1 AMENDMENT TO HOUSE BILL 4757

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 4757 as follows:  
3 on page 1, line 13, by replacing "Office," with "Office"; and

4 by replacing lines 14 through 20 with the following:  
5 "1, 2013. The compliance plan must be submitted no later than  
6 November 1, 2012 and must include all of the following:

7 (1) Fire sprinkler system working drawings and  
8 hydraulic calculations.

9 (2) A water supply analysis to determine available  
10 water and the need for a fire pump.

11 (3) A fire sprinkler system installation schedule  
12 showing a minimum of the following:

13 (A) the drawing and calculation submittal date to  
14 the authority having jurisdiction and the projected  
15 duration;

16 (B) the fabrication and material procurement date  
17 and the projected duration;

1                   (C) the field installation start date and the  
2                   projected duration;

3                   (D) the final testing and punch list date and the  
4                   projected duration; and

5                   (E) the projected project completion date.

6                   If the compliance plan is approved by the Office of the State  
7                   Fire Marshal, then the deadline for fire sprinklers to be  
8                   installed and operational shall be extended to September 1,  
9                   2014. A"; and

10                   on page 1, line 22, after "This", by inserting "fire sprinkler  
11                   system".
