14           (14) Any expense or charge for services, drugs, or  
15 supplies that are: (i) not provided in accord with  
16 generally accepted standards of current medical practice;  
17 (ii) for procedures, treatments, equipment, transplants,  
18 or implants, any of which are investigational,

20 investigative and not proven safe and effective; or (iv)  
21 for, or resulting from, a gender transformation operation.

22           (15) Any expense or charge for routine physical  
23 examinations or tests except as provided in item (2.5) of  
24 subsection b of this Section.

25           (16) Any expense for which a charge is not made in the

12 appropriate national medical speciality college for  
13 general use within the medical community.

14           d. Deductibles and coinsurance.

15           The Plan coverage defined in Section 6 shall provide for a  
16 choice of deductibles per individual as authorized by the  
17 Board. If 2 individual members of the same family household,  
18 who are both covered persons under the Plan, satisfy the same  
19 applicable deductibles, no other member of that family who is  
20 also a covered person under the Plan shall be required to meet  
21 any deductibles for the balance of that calendar year. The  
22 deductibles must be applied first to the authorized amount of  
23 covered expenses incurred by the covered person. A mandatory  
24 coinsurance requirement shall be imposed at the rate authorized  
25 by the Board in excess of the mandatory deductible, the  
26 coinsurance in the aggregate not to exceed such amounts as are

1 authorized by the Board per annum. At its discretion the Board  
2 may, however, offer catastrophic coverages or other policies  
3 that provide for larger deductibles with or without coinsurance  
4 requirements. The deductibles and coinsurance factors may be  
5 adjusted annually according to the Medical Component of the  
6 Consumer Price Index.

7 e. Scope of coverage.

8 (1) In approving any of the benefit plans to be offered  
9 by the Plan, the Board shall establish such benefit levels,  
10 deductibles, coinsurance factors, exclusions, and  
11 limitations as it may deem appropriate and that it believes  
12 to be generally reflective of and commensurate with health  
13 insurance coverage that is provided in the individual  
14 market in this State.

15 (2) The benefit plans approved by the Board may also  
16 provide for and employ various cost containment measures  
17 and other requirements including, but not limited to,  
18 preadmission certification, prior approval, second  
19 surgical opinions, concurrent utilization review programs,  
20 individual case management, preferred provider  
21 organizations, health maintenance organizations, and other  
22 cost effective arrangements for paying for covered  
23 expenses.

24 f. Preexisting conditions.

25 (1) Except for federally eligible individuals  
26 qualifying for Plan coverage under Section 15 of this Act

1 or eligible persons who qualify for the waiver authorized  
2 in paragraph (3) of this subsection, plan coverage shall  
3 exclude charges or expenses incurred during the first 6  
4 months following the effective date of coverage as to any  
5 condition for which medical advice, care or treatment was  
6 recommended or received during the 6 month period  
7 immediately preceding the effective date of coverage.

8 (2) (Blank).

9 (3) Waiver: The preexisting condition exclusions as  
10 set forth in paragraph (1) of this subsection shall be  
11 waived to the extent to which the eligible person (a) has  
12 satisfied similar exclusions under any prior individual  
13 health insurance policy that was involuntarily terminated  
14 because of the insolvency of the issuer of the policy and  
15 (b) has applied for Plan coverage within 90 days following  
16 the involuntary termination of that individual health  
17 insurance coverage.

18 g. Other sources primary; nonduplication of benefits.

19 (1) The Plan shall be the last payor of benefits  
20 whenever any other benefit or source of third party payment  
21 is available. Subject to the provisions of subsection e of  
22 Section 7, benefits otherwise payable under Plan coverage  
23 shall be reduced by all amounts paid or payable by Medicare  
24 or any other government program or through any health  
25 insurance coverage or group health plan, whether by  
26 insurance, reimbursement, or otherwise, or through any

1 third party liability, settlement, judgment, or award,  
2 regardless of the date of the settlement, judgment, or  
3 award, whether the settlement, judgment, or award is in the  
4 form of a contract, agreement, or trust on behalf of a  
5 minor or otherwise and whether the settlement, judgment, or  
6 award is payable to the covered person, his or her  
7 dependent, estate, personal representative, or guardian in  
8 a lump sum or over time, and by all hospital or medical  
9 expense benefits paid or payable under any worker's  
10 compensation coverage, automobile medical payment, or  
11 liability insurance, whether provided on the basis of fault  
12 or nonfault, and by any hospital or medical benefits paid  
13 or payable under or provided pursuant to any State or  
14 federal law or program.

15 (2) The Plan shall have a cause of action against any  
16 covered person or any other person or entity for the  
17 recovery of any amount paid to the extent the amount was  
18 for treatment, services, or supplies not covered in this  
19 Section or in excess of benefits as set forth in this  
20 Section.

21 (3) Whenever benefits are due from the Plan because of  
22 sickness or an injury to a covered person resulting from a  
23 third party's wrongful act or negligence and the covered  
24 person has recovered or may recover damages from a third  
25 party or its insurer, the Plan shall have the right to  
26 reduce benefits or to refuse to pay benefits that otherwise

1           may be payable by the amount of damages that the covered  
2           person has recovered or may recover regardless of the date  
3           of the sickness or injury or the date of any settlement,  
4           judgment, or award resulting from that sickness or injury.

5           During the pendency of any action or claim that is  
6           brought by or on behalf of a covered person against a third  
7           party or its insurer, any benefits that would otherwise be  
8           payable except for the provisions of this paragraph (3)  
9           shall be paid if payment by or for the third party has not  
10          yet been made and the covered person or, if incapable, that  
11          person's legal representative agrees in writing to pay back  
12          promptly the benefits paid as a result of the sickness or  
13          injury to the extent of any future payments made by or for  
14          the third party for the sickness or injury. This agreement  
15          is to apply whether or not liability for the payments is  
16          established or admitted by the third party or whether those  
17          payments are itemized.

18          Any amounts due the plan to repay benefits may be  
19          deducted from other benefits payable by the Plan after  
20          payments by or for the third party are made.

21          (4) Benefits due from the Plan may be reduced or  
22          refused as an offset against any amount otherwise  
23          recoverable under this Section.

24          h. Right of subrogation; recoveries.

25          (1) Whenever the Plan has paid benefits because of  
26          sickness or an injury to any covered person resulting from

1 a third party's wrongful act or negligence, or for which an  
2 insurer is liable in accordance with the provisions of any  
3 policy of insurance, and the covered person has recovered  
4 or may recover damages from a third party that is liable  
5 for the damages, the Plan shall have the right to recover  
6 the benefits it paid from any amounts that the covered  
7 person has received or may receive regardless of the date  
8 of the sickness or injury or the date of any settlement,  
9 judgment, or award resulting from that sickness or injury.  
10 The Plan shall be subrogated to any right of recovery the  
11 covered person may have under the terms of any private or  
12 public health care coverage or liability coverage,  
13 including coverage under the Workers' Compensation Act or  
14 the Workers' Occupational Diseases Act, without the  
15 necessity of assignment of claim or other authorization to  
16 secure the right of recovery. To enforce its subrogation  
17 right, the Plan may (i) intervene or join in an action or  
18 proceeding brought by the covered person or his personal  
19 representative, including his guardian, conservator,  
20 estate, dependents, or survivors, against any third party  
21 or the third party's insurer that may be liable or (ii)  
22 institute and prosecute legal proceedings against any  
23 third party or the third party's insurer that may be liable  
24 for the sickness or injury in an appropriate court either  
25 in the name of the Plan or in the name of the covered  
26 person or his personal representative, including his

1 guardian, conservator, estate, dependents, or survivors.

2 (2) If any action or claim is brought by or on behalf  
3 of a covered person against a third party or the third  
4 party's insurer, the covered person or his personal  
5 representative, including his guardian, conservator,  
6 estate, dependents, or survivors, shall notify the Plan by  
7 personal service or registered mail of the action or claim  
8 and of the name of the court in which the action or claim  
9 is brought, filing proof thereof in the action or claim.

10 The Plan may, at any time thereafter, join in the action or  
11 claim upon its motion so that all orders of court after  
12 hearing and judgment shall be made for its protection. No  
13 release or settlement of a claim for damages and no  
14 satisfaction of judgment in the action shall be valid  
15 without the written consent of the Plan to the extent of  
16 its interest in the settlement or judgment and of the  
17 covered person or his personal representative.

18 (3) In the event that the covered person or his  
19 personal representative fails to institute a proceeding  
20 against any appropriate third party before the fifth month  
21 before the action would be barred, the Plan may, in its own  
22 name or in the name of the covered person or personal  
23 representative, commence a proceeding against any  
24 appropriate third party for the recovery of damages on  
25 account of any sickness, injury, or death to the covered  
26 person. The covered person shall cooperate in doing what is

1 reasonably necessary to assist the Plan in any recovery and  
2 shall not take any action that would prejudice the Plan's  
3 right to recovery. The Plan shall pay to the covered person  
4 or his personal representative all sums collected from any  
5 third party by judgment or otherwise in excess of amounts  
6 paid in benefits under the Plan and amounts paid or to be  
7 paid as costs, attorneys fees, and reasonable expenses  
8 incurred by the Plan in making the collection or enforcing  
9 the judgment.

10 (4) In the event that a covered person or his personal  
11 representative, including his guardian, conservator,  
12 estate, dependents, or survivors, recovers damages from a  
13 third party for sickness or injury caused to the covered  
14 person, the covered person or the personal representative  
15 shall pay to the Plan from the damages recovered the amount  
16 of benefits paid or to be paid on behalf of the covered  
17 person.

18 (5) When the action or claim is brought by the covered  
19 person alone and the covered person incurs a personal  
20 liability to pay attorney's fees and costs of litigation,  
21 the Plan's claim for reimbursement of the benefits provided  
22 to the covered person shall be the full amount of benefits  
23 paid to or on behalf of the covered person under this Act  
24 less a pro rata share that represents the Plan's reasonable  
25 share of attorney's fees paid by the covered person and  
26 that portion of the cost of litigation expenses determined

1 by multiplying by the ratio of the full amount of the  
2 expenditures to the full amount of the judgement, award, or  
3 settlement.

4 (6) In the event of judgment or award in a suit or  
5 claim against a third party or insurer, the court shall  
6 first order paid from any judgement or award the reasonable  
7 litigation expenses incurred in preparation and  
8 prosecution of the action or claim, together with  
9 reasonable attorney's fees. After payment of those  
10 expenses and attorney's fees, the court shall apply out of  
11 the balance of the judgment or award an amount sufficient  
12 to reimburse the Plan the full amount of benefits paid on  
13 behalf of the covered person under this Act, provided the  
14 court may reduce and apportion the Plan's portion of the  
15 judgement proportionate to the recovery of the covered  
16 person. The burden of producing evidence sufficient to  
17 support the exercise by the court of its discretion to  
18 reduce the amount of a proven charge sought to be enforced  
19 against the recovery shall rest with the party seeking the  
20 reduction. The court may consider the nature and extent of  
21 the injury, economic and non-economic loss, settlement  
22 offers, comparative negligence as it applies to the case at  
23 hand, hospital costs, physician costs, and all other  
24 appropriate costs. The Plan shall pay its pro rata share of  
25 the attorney fees based on the Plan's recovery as it  
26 compares to the total judgment. Any reimbursement rights of

1           the Plan shall take priority over all other liens and  
2           charges existing under the laws of this State with the  
3           exception of any attorney liens filed under the Attorneys  
4           Lien Act.

5           (7) The Plan may compromise or settle and release any  
6           claim for benefits provided under this Act or waive any  
7           claims for benefits, in whole or in part, for the  
8           convenience of the Plan or if the Plan determines that  
9           collection would result in undue hardship upon the covered  
10          person.
