105 ILCS 5/1C-2

Amends the School Code. Provides that this percentage shall increase to at least 20% by Fiscal Year 2015, except that if, in a given fiscal year, the amount appropriated for the Early Childhood Education Block Grant is insufficient to increase the percentage of the grant to fund programs for children ages 0-3 without reducing the amount of the grant for existing providers of preschool education programs, then the percentage of the grant to fund programs for children ages 0-3 may be held steady instead of increased.
