

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Mental Health and Developmental  
5 Disabilities Code is amended by changing Sections 2-107.1,  
6 3-101, 3-400, 3-751, 3-800, 3-801, and 3-801.5 and by adding  
7 Section 3-401.1 as follows:

8 (405 ILCS 5/2-107.1) (from Ch. 91 1/2, par. 2-107.1)

9 Sec. 2-107.1. Administration of psychotropic medication  
10 and electroconvulsive therapy upon application to a court.

11 (a) (Blank).

12 (a-5) Notwithstanding the provisions of Section 2-107 of  
13 this Code, psychotropic medication and electroconvulsive  
14 therapy may be administered to an adult recipient of services  
15 on an inpatient or outpatient basis without the informed  
16 consent of the recipient under the following standards:

17 (1) Any person 18 years of age or older, including any  
18 guardian, may petition the circuit court for an order  
19 authorizing the administration of psychotropic medication  
20 and electroconvulsive therapy to a recipient of services.  
21 The petition shall state that the petitioner has made a  
22 good faith attempt to determine whether the recipient has  
23 executed a power of attorney for health care under the

1 Powers of Attorney for Health Care Law or a declaration for  
2 mental health treatment under the Mental Health Treatment  
3 Preference Declaration Act and to obtain copies of these  
4 instruments if they exist. If either of the above-named  
5 instruments is available to the petitioner, the instrument  
6 or a copy of the instrument shall be attached to the  
7 petition as an exhibit. The petitioner shall deliver a copy  
8 of the petition, and notice of the time and place of the  
9 hearing, to the respondent, his or her attorney, any known  
10 agent or attorney-in-fact, if any, and the guardian, if  
11 any, no later than 3 days prior to the date of the hearing.  
12 Service of the petition and notice of the time and place of  
13 the hearing may be made by transmitting them via facsimile  
14 machine to the respondent or other party. Upon receipt of  
15 the petition and notice, the party served, or the person  
16 delivering the petition and notice to the party served,  
17 shall acknowledge service. If the party sending the  
18 petition and notice does not receive acknowledgement of  
19 service within 24 hours, service must be made by personal  
20 service.

21 The petition may include a request that the court  
22 authorize such testing and procedures as may be essential  
23 for the safe and effective administration of the  
24 psychotropic medication or electroconvulsive therapy  
25 sought to be administered, but only where the petition sets  
26 forth the specific testing and procedures sought to be

1 administered.

2 If a hearing is requested to be held immediately  
3 following the hearing on a petition for involuntary  
4 admission, then the notice requirement shall be the same as  
5 that for the hearing on the petition for involuntary  
6 admission, and the petition filed pursuant to this Section  
7 shall be filed with the petition for involuntary admission.

8 (2) The court shall hold a hearing within 7 days of the  
9 filing of the petition. The People, the petitioner, or the  
10 respondent shall be entitled to a continuance of up to 7  
11 days as of right. An additional continuance of not more  
12 than 7 days may be granted to any party (i) upon a showing  
13 that the continuance is needed in order to adequately  
14 prepare for or present evidence in a hearing under this  
15 Section or (ii) under exceptional circumstances. The court  
16 may grant an additional continuance not to exceed 21 days  
17 when, in its discretion, the court determines that such a  
18 continuance is necessary in order to provide the recipient  
19 with an examination pursuant to Section 3-803 or 3-804 of  
20 this Act, to provide the recipient with a trial by jury as  
21 provided in Section 3-802 of this Act, or to arrange for  
22 the substitution of counsel as provided for by the Illinois  
23 Supreme Court Rules. The hearing shall be separate from a  
24 judicial proceeding held to determine whether a person is  
25 subject to involuntary admission but may be heard  
26 immediately preceding or following such a judicial

1 proceeding and may be heard by the same trier of fact or  
2 law as in that judicial proceeding.

3 (3) Unless otherwise provided herein, the procedures  
4 set forth in Article VIII of Chapter 3 of this Act,  
5 including the provisions regarding appointment of counsel,  
6 shall govern hearings held under this subsection (a-5).

7 (4) Psychotropic medication and electroconvulsive  
8 therapy may be administered to the recipient if and only if  
9 it has been determined by clear and convincing evidence  
10 that all of the following factors are present. In  
11 determining whether a person meets the criteria specified  
12 in the following paragraphs (A) through (G), the court may  
13 consider evidence of the person's history of serious  
14 violence, repeated past pattern of specific behavior,  
15 actions related to the person's illness, or past outcomes  
16 of various treatment options.

17 (A) That the recipient has a serious mental illness  
18 or developmental disability.

19 (B) That because of said mental illness or  
20 developmental disability, the recipient currently  
21 exhibits any one of the following: (i) deterioration of  
22 his or her ability to function, as compared to the  
23 recipient's ability to function prior to the current  
24 onset of symptoms of the mental illness or disability  
25 for which treatment is presently sought, (ii)  
26 suffering, or (iii) threatening behavior.

1           (C) That the illness or disability has existed for  
2           a period marked by the continuing presence of the  
3           symptoms set forth in item (B) of this subdivision (4)  
4           or the repeated episodic occurrence of these symptoms.

5           (D) That the benefits of the treatment outweigh the  
6           harm.

7           (E) That the recipient lacks the capacity to make a  
8           reasoned decision about the treatment.

9           (F) That other less restrictive services have been  
10          explored and found inappropriate.

11          (G) If the petition seeks authorization for  
12          testing and other procedures, that such testing and  
13          procedures are essential for the safe and effective  
14          administration of the treatment.

15          (5) In no event shall an order issued under this  
16          Section be effective for more than 90 days. A second 90-day  
17          period of involuntary treatment may be authorized pursuant  
18          to a hearing that complies with the standards and  
19          procedures of this subsection (a-5). Thereafter,  
20          additional 180-day periods of involuntary treatment may be  
21          authorized pursuant to the standards and procedures of this  
22          Section without limit. If a new petition to authorize the  
23          administration of psychotropic medication or  
24          electroconvulsive therapy is filed at least 15 days prior  
25          to the expiration of the prior order, and if any  
26          continuance of the hearing is agreed to by the recipient,

1 the administration of the treatment may continue in  
2 accordance with the prior order pending the completion of a  
3 hearing under this Section.

4 (6) An order issued under this subsection (a-5) shall  
5 designate the persons authorized to administer the  
6 treatment under the standards and procedures of this  
7 subsection (a-5). Those persons shall have complete  
8 discretion not to administer any treatment authorized  
9 under this Section. The order shall also specify the  
10 medications and the anticipated range of dosages that have  
11 been authorized and may include a list of any alternative  
12 medications and range of dosages deemed necessary.

13 (a-10) The court may, in its discretion, appoint a guardian  
14 ad litem for a recipient before the court or authorize an  
15 existing guardian of the person to monitor treatment and  
16 compliance with court orders under this Section.

17 (b) A guardian may be authorized to consent to the  
18 administration of psychotropic medication or electroconvulsive  
19 therapy to an objecting recipient only under the standards and  
20 procedures of subsection (a-5).

21 (c) Notwithstanding any other provision of this Section, a  
22 guardian may consent to the administration of psychotropic  
23 medication or electroconvulsive therapy to a non-objecting  
24 recipient under Article XIa of the Probate Act of 1975.

25 (d) Nothing in this Section shall prevent the  
26 administration of psychotropic medication or electroconvulsive

1 therapy to recipients in an emergency under Section 2-107 of  
2 this Act.

3 (e) Notwithstanding any of the provisions of this Section,  
4 psychotropic medication or electroconvulsive therapy may be  
5 administered pursuant to a power of attorney for health care  
6 under the Powers of Attorney for Health Care Law or a  
7 declaration for mental health treatment under the Mental Health  
8 Treatment Preference Declaration Act.

9 (f) The Department shall conduct annual trainings for  
10 physicians and registered nurses working in State-operated  
11 mental health facilities on the appropriate use of psychotropic  
12 medication and electroconvulsive therapy, standards for their  
13 use, and the preparation of court petitions under this Section.

15 (405 ILCS 5/3-101) (from Ch. 91 1/2, par. 3-101)

16 Sec. 3-101. (a) The State's Attorneys of the several  
17 counties shall represent the people of the State of Illinois in  
18 court proceedings under this Chapter and in proceedings under  
19 Section 2-107.1 in their respective counties, shall attend such  
20 proceedings either in person or by assistant, and shall ensure  
21 that petitions, reports and orders are properly prepared.  
22 Nothing herein contained shall prevent any party, including any  
23 petitioner, from being represented by his own counsel.

24 (b) Any community mental health provider or inpatient  
25 mental health facility, including hospitals operated by the

1 Department, may be represented by counsel in court proceedings  
2 under this Chapter if they are providing services or funding  
3 for services to the respondent, or if an order by the court  
4 directing said entity to provide services or funding for  
5 services to the respondent is being sought by any party.

8 Sec. 3-400. Voluntary admission to mental health facility.

9 (a) Any person 16 or older, including a person adjudicated  
10 a disabled person, may be admitted to a mental health facility  
11 as a voluntary recipient for treatment of a mental illness upon  
12 the filing of an application with the facility director of the  
13 facility if the facility director determines and documents in  
14 the recipient's medical record that the person (1) is  
15 clinically suitable for admission as a voluntary recipient and  
16 (2) has the capacity to consent to voluntary admission.

17 (b) For purposes of consenting to voluntary admission, a  
18 person has the capacity to consent to voluntary admission if,  
19 in the professional judgment of the facility director or his or  
20 her designee, the person is able to understand that:

21 (1) He or she is being admitted to a mental health  
22 facility.

23 (2) He or she may request discharge at any time. The  
24 request must be in writing, and discharge is not automatic.

25 (3) Within 5 business days after receipt of the written

1 request for discharge, the facility must either discharge  
2 the person or initiate commitment proceedings.

3 (c) No mental health facility shall require the completion  
4 of a petition or certificate as a condition of accepting the  
5 admission of a recipient who is being transported to that  
6 facility from any other inpatient or outpatient healthcare  
7 facility if the recipient has completed an application for  
8 voluntary admission to the receiving facility pursuant to this  
9 Section.

11 (405 ILCS 5/3-401.1 new)

12 Sec. 3-401.1. Transportation to mental health facility.  
13 Upon receipt of an application for admission prepared pursuant  
14 to this Article, any licensed ambulance service may transport a  
15 recipient to a mental health facility or from one mental health  
16 facility to another. An ambulance service, acting in good faith  
17 and without negligence in connection with the transportation of  
18 recipients shall incur no liability, civil or criminal, by  
19 reason of such transportation.

20 (405 ILCS 5/3-751)

21 Sec. 3-751. Involuntary admission; petition.

22 (a) Any person 18 years of age or older may execute a  
23 petition asserting that another person is subject to  
24 involuntary admission on an outpatient basis. The petition

1 shall be prepared pursuant to paragraph (b) of Section 3-601  
2 and shall be filed with the court in the county where the  
3 respondent resides or is present.

4 (b) The court may inquire of the petitioner whether there  
5 are reasonable grounds to believe that the facts stated in the  
6 petition are true and whether the respondent is subject to  
7 involuntary admission on an outpatient basis.

8 (c) A petition for involuntary admission on an outpatient  
9 basis may be combined with or accompanied by a petition for  
10 involuntary admission on an inpatient basis under Article VII.

11 (d) Notwithstanding any other provision in this Chapter, a  
12 petition may be filed under this Article prior to the  
13 expiration of an agreed order for outpatient admission issued  
14 pursuant to Section 3-801.5 of this Chapter, provided that the  
15 recipient has refused to agree to an extension of the agreed  
16 order as provided in subsection (g) of Section 3-801.5. The  
17 filing of such a petition at least 5 days prior to the  
18 expiration of such an agreed order shall continue the order in  
19 effect pending the disposition of the petition.

20 (e) A petition for involuntary outpatient commitment may be  
21 filed pursuant to this Section concerning a person who has been  
22 admitted to a mental health facility on an informal basis under  
23 Section 3-300 of this Code or as a voluntary recipient under  
24 Section 3-400 of this Code provided that such a person has a  
25 documented history of illness and treatment demonstrating that  
26 he or she is unlikely to continue to receive needed treatment

1 following release from informal or voluntary admission and that  
2 an order for alternative treatment or for care and custody is  
3 necessary in order to ensure continuity of treatment outside a  
4 mental health facility. The filing of such a petition shall not  
5 prevent the recipient from requesting and obtaining a discharge  
6 pursuant to subsection (b) of Section 3-300 or Section 3-404,  
7 nor shall it prevent the facility director from discharging the  
8 recipient pursuant to Section 3-902 of this Code.

10 (405 ILCS 5/3-800) (from Ch. 91 1/2, par. 3-800)

11 Sec. 3-800. (a) Unless otherwise indicated, court hearings  
12 under this Chapter shall be held pursuant to this Article.  
13 Hearings shall be held in such quarters as the court directs.  
14 To the extent practical, hearings shall be held in the mental  
15 health facility where the respondent is hospitalized. Any party  
16 may request a change of venue or transfer to any other county  
17 because of the convenience of parties or witnesses or the  
18 condition of the respondent. The respondent may request to have  
19 the proceedings transferred to the county of his residence.

20 (b) If the court grants a continuance on its own motion or  
21 upon the motion of one of the parties, the respondent may  
22 continue to be detained pending further order of the court.  
23 Such continuance shall not extend beyond 15 days except to the  
24 extent that continuances are requested by the respondent.

25 (c) Court hearings under this Chapter, including hearings

1 under Section 2-107.1, shall be open to the press and public  
2 unless the respondent or some other party requests that they be  
3 closed. The court may also indicate its intention to close a  
4 hearing, including when it determines that the respondent may  
5 be unable to make a reasoned decision to request that the  
6 hearing be closed. A request that a hearing be closed shall be  
7 granted unless there is an objection to closing the hearing by  
8 a party or any other person. If an objection is made, the court  
9 shall not close the hearing unless, following a hearing, it  
10 determines that the patient's interest in having the hearing  
11 closed is compelling. The court shall support its determination  
12 with written findings of fact and conclusions of law. The court  
13 shall not close the hearing if the respondent objects to its  
14 closure. Whenever a court determines that a hearing shall be  
15 closed, access to the records of the hearing, including but not  
16 limited to transcripts and pleadings, shall be limited to the  
17 parties involved in the hearing, court personnel, and any  
18 person or agency providing mental health services that are the  
19 subject of the hearing. Access may also be granted, however,  
20 pursuant to the provisions of the Mental Health and  
21 Developmental Disabilities Confidentiality Act.

22 (d) The provisions of subsection (a-5) of Section 6 of the  
23 Rights of Crime Victims and Witnesses Act shall apply to the  
24 initial commitment hearing, as provided under Section 5-2-4 of  
25 the Unified Code of Corrections, for a respondent found not  
26 guilty by reason of insanity of a violent crime in a criminal

1 proceeding and the hearing has been ordered by the court under  
2 this Code to determine if the defendant is:

3 (1) in need of mental health services on an inpatient  
4 basis;

5 (2) in need of mental health services on an outpatient  
6 basis; or

7 (3) not in need of mental health services.

8 While the impact statement to the court allowed under this  
9 subsection (d) may include the impact that the respondent's  
10 criminal conduct has had upon the victim, victim's  
11 representative, or victim's family or household member, the  
12 court may only consider the impact statement along with all  
13 other appropriate factors in determining the:

14 (i) threat of serious physical harm posed by the  
15 respondent to himself or herself, or to another person;

16 (ii) location of inpatient or outpatient mental health  
17 services ordered by the court, but only after complying  
18 with all other applicable administrative requirements,  
19 rules, and statutory requirements;

20 (iii) maximum period of commitment for inpatient  
21 mental health services; and

22 (iv) conditions of release for outpatient mental  
23 health services ordered by the court.

24 (e) Notwithstanding the provisions of Section 2-1009 of the  
25 Code of Civil Procedure, a respondent may object to a motion  
26 for voluntary dismissal and the court may refuse to grant such

1 a dismissal for good cause shown.

3 (405 ILCS 5/3-801) (from Ch. 91 1/2, par. 3-801)

4 Sec. 3-801. A respondent may request admission as an  
5 informal or voluntary recipient at any time prior to an  
6 adjudication that he is subject to involuntary admission on an  
7 inpatient or outpatient basis. The facility director shall  
8 approve such a request unless the facility director determines  
9 that the respondent lacks the capacity to consent to informal  
10 or voluntary admission or that informal or voluntary admission  
11 is clinically inappropriate. The director shall not find that  
12 voluntary admission is clinically inappropriate in the absence  
13 of a documented history of the respondent's illness and  
14 treatment demonstrating that the respondent is unlikely to  
15 continue to receive needed treatment following release from  
16 informal or voluntary admission and that an order for  
17 involuntary admission on an outpatient basis is necessary in  
18 order to ensure continuity of treatment outside a mental health  
19 facility.

20 If the facility director approves such a request, the  
21 petitioner shall be notified of the request and of his or her  
22 right to object thereto, if the petitioner has requested such  
23 notification on that individual recipient. The court may  
24 dismiss the pending proceedings, but shall consider any  
25 objection made by ~~either~~ the petitioner, the respondent, or the

1 State's Attorney and may require proof that such dismissal is  
2 in the best interest of the respondent and of the public. If  
3 voluntary admission is accepted and the petition is dismissed  
4 by the court, notice shall be provided to the petitioner,  
5 orally and in writing, of his or her right to receive notice of  
6 the recipient's discharge pursuant to Section 3-902(d).

9 (405 ILCS 5/3-801.5)

10 Sec. 3-801.5. Agreed order for admission on an outpatient  
11 basis.

12 (a) At any time before the conclusion of the hearing and  
13 the entry of the court's findings, a respondent may enter into  
14 an agreement to be subject to an order for admission on an  
15 outpatient basis as provided for in Sections 3-811, 3-812, and  
16 3-813, ~~and 3-815~~ of this Code, provided that:

17 (1) The court and the parties have been presented with  
18 a written report pursuant to Section 3-810 of this Code  
19 containing a recommendation for court-ordered admission on  
20 an outpatient basis and setting forth in detail the  
21 conditions for such an order, and the court is satisfied  
22 that the proposal for admission on an outpatient basis is  
23 in the best interest of the respondent and of the public.

24 (2) The court advises the respondent of the conditions  
25 of the proposed order in open court and is satisfied that

1 the respondent understands and agrees to the conditions of  
2 the proposed order for admission on an outpatient basis.

3 (3) The proposed custodian is advised of the  
4 recommendation for care and custody and agrees to abide by  
5 the terms of the proposed order.

6 (4) No such order may require the respondent to be  
7 hospitalized except as provided in subsection (b) of this  
8 Section.

9 (5) No order may include as one of its conditions the  
10 administration of psychotropic medication, unless the  
11 court determines, based on the documented history of the  
12 respondent's treatment and illness, that the respondent is  
13 unlikely to continue to receive needed psychotropic  
14 medication in the absence of such an order.

15 (b) An agreed order of care and custody entered pursuant to  
16 this Section may grant the custodian the authority to admit a  
17 respondent to a hospital if the respondent fails to comply with  
18 the conditions of the agreed order. If necessary in order to  
19 obtain the hospitalization of the respondent, the custodian may  
20 apply to the court for an order authorizing an officer of the  
21 peace to take the respondent into custody and transport the  
22 respondent to the hospital specified in the agreed order. The  
23 provisions of Section 3-605 of this Code shall govern the  
24 transportation of the respondent to a mental health facility,  
25 except to the extent that those provisions are inconsistent  
26 with this Section. However, a person admitted to a hospital

1 pursuant to powers granted under an agreed order for care and  
2 custody shall be treated as a voluntary recipient pursuant to  
3 Article IV of this Chapter and shall be advised immediately of  
4 his or her right to request a discharge pursuant to Section  
5 3-403 of this Code.

6 (c) If the court has appointed counsel for the respondent  
7 pursuant to Section 3-805 of this Code, that appointment shall  
8 continue for the duration of any order entered under this  
9 Section, and the respondent shall be represented by counsel in  
10 any proceeding held pursuant to this Section.

11 (d) An order entered under this Section shall not  
12 constitute a finding that the respondent is subject to  
13 involuntary admission on an inpatient or outpatient basis.

14 (e) Nothing in this Section shall be deemed to create an  
15 agency relationship between the respondent and any custodian  
16 appointed pursuant to this Section.

17 (f) Notwithstanding any other provision of Illinois law, no  
18 respondent may be cited for contempt for violating the terms  
19 and conditions of his or her agreed order of care and custody.

20 (g) An order entered under this Section may be extended  
21 with the agreement of the parties for additional 180-day  
22 periods.

24 Section 10. The Mental Health and Developmental  
25 Disabilities Confidentiality Act is amended by changing

1 Section 11 as follows:

2 (740 ILCS 110/11) (from Ch. 91 1/2, par. 811)

3 Sec. 11. Disclosure of records and communications. Records  
4 and communications may be disclosed:

5 (i) in accordance with the provisions of the Abused and  
6 Neglected Child Reporting Act, subsection (u) of Section 5  
7 of the Children and Family Services Act, or Section 7.4 of  
8 the Child Care Act of 1969;

9 (ii) when, and to the extent, a therapist, in his or  
10 her sole discretion, determines that disclosure is  
11 necessary to initiate or continue civil commitment or  
12 involuntary treatment proceedings under the laws of this  
13 State or to otherwise protect the recipient or other person  
14 against a clear, imminent risk of serious physical or  
15 mental injury or disease or death being inflicted upon the  
16 recipient or by the recipient on himself or another;

17 (iii) when, and to the extent disclosure is, in the  
18 sole discretion of the therapist, necessary to the  
19 provision of emergency medical care to a recipient who is  
20 unable to assert or waive his or her rights hereunder;

21 (iv) when disclosure is necessary to collect sums or  
22 receive third party payment representing charges for  
23 mental health or developmental disabilities services  
24 provided by a therapist or agency to a recipient under  
25 Chapter V of the Mental Health and Developmental

1           Disabilities Code or to transfer debts under the

3 amounts as the respondent or the respondent's estate may be  
4 unable to pay. However, in cases where the Office of State  
5 Guardian is the petitioner, consistent with Section 30 of the
