LRB097 19914 RPM 67095 a

1 AMENDMENT TO SENATE BILL 3408

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3408 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by adding Sections  
5 10-20.55 and 34-18.47 as follows:

6 (105 ILCS 5/10-20.55 new)

7 Sec. 10-20.55. Prohibition on industrially produced trans  
8 fat.

9 (a) For purposes of this Section:

10 "Food containing industrially produced trans fat" means a  
11 food that contains vegetable shortening, margarine, or any kind  
12 of partially hydrogenated vegetable oil, unless the  
13 manufacturer's documentation or the label required on the food,  
14 pursuant to applicable federal laws and regulations, lists the  
15 trans fat content as zero grams of trans fat per serving.

16 "School food service establishment" means a place that

1 regularly sells or serves a food item or meal on a school  
2 campus.

3 (b) Each school district must not make available food  
4 containing industrially produced trans fat or use food  
5 containing industrially produced trans fat in the preparation  
6 of a food item served to students from any source, including,  
7 but not limited to, school stores, school vending machines,  
8 school cafeterias, school food service establishments, and  
9 fundraising activities on school premises.

10 (c) Subsection (b) of this Section applies to all food and  
11 beverages sold on school grounds during the regular and  
12 extended school day. The extended school day shall include  
13 activities such as clubs, yearbook, band and choir practice,  
14 student government, drama, and childcare and latchkey  
15 programs.

16 (d) This Section does not apply to food provided through a  
17 United States Department of Agriculture meal program, packaged  
18 items used for fundraising, or food or beverages provided by  
19 parents or guardians. This Section does not apply to activities  
20 or programs organized and supervised by a private or  
21 not-for-profit organization on school premises.

22 (105 ILCS 5/34-18.47 new)

23 Sec. 34-18.47. Prohibition on industrially produced trans  
24 fat.

25 (a) For purposes of this Section:

1       "Food containing industrially produced trans fat" means a  
2 food that contains vegetable shortening, margarine, or any kind  
3 of partially hydrogenated vegetable oil, unless the  
4 manufacturer's documentation or the label required on the food,  
5 pursuant to applicable federal laws and regulations, lists the  
6 trans fat content as zero grams of trans fat per serving.

7       "School food service establishment" means a place that  
8 regularly sells or serves a food item or meal on a school  
9 campus.

10       (b) The school district must not make available food  
11 containing industrially produced trans fat or use food  
12 containing industrially produced trans fat in the preparation  
13 of a food item served to students from any source, including,  
14 but not limited to, school stores, school vending machines,  
15 school cafeterias, school food service establishments, and  
16 fundraising activities on school premises.

17       (c) Subsection (b) of this Section applies to all food and  
18 beverages sold on school grounds during the regular and  
19 extended school day. The extended school day shall include  
20 activities such as clubs, yearbook, band and choir practice,  
21 student government, drama, and childcare and latchkey  
22 programs.

23       (d) This Section does not apply to food provided through a  
24 United States Department of Agriculture meal program, packaged  
25 items used for fundraising, or food or beverages provided by  
26 parents or guardians. This Section does not apply to activities

1 or programs organized and supervised by a private or  
2 not-for-profit organization on school premises.

3 Section 99. Effective date. This Act takes effect January  
4 1, 2014."
