

1 AN ACT concerning health care.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Health Care Justice Act is amended by
5 changing Sections 1, 5, 15, 20, and 25 as follows:

6 (20 ILCS 4045/1)

7 Sec. 1. Short title. This Act may be cited as the Health
8 Care Justice Implementation Act of 2010.

10 (20 ILCS 4045/5)

11 Sec. 5. Legislative findings. The General Assembly
12 recognizes that the U.S. census reported that on any given day
13 an estimated 1,800,000 Illinoisans are without health
14 insurance, ~~and according to a March 2003 Robert Wood Johnson~~
15 ~~study, nearly 30% of the non elderly Illinois population~~
16 ~~(3,122,000) during all or a large part of 2001 or 2002 were~~
17 ~~uninsured; a growing number of Illinoisans are under insured,~~
18 ~~the consumer's share of the cost of health insurance is~~
19 ~~growing, coverage in benefit packages is decreasing, and record~~
20 ~~numbers of consumer complaints are lodged against managed care~~
21 ~~companies regarding access to necessary health care services.~~
22 With new federal health care reform legislation the number of

1 uninsured Illinoisans will decrease dramatically. However,
2 there will still be tens of thousands of uninsured Illinoisans.
3 The General Assembly believes that the State must work in
4 cooperation with the federal government to implement these
5 federal reforms effectively and in a thoughtful and expedited
6 manner ~~to assure access to quality health care for all~~
7 ~~residents of Illinois, and at the same time, the State must~~
8 ~~contain health care costs while maintaining and improving the~~
9 ~~quality of health care.~~

14 ~~acute, and long term health care services;~~

15 ~~(2) maintains and improves the quality of health care~~
16 ~~services offered to Illinois residents;~~

17 ~~(3) provides portability of coverage, regardless of~~
18 ~~employment status;~~

19 ~~(4) provides core benefits for all Illinois residents;~~

20 ~~(5) encourages regional and local consumer~~
21 ~~participation;~~

22 ~~(6) contains cost containment measures;~~

23 ~~(7) provides a mechanism for reviewing and~~
