8 (1) The continued economic vitality of downtown and
9 neighborhood commercial districts in our municipalities is
10 essential to community preservation, social cohesion, and
11 economic growth.

12 (2) Municipalities need to maintain their local
13 economies so that business owners will be able to provide
14 goods and services to the community, to provide employment
15 opportunities, to avoid disinvestment and economic
16 dislocations, and to develop and sustain downtown and
17 neighborhood commercial district revitalization programs
18 to address these problems.
