4 "Section 5. The Illinois Identification Card Act is amended
5 by changing Section 4 as follows:

6 (15 ILCS 335/4) (from Ch. 124, par. 24)

7 Sec. 4. Identification Card.

8 (a) The Secretary of State shall issue a standard Illinois
9 Identification Card to any natural person who is a resident of
10 the State of Illinois who applies for such card, or renewal
11 thereof, or who applies for a standard Illinois Identification
12 Card upon release as a committed person on parole, mandatory
13 supervised release, final discharge, or pardon from the
14 Department of Corrections by submitting an identification card
15 issued by the Department of Corrections under Section 3-14-1 of
16 the Unified Code of Corrections, together with the prescribed

1 fees. No identification card shall be issued to any person who
2 holds a valid foreign state identification card, license, or
3 permit unless the person first surrenders to the Secretary of
4 State the valid foreign state identification card, license, or
5 permit. The card shall be prepared and supplied by the
6 Secretary of State and shall include a photograph and signature
7 or mark of the applicant. The Illinois Identification Card may
8 be used for identification purposes in any lawful situation
9 only by the person to whom it was issued. As used in this Act,
10 "photograph" means any color photograph or digitally produced
11 and captured image of an applicant for an identification card.
12 As used in this Act, "signature" means the name of a person as
13 written by that person and captured in a manner acceptable to
14 the Secretary of State.

15 (b) The Secretary of State shall issue a special Illinois
16 Identification Card, which shall be known as an Illinois
17 Disabled Person Identification Card, to any natural person who
18 is a resident of the State of Illinois, who is a disabled
19 person as defined in Section 4A of this Act, who applies for
20 such card, or renewal thereof. No Disabled Person
21 Identification Card shall be issued to any person who holds a
22 valid foreign state identification card, license, or permit
23 unless the person first surrenders to the Secretary of State
24 the valid foreign state identification card, license, or
25 permit. The Secretary of State shall charge no fee to issue
26 such card. The card shall be prepared and supplied by the

1 Secretary of State, and shall include a photograph and
2 signature or mark of the applicant, a designation indicating
3 that the card is an Illinois Disabled Person Identification
4 Card, and shall include a comprehensible designation of the
5 type and classification of the applicant's disability as set
6 out in Section 4A of this Act. If the applicant so requests,
7 the card shall include a description of the applicant's
8 disability and any information about the applicant's
9 disability or medical history which the Secretary determines
10 would be helpful to the applicant in securing emergency medical
11 care. If a mark is used in lieu of a signature, such mark shall
12 be affixed to the card in the presence of two witnesses who
13 attest to the authenticity of the mark. The Illinois Disabled
14 Person Identification Card may be used for identification
15 purposes in any lawful situation by the person to whom it was
16 issued.

17 The Illinois Disabled Person Identification Card may be
18 used as adequate documentation of disability in lieu of a
19 physician's determination of disability, a determination of
20 disability from a physician assistant who has been delegated
21 the authority to make this determination by his or her
22 supervising physician, a determination of disability from an
23 advanced practice nurse ~~who has a written collaborative~~
24 ~~agreement with a collaborating physician that authorizes the~~
25 ~~advanced practice nurse to make this determination,~~ or any
26 other documentation of disability whenever any State law

1 requires that a disabled person provide such documentation of
2 disability, however an Illinois Disabled Person Identification
3 Card shall not qualify the cardholder to participate in any
4 program or to receive any benefit which is not available to all
5 persons with like disabilities. Notwithstanding any other
6 provisions of law, an Illinois Disabled Person Identification
7 Card, or evidence that the Secretary of State has issued an
8 Illinois Disabled Person Identification Card, shall not be used
9 by any person other than the person named on such card to prove
10 that the person named on such card is a disabled person or for
11 any other purpose unless the card is used for the benefit of
12 the person named on such card, and the person named on such
13 card consents to such use at the time the card is so used.

14 An optometrist's determination of a visual disability
15 under Section 4A of this Act is acceptable as documentation for
16 the purpose of issuing an Illinois Disabled Person
17 Identification Card.

18 When medical information is contained on an Illinois
19 Disabled Person Identification Card, the Office of the
20 Secretary of State shall not be liable for any actions taken
21 based upon that medical information.

22 (c) Beginning January 1, 1986, the Secretary of State shall
23 provide that each original or renewal Illinois Identification
24 Card or Illinois Disabled Person Identification Card issued to
25 a person under the age of 21, shall be of a distinct nature
26 from those Illinois Identification Cards or Illinois Disabled

1 Person Identification Cards issued to individuals 21 years of
2 age or older. The color designated for Illinois Identification
3 Cards or Illinois Disabled Person Identification Cards for
4 persons under the age of 21 shall be at the discretion of the
5 Secretary of State.

6 (c-1) Beginning January 1, 2003, each original or renewal
7 Illinois Identification Card or Illinois Disabled Person
8 Identification Card issued to a person under the age of 21
9 shall display the date upon which the person becomes 18 years
10 of age and the date upon which the person becomes 21 years of

14 State of Illinois who is 60 years of age or older and who

16 State shall charge no fee to issue such card. The card shall be
17 issued in every county and applications shall be made available
18 at, but not limited to, nutrition sites, senior citizen centers
19 and Area Agencies on Aging. The applicant, upon receipt of such
20 card and prior to its use for any purpose, shall have affixed
21 thereon in the space provided therefor his signature or mark.

22 (e) The Secretary of State, in his or her discretion, may
23 designate on each Illinois Identification Card or Illinois
24 Disabled Person Identification Card a space where the card
25 holder may place a sticker or decal, issued by the Secretary of
26 State, of uniform size as the Secretary may specify, that shall

1 indicate in appropriate language that the card holder has
2 renewed his or her Illinois Identification Card or Illinois
3 Disabled Person Identification Card.

24 Health shall establish, by rule, a waiver for children who show
25 an undue burden or a lack of access to a physician licensed to
26 practice medicine in all of its branches who provides eye

1 examinations or to a licensed optometrist. Each public,
2 private, and parochial school must give notice of this eye
3 examination requirement to the parents and guardians of
4 students in compliance with rules of the Department of Public
5 Health. Nothing in this Section shall be construed to allow a
6 school to exclude a child from attending because of a parent's
7 or guardian's failure to obtain an eye examination for the
8 child.

9 (2) The Department of Public Health shall promulgate rules
10 and regulations specifying the examinations and procedures
11 that constitute a health examination, which shall include the
12 collection of data relating to obesity (including at a minimum,
13 date of birth, gender, height, weight, blood pressure, and date

15 that certain additional examinations be performed. The rules
16 and regulations of the Department of Public Health shall
17 specify that a tuberculosis skin test screening shall be

19 under this Section if the child resides in an area designated
20 by the Department of Public Health as having a high incidence
21 of tuberculosis. The Department of Public Health shall specify

6 other than dental examinations, eye examinations, and vision
7 and hearing screening, and shall sign all report forms required
8 by subsection (4) of this Section that pertain to those
9 portions of the health examination for which the physician,
10 advanced practice nurse, or physician assistant is

12 health examination, then a physician licensed to practice
13 medicine in all of its branches must review and sign all
14 required report forms. Licensed dentists shall perform all
15 dental examinations and shall sign all report forms required by

6 regulations, the Department of Public Health shall require that
7 individuals conducting vision screening tests give a child's
8 parent or guardian written notification, before the vision
9 screening is conducted, that states, "Vision screening is not a
10 substitute for a complete eye and vision evaluation by an eye
11 doctor. Your child is not required to undergo this vision
12 screening if an optometrist or ophthalmologist has completed
13 and signed a report form indicating that an examination has
14 been administered within the previous 12 months."

15 (3) Every child shall, at or about the same time as he or
16 she receives a health examination required by subsection (1) of
17 this Section, present to the local school proof of having
18 received such immunizations against preventable communicable
19 diseases as the Department of Public Health shall require by
20 rules and regulations promulgated pursuant to this Section and
21 the Communicable Disease Prevention Act.

22 (4) The individuals conducting the health examination,

24 having conducted the examination, and such additional
25 information as required, including for a health examination
26 data relating to obesity (including at a minimum, date of

1 birth, gender, height, weight, blood pressure, and date of
2 exam), on uniform forms which the Department of Public Health
3 and the State Board of Education shall prescribe for statewide
4 use. The examiner shall summarize on the report form any
5 condition that he or she suspects indicates a need for special
6 services, including for a health examination factors relating
7 to obesity. The individuals confirming the administration of
8 required immunizations shall record as indicated on the form
9 that the immunizations were administered.

10 (5) If a child does not submit proof of having had either
11 the health examination or the immunization as required, then
12 the child shall be examined or receive the immunization, as the
13 case may be, and present proof by October 15 of the current
14 school year, or by an earlier date of the current school year
15 established by a school district. To establish a date before
16 October 15 of the current school year for the health
17 examination or immunization as required, a school district must
18 give notice of the requirements of this Section 60 days prior
19 to the earlier established date. If for medical reasons one or
20 more of the required immunizations must be given after October
21 15 of the current school year, or after an earlier established
22 date of the current school year, then the child shall present,
23 by October 15, or by the earlier established date, a schedule
24 for the administration of the immunizations and a statement of
25 the medical reasons causing the delay, both the schedule and
26 the statement being issued by the physician, advanced practice

1 nurse, physician assistant, registered nurse, or local health
2 department that will be responsible for administration of the
3 remaining required immunizations. If a child does not comply by
4 October 15, or by the earlier established date of the current
5 school year, with the requirements of this subsection, then the
6 local school authority shall exclude that child from school
7 until such time as the child presents proof of having had the
8 health examination as required and presents proof of having
9 received those required immunizations which are medically
10 possible to receive immediately. During a child's exclusion
11 from school for noncompliance with this subsection, the child's
12 parents or legal guardian shall be considered in violation of
13 Section 26-1 and subject to any penalty imposed by Section
14 26-10. This subsection (5) does not apply to dental
15 examinations and eye examinations.

16 (6) Every school shall report to the State Board of
17 Education by November 15, in the manner which that agency shall
18 require, the number of children who have received the necessary
19 immunizations and the health examination (other than a dental
20 examination or eye examination) as required, indicating, of
21 those who have not received the immunizations and examination
22 as required, the number of children who are exempt from health
23 examination and immunization requirements on religious or
24 medical grounds as provided in subsection (8). Every school
25 shall report to the State Board of Education by June 30, in the
26 manner that the State Board requires, the number of children

1 who have received the required dental examination, indicating,
2 of those who have not received the required dental examination,
3 the number of children who are exempt from the dental
4 examination on religious grounds as provided in subsection (8)
5 of this Section and the number of children who have received a
6 waiver under subsection (1.5) of this Section. Every school
7 shall report to the State Board of Education by June 30, in the
8 manner that the State Board requires, the number of children
9 who have received the required eye examination, indicating, of
10 those who have not received the required eye examination, the
11 number of children who are exempt from the eye examination as
12 provided in subsection (8) of this Section, the number of
13 children who have received a waiver under subsection (1.10) of
14 this Section, and the total number of children in noncompliance
15 with the eye examination requirement. This reported
16 information shall be provided to the Department of Public
17 Health by the State Board of Education.

18 (7) Upon determining that the number of pupils who are
19 required to be in compliance with subsection (5) of this
20 Section is below 90% of the number of pupils enrolled in the
21 school district, 10% of each State aid payment made pursuant to
22 Section 18-8.05 to the school district for such year may be
23 withheld by the State Board of Education until the number of
24 students in compliance with subsection (5) is the applicable
25 specified percentage or higher.

26 (8) Parents or legal guardians who object to health,

1 dental, or eye examinations or any part thereof, or to
2 immunizations, on religious grounds shall not be required to
3 submit their children or wards to the examinations or
4 immunizations to which they so object if such parents or legal
5 guardians present to the appropriate local school authority a
6 signed statement of objection, detailing the grounds for the
7 objection. If the physical condition of the child is such that
8 any one or more of the immunizing agents should not be
9 administered, the examining physician, advanced practice
10 nurse, or physician assistant responsible for the performance
11 of the health examination shall endorse that fact upon the
12 health examination form. Exempting a child from the health,
13 dental, or eye examination does not exempt the child from
14 participation in the program of physical education training
15 provided in Sections 27-5 through 27-7 of this Code.

16 (9) For the purposes of this Section, "nursery schools"
17 means those nursery schools operated by elementary school
18 systems or secondary level school units or institutions of
19 higher learning.

14 Except for actions involving the ground numbered (26), all
15 proceedings to suspend, revoke, place on probationary status,
16 or take any other disciplinary action as the Department may
17 deem proper, with regard to a license on any of the foregoing
18 grounds, must be commenced within 5 years next after receipt by
19 the Department of a complaint alleging the commission of or
20 notice of the conviction order for any of the acts described
21 herein. Except for the grounds numbered (8), (9), (26), and
22 (29), no action shall be commenced more than 10 years after the
23 date of the incident or act alleged to have violated this
24 Section. For actions involving the ground numbered (26), a
25 pattern of practice or other behavior includes all incidents
26 alleged to be part of the pattern of practice or other behavior

1 that occurred or a report pursuant to Section 23 of this Act
2 received within the 10-year period preceding the filing of the

4 of action in favor of the claimant or the reduction to final
5 judgment of any civil action in favor of the plaintiff, such
6 claim, cause of action or civil action being grounded on the
7 allegation that a person licensed under this Act was negligent
8 in providing care, the Department shall have an additional
9 period of 2 years from the date of notification to the
10 Department under Section 23 of this Act of such settlement or
11 final judgment in which to investigate and commence formal
12 disciplinary proceedings under Section 36 of this Act, except
13 as otherwise provided by law. The time during which the holder
14 of the license was outside the State of Illinois shall not be
15 included within any period of time limiting the commencement of
16 disciplinary action by the Department.

17 The entry of an order or judgment by any circuit court
18 establishing that any person holding a license under this Act
19 is a person in need of mental treatment operates as a
20 suspension of that license. That person may resume their
21 practice only upon the entry of a Departmental order based upon
22 a finding by the Medical Disciplinary Board that they have been
23 determined to be recovered from mental illness by the court and
24 upon the Disciplinary Board's recommendation that they be
25 permitted to resume their practice.

26 The Department may refuse to issue or take disciplinary

1 action concerning the license of any person who fails to file a
2 return, or to pay the tax, penalty or interest shown in a filed
3 return, or to pay any final assessment of tax, penalty or
4 interest, as required by any tax Act administered by the
5 Illinois Department of Revenue, until such time as the
6 requirements of any such tax Act are satisfied as determined by
7 the Illinois Department of Revenue.

8 The Department, upon the recommendation of the
9 Disciplinary Board, shall adopt rules which set forth standards
10 to be used in determining:

11 (a) when a person will be deemed sufficiently
12 rehabilitated to warrant the public trust;

13 (b) what constitutes dishonorable, unethical or
14 unprofessional conduct of a character likely to deceive,
15 defraud, or harm the public;

16 (c) what constitutes immoral conduct in the commission
17 of any act, including, but not limited to, commission of an
18 act of sexual misconduct related to the licensee's
19 practice; and

20 (d) what constitutes gross negligence in the practice
21 of medicine.

22 However, no such rule shall be admissible into evidence in
23 any civil action except for review of a licensing or other
24 disciplinary action under this Act.

25 In enforcing this Section, the Medical Disciplinary Board,
26 upon a showing of a possible violation, may compel any

1 individual licensed to practice under this Act, or who has
2 applied for licensure or a permit pursuant to this Act, to
3 submit to a mental or physical examination, or both, as
4 required by and at the expense of the Department. The examining
5 physician or physicians shall be those specifically designated
6 by the Disciplinary Board. The Medical Disciplinary Board or
7 the Department may order the examining physician to present
8 testimony concerning this mental or physical examination of the
9 licensee or applicant. No information shall be excluded by
10 reason of any common law or statutory privilege relating to
11 communication between the licensee or applicant and the
12 examining physician. The individual to be examined may have, at
13 his or her own expense, another physician of his or her choice
14 present during all aspects of the examination. Failure of any
15 individual to submit to mental or physical examination, when
16 directed, shall be grounds for suspension of his or her license
17 until such time as the individual submits to the examination if
18 the Disciplinary Board finds, after notice and hearing, that
19 the refusal to submit to the examination was without reasonable
20 cause. If the Disciplinary Board finds a physician unable to
21 practice because of the reasons set forth in this Section, the
22 Disciplinary Board shall require such physician to submit to
23 care, counseling, or treatment by physicians approved or
24 designated by the Disciplinary Board, as a condition for
25 continued, reinstated, or renewed licensure to practice. Any
26 physician, whose license was granted pursuant to Sections 9,

1 17, or 19 of this Act, or, continued, reinstated, renewed,
2 disciplined or supervised, subject to such terms, conditions or
3 restrictions who shall fail to comply with such terms,
4 conditions or restrictions, or to complete a required program
5 of care, counseling, or treatment, as determined by the Chief
6 Medical Coordinator or Deputy Medical Coordinators, shall be
7 referred to the Secretary for a determination as to whether the
8 licensee shall have their license suspended immediately,
9 pending a hearing by the Disciplinary Board. In instances in
10 which the Secretary immediately suspends a license under this
11 Section, a hearing upon such person's license must be convened
12 by the Disciplinary Board within 15 days after such suspension
13 and completed without appreciable delay. The Disciplinary
14 Board shall have the authority to review the subject
15 physician's record of treatment and counseling regarding the
16 impairment, to the extent permitted by applicable federal
17 statutes and regulations safeguarding the confidentiality of
18 medical records.

19 An individual licensed under this Act, affected under this
20 Section, shall be afforded an opportunity to demonstrate to the
21 Disciplinary Board that they can resume practice in compliance
22 with acceptable and prevailing standards under the provisions
23 of their license.

24 The Department may promulgate rules for the imposition of
25 fines in disciplinary cases, not to exceed \$10,000 for each
26 violation of this Act. Fines may be imposed in conjunction with

1 other forms of disciplinary action, but shall not be the
2 exclusive disposition of any disciplinary action arising out of
3 conduct resulting in death or injury to a patient. Any funds
4 collected from such fines shall be deposited in the Medical
5 Disciplinary Fund.

6 (B) The Department shall revoke the license or visiting
7 permit of any person issued under this Act to practice medicine
8 or to treat human ailments without the use of drugs and without
9 operative surgery, who has been convicted a second time of
10 committing any felony under the Illinois Controlled Substances
11 Act or the Methamphetamine Control and Community Protection
12 Act, or who has been convicted a second time of committing a
13 Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois
14 Public Aid Code. A person whose license or visiting permit is
15 revoked under this subsection B of Section 22 of this Act shall
16 be prohibited from practicing medicine or treating human
17 ailments without the use of drugs and without operative
18 surgery.

19 (C) The Medical Disciplinary Board shall recommend to the
20 Department civil penalties and any other appropriate
21 discipline in disciplinary cases when the Board finds that a
22 physician willfully performed an abortion with actual
23 knowledge that the person upon whom the abortion has been
24 performed is a minor or an incompetent person without notice as
25 required under the Parental Notice of Abortion Act of 1995.
26 Upon the Board's recommendation, the Department shall impose,

1 for the first violation, a civil penalty of \$1,000 and for a
2 second or subsequent violation, a civil penalty of \$5,000.

8 Section 80. The Sexual Assault Survivors Emergency
9 Treatment Act is amended by changing Sections 2.2, 5, and 5.5
10 as follows:

11 (410 ILCS 70/2.2)

12 Sec. 2.2. Emergency contraception.

13 (a) The General Assembly finds:

14 (1) Crimes of sexual assault and sexual abuse cause
15 significant physical, emotional, and psychological trauma
16 to the victims. This trauma is compounded by a victim's
17 fear of becoming pregnant and bearing a child as a result
18 of the sexual assault.

19 (2) Each year over 32,000 women become pregnant in the
20 United States as the result of rape and approximately 50%
21 of these pregnancies end in abortion.

22 (3) As approved for use by the Federal Food and Drug
23 Administration (FDA), emergency contraception can
24 significantly reduce the risk of pregnancy if taken within

1 72 hours after the sexual assault.

2 (4) By providing emergency contraception to rape
3 victims in a timely manner, the trauma of rape can be
4 significantly reduced.

5 (b) Within 120 days after the effective date of this
6 amendatory Act of the 92nd General Assembly, every hospital
7 providing services to sexual assault survivors in accordance
8 with a plan approved under Section 2 must develop a protocol
9 that ensures that each survivor of sexual assault will receive
10 medically and factually accurate and written and oral
11 information about emergency contraception; the indications and
12 counter-indications and risks associated with the use of
13 emergency contraception; and a description of how and when
14 victims may be provided emergency contraception upon the
15 written order of a physician licensed to practice medicine in
16 all its branches, an advanced practice nurse ~~who has a written~~
17 ~~collaborative agreement with a collaborating physician that~~
18 ~~authorizes prescription of emergency contraception,~~ or a
19 physician assistant who has been delegated authority to
20 prescribe emergency contraception. The Department shall
21 approve the protocol if it finds that the implementation of the
22 protocol would provide sufficient protection for survivors of
23 sexual assault.

24 The hospital shall implement the protocol upon approval by
25 the Department. The Department shall adopt rules and
26 regulations establishing one or more safe harbor protocols and

1 setting minimum acceptable protocol standards that hospitals
2 may develop and implement. The Department shall approve any
3 protocol that meets those standards. The Department may provide
4 a sample acceptable protocol upon request.

23 in a criminal proceeding against a person accused of the
24 sexual assault, or both; and records of the results of such
25 examinations and tests shall be maintained by the hospital

1 and made available to law enforcement officials upon the
2 request of the sexual assault survivor;

3 (2) appropriate oral and written information
4 concerning the possibility of infection, sexually
5 transmitted disease and pregnancy resulting from sexual
6 assault;

7 (3) appropriate oral and written information
8 concerning accepted medical procedures, medication, and
9 possible contraindications of such medication available
10 for the prevention or treatment of infection or disease
11 resulting from sexual assault;

12 (4) an amount of medication for treatment at the
13 hospital and after discharge as is deemed appropriate by
14 the attending physician, an advanced practice nurse, or a

18 of contracting human immunodeficiency virus (HIV) from the
19 sexual assault;

11 emergency department.
