1 AMENDMENT TO HOUSE BILL 404

2 AMENDMENT NO. _____. Amend House Bill 404, AS AMENDED,
3 with reference to page and line numbers of House Amendment No.
4 1 as follows:

5 by replacing line 26 on page 10 through line 16 on page 12 with
6 the following:

7 "(e) Prior to recommending the plan to the county board,
8 the stormwater management planning committee shall hold at
9 least one public hearing thereon and shall afford interested
10 persons an opportunity to be heard. The hearing shall be held
11 in the county seat. Notice of the hearing shall be published at
12 least once no less than 15 days in advance thereof in a
13 newspaper of general circulation published in the county. The
14 notice shall state the time and place of the hearing and the
15 place where copies of the proposed plan will be accessible for
16 examination by interested parties. If an affected municipality
17 having a stormwater management plan adopted by ordinance wishes

1 to protest the proposed county plan provisions, it shall appear
2 at the hearing and submit in writing specific proposals to the
3 stormwater management planning committee. After consideration
4 of the matters raised at the hearing, the committee may amend
5 or approve the plan and recommend it to the county board for
6 adoption.

7 The county board may enact the proposed plan by ordinance.
8 If the proposals for modification of the plan made by an
9 affected municipality having a stormwater management plan are
10 not included in the proposed county plan, and the municipality
11 affected by the plan opposes adoption of the county plan by
12 resolution of its corporate authorities, approval of the county
13 plan shall require an affirmative vote of at least two-thirds
14 of the county board members present and voting. If the county
15 board wishes to amend the county plan, it shall submit in
16 writing specific proposals to the stormwater management
17 planning committee. If the proposals are not approved by the
18 committee, or are opposed by resolution of the corporate
19 authorities of an affected municipality having a municipal
20 stormwater management plan, amendment of the plan shall require
21 an affirmative vote of at least two-thirds of the county board
22 members present and voting.

23 (f) The county board may prescribe by ordinance reasonable
24 rules and regulations for floodplain management and for
25 governing the location, width, course and release rate of all
26 stormwater runoff channels, streams and basins in the county,

1 in accordance with the adopted stormwater management plan.
2 These rules and regulations shall, at a minimum, meet the
3 standards for floodplain management established by the Office
4 of Water Resources and the requirements of the Federal
5 Emergency Management Agency for participation in the National
6 Flood Insurance Program."; and

7 on page 18, by deleting lines 12 through 14.
