1 AMENDMENT TO HOUSE BILL 4596

2 AMENDMENT NO. _____. Amend House Bill 4596 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from disclosure
10 under this Section, but also contains information that is not
11 exempt from disclosure, the public body may elect to redact the
12 information that is exempt. The public body shall make the
13 remaining information available for inspection and copying.
14 Subject to this requirement, the following shall be exempt from
15 inspection and copying:

16 (a) Information specifically prohibited from

1 disclosure by federal or State law or rules and regulations
2 implementing federal or State law.

3 (b) Private information, unless disclosure is required
4 by another provision of this Act, a State or federal law or
5 a court order.

6 (b-5) Files, documents, and other data or databases
7 maintained by one or more law enforcement agencies and
8 specifically designed to provide information to one or more
9 law enforcement agencies regarding the physical or mental
10 status of one or more individual subjects.

11 (c) Personal information contained within public
12 records, the disclosure of which would constitute a clearly
13 unwarranted invasion of personal privacy, unless the
14 disclosure is consented to in writing by the individual
15 subjects of the information. "Unwarranted invasion of
16 personal privacy" means the disclosure of information that
17 is highly personal or objectionable to a reasonable person
18 and in which the subject's right to privacy outweighs any
19 legitimate public interest in obtaining the information.
20 The disclosure of information that bears on the public
21 duties of public employees and officials shall not be
22 considered an invasion of personal privacy.

23 (d) Records in the possession of any public body
24 created in the course of administrative enforcement
25 proceedings, and any law enforcement or correctional
26 agency for law enforcement purposes, but only to the extent

1 that disclosure would:

2 (i) interfere with pending or actually and
3 reasonably contemplated law enforcement proceedings
4 conducted by any law enforcement or correctional
5 agency that is the recipient of the request;

6 (ii) interfere with active administrative
7 enforcement proceedings conducted by the public body
8 that is the recipient of the request;

9 (iii) create a substantial likelihood that a
10 person will be deprived of a fair trial or an impartial
11 hearing;

12 (iv) unavoidably disclose the identity of a
13 confidential source, confidential information
14 furnished only by the confidential source, or persons
15 who file complaints with or provide information to
16 administrative, investigative, law enforcement, or
17 penal agencies; except that the identities of
18 witnesses to traffic accidents, traffic accident
19 reports, and rescue reports shall be provided by
20 agencies of local government, except when disclosure
21 would interfere with an active criminal investigation
22 conducted by the agency that is the recipient of the
23 request;

24 (v) disclose unique or specialized investigative
25 techniques other than those generally used and known or
26 disclose internal documents of correctional agencies

1 related to detection, observation or investigation of
2 incidents of crime or misconduct, and disclosure would
3 result in demonstrable harm to the agency or public
4 body that is the recipient of the request;

5 (vi) endanger the life or physical safety of law
6 enforcement personnel or any other person; or

7 (vii) obstruct an ongoing criminal investigation
8 by the agency that is the recipient of the request.

9 (d-5) A law enforcement record created for law
10 enforcement purposes and contained in a shared electronic
11 record management system if the law enforcement agency that
12 is the recipient of the request did not create the record,
13 did not participate in or have a role in any of the events
14 which are the subject of the record, and only has access to
15 the record through the shared electronic record management
16 system.

17 (e) Records that relate to or affect the security of
18 correctional institutions and detention facilities.

19 (f) Preliminary drafts, notes, recommendations,
20 memoranda and other records in which opinions are
21 expressed, or policies or actions are formulated, except
22 that a specific record or relevant portion of a record
23 shall not be exempt when the record is publicly cited and
24 identified by the head of the public body. The exemption
25 provided in this paragraph (f) extends to all those records
26 of officers and agencies of the General Assembly that

1 pertain to the preparation of legislative documents.

2 (g) Trade secrets and commercial or financial
3 information obtained from a person or business where the
4 trade secrets or commercial or financial information are
5 furnished under a claim that they are proprietary,
6 privileged or confidential, and that disclosure of the
7 trade secrets or commercial or financial information would
8 cause competitive harm to the person or business, and only
9 insofar as the claim directly applies to the records
10 requested.

11 The information included under this exemption includes
12 all trade secrets and commercial or financial information
13 obtained by a public body, including a public pension fund,
14 from a private equity fund or a privately held company
15 within the investment portfolio of a private equity fund as
16 a result of either investing or evaluating a potential
17 investment of public funds in a private equity fund. The
18 exemption contained in this item does not apply to the
19 aggregate financial performance information of a private
20 equity fund, nor to the identity of the fund's managers or
21 general partners. The exemption contained in this item does
22 not apply to the identity of a privately held company
23 within the investment portfolio of a private equity fund,
24 unless the disclosure of the identity of a privately held
25 company may cause competitive harm.

26 Nothing contained in this paragraph (g) shall be

1 construed to prevent a person or business from consenting
2 to disclosure.

3 (h) Proposals and bids for any contract, grant, or
4 agreement, including information which if it were
5 disclosed would frustrate procurement or give an advantage
6 to any person proposing to enter into a contractor
7 agreement with the body, until an award or final selection
8 is made. Information prepared by or for the body in
9 preparation of a bid solicitation shall be exempt until an
10 award or final selection is made.

11 (i) Valuable formulae, computer geographic systems,
12 designs, drawings and research data obtained or produced by
13 any public body when disclosure could reasonably be
14 expected to produce private gain or public loss. The
15 exemption for "computer geographic systems" provided in
16 this paragraph (i) does not extend to requests made by news
17 media as defined in Section 2 of this Act when the
18 requested information is not otherwise exempt and the only
19 purpose of the request is to access and disseminate
20 information regarding the health, safety, welfare, or
21 legal rights of the general public.

22 (j) The following information pertaining to
23 educational matters:

24 (i) test questions, scoring keys and other
25 examination data used to administer an academic
26 examination;

2 secondary school, college, or university under its
3 procedures for the evaluation of faculty members by
4 their academic peers;

5 (iii) information concerning a school or
6 university's adjudication of student disciplinary
7 cases, but only to the extent that disclosure would
8 unavoidably reveal the identity of the student; and

9 (iv) course materials or research materials used
10 by faculty members.

11 (k) Architects' plans, engineers' technical
12 submissions, and other construction related technical
13 documents for projects not constructed or developed in
14 whole or in part with public funds and the same for
15 projects constructed or developed with public funds,
16 including but not limited to power generating and
17 distribution stations and other transmission and
18 distribution facilities, water treatment facilities,
19 airport facilities, sport stadiums, convention centers,
20 and all government owned, operated, or occupied buildings,
21 but only to the extent that disclosure would compromise
22 security.

23 (1) Minutes of meetings of public bodies closed to the
24 public as provided in the Open Meetings Act until the
25 public body makes the minutes available to the public under
26 Section 2.06 of the Open Meetings Act.

1 (m) Communications between a public body and an
2 attorney or auditor representing the public body that would
3 not be subject to discovery in litigation, and materials
4 prepared or compiled by or for a public body in
5 anticipation of a criminal, civil or administrative
6 proceeding upon the request of an attorney advising the
7 public body, and materials prepared or compiled with
8 respect to internal audits of public bodies.

9 (n) Records relating to a public body's adjudication of
10 employee grievances or disciplinary cases; however, this
11 exemption shall not extend to the final outcome of cases in

21 security of the system or its data or the security of
22 materials exempt under this Section.

23 (p) Records relating to collective negotiating matters
24 between public bodies and their employees or
25 representatives, except that any final contract or
26 agreement shall be subject to inspection and copying.

1 (q) Test questions, scoring keys, and other
2 examination data used to determine the qualifications of an
3 applicant for a license or employment.

4 (r) The records, documents, and information relating
5 to real estate purchase negotiations until those
6 negotiations have been completed or otherwise terminated.
7 With regard to a parcel involved in a pending or actually
8 and reasonably contemplated eminent domain proceeding
9 under the Eminent Domain Act, records, documents and
10 information relating to that parcel shall be exempt except
11 as may be allowed under discovery rules adopted by the
12 Illinois Supreme Court. The records, documents and
13 information relating to a real estate sale shall be exempt
14 until a sale is consummated.

16 related to the operation of an intergovernmental risk

18 self-administered health and accident cooperative or pool.

20 intergovernmental risk management association or self
21 insurance pool) claims, loss or risk management
22 information, records, data, advice or communications.

23 (t) Information contained in or related to
24 examination, operating, or condition reports prepared by,
25 on behalf of, or for the use of a public body responsible
26 for the regulation or supervision of financial

2 otherwise required by State law.

3 (u) Information that would disclose or might lead to
4 the disclosure of secret or confidential information,
5 codes, algorithms, programs, or private keys intended to be
6 used to create electronic or digital signatures under the
7 Electronic Commerce Security Act.

8 (v) Vulnerability assessments, security measures, and
9 response policies or plans that are designed to identify,
10 prevent, or respond to potential attacks upon a community's
11 population or systems, facilities, or installations, the
12 destruction or contamination of which would constitute a
13 clear and present danger to the health or safety of the
14 community, but only to the extent that disclosure could
15 reasonably be expected to jeopardize the effectiveness of
16 the measures or the safety of the personnel who implement
17 them or the public. Information exempt under this item may
18 include such things as details pertaining to the
19 mobilization or deployment of personnel or equipment, to

21 tactical operations.
