4 Section 5. The Illinois Highway Code is amended by changing
5 Section 6-130 as follows:

6 (605 ILCS 5/6-130) (from Ch. 121, par. 6-130)

7 Sec. 6-130. Notwithstanding any other provision of this Act
8 to the contrary, no township road district may continue in
9 existence if the roads forming a part of the district do not
10 exceed a total of 100 4 miles in length. For purposes of this
11 Section, the roads forming a part of a township road district
12 include those roads maintained by the district, regardless of
13 whether or not those roads are owned by the township. On the
14 first Tuesday in April of 1975, or of any subsequent year next
15 succeeding the reduction of a township road system to a total
16 mileage of 100 4 miles or less, each such township road
17 district shall, by operation of law, be abolished. The roads
18 comprising that district at that time shall thereafter be
19 administered by the township board of trustees by contracting
20 with the county, a municipality or a private contractor. The
21 township board of trustees shall assume all taxing authority of
22 a township road district abolished under this Section.
