This paragraph applies to all requests for recomputation of a general State aid claim received after June 30, 2003. In recomputing a general State aid claim that was originally calculated using an extension limitation equalized assessed valuation under paragraph (3) of subsection (G) of Section 18-8.05 of this Code, a qualifying reduction in equalized assessed valuation shall be deducted from the extension limitation equalized assessed valuation that was used in calculating the original claim.

This paragraph applies to all requests for recomputation of a general State aid claim received regarding a county clerk's use of an estimate of equalized assessed valuation for multi-county jurisdictions that resulted in the calculation and use of a subsequent year limiting rate, utilized in the general State aid claim of a school district, that was different than the actual operating rate extended in the year subsequent to the use of the estimate.
