14          ~~No redistricting shall be required in order to reduce the~~  
15 ~~number of aldermen in order to comply with this Section.~~

16          (b) Instead of the number of aldermen set forth in  
17 subsection (a), a municipality with 15,000 or more inhabitants  
18 may adopt, either by ordinance or by resolution, not more than  
19 one year after the municipality's receipt of the new federal  
20 decennial census results, the following number of aldermen: in  
21 cities exceeding 15,000 but not exceeding 20,000, 8 aldermen;

15 (65 ILCS 5/3.1-20-25) (from Ch. 24, par. 3.1-20-25)

16 Sec. 3.1-20-25. Redistricting a city.

17 (a) In the formation of wards, the number of inhabitants of  
18 the city immediately preceding the division of the city into  
19 wards shall be as nearly equal in population, and the wards  
20 shall be of as compact and contiguous territory, as  
21 practicable. Wards shall be created in a manner so that, as far  
22 as practicable, no precinct shall be divided between 2 or more  
23 wards.

24 (b) Whenever an official decennial census shows that a city  
25 contains more or fewer wards than it is entitled to, the city

1 council of the city, by ordinance, shall redistrict the city  
2 into as many wards as the city is entitled. This redistricting  
3 shall be completed not less than 30 days before the first day  
4 set by the general election law for the filing of candidate  
5 petitions for the next succeeding election for city officers.  
6 At this election there shall be elected the number of aldermen  
7 to which the city is entitled, except as provided in subsection  
8 (c).

9 (c) If it appears from any official decennial census that  
10 it is necessary to redistrict under subsection (b) or for any  
11 other reason ~~a city has the requisite number of inhabitants to~~  
12 ~~authorize it to increase the number of aldermen,~~ the city  
13 council shall immediately proceed to redistrict the city and  
14 shall hold the next city election in accordance with the new  
15 redistricting. At this election the aldermen whose terms of  
16 office are not expiring shall be considered aldermen for the  
17 new wards respectively in which their residences are situated.  
18 At this election, in a municipality that is not a newly  
19 incorporated municipality, a candidate for alderman may be  
20 elected from any ward that contains a part of the ward in which  
21 he or she resided at least one year next preceding the election  
22 that follows the redistricting, and, if elected, that person  
23 may be reelected from the new ward he or she represents if he  
24 or she resides in that ward for at least one year next  
25 preceding reelection. If there are 2 or more aldermen with  
26 terms of office not expiring and residing in the same ward

1 under the new redistricting, the alderman who holds over for  
2 that ward shall be determined by lot in the presence of the  
3 city council, in the manner directed by the council, and all  
4 other aldermen shall fill their unexpired terms as  
5 aldermen-at-large. The aldermen-at-large, if any, shall have  
6 the same powers and duties as all other aldermen, but upon the  
7 expiration of their terms the offices of aldermen-at-large  
8 shall be abolished.

9 (d) If the redistricting results in one or more wards in  
10 which no aldermen reside whose terms of office have not  
11 expired, 2 aldermen shall be elected in accordance with Section  
12 3.1-20-35, unless the city elected only one alderman per ward  
13 pursuant to a referendum under subsection (a) of Section  
14 3.1-20-20.

15 (e) A redistricting ordinance that has decreased the number  
16 of wards of a city because of a decrease in population of the  
17 city shall not be effective if, not less than 60 days before  
18 the time fixed for the next succeeding general municipal  
19 election, an official census is officially published that shows  
20 that the city has regained a population that entitles it to the  
21 number of wards that it had just before the passage of the last  
22 redistricting ordinance.
