21 District, required for its primary purposes in the development  
22 of intermodal, harbor, and port facilities for the use of  
23 public water and land transportation, or will not be  
24 immediately needed for those purposes, and where the use and  
25 operation or leasing will in the opinion of the District aid

1 and promote the development of intermodal, terminal, and port  
2 facilities.

3 (c) To study and make recommendations to the proper  
4 authority for the improvement of terminal, lighterage,

14 the physical improvement, change in method, system of handling  
15 freight, warehousing, docking, lightering, and transfer  
16 freight that, in the opinion of the District, may be designed

18 the District or improve terminal or transportation facilities  
19 within the District.

20 (f) To foster, stimulate, and promote the shipment of

26 warehouses, bulk terminals, grain elevators, boats, and other

1 harbor crafts, and any other port facility or port-related  
2 facility or service, such as railroads, that it finds necessary  
3 and convenient.

4 (h) To perform any other act or function that may tend to  
5 or be useful toward development and improvement of harbors,  
6 river ports, and port-related facilities and services and to  
7 increase foreign and domestic commerce through the harbors and  
8 ports within the Port District.

9 (i) To study and make recommendations for river resources  
10 management and environmental education within the District,  
11 including but not limited to, wetlands banks, mitigation areas,

17 District from time to time recommended by the District or any  
18 comprehensive plan for the development of the port facilities  
19 adopted by the District under the authority granted by this Act  
20 shall be submitted to the Department of Natural Resources for  
21 approval, and approval by the Department of Natural Resources  
22 shall be conclusive evidence, for all purposes, that these  
23 changes and modifications conform to the provisions of this  
24 Act.

1           Section 7. Rights and powers. The Port District shall have  
2 the following rights and powers:

3           (a) to issue permits for the construction of all harbors,  
4 wharves, piers, dolphins, booms, weirs, breakwaters,  
5 bulkheads, jetties, bridges, or other structures of any kind  
6 over, under, in, or within 40 feet of any navigable waters

9 or description in those waters;

10          (b) to prevent or remove obstructions, including the

15 maintain port and harbor, water, and land terminal facilities  
16 and, subject to the provisions of Section 8, to operate or  
17 contract for the operation of those facilities, and to fix and  
18 collect just, reasonable, and non-discriminatory charges,  
19 rentals, or fees for the use of those facilities. The charges,  
20 rentals, or fees so collected shall be made available to defray  
21 the reasonable expenses of the District and to pay the  
22 principal of and interest on any revenue bonds issued by the  
23 District;

24          (e) to enter into any agreement or contract with any  
25 airport for the use of airport facilities to the extent  
26 necessary to carry out any of the purposes of the District;

1           (f) to locate, establish, and maintain a public airport,  
2 public airports, and public airport facilities within its  
3 corporate limits or within or upon any body of water adjacent  
4 thereto, and to construct, develop, expand, extend, and improve  
5 any such airport or airport facilities;

6           (g) to operate, maintain, manage, lease, or sublease for  
7 any period not exceeding 99 years, and to make and enter into  
8 contracts for the use, operation, or management of, and to  
9 provide rules and regulations for, the operation, management,  
10 or use of any public airport or public airport facility;

11           (h) to fix, charge, and collect reasonable rentals, tolls,  
12 fees, and charges for the use of any public airport, or any  
13 part thereof, or any public airport facility;

14           (i) to establish, maintain, extend, and improve roadways  
15 and approaches by land, water, or air to any such airport and  
16 to contract or otherwise provide, by condemnation if necessary,

18 relocation of all private structures, railways, mains, pipes,

22 take off there from by aircraft, and to pay the cost of removal  
23 or relocation; and, subject to the Airport Zoning Act, to  
24 adopt, administer and enforce airport zoning regulations for  
25 territory which is within its corporate limits or which extends  
26 not more than 2 miles beyond its corporate limits;

1           (j) To the extent authorized by the Intergovernmental  
2 Cooperation Act, to enter into any agreements with any other  
3 public agency of this State, including other port districts;

4           (k) To the extent authorized by any interstate compact, to  
5 enter into agreements with any other state or unit of local  
6 government of any other state; and

7           (l) To enter into contracts dealing in any manner with the  
8 objects and purposes of this Act.

9           (m) To police its physical property only and all waterways  
10 and to exercise police powers in respect thereto or in respect  
11 to the enforcement of any rule or regulation provided by the  
12 ordinances of the District and to employ and commission police  
13 officers and other qualified persons to enforce the same. The  
14 use of any such public airport or public airport facility of  
15 the District shall be subject to the reasonable regulation and  
16 control of the District and upon such reasonable terms and  
17 conditions as shall be established by its Board. A regulatory  
18 ordinance of the District adopted under any provision of this  
19 Section may provide for a suspension or revocation of any  
20 rights or privileges within the control of the District for a  
21 violation of any such regulatory ordinance. Nothing in this  
22 Section or in other provisions of this Act shall be construed  
23 to authorize the Board to establish or enforce any regulation  
24 or rule in respect to aviation, or the operation or maintenance  
25 of any airport facility within its jurisdiction, which is in  
26 conflict with any federal or State law or regulation applicable

1 to the same subject matter;

2 (n) To establish, employ, and provide a fire protection  
3 unit within the physical property of the District;

4 (o) To acquire, own, sell, convey, construct, lease for any  
5 period not exceeding 99 years, manage, operate, expand,  
6 develop, and maintain any telephone system, including, but not  
7 limited to, all equipment, materials, and facilities necessary  
8 or incidental to that telephone or other communication system,  
9 for use, at the option of the District and upon payment of a  
10 reasonable fee set by the District, of any tenant or occupant  
11 situated on any former military base owned or leased by the  
12 District or which is located within its jurisdictional  
13 boundaries;

14 (p) To acquire, operate, maintain, manage, lease, or  
15 sublease for any period not exceeding 99 years any former  
16 military base owned or leased by the District and within its  
17 jurisdictional boundaries, to make and enter into any contract  
18 for the use, operation, or management of any former military  
19 base owned or leased by the District and located within its  
20 jurisdictional boundaries, and to provide rules and  
21 regulations for the development, redevelopment, and expansion  
22 of any former military base owned or leased by the District or  
23 which is located within the jurisdictional boundaries of the  
24 District;

25 (q) To acquire, locate, establish, re-establish, expand or  
26 renew, construct or reconstruct, operate, and maintain any

1 facility, building, structure, or improvement for a use or a  
2 purpose consistent with any use or purpose of any former  
3 military base owned or leased by the District or which is  
4 located within its jurisdictional boundaries;

5 (r) To cause to be incorporated one or more subsidiary  
6 business corporations, wholly owned by the District, to own,  
7 operate, maintain, and manage facilities and services related  
8 to any telephone or other communication system, pursuant to  
9 paragraph (o) of this Section. A subsidiary corporation formed  
10 pursuant to this paragraph shall (i) be deemed a  
11 telecommunications carrier, as that term is defined in Section  
12 13-202 of the Public Utilities Act, (ii) have the right to  
13 apply to the Illinois Commerce Commission for a Certificate of  
14 Service Authority or a Certificate of Interexchange Service  
15 Authority, and (iii) have the powers necessary to carry out  
16 lawful orders of the Illinois Commerce Commission;

17 (s) To acquire, improve, develop, or redevelop any former  
18 military base situated within the boundaries of the District,  
19 in Jo Daviess County, Carroll County, Whiteside County, Rock  
20 Island County, or combination thereof, and acquired by the  
21 District from the federal government, acting by and through the  
22 United States Maritime Administration, pursuant to any plan for  
23 redevelopment, development, or improvement of that military  
24 base by the District that is approved by the United States  
25 Maritime Administration under the terms and conditions of  
26 conveyance of the former military base to the District by the

1 federal government.

2 Section 8. Contracts for the operation of warehouses and  
3 storage facilities. Any public warehouse or other public  
4 storage facility owned or otherwise controlled by the District  
5 shall be operated by persons under contracts with the District.  
6 Any contract shall reserve reasonable rentals or other charges  
7 payable to the district sufficient to pay the cost of  
8 maintaining, repairing, regulating, and operating the  
9 facilities and to pay the principal of and interest on any  
10 revenue bonds issued by the District and may contain any other  
11 conditions that may be mutually agreed upon. However, upon the  
12 breach of a contract or if no contract is in existence as to  
13 any facility, the District shall temporarily operate the  
14 facility until a contract for its operation can be negotiated.

15 Section 9. Procedure for leases or contracts for operation  
16 of warehouses and storage facilities. All leases or other  
17 contracts for operation of any public warehouse or public grain  
18 elevator to which this Section is applicable owned or otherwise  
19 controlled by the District shall be governed by the following  
20 procedures. Notice shall be given by the District that bids  
21 will be received for the operation of the public warehouse or  
22 public grain elevator. This notice shall state the time within  
23 which and the place where bids may be submitted, the time and  
24 place of opening of bids, and shall be published not more than

1 30 days nor less than 15 days in advance of the first day for  
2 the submission of bids in any one or more newspapers designated  
3 by the District that have a general circulation within the  
4 District. The notice shall specify sufficient data of the  
5 proposed operation to enable bidders to understand the scope of  
6 the operation; provided, however, that contracts that by their  
7 nature are not adapted to award by competitive bidding, such as  
8 contracts for the services of individuals possessing a high  
9 degree of personal skill, contracts for the purchase or binding  
10 of magazines, books, periodicals, pamphlets, reports, and  
11 similar articles, and contracts for utility services such as  
12 water, light, heat, telephone, or telegraph, shall not be  
13 subject to the competitive bidding requirements of this  
14 Section, but may not be awarded without the affirmative vote of  
15 three-fifths of the Board.

16 The Board may, by ordinance, promulgate reasonable  
17 regulations prescribing the qualifications of the bidders as to  
18 experience, adequacy of equipment, ability to complete  
19 performance within the time set, and other factors in addition  
20 to financial responsibility, and may, by ordinance, provide for  
21 suitable performance guaranties to qualify a bid. Copies of all  
22 regulations shall be made available to all bidders.

23 The District may determine in advance the minimum rental  
24 that should be produced by the public warehouse or public grain  
25 elevator offered and, if no qualified bid will produce the  
26 minimum rental, all bids may be rejected and the District shall

1 then re-advertise for bids. If after the re-advertisement no  
2 responsible and satisfactory bid within the terms of the  
3 advertisement is received, the District may then negotiate a  
4 lease for not less than the amount of minimum rental so  
5 determined. If, after negotiating for a lease as provided in  
6 this Section, it is found necessary to revise the minimum  
7 rental to be produced by the facilities offered for lease, then  
8 the District shall again re-advertise for bids, as provided in  
9 this Section, before negotiating a lease.

10 If the District shall temporarily operate any public  
11 warehouse or public grain elevator, the temporary operation  
12 shall not continue for more than one year without advertising  
13 for bids for the operation of the facility as provided in this  
14 Section.

15 Section 10. Compliance; prompt payment. Purchases made  
16 pursuant to this Act shall be made in compliance with the Local  
17 Government Prompt Payment Act.

18 Section 11. Acquisition of property. The District has power  
19 to acquire and accept by purchase, lease, gift, grant, or  
20 otherwise any property and rights useful for its purposes and  
21 to provide for the development of channels, ports, harbors,  
22 airports, airfields, terminals, port facilities and terminal  
23 facilities adequate to serve the needs of commerce within the  
24 District. The District may acquire real or personal property or

1 any rights therein in the manner, as near as may be, as is  
2 provided for the exercise of the right of eminent domain under  
3 the Eminent Domain Act; except that no rights or property of  
4 any kind or character now or hereafter owned, leased,  
5 controlled or operated and used by, or necessary for the actual  
6 operations of, any common carrier engaged in interstate  
7 commerce, or of any other public utility subject to the  
8 jurisdiction of the Illinois Commerce Commission, shall be  
9 taken or appropriated by the District without first obtaining  
10 the approval of the Illinois Commerce Commission and except  
11 that no property owned by any municipality or village within  
12 the District shall be taken or appropriated without first  
13 obtaining the consent of such municipality or village.

14 Also, the District may lease to others for any period of  
15 time, not to exceed 99 years, upon such terms as its Board may  
16 determine, any of its real property, rights of way or  
17 privileges, or any interest therein, or any part thereof, for  
18 industrial, manufacturing, commercial, or harbor purposes. In  
19 conjunction with such leases, the District may grant rights of  
20 way and privileges across the property of the District, which  
21 rights of way and privileges may be assignable and irrevocable  
22 during the term of any such lease and may include the right to  
23 enter upon the property of the District to do such things as  
24 may be necessary for the enjoyment of those leases, rights of  
25 way, and privileges, and those leases may contain such  
26 conditions and retain such interest therein as may be deemed

1 for the best interest of the District by the Board.

2 Also, the District shall have the right to grant easements  
3 and permits for the use of any real property, rights of way or  
4 privileges that, in the opinion of the Board, will not  
5 interfere with the use thereof by the District for its primary  
6 purposes and those easements and permits may contain such  
7 conditions and retain such interest therein as may be deemed  
8 for the best interest of the District by the Board.

9 With respect to any and all leases, easements, rights of  
10 way, privileges and permits made or granted by the Board, the  
11 Board may agree upon and collect the rentals, charges and fees  
12 that may be deemed for the best interest of the District.  
13 Except as provided in this Act for interim financing, the  
14 rentals, charges and fees shall be used to defray the  
15 reasonable expenses of the District and to pay the principal of  
16 and interest on any revenue bonds issued by the District.

17 Section 12. Eminent domain. Notwithstanding any other  
18 provision of this Act, any power granted under this Act to  
19 acquire property by condemnation or eminent domain is subject  
20 to, and shall be exercised in accordance with, the Eminent  
21 Domain Act.

22 Section 13. Export trading companies. The District is  
23 authorized and empowered to establish, organize, own, acquire,  
24 participate in, operate, sell, and transfer export trading

1 companies, whether as shareholder, partner, or co-venturer,  
2 alone or in cooperation with federal, State or local  
3 governmental authorities, federal, State, or national banking  
4 associations, or any other public or private corporation or  
5 person or persons. The term "export trading companies" means a  
6 person, partnership, association, public or private  
7 corporation or similar organization, whether operated for  
8 profit or not for profit, which is organized and operated  
9 principally for purposes of exporting goods or services  
10 produced in the United States, importing goods or services  
11 produced in foreign countries, conducting third country  
12 trading or facilitating such trade by providing one or more  
13 services in support of such trade. Such export trading  
14 companies and all of the property thereof, wholly or partly  
15 owned, directly or indirectly, by the District, shall have the  
16 same privileges and immunities as accorded to the District; and  
17 export trading companies may borrow money or obtain financial  
18 assistance from private lenders or federal and State  
19 governmental authorities or issue general obligation and  
20 revenue bonds with the same kinds of security, and in  
21 accordance with the same procedures, restrictions and  
22 privileges applicable when the District obtains financial  
23 assistance or issues bonds for any of its other authorized  
24 purposes. Such export trading companies are authorized, if  
25 necessary or desirable, to apply for certification under Title  
26 II or Title III of the Export Trading Company Act of 1982.

1           Section 14. Grants and loans. The District has power to  
2 apply for and accept grants, loans, or appropriations from the  
3 federal government, the State of Illinois, Jo Daviess County,  
4 Whiteside County, Rock Island County, and Carroll County or any  
5 agency or instrumentality thereof to be used for any of the  
6 purposes of the District and to enter into any agreements with  
7 the federal, State, and county governments in relation to such  
8 grants, loans or appropriations.

9           The District may petition any federal, State, municipal, or  
10 local authority, administrative, judicial and legislative,  
11 having jurisdiction in the premises, for the adoption and  
12 execution of any physical improvement, change in method or  
13 system of handling freight, warehousing, docking, lightering,  
14 and transfer of freight, which in the opinion of the District  
15 is designed to improve or better the handling of commerce in  
16 and through the Port District or improve terminal or  
17 transportation facilities therein.

18           Section 15. Insurance contracts. The District has power to  
19 procure and enter into contracts for any type of insurance or  
20 indemnity against loss or damage to property from any cause,  
21 including loss of use and occupancy, against death or injury of  
22 any person, against employers' liability, against any act of  
23 any member, officer, or employee of the District in the  
24 performance of the duties of his office or employment or any

1 other insurable risk.

2 Section 16. Foreign trade zones and sub-zones. The District  
3 has power to acquire or to apply to the proper authorities of  
4 the United States of America under the appropriate law for the  
5 right to establish, operate, maintain, and lease foreign trade  
6 zones and sub-zones within the jurisdiction of the United  
7 States Customs Service and to establish, operate, maintain, and  
8 lease the foreign trade zones and sub-zones.

9 Section 17. Authorization to borrow moneys. The District's  
10 Board may borrow money from any bank or other financial  
11 institution and may provide appropriate security for that  
12 borrowing, if the money is repaid within 3 years after the  
13 money is borrowed. "Financial institution" means any bank  
14 subject to the Illinois Banking Act, any savings and loan  
15 association subject to the Illinois Savings and Loan Act of  
16 1985, any savings bank subject to the Savings Bank Act, and any  
17 federally chartered commercial bank or savings and loan  
18 association organized and operated in this State pursuant to  
19 the laws of the United States.

20 Section 18. Borrowing money; revenue bonds.

21 (a) The district has the continuing power to borrow money  
22 for the purpose of acquiring, constructing, reconstructing,  
23 extending, operating, or improving terminals, terminal

1 facilities, intermodal facilities, and port facilities; for  
2 acquiring any property and equipment useful for the  
3 construction, reconstruction, extension, improvement, or  
4 operation of its terminals, terminal facilities, intermodal  
5 facilities, and port facilities; and for acquiring necessary  
6 cash working funds. For the purpose of evidencing the  
7 obligation of the District to repay any money borrowed, the  
8 District may, by ordinances adopted by the Board from time to  
9 time, issue and dispose of its interest bearing revenue bonds,  
10 notes, or certificates and may also from time to time issue and  
11 dispose of its interest bearing revenue bonds, notes, or  
12 certificates to refund any bonds, notes, or certificates at  
13 maturity or by redemption provisions or at any time before  
14 maturity with the consent of the holders thereof.

15 (b) All bonds, notes, and certificates shall be payable  
16 solely from the revenues or income to be derived from the  
17 terminals, terminal facilities, intermodal facilities, and  
18 port facilities or any part thereof; may bear any date or  
19 dates; may mature at any time or times not exceeding 40 years  
20 from their respective dates; may bear interest at any rate or  
21 rates payable semiannually; may be in any form; may carry any  
22 registration privileges; may be executed in any manner; may be  
23 payable at any place or places; may be made subject to  
24 redemption in any manner and upon any terms, with or without  
25 premium that is stated on the face thereof; may be  
26 authenticated in any manner; and may contain any terms and

1 covenants as may be provided in the ordinance. The holder or  
2 holders of any bonds, notes, certificates, or interest coupons  
3 appertaining to the bonds, notes, and certificates issued by  
4 the District may bring civil actions to compel the performance  
5 and observance by the District or any of its officers, agents,  
6 or employees of any contract or covenant made by the District  
7 with the holders of those bonds, notes, certificates, or  
8 interest coupons and to compel the District and any of its  
9 officers, agents, or employees to perform any duties required  
10 to be performed for the benefit of the holders of any bonds,  
11 notes, certificates, or interest coupons by the provision in  
12 the ordinance authorizing their issuance, and to enjoin the  
13 District and any of its officers, agents, or employees from  
14 taking any action in conflict with any such contract or  
15 covenant, including the establishment of charges, fees, and  
16 rates for the use of facilities as provided in this Act.  
17 Notwithstanding the form and tenor of any bonds, notes, or  
18 certificates and in the absence of any express recital on the  
19 face thereof that it is nonnegotiable, all bonds, notes, and  
20 certificates shall be negotiable instruments. Pending the  
21 preparation and execution of any bonds, notes, or certificates,  
22 temporary bonds, notes, or certificates may be issued with or  
23 without interest coupons as may be provided by ordinance.

24 (c) The bonds, notes, or certificates shall be sold by the  
25 corporate authorities of the District in any manner that the  
26 corporate authorities shall determine, except that if issued to

1 bear interest at the minimum rate permitted by the Bond  
2 Authorization Act, the bonds shall be sold for not less than  
3 par and accrued interest and except that the selling price of  
4 bonds bearing interest at a rate less than the maximum rate  
5 permitted in that Act shall be such that the interest cost to  
6 the District of the money received from the bond sale shall not  
7 exceed such maximum rate annually computed to absolute maturity  
8 of said bonds or certificates according to standard tables of  
9 bond values.

10 (d) From and after the issue of any bonds, notes, or  
11 certificates as provided in this Section, it shall be the duty  
12 of the corporate authorities of the District to fix and  
13 establish rates, charges, and fees for the use of facilities  
14 acquired, constructed, reconstructed, extended, or improved  
15 with the proceeds derived from the sale of the bonds, notes, or  
16 certificates sufficient at all times with other revenues of the  
17 District, if any, to pay (i) the cost of maintaining,  
18 repairing, regulating, and operating the facilities and (ii)  
19 the bonds, notes, or certificates and interest thereon as they  
20 shall become due, all sinking fund requirements, and all other  
21 requirements provided by the ordinance authorizing the  
22 issuance of the bonds, notes, or certificates or as provided by  
23 any trust agreement executed to secure payment thereof. To  
24 secure the payment of any or all of bonds, notes, or  
25 certificates and for the purpose of setting forth the covenants  
26 and undertaking of the District in connection with the issuance

1 of those bonds, notes, or certificates and the issuance of any  
2 additional bonds, notes, or certificates payable from revenue  
3 income to be derived from the terminals, terminal facilities,  
4 intermodal facilities, and port facilities the District may  
5 execute and deliver a trust agreement or agreements. A lien  
6 upon any physical property of the District may be created by  
7 the trust agreement. A remedy for any breach or default of the  
8 terms of any trust agreement by the District may be by mandamus  
9 proceedings in the circuit court to compel performance and  
10 compliance with the agreement, but the trust agreement may  
11 prescribe by whom or on whose behalf the action may be  
12 instituted.

13 Section 19. Bonds not obligations of the State or District.  
14 Under no circumstances shall any bonds, notes, or certificates  
15 issued by the District or any other obligation of the District  
16 be or become an indebtedness or obligation of the State or of  
17 any other political subdivision of or municipality within the  
18 State, nor shall any bond, note, certificate, or obligation be  
19 or become an indebtedness of the District within the purview of  
20 any constitutional limitation or provision. It shall be plainly  
21 stated on the face of each bond, note, and certificate that it  
22 does not constitute an indebtedness or obligation but is  
23 payable solely from the revenues or income of the District.

24 Section 20. Revenue bonds as legal investments. The State

1 and all counties, municipalities, villages, incorporated towns  
2 and other municipal corporations, political subdivisions,  
3 public bodies, and public officers of any thereof; all banks,  
4 bankers, trust companies, savings banks and institutions,  
5 building and loan associations, savings and loan associations,  
6 investment companies, and other persons carrying on a banking  
7 business; all insurance companies, insurance associations, and  
8 other persons carrying on an insurance business; and all  
9 executors, administrators, guardians, trustees, and their  
10 fiduciaries may legally invest any sinking funds, moneys, or  
11 other funds belonging to them or within their control in any  
12 bonds, notes, or certificates issued under this Act. It is the  
13 purpose of this Section to authorize the investment in bonds,  
14 notes, or certificates of all sinking, insurance, retirement,  
15 compensation, pension, and trust funds, whether owned or  
16 controlled by private or public persons or officers; provided,  
17 however, that nothing contained in this Section may be  
18 construed as relieving any person from any duty of exercising  
19 reasonable care in selecting securities for purchase or  
20 investment.

21 Section 21. Permits. It shall be unlawful to make any fill  
22 or deposit of rock, earth, sand, or other material, or any  
23 refuse matter of any kind or description, or build or commence  
24 the building of any wharf, pier, dolphin, boom, weir,  
25 breakwater, bulkhead, jetty, bridge, or other structure over,

1 under, in, or within 40 feet of any navigable waters within the  
2 District without first submitting the plans, profiles, and  
3 specifications for it, and any other data and information that  
4 may be required, to the District and receiving a permit. Any  
5 person, corporation, company, municipality, or other agency  
6 that does any of the things prohibited in this Section without  
7 securing a permit is guilty of a Class A misdemeanor. Any  
8 structure, fill, or deposit erected or made in any of the  
9 public bodies of water within the District in violation of the  
10 provisions of this Section is declared to be a purpresture and  
11 may be abated as such at the expense of the person,  
12 corporation, company, city, municipality, or other agency  
13 responsible for it. If in the discretion of the District it is  
14 decided that the structure, fill, or deposit may remain, the  
15 District may fix any rule, regulation, requirement,  
16 restrictions, or rentals or require and compel any changes,  
17 modifications, and repairs that shall be necessary to protect  
18 the interest of the District.

19 Section 22. Board of Commissioners. The governing and  
20 administrative body of the Port District shall be a Board of  
21 Commissioners consisting of 5 members, to be known as the Upper  
22 Mississippi River International Port District Board. All  
23 members of the Board shall be residents of the District and  
24 shall be known as Commissioners of the Upper Mississippi River  
25 International Port District Board. The members of the Board may

1 serve with compensation not to exceed \$6,000 per year and shall  
2 be reimbursed for actual expenses incurred by them in the  
3 performance of their duties. No Commissioner of the Board shall  
4 have any private financial interest, profit or benefit in any  
5 contract, work or business of the District nor in the sale or  
6 lease of any property to or from the District, except to the  
7 extent allowed under The Public Officer Prohibited Activities  
8 Act.

9 Section 23. Appointment of Board. The Governor shall  
10 appoint one member of the Board and the County Board Chairs of  
11 Jo Daviess, Whiteside, Rock Island, and Carroll Counties shall  
12 appoint 4 members of the Board. Of the 4 members appointed by  
13 the County Board Chairs, no more than 2 shall be associated  
14 with the same political party. All initial appointments shall  
15 be made within 60 days after this Act takes effect. The one  
16 member appointed by the Governor shall be appointed for an  
17 initial term expiring June 1, 2012. Of the terms of the members  
18 initially appointed by the County Board Chairs, 2 shall expire  
19 June 1, 2011 and 2 shall expire June 1, 2012. At the expiration  
20 of the term of any member, his or her successor shall be  
21 appointed by the Governor or the County Board Chairs in like  
22 manner and with like regard to place of residence of the  
23 appointee, as in the case of appointments for the initial  
24 terms.

25 After the expiration of initial terms, each successor shall

1 hold office for a term of 3 years from the first day of June of  
2 the year in which the term of office commences. In the case of  
3 a vacancy during the term of office of any member appointed by  
4 the Governor, the Governor shall make an appointment for the  
5 remainder of the term vacant and until a successor is appointed  
6 and qualified. In case of a vacancy during the term of office  
7 of any member appointed by a County Board Chair, the proper  
8 County Board Chair shall make an appointment for the remainder  
9 of the term vacant and until a successor is appointed and  
10 qualified. In case of a vacancy during the term of office of  
11 any member appointed by the United States Senator, the Senator  
12 shall make an appointment for the remainder of the term vacant  
13 and until a successor is appointed and qualified. The Governor,  
14 each County Board Chair, and the senior United States Senator  
15 shall certify their respective appointments to the Secretary of  
16 State. Within 30 days after certification of his appointment,  
17 and before entering upon the duties of his office, each member  
18 of the Board shall take and subscribe the constitutional oath  
19 of office and file it in the office of the Secretary of State.

20 Section 24. Removal of Board members; vacancies. Members of  
21 the Board shall hold office until their respective successors  
22 have been appointed and qualified. Any member may resign from  
23 his office to take effect when his successor has been appointed  
24 and has qualified. The Governor, each County Board Chair, and  
25 the senior United States Senator respectively, may remove any

1 member of the Board they have appointed in case of  
2 incompetency, neglect of duty, or malfeasance in office. They  
3 shall give such member a copy of the charges against him or her  
4 and an opportunity to be publicly heard in person or by counsel  
5 in his or her own defense upon not less than 10 days' notice.  
6 In case of failure to qualify within the time required, or of  
7 abandonment of his or her office, or in case of death,  
8 conviction of a felony or removal from office, the office of  
9 such member shall become vacant. Each vacancy shall be filled  
10 for the unexpired term by appointment in like manner as in case  
11 of expiration of the term of a member of the Board.

12 Section 25. Organization of Board. As soon as possible  
13 after the appointment of the initial members, the Board shall  
14 organize for the transaction of business, select a chairperson  
15 and a temporary secretary from its own number, and adopt bylaws  
16 and regulations to govern its proceedings. The initial  
17 chairperson and successors shall be elected by the Board from  
18 time to time for a term of office as provided in the District  
19 bylaws. However, such term of office shall not exceed his or  
20 her term of office as a member of the Board.

21 Section 26. Board meetings. Regular meetings of the Board  
22 shall be held at least once in each calendar month, the time  
23 and place of such meetings to be fixed by the Board. Five  
24 members of the Board shall constitute a quorum for the

1 transaction of business. All action of the Board shall be by  
2 ordinance or resolution and the affirmative vote of at least 5  
3 members shall be necessary for the adoption of any ordinance or  
4 resolution. All such ordinances and resolutions before taking  
5 effect shall be approved by the chair of the Board, and if the  
6 chair approves, the chair shall sign the same, and if the chair  
7 does not approve the chair shall return to the Board with his  
8 or her objections in writing at the next regular meeting of the  
9 Board occurring after passage. But in the case the chair fails  
10 to return any ordinance or resolution with the objections  
11 within the prescribed time, he or she shall be deemed to have  
12 approved the ordinance or resolution and it shall take effect  
13 accordingly. Upon the return of any ordinance or resolution by  
14 the chair with objections, the vote shall be reconsidered by  
15 the Board, and if, upon such reconsideration of the ordinance  
16 or resolution, it is passed by the affirmative vote of at least  
17 6 members, it shall go into effect notwithstanding the veto of  
18 the chair. All ordinances, resolutions and all proceedings of  
19 the District and all documents and records in its possession  
20 shall be public records, and open to public inspection, except  
21 such documents and records as are kept or prepared by the Board  
22 for use in negotiations, legal actions or proceedings to which  
23 the District is a party.

24 Section 27. Secretary and treasurer. The Board shall  
25 appoint a secretary and a treasurer, who need not be members of

1 the Board, to hold office during the pleasure of the Board, and  
2 fix their duties and compensation. The secretary and treasurer  
3 shall be residents of the District. Before entering upon the  
4 duties of their respective offices they shall take and  
5 subscribe the constitutional oath of office, and the treasurer  
6 shall execute a bond with corporate sureties to be approved by  
7 the Board. The bond shall be payable to the District in  
8 whatever penal sum may be directed by the Board conditioned  
9 upon the faithful performance of the duties of the office and  
10 the payment of all money received by him or her according to  
11 law and the orders of the Board. The Board may, at any time,  
12 require a new bond from the treasurer in such penal sum as may  
13 then be determined by the Board. The obligation of the sureties  
14 shall not extend to any loss sustained by the insolvency,  
15 failure or closing of any savings and loan association or  
16 federal or State bank wherein the treasurer has deposited funds  
17 if the bank or savings and loan association has been approved  
18 by the Board as a depository for these funds. The oaths of  
19 office and the treasurer's bond shall be filed in the principal  
20 office of the District.

21 Section 28. Deposits. All funds deposited by the treasurer  
22 in any bank or savings and loan association shall be placed in  
23 the name of the District and shall be withdrawn or paid out  
24 only by check or draft upon the bank or savings and loan  
25 association, signed by the treasurer and countersigned by the

1 chair of the Board. Subject to prior approval of such  
2 designations by a majority of the Board, the chair may  
3 designate any other Board member or any officer of the District  
4 to affix the signature of the chair and the treasurer may  
5 designate any other officer of the District to affix the  
6 signature of the treasurer to any check or draft for payment of  
7 salaries or wages and for payment of any other obligation of  
8 not more than \$2,500.00.

9 No bank or savings and loan association shall receive  
10 public funds as permitted by this Section, unless it has  
11 complied with the requirements established pursuant to Section  
12 6 of The Public Funds Investment Act.

13 Section 29. Valid; checks and drafts. In case any officer  
14 whose signature appears upon any check or draft issued pursuant  
15 to this Act, ceases to hold his office before the delivery  
16 thereof to the payee, his signature nevertheless shall be valid  
17 and sufficient for all purposes with the same effect as if he  
18 had remained in office until delivery thereof.

19 Section 30. Executive director. The Board may appoint an  
20 Executive Director who shall be a person of recognized ability  
21 and business experience to hold office during the pleasure of  
22 the Board. The Executive Director shall have management of the  
23 properties and business of the District and the employees  
24 thereof subject to the general control of the Board, shall

1 direct the enforcement of all ordinances, resolutions, rules  
2 and regulations of the Board, and shall perform such other  
3 duties as may be prescribed from time to time by the Board. The  
4 Board may appoint a general attorney, a chief engineer, and a  
5 general manager to assist the Executive Director, and shall  
6 provide for the appointment of other officers, and the  
7 employment of additional attorneys, engineers, consultants,  
8 agents and employees as may be necessary. It shall define their  
9 duties and may require bonds of such of them as the Board may  
10 designate. The Executive Director, General Manager, General  
11 Attorney, Chief Engineer, and all other officers provided for  
12 pursuant to this Section shall be exempt from taking and  
13 subscribing any oath of office and shall not be members of the  
14 Board. The compensation of the Executive Director, General  
15 Manager, General Attorney, Chief Engineer, and all other  
16 officers, attorneys, consultants, agents and employees shall  
17 be fixed by the Board.

18 Section 31. Ordinances. The Board has power to pass all  
19 ordinances and make all rules and regulations proper or  
20 necessary, and to carry into effect the powers granted to the  
21 District, with such fines or penalties as may be deemed proper.  
22 All fines and penalties shall be imposed by ordinances, which  
23 shall be published in a newspaper of general circulation  
24 published in the area embraced by the District. No such  
25 ordinance shall take effect until 10 days after its

1 publication.

2 Section 32. Financial statement. Within 60 days after the  
3 end of each fiscal year, the Board shall prepare and print a  
4 complete and detailed report and financial statement of the  
5 operations and assets and liabilities of the Port District. A  
6 reasonably sufficient number of copies of such report shall be  
7 printed for distribution to persons interested, upon request,  
8 and a copy shall be filed with the Governor, the senior United  
9 States Senator, and the County Clerk and the County Board Chair  
10 of Jo Daviess, Whiteside, Rock Island, and Carroll Counties.

11 Section 33. Investigations by the Board. The Board may  
12 investigate conditions in which it has an interest within the  
13 area of the District; the enforcement of its ordinances, rules,  
14 and regulations; and the action, conduct, and efficiency of all  
15 officers, agents, and employees of the District. In the conduct  
16 of investigations the Board may hold public hearings on its own  
17 motion and shall do so on complaint of any municipality within  
18 the District. Each member of the Board shall have power to  
19 administer oaths and the secretary, by order of the Board,  
20 shall issue subpoenas to secure the attendance and testimony of  
21 witnesses and the production of books and papers relevant to  
22 investigations and to any hearing before the Board or any  
23 member of the Board.

24 Any circuit court of this State, upon application of the

1 Board or any member of the Board, may in its discretion compel  
2 the attendance of witnesses, the production of books and  
3 papers, and giving of testimony before the Board, before any  
4 member of the Board, or before any officers' committee  
5 appointed by the Board by attachment for contempt or otherwise  
6 in the same manner as the production of evidence may be  
7 compelled before the court.

8 Section 34. Final review of administrative decisions. All  
9 final administrative decisions of the Board hereunder shall be  
10 subject to judicial review pursuant to the provisions of the  
11 Administrative Review Law, and all amendments and  
12 modifications thereof, and the rules adopted pursuant thereto.  
13 The term "administrative decision" is defined as in Section  
14 3-101 of the Code of Civil Procedure.

15 Section 35. Non-applicability. The provisions of this Act  
16 shall not be considered as impairing, altering, modifying,  
17 repealing or superseding any of the jurisdiction or powers of  
18 the Illinois Commerce Commission or of the Department of  
19 Natural Resources under the Rivers, Lakes, and Streams Act.  
20 Nothing in this Act or done under its authority shall apply to,  
21 restrict, limit or interfere with the use of any terminal  
22 facility or port facility owned or operated by any private  
23 person for the storage or handling or transfer of any commodity  
24 moving in interstate commerce or the use of the land and

1 facilities of a common carrier or other public utility and the  
2 space above such land and facilities in the business of such  
3 common carrier or other public utility, without approval of the  
4 Illinois Commerce Commission and without the payment of just  
5 compensation to any such common carrier or other public utility  
6 for damages resulting from any such restriction, limitation or  
7 interference.

8 Section 36. Annexation. Territory that is contiguous to the  
9 District and that is not included within any other port  
10 district may be annexed to and become a part of the District in  
11 the manner provided in Section 37 or 38, whichever is  
12 applicable.

13 Section 37. Petition for annexation. At least 5% of the  
14 legal voters residing within the limits of the proposed  
15 addition to the District shall petition the circuit court for a  
16 county in which a major part of the District is situated, to  
17 cause the question of whether the proposed additional territory  
18 shall become a part of the District to be submitted to the  
19 legal voters of the proposed additional territory. The petition  
20 shall be addressed to the court and shall contain a definite  
21 description of the boundaries of the territory to be embraced  
22 in the proposed addition.

23 Upon the filing of any petition with the clerk of the  
24 court, the court shall fix a time and place for a hearing upon

1 the subject of the petition.

2 Notice shall be given by the court to whom the petition is  
3 addressed or by the circuit court clerk or sheriff of the  
4 county in which the petition is made at the order and direction  
5 of the court of the time and place of the hearing upon the  
6 subject of the petition at least 20 days before the hearing by  
7 at least one publication of the notice in any newspaper having  
8 general circulation within the area proposed to be annexed, and  
9 by mailing a copy of the notice to the mayor or president of  
10 the board of trustees of all cities, villages, and incorporated  
11 towns within the District.

12 At the hearing, the District, all persons residing or  
13 owning property within the District, and all persons residing  
14 in or owning property situated in the area proposed to be  
15 annexed to the District may appear and be heard touching upon  
16 the sufficiency of the petition. If the court finds that the
