SB1665 Engrossed

AN ACT concerning education, which may be referred to as
 Brandon's Law.

3 WHEREAS, Testicular cancer is the most common form of 4 cancer in young men between the ages of 15 and 35; and

5 WHEREAS, Testicular cancer has one of the highest cure 6 rates of all cancers, but early detection is extremely 7 important; and

8 WHEREAS, Symptoms of testicular cancer include a lump or 9 enlargement of a testicle, a dull ache in the abdomen or groin, 10 and pain or discomfort of the scrotum; family history of 11 testicular cancer, inguinal hernias, and presence of descended 12 testicles present risk factors; and

13 WHEREAS, Teenagers who are going through a multitude of 14 physical and emotional changes may be less likely to recognize 15 the symptoms of testicular cancer or tell a parent or doctor if 16 they suspect a problem; therefore

## 17 Be it enacted by the People of the State of Illinois, 18 represented in the General Assembly:

Section 5. The Critical Health Problems and Comprehensive
 Health Education Act is amended by changing Section 3 as

1 follows:

(105 ILCS 110/3) (from Ch. 122, par. 863) 2 3 Sec. 3. Comprehensive Health Education Program. The 4 program established under this Act shall include, but not be 5 limited to, the following major educational areas as a basis 6 for curricula in all elementary and secondary schools in this 7 State: human ecology and health, human growth and development, 8 the emotional, psychological, physiological, hygienic and 9 social responsibilities of family life, including sexual 10 abstinence until marriage, prevention and control of disease, 11 including instruction in grades 6 through 12 on the prevention, 12 transmission and spread of AIDS, sexual assault awareness in 13 secondary schools, public and environmental health, consumer 14 health, safety education and disaster survival, mental health 15 and illness, personal health habits, alcohol, drug use, and 16 abuse including the medical and legal ramifications of alcohol, drug, and tobacco use, abuse during pregnancy, 17 sexual 18 abstinence until marriage, tobacco, nutrition, and dental 19 health. The program shall also provide course material and 20 instruction to advise pupils of the Abandoned Newborn Infant Protection Act. The program shall include information about 21 22 cancer, including without limitation types of cancer, signs and 23 symptoms, risk factors, the importance of early prevention and detection, and information on where to go for help. 24 25 Notwithstanding the above educational areas, the following

SB1665 Engrossed - 3 - LRB096 11074 NHT 21398 b

areas may also be included as a basis for curricula in all elementary and secondary schools in this State: basic first aid (including, but not limited to, cardiopulmonary resuscitation and the Heimlich maneuver), early prevention and detection of eancer, heart disease, diabetes, stroke, and the prevention of child abuse, neglect, and suicide.

The school board of each public elementary and secondary 7 school in the State shall encourage all teachers and other 8 9 school personnel to acquire, develop, and maintain the 10 knowledge and skills necessary to properly administer 11 life-saving techniques, including without limitation the 12 Heimlich maneuver and rescue breathing. The training shall be 13 in accordance with standards of the American Red Cross, the 14 American Heart Association, or another nationally recognized 15 certifying organization. A school board may use the services of 16 non-governmental entities whose personnel have expertise in 17 life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged 18 19 to have in its employ, or on its volunteer staff, at least one 20 person who is certified, by the American Red Cross or by 21 another qualified certifying agency, as qualified to 22 administer first aid and cardiopulmonary resuscitation. In 23 addition, each school board is authorized to allocate appropriate portions of its institute or inservice days to 24 25 conduct training programs for teachers and other school 26 personnel who have expressed an interest in becoming qualified SB1665 Engrossed - 4 - LRB096 11074 NHT 21398 b

1 to administer emergency first aid or cardiopulmonary 2 resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic 3 and other extracurricular school activities to 4 programs acquire, develop, and maintain the knowledge and skills 5 6 necessary to properly administer first aid and cardiopulmonary 7 resuscitation in accordance with standards and requirements 8 established by the American Red Cross or another qualified 9 certifying agency. Subject to appropriation, the State Board of 10 Education shall establish and administer a matching grant 11 program to pay for half of the cost that a school district 12 incurs in training those teachers and other school personnel 13 who express an interest in becoming qualified to administer 14 cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the 15 16 American Heart Association, or another nationally recognized 17 certifying organization) or in learning how to use an automated external defibrillator. A school district that applies for a 18 grant must demonstrate that it has funds to pay half of the 19 20 cost of the training for which matching grant money is sought. 21 The State Board of Education shall award the grants on a 22 first-come, first-serve basis.

No pupil shall be required to take or participate in any class or course on AIDS or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall SB1665 Engrossed - 5 - LRB096 11074 NHT 21398 b

1 not be reason for suspension or expulsion of the pupil.

2 developed Curricula under programs established in accordance with this Act in the major educational area of 3 alcohol and drug use and abuse shall include classroom 4 5 instruction in grades 5 through 12. The instruction, which shall include matters relating to both the physical and legal 6 7 effects and ramifications of drug and substance abuse, shall be 8 integrated into existing curricula; and the State Board of 9 Education shall develop and make available to all elementary 10 and secondary schools in this State instructional materials and 11 guidelines which will assist the schools in incorporating the 12 instruction into their existing curricula. In addition, school 13 districts may offer, as part of existing curricula during the 14 school day or as part of an after school program, support 15 services and instruction for pupils or pupils whose parent, 16 parents, or guardians are chemically dependent.

Section 10. The Interscholastic Athletic Organization Actis amended by adding Section 1.5 as follows:

21 (105 ILCS 25/1.5 new)
22 Sec. 1.5. Cancer screening. An association or other entity
23 that has as one of its purposes promoting, sponsoring,
24 regulating, or in any manner providing for interscholastic

SB1665 Engrossed - 6 - LRB096 11074 NHT 21398 b 1 athletics or any form of athletic competition among schools and students within this State shall include a question asking 2 3 whether a student has a family history of cancer on any pre-participation examination form given to students 4 5 participating or seeking to participate in interscholastic 6 athletics. The association or entity may require that a 7 testicular examination be conducted as a part of any physical 8 required for a male student's participation in interscholastic 9 athletics.
