6 (510 ILCS 5/8) (from Ch. 8, par. 358)

7 Sec. 8. Every owner of a dog 4 months or more of age shall  
8 have each dog inoculated against rabies by a licensed  
9 veterinarian. Every dog shall have a second rabies vaccination  
10 within one year of the ~~the~~ first. Terms of subsequent vaccine

14 shall be approved by the Board and which shall contain the  
15 microchip number of the animal if it has one and which shall be

17 Veterinarians who inoculate a dog shall procure from the County  
18 Animal Control in the county where their office is located  
19 serially numbered tags, one to be issued with each inoculation  
20 certificate. Only one dog shall be included on each  
21 certificate. The veterinarian immunizing or microchipping an  
22 animal shall provide the Administrator of the county in which  
23 the animal resides with a certificate of immunization and

11 but the owner must still be responsible for the fees.
