SENATE RESOLUTION

WHEREAS, High-speed rail is an efficient and environmentally friendly means of transportation; and

WHEREAS, The State must be prepared to design, build, finance, and maintain a high-speed rail system for the benefit of the State's citizens; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Illinois and Midwest High-Speed Rail Commission is created for the purpose of recommending the best governmental structure for a public-private partnership to design, build, operate, maintain, and finance a high-speed rail system for Illinois and the Midwest; and be it further

RESOLVED, That the Commission shall be composed of 19 members as follows:

- (1) 10 public members appointed by the Governor;
- (2) 3 members of the Illinois House of Representatives, 2 appointed by the Speaker of the House and one appointed by the House Minority Leader;
- (3) 3 members of the Illinois Senate, 2 appointed by the Senate President and one appointed by the Senate Minority Leader; and

- 1 (4) 3 ex-officio members as follows:
- 2 (A) the Illinois Secretary of Transportation;
- 3 (B) the Executive Director of the Illinois
- 4 Commerce Commission; and
- 5 (C) the Executive Director of the Illinois State
- 6 Toll Highway Authority; and be it further

7 RESOLVED, That a person appointed as a public member of the

8 Commission must be a resident of this State; public members of

9 the Commission must include the following: (i) local elected

10 officials who have expressed interest in high-speed rail, (ii)

11 former elected officials with transportation policy expertise,

12 (iii) individuals with professional expertise in long-term

13 financing of infrastructure, and (iv) individuals with

14 expertise in transportation or railroad infrastructure

15 projects; and be it further

16 RESOLVED, That the appointed members shall reflect the

17 geographic diversity of the State and shall include

18 representation from all regions of the State; and be it further

19 RESOLVED, That the Governor shall designate one public

20 member of the Commission to serve as the chair of the

21 Commission and one public member to serve as the vice-chair of

22 the Commission; and be it further

1           RESOLVED, That a member of the Commission is not entitled  
2 to compensation but is entitled to reimbursement for the travel  
3 expenses incurred by the member while transacting Commission  
4 business; and be it further

5           RESOLVED, That the Commission shall meet at least monthly  
6 at the times and places in this State that the chair  
7 designates; members may participate in Commission meetings by  
8 teleconference or video conference; and be it further

9           RESOLVED, That a majority of the members of the Commission  
10 constitute a quorum for transacting Commission business; and be  
11 it further

12           RESOLVED, That the Commission shall prepare and issue a  
13 report to the Governor, the General Assembly, and the public by  
14 December 31, 2010, recommending the best governmental  
15 structure for a public-private partnership to design, build,  
16 operate, maintain, and finance a high-speed rail system for  
17 Illinois and the Midwest; and be it further

18           RESOLVED, That the report must include the following: (i)  
19 recommendations for legislation, if statutory change is  
20 required, or specific administrative regulations, if  
21 regulatory change is required, to implement the recommended  
22 high-speed rail system; (ii) sources for the funding of a

1 high-speed rail system including private sources of capital and  
2 revenue bonds; (iii) recommendations for integrating the  
3 high-speed rail system into existing and planned Amtrak  
4 expansions, airports, and public transportation systems; and  
5 (iv) recommendations for federal, State, and local actions for  
6 the development and implementation of a high-speed rail system;  
7 and be it further

8       RESOLVED, That the Commission shall develop a process to  
9 receive public and stakeholder input on opinions and proposals  
10 for building, designing, maintaining, operating, and financing  
11 a high-speed rail system for Illinois and the Midwest; the  
12 process must include the solicitation and receipt of formal  
13 expressions of interest and other testimony from global  
14 high-speed rail operators including without limitation Amtrak;  
15 and be it further

16       RESOLVED, That the Commission shall solicit and receive  
17 formal testimony, both written and oral, from representatives  
18 of the other states in the Midwest including without limitation  
19 representatives from units of local government; and be it  
20 further

21       RESOLVED, That the Commission shall work collaboratively  
22 with the Illinois Department of Transportation on any planning  
23 projects for high-speed rail administered by the Department to

1 comply with federal high-speed rail requirements including  
2 without limitation the solicitation of public input and  
3 comments; and be it further

4 RESOLVED, That the Illinois Department of Transportation  
5 shall provide administrative and other support to the  
6 Commission; and be it further

7 RESOLVED, That the members of the Commission shall be  
8 reimbursed for their travel expenses from appropriations to the  
9 Illinois Department of Transportation available for that  
10 purpose and subject to the rules of the appropriate travel  
11 control board.
