

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Counties Code is amended by adding Section
5 5-12002.1 as follows:

6 (55 ILCS 5/5-12002.1 new)

7 Sec. 5-12002.1. Hazardous dilapidated motor vehicles.

8 (a) The General Assembly hereby finds that the
9 proliferation of hazardous dilapidated motor vehicles
10 constitutes a hazard to the health, safety, and welfare of the
11 public, and that addressing the problems caused by such
12 abandoned dilapidated vehicles constitutes a compelling and
13 fundamental governmental interest. The General Assembly also
14 finds that the only effective method of dealing with the
15 problem is to promulgate a comprehensive scheme to expedite the
16 towing and disposal of such vehicles.

17 (b) As used in this Section, "hazardous dilapidated motor
18 vehicle" means any motor vehicle with a substantial number of
19 essential parts, as defined by Section 1-118 of The Illinois
20 Vehicle Code, either damaged, removed, or altered or otherwise
21 so treated that the vehicle is incapable of being driven under
22 its own motor power or, which by its general state of
23 deterioration, poses a threat to the public's health, safety,

1 and welfare. "Hazardous dilapidated motor vehicle" shall not
2 include a motor vehicle that has been rendered temporarily
3 incapable of being driven under its own motor power in order to
4 perform ordinary service or repair operations. The owner of a
5 vehicle towed under the provisions of this Section shall be
6 entitled to any hearing or review of the towing of the vehicle
7 as provided by State or local law.

8 (c) A county board may by ordinance declare all inoperable
9 motor vehicles, whether on public or private property and in
10 view of the general public, to be hazardous dilapidated motor
11 vehicles, and may authorize a law enforcement agency, with
12 applicable jurisdiction, to remove immediately, any hazardous
13 dilapidated motor vehicle or parts thereof. Nothing in this
14 Section shall apply to any motor vehicle that is kept within a
15 building when not in use, to operable historic vehicles over 25
16 years of age, or to a motor vehicle on the premises of a place
17 of business engaged in the wrecking, selling, or junking of
18 motor vehicles.

19 Section 10. The Illinois Municipal Code is amended by
20 changing Section 11-40-3.1 as follows:

21 (65 ILCS 5/11-40-3.1) (from Ch. 24, par. 11-40-3.1)

22 Sec. 11-40-3.1. The General Assembly hereby finds that in
23 municipalities of more than 1,000,000 inhabitants, the
24 proliferation of hazardous dilapidated motor vehicles

1 constitutes a hazard to the health, safety and welfare of the
2 public, and that addressing the problems caused by such
3 abandoned dilapidated vehicles constitutes a compelling and
4 fundamental governmental interest. The General Assembly also
5 finds that the only effective method of dealing with the
6 problem is to promulgate a comprehensive scheme to expedite the
7 towing and disposal of such vehicles. The corporate authorities
8 of each municipality of 1,000,000 inhabitants or more may by
9 ordinance declare all inoperable motor vehicles, whether on
10 public or private property and in view of the general public,
11 to be hazardous dilapidated motor vehicles, and may authorize a
12 law enforcement agency, with applicable jurisdiction, to
13 remove immediately, any hazardous dilapidated motor vehicle or
14 parts thereof. Nothing in this Section shall apply to any motor
15 vehicle that is kept within a building when not in use, to
16 operable historic vehicles over 25 years of age, or to a motor
17 vehicle on the premises of a place of business engaged in the
18 wrecking, selling, or junking of motor vehicles.

19 As used in this Section, "hazardous dilapidated motor
20 vehicle" means any motor vehicle with a substantial number of
21 essential parts, as defined by Section 1-118 of The Illinois
22 Vehicle Code, either damaged, removed or altered or otherwise
23 so treated that the vehicle is incapable of being driven under
24 its own motor power or, which by its general state of
25 deterioration, poses a threat to the public's health, safety
26 and welfare. "Hazardous dilapidated motor vehicle" shall not

1 include a motor vehicle which has been rendered temporarily
2 incapable of being driven under its own motor power in order to
3 perform ordinary service or repair operations. The owner of a
4 vehicle towed under the provisions of this Section shall be
5 entitled to any hearing or review of the towing of such vehicle
6 as provided by State or local law.

7 (Source: P.A. 86-460.)

8 Section 15. The Illinois Vehicle Code is amended by
9 changing Section 4-203 as follows:

10 (625 ILCS 5/4-203) (from Ch. 95 1/2, par. 4-203)

11 Sec. 4-203. Removal of motor vehicles or other vehicles;
12 Towing or hauling away.

13 (a) When a vehicle is abandoned, or left unattended, on a
14 toll highway, interstate highway, or expressway for 2 hours or
15 more, its removal by a towing service may be authorized by a
16 law enforcement agency having jurisdiction.

17 (b) When a vehicle is abandoned on a highway in an urban
18 district 10 hours or more, its removal by a towing service may
19 be authorized by a law enforcement agency having jurisdiction.

20 (c) When a vehicle is abandoned or left unattended on a
21 highway other than a toll highway, interstate highway, or
22 expressway, outside of an urban district for 24 hours or more,
23 its removal by a towing service may be authorized by a law
24 enforcement agency having jurisdiction.

1 (d) When an abandoned, unattended, wrecked, burned or
2 partially dismantled vehicle is creating a traffic hazard
3 because of its position in relation to the highway or its
4 physical appearance is causing the impeding of traffic, its
5 immediate removal from the highway or private property adjacent
6 to the highway by a towing service may be authorized by a law
7 enforcement agency having jurisdiction.

8 (e) Whenever a peace officer reasonably believes that a
9 person under arrest for a violation of Section 11-501 of this
10 Code or a similar provision of a local ordinance is likely,
11 upon release, to commit a subsequent violation of Section
12 11-501, or a similar provision of a local ordinance, the
13 arresting officer shall have the vehicle which the person was
14 operating at the time of the arrest impounded for a period of
15 not more than 12 hours after the time of arrest. However, such
16 vehicle may be released by the arresting law enforcement agency
17 prior to the end of the impoundment period if:

18 (1) the vehicle was not owned by the person under
19 arrest, and the lawful owner requesting such release
20 possesses a valid operator's license, proof of ownership,
21 and would not, as determined by the arresting law
22 enforcement agency, indicate a lack of ability to operate a
23 motor vehicle in a safe manner, or who would otherwise, by
24 operating such motor vehicle, be in violation of this Code;
25 or

26 (2) the vehicle is owned by the person under arrest,

1 and the person under arrest gives permission to another
2 person to operate such vehicle, provided however, that the
3 other person possesses a valid operator's license and would
4 not, as determined by the arresting law enforcement agency,
5 indicate a lack of ability to operate a motor vehicle in a
6 safe manner or who would otherwise, by operating such motor
7 vehicle, be in violation of this Code.

8 (e-5) Whenever a registered owner of a vehicle is taken
9 into custody for operating the vehicle in violation of Section
10 11-501 of this Code or a similar provision of a local ordinance
11 or Section 6-303 of this Code, a law enforcement officer may
12 have the vehicle immediately impounded for a period not less
13 than:

14 (1) 24 hours for a second violation of Section 11-501
15 of this Code or a similar provision of a local ordinance or
16 Section 6-303 of this Code or a combination of these
17 offenses; or

18 (2) 48 hours for a third violation of Section 11-501 of
19 this Code or a similar provision of a local ordinance or
20 Section 6-303 of this Code or a combination of these
21 offenses.

22 The vehicle may be released sooner if the vehicle is owned
23 by the person under arrest and the person under arrest gives
24 permission to another person to operate the vehicle and that
25 other person possesses a valid operator's license and would
26 not, as determined by the arresting law enforcement agency,

1 indicate a lack of ability to operate a motor vehicle in a safe
2 manner or would otherwise, by operating the motor vehicle, be
3 in violation of this Code.

4 (f) Except as provided in Chapter 18a of this Code, the
5 owner or lessor of privately owned real property within this
6 State, or any person authorized by such owner or lessor, or any
7 law enforcement agency in the case of publicly owned real
8 property may cause any motor vehicle abandoned or left
9 unattended upon such property without permission to be removed
10 by a towing service without liability for the costs of removal,
11 transportation or storage or damage caused by such removal,
12 transportation or storage. The towing or removal of any vehicle
13 from private property without the consent of the registered
14 owner or other legally authorized person in control of the
15 vehicle is subject to compliance with the following conditions
16 and restrictions:

17 1. Any towed or removed vehicle must be stored at the
18 site of the towing service's place of business. The site
19 must be open during business hours, and for the purpose of
20 redemption of vehicles, during the time that the person or
21 firm towing such vehicle is open for towing purposes.

22 2. The towing service shall within 30 minutes of
23 completion of such towing or removal, notify the law
24 enforcement agency having jurisdiction of such towing or
25 removal, and the make, model, color and license plate
26 number of the vehicle, and shall obtain and record the name

1 of the person at the law enforcement agency to whom such
2 information was reported.

3 3. If the registered owner or legally authorized person
4 entitled to possession of the vehicle shall arrive at the
5 scene prior to actual removal or towing of the vehicle, the
6 vehicle shall be disconnected from the tow truck and that
7 person shall be allowed to remove the vehicle without
8 interference, upon the payment of a reasonable service fee
9 of not more than one half the posted rate of the towing
10 service as provided in paragraph 6 of this subsection, for
11 which a receipt shall be given.

12 4. The rebate or payment of money or any other valuable
13 consideration from the towing service or its owners,
14 managers or employees to the owners or operators of the
15 premises from which the vehicles are towed or removed, for
16 the privilege of removing or towing those vehicles, is
17 prohibited. Any individual who violates this paragraph
18 shall be guilty of a Class A misdemeanor.

19 5. Except for property appurtenant to and obviously a
20 part of a single family residence, and except for instances
21 where notice is personally given to the owner or other
22 legally authorized person in control of the vehicle that
23 the area in which that vehicle is parked is reserved or
24 otherwise unavailable to unauthorized vehicles and they
25 are subject to being removed at the owner or operator's
26 expense, any property owner or lessor, prior to towing or

1 removing any vehicle from private property without the
2 consent of the owner or other legally authorized person in
3 control of that vehicle, must post a notice meeting the
4 following requirements:

5 a. Except as otherwise provided in subparagraph
6 a.1 of this subdivision (f)5, the notice must be
7 prominently placed at each driveway access or curb cut
8 allowing vehicular access to the property within 5 feet
9 from the public right-of-way line. If there are no
10 curbs or access barriers, the sign must be posted not
11 less than one sign each 100 feet of lot frontage.

12 a.1. In a municipality with a population of less
13 than 250,000, as an alternative to the requirement of
14 subparagraph a of this subdivision (f)5, the notice for
15 a parking lot contained within property used solely for
16 a 2-family, 3-family, or 4-family residence may be
17 prominently placed at the perimeter of the parking lot,
18 in a position where the notice is visible to the
19 occupants of vehicles entering the lot.

20 b. The notice must indicate clearly, in not less
21 than 2 inch high light-reflective letters on a
22 contrasting background, that unauthorized vehicles
23 will be towed away at the owner's expense.

24 c. The notice must also provide the name and
25 current telephone number of the towing service towing
26 or removing the vehicle.

1 d. The sign structure containing the required
2 notices must be permanently installed with the bottom
3 of the sign not less than 4 feet above ground level,
4 and must be continuously maintained on the property for
5 not less than 24 hours prior to the towing or removing
6 of any vehicle.

7 6. Any towing service that tows or removes vehicles and
8 proposes to require the owner, operator, or person in
9 control of the vehicle to pay the costs of towing and
10 storage prior to redemption of the vehicle must file and
11 keep on record with the local law enforcement agency a
12 complete copy of the current rates to be charged for such
13 services, and post at the storage site an identical rate
14 schedule and any written contracts with property owners,
15 lessors, or persons in control of property which authorize
16 them to remove vehicles as provided in this Section. The
17 towing and storage charges, however, shall not exceed the
18 maximum allowed by the Illinois Commerce Commission under
19 Section 18a-200.

20 7. No person shall engage in the removal of vehicles
21 from private property as described in this Section without
22 filing a notice of intent in each community where he
23 intends to do such removal, and such notice shall be filed
24 at least 7 days before commencing such towing.

25 8. No removal of a vehicle from private property shall
26 be done except upon express written instructions of the

1 owners or persons in charge of the private property upon
2 which the vehicle is said to be trespassing.

3 9. Vehicle entry for the purpose of removal shall be
4 allowed with reasonable care on the part of the person or
5 firm towing the vehicle. Such person or firm shall be
6 liable for any damages occasioned to the vehicle if such
7 entry is not in accordance with the standards of reasonable
8 care.

9 10. When a vehicle has been towed or removed pursuant
10 to this Section, it must be released to its owner or
11 custodian within one half hour after requested, if such
12 request is made during business hours. Any vehicle owner or
13 custodian or agent shall have the right to inspect the
14 vehicle before accepting its return, and no release or
15 waiver of any kind which would release the towing service
16 from liability for damages incurred during the towing and
17 storage may be required from any vehicle owner or other
18 legally authorized person as a condition of release of the
19 vehicle. A detailed, signed receipt showing the legal name
20 of the towing service must be given to the person paying
21 towing or storage charges at the time of payment, whether
22 requested or not.

23 This Section shall not apply to law enforcement,
24 firefighting, rescue, ambulance, or other emergency vehicles
25 which are marked as such or to property owned by any
26 governmental entity.

1 When an authorized person improperly causes a motor vehicle
2 to be removed, such person shall be liable to the owner or
3 lessee of the vehicle for the cost or removal, transportation
4 and storage, any damages resulting from the removal,
5 transportation and storage, attorney's fee and court costs.

6 Any towing or storage charges accrued shall be payable by
7 the use of any major credit card, in addition to being payable
8 in cash.

9 11. Towing companies shall also provide insurance
10 coverage for areas where vehicles towed under the
11 provisions of this Chapter will be impounded or otherwise
12 stored, and shall adequately cover loss by fire, theft or
13 other risks.

14 Any person who fails to comply with the conditions and
15 restrictions of this subsection shall be guilty of a Class C
16 misdemeanor and shall be fined not less than \$100 nor more than
17 \$500.

18 (g)(1) When a vehicle is determined to be a hazardous
19 dilapidated motor vehicle pursuant to Section 11-40-3.1 of the
20 Illinois Municipal Code or Section 5-12002.1 of the Counties
21 Code, its removal and impoundment by a towing service may be
22 authorized by a law enforcement agency with appropriate
23 jurisdiction.

24 (2) When a vehicle removal from either public or private
25 property is authorized by a law enforcement agency, the owner
26 of the vehicle shall be responsible for all towing and storage

1 charges.

2 (3) Vehicles removed from public or private property and
3 stored by a commercial vehicle relocater or any other towing
4 service authorized by a law enforcement agency in compliance
5 with this Section and Sections 4-201 and 4-202 of this Code, or
6 at the request of the vehicle owner or operator, shall be
7 subject to a possessor lien for services pursuant to the Labor
8 and Storage Lien (Small Amount) Act. The provisions of Section
9 1 of that Act relating to notice and implied consent shall be
10 deemed satisfied by compliance with Section 18a-302 and
11 subsection (6) of Section 18a-300. In no event shall such lien
12 be greater than the rate or rates established in accordance
13 with subsection (6) of Section 18a-200 of this Code. In no
14 event shall such lien be increased or altered to reflect any
15 charge for services or materials rendered in addition to those
16 authorized by this Act. Every such lien shall be payable by use
17 of any major credit card, in addition to being payable in cash.

18 (4) Any personal property belonging to the vehicle owner in
19 a vehicle subject to a lien under this subsection (g) shall
20 likewise be subject to that lien, excepting only: child
21 restraint systems as defined in Section 4 of the Child
22 Passenger Protection Act and other child booster seats;
23 eyeglasses; food; medicine; perishable property; any
24 operator's licenses; any cash, credit cards, or checks or
25 checkbooks; any wallet, purse, or other property containing any
26 operator's license or other identifying documents or

1 materials, cash, credit cards, checks, or checkbooks; and any
2 personal property belonging to a person other than the vehicle
3 owner if that person provides adequate proof that the personal
4 property belongs to that person. The spouse, child, mother,
5 father, brother, or sister of the vehicle owner may claim
6 personal property excepted under this paragraph (4) if the
7 person claiming the personal property provides the commercial
8 vehicle relocater or towing service with the authorization of
9 the vehicle owner.

10 (5) This paragraph (5) applies only in the case of a
11 vehicle that is towed as a result of being involved in an
12 accident. In addition to the personal property excepted under
13 paragraph (4), all other personal property in a vehicle subject
14 to a lien under this subsection (g) is exempt from that lien
15 and may be claimed by the vehicle owner if the vehicle owner
16 provides the commercial vehicle relocater or towing service
17 with proof that the vehicle owner has an insurance policy
18 covering towing and storage fees. The spouse, child, mother,
19 father, brother, or sister of the vehicle owner may claim
20 personal property in a vehicle subject to a lien under this
21 subsection (g) if the person claiming the personal property
22 provides the commercial vehicle relocater or towing service
23 with the authorization of the vehicle owner and proof that the
24 vehicle owner has an insurance policy covering towing and
25 storage fees. The regulation of liens on personal property and
26 exceptions to those liens in the case of vehicles towed as a

1 result of being involved in an accident are exclusive powers
2 and functions of the State. A home rule unit may not regulate
3 liens on personal property and exceptions to those liens in the
4 case of vehicles towed as a result of being involved in an
5 accident. This paragraph (5) is a denial and limitation of home
6 rule powers and functions under subsection (h) of Section 6 of
7 Article VII of the Illinois Constitution.

8 (6) No lien under this subsection (g) shall: exceed \$2,000
9 in its total amount; or be increased or altered to reflect any
10 charge for services or materials rendered in addition to those
11 authorized by this Act.

12 (h) Whenever a peace officer issues a citation to a driver
13 for a violation of subsection (a) of Section 11-506 of this
14 Code, the arresting officer may have the vehicle which the
15 person was operating at the time of the arrest impounded for a
16 period of 5 days after the time of arrest. An impounding agency
17 shall release a motor vehicle impounded under this subsection
18 (h) to the registered owner of the vehicle under any of the
19 following circumstances:

20 (1) If the vehicle is a stolen vehicle; or

21 (2) If the person ticketed for a violation of
22 subsection (a) of Section 11-506 of this Code was not
23 authorized by the registered owner of the vehicle to
24 operate the vehicle at the time of the violation; or

25 (3) If the registered owner of the vehicle was neither
26 the driver nor a passenger in the vehicle at the time of

1 the violation or was unaware that the driver was using the
2 vehicle to engage in street racing; or

3 (4) If the legal owner or registered owner of the
4 vehicle is a rental car agency; or

5 (5) If, prior to the expiration of the impoundment
6 period specified above, the citation is dismissed or the
7 defendant is found not guilty of the offense.
