1 AMENDMENT TO SENATE BILL 807

2 AMENDMENT NO. _____. Amend Senate Bill 807 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Children and Family Services Act is amended
5 by changing Sections 5, 5a, and 9.9 as follows:

6 (20 ILCS 505/5) (from Ch. 23, par. 5005)

7 Sec. 5. Direct child welfare services; Department of
8 Children and Family Services. To provide direct child welfare
9 services when not available through other public or private
10 child care or program facilities.

11 (a) For purposes of this Section:

12 (1) "Children" means persons found within the State who
13 are under the age of 18 years. The term also includes
14 persons under age 19 who:

15 (A) were committed to the Department pursuant to
16 the Juvenile Court Act or the Juvenile Court Act of

1 1987, as amended, prior to the age of 18 and who
2 continue under the jurisdiction of the court; or

3 (B) were accepted for care, service and training by
4 the Department prior to the age of 18 and whose best
5 interest in the discretion of the Department would be
6 served by continuing that care, service and training
7 because of severe emotional disturbances, physical
8 disability, social adjustment or any combination
9 thereof, or because of the need to complete an
10 educational or vocational training program.

11 (2) "Homeless youth" means persons found within the
12 State who are under the age of 19, are not in a safe and
13 stable living situation and cannot be reunited with their
14 families.

15 (3) "Child welfare services" means public social
16 services which are directed toward the accomplishment of
17 the following purposes:

18 (A) protecting and promoting the health, safety
19 and welfare of children, including homeless, dependent
20 or neglected children;

21 (B) remedying, or assisting in the solution of
22 problems which may result in, the neglect, abuse,
23 exploitation or delinquency of children;

24 (C) preventing the unnecessary separation of
25 children from their families by identifying family
26 problems, assisting families in resolving their

1 problems, and preventing the breakup of the family
2 where the prevention of child removal is desirable and
3 possible when the child can be cared for at home
4 without endangering the child's health and safety;

5 (D) restoring to their families children who have
6 been removed, by the provision of services to the child
7 and the families when the child can be cared for at
8 home without endangering the child's health and
9 safety;

10 (E) placing children in suitable adoptive homes,
11 in cases where restoration to the biological family is
12 not safe, possible or appropriate;

13 (F) assuring safe and adequate care of children
14 away from their homes, in cases where the child cannot
15 be returned home or cannot be placed for adoption. At
16 the time of placement, the Department shall consider
17 concurrent planning, as described in subsection (1-1)
18 of this Section so that permanency may occur at the
19 earliest opportunity. Consideration should be given so
20 that if reunification fails or is delayed, the
21 placement made is the best available placement to
22 provide permanency for the child;

23 (G) (blank);

24 (H) (blank); and

25 (I) placing and maintaining children in facilities
26 that provide separate living quarters for children

1 under the age of 18 and for children 18 years of age
2 and older, unless a child 18 years of age is in the
3 last year of high school education or vocational
4 training, in an approved individual or group treatment
5 program, in a licensed shelter facility, or secure
6 child care facility. The Department is not required to
7 place or maintain children:

8 (i) who are in a foster home, or

9 (ii) who are persons with a developmental
10 disability, as defined in the Mental Health and
11 Developmental Disabilities Code, or

12 (iii) who are female children who are
13 pregnant, pregnant and parenting or parenting, or

14 (iv) who are siblings, in facilities that
15 provide separate living quarters for children 18
16 years of age and older and for children under 18
17 years of age.

18 (b) Nothing in this Section shall be construed to authorize
19 the expenditure of public funds for the purpose of performing
20 abortions.

21 (c) The Department shall establish and maintain
22 tax-supported child welfare services and extend and seek to
23 improve voluntary services throughout the State, to the end
24 that services and care shall be available on an equal basis
25 throughout the State to children requiring such services.

26 (d) The Director may authorize advance disbursements for

1 any new program initiative to any agency contracting with the
2 Department. As a prerequisite for an advance disbursement, the
3 contractor must post a surety bond in the amount of the advance
4 disbursement and have a purchase of service contract approved
5 by the Department. The Department may pay up to 2 months
6 operational expenses in advance. The amount of the advance
7 disbursement shall be prorated over the life of the contract or
8 the remaining months of the fiscal year, whichever is less, and
9 the installment amount shall then be deducted from future
10 bills. Advance disbursement authorizations for new initiatives
11 shall not be made to any agency after that agency has operated
12 during 2 consecutive fiscal years. The requirements of this
13 Section concerning advance disbursements shall not apply with
14 respect to the following: payments to local public agencies for
15 child day care services as authorized by Section 5a of this
16 Act; and youth service programs receiving grant funds under
17 Section 17a-4.

18 (e) (Blank).

19 (f) (Blank).

20 (g) The Department shall establish rules and regulations
21 concerning its operation of programs designed to meet the goals
22 of child safety and protection, family preservation, family
23 reunification, and adoption, including but not limited to:

24 (1) adoption;

25 (2) foster care;

26 (3) family counseling;

- 1 (4) protective services;
- 2 (5) (blank);
- 3 (6) homemaker service;
- 4 (7) return of runaway children;
- 5 (8) (blank);
- 6 (9) placement under Section 5-7 of the Juvenile Court
- 7 Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile
- 8 Court Act of 1987 in accordance with the federal Adoption
- 9 Assistance and Child Welfare Act of 1980; and
- 10 (10) interstate services.

11 Rules and regulations established by the Department shall
12 include provisions for training Department staff and the staff
13 of Department grantees, through contracts with other agencies
14 or resources, in alcohol and drug abuse screening techniques
15 approved by the Department of Human Services, as a successor to
16 the Department of Alcoholism and Substance Abuse, for the
17 purpose of identifying children and adults who should be
18 referred to an alcohol and drug abuse treatment program for
19 professional evaluation.

20 (h) If the Department finds that there is no appropriate
21 program or facility within or available to the Department for a
22 ward and that no licensed private facility has an adequate and
23 appropriate program or none agrees to accept the ward, the
24 Department shall create an appropriate individualized,
25 program-oriented plan for such ward. The plan may be developed
26 within the Department or through purchase of services by the

1 Department to the extent that it is within its statutory
2 authority to do.

3 (i) Service programs shall be available throughout the
4 State and shall include but not be limited to the following
5 services:

- 6 (1) case management;
- 7 (2) homemakers;
- 8 (3) counseling;
- 9 (4) parent education;
- 10 (5) day care; and
- 11 (6) emergency assistance and advocacy.

12 In addition, the following services may be made available
13 to assess and meet the needs of children and families:

- 14 (1) comprehensive family-based services;
- 15 (2) assessments;
- 16 (3) respite care; and
- 17 (4) in-home health services.

18 The Department shall provide transportation for any of the
19 services it makes available to children or families or for
20 which it refers children or families.

21 (j) The Department may provide categories of financial
22 assistance and education assistance grants, and shall
23 establish rules and regulations concerning the assistance and
24 grants, to persons who adopt physically or mentally
25 handicapped, older and other hard-to-place children who (i)
26 immediately prior to their adoption were legal wards of the

1 Department or (ii) were determined eligible for financial
2 assistance with respect to a prior adoption and who become
3 available for adoption because the prior adoption has been
4 dissolved and the parental rights of the adoptive parents have
5 been terminated or because the child's adoptive parents have
6 died. The Department may continue to provide financial
7 assistance and education assistance grants for a child who was
8 determined eligible for financial assistance under this
9 subsection (j) in the interim period beginning when the child's
10 adoptive parents died and ending with the finalization of the
11 new adoption of the child by another adoptive parent or
12 parents. The Department may also provide categories of
13 financial assistance and education assistance grants, and
14 shall establish rules and regulations for the assistance and
15 grants, to persons appointed guardian of the person under
16 Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28,
17 4-25 or 5-740 of the Juvenile Court Act of 1987 for children
18 who were wards of the Department for 12 months immediately
19 prior to the appointment of the guardian.

20 The amount of assistance may vary, depending upon the needs
21 of the child and the adoptive parents, as set forth in the
22 annual assistance agreement. Special purpose grants are
23 allowed where the child requires special service but such costs
24 may not exceed the amounts which similar services would cost
25 the Department if it were to provide or secure them as guardian
26 of the child.

1 Any financial assistance provided under this subsection is
2 inalienable by assignment, sale, execution, attachment,
3 garnishment, or any other remedy for recovery or collection of
4 a judgment or debt.

5 (j-5) The Department shall not deny or delay the placement
6 of a child for adoption if an approved family is available
7 either outside of the Department region handling the case, or
8 outside of the State of Illinois.

9 (k) The Department shall accept for care and training any
10 child who has been adjudicated neglected or abused, or
11 dependent committed to it pursuant to the Juvenile Court Act or
12 the Juvenile Court Act of 1987.

13 (l) Before July 1, 2000, the Department may provide, and
14 beginning July 1, 2000, the Department shall offer family
15 preservation services, as defined in Section 8.2 of the Abused
16 and Neglected Child Reporting Act, to help families, including
17 adoptive and extended families. Family preservation services
18 shall be offered (i) to prevent the placement of children in
19 substitute care when the children can be cared for at home or
20 in the custody of the person responsible for the children's
21 welfare, (ii) to reunite children with their families, or (iii)
22 to maintain an adoptive placement. Family preservation
23 services shall only be offered when doing so will not endanger
24 the children's health or safety. With respect to children who
25 are in substitute care pursuant to the Juvenile Court Act of
26 1987, family preservation services shall not be offered if a

1 goal other than those of subdivisions (A), (B), or (B-1) of
2 subsection (2) of Section 2-28 of that Act has been set.
3 Nothing in this paragraph shall be construed to create a
4 private right of action or claim on the part of any individual
5 or child welfare agency.

6 The Department shall notify the child and his family of the
7 Department's responsibility to offer and provide family
8 preservation services as identified in the service plan. The
9 child and his family shall be eligible for services as soon as
10 the report is determined to be "indicated". The Department may
11 offer services to any child or family with respect to whom a
12 report of suspected child abuse or neglect has been filed,
13 prior to concluding its investigation under Section 7.12 of the
14 Abused and Neglected Child Reporting Act. However, the child's
15 or family's willingness to accept services shall not be
16 considered in the investigation. The Department may also
17 provide services to any child or family who is the subject of
18 any report of suspected child abuse or neglect or may refer
19 such child or family to services available from other agencies
20 in the community, even if the report is determined to be
21 unfounded, if the conditions in the child's or family's home
22 are reasonably likely to subject the child or family to future
23 reports of suspected child abuse or neglect. Acceptance of such
24 services shall be voluntary. The Department may also provide
25 services to any child or family after completion of a family
26 assessment, as an alternative to an investigation, as provided

1 in Section 5a of this Act.

2 The Department may, at its discretion except for those
3 children also adjudicated neglected or dependent, accept for
4 care and training any child who has been adjudicated addicted,
5 as a truant minor in need of supervision or as a minor
6 requiring authoritative intervention, under the Juvenile Court
7 Act or the Juvenile Court Act of 1987, but no such child shall
8 be committed to the Department by any court without the
9 approval of the Department. A minor charged with a criminal
10 offense under the Criminal Code of 1961 or adjudicated
11 delinquent shall not be placed in the custody of or committed
12 to the Department by any court, except a minor less than 15
13 years of age committed to the Department under Section 5-710 of
14 the Juvenile Court Act of 1987 or a minor for whom an
15 independent basis of abuse, neglect, or dependency exists,
16 which must be defined by departmental rule. An independent
17 basis exists when the allegations or adjudication of abuse,
18 neglect, or dependency do not arise from the same facts,
19 incident, or circumstances which give rise to a charge or
20 adjudication of delinquency.

21 (1-1) The legislature recognizes that the best interests of
22 the child require that the child be placed in the most
23 permanent living arrangement as soon as is practically
24 possible. To achieve this goal, the legislature directs the
25 Department of Children and Family Services to conduct
26 concurrent planning so that permanency may occur at the

1 earliest opportunity. Permanent living arrangements may
2 include prevention of placement of a child outside the home of
3 the family when the child can be cared for at home without
4 endangering the child's health or safety; reunification with
5 the family, when safe and appropriate, if temporary placement
6 is necessary; or movement of the child toward the most
7 permanent living arrangement and permanent legal status.

8 When determining reasonable efforts to be made with respect
9 to a child, as described in this subsection, and in making such
10 reasonable efforts, the child's health and safety shall be the
11 paramount concern.

12 When a child is placed in foster care, the Department shall
13 ensure and document that reasonable efforts were made to
14 prevent or eliminate the need to remove the child from the
15 child's home. The Department must make reasonable efforts to
16 reunify the family when temporary placement of the child occurs
17 unless otherwise required, pursuant to the Juvenile Court Act
18 of 1987. At any time after the dispositional hearing where the
19 Department believes that further reunification services would
20 be ineffective, it may request a finding from the court that
21 reasonable efforts are no longer appropriate. The Department is
22 not required to provide further reunification services after
23 such a finding.

24 A decision to place a child in substitute care shall be
25 made with considerations of the child's health, safety, and
26 best interests. At the time of placement, consideration should

1 also be given so that if reunification fails or is delayed, the
2 placement made is the best available placement to provide
3 permanency for the child.

4 The Department shall adopt rules addressing concurrent
5 planning for reunification and permanency. The Department
6 shall consider the following factors when determining
7 appropriateness of concurrent planning:

8 (1) the likelihood of prompt reunification;

9 (2) the past history of the family;

10 (3) the barriers to reunification being addressed by
11 the family;

12 (4) the level of cooperation of the family;

13 (5) the foster parents' willingness to work with the
14 family to reunite;

15 (6) the willingness and ability of the foster family to
16 provide an adoptive home or long-term placement;

17 (7) the age of the child;

18 (8) placement of siblings.

19 (m) The Department may assume temporary custody of any
20 child if:

21 (1) it has received a written consent to such temporary
22 custody signed by the parents of the child or by the parent
23 having custody of the child if the parents are not living
24 together or by the guardian or custodian of the child if
25 the child is not in the custody of either parent, or

26 (2) the child is found in the State and neither a

1 parent, guardian nor custodian of the child can be located.
2 If the child is found in his or her residence without a parent,
3 guardian, custodian or responsible caretaker, the Department
4 may, instead of removing the child and assuming temporary
5 custody, place an authorized representative of the Department
6 in that residence until such time as a parent, guardian or
7 custodian enters the home and expresses a willingness and
8 apparent ability to ensure the child's health and safety and
9 resume permanent charge of the child, or until a relative
10 enters the home and is willing and able to ensure the child's
11 health and safety and assume charge of the child until a
12 parent, guardian or custodian enters the home and expresses
13 such willingness and ability to ensure the child's safety and
14 resume permanent charge. After a caretaker has remained in the
15 home for a period not to exceed 12 hours, the Department must
16 follow those procedures outlined in Section 2-9, 3-11, 4-8, or
17 5-415 of the Juvenile Court Act of 1987.

18 The Department shall have the authority, responsibilities
19 and duties that a legal custodian of the child would have
20 pursuant to subsection (9) of Section 1-3 of the Juvenile Court
21 Act of 1987. Whenever a child is taken into temporary custody
22 pursuant to an investigation under the Abused and Neglected
23 Child Reporting Act, or pursuant to a referral and acceptance
24 under the Juvenile Court Act of 1987 of a minor in limited
25 custody, the Department, during the period of temporary custody
26 and before the child is brought before a judicial officer as

1 required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile
2 Court Act of 1987, shall have the authority, responsibilities
3 and duties that a legal custodian of the child would have under
4 subsection (9) of Section 1-3 of the Juvenile Court Act of
5 1987.

6 The Department shall ensure that any child taken into
7 custody is scheduled for an appointment for a medical
8 examination.

9 A parent, guardian or custodian of a child in the temporary
10 custody of the Department who would have custody of the child
11 if he were not in the temporary custody of the Department may
12 deliver to the Department a signed request that the Department
13 surrender the temporary custody of the child. The Department
14 may retain temporary custody of the child for 10 days after the
15 receipt of the request, during which period the Department may
16 cause to be filed a petition pursuant to the Juvenile Court Act
17 of 1987. If a petition is so filed, the Department shall retain
18 temporary custody of the child until the court orders
19 otherwise. If a petition is not filed within the 10 day period,
20 the child shall be surrendered to the custody of the requesting
21 parent, guardian or custodian not later than the expiration of
22 the 10 day period, at which time the authority and duties of
23 the Department with respect to the temporary custody of the
24 child shall terminate.

25 (m-1) The Department may place children under 18 years of
26 age in a secure child care facility licensed by the Department

1 that cares for children who are in need of secure living
2 arrangements for their health, safety, and well-being after a
3 determination is made by the facility director and the Director
4 or the Director's designate prior to admission to the facility
5 subject to Section 2-27.1 of the Juvenile Court Act of 1987.
6 This subsection (m-1) does not apply to a child who is subject
7 to placement in a correctional facility operated pursuant to
8 Section 3-15-2 of the Unified Code of Corrections, unless the
9 child is a ward who was placed under the care of the Department
10 before being subject to placement in a correctional facility
11 and a court of competent jurisdiction has ordered placement of
12 the child in a secure care facility.

13 (n) The Department may place children under 18 years of age
14 in licensed child care facilities when in the opinion of the
15 Department, appropriate services aimed at family preservation
16 have been unsuccessful and cannot ensure the child's health and
17 safety or are unavailable and such placement would be for their
18 best interest. Payment for board, clothing, care, training and
19 supervision of any child placed in a licensed child care
20 facility may be made by the Department, by the parents or
21 guardians of the estates of those children, or by both the
22 Department and the parents or guardians, except that no
23 payments shall be made by the Department for any child placed
24 in a licensed child care facility for board, clothing, care,
25 training and supervision of such a child that exceed the
26 average per capita cost of maintaining and of caring for a

1 child in institutions for dependent or neglected children
2 operated by the Department. However, such restriction on
3 payments does not apply in cases where children require
4 specialized care and treatment for problems of severe emotional
5 disturbance, physical disability, social adjustment, or any
6 combination thereof and suitable facilities for the placement
7 of such children are not available at payment rates within the
8 limitations set forth in this Section. All reimbursements for
9 services delivered shall be absolutely inalienable by
10 assignment, sale, attachment, garnishment or otherwise.

11 (o) The Department shall establish an administrative
12 review and appeal process for children and families who request
13 or receive child welfare services from the Department. Children
14 who are wards of the Department and are placed by private child
15 welfare agencies, and foster families with whom those children
16 are placed, shall be afforded the same procedural and appeal
17 rights as children and families in the case of placement by the
18 Department, including the right to an initial review of a
19 private agency decision by that agency. The Department shall
20 insure that any private child welfare agency, which accepts
21 wards of the Department for placement, affords those rights to
22 children and foster families. The Department shall accept for
23 administrative review and an appeal hearing a complaint made by
24 (i) a child or foster family concerning a decision following an
25 initial review by a private child welfare agency or (ii) a
26 prospective adoptive parent who alleges a violation of

1 subsection (j-5) of this Section. An appeal of a decision
2 concerning a change in the placement of a child shall be
3 conducted in an expedited manner.

4 (p) There is hereby created the Department of Children and
5 Family Services Emergency Assistance Fund from which the
6 Department may provide special financial assistance to
7 families which are in economic crisis when such assistance is
8 not available through other public or private sources and the
9 assistance is deemed necessary to prevent dissolution of the
10 family unit or to reunite families which have been separated
11 due to child abuse and neglect. The Department shall establish
12 administrative rules specifying the criteria for determining
13 eligibility for and the amount and nature of assistance to be
14 provided. The Department may also enter into written agreements
15 with private and public social service agencies to provide
16 emergency financial services to families referred by the
17 Department. Special financial assistance payments shall be
18 available to a family no more than once during each fiscal year
19 and the total payments to a family may not exceed \$500 during a
20 fiscal year.

21 (q) The Department may receive and use, in their entirety,
22 for the benefit of children any gift, donation or bequest of
23 money or other property which is received on behalf of such
24 children, or any financial benefits to which such children are
25 or may become entitled while under the jurisdiction or care of
26 the Department.

1 The Department shall set up and administer no-cost,
2 interest-bearing accounts in appropriate financial
3 institutions for children for whom the Department is legally
4 responsible and who have been determined eligible for Veterans'
5 Benefits, Social Security benefits, assistance allotments from
6 the armed forces, court ordered payments, parental voluntary
7 payments, Supplemental Security Income, Railroad Retirement
8 payments, Black Lung benefits, or other miscellaneous
9 payments. Interest earned by each account shall be credited to
10 the account, unless disbursed in accordance with this
11 subsection.

12 In disbursing funds from children's accounts, the
13 Department shall:

14 (1) Establish standards in accordance with State and
15 federal laws for disbursing money from children's
16 accounts. In all circumstances, the Department's
17 "Guardianship Administrator" or his or her designee must
18 approve disbursements from children's accounts. The
19 Department shall be responsible for keeping complete
20 records of all disbursements for each account for any
21 purpose.

22 (2) Calculate on a monthly basis the amounts paid from
23 State funds for the child's board and care, medical care
24 not covered under Medicaid, and social services; and
25 utilize funds from the child's account, as covered by
26 regulation, to reimburse those costs. Monthly,

1 disbursements from all children's accounts, up to 1/12 of
2 \$13,000,000, shall be deposited by the Department into the
3 General Revenue Fund and the balance over 1/12 of
4 \$13,000,000 into the DCFS Children's Services Fund.

5 (3) Maintain any balance remaining after reimbursing
6 for the child's costs of care, as specified in item (2).
7 The balance shall accumulate in accordance with relevant
8 State and federal laws and shall be disbursed to the child
9 or his or her guardian, or to the issuing agency.

10 (r) The Department shall promulgate regulations
11 encouraging all adoption agencies to voluntarily forward to the
12 Department or its agent names and addresses of all persons who
13 have applied for and have been approved for adoption of a
14 hard-to-place or handicapped child and the names of such
15 children who have not been placed for adoption. A list of such
16 names and addresses shall be maintained by the Department or
17 its agent, and coded lists which maintain the confidentiality
18 of the person seeking to adopt the child and of the child shall
19 be made available, without charge, to every adoption agency in
20 the State to assist the agencies in placing such children for
21 adoption. The Department may delegate to an agent its duty to
22 maintain and make available such lists. The Department shall
23 ensure that such agent maintains the confidentiality of the
24 person seeking to adopt the child and of the child.

25 (s) The Department of Children and Family Services may
26 establish and implement a program to reimburse Department and

1 private child welfare agency foster parents licensed by the
2 Department of Children and Family Services for damages
3 sustained by the foster parents as a result of the malicious or
4 negligent acts of foster children, as well as providing third
5 party coverage for such foster parents with regard to actions
6 of foster children to other individuals. Such coverage will be
7 secondary to the foster parent liability insurance policy, if
8 applicable. The program shall be funded through appropriations
9 from the General Revenue Fund, specifically designated for such
10 purposes.

11 (t) The Department shall perform home studies and
12 investigations and shall exercise supervision over visitation
13 as ordered by a court pursuant to the Illinois Marriage and
14 Dissolution of Marriage Act or the Adoption Act only if:

15 (1) an order entered by an Illinois court specifically
16 directs the Department to perform such services; and

17 (2) the court has ordered one or both of the parties to
18 the proceeding to reimburse the Department for its
19 reasonable costs for providing such services in accordance
20 with Department rules, or has determined that neither party
21 is financially able to pay.

22 The Department shall provide written notification to the
23 court of the specific arrangements for supervised visitation
24 and projected monthly costs within 60 days of the court order.
25 The Department shall send to the court information related to
26 the costs incurred except in cases where the court has

1 determined the parties are financially unable to pay. The court

9 foster family home or that their application for licensure is
10 denied or until September 30, 1995, whichever occurs first.

11 (v) The Department shall access criminal history record

25 trained by personnel from the Department of State Police. In
26 addition, one Office of the Inspector General investigator

3 Department of Children and Family Services and its employees
4 shall abide by rules and regulations established by the
5 Department of State Police relating to the access and
6 dissemination of this information.

8 Department shall conduct a criminal records background check of
9 the prospective foster or adoptive parent, including
10 fingerprint-based checks of national crime information
11 databases. Final approval for placement shall not be granted if
12 the record check reveals a felony conviction for child abuse or
13 neglect, for spousal abuse, for a crime against children, or
14 for a crime involving violence, including rape, sexual assault,
15 or homicide, but not including other physical assault or
16 battery, or if there is a felony conviction for physical

7 For purposes of this subsection, secure care facility shall
8 mean a facility that is designed and operated to ensure that

10 distinct part of the building, are under the exclusive control
11 of the staff of the facility, whether or not the child has the
12 freedom of movement within the perimeter of the facility,
13 building, or distinct part of the building. The plan shall
14 include descriptions of the types of facilities that are needed
15 in Illinois; the cost of developing these secure care
16 facilities; the estimated number of placements; the potential
17 cost savings resulting from the movement of children currently
18 out-of-state who are projected to be returned to Illinois; the
19 necessary geographic distribution of these facilities in
20 Illinois; and a proposed timetable for development of such
21 facilities.

10 (325 ILCS 5/7.4) (from Ch. 23, par. 2057.4)

11 Sec. 7.4. (a) The Department shall be capable of receiving
12 reports of suspected child abuse or neglect 24 hours a day, 7
13 days a week. Whenever the Department receives a report alleging
14 that a child is a truant as defined in Section 26-2a of The
15 School Code, as now or hereafter amended, the Department shall
16 notify the superintendent of the school district in which the
17 child resides and the appropriate superintendent of the
18 educational service region. The notification to the
19 appropriate officials by the Department shall not be considered
20 an allegation of abuse or neglect under this Act.

21 Upon receiving a report, the Department shall determine
22 whether to conduct a family assessment or an investigation as
23 appropriate to prevent or provide a remedy for child abuse or
24 neglect. The Department:

25 (1) Shall conduct an investigation on reports

1 involving substantial child abuse or neglect.

2 (2) Shall begin an immediate investigation if, at any
3 time when it is using a family assessment response, it
4 determines that there is reason to believe that substantial
5 child abuse or neglect or a serious threat to the child's
6 safety exists.

7 (3) May conduct a family assessment for reports that do
8 not allege substantial child endangerment. In determining
9 that a family assessment is appropriate, the Department may
10 consider issues including, but not limited to, child
11 safety, parental cooperation, and the need for an immediate
12 response.

13 (4) May conduct a family assessment on a report that
14 was initially screened and assigned for an investigation.
15 In determining that a complete investigation is not
16 required, the Department must document the reason for
17 terminating the investigation and notify the local law
18 enforcement agency or the Department of State Police if the
19 local law enforcement agency or Department of State Police
20 is conducting a joint investigation.

21 Family assessments are not reported to the central
22 register.

23 During a family assessment, the Department shall collect
24 any available and relevant information to determine child
25 safety, risk of subsequent abuse or neglect, and family
26 strengths. Information collected includes, but is not limited

1 to, when relevant: information with regard to the person
2 reporting the alleged abuse or neglect, including the nature of
3 the reporter's relationship to the child and to the alleged
4 offender, and the basis of the reporter's knowledge for the
5 report; the child allegedly being abused or neglected; the
6 alleged offender; the child's caretaker; and other collateral
7 sources having relevant information related to the alleged
8 abuse or neglect. Information relevant to the assessment must
9 be asked for, and may include:

10 (A) The child's sex and age, prior reports of abuse or
11 neglect, information relating to developmental
12 functioning, credibility of the child's statement, and
13 whether the information provided under this subparagraph
14 (A) is consistent with other information collected during
15 the course of the assessment or investigation.

16 (B) The alleged offender's age, a record check for
17 prior reports of abuse or neglect, and criminal charges and
18 convictions. The alleged offender may submit supporting
19 documentation relevant to the assessment.

20 (C) Collateral source information regarding the
21 alleged abuse or neglect and care of the child. Collateral
22 information includes, when relevant: (i) a medical
23 examination of the child; (ii) prior medical records
24 relating to the alleged maltreatment or care of the child
25 maintained by any facility, clinic, or health care
26 professional, and an interview with the treating

1 professionals; and (iii) interviews with the child's
2 caretakers, including the child's parent, guardian, foster
3 parent, child care provider, teachers, counselors, family
4 members, relatives, and other persons who may have
5 knowledge regarding the alleged maltreatment and the care
6 of the child.

7 (D) Information on the existence of domestic abuse and
8 violence in the home of the child, and substance abuse.

9 Nothing in this paragraph precludes the Department from
10 collecting other relevant information necessary to conduct the
11 assessment or investigation. Nothing in this paragraph shall be
12 construed to allow the name or identity of a reporter to be
13 disclosed in violation of the protections afforded under
14 Section 7.19 of this Act.

15 After conducting the family assessment, the Department
16 shall determine whether services are needed to address the
17 safety of the child and other family members and the risk of
18 subsequent abuse or neglect.

19 Upon completion of the family assessment, if the Department
20 concludes that no services shall be offered, then the case
21 shall be closed. If the Department concludes that services
22 shall be offered, the Department shall develop a family
23 preservation plan and offer or refer services to the family.

24 At any time during a family assessment, if the Department
25 believes there is any reason to stop the assessment and conduct
26 an investigation based on the information discovered, the

1 Department shall do so.

2 The procedures available to the Department in conducting
3 investigations under this Act shall be followed as appropriate
4 during a family assessment.

5 (b) (1) The following procedures shall be followed in the
6 investigation of all reports of suspected abuse or neglect
7 of a child, except as provided in subsection (c) of this
8 Section.

9 (2) If, during a family assessment or investigation, it
10 appears that the immediate safety or well-being of a child
11 is endangered, that the family may flee or the child
12 disappear, or that the facts otherwise so warrant, the
13 Child Protective Service Unit shall commence an
14 investigation immediately, regardless of the time of day or
15 night. All other investigations ~~In all other cases,~~
16 ~~investigation~~ shall be commenced within 24 hours of receipt
17 of the report. Upon receipt of a report, the Child
18 Protective Service Unit shall conduct a family assessment
19 or begin ~~make~~ an initial investigation and make an initial
20 determination whether the report is a good faith indication
21 of alleged child abuse or neglect.

22 (3) Based on an initial investigation, if ~~if~~ the Unit
23 determines the report is a good faith indication of alleged
24 child abuse or neglect, then a formal investigation shall
25 commence and, pursuant to Section 7.12 of this Act, may or
26 may not result in an indicated report. The formal

1 investigation shall include: direct contact with the
2 subject or subjects of the report as soon as possible after
3 the report is received; an evaluation of the environment of
4 the child named in the report and any other children in the
5 same environment; a determination of the risk to such
6 children if they continue to remain in the existing
7 environments, as well as a determination of the nature,
8 extent and cause of any condition enumerated in such
9 report; the name, age and condition of other children in
10 the environment; and an evaluation as to whether there
11 would be an immediate and urgent necessity to remove the
12 child from the environment if appropriate family
13 preservation services were provided. After seeing to the
14 safety of the child or children, the Department shall
15 forthwith notify the subjects of the report in writing, of
16 the existence of the report and their rights existing under
17 this Act in regard to amendment or expungement. To fulfill
18 the requirements of this Section, the Child Protective
19 Service Unit shall have the capability of providing or
20 arranging for comprehensive emergency services to children
21 and families at all times of the day or night.

22 (4) If (i) at the conclusion of the Unit's initial
23 investigation of a report, the Unit determines the report
24 to be a good faith indication of alleged child abuse or
25 neglect that warrants a formal investigation by the Unit,
26 the Department, any law enforcement agency or any other

1 responsible agency and (ii) the person who is alleged to
2 have caused the abuse or neglect is employed or otherwise
3 engaged in an activity resulting in frequent contact with
4 children and the alleged abuse or neglect are in the course
5 of such employment or activity, then the Department shall,
6 except in investigations where the Director determines
7 that such notification would be detrimental to the
8 Department's investigation, inform the appropriate
9 supervisor or administrator of that employment or activity
10 that the Unit has commenced a formal investigation pursuant
11 to this Act, which may or may not result in an indicated
12 report. The Department shall also notify the person being
13 investigated, unless the Director determines that such
14 notification would be detrimental to the Department's
15 investigation.

16 (c) In an investigation of a report of suspected abuse or
17 neglect of a child by a school employee at a school or on
18 school grounds, the Department shall make reasonable efforts to
19 follow the following procedures:

20 (1) Investigations involving teachers shall not, to
21 the extent possible, be conducted when the teacher is
22 scheduled to conduct classes. Investigations involving
23 other school employees shall be conducted so as to minimize
24 disruption of the school day. The school employee accused
25 of child abuse or neglect may have his superior, his
26 association or union representative and his attorney

1 present at any interview or meeting at which the teacher or
2 administrator is present. The accused school employee
3 shall be informed by a representative of the Department, at
4 any interview or meeting, of the accused school employee's
5 due process rights and of the steps in the investigation
6 process. The information shall include, but need not
7 necessarily be limited to the right, subject to the
8 approval of the Department, of the school employee to
9 confront the accuser, if the accuser is 14 years of age or
10 older, or the right to review the specific allegations
11 which gave rise to the investigation, and the right to
12 review all materials and evidence that have been submitted
13 to the Department in support of the allegation. These due
14 process rights shall also include the right of the school
15 employee to present countervailing evidence regarding the
16 accusations.

17 (2) If a report of neglect or abuse of a child by a
18 teacher or administrator does not involve allegations of
19 sexual abuse or extreme physical abuse, the Child
20 Protective Service Unit shall make reasonable efforts to
21 conduct the initial investigation in coordination with the
22 employee's supervisor.

23 If the Unit determines that the report is a good faith
24 indication of potential child abuse or neglect, it shall
25 then commence a formal investigation under paragraph (3) of
26 subsection (b) of this Section.

1 (3) If a report of neglect or abuse of a child by a
2 teacher or administrator involves an allegation of sexual
3 abuse or extreme physical abuse, the Child Protective Unit
4 shall commence an investigation under paragraph (2) of
5 subsection (b) of this Section.

6 (c-5) In any instance in which a report is made or caused
7 to made by a school district employee involving the conduct of
8 a person employed by the school district, at the time the
9 report was made, as required under Section 4 of this Act, the
10 Child Protective Service Unit shall send a copy of its final
11 finding report to the general superintendent of that school
12 district.

13 (d) If the Department has contact with an employer, or with
14 a religious institution or religious official having
15 supervisory or hierarchical authority over a member of the
16 clergy accused of the abuse of a child, in the course of its
17 investigation, the Department shall notify the employer or the
18 religious institution or religious official, in writing, when a
19 report is unfounded so that any record of the investigation can
20 be expunged from the employee's or member of the clergy's
21 personnel or other records. The Department shall also notify
22 the employee or the member of the clergy, in writing, that
23 notification has been sent to the employer or to the
24 appropriate religious institution or religious official
25 informing the employer or religious institution or religious
26 official that the Department's investigation has resulted in an

1 unfounded report.

2 (e) Upon request by the Department, the Department of State
3 Police and law enforcement agencies are authorized to provide
4 criminal history record information as defined in the Illinois
5 Uniform Conviction Information Act and information maintained
6 in the adjudicatory and dispositional record system as defined
7 in Section 2605-355 of the Department of State Police Law (20
8 ILCS 2605/2605-355) to properly designated employees of the
9 Department of Children and Family Services if the Department
10 determines the information is necessary to perform its duties
11 under the Abused and Neglected Child Reporting Act, the Child
12 Care Act of 1969, and the Children and Family Services Act. The
13 request shall be in the form and manner required by the
14 Department of State Police. Any information obtained by the
15 Department of Children and Family Services under this Section
16 is confidential and may not be transmitted outside the
17 Department of Children and Family Services other than to a
18 court of competent jurisdiction or unless otherwise authorized
19 by law. Any employee of the Department of Children and Family
20 Services who transmits confidential information in violation
21 of this Section or causes the information to be transmitted in
22 violation of this Section is guilty of a Class A misdemeanor
23 unless the transmittal of the information is authorized by this
24 Section or otherwise authorized by law.

1 (325 ILCS 5/11.6) (from Ch. 23, par. 2061.6)

2 Sec. 11.6. All final administrative decisions of the
3 Department under this Act are subject to judicial review under
4 the Administrative Review Law, as now or hereafter amended, and
5 the rules adopted pursuant thereto. The term "administrative
6 decision" is defined as in Section 3-101 of the Code of Civil
7 Procedure.

8 Review of a final administrative decision under the
9 Administrative Review Law is not applicable to a decision to
10 conduct a family assessment because no determination
11 concerning child abuse or neglect is made and nothing is
12 reported to the central register.
