A BILL FOR

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by  
5 changing Section 11-10-1 as follows:

6 (65 ILCS 5/11-10-1) (from Ch. 24, par. 11-10-1)

7 Sec. 11-10-1. In ~~In~~ each municipality or fire protection  
8 district, whether incorporated under a general or special law,  
9 which has a fire department established and maintained by  
10 municipal or fire protection district ordinances, every  
11 corporation, company, and association which is not  
12 incorporated under the laws of this state and which is engaged  
13 in effecting fire insurance in the municipality or fire  
14 protection district, shall pay to the foreign fire insurance  
15 board or to the secretary of the fire protection district for  
16 the maintenance, use, and benefit of the fire department  
17 thereof, a sum not exceeding 2% of the gross receipts received  
18 from fire insurance upon property situated within the  
19 municipality or district.

20 Each municipality and fire protection district may  
21 prescribe by ordinance the rate of the tax or license fee to be  
22 paid, but this rate shall not exceed the rate specified in this  
23 section. Each designated corporation, company, and association

1 shall pay at the rate so prescribed, upon the amount of all  
2 premiums which have been received during the year ending on  
3 every first day of July for all fire insurance effected or  
4 agreed to be effected on property situated within the  
5 municipality or fire protection district, by that corporation,  
6 company, or association respectively.

7 Every person who acts in any specified municipality or fire  
8 protection district as agent, or otherwise, on behalf of a  
9 designated corporation, company, or association, shall render  
10 to the treasurer of the foreign fire insurance board or  
11 secretary of the fire protection district, on or before the  
12 fifteenth day of July of each year, a full and true account,  
13 verified by his oath, of all of the premiums which, during the  
14 year ending on the first day of July preceding the report, were  
15 received by him, or by any other person for him on behalf of  
16 that corporation, company, or association. He shall specify in  
17 this report the amounts received for fire insurance, and he  
18 shall pay to the treasurer of the foreign fire insurance board,  
19 or to the secretary of the fire protection district, at the  
20 time of rendering this report, the amount as determined by the  
21 rate fixed by the ordinance of the municipality or fire  
22 protection district for which his corporation, company, or  
23 association is accountable under this section and the  
24 ordinance.

25 If this account is not rendered on or before the fifteenth  
26 day of July of each year, or if the sum due remains unpaid

1 after that day, it shall be unlawful for any corporation,  
2 company, or association, so in default, to transact any  
3 business in the municipality or fire protection district until  
4 the sum due has been fully paid. But this provision shall not  
5 relieve any corporation, company, or association from the  
6 payment of any loss upon any risk that may be taken in  
7 violation of this requirement.

8 The amount of this tax or license fee may be recovered from  
9 the corporation, company, or association which owes it, or from  
10 its agent, by an action in the name and for the use of the  
11 municipality or fire protection district as for money had and  
12 received.

13 The municipal comptroller, if any, and if not, then the  
14 municipal clerk or the secretary of the fire protection  
15 district, may examine the books, records, and other papers and  
16 documents of a designated agent, corporation, company, or  
17 association for the purpose of verifying the correctness of the  
18 report of the amounts received for fire insurance.

19 This section shall not be applicable to receipts from  
20 contracts of marine insurance, even though they include  
21 insurance against fire, where the premium for the fire  
22 insurance is not separately specified.
