1 State Police to track purchases of targeted methamphetamine
2 precursors across multiple locations for the purposes stated in
3 Section 5 of this Act. Every covered pharmacy must comply with
4 this Act. The tracking program created by this Act shall be the
5 sole methamphetamine precursor tracking program in Illinois.

6 (b) Transmission of electronic transaction records. Unless
7 otherwise provided in this Act, each time a covered pharmacy
8 distributes a targeted methamphetamine precursor to a
9 recipient, the pharmacy shall transmit an electronic
10 transaction record to the Central Repository.

11 (c) Notification. The Illinois Department of Financial and
12 Professional Regulation shall notify pharmacies seeking
13 licensure in Illinois of their obligation to comply with the
14 requirements of this Act.

15 (d) Electronic transmission. Starting on the effective
16 date of this Act and continuing thereafter, covered pharmacies
17 shall transmit all electronic transaction records as required
18 by this Act.

19 (e) Funding. Funding for the tracking program shall be
20 provided by the Illinois State Police drawing upon federal and
21 State grant money and other available sources.

22 Section 20. Secure website.

23 (a) The Illinois State Police shall establish a secure
24 website for the transmission of electronic transaction records
25 and make it available free of charge to covered pharmacies.

1 (b) The secure website shall enable covered pharmacies to
2 transmit to the Central Repository an electronic transaction
3 record each time the pharmacy distributes a targeted
4 methamphetamine precursor to a recipient.

5 (c) If the secure website becomes unavailable to a covered
6 pharmacy, the covered pharmacy may, during the period in which
7 the secure website is not available, continue to distribute
8 targeted methamphetamine precursor without using the secure
9 website if, during this period, the covered pharmacy maintains
10 and transmits handwritten logs as described in Sections 20 and
11 25 of the Methamphetamine Precursor Control Act.

12 Section 25. Confidentiality of records.

13 (a) The Central Repository may delete each electronic
14 transaction record and handwritten log entry 48 months after
15 the date of the transaction it describes.

16 (b) The Illinois State Police and Central Repository shall
17 carry out a program to protect the confidentiality of
18 electronic transaction records created pursuant to this Act and
19 shall ensure that this information remains completely
20 confidential except as specifically provided in subsections

7 (e) The Illinois State Police may release electronic

15 entries solely for the purpose of identifying, investigating,

17 federal law or rule involving a methamphetamine precursor,
18 methamphetamine, or any other controlled substance.

19 (f) The Illinois State Police may release to the recipient
20 any electronic transaction records clearly relating to that
21 recipient, upon sufficient proof of identity.

12 any suspicious activity concerning a targeted methamphetamine
13 precursor or other methamphetamine ingredient or ingredients,
14 the agent or employee and the pharmacy or retail distributor
15 itself are immune from civil liability based on allegations of
16 defamation, libel, slander, false arrest, or malicious
17 prosecution, or similar allegations, except in cases of willful
18 or wanton misconduct. A covered pharmacy that uses the
19 electronic sales tracking system in accordance with this Act is
20 immune from civil liability for any act or omission committed
21 in carrying out the duties required by this Section, unless the
22 act or omission was due to deliberate or willful and wanton
23 misconduct. A covered pharmacy is not liable for damages
24 resulting from a data breach that was proximately caused by a
25 failure on the part of the electronic sales tracking system.

1 Section 40. Preemption. The regulation of the tracking of
2 methamphetamine precursors is an exclusive power and function
3 of the State. A county or municipality, including a home rule
4 unit, may not regulate the tracking of methamphetamine
5 precursors. This Section is a denial and limitation of home
6 rule powers under subsection (h) of Section 6 of Article VII of
