Sec. 6-106.1a. Cancellation of school bus driver permit;

(a) A person who has been issued a school bus driver permit 3 by the Secretary of State in accordance with Section 6-106.1 of 4 5 this Code and who drives or is in actual physical control of a 6 school bus or any other vehicle owned or operated by or for a 7 public or private school, or a school operated by a religious 8 institution, when the vehicle is being used over a regularly 9 scheduled route for the transportation of persons enrolled as 10 students in grade 12 or below, in connection with any activity 11 of the entities listed, upon the public highways of this State 12 shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining 13 14 the alcohol content of the person's blood if arrested, as 15 evidenced by the issuance of a Uniform Traffic Ticket for any 16 violation of this Code or a similar provision of a local 17 ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic 18 19 beverage based upon evidence of the driver's physical condition 20 or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of 21 the 22 arresting officer. The law enforcement agency employing the 23 officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a 24 25 blood or breath test or both has been administered.

in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

5 (1) Chemical analysis of the person's blood, urine, breath, or other substance, to be considered valid under 6 7 the provisions of this Section, shall have been performed 8 according to standards promulgated by the Department of 9 State Police by an individual possessing a valid permit 10 issued by the Department of State Police for this purpose. 11 The Director of State Police is authorized to approve 12 satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct 13 14 analyses, to issue permits that shall be subject to 15 termination or revocation at the direction of the 16 Department of State Police, and to certify the accuracy of 17 breath testing equipment. The Department of State Police 18 shall prescribe rules as necessary.

19 (2) When a person submits to a blood test at the 20 request of a law enforcement officer under the provisions 21 of this Section, only a physician authorized to practice 22 medicine, a registered nurse, or other qualified person 23 trained in venipuncture and acting under the direction of a 24 licensed physician may withdraw blood for the purpose of 25 determining the alcohol content. This limitation does not 26 apply to the taking of breath or urine specimens.

1 (3) The person tested may have a physician, qualified 2 technician, chemist, registered nurse, or other qualified 3 person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered 4 5 at the direction of a law enforcement officer. The test 6 administered at the request of the person may be admissible 7 into evidence at a hearing conducted in accordance with 8 Section 2-118 of this Code. The failure or inability to 9 obtain an additional test by a person shall not preclude 10 the consideration of the previously performed chemical 11 test.

12 (4) Upon a request of the person who submits to a 13 chemical test or tests at the request of a law enforcement 14 officer, full information concerning the test or tests 15 shall be made available to the person or that person's 16 attorney by the requesting law enforcement agency within 72 17 hours of receipt of the test result.

18 (5) Alcohol concentration means either grams of
19 alcohol per 100 milliliters of blood or grams of alcohol
20 per 210 liters of breath.

(6) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon SB3732 Enrolled - 8 - LRB096 20624 AJT 36335 b

the specific request of a law enforcement officer. However, 1 that testing shall not be performed until, in the opinion 2 3 of the medical personnel on scene, the withdrawal can be made without interfering with 4 or endangering the 5 well-being of the patient.

(c) A person requested to submit to a test as provided in 6 7 this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or 8 9 submission to the test resulting in an alcohol concentration of 10 more than 0.00, may result in the loss of that person's 11 privilege to possess a school bus driver permit. The loss of 12 the individual's privilege to possess a school bus driver permit shall be imposed in accordance with Section 6-106.1b of 13 this Code. 14

15 (d) If the person refuses testing or submits to a test that 16 discloses an alcohol concentration of more than 0.00, the law 17 enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of 18 19 State certifying that the test or tests were requested under 20 subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol 21 22 concentration of more than 0.00. The law enforcement officer 23 shall submit the same sworn report when a person who has been 24 issued a school bus driver permit and who was operating a 25 school bus or any other vehicle owned or operated by or for a 26 public or private school, or a school operated by a religious SB3732 Enrolled - 9 - LRB096 20624 AJT 36335 b

institution, when the vehicle is being used over a regularly 1 2 scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity 3 of the entities listed, submits to testing under Section 4 5 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than the alcohol 6 7 concentration at which driving or being in actual physical control of a motor vehicle is prohibited under paragraph (1) of 8 9 subsection (a) of Section 11-501.

10 Upon receipt of the sworn report of a law enforcement 11 officer, the Secretary of State shall enter the school bus 12 driver permit sanction on the individual's driving record and 13 the sanction shall be effective on the 46th day following the 14 date notice of the sanction was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this school bus driver permit sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 19 20 0.00 is established by a subsequent analysis of blood or urine, 21 the police officer or arresting agency shall give notice as 22 provided in this Section or by deposit in the United States 23 mail of that notice in an envelope with postage prepaid and 24 addressed to that person at his or her last known address and 25 the loss of the school bus driver permit shall be effective on 26 the 46th day following the date notice was given.

SB3732 Enrolled - 10 - LRB096 20624 AJT 36335 b

Upon receipt of the sworn report of a law enforcement 1 2 officer, the Secretary of State shall also give notice of the 3 school bus driver permit sanction to the driver and the driver's current employer by mailing a notice of the effective 4 5 date of the sanction to the individual. However, shall the sworn report be defective by not containing sufficient 6 7 information or be completed in error, the notice of the school 8 bus driver permit sanction may not be mailed to the person or 9 his current employer or entered to the driving record, but 10 rather the sworn report shall be returned to the issuing law 11 enforcement agency.

12 (e) A driver may contest this school bus driver permit 13 sanction by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this 14 15 Code. An individual whose blood alcohol concentration is shown 16 to be more than 0.00 is not subject to this Section if he or she 17 consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is 18 19 shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only 20 from ingestion of the prescribed or recommended dosage of 21 22 medicine that contained alcohol. The petition for that hearing 23 shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the 24 25 issues of:

26

(1) whether the police officer had probable cause to

12 (2) whether the person was issued a Uniform Traffic
13 Ticket for any violation of this Code or a similar
14 provision of a local ordinance; and

15 (3) whether the police officer had probable cause to 16 believe that the driver had consumed any amount of an 17 alcoholic beverage based upon the driver's physical 18 actions or other first-hand knowledge of the police 19 officer; and

(4) whether the person, after being advised by the officer that the privilege to possess a school bus driver permit would be canceled if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

26

(5) whether the person, after being advised by the

officer that the privileges to possess a school bus driver permit would be canceled if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00 and the person did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

7 (6) whether the test result of an alcohol concentration 8 of more than 0.00 was based upon the person's consumption 9 of alcohol in the performance of a religious service or 10 ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

The Secretary of State may adopt administrative rules setting forth circumstances under which the holder of a school bus driver permit is not required to appear in person at the hearing.

19 Provided that the petitioner may subpoen athe officer, the 20 hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to 21 22 answer the subpoena shall be grounds for a continuance if, in 23 hearing officer's discretion, the the continuance is 24 appropriate. At the conclusion of the hearing held under 25 Section 2-118 of this Code, the Secretary of State may rescind, 26 continue, or modify the school bus driver permit sanction.

The results of any chemical testing performed in 1 (f) 2 accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the 3 results of the testing may be considered at a hearing held 4 5 under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions 6 under Section 11-501.1 of this Code. A law enforcement officer 7 8 may, however, pursue a statutory summary suspension or 9 revocation of driving privileges under Section 11-501.1 of this 10 Code if other physical evidence or first hand knowledge forms 11 the basis of that suspension or revocation.

(g) This Section applies only to drivers who have been issued a school bus driver permit in accordance with Section 6-106.1 of this Code at the time of the issuance of the Uniform Traffic Ticket for a violation of this Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, 18 19 revoking, canceling, or denying any license, permit, 20 registration, or certificate of title shall be subject to judicial review in the Circuit Court of Sangamon County or in 21 22 the Circuit Court of Cook County, and the provisions of the 23 Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review 24 25 of final acts or decisions of the Secretary of State under this 26 Section.

20 Sec. 11-501.8. Suspension of driver's license; persons 21 under age 21.

(a) A person who is less than 21 years of age and who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine SB3732 Enrolled - 82 - LRB096 20624 AJT 36335 b

for the purpose of determining the alcohol content of the 1 2 person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois 3 Vehicle Code or a similar provision of a local ordinance, if a 4 5 police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon 6 7 evidence of the driver's physical condition or other first hand 8 knowledge of the police officer. The test or tests shall be 9 administered at the direction of the arresting officer. The law 10 enforcement agency employing the officer shall designate which 11 of the aforesaid tests shall be administered. A urine test may 12 be administered even after a blood or breath test or both has been administered. 13

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

19 (i) Chemical analysis of the person's blood, urine, 20 breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been 21 22 performed according to standards promulgated by the 23 Department of State Police by an individual possessing a 24 valid permit issued by that Department for this purpose. 25 The Director of State Police is authorized to approve 26 satisfactory techniques or methods, to ascertain the

qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

7 (ii) When a person submits to a blood test at the 8 request of a law enforcement officer under the provisions 9 of this Section, only a physician authorized to practice 10 medicine, a registered nurse, or other qualified person 11 trained in venipuncture and acting under the direction of a 12 licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation 13 14 does not apply to the taking of breath or urine specimens.

15 (iii) The person tested may have a physician, qualified 16 technician, chemist, registered nurse, or other qualified 17 person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered 18 at the direction of a law enforcement officer. The failure 19 20 or inability to obtain an additional test by a person shall 21 not preclude the consideration of the previously performed 22 chemical test.

(iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's SB3732 Enrolled

5 (vi) If a driver is receiving medical treatment as a 6 result of a motor vehicle accident, a physician licensed to 7 practice medicine, registered nurse, or other qualified 8 person trained in venipuncture and acting under the 9 direction of a licensed physician shall withdraw blood for 10 testing purposes to ascertain the presence of alcohol upon 11 the specific request of a law enforcement officer. However, 12 that testing shall not be performed until, in the opinion 13 of the medical personnel on scene, the withdrawal can be 14 made without interfering with or endangering the 15 well-being of the patient.

16 (c) A person requested to submit to a test as provided 17 above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to 18 19 the test resulting in an alcohol concentration of more than 20 0.00, may result in the loss of that person's privilege to 21 operate a motor vehicle and may result in the disqualification 22 of the person's privilege to operate a commercial motor 23 vehicle, as provided in Section 6-514 of this Code, if the 24 person is a CDL holder. The loss of driving privileges shall be 25 imposed in accordance with Section 6-208.2 of this Code.

26

(d) If the person refuses testing or submits to a test that
