

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 21-9 as follows:

6 (105 ILCS 5/21-9) (from Ch. 122, par. 21-9)

7 Sec. 21-9. Substitute certificates and substitute
8 teaching.

9 (a) A substitute teacher's certificate may be issued for
10 teaching in all grades of the common schools. Such certificate
11 may be issued upon request of the regional superintendent of
12 schools of any region in which the teacher is to teach. A
13 substitute teacher's certificate is valid for teaching in the
14 public schools of any county. Such certificate may be issued to
15 persons who either (a) hold a certificate valid for teaching in
16 the common schools as shown on the face of the certificate, (b)
17 hold a bachelor of arts degree from an institution of higher
18 learning accredited by the North Central Association or other
19 comparable regional accrediting association or have been
20 graduated from a recognized institution of higher learning with
21 a bachelor's degree, or (c) have had 2 years of teaching
22 experience and meet such other rules and regulations as may be
23 adopted by the State Board of Education in consultation with

1 the State Teacher Certification Board. Such certificate shall
2 expire on June 30 in the fourth year from date of issue.
3 Substitute teacher's certificates are not subject to
4 endorsement as described in Section 21-1b of this Code.

5 (b) A teacher holding a substitute teacher's certificate
6 may teach only in the place of a certified teacher who is under
7 contract with the employing board and may teach only when no
8 appropriate fully certified teacher is available to teach in a
9 substitute capacity. A teacher holding an early childhood
10 certificate, an elementary certificate, a high school
11 certificate, or a special certificate may also substitute teach
12 in grades K-12 but only in the place of a certified teacher who
13 is under contract with the employing board. A substitute
14 teacher may teach only for a period not to exceed 90 paid
15 school days or 450 paid school hours in any one school district
16 in any one school term. However, a teacher holding an early
17 childhood, elementary, high school, or special certificate may
18 substitute teach for a period not to exceed 120 paid school
19 days or 600 paid school hours in any one school district in any
20 one school term. Where such teaching is partly on a daily and
21 partly on an hourly basis, a school day shall be considered as
22 5 hours. The teaching limitations imposed by this subsection
23 upon teachers holding substitute certificates shall not apply
24 in any school district operating under Article 34.

25 (c) In order to substitute teach in the public schools, a
26 person holding a valid substitute teacher's certificate or a

1 person holding a valid early childhood certificate, a valid
2 elementary certificate, a valid high school certificate, or a
3 valid special certificate shall register as a substitute
4 teacher with the regional superintendent of schools in each
5 educational service region where the person will be employed. A
6 person who registers as a substitute teacher with the regional
7 superintendent of schools is responsible for (1) the payment of
8 fees to register the certificate for its period of validity,
9 (2) authorization of a criminal history records check and
10 checks of the Statewide Sex Offender Database and Statewide
11 Child Murderer and Violent Offender Against Youth Database, as
12 provided in Section 10-21.9 of this Code, (3) payment of the
13 cost of the criminal history records check and checks of the
14 Statewide Sex Offender Database and Statewide Child Murderer
15 and Violent Offender Against Youth Database, and (4) providing
16 evidence of physical fitness and freedom from communicable
17 disease, including tuberculosis, which may consist of a
18 physical examination and a tuberculin skin test as required by
19 Section 24-5 of this Code.

20 The regional superintendent of schools shall maintain a
21 file for each registered substitute teacher in the educational
22 service region that includes a copy of the person's
23 certificate, the results from the criminal history records
24 check and checks of the Statewide Sex Offender Database and
25 Statewide Child Murderer and Violent Offender Against Youth
26 Database, a copy of the physical examination, and a copy of the

1 tuberculin skin test. The regional superintendent of schools
2 shall issue a signed and sealed certificate of authorization to
3 the substitute teacher that verifies that the substitute
4 teacher has completed the registration process and criminal
5 history records check and checks of the Statewide Sex Offender
6 Database and Statewide Child Murderer and Violent Offender
7 Against Youth Database and has a physical examination and
8 negative tuberculin test on file with the regional
9 superintendent of schools and is thereby approved to substitute
10 teach in the public schools of the educational service region.
11 This certificate must be presented to all prospective employing
12 school districts in the educational service region, who shall
13 photocopy the certificate and keep a copy of the certificate
14 with employment records for the substitute teacher.

15 Persons wishing to substitute teach in more than one
16 educational service region shall register as a substitute
17 teacher with the appropriate regional superintendent of
18 schools. The registration process shall include all items
19 listed in the first paragraph of this subsection (b), with the
20 exception of the authorization of a criminal history records
21 check and checks of the Statewide Sex Offender Database and
22 Statewide Child Murderer and Violent Offender Against Youth
23 Database and the accompanying payment of associated fees. If
24 the substitute teacher has been issued a signed and sealed
25 certificate of authorization from another regional
26 superintendent of schools, the registering entity may

1 photocopy the certificate for its files and verify the
2 substitute teacher's registration status.

3 (d) A school board may adopt a substitute authorization
4 program for substitute teachers who do not hold a certificate
5 valid for teaching in the common schools as shown on the face
6 of the certificate. A substitute authorization program shall
7 consist of, but is not limited to, the following components:

8 (1) Classroom management. This component includes an
9 understanding of individual and group motivation and
10 behavior to create a learning environment that encourages
11 positive social interaction, active engagement in
12 learning, and self-motivation.

13 (2) Strategies for learning. This component includes
14 understanding and using a variety of learning strategies to
15 encourage students' development of critical thinking,
16 problem solving, and performance skills.

17 (3) Diversity. This component includes understanding
18 how students differ in their approaches to learning and
19 creating learning opportunities that are equitable and are
20 adaptable to diverse learners.

21 (4) Ethics. This component includes fostering
22 relationships with parents, school colleagues, and
23 organizations in the larger community to support students'
24 learning and development and to be aware of the State Board
25 of Education's rules of professional practice and
26 competent performance.
