HOUSE RESOLUTION

2 WHEREAS, Children's interstitial lung disease includes a
3 group of rare life-threatening lung diseases in children that
4 may lead to progressive, incurable lung scarring or life-long
5 lung problems; and

6 WHEREAS, Certain children's interstitial lung diseases can
7 progress quickly, often causing disability or death within the
8 first two years of life; and

9 WHEREAS, Children's interstitial lung disease is one of the
10 leading causes of lung transplantation in children, due to
11 scarring and an irreversible loss of the lung tissue's ability
12 to transport oxygen; and

13 WHEREAS, Children's interstitial lung disease is not the
14 same as adult interstitial lung disease; and

15 WHEREAS, Children's interstitial lung diseases are caused
16 by poorly understood genetic abnormalities that affect
17 families, producing infection, bleeding in the lungs,
18 autoimmune diseases, or abnormal lung development; and

19 WHEREAS, Children's interstitial lung diseases are often
20 mis-diagnosed or under-diagnosed; and

1 WHEREAS, There is no proven cure or treatment for
2 children's interstitial lung diseases; and

3 WHEREAS, Limited funding is available for these rare lung
4 problems in children; and

5 WHEREAS, A need has been identified to increase research
6 funding, awareness, and detection of these mis-diagnosed and
7 under-diagnosed disorders, as well as all incarnations of
8 children's interstitial lung disease; therefore, be it

9 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE
10 NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that
11 we recognize the need to pursue research into the causes, a
12 treatment, and an eventual cure for children's interstitial
13 lung disease; and be it further

14 RESOLVED, That we support the work of advocates and
15 organizations in educating, supporting, and providing hope for
16 individuals who suffer from children's interstitial lung
17 disease; and be it further

18 RESOLVED, That we congratulate advocates and organizations
19 for their efforts to educate the public about children's
20 interstitial lung disease, while funding research to help find

1 a cure for this disorder; and be it further

2 RESOLVED, That we designate June 26-July 2, 2011, as
3 Children's Interstitial Lung Disease Awareness Week in the
4 State of Illinois.
