5 "Section 5. The Personal Information Protection Act is
6 amended by changing Sections 5, 10, and 12 and by adding
7 Section 40 as follows:

8 (815 ILCS 530/5)

9 Sec. 5. Definitions. In this Act:

10 "Data Collector" may include, but is not limited to,
11 government agencies, public and private universities,
12 privately and publicly held corporations, financial
13 institutions, retail operators, and any other entity that, for
14 any purpose, handles, collects, disseminates, or otherwise
15 deals with nonpublic personal information.

16 "Breach of the security of the system data" or "breach"

1 means unauthorized acquisition of computerized data that
2 compromises the security, confidentiality, or integrity of
3 personal information maintained by the data collector. "Breach
4 of the security of the system data" does not include good faith
5 acquisition of personal information by an employee or agent of
6 the data collector for a legitimate purpose of the data
7 collector, provided that the personal information is not used
8 for a purpose unrelated to the data collector's business or
9 subject to further unauthorized disclosure.

10 "Personal information" means an individual's first name or
11 first initial and last name in combination with any one or more
12 of the following data elements, when either the name or the
13 data elements are not encrypted or redacted:

14 (1) Social Security number.

22 information that is lawfully made available to the general
23 public from federal, State, or local government records.

1 Sec. 10. Notice of Breach.

2 (a) Any data collector that owns or licenses personal
3 information concerning an Illinois resident shall notify the
4 resident at no charge that there has been a breach of the
5 security of the system data following discovery or notification
6 of the breach. The disclosure notification shall be made in the
7 most expedient time possible and without unreasonable delay,
8 consistent with any measures necessary to determine the scope
9 of the breach and restore the reasonable integrity, security,
10 and confidentiality of the data system. The disclosure
11 notification to an Illinois resident shall include, but need
12 not be limited to, (i) the toll-free numbers and addresses for
13 consumer reporting agencies, (ii) the toll-free number,
14 address, and website address for the Federal Trade Commission,
15 and (iii) a statement that the individual can obtain
16 information from these sources about fraud alerts and security
17 freezes. The notification shall not, however, include
18 information concerning the number of Illinois residents
19 affected by the breach.

20 (b) Any data collector that maintains or stores, but does
21 not own or license, computerized data that includes personal
22 information that the data collector does not own or license
23 shall notify the owner or licensee of the information of any
24 breach of the security of the data immediately following
25 discovery, if the personal information was, or is reasonably
26 believed to have been, acquired by an unauthorized person. In

1 addition to providing such notification to the owner or
2 licensee, the data collector shall cooperate with the owner or
3 licensee in matters relating to the breach. That cooperation
4 shall include, but need not be limited to, (i) informing the
5 owner or licensee of the breach, including giving notice of the
6 date or approximate date of the breach and the nature of the
7 breach, and (ii) informing the owner or licensee of any steps
8 the data collector has taken or plans to take relating to the
9 breach. The data collector's cooperation shall not, however, be
10 deemed to require either the disclosure of confidential
11 business information or trade secrets or the notification of an
12 Illinois resident who may have been affected by the breach.

13 (b-5) The notification to an Illinois resident required by
14 subsection (a) of this Section may be delayed if an appropriate
15 law enforcement agency determines that notification will
16 interfere with a criminal investigation and provides the data
17 collector with a written request for the delay. However, the
18 data collector must notify the Illinois resident as soon as
19 notification will no longer interfere with the investigation.

20 (c) For purposes of this Section, notice to consumers may
21 be provided by one of the following methods:

22 (1) written notice;

23 (2) electronic notice, if the notice provided is
24 consistent with the provisions regarding electronic
25 records and signatures for notices legally required to be
26 in writing as set forth in Section 7001 of Title 15 of the

1 United States Code; or

2 (3) substitute notice, if the data collector
3 demonstrates that the cost of providing notice would exceed
4 \$250,000 or that the affected class of subject persons to
5 be notified exceeds 500,000, or the data collector does not
6 have sufficient contact information. Substitute notice
7 shall consist of all of the following: (i) email notice if
8 the data collector has an email address for the subject
9 persons; (ii) conspicuous posting of the notice on the data
10 collector's web site page if the data collector maintains
11 one; and (iii) notification to major statewide media.

12 (d) Notwithstanding any other subsection in this Section
13 ~~(e)~~, a data collector that maintains its own notification
14 procedures as part of an information security policy for the
15 treatment of personal information and is otherwise consistent
16 with the timing requirements of this Act, shall be deemed in
17 compliance with the notification requirements of this Section
18 if the data collector notifies subject persons in accordance
19 with its policies in the event of a breach of the security of
20 the system data.

22 (815 ILCS 530/12)

23 Sec. 12. Notice of breach; State agency.

24 (a) Any State agency that collects personal information
25 concerning an Illinois resident shall notify the resident at no

1 charge that there has been a breach of the security of the
2 system data or written material following discovery or
3 notification of the breach. The disclosure notification shall
4 be made in the most expedient time possible and without
5 unreasonable delay, consistent with any measures necessary to
6 determine the scope of the breach and restore the reasonable
7 integrity, security, and confidentiality of the data system.
8 The disclosure notification to an Illinois resident shall
9 include, but need not be limited to, (i) the toll-free numbers
10 and addresses for consumer reporting agencies, (ii) the
11 toll-free number, address, and website address for the Federal
12 Trade Commission, and (iii) a statement that the individual can
13 obtain information from these sources about fraud alerts and
14 security freezes. The notification shall not, however, include
15 information concerning the number of Illinois residents
16 affected by the breach.

17 (a-5) The notification to an Illinois resident required by
18 subsection (a) of this Section may be delayed if an appropriate
19 law enforcement agency determines that notification will
20 interfere with a criminal investigation and provides the State
21 agency with a written request for the delay. However, the State
22 agency must notify the Illinois resident as soon as
23 notification will no longer interfere with the investigation.

24 (b) For purposes of this Section, notice to residents may
25 be provided by one of the following methods:

26 (1) written notice;

1 (2) electronic notice, if the notice provided is
2 consistent with the provisions regarding electronic
3 records and signatures for notices legally required to be
4 in writing as set forth in Section 7001 of Title 15 of the
5 United States Code; or

6 (3) substitute notice, if the State agency
7 demonstrates that the cost of providing notice would exceed
8 \$250,000 or that the affected class of subject persons to
9 be notified exceeds 500,000, or the State agency does not
10 have sufficient contact information. Substitute notice
11 shall consist of all of the following: (i) email notice if
12 the State agency has an email address for the subject
13 persons; (ii) conspicuous posting of the notice on the
14 State agency's web site page if the State agency maintains
15 one; and (iii) notification to major statewide media.

16 (c) Notwithstanding subsection (b), a State agency that
17 maintains its own notification procedures as part of an
18 information security policy for the treatment of personal
19 information and is otherwise consistent with the timing
20 requirements of this Act shall be deemed in compliance with the
21 notification requirements of this Section if the State agency
22 notifies subject persons in accordance with its policies in the
23 event of a breach of the security of the system data or written
24 material.

25 (d) If a State agency is required to notify more than 1,000
26 persons of a breach of security pursuant to this Section, the

1 State agency shall also notify, without unreasonable delay, all
2 consumer reporting agencies that compile and maintain files on
3 consumers on a nationwide basis, as defined by 15 U.S.C.
4 Section 1681a(p), of the timing, distribution, and content of
5 the notices. Nothing in this subsection (d) shall be construed
6 to require the State agency to provide to the consumer
7 reporting agency the names or other personal identifying
8 information of breach notice recipients.

10 (815 ILCS 530/40 new)

11 Sec. 40. Disposal of materials containing personal

18 division, bureau, board, commission, or committee thereof.

19 (b) A person must dispose of the materials containing

21 information unreadable, unusable, and undecipherable. Proper
22 disposal methods include, but are not limited to, the
23 following:

25 may be either redacted, burned, pulverized, or shredded so

1 that personal information cannot practicably be read or
2 reconstructed.

3 (2) Electronic media and other non-paper media
4 containing personal information may be destroyed or erased
5 so that personal information cannot practicably be read or
6 reconstructed.

7 (c) Any person disposing of materials containing personal
8 information may contract with a third party to dispose of such
9 materials in accordance with this Section. Any third party that
10 contracts with a person to dispose of materials containing
11 personal information must implement and monitor compliance
12 with policies and procedures that prohibit unauthorized access
13 to or acquisition of or use of personal information during the
14 collection, transportation, and disposal of materials
15 containing personal information.

16 (d) Any person, including but not limited to a third party
17 referenced in subsection (c), who violates this Section is
18 subject to a civil penalty of not more than \$100 for each
19 individual with respect to whom personal information is
20 disposed of in violation of this Section. A civil penalty may
21 not, however, exceed \$50,000 for each instance of improper
22 disposal of materials containing personal information. The
23 Attorney General may impose a civil penalty after notice to the
24 person accused of violating this Section and an opportunity for
25 that person to be heard in the matter. The Attorney General may
26 file a civil action in the circuit court to recover any penalty

1 imposed under this Section.

2 (e) In addition to the authority to impose a civil penalty
3 under subsection (d), the Attorney General may bring an action
4 in the circuit court to remedy a violation of this Section,
5 seeking any appropriate relief."
