

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by changing
5 Sections 11-501.1 and 11-501.2 as follows:

6 (625 ILCS 5/11-501.1)

7 (Text of Section before amendment by P.A. 96-1344)

8 Sec. 11-501.1. Suspension of drivers license; statutory
9 summary alcohol, other drug or drugs, or intoxicating compound
10 or compounds related suspension; implied consent.

11 (a) Any person who drives or is in actual physical control
12 of a motor vehicle upon the public highways of this State shall
13 be deemed to have given consent, subject to the provisions of
14 Section 11-501.2, to a chemical test or tests of blood, breath,
15 or urine for the purpose of determining the content of alcohol,
16 other drug or drugs, or intoxicating compound or compounds or
17 any combination thereof in the person's blood if arrested, as
18 evidenced by the issuance of a Uniform Traffic Ticket, for any
19 offense as defined in Section 11-501 or a similar provision of
20 a local ordinance, or if arrested for violating Section 11-401.
21 If a law enforcement officer has probable cause to believe the
22 person was under the influence of alcohol, other drug or drugs,
23 intoxicating compound or compounds, or any combination

1 thereof, the law enforcement officer shall request a chemical
2 test or tests which ~~The test or tests~~ shall be administered at
3 the direction of the arresting officer. The law enforcement
4 agency employing the officer shall designate which of the
5 aforesaid tests shall be administered. A urine test may be
6 administered even after a blood or breath test or both has been
7 administered. For purposes of this Section, an Illinois law
8 enforcement officer of this State who is investigating the
9 person for any offense defined in Section 11-501 may travel
10 into an adjoining state, where the person has been transported
11 for medical care, to complete an investigation and to request
12 that the person submit to the test or tests set forth in this
13 Section. The requirements of this Section that the person be
14 arrested are inapplicable, but the officer shall issue the
15 person a Uniform Traffic Ticket for an offense as defined in
16 Section 11-501 or a similar provision of a local ordinance
17 prior to requesting that the person submit to the test or
18 tests. The issuance of the Uniform Traffic Ticket shall not
19 constitute an arrest, but shall be for the purpose of notifying
20 the person that he or she is subject to the provisions of this
21 Section and of the officer's belief of the existence of
22 probable cause to arrest. Upon returning to this State, the
23 officer shall file the Uniform Traffic Ticket with the Circuit
24 Clerk of the county where the offense was committed, and shall
25 seek the issuance of an arrest warrant or a summons for the
26 person.

1 (b) Any person who is dead, unconscious, or who is
2 otherwise in a condition rendering the person incapable of
3 refusal, shall be deemed not to have withdrawn the consent
4 provided by paragraph (a) of this Section and the test or tests
5 may be administered, subject to the provisions of Section
6 11-501.2.

7 (c) A person requested to submit to a test as provided
8 above shall be warned by the law enforcement officer requesting
9 the test that a refusal to submit to the test will result in
10 the statutory summary suspension of the person's privilege to
11 operate a motor vehicle, as provided in Section 6-208.1 of this
12 Code, and will also result in the disqualification of the
13 person's privilege to operate a commercial motor vehicle, as
14 provided in Section 6-514 of this Code, if the person is a CDL
15 holder. The person shall also be warned by the law enforcement
16 officer that if the person submits to the test or tests
17 provided in paragraph (a) of this Section and the alcohol
18 concentration in the person's blood or breath is 0.08 or
19 greater, or any amount of a drug, substance, or compound
20 resulting from the unlawful use or consumption of cannabis as
21 covered by the Cannabis Control Act, a controlled substance
22 listed in the Illinois Controlled Substances Act, an
23 intoxicating compound listed in the Use of Intoxicating
24 Compounds Act, or methamphetamine as listed in the
25 Methamphetamine Control and Community Protection Act is
26 detected in the person's blood or urine, a statutory summary

1 suspension of the person's privilege to operate a motor
2 vehicle, as provided in Sections 6-208.1 and 11-501.1 of this
3 Code, and a disqualification of the person's privilege to
4 operate a commercial motor vehicle, as provided in Section
5 6-514 of this Code, if the person is a CDL holder, will be
6 imposed.

7 A person who is under the age of 21 at the time the person
8 is requested to submit to a test as provided above shall, in
9 addition to the warnings provided for in this Section, be
10 further warned by the law enforcement officer requesting the
11 test that if the person submits to the test or tests provided
12 in paragraph (a) of this Section and the alcohol concentration
13 in the person's blood or breath is greater than 0.00 and less
14 than 0.08, a suspension of the person's privilege to operate a
15 motor vehicle, as provided under Sections 6-208.2 and 11-501.8
16 of this Code, will be imposed. The results of this test shall
17 be admissible in a civil or criminal action or proceeding
18 arising from an arrest for an offense as defined in Section
19 11-501 of this Code or a similar provision of a local ordinance
20 or pursuant to Section 11-501.4 in prosecutions for reckless
21 homicide brought under the Criminal Code of 1961. These test
22 results, however, shall be admissible only in actions or
23 proceedings directly related to the incident upon which the
24 test request was made.

25 (d) If the person refuses testing or submits to a test that
26 discloses an alcohol concentration of 0.08 or more, or any

1 amount of a drug, substance, or intoxicating compound in the
2 person's breath, blood, or urine resulting from the unlawful
3 use or consumption of cannabis listed in the Cannabis Control
4 Act, a controlled substance listed in the Illinois Controlled
5 Substances Act, an intoxicating compound listed in the Use of
6 Intoxicating Compounds Act, or methamphetamine as listed in the
7 Methamphetamine Control and Community Protection Act, the law
8 enforcement officer shall immediately submit a sworn report to
9 the circuit court of venue and the Secretary of State,
10 certifying that the test or tests was or were requested under
11 paragraph (a) and the person refused to submit to a test, or
12 tests, or submitted to testing that disclosed an alcohol
13 concentration of 0.08 or more.

14 (e) Upon receipt of the sworn report of a law enforcement
15 officer submitted under paragraph (d), the Secretary of State
16 shall enter the statutory summary suspension and
17 disqualification for the periods specified in Sections 6-208.1
18 and 6-514, respectively, and effective as provided in paragraph
19 (g).

20 If the person is a first offender as defined in Section
21 11-500 of this Code, and is not convicted of a violation of
22 Section 11-501 of this Code or a similar provision of a local
23 ordinance, then reports received by the Secretary of State
24 under this Section shall, except during the actual time the
25 Statutory Summary Suspension is in effect, be privileged
26 information and for use only by the courts, police officers,

1 prosecuting authorities or the Secretary of State, unless the
2 person is a CDL holder, is operating a commercial motor vehicle
3 or vehicle required to be placarded for hazardous materials, in
4 which case the suspension shall not be privileged. Reports
5 received by the Secretary of State under this Section shall
6 also be made available to the parent or guardian of a person
7 under the age of 18 years that holds an instruction permit or a
8 graduated driver's license, regardless of whether the
9 statutory summary suspension is in effect.

10 (f) The law enforcement officer submitting the sworn report
11 under paragraph (d) shall serve immediate notice of the
12 statutory summary suspension on the person and the suspension
13 and disqualification shall be effective as provided in
14 paragraph (g). In cases where the blood alcohol concentration
15 of 0.08 or greater or any amount of a drug, substance, or
16 compound resulting from the unlawful use or consumption of
17 cannabis as covered by the Cannabis Control Act, a controlled
18 substance listed in the Illinois Controlled Substances Act, an
19 intoxicating compound listed in the Use of Intoxicating
20 Compounds Act, or methamphetamine as listed in the
21 Methamphetamine Control and Community Protection Act is
22 established by a subsequent analysis of blood or urine
23 collected at the time of arrest, the arresting officer or
24 arresting agency shall give notice as provided in this Section
25 or by deposit in the United States mail of the notice in an
26 envelope with postage prepaid and addressed to the person at

1 his address as shown on the Uniform Traffic Ticket and the
2 statutory summary suspension and disqualification shall begin
3 as provided in paragraph (g). The officer shall confiscate any
4 Illinois driver's license or permit on the person at the time
5 of arrest. If the person has a valid driver's license or
6 permit, the officer shall issue the person a receipt, in a form
7 prescribed by the Secretary of State, that will allow that
8 person to drive during the periods provided for in paragraph
9 (g). The officer shall immediately forward the driver's license
10 or permit to the circuit court of venue along with the sworn
11 report provided for in paragraph (d).

12 (g) The statutory summary suspension and disqualification
13 referred to in this Section shall take effect on the 46th day
14 following the date the notice of the statutory summary
15 suspension was given to the person.

16 (h) The following procedure shall apply whenever a person
17 is arrested for any offense as defined in Section 11-501 or a
18 similar provision of a local ordinance:

19 Upon receipt of the sworn report from the law enforcement
20 officer, the Secretary of State shall confirm the statutory
21 summary suspension by mailing a notice of the effective date of
22 the suspension to the person and the court of venue. The
23 Secretary of State shall also mail notice of the effective date
24 of the disqualification to the person. However, should the
25 sworn report be defective by not containing sufficient
26 information or be completed in error, the confirmation of the

1 statutory summary suspension shall not be mailed to the person
2 or entered to the record; instead, the sworn report shall be
3 forwarded to the court of venue with a copy returned to the
4 issuing agency identifying any defect.

6 95-876, eff. 8-21-08; 96-1080, eff. 7-16-10.)

7 (Text of Section after amendment by P.A. 96-1344)

8 Sec. 11-501.1. Suspension of drivers license; statutory
9 summary alcohol, other drug or drugs, or intoxicating compound
10 or compounds related suspension or revocation; implied
11 consent.

12 (a) Any person who drives or is in actual physical control
13 of a motor vehicle upon the public highways of this State shall
14 be deemed to have given consent, subject to the provisions of
15 Section 11-501.2, to a chemical test or tests of blood, breath,
16 or urine for the purpose of determining the content of alcohol,
17 other drug or drugs, or intoxicating compound or compounds or
18 any combination thereof in the person's blood if arrested, as
19 evidenced by the issuance of a Uniform Traffic Ticket, for any
20 offense as defined in Section 11-501 or a similar provision of
21 a local ordinance, or if arrested for violating Section 11-401.
22 If a law enforcement officer has probable cause to believe the
23 person was under the influence of alcohol, other drug or drugs,
24 intoxicating compound or compounds, or any combination
25 thereof, the law enforcement officer shall request a chemical

1 test or tests which ~~The test or tests~~ shall be administered at
2 the direction of the arresting officer. The law enforcement
3 agency employing the officer shall designate which of the
4 aforesaid tests shall be administered. A urine test may be
5 administered even after a blood or breath test or both has been
6 administered. For purposes of this Section, an Illinois law
7 enforcement officer of this State who is investigating the
8 person for any offense defined in Section 11-501 may travel
9 into an adjoining state, where the person has been transported
10 for medical care, to complete an investigation and to request
11 that the person submit to the test or tests set forth in this
12 Section. The requirements of this Section that the person be
13 arrested are inapplicable, but the officer shall issue the
14 person a Uniform Traffic Ticket for an offense as defined in
15 Section 11-501 or a similar provision of a local ordinance
16 prior to requesting that the person submit to the test or
17 tests. The issuance of the Uniform Traffic Ticket shall not
18 constitute an arrest, but shall be for the purpose of notifying
19 the person that he or she is subject to the provisions of this
20 Section and of the officer's belief of the existence of
21 probable cause to arrest. Upon returning to this State, the
22 officer shall file the Uniform Traffic Ticket with the Circuit
23 Clerk of the county where the offense was committed, and shall
24 seek the issuance of an arrest warrant or a summons for the
25 person.

26 (b) Any person who is dead, unconscious, or who is

1 otherwise in a condition rendering the person incapable of
2 refusal, shall be deemed not to have withdrawn the consent
3 provided by paragraph (a) of this Section and the test or tests
4 may be administered, subject to the provisions of Section
5 11-501.2.

6 (c) A person requested to submit to a test as provided
7 above shall be warned by the law enforcement officer requesting
8 the test that a refusal to submit to the test will result in
9 the statutory summary suspension of the person's privilege to
10 operate a motor vehicle, as provided in Section 6-208.1 of this
11 Code, and will also result in the disqualification of the
12 person's privilege to operate a commercial motor vehicle, as
13 provided in Section 6-514 of this Code, if the person is a CDL
14 holder. The person shall also be warned that a refusal to
15 submit to the test, when the person was involved in a motor
16 vehicle accident that caused personal injury or death to
17 another, will result in the statutory summary revocation of the
18 person's privilege to operate a motor vehicle, as provided in
19 Section 6-208.1, and will also result in the disqualification
20 of the person's privilege to operate a commercial motor
21 vehicle, as provided in Section 6-514 of this Code, if the
22 person is a CDL holder. The person shall also be warned by the
23 law enforcement officer that if the person submits to the test
24 or tests provided in paragraph (a) of this Section and the
25 alcohol concentration in the person's blood or breath is 0.08
26 or greater, or any amount of a drug, substance, or compound

1 resulting from the unlawful use or consumption of cannabis as
2 covered by the Cannabis Control Act, a controlled substance
3 listed in the Illinois Controlled Substances Act, an
4 intoxicating compound listed in the Use of Intoxicating
5 Compounds Act, or methamphetamine as listed in the
6 Methamphetamine Control and Community Protection Act is
7 detected in the person's blood or urine, a statutory summary
8 suspension of the person's privilege to operate a motor
9 vehicle, as provided in Sections 6-208.1 and 11-501.1 of this
10 Code, and a disqualification of the person's privilege to
11 operate a commercial motor vehicle, as provided in Section
12 6-514 of this Code, if the person is a CDL holder, will be
13 imposed.

14 A person who is under the age of 21 at the time the person
15 is requested to submit to a test as provided above shall, in
16 addition to the warnings provided for in this Section, be
17 further warned by the law enforcement officer requesting the
18 test that if the person submits to the test or tests provided
19 in paragraph (a) of this Section and the alcohol concentration
20 in the person's blood or breath is greater than 0.00 and less
21 than 0.08, a suspension of the person's privilege to operate a
22 motor vehicle, as provided under Sections 6-208.2 and 11-501.8
23 of this Code, will be imposed. The results of this test shall
24 be admissible in a civil or criminal action or proceeding
25 arising from an arrest for an offense as defined in Section
26 11-501 of this Code or a similar provision of a local ordinance

1 or pursuant to Section 11-501.4 in prosecutions for reckless
2 homicide brought under the Criminal Code of 1961. These test
3 results, however, shall be admissible only in actions or
4 proceedings directly related to the incident upon which the
5 test request was made.

6 (d) If the person refuses testing or submits to a test that
7 discloses an alcohol concentration of 0.08 or more, or any
8 amount of a drug, substance, or intoxicating compound in the
9 person's breath, blood, or urine resulting from the unlawful
10 use or consumption of cannabis listed in the Cannabis Control
11 Act, a controlled substance listed in the Illinois Controlled
12 Substances Act, an intoxicating compound listed in the Use of
13 Intoxicating Compounds Act, or methamphetamine as listed in the
14 Methamphetamine Control and Community Protection Act, the law
15 enforcement officer shall immediately submit a sworn report to
16 the circuit court of venue and the Secretary of State,
17 certifying that the test or tests was or were requested under
18 paragraph (a) and the person refused to submit to a test, or
19 tests, or submitted to testing that disclosed an alcohol
20 concentration of 0.08 or more.

21 (e) Upon receipt of the sworn report of a law enforcement
22 officer submitted under paragraph (d), the Secretary of State
23 shall enter the statutory summary suspension or revocation and
24 disqualification for the periods specified in Sections 6-208.1
25 and 6-514, respectively, and effective as provided in paragraph
26 (g).

1 If the person is a first offender as defined in Section
2 11-500 of this Code, and is not convicted of a violation of
3 Section 11-501 of this Code or a similar provision of a local
4 ordinance, then reports received by the Secretary of State
5 under this Section shall, except during the actual time the
6 Statutory Summary Suspension is in effect, be privileged
7 information and for use only by the courts, police officers,
8 prosecuting authorities or the Secretary of State, unless the
9 person is a CDL holder, is operating a commercial motor vehicle
10 or vehicle required to be placarded for hazardous materials, in
11 which case the suspension shall not be privileged. Reports
12 received by the Secretary of State under this Section shall
13 also be made available to the parent or guardian of a person
14 under the age of 18 years that holds an instruction permit or a
15 graduated driver's license, regardless of whether the
16 statutory summary suspension is in effect. A statutory summary
17 revocation shall not be privileged information.

18 (f) The law enforcement officer submitting the sworn report
19 under paragraph (d) shall serve immediate notice of the
20 statutory summary suspension or revocation on the person and
21 the suspension or revocation and disqualification shall be
22 effective as provided in paragraph (g). In cases where the
23 blood alcohol concentration of 0.08 or greater or any amount of
24 a drug, substance, or compound resulting from the unlawful use
25 or consumption of cannabis as covered by the Cannabis Control
26 Act, a controlled substance listed in the Illinois Controlled

1 Substances Act, an intoxicating compound listed in the Use of
2 Intoxicating Compounds Act, or methamphetamine as listed in the
3 Methamphetamine Control and Community Protection Act is
4 established by a subsequent analysis of blood or urine
5 collected at the time of arrest, the arresting officer or
6 arresting agency shall give notice as provided in this Section
7 or by deposit in the United States mail of the notice in an
8 envelope with postage prepaid and addressed to the person at
9 his address as shown on the Uniform Traffic Ticket and the
10 statutory summary suspension and disqualification shall begin
11 as provided in paragraph (g). The officer shall confiscate any
12 Illinois driver's license or permit on the person at the time
13 of arrest. If the person has a valid driver's license or
14 permit, the officer shall issue the person a receipt, in a form
15 prescribed by the Secretary of State, that will allow that
16 person to drive during the periods provided for in paragraph
17 (g). The officer shall immediately forward the driver's license
18 or permit to the circuit court of venue along with the sworn
19 report provided for in paragraph (d).

20 (g) The statutory summary suspension or revocation and
21 disqualification referred to in this Section shall take effect
22 on the 46th day following the date the notice of the statutory
23 summary suspension or revocation was given to the person.

24 (h) The following procedure shall apply whenever a person
25 is arrested for any offense as defined in Section 11-501 or a
26 similar provision of a local ordinance:

1 Upon receipt of the sworn report from the law enforcement
2 officer, the Secretary of State shall confirm the statutory
3 summary suspension or revocation by mailing a notice of the
4 effective date of the suspension or revocation to the person
5 and the court of venue. The Secretary of State shall also mail
6 notice of the effective date of the disqualification to the
7 person. However, should the sworn report be defective by not
8 containing sufficient information or be completed in error, the
9 confirmation of the statutory summary suspension or revocation
10 shall not be mailed to the person or entered to the record;
11 instead, the sworn report shall be forwarded to the court of
12 venue with a copy returned to the issuing agency identifying
13 any defect.

14 (i) As used in this Section, "personal injury" includes any
15 Type A injury as indicated on the traffic accident report
16 completed by a law enforcement officer that requires immediate
17 professional attention in either a doctor's office or a medical
18 facility. A Type A injury includes severely bleeding wounds,
19 distorted extremities, and injuries that require the injured
20 party to be carried from the scene.

24 (625 ILCS 5/11-501.2) (from Ch. 95 1/2, par. 11-501.2)

25 Sec. 11-501.2. Chemical and other tests.

1 (a) Upon the trial of any civil or criminal action or
2 proceeding arising out of an arrest for an offense as defined
3 in Section 11-501 or a similar local ordinance or proceedings
4 pursuant to Section 2-118.1, evidence of the concentration of
5 alcohol, other drug or drugs, or intoxicating compound or
6 compounds, or any combination thereof in a person's blood or
7 breath at the time alleged, as determined by analysis of the
8 person's blood, urine, breath or other bodily substance, shall
9 be admissible. Where such test is made the following provisions
10 shall apply:

11 1. Chemical analyses of the person's blood, urine,
12 breath or other bodily substance to be considered valid
13 under the provisions of this Section shall have been
14 performed according to standards promulgated by the
15 Department of State Police by a licensed physician,
16 registered nurse, trained phlebotomist, certified
17 paramedic, or other individual possessing a valid permit
18 issued by that Department for this purpose. The Director of
19 State Police is authorized to approve satisfactory
20 techniques or methods, to ascertain the qualifications and
21 competence of individuals to conduct such analyses, to
22 issue permits which shall be subject to termination or
23 revocation at the discretion of that Department and to
24 certify the accuracy of breath testing equipment. The
25 Department of State Police shall prescribe regulations as
26 necessary to implement this Section.

1 2. When a person in this State shall submit to a blood
2 test at the request of a law enforcement officer under the
3 provisions of Section 11-501.1, only a physician
4 authorized to practice medicine, a registered nurse,
5 trained phlebotomist, or certified paramedic, or other
6 qualified person approved by the Department of State Police
7 may withdraw blood for the purpose of determining the
8 alcohol, drug, or alcohol and drug content therein. This
9 limitation shall not apply to the taking of breath or urine
10 specimens.

11 When a blood test of a person who has been taken to an
12 adjoining state for medical treatment is requested by an
13 Illinois law enforcement officer, the blood may be
14 withdrawn only by a physician authorized to practice
15 medicine in the adjoining state, a registered nurse, a
16 trained phlebotomist acting under the direction of the
17 physician, or certified paramedic. The law enforcement
18 officer requesting the test shall take custody of the blood
19 sample, and the blood sample shall be analyzed by a
20 laboratory certified by the Department of State Police for
21 that purpose.

22 3. The person tested may have a physician, or a
23 qualified technician, chemist, registered nurse, or other
24 qualified person of their own choosing administer a
25 chemical test or tests in addition to any administered at
26 the direction of a law enforcement officer. The failure or

1 inability to obtain an additional test by a person shall
2 not preclude the admission of evidence relating to the test
3 or tests taken at the direction of a law enforcement
4 officer.

5 4. Upon the request of the person who shall submit to a
6 chemical test or tests at the request of a law enforcement
7 officer, full information concerning the test or tests
8 shall be made available to the person or such person's
9 attorney.

10 5. Alcohol concentration shall mean either grams of
11 alcohol per 100 milliliters of blood or grams of alcohol
12 per 210 liters of breath.

13 (b) Upon the trial of any civil or criminal action or
14 proceeding arising out of acts alleged to have been committed
15 by any person while driving or in actual physical control of a
16 vehicle while under the influence of alcohol, the concentration
17 of alcohol in the person's blood or breath at the time alleged
18 as shown by analysis of the person's blood, urine, breath, or
19 other bodily substance shall give rise to the following
20 presumptions:

21 1. If there was at that time an alcohol concentration
22 of 0.05 or less, it shall be presumed that the person was
23 not under the influence of alcohol.

24 2. If there was at that time an alcohol concentration
25 in excess of 0.05 but less than 0.08, such facts shall not
26 give rise to any presumption that the person was or was not

1 under the influence of alcohol, but such fact may be
2 considered with other competent evidence in determining
3 whether the person was under the influence of alcohol.

4 3. If there was at that time an alcohol concentration
5 of 0.08 or more, it shall be presumed that the person was
6 under the influence of alcohol.

7 4. The foregoing provisions of this Section shall not
8 be construed as limiting the introduction of any other
9 relevant evidence bearing upon the question whether the
10 person was under the influence of alcohol.

11 (c) 1. If a person under arrest refuses to submit to a
12 chemical test under the provisions of Section 11-501.1,
13 evidence of refusal shall be admissible in any civil or
14 criminal action or proceeding arising out of acts alleged to
15 have been committed while the person under the influence of
16 alcohol, other drug or drugs, or intoxicating compound or
17 compounds, or any combination thereof was driving or in actual
18 physical control of a motor vehicle.

19 2. Notwithstanding any ability to refuse under this Code to
20 submit to these tests or any ability to revoke the implied
21 consent to these tests, if a law enforcement officer has
22 probable cause to believe that a motor vehicle driven by or in
23 actual physical control of a person under the influence of
24 alcohol, other drug or drugs, or intoxicating compound or
25 compounds, or any combination thereof has caused the death or
26 personal injury to another, the law enforcement officer shall

1 request, and that person shall submit, upon the request of a
2 law enforcement officer, to a chemical test or tests of his or
3 her blood, breath or urine for the purpose of determining the
4 alcohol content thereof or the presence of any other drug or
5 combination of both.

6 This provision does not affect the applicability of or
7 imposition of driver's license sanctions under Section
8 11-501.1 of this Code.

9 3. For purposes of this Section, a personal injury includes
10 any Type A injury as indicated on the traffic accident report
11 completed by a law enforcement officer that requires immediate
12 professional attention in either a doctor's office or a medical
13 facility. A Type A injury includes severe bleeding wounds,
14 distorted extremities, and injuries that require the injured
15 party to be carried from the scene.

17 Section 95. No acceleration or delay. Where this Act makes
18 changes in a statute that is represented in this Act by text
19 that is not yet or no longer in effect (for example, a Section
20 represented by multiple versions), the use of that text does
21 not accelerate or delay the taking effect of (i) the changes
22 made by this Act or (ii) provisions derived from any other
23 Public Act.

24 Section 99. Effective date. This Act takes effect upon
25 becoming law.
