A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Act on the Aging is amended by  
5 changing Section 4.02 as follows:

6 (20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

7 Sec. 4.02. Community Care Program. The Department shall  
8 establish a program of services to prevent unnecessary  
9 institutionalization of persons age 60 and older in need of  
10 long term care or who are established as persons who suffer  
11 from Alzheimer's disease or a related disorder under the  
12 Alzheimer's Disease Assistance Act, thereby enabling them to  
13 remain in their own homes or in other living arrangements. Such  
14 preventive services, which may be coordinated with other  
15 programs for the aged and monitored by area agencies on aging  
16 in cooperation with the Department, may include, but are not  
17 limited to, any or all of the following:

18 (a) (blank);

19 (b) (blank);

20 (c) home care aide services;

21 (d) personal assistant services;

22 (e) adult day services;

23 (f) home-delivered meals;

- 1 (g) education in self-care;
- 2 (h) personal care services;
- 3 (i) adult day health services;
- 4 (j) habilitation services;
- 5 (k) respite care;
- 6 (k-5) community reintegration services;
- 7 (k-6) flexible senior services;
- 8 (k-7) medication management;
- 9 (k-8) emergency home response;
- 10 (l) other nonmedical social services that may enable
- 11 the person to become self-supporting; or
- 12 (m) clearinghouse for information provided by senior
- 13 citizen home owners who want to rent rooms to or share
- 14 living space with other senior citizens.

15 The Department shall establish eligibility standards for

16 such services taking into consideration the unique economic and

17 social needs of the target population for whom they are to be

18 provided. Such eligibility standards shall be based on the

19 recipient's ability to pay for services; provided, however,

20 that in determining the amount and nature of services for which

21 a person may qualify, consideration shall not be given to the

22 value of cash, property or other assets held in the name of the

23 person's spouse pursuant to a written agreement dividing

24 marital property into equal but separate shares or pursuant to

25 a transfer of the person's interest in a home to his spouse,

26 provided that the spouse's share of the marital property is not

1 made available to the person seeking such services.

2 Beginning July 1, 2002, the Department shall require as a  
3 condition of eligibility that all financially eligible  
4 applicants apply for medical assistance under Article V of the  
5 Illinois Public Aid Code in accordance with rules promulgated  
6 by the Department.

7 Beginning January 1, 2008, the Department shall require as  
8 a condition of eligibility that all new financially eligible  
9 applicants apply for and enroll in medical assistance under  
10 Article V of the Illinois Public Aid Code in accordance with  
11 rules promulgated by the Department.

12 The Department shall, in conjunction with the Department of  
13 Public Aid (now Department of Healthcare and Family Services),  
14 seek appropriate amendments under Sections 1915 and 1924 of the  
15 Social Security Act. The purpose of the amendments shall be to  
16 extend eligibility for home and community based services under  
17 Sections 1915 and 1924 of the Social Security Act to persons  
18 who transfer to or for the benefit of a spouse those amounts of  
19 income and resources allowed under Section 1924 of the Social  
20 Security Act. Subject to the approval of such amendments, the  
21 Department shall extend the provisions of Section 5-4 of the  
22 Illinois Public Aid Code to persons who, but for the provision  
23 of home or community-based services, would require the level of  
24 care provided in an institution, as is provided for in federal  
25 law. Those persons no longer found to be eligible for receiving  
26 noninstitutional services due to changes in the eligibility

1 criteria shall be given 60 days notice prior to actual  
2 termination. Those persons receiving notice of termination may  
3 contact the Department and request the determination be  
4 appealed at any time during the 60 day notice period. With the  
5 exception of the lengthened notice and time frame for the  
6 appeal request, the appeal process shall follow the normal  
7 procedure. In addition, each person affected regardless of the  
8 circumstances for discontinued eligibility shall be given  
9 notice and the opportunity to purchase the necessary services  
10 through the Community Care Program. If the individual does not  
11 elect to purchase services, the Department shall advise the  
12 individual of alternative services. The target population  
13 identified for the purposes of this Section are persons age 60  
14 and older with an identified service need. Priority shall be  
15 given to those who are at imminent risk of  
16 institutionalization. The services shall be provided to  
17 eligible persons age 60 and older to the extent that the cost  
18 of the services together with the other personal maintenance  
19 expenses of the persons are reasonably related to the standards  
20 established for care in a group facility appropriate to the  
21 person's condition. These non-institutional services, pilot  
22 projects or experimental facilities may be provided as part of  
23 or in addition to those authorized by federal law or those  
24 funded and administered by the Department of Human Services.  
25 The Departments of Human Services, Healthcare and Family  
26 Services, Public Health, Veterans' Affairs, and Commerce and

1 Economic Opportunity and other appropriate agencies of State,  
2 federal and local governments shall cooperate with the  
3 Department on Aging in the establishment and development of the  
4 non-institutional services. The Department shall require an  
5 annual audit from all personal assistant and home care aide  
6 vendors contracting with the Department under this Section. The  
7 annual audit shall assure that each audited vendor's procedures  
8 are in compliance with Department's financial reporting  
9 guidelines requiring an administrative and employee wage and  
10 benefits cost split as defined in administrative rules. The  
11 audit is a public record under the Freedom of Information Act.  
12 The Department shall execute, relative to the nursing home  
13 prescreening project, written inter-agency agreements with the  
14 Department of Human Services and the Department of Healthcare  
15 and Family Services, to effect the following: (1) intake  
16 procedures and common eligibility criteria for those persons  
17 who are receiving non-institutional services; and (2) the  
18 establishment and development of non-institutional services in  
19 areas of the State where they are not currently available or  
20 are undeveloped. On and after July 1, 1996, all nursing home  
21 prescreenings for individuals 60 years of age or older shall be  
22 conducted by the Department.

23 As part of the Department on Aging's routine training of  
24 case managers and case manager supervisors, the Department may  
25 include information on family futures planning for persons who  
26 are age 60 or older and who are caregivers of their adult

1 children with developmental disabilities. The content of the  
2 training shall be at the Department's discretion.

3 The Department is authorized to establish a system of  
4 recipient copayment for services provided under this Section,  
5 such copayment to be based upon the recipient's ability to pay  
6 but in no case to exceed the actual cost of the services  
7 provided. Additionally, any portion of a person's income which  
8 is equal to or less than the federal poverty standard shall not  
9 be considered by the Department in determining the copayment.  
10 The level of such copayment shall be adjusted whenever  
11 necessary to reflect any change in the officially designated  
12 federal poverty standard.

13 The Department, or the Department's authorized  
14 representative, shall recover the amount of moneys expended for  
15 services provided to or in behalf of a person under this  
16 Section by a claim against the person's estate or against the  
17 estate of the person's surviving spouse, but no recovery may be  
18 had until after the death of the surviving spouse, if any, and  
19 then only at such time when there is no surviving child who is  
20 under age 21, blind, or permanently and totally disabled. This  
21 paragraph, however, shall not bar recovery, at the death of the  
22 person, of moneys for services provided to the person or in  
23 behalf of the person under this Section to which the person was  
24 not entitled; provided that such recovery shall not be enforced  
25 against any real estate while it is occupied as a homestead by  
26 the surviving spouse or other dependent, if no claims by other

1 creditors have been filed against the estate, or, if such  
2 claims have been filed, they remain dormant for failure of  
3 prosecution or failure of the claimant to compel administration  
4 of the estate for the purpose of payment. This paragraph shall  
5 not bar recovery from the estate of a spouse, under Sections  
6 1915 and 1924 of the Social Security Act and Section 5-4 of the  
7 Illinois Public Aid Code, who precedes a person receiving  
8 services under this Section in death. All moneys for services  
9 paid to or in behalf of the person under this Section shall be  
10 claimed for recovery from the deceased spouse's estate.  
11 "Homestead", as used in this paragraph, means the dwelling  
12 house and contiguous real estate occupied by a surviving spouse  
13 or relative, as defined by the rules and regulations of the  
14 Department of Healthcare and Family Services, regardless of the  
15 value of the property.

16 The Department shall increase the effectiveness of the  
17 existing Community Care Program by:

18 (1) ensuring that in-home services included in the care  
19 plan are available on evenings and weekends;

20 (2) ensuring that care plans contain the services that  
21 eligible participants need based on the number of days in a  
22 month, not limited to specific blocks of time, as  
23 identified by the comprehensive assessment tool selected  
24 by the Department for use statewide, not to exceed the  
25 total monthly service cost maximum allowed for each  
26 service; the Department shall develop administrative rules

1 to implement this item (2);

2 (3) ensuring that the participants have the right to  
3 choose the services contained in their care plan and to  
4 direct how those services are provided, based on  
5 administrative rules established by the Department;

6 (4) ensuring that the determination of need tool is  
7 accurate in determining the participants' level of need; to  
8 achieve this, the Department, in conjunction with the Older  
9 Adult Services Advisory Committee, shall institute a study  
10 of the relationship between the Determination of Need  
11 scores, level of need, service cost maximums, and the  
12 development and utilization of service plans no later than  
13 May 1, 2008; findings and recommendations shall be  
14 presented to the Governor and the General Assembly no later  
15 than January 1, 2009; recommendations shall include all  
16 needed changes to the service cost maximums schedule and  
17 additional covered services;

18 (5) ensuring that homemakers can provide personal care  
19 services that may or may not involve contact with clients,  
20 including but not limited to:

21 (A) bathing;

22 (B) grooming;

23 (C) toileting;

24 (D) nail care;

25 (E) transferring;

26 (F) respiratory services;

1 (G) exercise; or

2 (H) positioning;

3 (6) ensuring that homemaker program vendors are not  
4 restricted from hiring homemakers who are family members of  
5 clients or recommended by clients; the Department may not,  
6 by rule or policy, require homemakers who are family  
7 members of clients or recommended by clients to accept  
8 assignments in homes other than the client; ~~and~~

9 (7) ensuring that the State may access maximum federal  
10 matching funds by seeking approval for the Centers for  
11 Medicare and Medicaid Services for modifications to the  
12 State's home and community based services waiver and  
13 additional waiver opportunities in order to maximize  
14 federal matching funds; this shall include, but not be  
15 limited to, modification that reflects all changes in the  
16 Community Care Program services and all increases in the  
17 services cost maximum; and -

18 (8) ensuring that the determination of need tool  
19 accurately reflects the service needs of individuals with  
20 Alzheimer's disease and related dementia disorders.

21 By January 1, 2009 or as soon after the end of the Cash and  
22 Counseling Demonstration Project as is practicable, the  
23 Department may, based on its evaluation of the demonstration  
24 project, promulgate rules concerning personal assistant  
25 services, to include, but need not be limited to,  
26 qualifications, employment screening, rights under fair labor

1 standards, training, fiduciary agent, and supervision  
2 requirements. All applicants shall be subject to the provisions  
3 of the Health Care Worker Background Check Act.

4 The Department shall develop procedures to enhance  
5 availability of services on evenings, weekends, and on an  
6 emergency basis to meet the respite needs of caregivers.  
7 Procedures shall be developed to permit the utilization of  
8 services in successive blocks of 24 hours up to the monthly  
9 maximum established by the Department. Workers providing these  
10 services shall be appropriately trained.

11 Beginning on the effective date of this Amendatory Act of  
12 1991, no person may perform chore/housekeeping and home care  
13 aide services under a program authorized by this Section unless  
14 that person has been issued a certificate of pre-service to do  
15 so by his or her employing agency. Information gathered to  
16 effect such certification shall include (i) the person's name,  
17 (ii) the date the person was hired by his or her current  
18 employer, and (iii) the training, including dates and levels.  
19 Persons engaged in the program authorized by this Section  
20 before the effective date of this amendatory Act of 1991 shall  
21 be issued a certificate of all pre- and in-service training  
22 from his or her employer upon submitting the necessary  
23 information. The employing agency shall be required to retain  
24 records of all staff pre- and in-service training, and shall  
25 provide such records to the Department upon request and upon  
26 termination of the employer's contract with the Department. In

1 addition, the employing agency is responsible for the issuance  
2 of certifications of in-service training completed to their  
3 employees.

4 The Department is required to develop a system to ensure  
5 that persons working as home care aides and personal assistants  
6 receive increases in their wages when the federal minimum wage  
7 is increased by requiring vendors to certify that they are  
8 meeting the federal minimum wage statute for home care aides  
9 and personal assistants. An employer that cannot ensure that  
10 the minimum wage increase is being given to home care aides and  
11 personal assistants shall be denied any increase in  
12 reimbursement costs.

13 The Community Care Program Advisory Committee is created in  
14 the Department on Aging. The Director shall appoint individuals  
15 to serve in the Committee, who shall serve at their own  
16 expense. Members of the Committee must abide by all applicable  
17 ethics laws. The Committee shall advise the Department on  
18 issues related to the Department's program of services to  
19 prevent unnecessary institutionalization. The Committee shall  
20 meet on a bi-monthly basis and shall serve to identify and  
21 advise the Department on present and potential issues affecting  
22 the service delivery network, the program's clients, and the  
23 Department and to recommend solution strategies. Persons  
24 appointed to the Committee shall be appointed on, but not  
25 limited to, their own and their agency's experience with the  
26 program, geographic representation, and willingness to serve.

1 The Director shall appoint members to the Committee to  
2 represent provider, advocacy, policy research, and other  
3 constituencies committed to the delivery of high quality home  
4 and community-based services to older adults. Representatives  
5 shall be appointed to ensure representation from community care  
6 providers including, but not limited to, adult day service  
7 providers, homemaker providers, case coordination and case  
8 management units, emergency home response providers, statewide  
9 trade or labor unions that represent home care aides and direct  
10 care staff, area agencies on aging, adults over age 60,  
11 membership organizations representing older adults, and other  
12 organizational entities, providers of care, or individuals  
13 with demonstrated interest and expertise in the field of home  
14 and community care as determined by the Director.

15 Nominations may be presented from any agency or State  
16 association with interest in the program. The Director, or his  
17 or her designee, shall serve as the permanent co-chair of the  
18 advisory committee. One other co-chair shall be nominated and  
19 approved by the members of the committee on an annual basis.  
20 Committee members' terms of appointment shall be for 4 years  
21 with one-quarter of the appointees' terms expiring each year. A  
22 member shall continue to serve until his or her replacement is  
23 named. The Department shall fill vacancies that have a  
24 remaining term of over one year, and this replacement shall  
25 occur through the annual replacement of expiring terms. The  
26 Director shall designate Department staff to provide technical

1 assistance and staff support to the committee. Department  
2 representation shall not constitute membership of the  
3 committee. All Committee papers, issues, recommendations,  
4 reports, and meeting memoranda are advisory only. The Director,  
5 or his or her designee, shall make a written report, as  
6 requested by the Committee, regarding issues before the  
7 Committee.

8 The Department on Aging and the Department of Human  
9 Services shall cooperate in the development and submission of  
10 an annual report on programs and services provided under this  
11 Section. Such joint report shall be filed with the Governor and  
12 the General Assembly on or before September 30 each year.

13 The requirement for reporting to the General Assembly shall  
14 be satisfied by filing copies of the report with the Speaker,  
15 the Minority Leader and the Clerk of the House of  
16 Representatives and the President, the Minority Leader and the  
17 Secretary of the Senate and the Legislative Research Unit, as  
18 required by Section 3.1 of the General Assembly Organization  
19 Act and filing such additional copies with the State Government  
20 Report Distribution Center for the General Assembly as is  
21 required under paragraph (t) of Section 7 of the State Library  
22 Act.

23 Those persons previously found eligible for receiving  
24 non-institutional services whose services were discontinued  
25 under the Emergency Budget Act of Fiscal Year 1992, and who do  
26 not meet the eligibility standards in effect on or after July

1 1, 1992, shall remain ineligible on and after July 1, 1992.  
2 Those persons previously not required to cost-share and who  
3 were required to cost-share effective March 1, 1992, shall  
4 continue to meet cost-share requirements on and after July 1,  
5 1992. Beginning July 1, 1992, all clients will be required to  
6 meet eligibility, cost-share, and other requirements and will  
7 have services discontinued or altered when they fail to meet  
8 these requirements.

9 For the purposes of this Section, "flexible senior  
10 services" refers to services that require one-time or periodic  
11 expenditures including, but not limited to, respite care, home  
12 modification, assistive technology, housing assistance, and  
13 transportation.
