4 Section 1. Short title. This Act may be cited as the
5 Commission on Taxpayer Oversight and Reduction of State
6 Spending Act.

7 Section 5. Legislative intent. It is the continuing policy
8 of the State to provide the citizens of Illinois with a
9 government that is accountable to the taxpayers. To carry out
10 this policy effectively, it is essential that the General

13 Section 10. Creation of Commission. The Commission on
14 Taxpayer Oversight and Reduction of State Spending, hereafter
15 in this Act referred to as the "Commission", is hereby created
16 to examine expenditures of the State and make recommendations
17 to the Governor and General Assembly to reduce State spending.
18 The Commission shall:

19 (1) Conduct investigations to ascertain facts, review
20 appropriations and expenditures, and make recommendations
21 and reports concerning revenues and expenditures of the
22 State, its departments, subdivisions, and agencies,

1 whether created by the Constitution or otherwise.

2 (2) Review the budget submitted by the Governor and
3 make recommendations for reducing expenditures set forth
4 in the budget, provided the Commission shall take into
5 account any specific areas of reductions recommended for
6 the Commission's review by the Governor and the statewide
7 prioritized budgetary goals established by Section 50-25
8 of the State Budget Law of the Civil Administrative Code of
9 Illinois, as those goals are reflected in the budget
10 submitted by the Governor.

13 whether they are achieving the prioritized outcomes and
14 meeting the goals established under Section 50-25 of the

16 Illinois in an efficient manner and make recommendations to
17 reduce appropriations or expenditures of agencies and
18 grant recipients failing to meet the outcomes and goals.

19 (4) Consider budgetary reductions at the State and

23 to eliminate waste and inefficiency in the operation of
24 State and local government.

25 The Commission shall have continuing existence and may
