AN ACT concerning professional regulation.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 1. Short title. This Act may be cited as the
Uniform Emergency Volunteer Health Practitioners Act.

6 Section 2. Definitions. In this Act:

7 (1) "Disaster relief organization" means an entity that 8 provides emergency or disaster relief services that include 9 health or veterinary services provided by volunteer health 10 practitioners and that:

(A) is designated or recognized as a provider of those
services pursuant to a disaster response and recovery plan
adopted by an agency of the federal government or the
Illinois Emergency Management Agency; or

(B) regularly plans and conducts its activities in
coordination with an agency of the federal government or
the Illinois Emergency Management Agency.

(2) "Emergency" means an event or condition that is a
disaster as defined in Section 4 of the Illinois Emergency
Management Agency Act.

(3) "Emergency declaration" means a declaration of
emergency issued by a person authorized to do so under the laws
of this State or a disaster proclamation issued by the Governor

(5) "Entity" means a person other than an individual.

5 (6) "Health facility" means an entity licensed under the 6 laws of this or another state to provide health or veterinary 7 services.

8 (7) "Health practitioner" means an individual licensed 9 under the laws of this or another state to provide health or 10 veterinary services.

11 (8) "Health services" means the provision of treatment, 12 care, advice or guidance, or other services, or supplies, 13 related to the health or death of individuals or human 14 populations, to the extent necessary to respond to an 15 emergency, including:

(A) the following, concerning the physical or mental
 condition or functional status of an individual or
 affecting the structure or function of the body:

(i) preventive, diagnostic, therapeutic,
 rehabilitative, maintenance, or palliative care; and

21 (ii) counseling, assessment, procedures, or other 22 services;

(B) sale or dispensing of a drug, a device, equipment,
or another item to an individual in accordance with a
prescription; and

(C) funeral, cremation, cemetery, or other mortuary

1 services.

2 (9) "Host entity" means an entity operating in this State which uses volunteer health practitioners to respond to an 3 emergency, including a healthcare facility, system, clinic or 4 5 other fixed or mobile location where health care services are provided. A disaster relief organization may also be a host 6 7 entity under this subsection to the extent that it operates a 8 healthcare facility, system, clinic, or other fixed or mobile 9 location in providing emergency or disaster relief services.

10 (10) "License" means authorization by a state to engage in 11 health or veterinary services that are unlawful without the 12 authorization.

(11) "Person" means an individual, corporation, business trust, trust, partnership, limited liability company, association, joint venture, public corporation, government or governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

"Scope of practice" means 18 (12)the extent of the 19 authorization to provide health or veterinary services granted 20 to a health practitioner by a license issued to the practitioner in the state in which the principal part of the 21 22 practitioner's services are rendered, including any conditions 23 imposed by the licensing authority.

(13) "State" means a state of the United States, the
District of Columbia, Puerto Rico, the United States Virgin
Islands, or any territory or insular possession subject to the

1 jurisdiction of the United States.

2 (14) "Veterinary services" means the provision of 3 treatment, care, advice or guidance, or other services, or 4 supplies, related to the health or death of an animal or to 5 animal populations, to the extent necessary to respond to an 6 emergency declaration, including:

7 (A) diagnosis, treatment, or prevention of an animal
8 disease, injury, or other physical or mental condition by
9 the prescription, administration, or dispensing of
10 vaccine, medicine, surgery, or therapy;

(B) use of a procedure for reproductive management; and (C) monitoring and treatment of animal populations for diseases that have spread or demonstrate the potential to spread to humans.

"Volunteer health practitioner" means 15 (15)a health 16 practitioner who provides health or veterinary services, 17 whether or not the practitioner receives compensation for those services. The term does not include a practitioner who receives 18 19 compensation pursuant to an employment or independent 20 contractor relationship existing at the time of the emergency with a host entity or disaster relief organization which 21 22 requires the practitioner to provide health or veterinary 23 services in this State, unless the practitioner is not a 24 resident of this State and is employed by or an independent 25 contractor of a host entity or disaster relief organization 26 providing services in this State while an emergency declaration SB2541 Engrossed - 5 - LRB096 16373 ASK 31637 b

1 is in effect.

2 Section 3. Applicability to volunteer health 3 practitioners. This Act applies to volunteer health 4 practitioners registered with a registration system that 5 complies with Section 5 and who provide health or veterinary 6 services in this State for a host entity or disaster relief 7 organization while an emergency declaration is in effect.

8 Section 4. Regulation of services during emergency.

9 (a) While a disaster proclamation under the Illinois 10 Emergency Management Agency Act is in effect, the Illinois 11 Emergency Management Agency may limit, restrict, or otherwise 12 regulate:

13 (1) the duration of practice by volunteer health 14 practitioners;

15 (2) the geographical areas in which volunteer health16 practitioners may practice;

17 (3) the types of volunteer health practitioners who may18 practice; and

(4) any other matters necessary to coordinate
effectively the provision of health or veterinary services
during the emergency.

(b) An order issued pursuant to subsection (a) may take effect immediately, without prior notice or comment, and is not a rule within the meaning of the Illinois Administrative SB2541 Engrossed

1 Procedure Act.

25

2 (c) A host entity or disaster relief organization that uses
3 volunteer health practitioners to provide health or veterinary
4 services in this State shall:

5 (1) consult and coordinate its activities with the 6 Illinois Emergency Management Agency to the extent 7 practicable to provide for the efficient and effective use 8 of volunteer health practitioners; and

9 (2) comply with any laws relating to the management of
 10 emergency health or veterinary services.

Section 5. Volunteer Health Practitioner Registration Systems.

13 (a) To qualify as a volunteer health practitioner 14 registration system, a system must:

15 (1) accept applications for the registration of 16 volunteer health practitioners before or during an 17 emergency;

18 (2) include information about the licensure and good
19 standing of health practitioners which is accessible by
20 authorized persons;

(3) be capable of confirming the accuracy of
information concerning whether a health practitioner is
licensed and in good standing before health services or
veterinary services are provided under this Act; and

(4) meet one of the following conditions:

SB2541 Engrossed

1 (A) be emergency system for an advance 2 registration of volunteer health-care practitioners 3 established by a state and funded through the Department of Health and Human Services under Section 4 5 319I of the Public Health Services Act, 42 U.S.C. Section 247d-7b (as amended); 6 (B) be a local unit consisting of trained and 7 8 equipped emergency response, public health, and 9 medical personnel formed pursuant to Section 2801 of 10 the Public Health Services Act, 42 U.S.C. Section 300hh 11 (as amended); 12 (C) be operated by a: 13 (i) disaster relief organization; 14 (ii) licensing board; 15 (iii) national or regional association of 16 licensing boards or health practitioners; 17 health facility that (iv) provides comprehensive inpatient and outpatient health-care 18 services, including a tertiary care, teaching 19 20 hospital, or ambulatory surgical treatment center; 21 or 22 (v) governmental entity; or 23 (D) be designated by the Illinois Department of 24 Public Health as a registration system for purposes of 25 this Act. 26 (b) While an emergency declaration is in effect, the

Illinois Department of Public Health, a person authorized to 1 2 act on behalf of the Illinois Department of Public Health, or a 3 host entity or disaster relief organization, may confirm whether volunteer health practitioners utilized in this State 4 5 are registered with a registration system that complies with 6 Confirmation is limited subsection (a). to obtaining 7 identities of the practitioners from the system and determining 8 whether the system indicates that the practitioners are 9 licensed and in good standing.

10 (c) Upon request of a person in this State authorized under 11 subsection (b), or a similarly authorized person in another 12 state, a registration system located in this State shall notify 13 the person of the identities of volunteer health practitioners 14 and whether the practitioners are licensed and in good 15 standing.

(d) A host entity or disaster relief organization is not required to use the services of a volunteer health practitioner even if the practitioner is registered with a registration system that indicates that the practitioner is licensed and in good standing.

21 Section 6. Recognition of volunteer health practitioners 22 licensed in other states.

(a) While an emergency declaration is in effect, a
 volunteer health practitioner, registered with a registration
 system that complies with Section 5 and licensed and in good

SB2541 Engrossed - 9 - LRB096 16373 ASK 31637 b

standing in the state upon which the practitioner's registration is based, may practice in this State to the extent authorized by this Act as if the practitioner were licensed in this State.

5 (b) A volunteer health practitioner qualified under 6 subsection (a) is not entitled to the protections of this Act 7 if any license of the practitioner is suspended, revoked, or 8 subject to an agency order limiting or restricting practice 9 privileges, or has been voluntarily terminated under threat of 10 sanction.

11 Section 7. No effect on credentialing and privileging.

12 (a) In this Section:

(1) "Credentialing" means obtaining, verifying, and assessing the qualifications of a health practitioner to provide treatment, care, or services in or for a health facility.

"Privileging" 17 (2)means the authorizing by an 18 appropriate authority, such as a governing body, of a 19 health practitioner to provide specific treatment, care, or services at a health facility subject to limits based on 20 21 factors that include license, education, training, 22 experience, competence, health status, and specialized 23 skill.

(b) This Act does not affect credentialing or privileging
 standards of a health facility and does not preclude a health

1 facility from waiving or modifying those standards while an 2 emergency declaration is in effect.

3 Section 8. Provision of volunteer health or veterinary
4 services; administrative sanctions.

5 (a) Subject to subsections (b) and (c), a volunteer health 6 practitioner shall adhere to the scope of practice for a 7 similarly licensed practitioner established by the licensing 8 provisions, practice Acts, or other laws of this State.

9 (b) Except as otherwise provided in subsection (c), this 10 Act does not authorize a volunteer health practitioner to 11 provide services that are outside the practitioner's scope of 12 practice, even if a similarly licensed practitioner in this 13 State would be permitted to provide the services.

14 (C) Consistent with the Department of Professional 15 Regulation Law of the Civil Administrative Code of Illinois and 16 the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois, the Illinois Emergency 17 18 Management Agency, the Department of Financial and 19 Professional Regulation, or the Illinois Department of Public 20 Health may modify or restrict the health or veterinary services 21 that volunteer health practitioners may provide pursuant to 22 this Act during an emergency. A proclamation under this subsection may take effect immediately, without prior notice or 23 24 comment, and is not a rule within the meaning of the Illinois 25 Administrative Procedure Act.

SB2541 Engrossed - 11 - LRB096 16373 ASK 31637 b

(d) A host entity or disaster relief organization may
 restrict the health or veterinary services that a volunteer
 health practitioner may provide pursuant to this Act.

(e) A volunteer health practitioner does not engage in 4 5 unauthorized practice unless the practitioner has reason to know of any limitation, modification, or restriction under this 6 7 Section or that a similarly licensed practitioner in this State 8 would not be permitted to provide the services. A volunteer 9 health practitioner has reason to know of a limitation, 10 modification, or restriction or that a similarly licensed 11 practitioner in this State would not be permitted to provide a 12 service if:

13 (1) the practitioner knows the limitation, 14 modification, or restriction exists or that a similarly 15 licensed practitioner in this State would not be permitted 16 to provide the service; or

17 (2) from all the facts and circumstances known to the practitioner at the relevant time, a reasonable person 18 19 would conclude that the limitation, modification, or 20 restriction exists or that а similarly licensed 21 practitioner in this State would not be permitted to 22 provide the service.

(f) In addition to the authority granted by law of this State to regulate the conduct of health practitioners, a licensing board or other disciplinary authority in this State: (1) may impose administrative sanctions upon a health SB2541 Engrossed - 12 - LRB096 16373 ASK 31637 b

1 2 practitioner licensed in this State for conduct outside of this State in response to an out-of-state emergency;

3 (2) may impose administrative sanctions upon a 4 practitioner not licensed in this State for conduct in this 5 State in response to an in-state emergency; and

6 (3) shall report any administrative sanctions imposed 7 upon a practitioner licensed in another state to the 8 appropriate licensing board or other disciplinary 9 authority in any other state in which the practitioner is 10 known to be licensed.

11 (g) In determining whether to impose administrative 12 sanctions under subsection (f), a licensing board or other 13 disciplinary authority shall consider the circumstances in 14 which the conduct took place, including any exigent 15 circumstances, and the practitioner's scope of practice, 16 education, training, experience, and specialized skill.

Section 9. Relation to other laws.

(a) This Act does not limit rights, privileges, or
immunities provided to volunteer health practitioners by laws
other than this Act. Except as otherwise provided in subsection
(b), this Act does not affect requirements for the use of
health practitioners pursuant to the Emergency Management
Assistance Compact.

(b) The Illinois Emergency Management Agency, pursuant toany mutual aid compacts entered into by this State, may

SB2541 Engrossed - 13 - LRB096 16373 ASK 31637 b

incorporate into the emergency forces of this State volunteer health practitioners who are not officers or employees of this State, a political subdivision of this State, or a municipality or other local government within this State.

5 Section 10. Regulatory authority. The Illinois Emergency 6 Management Agency may adopt rules to implement this Act. The 7 Illinois Emergency Management Agency shall consult with and 8 consider the recommendations of the entity established to 9 coordinate the implementation of any mutual aid compacts entered into by this State and may also consult with and 10 11 consider rules adopted by similarly empowered agencies in other 12 states to promote uniformity of application of this Act and make the emergency response systems in the various states 13 14 reasonably compatible.

15 Section 11. Workers' compensation coverage. A volunteer 16 health practitioner providing health or veterinary services 17 pursuant to this Act may be considered a volunteer in 18 accordance with subsection (k) of Section 10 of the Illinois 19 Emergency Management Agency Act for the purposes of worker's 20 compensation coverage.

Section 12. Uniformity of application and construction. In applying and construing this Uniform Act, consideration must be given to the need to promote uniformity of the law with respect SB2541 Engrossed - 14 - LRB096 16373 ASK 31637 b
