating in  
8 the program established under this Section without any  
9 interruption or delay in coverage or limitation as to  
10 pre-existing medical conditions.

11 This Act does not prohibit any community college district  
12 from offering additional health benefits for its retirees or  
13 their dependents or survivors.

18 fiscal years 1999 through 2005. Based upon this calculation,  
19 the fiscal year 2008 certification shall include an amount  
20 equal to the cumulative amount that the actual active employee  
21 contributions either fell short of or exceeded the estimate  
22 used by the Board in making the certification for those fiscal  
23 years. The certification shall include a detailed explanation
