any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The Department shall fix the amount of such security in each case, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security

- 1 required by the Department shall not exceed three times the
- 2 amount of the applicant's average monthly tax liability, or
- 3 \$50,000.00, whichever amount is lower.
- 4 No certificate of registration under this Act shall be
- 5 issued by the Department until the applicant provides the
- 6 Department with satisfactory security, if required, as herein
- 7 provided for.
- 8 Upon receipt of the application for certificate of 9 registration in proper form, and upon approval by the
- 10 Department of the security furnished by the applicant, if
- 11 <u>required</u>, the Department shall issue to such applicant a
- 12 certificate of registration which shall permit the person to
- whom it is issued to engage in the business of selling tangible
- 14 personal property at retail in this State. The certificate of
- 15 registration shall be conspicuously displayed at the place of
- 16 business which the person so registered states in his
- application to be the principal place of business from which he
- 18 engages in the business of selling tangible personal property
- 19 at retail in this State.
- No certificate of registration issued to a taxpayer who
- 21 files returns required by this Act on a monthly basis shall be
- 22 valid after the expiration of 5 years from the date of its
- 23 issuance or last renewal. The expiration date of a
- 24 sub-certificate of registration shall be that of the
- 25 certificate of registration to which the sub-certificate
- 26 relates. A certificate of registration shall automatically be

Where a taxpayer to whom a certificate registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 120 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued less than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous

Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may

Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the

Department may sue in the event of a forfeiture), if the 1 2 taxpayer fails to pay, when due, any amount whose payment such 3 security guarantees, the Department shall, after liability is admitted by the taxpayer or established by the 5 Department through the issuance of a final assessment that has 6 become final under the law, convert the security which that taxpayer has furnished into money for the State, after first 7 8 giving the taxpayer at least 10 days' written notice, by 9 registered or certified mail, to pay the liability or forfeit 10 such security to the Department. If the security consists of 11 stocks or bonds or other securities which are listed on a 12 public exchange, the Department shall sell such securities 13 through such public exchange. If the security consists of an 14 irrevocable bank letter of credit, the Department shall convert 15 the security in the manner provided for in the Uniform 16 Commercial Code. If the security consists of a bank certificate 17 of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank 18 19 certificate of deposit from the bank which issued such 20 certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the 21 22 Department shall sell such security to the highest and best 23 bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State 24 25 Official Newspaper". If the Department realizes more than the 26 amount of such liability from the security, plus the expenses

1 incurred by the Department in converting the security into

money, the Department shall pay such excess to the taxpayer who

furnished such security, and the balance shall be paid into the

State Treasury.
