4 Section 5. The Vital Records Act is amended by changing
5 Section 18.5 as follows:

6 (410 ILCS 535/18.5)

7 Sec. 18.5. Electronic reporting system for death
8 registrations. The State Registrar may facilitate death
9 registration by implementing an electronic reporting system.
10 The system may be used to transfer information to individuals
11 and institutions responsible for completing and filing
12 certificates and related reports for deaths that occur in the
13 State. The system shall be capable of storing and retrieving
14 accurate and timely data and statistics for those persons and
15 agencies responsible for vital records registration and
16 administration. Upon establishment of such an electronic
17 reporting system, the county clerk in the county in which a
18 death occurred or the county clerk of the county where a
19 decedent last resided shall be authorized to issue
20 certifications of death records from such system, and the State
21 Registrar shall cause the electronic reporting system to
22 provide for such capability.
