5 Section 14-104 as follows:

6 (40 ILCS 5/14-104) (from Ch. 108 1/2, par. 14-104)

7 Sec. 14-104. Service for which contributions permitted.  
8 Contributions provided for in this Section shall cover the  
9 period of service granted. Except as otherwise provided in this  
10 Section, the contributions shall be based upon the employee's  
11 compensation and contribution rate in effect on the date he  
12 last became a member of the System; provided that for all  
13 employment prior to January 1, 1969 the contribution rate shall  
14 be that in effect for a noncovered employee on the date he last  
15 became a member of the System. Except as otherwise provided in  
16 this Section, contributions permitted under this Section shall  
17 include regular interest from the date an employee last became  
18 a member of the System to the date of payment.

19 These contributions must be paid in full before retirement  
20 either in a lump sum or in installment payments in accordance  
21 with such rules as may be adopted by the board.

22 (a) Any member may make contributions as required in this  
23 Section for any period of service, subsequent to the date of

1 establishment, but prior to the date of membership.

2 (b) Any employee who had been previously excluded from  
3 membership because of age at entry and subsequently became  
4 eligible may elect to make contributions as required in this  
5 Section for the period of service during which he was  
6 ineligible.

7 (c) An employee of the Department of Insurance who, after  
8 January 1, 1944 but prior to becoming eligible for membership,  
9 received salary from funds of insurance companies in the  
10 process of rehabilitation, liquidation, conservation or  
11 dissolution, may elect to make contributions as required in  
12 this Section for such service.

13 (d) Any employee who rendered service in a State office to  
14 which he was elected, or rendered service in the elective  
15 office of Clerk of the Appellate Court prior to the date he  
16 became a member, may make contributions for such service as  
17 required in this Section. Any member who served by appointment  
18 of the Governor under the Civil Administrative Code of Illinois  
19 and did not participate in this System may make contributions  
20 as required in this Section for such service.

21 (e) Any person employed by the United States government or  
22 any instrumentality or agency thereof from January 1, 1942  
23 through November 15, 1946 as the result of a transfer from  
24 State service by executive order of the President of the United  
25 States shall be entitled to prior service credit covering the  
26 period from January 1, 1942 through December 31, 1943 as

1 provided for in this Article and to membership service credit  
2 for the period from January 1, 1944 through November 15, 1946  
3 by making the contributions required in this Section. A person  
4 so employed on January 1, 1944 but whose employment began after  
5 January 1, 1942 may qualify for prior service and membership  
6 service credit under the same conditions.

7 (f) An employee of the Department of Labor of the State of  
8 Illinois who performed services for and under the supervision  
9 of that Department prior to January 1, 1944 but who was  
10 compensated for those services directly by federal funds and  
11 not by a warrant of the Auditor of Public Accounts paid by the  
12 State Treasurer may establish credit for such employment by  
13 making the contributions required in this Section. An employee  
14 of the Department of Agriculture of the State of Illinois, who  
15 performed services for and under the supervision of that  
16 Department prior to June 1, 1963, but was compensated for those  
17 services directly by federal funds and not paid by a warrant of  
18 the Auditor of Public Accounts paid by the State Treasurer, and  
19 who did not contribute to any other public employee retirement  
20 system for such service, may establish credit for such  
21 employment by making the contributions required in this  
22 Section.

23 (g) Any employee who executed a waiver of membership within  
24 60 days prior to January 1, 1944 may, at any time while in the  
25 service of a department, file with the board a rescission of  
26 such waiver. Upon making the contributions required by this

1 Section, the member shall be granted the creditable service  
2 that would have been received if the waiver had not been  
3 executed.

4 (h) Until May 1, 1990, an employee who was employed on a  
5 full-time basis by a regional planning commission for at least  
6 5 continuous years may establish creditable service for such  
7 employment by making the contributions required under this  
8 Section, provided that any credits earned by the employee in  
9 the commission's retirement plan have been terminated.

10 (i) Any person who rendered full time contractual services  
11 to the General Assembly as a member of a legislative staff may  
12 establish service credit for up to 8 years of such services by  
13 making the contributions required under this Section, provided  
14 that application therefor is made not later than July 1, 1991.

15 (j) By paying the contributions otherwise required under  
16 this Section, plus an amount determined by the Board to be  
17 equal to the employer's normal cost of the benefit plus  
18 interest, but with all of the interest calculated from the date  
19 the employee last became a member of the System or November 19,  
20 1991, whichever is later, to the date of payment, an employee  
21 may establish service credit for a period of up to 4 years  
22 spent in active military service for which he does not qualify  
23 for credit under Section 14-105, provided that (1) he was not  
24 dishonorably discharged from such military service, and (2) the  
25 amount of service credit established by a member under this  
26 subsection (j), when added to the amount of military service

1 credit granted to the member under subsection (b) of Section  
2 14-105, shall not exceed 5 years. The change in the manner of  
3 calculating interest under this subsection (j) made by this  
4 amendatory Act of the 92nd General Assembly applies to credit  
5 purchased by an employee on or after its effective date and  
6 does not entitle any person to a refund of contributions or  
7 interest already paid. In compliance with Section 14-152.1 of  
8 this Act concerning new benefit increases, any new benefit  
9 increase as a result of the changes to this subsection (j) made  
10 by Public Act 95-483 is funded through the employee  
11 contributions provided for in this subsection (j). Any new  
12 benefit increase as a result of the changes made to this  
13 subsection (j) by Public Act 95-483 is exempt from the  
14 provisions of subsection (d) of Section 14-152.1.

15 (k) An employee who was employed on a full-time basis by  
16 the Illinois State's Attorneys Association Statewide Appellate

18 that project became the State's Attorneys Appellate Service  
19 Commission, now the Office of the State's Attorneys Appellate  
20 Prosecutor, an agency of State government, may establish  
21 creditable service for not more than 60 months service for such  
22 employment by making contributions required under this  
23 Section.

24 (l) By paying the contributions otherwise required under  
25 this Section, plus an amount determined by the Board to be  
26 equal to the employer's normal cost of the benefit plus

1 interest, a member may establish service credit for periods of  
2 less than one year spent on authorized leave of absence from  
3 service, provided that (1) the period of leave began on or  
4 after January 1, 1982 and (2) any credit established by the  
5 member for the period of leave in any other public employee  
6 retirement system has been terminated. A member may establish  
7 service credit under this subsection for more than one period  
8 of authorized leave, and in that case the total period of  
9 service credit established by the member under this subsection  
10 may exceed one year. In determining the contributions required  
11 for establishing service credit under this subsection, the  
12 interest shall be calculated from the beginning of the leave of  
13 absence to the date of payment.

14 (1-5) By paying the contributions otherwise required under  
15 this Section, plus an amount determined by the Board to be  
16 equal to the employer's normal cost of the benefit plus  
17 interest, a member may establish service credit for periods of  
18 up to 2 years spent on authorized leave of absence from  
19 service, provided that during that leave the member represented  
20 or was employed as an officer or employee of a statewide labor  
21 organization that represents members of this System. In  
22 determining the contributions required for establishing  
23 service credit under this subsection, the interest shall be  
24 calculated from the beginning of the leave of absence to the  
25 date of payment.

26 (m) Any person who rendered contractual services to a

1 member of the General Assembly as a worker in the member's  
2 district office may establish creditable service for up to 3  
3 years of those contractual services by making the contributions  
4 required under this Section. The System shall determine a  
5 full-time salary equivalent for the purpose of calculating the  
6 required contribution. To establish credit under this  
7 subsection, the applicant must apply to the System by March 1,  
8 1998.

9 (n) Any person who rendered contractual services to a  
10 member of the General Assembly as a worker providing  
11 constituent services to persons in the member's district may  
12 establish creditable service for up to 8 years of those  
13 contractual services by making the contributions required  
14 under this Section. The System shall determine a full-time  
15 salary equivalent for the purpose of calculating the required  
16 contribution. To establish credit under this subsection, the  
17 applicant must apply to the System by March 1, 1998.

18 (o) A member who participated in the Illinois Legislative  
19 Staff Internship Program may establish creditable service for  
20 up to one year of that participation by making the contribution  
21 required under this Section. The System shall determine a  
22 full-time salary equivalent for the purpose of calculating the  
23 required contribution. Credit may not be established under this  
24 subsection for any period for which service credit is  
25 established under any other provision of this Code.

26 (p) By paying the contributions otherwise required under

1 this Section, plus an amount determined by the Board to be  
2 equal to the employer's normal cost of the benefit plus  
3 interest, a member may establish service credit for a period of  
4 up to 8 years during which he or she was employed by the  
5 Visually Handicapped Managers of Illinois in a vending program  
6 operated under a contractual agreement with the Department of  
7 Rehabilitation Services or its successor agency.

8 This subsection (p) applies without regard to whether the  
9 person was in service on or after the effective date of this  
10 amendatory Act of the 94th General Assembly. In the case of a  
11 person who is receiving a retirement annuity on that effective  
12 date, the increase, if any, shall begin to accrue on the first  
13 annuity payment date following receipt by the System of the  
14 contributions required under this subsection (p).

15 (q) By paying the required contributions under this  
16 Section, plus an amount determined by the Board to be equal to  
17 the employer's normal cost of the benefit plus interest, an  
18 employee who was laid off but returned to any State employment  
19 may establish creditable service for the period of the layoff,  
20 provided that (1) the applicant applies for the creditable  
21 service under this subsection (q) within 6 months after July

23 ~~amendatory Act of the 96th General Assembly~~, (2) the applicant  
24 does not receive credit for that period under any other  
25 provision of this Code, (3) at the time of the layoff, the  
26 applicant is not in an initial probationary status consistent

1 with the rules of the Department of Central Management  
2 Services, and (4) the total amount of creditable service  
3 established by the applicant under this subsection (q) does not  
4 exceed 3 years. For service established under this subsection  
5 (q), the required employee contribution shall be based on the  
6 rate of compensation earned by the employee on the date of  
7 returning to employment after the layoff and the contribution  
8 rate then in effect, and the required interest shall be  
9 calculated at the actuarially assumed rate from the date of  
10 returning to employment after the layoff to the date of  
11 payment. Funding for any new benefit increase, as defined in  
12 Section 14-152.1 of this Act, that is created under this  
13 subsection (q) will be provided by the employee contributions  
14 required under this subsection (q).

15 (r) A member who participated in the University of Illinois  
16 Government Public Service Internship Program (GPSI) may  
17 establish creditable service for up to 2 years of that  
18 participation by making the contribution required under this  
19 Section, plus an amount determined by the Board to be equal to  
20 the employer's normal cost of the benefit plus interest. The  
21 System shall determine a full-time salary equivalent for the  
22 purpose of calculating the required contribution. Credit may  
23 not be established under this subsection for any period for  
24 which service credit is established under any other provision  
25 of this Code.

26 (s) A member who worked as a nurse under a contractual

1 agreement for the Department of Public Aid, or its successor

5 Illinois Labor Relations Board may establish creditable  
6 service for those contractual services by making the  
7 contributions required under this Section. To establish credit  
8 under this subsection, the applicant must apply to the System  
9 by July 1, 2008.

10 The Department of Human Services shall pay an employer  
11 contribution based upon an amount determined by the Board to be  
12 equal to the employer's normal cost of the benefit, plus  
13 interest.

14 In compliance with Section 14-152.1 added by Public Act  
15 94-4, the cost of the benefits provided by Public Act 95-583  
16 are offset by the required employee and employer contributions.

9 periods of furlough beginning on or after July 1, 2008. To  
10 receive this credit, the participant must (i) apply in writing  
11 to the System before December 31, 2011 and (ii) not receive  
12 compensation for the furlough period. For service established  
13 under this subsection, the required employee contribution  
14 shall be based on the rate of compensation earned by the  
15 employee immediately following the date of the first furlough  
16 day in the time period specified in this subsection (u), and
