1 AN ACT to revise the law by combining multiple enactments
2 and making technical corrections.

3 **Be it enacted by the People of the State of Illinois,**
4 **represented in the General Assembly:**

5 Section 1. Nature of this Act.

6 (a) This Act may be cited as the First 2012 General
7 Revisory Act.

8 (b) This Act is not intended to make any substantive change
9 in the law. It reconciles conflicts that have arisen from
10 multiple amendments and enactments and makes technical
11 corrections and revisions in the law.

12 This Act revises and, where appropriate, renumbers certain
13 Sections that have been added or amended by more than one
14 Public Act. In certain cases in which a repealed Act or Section
15 has been replaced with a successor law, this Act may
16 incorporate amendments to the repealed Act or Section into the
17 successor law. This Act also corrects errors, revises
18 cross-references, and deletes obsolete text.

19 (c) In this Act, the reference at the end of each amended
20 Section indicates the sources in the Session Laws of Illinois
21 that were used in the preparation of the text of that Section.
22 The text of the Section included in this Act is intended to
23 include the different versions of the Section found in the
24 Public Acts included in the list of sources, but may not

1 include other versions of the Section to be found in Public
2 Acts not included in the list of sources. The list of sources
3 is not a part of the text of the Section.

4 (d) Public Acts 96-1480 through 97-625 were considered in
5 the preparation of the combining revisories included in this
6 Act. Many of those combining revisories contain no striking or
7 underscoring because no additional changes are being made in
8 the material that is being combined.

9 Section 5. The Regulatory Sunset Act is amended by changing
10 Sections 4.32 and 7 as follows:

22 Sec. 7. Additional criteria. In determining whether to
23 recommend to the General Assembly under Section 5 the
24 continuation of a regulatory agency or program or any function

1 thereof, the Governor shall also consider the following
2 criteria:

3 (1) whether the absence of regulation would significantly
4 harm or endanger the public health, safety or welfare;

5 (2) whether there is a reasonable relationship between the
6 exercise of the State's police power and the protection of the
7 public health, safety or welfare;

8 (3) whether there is another less restrictive method of
9 regulation available which could adequately protect the
10 public;

11 (4) whether the regulation has the effect of directly or
12 indirectly increasing the costs of any goods or services
13 involved, and if so, to what degree;

14 (5) whether the increase in cost is more harmful to the
15 public than the harm which could result from the absence of
16 regulation; and

17 (6) whether all facets of the regulatory process are
18 designed solely for the purpose of, and have as their primary
19 effect ~~affect~~, the protection of the public.

21 Section 10. The Open Meetings Act is amended by changing
22 Section 2 as follows:

23 (5 ILCS 120/2) (from Ch. 102, par. 42)

1 (a) Openness required. All meetings of public bodies shall
2 be open to the public unless excepted in subsection (c) and
3 closed in accordance with Section 2a.

4 (b) Construction of exceptions. The exceptions contained
5 in subsection (c) are in derogation of the requirement that
6 public bodies meet in the open, and therefore, the exceptions
7 are to be strictly construed, extending only to subjects
8 clearly within their scope. The exceptions authorize but do not
9 require the holding of a closed meeting to discuss a subject
10 included within an enumerated exception.

11 (c) Exceptions. A public body may hold closed meetings to
12 consider the following subjects:

13 (1) The appointment, employment, compensation,

4 ordinance.

5 (4) Evidence or testimony presented in open hearing, or
6 in closed hearing where specifically authorized by law, to

10 determinative reasoning.

6 recorded and entered into the minutes of the closed
7 meeting.

8 (12) The establishment of reserves or settlement of
9 claims as provided in the Local Governmental and
10 Governmental Employees Tort Immunity Act, if otherwise the
11 disposition of a claim or potential claim might be

13 risk management information, records, data, advice or

15 public body or any intergovernmental risk management
16 association or self insurance pool of which the public body
17 is a member.

18 (13) Conciliation of complaints of discrimination in
19 the sale or rental of housing, when closed meetings are
20 authorized by the law or ordinance prescribing fair housing
21 practices and creating a commission or administrative
22 agency for their enforcement.

23 (14) Informant sources, the hiring or assignment of
24 undercover personnel or equipment, or ongoing, prior or
25 future criminal investigations, when discussed by a public
26 body with criminal investigatory responsibilities.

22 is suspected, alleged, or substantiated; provided that
23 before the review team holds a closed meeting, or closes an
24 open meeting, to discuss the confidential information,
25 each participating review team member seeking to disclose
26 the confidential information in the closed meeting or

1 closed portion of the meeting must state on the record
2 during an open meeting or the open portion of a meeting the
3 nature of the information to be disclosed and the legal
4 basis for otherwise holding that information confidential.

5 (28) Correspondence and records (i) that may not be

18 "Employee" means a person employed by a public body whose
19 relationship with the public body constitutes an
20 employer-employee relationship under the usual common law
21 rules, and who is not an independent contractor.

22 "Public office" means a position created by or under the
23 Constitution or laws of this State, the occupant of which is
24 charged with the exercise of some portion of the sovereign
25 power of this State. The term "public office" shall include
26 members of the public body, but it shall not include

3 assist the body in the conduct of its business.

4 "Quasi-adjudicative body" means an administrative body

18 changing Sections 7, 7.5, and 11 as follows:

19 (5 ILCS 140/7) (from Ch. 116, par. 207)

20 Sec. 7. Exemptions.

21 (1) When a request is made to inspect or copy a public
22 record that contains information that is exempt from disclosure
23 under this Section, but also contains information that is not
24 exempt from disclosure, the public body may elect to redact the

1 information that is exempt. The public body shall make the
2 remaining information available for inspection and copying.
3 Subject to this requirement, the following shall be exempt from
4 inspection and copying:

5 (a) Information specifically prohibited from
6 disclosure by federal or State law or rules and regulations
7 implementing federal or State law.

8 (b) Private information, unless disclosure is required
9 by another provision of this Act, a State or federal law or
10 a court order.

11 (b-5) Files, documents, and other data or databases
12 maintained by one or more law enforcement agencies and
13 specifically designed to provide information to one or more
14 law enforcement agencies regarding the physical or mental
15 status of one or more individual subjects.

16 (c) Personal information contained within public
17 records, the disclosure of which would constitute a clearly
18 unwarranted invasion of personal privacy, unless the
19 disclosure is consented to in writing by the individual
20 subjects of the information. "Unwarranted invasion of
21 personal privacy" means the disclosure of information that
22 is highly personal or objectionable to a reasonable person
23 and in which the subject's right to privacy outweighs any
24 legitimate public interest in obtaining the information.
25 The disclosure of information that bears on the public
26 duties of public employees and officials shall not be

1 considered an invasion of personal privacy.

2 (d) Records in the possession of any public body
3 created in the course of administrative enforcement
4 proceedings, and any law enforcement or correctional
5 agency for law enforcement purposes, but only to the extent
6 that disclosure would:

7 (i) interfere with pending or actually and
8 reasonably contemplated law enforcement proceedings
9 conducted by any law enforcement or correctional
10 agency that is the recipient of the request;

11 (ii) interfere with active administrative
12 enforcement proceedings conducted by the public body
13 that is the recipient of the request;

14 (iii) create a substantial likelihood that a
15 person will be deprived of a fair trial or an impartial
16 hearing;

17 (iv) unavoidably disclose the identity of a
18 confidential source, confidential information
19 furnished only by the confidential source, or persons
20 who file complaints with or provide information to
21 administrative, investigative, law enforcement, or
22 penal agencies; except that the identities of
23 witnesses to traffic accidents, traffic accident
24 reports, and rescue reports shall be provided by
25 agencies of local government, except when disclosure
26 would interfere with an active criminal investigation

1 conducted by the agency that is the recipient of the
2 request;

3 (v) disclose unique or specialized investigative
4 techniques other than those generally used and known or
5 disclose internal documents of correctional agencies
6 related to detection, observation or investigation of
7 incidents of crime or misconduct, and disclosure would
8 result in demonstrable harm to the agency or public
9 body that is the recipient of the request;

10 (vi) endanger the life or physical safety of law
11 enforcement personnel or any other person; or

12 (vii) obstruct an ongoing criminal investigation
13 by the agency that is the recipient of the request.

14 (e) Records that relate to or affect the security of
15 correctional institutions and detention facilities.

16 (f) Preliminary drafts, notes, recommendations,
17 memoranda and other records in which opinions are
18 expressed, or policies or actions are formulated, except
19 that a specific record or relevant portion of a record
20 shall not be exempt when the record is publicly cited and
21 identified by the head of the public body. The exemption
22 provided in this paragraph (f) extends to all those records
23 of officers and agencies of the General Assembly that
24 pertain to the preparation of legislative documents.

25 (g) Trade secrets and commercial or financial
26 information obtained from a person or business where the

1 trade secrets or commercial or financial information are
2 furnished under a claim that they are proprietary,
3 privileged or confidential, and that disclosure of the
4 trade secrets or commercial or financial information would
5 cause competitive harm to the person or business, and only
6 insofar as the claim directly applies to the records
7 requested.

8 The information included under this exemption includes
9 all trade secrets and commercial or financial information
10 obtained by a public body, including a public pension fund,
11 from a private equity fund or a privately held company
12 within the investment portfolio of a private equity fund as
13 a result of either investing or evaluating a potential
14 investment of public funds in a private equity fund. The
15 exemption contained in this item does not apply to the
16 aggregate financial performance information of a private
17 equity fund, nor to the identity of the fund's managers or
18 general partners. The exemption contained in this item does
19 not apply to the identity of a privately held company
20 within the investment portfolio of a private equity fund,
21 unless the disclosure of the identity of a privately held
22 company may cause competitive harm.

23 Nothing contained in this paragraph (g) shall be
24 construed to prevent a person or business from consenting
25 to disclosure.

26 (h) Proposals and bids for any contract, grant, or

1 agreement, including information which if it were
2 disclosed would frustrate procurement or give an advantage
3 to any person proposing to enter into a contractor
4 agreement with the body, until an award or final selection
5 is made. Information prepared by or for the body in
6 preparation of a bid solicitation shall be exempt until an
7 award or final selection is made.

8 (i) Valuable formulae, computer geographic systems,
9 designs, drawings and research data obtained or produced by
10 any public body when disclosure could reasonably be
11 expected to produce private gain or public loss. The
12 exemption for "computer geographic systems" provided in
13 this paragraph (i) does not extend to requests made by news
14 media as defined in Section 2 of this Act when the
15 requested information is not otherwise exempt and the only
16 purpose of the request is to access and disseminate
17 information regarding the health, safety, welfare, or
18 legal rights of the general public.

19 (j) The following information pertaining to
20 educational matters:

21 (i) test questions, scoring keys and other
22 examination data used to administer an academic
23 examination;

24 (ii) information received by a primary or
25 secondary school, college, or university under its
26 procedures for the evaluation of faculty members by

1 their academic peers;

2 (iii) information concerning a school or
3 university's adjudication of student disciplinary
4 cases, but only to the extent that disclosure would
5 unavoidably reveal the identity of the student; and

6 (iv) course materials or research materials used
7 by faculty members.

8 (k) Architects' plans, engineers' technical
9 submissions, and other construction related technical
10 documents for projects not constructed or developed in
11 whole or in part with public funds and the same for
12 projects constructed or developed with public funds,
13 including but not limited to power generating and
14 distribution stations and other transmission and
15 distribution facilities, water treatment facilities,
16 airport facilities, sport stadiums, convention centers,
17 and all government owned, operated, or occupied buildings,
18 but only to the extent that disclosure would compromise
19 security.

20 (1) Minutes of meetings of public bodies closed to the
21 public as provided in the Open Meetings Act until the
22 public body makes the minutes available to the public under
23 Section 2.06 of the Open Meetings Act.

24 (m) Communications between a public body and an
25 attorney or auditor representing the public body that would
26 not be subject to discovery in litigation, and materials

1 prepared or compiled by or for a public body in
2 anticipation of a criminal, civil or administrative
3 proceeding upon the request of an attorney advising the
4 public body, and materials prepared or compiled with
5 respect to internal audits of public bodies.

6 (n) Records relating to a public body's adjudication of
7 employee grievances or disciplinary cases; however, this
8 exemption shall not extend to the final outcome of cases in
9 which discipline is imposed.

10 (o) Administrative or technical information associated
11 with automated data processing operations, including but
12 not limited to software, operating protocols, computer
13 program abstracts, file layouts, source listings, object
14 modules, load modules, user guides, documentation
15 pertaining to all logical and physical design of
16 computerized systems, employee manuals, and any other
17 information that, if disclosed, would jeopardize the
18 security of the system or its data or the security of
19 materials exempt under this Section.

20 (p) Records relating to collective negotiating matters
21 between public bodies and their employees or
22 representatives, except that any final contract or
23 agreement shall be subject to inspection and copying.

24 (q) Test questions, scoring keys, and other
25 examination data used to determine the qualifications of an
26 applicant for a license or employment.

1 (r) The records, documents, and information relating
2 to real estate purchase negotiations until those
3 negotiations have been completed or otherwise terminated.
4 With regard to a parcel involved in a pending or actually
5 and reasonably contemplated eminent domain proceeding
6 under the Eminent Domain Act, records, documents and
7 information relating to that parcel shall be exempt except
8 as may be allowed under discovery rules adopted by the
9 Illinois Supreme Court. The records, documents and

11 until a sale is consummated.

15 self-administered health and accident cooperative or pool.
16 Insurance or self insurance (including any
17 intergovernmental risk management association or self
18 insurance pool) claims, loss or risk management
19 information, records, data, advice or communications.

20 (t) Information contained in or related to
21 examination, operating, or condition reports prepared by,
22 on behalf of, or for the use of a public body responsible
23 for the regulation or supervision of financial
24 institutions or insurance companies, unless disclosure is
25 otherwise required by State law.

26 (u) Information that would disclose or might lead to

1 the disclosure of secret or confidential information,
2 codes, algorithms, programs, or private keys intended to be
3 used to create electronic or digital signatures under the
4 Electronic Commerce Security Act.

5 (v) Vulnerability assessments, security measures, and
6 response policies or plans that are designed to identify,
7 prevent, or respond to potential attacks upon a community's
8 population or systems, facilities, or installations, the
9 destruction or contamination of which would constitute a
10 clear and present danger to the health or safety of the
11 community, but only to the extent that disclosure could
12 reasonably be expected to jeopardize the effectiveness of
13 the measures or the safety of the personnel who implement
14 them or the public. Information exempt under this item may
15 include such things as details pertaining to the

3 is determined to be confidential and proprietary by the
4 Illinois Power Agency or by the Illinois Commerce

21 (5 ILCS 140/11) (from Ch. 116, par. 211)

22 Sec. 11. (a) Any person denied access to inspect or copy
23 any public record by a public body may file suit for injunctive
24 or declaratory relief.

25 (b) Where the denial is from a public body of the State,

1 suit may be filed in the circuit court for the county where the
2 public body has its principal office or where the person denied
3 access resides.

4 (c) Where the denial is from a municipality or other public
5 body, except as provided in subsection (b) of this Section,
6 suit may be filed in the circuit court for the county where the
7 public body is located.

8 (d) The circuit court shall have the jurisdiction to enjoin
9 the public body from withholding public records and to order
10 the production of any public records improperly withheld from
11 the person seeking access. If the public body can show that
12 exceptional circumstances exist, and that the body is
13 exercising due diligence in responding to the request, the
14 court may retain jurisdiction and allow the agency additional
15 time to complete its review of the records.

16 (e) On motion of the plaintiff, prior to or after in camera
17 inspection, the court shall order the public body to provide an
18 index of the records to which access has been denied. The index
19 shall include the following:

20 (i) A description of the nature or contents of each
21 document withheld, or each deletion from a released
22 document, provided, however, that the public body shall not
23 be required to disclose the information which it asserts is
24 exempt; and

25 (ii) A statement of the exemption or exemptions claimed
26 for each such deletion or withheld document.

1 (f) In any action considered by the court, the court shall
2 consider the matter de novo, and shall conduct such in camera
3 examination of the requested records as it finds appropriate to
4 determine if such records or any part thereof may be withheld
5 under any provision of this Act. The burden shall be on the
6 public body to establish that its refusal to permit public
7 inspection or copying is in accordance with the provisions of
8 this Act. Any public body that asserts that a record is exempt
9 from disclosure has the burden of proving that it is exempt by
10 clear and convincing evidence.

11 (g) In the event of noncompliance with an order of the
12 court to disclose, the court may enforce its order against any
13 public official or employee so ordered or primarily responsible
14 for such noncompliance through the court's contempt powers.

15 (h) Except as to causes the court considers to be of
16 greater importance, proceedings arising under this Section
17 shall take precedence on the docket over all other causes and
18 be assigned for hearing and trial at the earliest practicable
19 date and expedited in every way.

20 (i) If a person seeking the right to inspect or receive a
21 copy of a public record prevails in a proceeding under this
22 Section, the court shall award such person reasonable
23 attorneys' fees and costs. In determining what amount of
24 attorney's fees is reasonable, the court shall consider the
25 degree to which the relief obtained relates to the relief
26 sought. The changes contained in this subsection apply to an

1 action filed on or after the effective date of this amendatory
2 Act of the 96th General Assembly.

3 (j) If the court determines that a public body willfully
4 and intentionally failed to comply with this Act, or otherwise
5 acted in bad faith, the court shall also impose upon the public
6 body a civil penalty of not less than ~~that~~ \$2,500 nor more than
7 \$5,000 for each occurrence. In assessing the civil penalty, the
8 court shall consider in aggravation or mitigation the budget of
9 the public body and whether the public body has previously been
10 assessed penalties for violations of this Act. The changes
11 contained in this subsection apply to an action filed on or
12 after the effective date of this amendatory Act of the 96th
13 General Assembly.

15 Section 20. The State Employees Group Insurance Act of 1971
16 is amended by changing Sections 6.5 and 6.11 as follows:

17 (5 ILCS 375/6.5)

18 Sec. 6.5. Health benefits for TRS benefit recipients and
19 TRS dependent beneficiaries.

20 (a) Purpose. It is the purpose of this amendatory Act of
21 1995 to transfer the administration of the program of health
22 benefits established for benefit recipients and their
23 dependent beneficiaries under Article 16 of the Illinois
24 Pension Code to the Department of Central Management Services.

1 (b) Transition provisions. The Board of Trustees of the
2 Teachers' Retirement System shall continue to administer the
3 health benefit program established under Article 16 of the
4 Illinois Pension Code through December 31, 1995. Beginning
5 January 1, 1996, the Department of Central Management Services
6 shall be responsible for administering a program of health
7 benefits for TRS benefit recipients and TRS dependent
8 beneficiaries under this Section. The Department of Central
9 Management Services and the Teachers' Retirement System shall
10 cooperate in this endeavor and shall coordinate their
11 activities so as to ensure a smooth transition and
12 uninterrupted health benefit coverage.

13 (c) Eligibility. All persons who were enrolled in the
14 Article 16 program at the time of the transfer shall be
15 eligible to participate in the program established under this
16 Section without any interruption or delay in coverage or
17 limitation as to pre-existing medical conditions. Eligibility
18 to participate shall be determined by the Teachers' Retirement
19 System. Eligibility information shall be communicated to the
20 Department of Central Management Services in a format
21 acceptable to the Department.

22 A TRS dependent beneficiary who is a child age 19 or over
23 and mentally or physically disabled does not become ineligible
24 to participate by reason of (i) becoming ineligible to be
25 claimed as a dependent for Illinois or federal income tax
26 purposes or (ii) receiving earned income, so long as those

1 earnings are insufficient for the child to be fully
2 self-sufficient.

3 (d) Coverage. The level of health benefits provided under
4 this Section shall be similar to the level of benefits provided
5 by the program previously established under Article 16 of the
6 Illinois Pension Code.

7 Group life insurance benefits are not included in the
8 benefits to be provided to TRS benefit recipients and TRS
9 dependent beneficiaries under this Act.

10 The program of health benefits under this Section may
11 include any or all of the benefit limitations, including but
12 not limited to a reduction in benefits based on eligibility for
13 federal medicare benefits, that are provided under subsection
14 (a) of Section 6 of this Act for other health benefit programs
15 under this Act.

16 (e) Insurance rates and premiums. The Director shall
17 determine the insurance rates and premiums for TRS benefit
18 recipients and TRS dependent beneficiaries, and shall present
19 to the Teachers' Retirement System of the State of Illinois, by
20 April 15 of each calendar year, the rate-setting methodology
21 (including but not limited to utilization levels and costs)
22 used to determine the amount of the health care premiums.

23 For Fiscal Year 1996, the premium shall be equal to the
24 premium actually charged in Fiscal Year 1995; in subsequent
25 years, the premium shall never be lower than the premium
26 charged in Fiscal Year 1995.

1 For Fiscal Year 2003, the premium shall not exceed 110%
2 of the premium actually charged in Fiscal Year 2002.

3 For Fiscal Year 2004, the premium shall not exceed 112%
4 of the premium actually charged in Fiscal Year 2003.

5 For Fiscal Year 2005, the premium shall not exceed a
6 weighted average of 106.6% of the premium actually charged
7 in Fiscal Year 2004.

8 For Fiscal Year 2006, the premium shall not exceed a
9 weighted average of 109.1% of the premium actually charged
10 in Fiscal Year 2005.

11 For Fiscal Year 2007, the premium shall not exceed a
12 weighted average of 103.9% of the premium actually charged
13 in Fiscal Year 2006.

14 For Fiscal Year 2008 and thereafter, the premium in
15 each fiscal year shall not exceed 105% of the premium
16 actually charged in the previous fiscal year.

17 Rates and premiums may be based in part on age and
18 eligibility for federal medicare coverage. However, the cost of
19 participation for a TRS dependent beneficiary who is an
20 unmarried child age 19 or over and mentally or physically
21 disabled shall not exceed the cost for a TRS dependent
22 beneficiary who is an unmarried child under age 19 and
23 participates in the same major medical or managed care program.

24 The cost of health benefits under the program shall be paid
25 as follows:

26 (1) For a TRS benefit recipient selecting a managed

1 care program, up to 75% of the total insurance rate shall
2 be paid from the Teacher Health Insurance Security Fund.
3 Effective with Fiscal Year 2007 and thereafter, for a TRS
4 benefit recipient selecting a managed care program, 75% of
5 the total insurance rate shall be paid from the Teacher
6 Health Insurance Security Fund.

7 (2) For a TRS benefit recipient selecting the major
8 medical coverage program, up to 50% of the total insurance
9 rate shall be paid from the Teacher Health Insurance
10 Security Fund if a managed care program is accessible, as
11 determined by the Teachers' Retirement System. Effective
12 with Fiscal Year 2007 and thereafter, for a TRS benefit
13 recipient selecting the major medical coverage program,
14 50% of the total insurance rate shall be paid from the
15 Teacher Health Insurance Security Fund if a managed care
16 program is accessible, as determined by the Department of
17 Central Management Services.

18 (3) For a TRS benefit recipient selecting the major
19 medical coverage program, up to 75% of the total insurance
20 rate shall be paid from the Teacher Health Insurance
21 Security Fund if a managed care program is not accessible,
22 as determined by the Teachers' Retirement System.
23 Effective with Fiscal Year 2007 and thereafter, for a TRS
24 benefit recipient selecting the major medical coverage
25 program, 75% of the total insurance rate shall be paid from
26 the Teacher Health Insurance Security Fund if a managed

1 care program is not accessible, as determined by the
2 Department of Central Management Services.

3 (3.1) For a TRS dependent beneficiary who is Medicare
4 primary and enrolled in a managed care plan, or the major
5 medical coverage program if a managed care plan is not
6 available, 25% of the total insurance rate shall be paid
7 from the Teacher Health Security Fund as determined by the
8 Department of Central Management Services. For the purpose
9 of this item (3.1), the term "TRS dependent beneficiary who
10 is Medicare primary" means a TRS dependent beneficiary who
11 is participating in Medicare Parts A and B.

12 (4) Except as otherwise provided in item (3.1), the
13 balance of the rate of insurance, including the entire
14 premium of any coverage for TRS dependent beneficiaries
15 that has been elected, shall be paid by deductions
16 authorized by the TRS benefit recipient to be withheld from
17 his or her monthly annuity or benefit payment from the
18 Teachers' Retirement System; except that (i) if the balance
19 of the cost of coverage exceeds the amount of the monthly
20 annuity or benefit payment, the difference shall be paid
21 directly to the Teachers' Retirement System by the TRS
22 benefit recipient, and (ii) all or part of the balance of
23 the cost of coverage may, at the school board's option, be
24 paid to the Teachers' Retirement System by the school board
25 of the school district from which the TRS benefit recipient
26 retired, in accordance with Section 10-22.3b of the School

1 Code. The Teachers' Retirement System shall promptly
2 deposit all moneys withheld by or paid to it under this
3 subdivision (e)(4) into the Teacher Health Insurance
4 Security Fund. These moneys shall not be considered assets
5 of the Retirement System.

6 (f) Financing. Beginning July 1, 1995, all revenues arising
7 from the administration of the health benefit programs
8 established under Article 16 of the Illinois Pension Code or
9 this Section shall be deposited into the Teacher Health
10 Insurance Security Fund, which is hereby created as a
11 nonappropriated trust fund to be held outside the State
12 Treasury, with the State Treasurer as custodian. Any interest
13 earned on moneys in the Teacher Health Insurance Security Fund
14 shall be deposited into the Fund.

15 Moneys in the Teacher Health Insurance Security Fund shall
16 be used only to pay the costs of the health benefit program
17 established under this Section, including associated
18 administrative costs, and the costs associated with the health
19 benefit program established under Article 16 of the Illinois
20 Pension Code, as authorized in this Section. Beginning July 1,
21 1995, the Department of Central Management Services may make
22 expenditures from the Teacher Health Insurance Security Fund
23 for those costs.

24 After other funds authorized for the payment of the costs
25 of the health benefit program established under Article 16 of
26 the Illinois Pension Code are exhausted and until January 1,

2 of Central Management Services and the Secretary of the
3 Teachers' Retirement System), the Secretary of the Teachers'
4 Retirement System may make expenditures from the Teacher Health
5 Insurance Security Fund as necessary to pay up to 75% of the

7 recipients (as defined in Sections 16-153.1 and 16-153.3 of the
8 Illinois Pension Code) who are enrolled in the Article 16
9 health benefit program and to facilitate the transfer of

14 pursuant to this Act, is authorized to establish funds,

19 Director, outside the State treasury, for the purpose of

7 the Department.

8 (g) Contract for benefits. The Director shall by contract,
9 self-insurance, or otherwise make available the program of
10 health benefits for TRS benefit recipients and their TRS
11 dependent beneficiaries that is provided for in this Section.
12 The contract or other arrangement for the provision of these
13 health benefits shall be on terms deemed by the Director to be
14 in the best interest of the State of Illinois and the TRS
15 benefit recipients based on, but not limited to, such criteria
16 as administrative cost, service capabilities of the carrier or
17 other contractor, and the costs of the benefits.

18 (g-5) Committee. A Teacher Retirement Insurance Program
19 Committee shall be established, to consist of 10 persons
20 appointed by the Governor.

21 The Committee shall convene at least 4 times each year, and
22 shall consider and make recommendations on issues affecting the
23 program of health benefits provided under this Section.
24 Recommendations of the Committee shall be based on a consensus
25 of the members of the Committee.

26 If the Teacher Health Insurance Security Fund experiences a

1 deficit balance based upon the contribution and subsidy rates
2 established in this Section and Section 6.6 for Fiscal Year
3 2008 or thereafter, the Committee shall make recommendations
4 for adjustments to the funding sources established under these
5 Sections.

6 In addition, the Committee shall identify proposed
7 solutions to the funding shortfalls that are affecting the

2 Immediately upon the receipt of such application either by
3 mail, not more than 40 days nor less than 5 days prior to such
4 election, or by personal delivery not more than 40 days nor
5 less than one day prior to such election, at the office of such
6 election authority, it shall be the duty of such election
7 authority to examine the records to ascertain whether or not
8 such applicant is lawfully entitled to vote as requested,
9 including a verification of the applicant's signature by
10 comparison with the signature on the official registration
11 record card, and if found so to be entitled to vote, to post
12 within one business day thereafter the name, street address,
13 ward and precinct number or township and district number, as
14 the case may be, of such applicant given on a list, the pages
15 of which are to be numbered consecutively to be kept by such
16 election authority for such purpose in a conspicuous, open and
17 public place accessible to the public at the entrance of the
18 office of such election authority, and in such a manner that
19 such list may be viewed without necessity of requesting
20 permission therefor. Within one day after posting the name and
21 other information of an applicant for an absentee ballot, the
22 election authority shall transmit that name and other posted
23 information to the State Board of Elections, which shall
24 maintain those names and other information in an electronic
25 format on its website, arranged by county and accessible to
26 State and local political committees. Within 2 business days

1 after posting a name and other information on the list within
2 its office, the election authority shall mail, postage prepaid,
3 or deliver in person in such office an official ballot or
4 ballots if more than one are to be voted at said election. Mail
5 delivery of Temporarily Absent Student ballot applications
6 pursuant to Section 19-12.3 shall be by nonforwardable mail.
7 However, for the consolidated election, absentee ballots for
8 certain precincts may be delivered to applicants not less than
9 25 days before the election if so much time is required to have
10 prepared and printed the ballots containing the names of
11 persons nominated for offices at the consolidated primary. The
12 election authority shall enclose with each absentee ballot or
13 application written instructions on how voting assistance
14 shall be provided pursuant to Section 17-14 and a document,
15 written and approved by the State Board of Elections,
16 enumerating the circumstances under which a person is
17 authorized to vote by absentee ballot pursuant to this Article;
18 such document shall also include a statement informing the
19 applicant that if he or she falsifies or is solicited by
20 another to falsify his or her eligibility to cast an absentee
21 ballot, such applicant or other is subject to penalties
22 pursuant to Section 29-10 and Section 29-20 of the Election
23 Code. Each election authority shall maintain a list of the
24 name, street address, ward and precinct, or township and
25 district number, as the case may be, of all applicants who have
26 returned absentee ballots to such authority, and the name of

1 such absent voter shall be added to such list within one
2 business day from receipt of such ballot. If the absentee
3 ballot envelope indicates that the voter was assisted in
4 casting the ballot, the name of the person so assisting shall
5 be included on the list. The list, the pages of which are to be
6 numbered consecutively, shall be kept by each election
7 authority in a conspicuous, open, and public place accessible
8 to the public at the entrance of the office of the election
9 authority and in a manner that the list may be viewed without
10 necessity of requesting permission for viewing.

11 Each election authority shall maintain a list for each
12 election of the voters to whom it has issued absentee ballots.
13 The list shall be maintained for each precinct within the
14 jurisdiction of the election authority. Prior to the opening of
15 the polls on election day, the election authority shall deliver
16 to the judges of election in each precinct the list of
17 registered voters in that precinct to whom absentee ballots
18 have been issued by mail.

19 Each election authority shall maintain a list for each
20 election of voters to whom it has issued temporarily absent
21 student ballots. The list shall be maintained for each election
22 jurisdiction within which such voters temporarily abide.
23 Immediately after the close of the period during which
24 application may be made by mail for absentee ballots, each
25 election authority shall mail to each other election authority
26 within the State a certified list of all such voters

1 temporarily abiding within the jurisdiction of the other
2 election authority.

3 In the event that the return address of an application for
4 ballot by a physically incapacitated elector is that of a
5 facility licensed or certified under the Nursing Home Care Act,
6 the Specialized Mental Health Rehabilitation Act, or the ID/DD
7 Community Care Act, within the jurisdiction of the election
8 authority, and the applicant is a registered voter in the
9 precinct in which such facility is located, the ballots shall
10 be prepared and transmitted to a responsible judge of election
11 no later than 9 a.m. on the Saturday, Sunday or Monday
12 immediately preceding the election as designated by the
13 election authority under Section 19-12.2. Such judge shall
14 deliver in person on the designated day the ballot to the
15 applicant on the premises of the facility from which
16 application was made. The election authority shall by mail
17 notify the applicant in such facility that the ballot will be
18 delivered by a judge of election on the designated day.

19 All applications for absentee ballots shall be available at
20 the office of the election authority for public inspection upon
21 request from the time of receipt thereof by the election
22 authority until 30 days after the election, except during the
23 time such applications are kept in the office of the election
24 authority pursuant to Section 19-7, and except during the time
25 such applications are in the possession of the judges of
26 election.

3 (10 ILCS 5/19-12.1) (from Ch. 46, par. 19-12.1)

4 Sec. 19-12.1. Any qualified elector who has secured an
5 Illinois Disabled Person Identification Card in accordance
6 with the ~~The~~ Illinois Identification Card Act, indicating that
7 the person named thereon has a Class 1A or Class 2 disability
8 or any qualified voter who has a permanent physical incapacity
9 of such a nature as to make it improbable that he will be able
10 to be present at the polls at any future election, or any voter
11 who is a resident of (i) a federally operated veterans' home,
12 hospital, or facility located in Illinois or (ii) a facility
13 licensed or certified pursuant to the Nursing Home Care Act,
14 the Specialized Mental Health Rehabilitation Act, or the ID/DD
15 Community Care Act and has a condition or disability of such a
16 nature as to make it improbable that he will be able to be
17 present at the polls at any future election, may secure a
18 disabled voter's or nursing home resident's identification
19 card, which will enable him to vote under this Article as a
20 physically incapacitated or nursing home voter. For the
21 purposes of this Section, "federally operated veterans' home,
22 hospital, or facility" means the long-term care facilities at
23 the Jesse Brown VA Medical Center, Illiana Health Care System,
24 Edward Hines, Jr. VA Hospital, Marion VA Medical Center, and
25 Captain James A. Lovell Federal Health Care Center.

1 Application for a disabled voter's or nursing home
2 resident's identification card shall be made either: (a) in
3 writing, with voter's sworn affidavit, to the county clerk or
4 board of election commissioners, as the case may be, and shall
5 be accompanied by the affidavit of the attending physician
6 specifically describing the nature of the physical incapacity
7 or the fact that the voter is a nursing home resident and is
8 physically unable to be present at the polls on election days;
9 or (b) by presenting, in writing or otherwise, to the county
10 clerk or board of election commissioners, as the case may be,
11 proof that the applicant has secured an Illinois Disabled
12 Person Identification Card indicating that the person named
13 thereon has a Class 1A or Class 2 disability. Upon the receipt
14 of either the sworn-to application and the physician's
15 affidavit or proof that the applicant has secured an Illinois
16 Disabled Person Identification Card indicating that the person
17 named thereon has a Class 1A or Class 2 disability, the county
18 clerk or board of election commissioners shall issue a disabled
19 voter's or nursing home resident's identification card. Such
20 identification cards shall be issued for a period of 5 years,
21 upon the expiration of which time the voter may secure a new
22 card by making application in the same manner as is prescribed
23 for the issuance of an original card, accompanied by a new
24 affidavit of the attending physician. The date of expiration of
25 such five-year period shall be made known to any interested
26 person by the election authority upon the request of such

1 person. Applications for the renewal of the identification
2 cards shall be mailed to the voters holding such cards not less
3 than 3 months prior to the date of expiration of the cards.

4 Each disabled voter's or nursing home resident's
5 identification card shall bear an identification number, which
6 shall be clearly noted on the voter's original and duplicate
7 registration record cards. In the event the holder becomes
8 physically capable of resuming normal voting, he must surrender
9 his disabled voter's or nursing home resident's identification
10 card to the county clerk or board of election commissioners
11 before the next election.

12 The holder of a disabled voter's or nursing home resident's
13 identification card may make application by mail for an
14 official ballot within the time prescribed by Section 19-2.
15 Such application shall contain the same information as is
16 included in the form of application for ballot by a physically
17 incapacitated elector prescribed in Section 19-3 except that it
18 shall also include the applicant's disabled voter's
19 identification card number and except that it need not be sworn
20 to. If an examination of the records discloses that the
21 applicant is lawfully entitled to vote, he shall be mailed a
22 ballot as provided in Section 19-4. The ballot envelope shall
23 be the same as that prescribed in Section 19-5 for physically
24 disabled voters, and the manner of voting and returning the
25 ballot shall be the same as that provided in this Article for
26 other absentee ballots, except that a statement to be

1 subscribed to by the voter but which need not be sworn to shall
2 be placed on the ballot envelope in lieu of the affidavit
3 prescribed by Section 19-5.

4 Any person who knowingly subscribes to a false statement in
5 connection with voting under this Section shall be guilty of a
6 Class A misdemeanor.

7 For the purposes of this Section, "nursing home resident"
8 includes a resident of (i) a federally operated veterans' home,
9 hospital, or facility located in Illinois or (ii) a facility

12 of this Section, "federally operated veterans' home, hospital,
13 or facility" means the long-term care facilities at the Jesse

19 (10 ILCS 5/19-12.2) (from Ch. 46, par. 19-12.2)

20 Sec. 19-12.2. Voting by physically incapacitated electors
21 who have made proper application to the election authority not
22 later than 5 days before the regular primary and general
23 election of 1980 and before each election thereafter shall be
24 conducted on the premises of (i) federally operated veterans'
25 homes, hospitals, and facilities located in Illinois or (ii)

1 facilities licensed or certified pursuant to the Nursing Home
2 Care Act, the Specialized Mental Health Rehabilitation Act, or
3 the ID/DD Community Care Act for the sole benefit of residents
4 of such homes, hospitals, and facilities. For the purposes of
5 this Section, "federally operated veterans' home, hospital, or
6 facility" means the long-term care facilities at the Jesse
7 Brown VA Medical Center, Illiana Health Care System, Edward
8 Hines, Jr. VA Hospital, Marion VA Medical Center, and Captain
9 James A. Lovell Federal Health Care Center. Such voting shall
10 be conducted during any continuous period sufficient to allow
11 all applicants to cast their ballots between the hours of 9
12 a.m. and 7 p.m. either on the Friday, Saturday, Sunday or
13 Monday immediately preceding the regular election. This
14 absentee voting on one of said days designated by the election
15 authority shall be supervised by two election judges who must
16 be selected by the election authority in the following order of
17 priority: (1) from the panel of judges appointed for the
18 precinct in which such home, hospital, or facility is located,
19 or from a panel of judges appointed for any other precinct
20 within the jurisdiction of the election authority in the same
21 ward or township, as the case may be, in which the home,
22 hospital, or facility is located or, only in the case where a
23 judge or judges from the precinct, township or ward are
24 unavailable to serve, (3) from a panel of judges appointed for
25 any other precinct within the jurisdiction of the election
26 authority. The two judges shall be from different political

1 parties. Not less than 30 days before each regular election,
2 the election authority shall have arranged with the chief
3 administrative officer of each home, hospital, or facility in
4 his or its election jurisdiction a mutually convenient time
5 period on the Friday, Saturday, Sunday or Monday immediately
6 preceding the election for such voting on the premises of the
7 home, hospital, or facility and shall post in a prominent place
8 in his or its office a notice of the agreed day and time period
9 for conducting such voting at each home, hospital, or facility;
10 provided that the election authority shall not later than noon
11 on the Thursday before the election also post the names and
12 addresses of those homes, hospitals, and facilities from which
13 no applications were received and in which no supervised
14 absentee voting will be conducted. All provisions of this Code
15 applicable to pollwatchers shall be applicable herein. To the
16 maximum extent feasible, voting booths or screens shall be
17 provided to insure the privacy of the voter. Voting procedures
18 shall be as described in Article 17 of this Code, except that
19 ballots shall be treated as absentee ballots and shall not be
20 counted until the close of the polls on the following day.
21 After the last voter has concluded voting, the judges shall
22 seal the ballots in an envelope and affix their signatures
23 across the flap of the envelope. Immediately thereafter, the
24 judges shall bring the sealed envelope to the office of the
25 election authority who shall deliver such ballots to the
26 election authority's central ballot counting location prior to

1 the closing of the polls on the day of election. The judges of
2 election shall also report to the election authority the name
3 of any applicant in the home, hospital, or facility who, due to
4 unforeseen circumstance or condition or because of a religious
5 holiday, was unable to vote. In this event, the election
6 authority may appoint a qualified person from his or its staff
7 to deliver the ballot to such applicant on the day of election.
8 This staff person shall follow the same procedures prescribed
9 for judges conducting absentee voting in such homes, hospitals,
10 or facilities and shall return the ballot to the central ballot
11 counting location before the polls close. However, if the home,
12 hospital, or facility from which the application was made is
13 also used as a regular precinct polling place for that voter,
14 voting procedures heretofore prescribed may be implemented by 2
15 of the election judges of opposite party affiliation assigned
16 to that polling place during the hours of voting on the day of
17 the election. Judges of election shall be compensated not less
18 than \$25.00 for conducting absentee voting in such homes,
19 hospitals, or facilities.

20 Not less than 120 days before each regular election, the
21 Department of Public Health shall certify to the State Board of
22 Elections a list of the facilities licensed or certified
23 pursuant to the Nursing Home Care Act, the Specialized Mental
24 Health Rehabilitation Act, or the ID/DD Community Care Act. The
25 lists shall indicate the approved bed capacity and the name of
26 the chief administrative officer of each such home, hospital,

1 or facility, and the State Board of Elections shall certify the
2 same to the appropriate election authority within 20 days
3 thereafter.

7 Sec. 24-11. That portion of cardboard, paper or other
8 material, placed on the front of the machine and containing the
9 names of the candidates shall be known in this Article as a
10 ballot label. The ballot labels shall be supplied by the
11 election authority, and shall be printed in black ink on clear
12 white material of such size as will fit the machine and in
13 plain, clear type, and shall provide space, not less than
14 one-half inch in height and one and one-half inches in width
15 for the printing of each candidate's name with such other
16 wording as is required by law. However, ballot labels for use
17 at the nonpartisan and consolidated elections may be printed on
18 different color material, except blue material, whenever
19 necessary or desirable to facilitate distinguishing between
20 different political subdivisions on the machine. The names of
21 all candidates shall be printed in uniform size in boldface
22 type. The party name or other designation shall be prefixed to
23 the list of the candidates of such party. The order of the
24 lists of candidates of the several parties shall be arranged as
25 is in this Act provided, except that the lists may be placed in

1 horizontal rows or vertical columns, which parties may, if
2 desired be divided into parallel and contiguous rows or
3 columns. Where presidential electors are to be voted for at any
4 election, then there may be placed on the ballot labels a
5 bracket in which are the names of the candidates for President
6 and Vice President of the party or group. Each question or
7 other proposition, to be submitted to a vote of the electors
8 shall appear on the ballot labels, in the form prescribed
9 therefor, but if no such form is prescribed then they shall be
10 in brief form, not to exceed 75 words. The ballot label for
11 each candidate or group of candidates nominated or seeking
12 nomination by a political party shall contain the name of the
13 political party.

14 In any election in which there is submitted a proposal or
15 proposals for a constitutional amendment or amendments or for
16 calling of a constitutional convention the ballot label for the
17 separate ballot for such proposals shall be printed on blue,
18 rather than white, material.

19 In elections held pursuant to the provisions of Section 12
20 of Article VI of the Constitution relating to retention of
21 judges in office, the ballot label for the judicial retention
22 propositions shall be printed on green, rather than white,
23 material.

24 If any voting machine being used in an election or primary
25 shall become out of order during such election or primary, it
26 shall, if possible, be repaired or another machine substituted

1 by the custodian or election authority, for which purpose the
2 proper authorities may purchase as many extra voting machines
3 as they may deem necessary, but in case such necessary repairs
4 or substitution cannot be made immediately, paper ballots,
5 printed or written and of suitable form, shall be used for the
6 taking of votes. The paper ballots to be used in such event
7 shall be prepared and distributed to the various precincts in
8 the manner provided for in Sections 16-3 and 16-4 of this
9 Election Code; except that the election authority shall supply
10 a number of ballots to each precinct equal to at least 20% of
11 the number of voters registered to vote in that precinct. If a
12 method of election for any candidates is prescribed by law, in
13 which the use of voting machines is not possible or
14 practicable, or in case, at any election the number of
15 candidates nominated or seeking nomination for any office
16 renders the use of the voting machine for such office at such
17 election impracticable, or if for any reason, at any election
18 the use of voting machines is not practicable or possible, the
19 proper officer or officers having charge of the preparation of
20 the ballot labels for the machines may arrange to have the
21 voting for such or all candidates for offices ~~officers~~
22 conducted by paper ballots. In such cases ballots shall be
23 printed for such or all candidates, and the election conducted
24 by the election officers herein provided for, and the ballots
25 counted and return thereof made in the manner required by law
26 for such candidate or candidates or offices, insofar as paper

1 ballots are used.

3 Section 35. The State Budget Law of the Civil
4 Administrative Code of Illinois is amended by changing Section
5 50-5 as follows:

6 (15 ILCS 20/50-5)

7 Sec. 50-5. Governor to submit State budget.

8 (a) The Governor shall, as soon as possible and not later
9 than the second Wednesday in March in 2010 (March 10, 2010) and
10 the third Wednesday in February of each year beginning in 2011,
11 except as otherwise provided in this Section, submit a State
12 budget, embracing therein the amounts recommended by the
13 Governor to be appropriated to the respective departments,
14 offices, and institutions, and for all other public purposes,
15 the estimated revenues from taxation, and the estimated
16 revenues from sources other than taxation. Except with respect
17 to the capital development provisions of the State budget,
18 beginning with the revenue estimates prepared for fiscal year
19 2012, revenue estimates shall be based solely on: (i) revenue
20 sources (including non-income resources), rates, and levels
21 that exist as of the date of the submission of the State budget
22 for the fiscal year and (ii) revenue sources (including
23 non-income resources), rates, and levels that have been passed
24 by the General Assembly as of the date of the submission of the

1 State budget for the fiscal year and that are authorized to
2 take effect in that fiscal year. Except with respect to the
3 capital development provisions of the State budget, the
4 Governor shall determine available revenue, deduct the cost of
5 essential government services, including, but not limited to,
6 pension payments and debt service, and assign a percentage of
7 the remaining revenue to each statewide prioritized goal, as
8 established in Section 50-25 of this Law, taking into
9 consideration the proposed goals set forth in the report of the
10 Commission established under that Section. The Governor shall
11 also demonstrate how spending priorities for the fiscal year
12 fulfill those statewide goals. The amounts recommended by the
13 Governor for appropriation to the respective departments,
14 offices and institutions shall be formulated according to each
15 department's, office's, and institution's ability to
16 effectively deliver services that meet the established
17 statewide goals. The amounts relating to particular functions
18 and activities shall be further formulated in accordance with
19 the object classification specified in Section 13 of the State
20 Finance Act. In addition, the amounts recommended by the
21 Governor for appropriation shall take into account each State
22 agency's effectiveness in achieving its prioritized goals for
23 the previous fiscal year, as set forth in Section 50-25 of this
24 Law, giving priority to agencies and programs that have
25 demonstrated a focus on the prevention of waste and the maximum
26 yield from resources.

1 Beginning in fiscal year 2011, the Governor shall
2 distribute written quarterly financial reports on operating
3 funds, which may include general, State, or federal funds and
4 may include funds related to agencies that have significant
5 impacts on State operations, and budget statements on all
6 appropriated funds to the General Assembly and the State
7 Comptroller. The reports shall be submitted no later than 45
8 days after the last day of each quarter of the fiscal year and
9 shall be posted on the Governor's Office of Management and
10 Budget's website on the same day. The reports shall be prepared
11 and presented for each State agency and on a statewide level in
12 an executive summary format that may include, for the fiscal
13 year to date, individual itemizations for each significant
14 revenue type as well as itemizations of expenditures and
15 obligations, by agency, with an appropriate level of detail.
16 The reports shall include a calculation of the actual total
17 budget surplus or deficit for the fiscal year to date. The
18 Governor shall also present periodic budget addresses
19 throughout the fiscal year at the invitation of the General
20 Assembly.

21 The Governor shall not propose expenditures and the General
22 Assembly shall not enact appropriations that exceed the
23 resources estimated to be available, as provided in this
24 Section. Appropriations may be adjusted during the fiscal year
25 by means of one or more supplemental appropriation bills if any
26 State agency either fails to meet or exceeds the goals set

1 forth in Section 50-25 of this Law.

2 For the purposes of Article VIII, Section 2 of the 1970
3 Illinois Constitution, the State budget for the following funds
4 shall be prepared on the basis of revenue and expenditure
5 measurement concepts that are in concert with generally
6 accepted accounting principles for governments:

7 (1) General Revenue Fund.

8 (2) Common School Fund.

9 (3) Educational Assistance Fund.

10 (4) Road Fund.

11 (5) Motor Fuel Tax Fund.

12 (6) Agricultural Premium Fund.

13 These funds shall be known as the "budgeted funds". The
14 revenue estimates used in the State budget for the budgeted
15 funds shall include the estimated beginning fund balance, plus
16 revenues estimated to be received during the budgeted year,
17 plus the estimated receipts due the State as of June 30 of the
18 budgeted year that are expected to be collected during the
19 lapse period following the budgeted year, minus the receipts
20 collected during the first 2 months of the budgeted year that
21 became due to the State in the year before the budgeted year.
22 Revenues shall also include estimated federal reimbursements
23 associated with the recognition of Section 25 of the State
24 Finance Act liabilities. For any budgeted fund for which
25 current year revenues are anticipated to exceed expenditures,
26 the surplus shall be considered to be a resource available for

1 expenditure in the budgeted fiscal year.

2 Expenditure estimates for the budgeted funds included in
3 the State budget shall include the costs to be incurred by the
4 State for the budgeted year, to be paid in the next fiscal
5 year, excluding costs paid in the budgeted year which were
6 carried over from the prior year, where the payment is
7 authorized by Section 25 of the State Finance Act. For any
8 budgeted fund for which expenditures are expected to exceed
9 revenues in the current fiscal year, the deficit shall be
10 considered as a use of funds in the budgeted fiscal year.

11 Revenues and expenditures shall also include transfers
12 between funds that are based on revenues received or costs
13 incurred during the budget year.

14 Appropriations for expenditures shall also include all
15 anticipated statutory continuing appropriation obligations
16 that are expected to be incurred during the budgeted fiscal
17 year.

18 By March 15 of each year, the Commission on Government
19 Forecasting and Accountability shall prepare revenue and fund
20 transfer estimates in accordance with the requirements of this
21 Section and report those estimates to the General Assembly and
22 the Governor.

23 For all funds other than the budgeted funds, the proposed
24 expenditures shall not exceed funds estimated to be available
25 for the fiscal year as shown in the budget. Appropriation for a
26 fiscal year shall not exceed funds estimated by the General

1 Assembly to be available during that year.

2 (b) By February 24, 2010, the Governor must file a written
3 report with the Secretary of the Senate and the Clerk of the
4 House of Representatives containing the following:

5 (1) for fiscal year 2010, the revenues for all budgeted
6 funds, both actual to date and estimated for the full
7 fiscal year;

8 (2) for fiscal year 2010, the expenditures for all
9 budgeted funds, both actual to date and estimated for the
10 full fiscal year;

11 (3) for fiscal year 2011, the estimated revenues for
12 all budgeted funds, including without limitation the
13 affordable General Revenue Fund appropriations, for the
14 full fiscal year; and

15 (4) for fiscal year 2011, an estimate of the
16 anticipated liabilities for all budgeted funds, including
17 without limitation the affordable General Revenue Fund
18 appropriations, debt service on bonds issued, and the
19 State's contributions to the pension systems, for the full
20 fiscal year.

21 Between July 1 and August 31 of each fiscal year, the
22 members of the General Assembly and members of the public may
23 make written budget recommendations to the Governor.

24 Beginning with budgets prepared for fiscal year 2013, the
25 budgets submitted by the Governor and appropriations made by
26 the General Assembly for all executive branch State agencies

1 must adhere to a method of budgeting where each priority must
2 be justified each year according to merit rather than according
3 to the amount appropriated for the preceding year.

23 Section 45. The State Treasurer Act is amended by changing

1 Section 16.5 as follows:

2 (15 ILCS 505/16.5)

3 Sec. 16.5. College Savings Pool. The State Treasurer may
4 establish and administer a College Savings Pool to supplement
5 and enhance the investment opportunities otherwise available
6 to persons seeking to finance the costs of higher education.
7 The State Treasurer, in administering the College Savings Pool,
8 may receive moneys paid into the pool by a participant and may
9 serve as the fiscal agent of that participant for the purpose
10 of holding and investing those moneys.

11 "Participant", as used in this Section, means any person
12 who has authority to withdraw funds, change the designated
13 beneficiary, or otherwise exercise control over an account.
14 "Donor", as used in this Section, means any person who makes
15 investments in the pool. "Designated beneficiary", as used in
16 this Section, means any person on whose behalf an account is
17 established in the College Savings Pool by a participant. Both
18 in-state and out-of-state persons may be participants, donors,
19 and designated beneficiaries in the College Savings Pool. The
20 College Savings Pool must be available to any individual with a
21 valid social security number or taxpayer identification number
22 for the benefit of any individual with a valid social security
23 number or taxpayer identification number, unless a contract in
24 effect on August 1, 2011 (the effective date of Public Act
25 97-233) ~~this amendatory Act of the 97th General Assembly does~~

1 not allow for taxpayer identification numbers, in which case
2 taxpayer identification numbers must be allowed upon the
3 expiration of the contract.

4 New accounts in the College Savings Pool may be processed
5 through participating financial institutions. "Participating
6 financial institution", as used in this Section, means any
7 financial institution insured by the Federal Deposit Insurance
8 Corporation and lawfully doing business in the State of
9 Illinois and any credit union approved by the State Treasurer
10 and lawfully doing business in the State of Illinois that
11 agrees to process new accounts in the College Savings Pool.
12 Participating financial institutions may charge a processing
13 fee to participants to open an account in the pool that shall
14 not exceed \$30 until the year 2001. Beginning in 2001 and every
15 year thereafter, the maximum fee limit shall be adjusted by the
16 Treasurer based on the Consumer Price Index for the North
17 Central Region as published by the United States Department of
18 Labor, Bureau of Labor Statistics for the immediately preceding
19 calendar year. Every contribution received by a financial
20 institution for investment in the College Savings Pool shall be
21 transferred from the financial institution to a location
22 selected by the State Treasurer within one business day
23 following the day that the funds must be made available in
24 accordance with federal law. All communications from the State
25 Treasurer to participants and donors shall reference the
26 participating financial institution at which the account was

1 processed.

2 The Treasurer may invest the moneys in the College Savings
3 Pool in the same manner and in the same types of investments
4 provided for the investment of moneys by the Illinois State
5 Board of Investment. To enhance the safety and liquidity of the
6 College Savings Pool, to ensure the diversification of the
7 investment portfolio of the pool, and in an effort to keep
8 investment dollars in the State of Illinois, the State
9 Treasurer may make a percentage of each account available for
10 investment in participating financial institutions doing
11 business in the State. The State Treasurer may deposit with the
12 participating financial institution at which the account was
13 processed the following percentage of each account at a
14 prevailing rate offered by the institution, provided that the
15 deposit is federally insured or fully collateralized and the
16 institution accepts the deposit: 10% of the total amount of
17 each account for which the current age of the beneficiary is
18 less than 7 years of age, 20% of the total amount of each
19 account for which the beneficiary is at least 7 years of age
20 and less than 12 years of age, and 50% of the total amount of
21 each account for which the current age of the beneficiary is at
22 least 12 years of age. The Treasurer shall develop, publish,
23 and implement an investment policy covering the investment of
24 the moneys in the College Savings Pool. The policy shall be
25 published each year as part of the audit of the College Savings
26 Pool by the Auditor General, which shall be distributed to all

1 participants. The Treasurer shall notify all participants in
2 writing, and the Treasurer shall publish in a newspaper of
3 general circulation in both Chicago and Springfield, any
4 changes to the previously published investment policy at least
5 30 calendar days before implementing the policy. Any investment
6 policy adopted by the Treasurer shall be reviewed and updated
7 if necessary within 90 days following the date that the State
8 Treasurer takes office.

9 Participants shall be required to use moneys distributed
10 from the College Savings Pool for qualified expenses at
11 eligible educational institutions. "Qualified expenses", as
12 used in this Section, means the following: (i) tuition, fees,
13 and the costs of books, supplies, and equipment required for
14 enrollment or attendance at an eligible educational
15 institution and (ii) certain room and board expenses incurred
16 while attending an eligible educational institution at least
17 half-time. "Eligible educational institutions", as used in
18 this Section, means public and private colleges, junior
19 colleges, graduate schools, and certain vocational
20 institutions that are described in Section 481 of the Higher
21 Education Act of 1965 (20 U.S.C. 1088) and that are eligible to
22 participate in Department of Education student aid programs. A
23 student shall be considered to be enrolled at least half-time
24 if the student is enrolled for at least half the full-time
25 academic work load for the course of study the student is
26 pursuing as determined under the standards of the institution

1 at which the student is enrolled. Distributions made from the
2 pool for qualified expenses shall be made directly to the
3 eligible educational institution, directly to a vendor, or in
4 the form of a check payable to both the beneficiary and the
5 institution or vendor. Any moneys that are distributed in any
6 other manner or that are used for expenses other than qualified
7 expenses at an eligible educational institution shall be
8 subject to a penalty of 10% of the earnings unless the
9 beneficiary dies, becomes disabled, or receives a scholarship
10 that equals or exceeds the distribution. Penalties shall be
11 withheld at the time the distribution is made.

12 The Treasurer shall limit the contributions that may be
13 made on behalf of a designated beneficiary based on the
14 limitations established by the Internal Revenue Service. The
15 contributions made on behalf of a beneficiary who is also a
16 beneficiary under the Illinois Prepaid Tuition Program shall be
17 further restricted to ensure that the contributions in both
18 programs combined do not exceed the limit established for the
19 College Savings Pool. The Treasurer shall provide the Illinois
20 Student Assistance Commission each year at a time designated by
21 the Commission, an electronic report of all participant
22 accounts in the Treasurer's College Savings Pool, listing total
23 contributions and disbursements from each individual account
24 during the previous calendar year. As soon thereafter as is
25 possible following receipt of the Treasurer's report, the
26 Illinois Student Assistance Commission shall, in turn, provide

1 the Treasurer with an electronic report listing those College
2 Savings Pool participants who also participate in the State's
3 prepaid tuition program, administered by the Commission. The
4 Commission shall be responsible for filing any combined tax
5 reports regarding State qualified savings programs required by
6 the United States Internal Revenue Service. The Treasurer shall
7 work with the Illinois Student Assistance Commission to
8 coordinate the marketing of the College Savings Pool and the
9 Illinois Prepaid Tuition Program when considered beneficial by
10 the Treasurer and the Director of the Illinois Student
11 Assistance Commission. The Treasurer's office shall not
12 publicize or otherwise market the College Savings Pool or
13 accept any moneys into the College Savings Pool prior to March
14 1, 2000. The Treasurer shall provide a separate accounting for
15 each designated beneficiary to each participant, the Illinois
16 Student Assistance Commission, and the participating financial
17 institution at which the account was processed. No interest in
18 the program may be pledged as security for a loan. Moneys held
19 in an account invested in the Illinois College Savings Pool
20 shall be exempt from all claims of the creditors of the
21 participant, donor, or designated beneficiary of that account,
22 except for the non-exempt College Savings Pool transfers to or
23 from the account as defined under subsection (j) of Section
24 12-1001 of the Code of Civil Procedure (735 ILCS 5/12-1001(j)).

25 The assets of the College Savings Pool and its income and
26 operation shall be exempt from all taxation by the State of

1 Illinois and any of its subdivisions. The accrued earnings on
2 investments in the Pool once disbursed on behalf of a
3 designated beneficiary shall be similarly exempt from all
4 taxation by the State of Illinois and its subdivisions, so long
5 as they are used for qualified expenses. Contributions to a
6 College Savings Pool account during the taxable year may be
7 deducted from adjusted gross income as provided in Section 203
8 of the Illinois Income Tax Act. The provisions of this
9 paragraph are exempt from Section 250 of the Illinois Income
10 Tax Act.

11 The Treasurer shall adopt rules he or she considers
12 necessary for the efficient administration of the College
13 Savings Pool. The rules shall provide whatever additional
14 parameters and restrictions are necessary to ensure that the
15 College Savings Pool meets all of the requirements for a
16 qualified state tuition program under Section 529 of the
17 Internal Revenue Code (26 U.S.C. 529). The rules shall provide
18 for the administration expenses of the pool to be paid from its
19 earnings and for the investment earnings in excess of the
20 expenses and all moneys collected as penalties to be credited
21 or paid monthly to the several participants in the pool in a
22 manner which equitably reflects the differing amounts of their
23 respective investments in the pool and the differing periods of
24 time for which those amounts were in the custody of the pool.
25 Also, the rules shall require the maintenance of records that
26 enable the Treasurer's office to produce a report for each

1 account in the pool at least annually that documents the
2 account balance and investment earnings. Notice of any proposed
3 amendments to the rules and regulations shall be provided to
4 all participants prior to adoption. Amendments to rules and
5 regulations shall apply only to contributions made after the
6 adoption of the amendment.

7 Upon creating the College Savings Pool, the State Treasurer
8 shall give bond with 2 or more sufficient sureties, payable to
9 and for the benefit of the participants in the College Savings
10 Pool, in the penal sum of \$1,000,000, conditioned upon the
11 faithful discharge of his or her duties in relation to the
12 College Savings Pool.

5 Disabilities Administrative Act is amended by changing
6 Sections 15 and 73 as follows:

7 (20 ILCS 1705/15) (from Ch. 91 1/2, par. 100-15)

8 Sec. 15. Before any person is released from a facility
9 operated by the State pursuant to an absolute discharge or a
10 conditional discharge from hospitalization under this Act, the
11 facility director of the facility in which such person is
12 hospitalized shall determine that such person is not currently
13 in need of hospitalization and:

14 (a) is able to live independently in the community; or

23 family home or other licensed facility approved by the
24 Department under this Section; or

1 (d) requires community mental health services for
2 which arrangements have been made with a community mental
3 health provider in accordance with criteria, standards,
4 and procedures promulgated by rule.

5 Such determination shall be made in writing and shall
6 become a part of the facility record of such absolutely or
7 conditionally discharged person. When the determination
8 indicates that the condition of the person to be granted an
9 absolute discharge or a conditional discharge is described
10 under subparagraph (c) or (d) of this Section, the name and
11 address of the continuing care facility or home to which such
12 person is to be released shall be entered in the facility
13 record. Where a discharge from a mental health facility is made
14 under subparagraph (c), the Department shall assign the person
15 so discharged to an existing community based not-for-profit
16 agency for participation in day activities suitable to the
17 person's needs, such as but not limited to social and
18 vocational rehabilitation, and other recreational, educational
19 and financial activities unless the community based
20 not-for-profit agency is unqualified to accept such
21 assignment. Where the clientele of any not-for-profit agency
22 increases as a result of assignments under this amendatory Act
23 of 1977 by more than 3% over the prior year, the Department
24 shall fully reimburse such agency for the costs of providing
25 services to such persons in excess of such 3% increase. The
26 Department shall keep written records detailing how many

1 persons have been assigned to a community based not-for-profit
2 agency and how many persons were not so assigned because the
3 community based agency was unable to accept the assignments, in

5 promulgated by rule. Whenever a community based agency is found
6 to be unable to accept the assignments, the name of the agency
7 and the reason for the finding shall be included in the report.

9 recipient, the facility, program or home in which the
10 discharged person is to be placed shall be located in or near
11 the community in which the person resided prior to
12 hospitalization or in the community in which the person's
13 family or nearest next of kin presently reside. Placement of
14 the discharged person in facilities, programs or homes located
15 outside of this State shall not be made by the Department
16 unless there are no appropriate facilities, programs or homes
17 available within this State. Out-of-state placements shall be
18 subject to return of recipients so placed upon the availability
19 of facilities, programs or homes within this State to
20 accommodate these recipients, except where placement in a
21 contiguous state results in locating a recipient in a facility
22 or program closer to the recipient's home or family. If an
23 appropriate facility or program becomes available equal to or
24 closer to the recipient's home or family, the recipient shall
25 be returned to and placed at the appropriate facility or
26 program within this State.

1 To place any person who is under a program of the

4 The Department may place in licensed nursing homes, sheltered
5 care homes, or homes for the aged those persons whose
6 behavioral manifestations and medical and nursing care needs
7 are such as to be substantially indistinguishable from persons
8 already living in such facilities. Prior to any placement by
9 the Department under this Section, a determination shall be
10 made by the personnel of the Department, as to the capability
11 and suitability of such facility to adequately meet the needs
12 of the person to be discharged. When specialized programs are
13 necessary in order to enable persons in need of supervised
14 living to develop and improve in the community, the Department
15 shall place such persons only in specialized residential care
16 facilities which shall meet Department standards including
17 restricted admission policy, special staffing and programming
18 for social and vocational rehabilitation, in addition to the
19 requirements of the appropriate State licensing agency. The
20 Department shall not place any new person in a facility the
21 license of which has been revoked or not renewed on grounds of
22 inadequate programming, staffing, or medical or adjunctive
23 services, regardless of the pendency of an action for
24 administrative review regarding such revocation or failure to
25 renew. Before the Department may transfer any person to a
26 licensed nursing home, sheltered care home or home for the aged

1 or place any person in a specialized residential care facility
2 the Department shall notify the person to be transferred, or a
3 responsible relative of such person, in writing, at least 30
4 days before the proposed transfer, with respect to all the
5 relevant facts concerning such transfer, except in cases of
6 emergency when such notice is not required. If either the
7 person to be transferred or a responsible relative of such
8 person objects to such transfer, in writing to the Department,
9 at any time after receipt of notice and before the transfer,
10 the facility director of the facility in which the person was a
11 recipient shall immediately schedule a hearing at the facility
12 with the presence of the facility director, the person who
13 objected to such proposed transfer, and a psychiatrist who is
14 familiar with the record of the person to be transferred. Such
15 person to be transferred or a responsible relative may be
16 represented by such counsel or interested party as he may
17 appoint, who may present such testimony with respect to the
18 proposed transfer. Testimony presented at such hearing shall
19 become a part of the facility record of the
20 person-to-be-transferred. The record of testimony shall be
21 held in the person-to-be-transferred's record in the central
22 files of the facility. If such hearing is held a transfer may
23 only be implemented, if at all, in accordance with the results
24 of such hearing. Within 15 days after such hearing the facility
25 director shall deliver his findings based on the record of the
26 case and the testimony presented at the hearing, by registered

1 or certified mail, to the parties to such hearing. The findings
2 of the facility director shall be deemed a final administrative
3 decision of the Department. For purposes of this Section, "case
4 of emergency" means those instances in which the health of the
5 person to be transferred is imperiled and the most appropriate
6 mental health care or medical care is available at a licensed
7 nursing home, sheltered care home or home for the aged or a
8 specialized residential care facility.

9 Prior to placement of any person in a facility under this
10 Section the Department shall ensure that an appropriate
11 training plan for staff is provided by the facility. Said
12 training may include instruction and demonstration by
13 Department personnel qualified in the area of mental illness or
14 intellectual disabilities, as applicable to the person to be
15 placed. Training may be given both at the facility from which
16 the recipient is transferred and at the facility receiving the
17 recipient, and may be available on a continuing basis
18 subsequent to placement. In a facility providing services to
19 former Department recipients, training shall be available as
20 necessary for facility staff. Such training will be on a
21 continuing basis as the needs of the facility and recipients
22 change and further training is required.

23 The Department shall not place any person in a facility
24 which does not have appropriately trained staff in sufficient
25 numbers to accommodate the recipient population already at the
26 facility. As a condition of further or future placements of

1 persons, the Department shall require the employment of
2 additional trained staff members at the facility where said
3 persons are to be placed. The Secretary, or his or her
4 designate, shall establish written guidelines for placement of
5 persons in facilities under this Act. The Department shall keep
6 written records detailing which facilities have been
7 determined to have staff who have been appropriately trained by
8 the Department and all training which it has provided or
9 required under this Section.

10 Bills for the support for a person boarded out shall be
11 payable monthly out of the proper maintenance funds and shall
12 be audited as any other accounts of the Department. If a person
13 is placed in a facility or program outside the Department, the
14 Department may pay the actual costs of residence, treatment or
15 maintenance in such facility and may collect such actual costs
16 or a portion thereof from the recipient or the estate of a
17 person placed in accordance with this Section.

18 Other than those placed in a family home the Department
19 shall cause all persons who are placed in a facility, as
20 defined by the ID/DD Community Care Act or the Specialized
21 Mental Health Rehabilitation Act, or in designated community
22 living situations or programs, to be visited at least once
23 during the first month following placement, and once every
24 month thereafter for the first year following placement when
25 indicated, but at least quarterly. After the first year, the
26 Department shall determine at what point the appropriate

1 licensing entity for the facility or designated community
2 living situation or program will assume the responsibility of
3 ensuring that appropriate services are being provided to the
4 resident. Once that responsibility is assumed, the Department
5 may discontinue such visits. If a long term care facility has
6 periodic care plan conferences, the visitor may participate in
7 those conferences, if such participation is approved by the
8 resident or the resident's guardian. Visits shall be made by
9 qualified and trained Department personnel, or their designee,
10 in the area of mental health or developmental disabilities
11 applicable to the person visited, and shall be made on a more
12 frequent basis when indicated. The Department may not use as
13 designee any personnel connected with or responsible to the
14 representatives of any facility in which persons who have been
15 transferred under this Section are placed. In the course of
16 such visit there shall be consideration of the following areas,
17 but not limited thereto: effects of transfer on physical and
18 mental health of the person, sufficiency of nursing care and
19 medical coverage required by the person, sufficiency of staff
20 personnel and ability to provide basic care for the person,
21 social, recreational and programmatic activities available for
22 the person, and other appropriate aspects of the person's
23 environment.

24 A report containing the above observations shall be made to
25 the Department, to the licensing agency, and to any other
26 appropriate agency subsequent to each visitation. The report

1 shall contain recommendations to improve the care and treatment
2 of the resident, as necessary, which shall be reviewed by the
3 facility's interdisciplinary team and the resident or the
4 resident's legal guardian.

5 Upon the complaint of any person placed in accordance with
6 this Section or any responsible citizen or upon discovery that
7 such person has been abused, neglected, or improperly cared
8 for, or that the placement does not provide the type of care
9 required by the recipient's current condition, the Department
10 immediately shall investigate, and determine if the
11 well-being, health, care, or safety of any person is affected
12 by any of the above occurrences, and if any one of the above
13 occurrences is verified, the Department shall remove such
14 person at once to a facility of the Department or to another
15 facility outside the Department, provided such person's needs
16 can be met at said facility. The Department may also provide
17 any person placed in accordance with this Section who is
18 without available funds, and who is permitted to engage in
19 employment outside the facility, such sums for the
20 transportation, and other expenses as may be needed by him
21 until he receives his wages for such employment.

22 The Department shall promulgate rules and regulations
23 governing the purchase of care for persons who are wards of or
24 who are receiving services from the Department. Such rules and
25 regulations shall apply to all monies expended by any agency of
26 the State of Illinois for services rendered by any person,

1 corporate entity, agency, governmental agency or political
2 subdivision whether public or private outside of the Department
3 whether payment is made through a contractual, per-diem or
4 other arrangement. No funds shall be paid to any person,
5 corporation, agency, governmental entity or political
6 subdivision without compliance with such rules and
7 regulations.

8 The rules and regulations governing purchase of care shall
9 describe categories and types of service deemed appropriate for
10 purchase by the Department.

11 Any provider of services under this Act may elect to
12 receive payment for those services, and the Department is
13 authorized to arrange for that payment, by means of direct
14 deposit transmittals to the service provider's account
15 maintained at a bank, savings and loan association, or other
16 financial institution. The financial institution shall be
17 approved by the Department, and the deposits shall be in
18 accordance with rules and regulations adopted by the
19 Department.

26 and services; and (ii) community-based residential mental

1 health and co-occurring substance use disorder care,
2 treatment, and services.

3 Community-based residential settings shall honor a
4 consumer's choice as well as a consumer's right to live in the:

5 (1) Least restrictive environment.

6 (2) Most appropriate integrated setting.

7 (3) Least restrictive environment and most appropriate
8 integrated setting designed to assist the individual in
9 living in a safe, appropriate, and therapeutic

17 State-supported care, treatment, and services appropriately
18 governed within the new rule, and shall continue eligibility
19 for eligible individuals in programs governed by Title 59, Part
20 132 of the Illinois Administrative Code. The Department shall
21 draft a new rule for community-based residential settings by

11 Section 85. The Department of Professional Regulation Law
12 of the Civil Administrative Code of Illinois is amended by
13 changing Section 2105-60 as follows:

14 (20 ILCS 2105/2105-60)

15 Sec. 2105-60. Payment by credit card or third-party payment
16 agent.

17 (a) For the purposes of this Section, "credit card" has the
18 meaning given to it in Section 10 of the Local Governmental
19 ~~Government~~ Acceptance of Credit Cards Act.

20 (b) The Department may, but need not, accept payment by
21 credit card for any fee, fine, or other charge that it is

24 card and may enter into such agreements as may be necessary to

1 accept payment by credit card.

2 (c) The Department may, but need not, accept payment
3 through a third-party payment agent of any fee, fine, or other
4 charges to the Department. The Department may adopt rules and

7 The Department may enter into agreements with one or more
8 financial institutions, internet companies, or other business

25 Section 90. The Illinois Health Finance Reform Act is

1 amended by changing Section 4-2 as follows:

2 (20 ILCS 2215/4-2) (from Ch. 111 1/2, par. 6504-2)

3 Sec. 4-2. Powers and duties.

4 (a) (Blank).

5 (b) (Blank).

6 (c) (Blank).

7 (d) Uniform Provider Utilization and Charge Information.

8 (1) The Department of Public Health shall require that
9 all hospitals and ambulatory surgical treatment centers
10 licensed to operate in the State of Illinois adopt a
11 uniform system for submitting patient claims and encounter
12 data for payment from public and private payors. This
13 system shall be based upon adoption of the uniform
14 electronic billing form pursuant to the Health Insurance
15 Portability and Accountability Act.

16 (2) (Blank).

17 (3) The Department of Insurance shall require all
18 third-party payors, including but not limited to, licensed
19 insurers, medical and hospital service corporations,
20 health maintenance organizations, and self-funded employee
21 health plans, to accept the uniform billing form, without
22 attachment as submitted by hospitals pursuant to paragraph
23 (1) of subsection (d) above, effective January 1, 1985;
24 provided, however, nothing shall prevent all such third
25 party payors from requesting additional information

1 necessary to determine eligibility for benefits or
2 liability for reimbursement for services provided.

3 (4) By no later than 60 days after the end of each
4 calendar quarter, each hospital licensed in the State shall
5 electronically submit to the Department inpatient and
6 outpatient claims and encounter data related to surgical
7 and invasive procedures collected under paragraph (5) for
8 each patient.

9 By no later than 60 days after the end of each calendar
10 quarter, each ambulatory surgical treatment center
11 licensed in the State shall electronically submit to the
12 Department outpatient claims and encounter data collected
13 under paragraph (5) for each patient, provided however,
14 that, until July 1, 2006, ambulatory surgical treatment
15 centers who cannot electronically submit data may submit
16 data by computer diskette. For hospitals, the claims and
17 encounter data to be reported shall include all inpatient
18 surgical cases. Claims and encounter data submitted under
19 this Act shall not include a patient's Social Security
20 number; provided, however, that the Department may
21 require, by rule, the inclusion of a unique patient
22 identifier that may be based upon the last four digits of
23 the patient's Social Security number. The Department shall
24 promulgate regulations to protect the patient's rights of
25 confidentiality and privacy. The regulations shall ensure
26 that patient names, addresses, Social Security numbers, or

1 any other data that the Department believes could be used
2 to determine the identity of an individual patient shall be
3 stored and processed in the most secure manner possible.

4 (5) By no later than January 1, 2006, the Department
5 must collect and compile claims and encounter data related
6 to surgical and invasive procedures according to uniform
7 electronic submission formats as required under the Health
8 Insurance Portability and Accountability Act. By no later
9 than January 1, 2006, the Department must collect and
10 compile from ambulatory surgical treatment centers the
11 claims and encounter data according to uniform electronic
12 data element formats as required under the Health Insurance
13 Portability and Accountability Act of 1996 (HIPAA).

14 (6) The Department shall make available on its website
15 the "Consumer Guide to Health Care" by January 1, 2006. The
16 Department shall also make available on its website the
17 Hospital Report Card Act. The "Consumer Guide to Health
18 Care" and the Hospital Report Card Act were established to
19 educate and assist Illinois health care consumers as they
20 make health care choices for themselves, their families,
21 and their loved ones. Significant and useful information is
22 available through the "Consumer Guide to Health Care" and
23 the Hospital Report Card Act. The links to the "Consumer
24 Guide to Health Care" and the Hospital Report Card Act on
25 the Department's website shall include a brief description
26 of the information available in both. When the Department

1 creates new or updates existing consumer fact sheets and
2 other information or materials for the purpose of educating
3 the Illinois health care consumer, it shall reference the
4 web pages of the "Consumer Guide to Health Care" and the
5 Hospital Report Card Act when it is relevant and
6 appropriate. The "Consumer Guide to Health Care" shall
7 include information on at least 30 inpatient conditions and
8 procedures identified by the Department that demonstrate
9 the highest degree of variation in patient charges and
10 quality of care. By no later than January 1, 2007, the
11 "Consumer Guide to Health Care" shall also include
12 information on at least 30 outpatient conditions and
13 procedures identified by the Department that demonstrate
14 the highest degree of variation in patient charges and
15 quality care. As to each condition or procedure, the
16 "Consumer Guide to Health Care" shall include up-to-date
17 comparison information relating to volume of cases,
18 average charges, risk-adjusted mortality rates, and
19 nosocomial infection rates and, with respect to outpatient
20 surgical and invasive procedures, shall include
21 information regarding surgical infections, complications,
22 and direct admissions of outpatient cases to hospitals for
23 selected procedures, as determined by the Department,
24 based on review by the Department of its own, local, or
25 national studies. Information disclosed pursuant to this
26 paragraph on mortality and infection rates shall be based

1 upon information hospitals and ambulatory surgical
2 treatment centers have either (i) previously submitted to
3 the Department pursuant to their obligations to report
4 health care information under this Act or other public
5 health reporting laws and regulations outside of this Act
6 or (ii) submitted to the Department under the provisions of
7 the Hospital Report Card Act.

8 (7) Publicly disclosed information must be provided in
9 language that is easy to understand and accessible to
10 consumers using an interactive query system. The guide
11 shall include such additional information as is necessary
12 to enhance decision making among consumer and health care
13 purchasers, which shall include, at a minimum, appropriate
14 guidance on how to interpret the data and an explanation of
15 why the data may vary from provider to provider. The
16 "Consumer Guide to Health Care" shall also cite standards
17 that facilities meet under state and federal law and, if
18 applicable, to achieve voluntary accreditation.

19 (8) None of the information the Department discloses to
20 the public under this subsection may be made available
21 unless the information has been reviewed, adjusted, and
22 validated according to the following process:

23 (i) Hospitals, ambulatory surgical treatment
24 centers, and organizations representing hospitals,
25 ambulatory surgical treatment centers, purchasers,
26 consumer groups, and health plans are meaningfully

1 involved in providing advice and consultation to the
2 Department in the development of all aspects of the
3 Department's methodology for collecting, analyzing,
4 and disclosing the information collected under this
5 Act, including collection methods, formatting, and
6 methods and means for release and dissemination;

7 (ii) The entire methodology for collecting and
8 analyzing the data is disclosed to all relevant
9 organizations and to all providers that are the subject
10 of any information to be made available to the public
11 before any public disclosure of such information;

12 (iii) Data collection and analytical methodologies
13 are used that meet accepted standards of validity and
14 reliability before any information is made available
15 to the public;

16 (iv) The limitations of the data sources and
17 analytic methodologies used to develop comparative
18 provider information are clearly identified and
19 acknowledged, including, but not limited to,
20 appropriate and inappropriate uses of the data;

21 (v) To the greatest extent possible, comparative
22 hospital and ambulatory surgical treatment center
23 information initiatives use standard-based norms
24 derived from widely accepted provider-developed
25 practice guidelines;

26 (vi) Comparative hospital and ambulatory surgical

1 treatment center information and other information
2 that the Department has compiled regarding hospitals
3 and ambulatory surgical treatment centers is shared
4 with the hospitals and ambulatory surgical treatment
5 centers under review prior to public dissemination of
6 the information and these providers have an
7 opportunity to make corrections and additions of
8 helpful explanatory comments about the information
9 before the publication;

10 (vii) Comparisons among hospitals and ambulatory
11 surgical treatment centers adjust for patient case mix
12 and other relevant risk factors and control for
13 provider peer groups, if applicable;

14 (viii) Effective safeguards to protect against the
15 unauthorized use or disclosure of hospital and
16 ambulatory surgical treatment center information are
17 developed and implemented;

18 (ix) Effective safeguards to protect against the
19 dissemination of inconsistent, incomplete, invalid,
20 inaccurate, or subjective provider data are developed
21 and implemented;

22 (x) The quality and accuracy of hospital and
23 ambulatory surgical treatment center information
24 reported under this Act and its data collection,
25 analysis, and dissemination methodologies are
26 evaluated regularly; and

1 (xi) Only the most basic hospital or ambulatory
2 surgical treatment center identifying information from
3 mandatory reports is used. Information regarding a
4 hospital or ambulatory surgical center may be released
5 regardless of the number of employees or health care
6 professionals whose data are reflected in the data for
7 the hospital or ambulatory surgical treatment center
8 as long as no specific information identifying an
9 employee or a health care professional is released.
10 Further, patient identifiable information is not
11 released. The input data collected by the Department
12 shall not be a public record under the Illinois Freedom
13 of Information Act.

14 None of the information the Department discloses to the
15 public under this Act may be used to establish a standard
16 of care in a private civil action.

17 (9) The Department must develop and implement an
18 outreach campaign to educate the public regarding the
19 availability of the "Consumer Guide to Health Care".

20 (10) By January 1, 2006, the Department must study the
21 most effective methods for public disclosure of patient
22 claims and encounter data and health care quality
23 information that will be useful to consumers in making
24 health care decisions and report its recommendations to the
25 Governor and to the General Assembly.

26 (11) The Department must undertake all steps necessary

1 under State and Federal law to protect patient
2 confidentiality in order to prevent the identification of
3 individual patient records.

4 (12) The Department must adopt rules for inpatient and
5 outpatient data collection and reporting no later than
6 January 1, 2006.

7 (13) In addition to the data products indicated above,
8 the Department shall respond to requests by government
9 agencies, academic research organizations, and private
10 sector organizations for purposes of clinical performance
11 measurements and analyses of data collected pursuant to
12 this Section.

13 (14) The Department, with the advice of and in
14 consultation with hospitals, ambulatory surgical treatment
15 centers, organizations representing hospitals,
16 organizations representing ambulatory treatment centers,
17 purchasers, consumer groups, and health plans, must
18 evaluate additional methods for comparing the performance
19 of hospitals and ambulatory surgical treatment centers,
20 including the value of disclosing additional measures that
21 are adopted by the National Quality Forum, The Joint
22 Commission on Accreditation of Healthcare Organizations,
23 the Accreditation Association for Ambulatory Health Care,
24 the Centers for Medicare and Medicaid Services, or similar
25 national entities that establish standards to measure the
26 performance of health care providers. The Department shall

1 report its findings and recommendations on its Internet
2 website and to the Governor and General Assembly no later
3 than July 1, 2006.

7 Section 95. The Department of Public Health Powers and
8 Duties Law of the Civil Administrative Code of Illinois is
9 amended by changing Sections 2310-367, 2310-550, 2310-560,
10 2310-565, and 2310-625 as follows:

11 (20 ILCS 2310/2310-367)

12 Sec. 2310-367. Health Data Task Force; purpose;
13 implementation plan.

14 (a) In accordance with the recommendations of the 2007
15 State Health Improvement Plan, it is the policy of the State
16 that, to the extent possible and consistent with privacy and
17 other laws, State public health data and health-related
18 administrative data are to be used to understand and report on
19 the scope of health problems, plan prevention programs, and
20 evaluate program effectiveness at the State and community
21 level. It is a priority to use data to address racial, ethnic,
22 and other health disparities. This system is intended to
23 support State and community level public health planning, and
24 is not intended to supplant or replace data-use agreements

1 between State agencies and academic researchers for more
2 specific research needs.

16 Section 110. The Illinois Power Agency Act is amended by
17 changing Sections 1-5, 1-10, 1-20, and 1-75 as follows:

18 (20 ILCS 3855/1-5)

19 Sec. 1-5. Legislative declarations and findings. The
20 General Assembly finds and declares:

21 (1) The health, welfare, and prosperity of all Illinois
22 citizens require the provision of adequate, reliable,
23 affordable, efficient, and environmentally sustainable
24 electric service at the lowest total cost over time, taking

1 into account any benefits of price stability.

2 (2) The transition to retail competition is not
3 complete. Some customers, especially residential and small
4 commercial customers, have failed to benefit from lower
5 electricity costs from retail and wholesale competition.

6 (3) Escalating prices for electricity in Illinois pose
7 a serious threat to the economic well-being, health, and
8 safety of the residents of and the commerce and industry of
9 the State.

10 (4) To protect against this threat to economic
11 well-being, health, and safety it is necessary to improve
12 the process of procuring electricity to serve Illinois
13 residents, to promote investment in energy efficiency and
14 demand-response measures, and to support development of
15 clean coal technologies and renewable resources.

16 (5) Procuring a diverse electricity supply portfolio
17 will ensure the lowest total cost over time for adequate,
18 reliable, efficient, and environmentally sustainable
19 electric service.

20 (6) Including cost-effective renewable resources in
21 that portfolio will reduce long-term direct and indirect
22 costs to consumers by decreasing environmental impacts and
23 by avoiding or delaying the need for new generation,
24 transmission, and distribution infrastructure.

25 (7) Energy efficiency, demand-response measures, and
26 renewable energy are resources currently underused in

1 Illinois.

2 (8) The State should encourage the use of advanced
3 clean coal technologies that capture and sequester carbon
4 dioxide emissions to advance environmental protection
5 goals and to demonstrate the viability of coal and
6 coal-derived fuels in a carbon-constrained economy.

7 (9) The General Assembly enacted Public Act 96-0795 to
8 reform the State's purchasing processes, recognizing that
9 government procurement is susceptible to abuse if
10 structural and procedural safeguards are not in place to
11 ensure independence, insulation, oversight, and
12 transparency.

13 (10) The principles that underlie the procurement
14 reform legislation apply also in the context of power
15 purchasing.

16 The General Assembly therefore finds that it is necessary
17 to create the Illinois Power Agency and that the goals and
18 objectives of that Agency are to accomplish each of the
19 following:

20 (A) Develop electricity procurement plans to ensure
21 adequate, reliable, affordable, efficient, and
22 environmentally sustainable electric service at the lowest
23 total cost over time, taking into account any benefits of
24 price stability, for electric utilities that on December
25 31, 2005 provided electric service to at least 100,000
26 customers in Illinois and for small multi-jurisdictional

1 electric utilities that (i) on December 31, 2005 served
2 less than 100,000 customers in Illinois and (ii) request a
3 procurement plan for their Illinois jurisdictional load.
4 The procurement plan shall be updated on an annual basis
5 and shall include renewable energy resources sufficient to
6 achieve the standards specified in this Act.

7 (B) Conduct competitive procurement processes to
8 procure the supply resources identified in the procurement
9 plan.

10 (C) Develop electric generation and co-generation
11 facilities that use indigenous coal or renewable
12 resources, or both, financed with bonds issued by the
13 Illinois Finance Authority.

14 (D) Supply electricity from the Agency's facilities at
15 cost to one or more of the following: municipal electric
16 systems, governmental aggregators, or rural electric
17 cooperatives in Illinois.

18 (E) Ensure that the process of power procurement is
19 conducted in an ethical and transparent fashion, immune
20 from improper influence.

21 (F) Continue to review its policies and practices to
22 determine how best to meet its mission of providing the
23 lowest cost power to the greatest number of people, at any
24 given point in time, in accordance with applicable law.

25 (G) Operate in a structurally insulated, independent,
26 and transparent fashion so that nothing impedes the

1 Agency's mission to secure power at the best prices the
2 market will bear, provided that the Agency meets all
3 applicable legal requirements.

5 present value of the total costs as calculated over the
6 lifetime of the measures. A total resource cost test compares
7 the sum of avoided electric utility costs, representing the
8 benefits that accrue to the system and the participant in the
9 delivery of those efficiency measures, as well as other
10 quantifiable societal benefits, including avoided natural gas
11 utility costs, to the sum of all incremental costs of end-use
12 measures that are implemented due to the program (including
13 both utility and participant contributions), plus costs to
14 administer, deliver, and evaluate each demand-side program, to
15 quantify the net savings obtained by substituting the
16 demand-side program for supply resources. In calculating
17 avoided costs of power and energy that an electric utility
18 would otherwise have had to acquire, reasonable estimates shall
19 be included of financial costs likely to be imposed by future
20 regulations and legislation on emissions of greenhouse gases.

1 Sec. 1-75. Planning and Procurement Bureau. The Planning
2 and Procurement Bureau has the following duties and
3 responsibilities:

4 (a) The Planning and Procurement Bureau shall each year,
5 beginning in 2008, develop procurement plans and conduct
6 competitive procurement processes in accordance with the
7 requirements of Section 16-111.5 of the Public Utilities Act
8 for the eligible retail customers of electric utilities that on
9 December 31, 2005 provided electric service to at least 100,000
10 customers in Illinois. The Planning and Procurement Bureau
11 shall also develop procurement plans and conduct competitive
12 procurement processes in accordance with the requirements of
13 Section 16-111.5 of the Public Utilities Act for the eligible
14 retail customers of small multi-jurisdictional electric
15 utilities that (i) on December 31, 2005 served less than
16 100,000 customers in Illinois and (ii) request a procurement
17 plan for their Illinois jurisdictional load. This Section shall
18 not apply to a small multi-jurisdictional utility until such
19 time as a small multi-jurisdictional utility requests the
20 Agency to prepare a procurement plan for their Illinois
21 jurisdictional load. For the purposes of this Section, the term
22 "eligible retail customers" has the same definition as found in
23 Section 16-111.5(a) of the Public Utilities Act.

24 (1) The Agency shall each year, beginning in 2008, as
25 needed, issue a request for qualifications for experts or
26 expert consulting firms to develop the procurement plans in

1 accordance with Section 16-111.5 of the Public Utilities
2 Act. In order to qualify an expert or expert consulting
3 firm must have:

4 (A) direct previous experience assembling
5 large-scale power supply plans or portfolios for
6 end-use customers;

7 (B) an advanced degree in economics, mathematics,
8 engineering, risk management, or a related area of
9 study;

10 (C) 10 years of experience in the electricity
11 sector, including managing supply risk;

12 (D) expertise in wholesale electricity market
13 rules, including those established by the Federal
14 Energy Regulatory Commission and regional transmission
15 organizations;

16 (E) expertise in credit protocols and familiarity
17 with contract protocols;

18 (F) adequate resources to perform and fulfill the
19 required functions and responsibilities; and

20 (G) the absence of a conflict of interest and
21 inappropriate bias for or against potential bidders or
22 the affected electric utilities.

23 (2) The Agency shall each year, as needed, issue a
24 request for qualifications for a procurement administrator
25 to conduct the competitive procurement processes in
26 accordance with Section 16-111.5 of the Public Utilities

1 Act. In order to qualify an expert or expert consulting
2 firm must have:

3 (A) direct previous experience administering a
4 large-scale competitive procurement process;

5 (B) an advanced degree in economics, mathematics,
6 engineering, or a related area of study;

7 (C) 10 years of experience in the electricity
8 sector, including risk management experience;

9 (D) expertise in wholesale electricity market
10 rules, including those established by the Federal
11 Energy Regulatory Commission and regional transmission
12 organizations;

13 (E) expertise in credit and contract protocols;

14 (F) adequate resources to perform and fulfill the
15 required functions and responsibilities; and

16 (G) the absence of a conflict of interest and
17 inappropriate bias for or against potential bidders or
18 the affected electric utilities.

19 (3) The Agency shall provide affected utilities and
20 other interested parties with the lists of qualified
21 experts or expert consulting firms identified through the
22 request for qualifications processes that are under
23 consideration to develop the procurement plans and to serve
24 as the procurement administrator. The Agency shall also
25 provide each qualified expert's or expert consulting
26 firm's response to the request for qualifications. All

1 information provided under this subparagraph shall also be
2 provided to the Commission. The Agency may provide by rule
3 for fees associated with supplying the information to
4 utilities and other interested parties. These parties
5 shall, within 5 business days, notify the Agency in writing
6 if they object to any experts or expert consulting firms on
7 the lists. Objections shall be based on:

8 (A) failure to satisfy qualification criteria;

9 (B) identification of a conflict of interest; or

10 (C) evidence of inappropriate bias for or against
11 potential bidders or the affected utilities.

12 The Agency shall remove experts or expert consulting
13 firms from the lists within 10 days if there is a
14 reasonable basis for an objection and provide the updated
15 lists to the affected utilities and other interested
16 parties. If the Agency fails to remove an expert or expert
17 consulting firm from a list, an objecting party may seek
18 review by the Commission within 5 days thereafter by filing
19 a petition, and the Commission shall render a ruling on the
20 petition within 10 days. There is no right of appeal of the
21 Commission's ruling.

22 (4) The Agency shall issue requests for proposals to
23 the qualified experts or expert consulting firms to develop
24 a procurement plan for the affected utilities and to serve
25 as procurement administrator.

26 (5) The Agency shall select an expert or expert

1 consulting firm to develop procurement plans based on the
2 proposals submitted and shall award contracts of up to 5
3 years to those selected.

4 (6) The Agency shall select an expert or expert
5 consulting firm, with approval of the Commission, to serve
6 as procurement administrator based on the proposals
7 submitted. If the Commission rejects, within 5 days, the
8 Agency's selection, the Agency shall submit another
9 recommendation within 3 days based on the proposals
10 submitted. The Agency shall award a 5-year contract to the
11 expert or expert consulting firm so selected with
12 Commission approval.

13 (b) The experts or expert consulting firms retained by the
14 Agency shall, as appropriate, prepare procurement plans, and
15 conduct a competitive procurement process as prescribed in
16 Section 16-111.5 of the Public Utilities Act, to ensure
17 adequate, reliable, affordable, efficient, and environmentally
18 sustainable electric service at the lowest total cost over
19 time, taking into account any benefits of price stability, for
20 eligible retail customers of electric utilities that on
21 December 31, 2005 provided electric service to at least 100,000
22 customers in the State of Illinois, and for eligible Illinois
23 retail customers of small multi-jurisdictional electric
24 utilities that (i) on December 31, 2005 served less than
25 100,000 customers in Illinois and (ii) request a procurement
26 plan for their Illinois jurisdictional load.

1 (c) Renewable portfolio standard.

2 (1) The procurement plans shall include cost-effective
3 renewable energy resources. A minimum percentage of each
4 utility's total supply to serve the load of eligible retail
5 customers, as defined in Section 16-111.5(a) of the Public
6 Utilities Act, procured for each of the following years
7 shall be generated from cost-effective renewable energy
8 resources: at least 2% by June 1, 2008; at least 4% by June
9 1, 2009; at least 5% by June 1, 2010; at least 6% by June 1,
10 2011; at least 7% by June 1, 2012; at least 8% by June 1,
11 2013; at least 9% by June 1, 2014; at least 10% by June 1,
12 2015; and increasing by at least 1.5% each year thereafter
13 to at least 25% by June 1, 2025. To the extent that it is
14 available, at least 75% of the renewable energy resources
15 used to meet these standards shall come from wind
16 generation and, beginning on June 1, 2011, at least the
17 following percentages of the renewable energy resources
18 used to meet these standards shall come from photovoltaics
19 on the following schedule: 0.5% by June 1, 2012, 1.5% by
20 June 1, 2013; 3% by June 1, 2014; and 6% by June 1, 2015 and
21 thereafter. Of the renewable energy resources procured
22 pursuant to this Section, at least the following
23 percentages shall come from distributed renewable energy
24 generation devices: 0.5% by June 1, 2013, 0.75% by June 1,
25 2014, and 1% by June 1, 2015 and thereafter. To the extent
26 available, half of the renewable energy resources procured

1 from distributed renewable energy generation shall come
2 from devices of less than 25 kilowatts in nameplate
3 capacity. Renewable energy resources procured from
4 distributed generation devices may also count towards the
5 required percentages for wind and solar photovoltaics.
6 Procurement of renewable energy resources from distributed
7 renewable energy generation devices shall be done on an
8 annual basis through multi-year contracts of no less than 5
9 years, and shall consist solely of renewable energy
10 credits.

11 The Agency shall create credit requirements for
12 suppliers of distributed renewable energy. In order to
13 minimize the administrative burden on contracting
14 entities, the Agency shall solicit the use of third-party
15 organizations to aggregate distributed renewable energy
16 into groups of no less than one megawatt in installed
17 capacity. These third-party organizations shall administer
18 contracts with individual distributed renewable energy
19 generation device owners. An individual distributed
20 renewable energy generation device owner shall have the
21 ability to measure the output of his or her distributed
22 renewable energy generation device.

23 For purposes of this subsection (c), "cost-effective"
24 means that the costs of procuring renewable energy
25 resources do not cause the limit stated in paragraph (2) of
26 this subsection (c) to be exceeded and do not exceed

1 benchmarks based on market prices for renewable energy
2 resources in the region, which shall be developed by the
3 procurement administrator, in consultation with the
4 Commission staff, Agency staff, and the procurement
5 monitor and shall be subject to Commission review and
6 approval.

7 (2) For purposes of this subsection (c), the required
8 procurement of cost-effective renewable energy resources
9 for a particular year shall be measured as a percentage of
10 the actual amount of electricity (megawatt-hours) supplied
11 by the electric utility to eligible retail customers in the
12 planning year ending immediately prior to the procurement.
13 For purposes of this subsection (c), the amount paid per
14 kilowatthour means the total amount paid for electric
15 service expressed on a per kilowatthour basis. For purposes
16 of this subsection (c), the total amount paid for electric
17 service includes without limitation amounts paid for
18 supply, transmission, distribution, surcharges, and add-on
19 taxes.

20 Notwithstanding the requirements of this subsection
21 (c), the total of renewable energy resources procured
22 pursuant to the procurement plan for any single year shall
23 be reduced by an amount necessary to limit the annual
24 estimated average net increase due to the costs of these
25 resources included in the amounts paid by eligible retail
26 customers in connection with electric service to:

1 (A) in 2008, no more than 0.5% of the amount paid
2 per kilowatthour by those customers during the year
3 ending May 31, 2007;

4 (B) in 2009, the greater of an additional 0.5% of
5 the amount paid per kilowatthour by those customers
6 during the year ending May 31, 2008 or 1% of the amount
7 paid per kilowatthour by those customers during the
8 year ending May 31, 2007;

9 (C) in 2010, the greater of an additional 0.5% of
10 the amount paid per kilowatthour by those customers
11 during the year ending May 31, 2009 or 1.5% of the
12 amount paid per kilowatthour by those customers during
13 the year ending May 31, 2007;

14 (D) in 2011, the greater of an additional 0.5% of
15 the amount paid per kilowatthour by those customers
16 during the year ending May 31, 2010 or 2% of the amount
17 paid per kilowatthour by those customers during the
18 year ending May 31, 2007; and

19 (E) thereafter, the amount of renewable energy
20 resources procured pursuant to the procurement plan
21 for any single year shall be reduced by an amount
22 necessary to limit the estimated average net increase
23 due to the cost of these resources included in the
24 amounts paid by eligible retail customers in
25 connection with electric service to no more than the
26 greater of 2.015% of the amount paid per kilowatthour

1 by those customers during the year ending May 31, 2007
2 or the incremental amount per kilowatthour paid for
3 these resources in 2011.

4 No later than June 30, 2011, the Commission shall
5 review the limitation on the amount of renewable energy
6 resources procured pursuant to this subsection (c) and
7 report to the General Assembly its findings as to
8 whether that limitation unduly constrains the
9 procurement of cost-effective renewable energy
10 resources.

11 (3) Through June 1, 2011, renewable energy resources
12 shall be counted for the purpose of meeting the renewable
13 energy standards set forth in paragraph (1) of this
14 subsection (c) only if they are generated from facilities
15 located in the State, provided that cost-effective
16 renewable energy resources are available from those
17 facilities. If those cost-effective resources are not
18 available in Illinois, they shall be procured in states
19 that adjoin Illinois and may be counted towards compliance.
20 If those cost-effective resources are not available in
21 Illinois or in states that adjoin Illinois, they shall be
22 purchased elsewhere and shall be counted towards
23 compliance. After June 1, 2011, cost-effective renewable
24 energy resources located in Illinois and in states that
25 adjoin Illinois may be counted towards compliance with the
26 standards set forth in paragraph (1) of this subsection

1 (c). If those cost-effective resources are not available in
2 Illinois or in states that adjoin Illinois, they shall be
3 purchased elsewhere and shall be counted towards
4 compliance.

5 (4) The electric utility shall retire all renewable
6 energy credits used to comply with the standard.

7 (5) Beginning with the year commencing June 1, 2010, an
8 electric utility subject to this subsection (c) shall apply
9 the lesser of the maximum alternative compliance payment
10 rate or the most recent estimated alternative compliance
11 payment rate for its service territory for the
12 corresponding compliance period, established pursuant to
13 subsection (d) of Section 16-115D of the Public Utilities
14 Act to its retail customers that take service pursuant to
15 the electric utility's hourly pricing tariff or tariffs.
16 The electric utility shall retain all amounts collected as
17 a result of the application of the alternative compliance
18 payment rate or rates to such customers, and, beginning in
19 2011, the utility shall include in the information provided
20 under item (1) of subsection (d) of Section 16-111.5 of the
21 Public Utilities Act the amounts collected under the
22 alternative compliance payment rate or rates for the prior
23 year ending May 31. Notwithstanding any limitation on the
24 procurement of renewable energy resources imposed by item
25 (2) of this subsection (c), the Agency shall increase its
26 spending on the purchase of renewable energy resources to

1 be procured by the electric utility for the next plan year
2 by an amount equal to the amounts collected by the utility
3 under the alternative compliance payment rate or rates in
4 the prior year ending May 31.

5 (d) Clean coal portfolio standard.

6 (1) The procurement plans shall include electricity
7 generated using clean coal. Each utility shall enter into
8 one or more sourcing agreements with the initial clean coal
9 facility, as provided in paragraph (3) of this subsection
10 (d), covering electricity generated by the initial clean
11 coal facility representing at least 5% of each utility's
12 total supply to serve the load of eligible retail customers
13 in 2015 and each year thereafter, as described in paragraph
14 (3) of this subsection (d), subject to the limits specified
15 in paragraph (2) of this subsection (d). It is the goal of
16 the State that by January 1, 2025, 25% of the electricity
17 used in the State shall be generated by cost-effective
18 clean coal facilities. For purposes of this subsection (d),
19 "cost-effective" means that the expenditures pursuant to
20 such sourcing agreements do not cause the limit stated in
21 paragraph (2) of this subsection (d) to be exceeded and do
22 not exceed cost-based benchmarks, which shall be developed
23 to assess all expenditures pursuant to such sourcing
24 agreements covering electricity generated by clean coal
25 facilities, other than the initial clean coal facility, by
26 the procurement administrator, in consultation with the

1 Commission staff, Agency staff, and the procurement
2 monitor and shall be subject to Commission review and
3 approval.

4 A utility party to a sourcing agreement shall
5 immediately retire any emission credits that it receives in
6 connection with the electricity covered by such agreement.

7 Utilities shall maintain adequate records documenting
8 the purchases under the sourcing agreement to comply with
9 this subsection (d) and shall file an accounting with the
10 load forecast that must be filed with the Agency by July 15
11 of each year, in accordance with subsection (d) of Section
12 16-111.5 of the Public Utilities Act.

13 A utility shall be deemed to have complied with the
14 clean coal portfolio standard specified in this subsection
15 (d) if the utility enters into a sourcing agreement as
16 required by this subsection (d).

17 (2) For purposes of this subsection (d), the required
18 execution of sourcing agreements with the initial clean
19 coal facility for a particular year shall be measured as a
20 percentage of the actual amount of electricity
21 (megawatt-hours) supplied by the electric utility to
22 eligible retail customers in the planning year ending
23 immediately prior to the agreement's execution. For
24 purposes of this subsection (d), the amount paid per
25 kilowatthour means the total amount paid for electric
26 service expressed on a per kilowatthour basis. For purposes

1 of this subsection (d), the total amount paid for electric
2 service includes without limitation amounts paid for
3 supply, transmission, distribution, surcharges and add-on
4 taxes.

5 Notwithstanding the requirements of this subsection
6 (d), the total amount paid under sourcing agreements with
7 clean coal facilities pursuant to the procurement plan for
8 any given year shall be reduced by an amount necessary to
9 limit the annual estimated average net increase due to the
10 costs of these resources included in the amounts paid by
11 eligible retail customers in connection with electric
12 service to:

13 (A) in 2010, no more than 0.5% of the amount paid
14 per kilowatthour by those customers during the year
15 ending May 31, 2009;

16 (B) in 2011, the greater of an additional 0.5% of
17 the amount paid per kilowatthour by those customers
18 during the year ending May 31, 2010 or 1% of the amount
19 paid per kilowatthour by those customers during the
20 year ending May 31, 2009;

21 (C) in 2012, the greater of an additional 0.5% of
22 the amount paid per kilowatthour by those customers
23 during the year ending May 31, 2011 or 1.5% of the
24 amount paid per kilowatthour by those customers during
25 the year ending May 31, 2009;

26 (D) in 2013, the greater of an additional 0.5% of

1 the amount paid per kilowatthour by those customers
2 during the year ending May 31, 2012 or 2% of the amount
3 paid per kilowatthour by those customers during the
4 year ending May 31, 2009; and

5 (E) thereafter, the total amount paid under
6 sourcing agreements with clean coal facilities
7 pursuant to the procurement plan for any single year
8 shall be reduced by an amount necessary to limit the
9 estimated average net increase due to the cost of these
10 resources included in the amounts paid by eligible
11 retail customers in connection with electric service
12 to no more than the greater of (i) 2.015% of the amount
13 paid per kilowatthour by those customers during the
14 year ending May 31, 2009 or (ii) the incremental amount
15 per kilowatthour paid for these resources in 2013.
16 These requirements may be altered only as provided by
17 statute.

18 No later than June 30, 2015, the Commission shall
19 review the limitation on the total amount paid under
20 sourcing agreements, if any, with clean coal facilities
21 pursuant to this subsection (d) and report to the General
22 Assembly its findings as to whether that limitation unduly
23 constrains the amount of electricity generated by
24 cost-effective clean coal facilities that is covered by
25 sourcing agreements.

26 (3) Initial clean coal facility. In order to promote

1 development of clean coal facilities in Illinois, each
2 electric utility subject to this Section shall execute a
3 sourcing agreement to source electricity from a proposed
4 clean coal facility in Illinois (the "initial clean coal
5 facility") that will have a nameplate capacity of at least
6 500 MW when commercial operation commences, that has a
7 final Clean Air Act permit on the effective date of this
8 amendatory Act of the 95th General Assembly, and that will
9 meet the definition of clean coal facility in Section 1-10
10 of this Act when commercial operation commences. The
11 sourcing agreements with this initial clean coal facility
12 shall be subject to both approval of the initial clean coal
13 facility by the General Assembly and satisfaction of the
14 requirements of paragraph (4) of this subsection (d) and
15 shall be executed within 90 days after any such approval by
16 the General Assembly. The Agency and the Commission shall
17 have authority to inspect all books and records associated
18 with the initial clean coal facility during the term of
19 such a sourcing agreement. A utility's sourcing agreement
20 for electricity produced by the initial clean coal facility
21 shall include:

22 (A) a formula contractual price (the "contract
23 price") approved pursuant to paragraph (4) of this
24 subsection (d), which shall:

25 (i) be determined using a cost of service
26 methodology employing either a level or deferred

1 capital recovery component, based on a capital
2 structure consisting of 45% equity and 55% debt,
3 and a return on equity as may be approved by the
4 Federal Energy Regulatory Commission, which in any
5 case may not exceed the lower of 11.5% or the rate
6 of return approved by the General Assembly
7 pursuant to paragraph (4) of this subsection (d);
8 and

9 (ii) provide that all miscellaneous net
10 revenue, including but not limited to net revenue
11 from the sale of emission allowances, if any,
12 substitute natural gas, if any, grants or other
13 support provided by the State of Illinois or the
14 United States Government, firm transmission
15 rights, if any, by-products produced by the
16 facility, energy or capacity derived from the
17 facility and not covered by a sourcing agreement
18 pursuant to paragraph (3) of this subsection (d) or
19 item (5) of subsection (d) of Section 16-115 of the
20 Public Utilities Act, whether generated from the
21 synthesis gas derived from coal, from SNG, or from
22 natural gas, shall be credited against the revenue
23 requirement for this initial clean coal facility;

24 (B) power purchase provisions, which shall:

25 (i) provide that the utility party to such
26 sourcing agreement shall pay the contract price

1 for electricity delivered under such sourcing
2 agreement;

3 (ii) require delivery of electricity to the
4 regional transmission organization market of the
5 utility that is party to such sourcing agreement;

6 (iii) require the utility party to such
7 sourcing agreement to buy from the initial clean
8 coal facility in each hour an amount of energy
9 equal to all clean coal energy made available from
10 the initial clean coal facility during such hour
11 times a fraction, the numerator of which is such
12 utility's retail market sales of electricity
13 (expressed in kilowatthours sold) in the State
14 during the prior calendar month and the
15 denominator of which is the total retail market
16 sales of electricity (expressed in kilowatthours
17 sold) in the State by utilities during such prior
18 month and the sales of electricity (expressed in
19 kilowatthours sold) in the State by alternative
20 retail electric suppliers during such prior month
21 that are subject to the requirements of this
22 subsection (d) and paragraph (5) of subsection (d)
23 of Section 16-115 of the Public Utilities Act,
24 provided that the amount purchased by the utility
25 in any year will be limited by paragraph (2) of
26 this subsection (d); and

1 (iv) be considered pre-existing contracts in
2 such utility's procurement plans for eligible
3 retail customers;

4 (C) contract for differences provisions, which
5 shall:

6 (i) require the utility party to such sourcing
7 agreement to contract with the initial clean coal
8 facility in each hour with respect to an amount of
9 energy equal to all clean coal energy made
10 available from the initial clean coal facility
11 during such hour times a fraction, the numerator of
12 which is such utility's retail market sales of
13 electricity (expressed in kilowatthours sold) in
14 the utility's service territory in the State
15 during the prior calendar month and the
16 denominator of which is the total retail market
17 sales of electricity (expressed in kilowatthours
18 sold) in the State by utilities during such prior
19 month and the sales of electricity (expressed in
20 kilowatthours sold) in the State by alternative
21 retail electric suppliers during such prior month
22 that are subject to the requirements of this
23 subsection (d) and paragraph (5) of subsection (d)
24 of Section 16-115 of the Public Utilities Act,
25 provided that the amount paid by the utility in any
26 year will be limited by paragraph (2) of this

1 subsection (d);

2 (ii) provide that the utility's payment
3 obligation in respect of the quantity of
4 electricity determined pursuant to the preceding
5 clause (i) shall be limited to an amount equal to
6 (1) the difference between the contract price
7 determined pursuant to subparagraph (A) of
8 paragraph (3) of this subsection (d) and the
9 day-ahead price for electricity delivered to the
10 regional transmission organization market of the
11 utility that is party to such sourcing agreement
12 (or any successor delivery point at which such
13 utility's supply obligations are financially
14 settled on an hourly basis) (the "reference
15 price") on the day preceding the day on which the
16 electricity is delivered to the initial clean coal
17 facility busbar, multiplied by (2) the quantity of
18 electricity determined pursuant to the preceding
19 clause (i); and

20 (iii) not require the utility to take physical
21 delivery of the electricity produced by the
22 facility;

23 (D) general provisions, which shall:

24 (i) specify a term of no more than 30 years,
25 commencing on the commercial operation date of the
26 facility;

1 (ii) provide that utilities shall maintain
2 adequate records documenting purchases under the
3 sourcing agreements entered into to comply with
4 this subsection (d) and shall file an accounting
5 with the load forecast that must be filed with the
6 Agency by July 15 of each year, in accordance with
7 subsection (d) of Section 16-111.5 of the Public
8 Utilities Act.

9 (iii) provide that all costs associated with
10 the initial clean coal facility will be
11 periodically reported to the Federal Energy
12 Regulatory Commission and to purchasers in
13 accordance with applicable laws governing
14 cost-based wholesale power contracts;

15 (iv) permit the Illinois Power Agency to
16 assume ownership of the initial clean coal
17 facility, without monetary consideration and
18 otherwise on reasonable terms acceptable to the
19 Agency, if the Agency so requests no less than 3
20 years prior to the end of the stated contract term;

21 (v) require the owner of the initial clean coal
22 facility to provide documentation to the
23 Commission each year, starting in the facility's
24 first year of commercial operation, accurately
25 reporting the quantity of carbon emissions from
26 the facility that have been captured and

1 sequestered and report any quantities of carbon
2 released from the site or sites at which carbon
3 emissions were sequestered in prior years, based
4 on continuous monitoring of such sites. If, in any
5 year after the first year of commercial operation,
6 the owner of the facility fails to demonstrate that
7 the initial clean coal facility captured and
8 sequestered at least 50% of the total carbon
9 emissions that the facility would otherwise emit
10 or that sequestration of emissions from prior
11 years has failed, resulting in the release of
12 carbon dioxide into the atmosphere, the owner of
13 the facility must offset excess emissions. Any
14 such carbon offsets must be permanent, additional,
15 verifiable, real, located within the State of
16 Illinois, and legally and practicably enforceable.
17 The cost of such offsets for the facility that are
18 not recoverable shall not exceed \$15 million in any
19 given year. No costs of any such purchases of
20 carbon offsets may be recovered from a utility or
21 its customers. All carbon offsets purchased for
22 this purpose and any carbon emission credits
23 associated with sequestration of carbon from the
24 facility must be permanently retired. The initial
25 clean coal facility shall not forfeit its
26 designation as a clean coal facility if the

1 facility fails to fully comply with the applicable
2 carbon sequestration requirements in any given
3 year, provided the requisite offsets are
4 purchased. However, the Attorney General, on
5 behalf of the People of the State of Illinois, may
6 specifically enforce the facility's sequestration
7 requirement and the other terms of this contract
8 provision. Compliance with the sequestration
9 requirements and offset purchase requirements
10 specified in paragraph (3) of this subsection (d)
11 shall be reviewed annually by an independent
12 expert retained by the owner of the initial clean
13 coal facility, with the advance written approval
14 of the Attorney General. The Commission may, in the
15 course of the review specified in item (vii),
16 reduce the allowable return on equity for the
17 facility if the facility wilfully fails to comply
18 with the carbon capture and sequestration
19 requirements set forth in this item (v);

20 (vi) include limits on, and accordingly
21 provide for modification of, the amount the
22 utility is required to source under the sourcing
23 agreement consistent with paragraph (2) of this
24 subsection (d);

25 (vii) require Commission review: (1) to
26 determine the justness, reasonableness, and

1 prudence of the inputs to the formula referenced in
2 subparagraphs (A)(i) through (A)(iii) of paragraph
3 (3) of this subsection (d), prior to an adjustment
4 in those inputs including, without limitation, the
5 capital structure and return on equity, fuel
6 costs, and other operations and maintenance costs
7 and (2) to approve the costs to be passed through
8 to customers under the sourcing agreement by which
9 the utility satisfies its statutory obligations.
10 Commission review shall occur no less than every 3
11 years, regardless of whether any adjustments have
12 been proposed, and shall be completed within 9
13 months;

14 (viii) limit the utility's obligation to such
15 amount as the utility is allowed to recover through
16 tariffs filed with the Commission, provided that
17 neither the clean coal facility nor the utility
18 waives any right to assert federal pre-emption or
19 any other argument in response to a purported
20 disallowance of recovery costs;

21 (ix) limit the utility's or alternative retail
22 electric supplier's obligation to incur any
23 liability until such time as the facility is in
24 commercial operation and generating power and
25 energy and such power and energy is being delivered
26 to the facility busbar;

1 (x) provide that the owner or owners of the
2 initial clean coal facility, which is the
3 counterparty to such sourcing agreement, shall
4 have the right from time to time to elect whether
5 the obligations of the utility party thereto shall
6 be governed by the power purchase provisions or the
7 contract for differences provisions;

8 (xi) append documentation showing that the
9 formula rate and contract, insofar as they relate
10 to the power purchase provisions, have been
11 approved by the Federal Energy Regulatory
12 Commission pursuant to Section 205 of the Federal
13 Power Act;

14 (xii) provide that any changes to the terms of
15 the contract, insofar as such changes relate to the
16 power purchase provisions, are subject to review
17 under the public interest standard applied by the
18 Federal Energy Regulatory Commission pursuant to
19 Sections 205 and 206 of the Federal Power Act; and

20 (xiii) conform with customary lender
21 requirements in power purchase agreements used as
22 the basis for financing non-utility generators.

23 (4) Effective date of sourcing agreements with the
24 initial clean coal facility.

25 Any proposed sourcing agreement with the initial clean
26 coal facility shall not become effective unless the

1 following reports are prepared and submitted and
2 authorizations and approvals obtained:

3 (i) Facility cost report. The owner of the initial
4 clean coal facility shall submit to the Commission, the
5 Agency, and the General Assembly a front-end
6 engineering and design study, a facility cost report,
7 method of financing (including but not limited to
8 structure and associated costs), and an operating and
9 maintenance cost quote for the facility (collectively
10 "facility cost report"), which shall be prepared in
11 accordance with the requirements of this paragraph (4)
12 of subsection (d) of this Section, and shall provide
13 the Commission and the Agency access to the work
14 papers, relied upon documents, and any other backup
15 documentation related to the facility cost report.

16 (ii) Commission report. Within 6 months following
17 receipt of the facility cost report, the Commission, in
18 consultation with the Agency, shall submit a report to
19 the General Assembly setting forth its analysis of the
20 facility cost report. Such report shall include, but
21 not be limited to, a comparison of the costs associated
22 with electricity generated by the initial clean coal
23 facility to the costs associated with electricity
24 generated by other types of generation facilities, an
25 analysis of the rate impacts on residential and small
26 business customers over the life of the sourcing

1 agreements, and an analysis of the likelihood that the
2 initial clean coal facility will commence commercial
3 operation by and be delivering power to the facility's
4 busbar by 2016. To assist in the preparation of its
5 report, the Commission, in consultation with the
6 Agency, may hire one or more experts or consultants,
7 the costs of which shall be paid for by the owner of
8 the initial clean coal facility. The Commission and
9 Agency may begin the process of selecting such experts
10 or consultants prior to receipt of the facility cost
11 report.

12 (iii) General Assembly approval. The proposed
13 sourcing agreements shall not take effect unless,
14 based on the facility cost report and the Commission's
15 report, the General Assembly enacts authorizing
16 legislation approving (A) the projected price, stated
17 in cents per kilowatthour, to be charged for
18 electricity generated by the initial clean coal
19 facility, (B) the projected impact on residential and
20 small business customers' bills over the life of the
21 sourcing agreements, and (C) the maximum allowable
22 return on equity for the project; and

23 (iv) Commission review. If the General Assembly
24 enacts authorizing legislation pursuant to
25 subparagraph (iii) approving a sourcing agreement, the
26 Commission shall, within 90 days of such enactment,

1 complete a review of such sourcing agreement. During
2 such time period, the Commission shall implement any
3 directive of the General Assembly, resolve any
4 disputes between the parties to the sourcing agreement
5 concerning the terms of such agreement, approve the
6 form of such agreement, and issue an order finding that
7 the sourcing agreement is prudent and reasonable.

8 The facility cost report shall be prepared as follows:

9 (A) The facility cost report shall be prepared by
10 duly licensed engineering and construction firms
11 detailing the estimated capital costs payable to one or
12 more contractors or suppliers for the engineering,
13 procurement and construction of the components
14 comprising the initial clean coal facility and the
15 estimated costs of operation and maintenance of the
16 facility. The facility cost report shall include:

17 (i) an estimate of the capital cost of the core
18 plant based on one or more front end engineering
19 and design studies for the gasification island and
20 related facilities. The core plant shall include
21 all civil, structural, mechanical, electrical,
22 control, and safety systems.

23 (ii) an estimate of the capital cost of the
24 balance of the plant, including any capital costs
25 associated with sequestration of carbon dioxide
26 emissions and all interconnects and interfaces

1 required to operate the facility, such as
2 transmission of electricity, construction or
3 backfeed power supply, pipelines to transport
4 substitute natural gas or carbon dioxide, potable
5 water supply, natural gas supply, water supply,
6 water discharge, landfill, access roads, and coal
7 delivery.

8 The quoted construction costs shall be expressed
9 in nominal dollars as of the date that the quote is
10 prepared and shall include capitalized financing costs
11 during construction, taxes, insurance, and other
12 owner's costs, and an assumed escalation in materials
13 and labor beyond the date as of which the construction
14 cost quote is expressed.

15 (B) The front end engineering and design study for
16 the gasification island and the cost study for the
17 balance of plant shall include sufficient design work
18 to permit quantification of major categories of
19 materials, commodities and labor hours, and receipt of
20 quotes from vendors of major equipment required to
21 construct and operate the clean coal facility.

22 (C) The facility cost report shall also include an
23 operating and maintenance cost quote that will provide
24 the estimated cost of delivered fuel, personnel,
25 maintenance contracts, chemicals, catalysts,
26 consumables, spares, and other fixed and variable

1 operations and maintenance costs. The delivered fuel
2 cost estimate will be provided by a recognized third
3 party expert or experts in the fuel and transportation
4 industries. The balance of the operating and
5 maintenance cost quote, excluding delivered fuel
6 costs, will be developed based on the inputs provided
7 by duly licensed engineering and construction firms
8 performing the construction cost quote, potential
9 vendors under long-term service agreements and plant
10 operating agreements, or recognized third party plant
11 operator or operators.

12 The operating and maintenance cost quote
13 (including the cost of the front end engineering and
14 design study) shall be expressed in nominal dollars as
15 of the date that the quote is prepared and shall
16 include taxes, insurance, and other owner's costs, and
17 an assumed escalation in materials and labor beyond the
18 date as of which the operating and maintenance cost
19 quote is expressed.

20 (D) The facility cost report shall also include an
21 analysis of the initial clean coal facility's ability
22 to deliver power and energy into the applicable
23 regional transmission organization markets and an
24 analysis of the expected capacity factor for the
25 initial clean coal facility.

26 (E) Amounts paid to third parties unrelated to the

1 owner or owners of the initial clean coal facility to
2 prepare the core plant construction cost quote,
3 including the front end engineering and design study,
4 and the operating and maintenance cost quote will be
5 reimbursed through Coal Development Bonds.

6 (5) Re-powering and retrofitting coal-fired power
7 plants previously owned by Illinois utilities to qualify as
8 clean coal facilities. During the 2009 procurement
9 planning process and thereafter, the Agency and the
10 Commission shall consider sourcing agreements covering
11 electricity generated by power plants that were previously
12 owned by Illinois utilities and that have been or will be
13 converted into clean coal facilities, as defined by Section
14 1-10 of this Act. Pursuant to such procurement planning
15 process, the owners of such facilities may propose to the
16 Agency sourcing agreements with utilities and alternative
17 retail electric suppliers required to comply with
18 subsection (d) of this Section and item (5) of subsection
19 (d) of Section 16-115 of the Public Utilities Act, covering
20 electricity generated by such facilities. In the case of
21 sourcing agreements that are power purchase agreements,
22 the contract price for electricity sales shall be
23 established on a cost of service basis. In the case of
24 sourcing agreements that are contracts for differences,
25 the contract price from which the reference price is
26 subtracted shall be established on a cost of service basis.

1 The Agency and the Commission may approve any such utility
2 sourcing agreements that do not exceed cost-based
3 benchmarks developed by the procurement administrator, in
4 consultation with the Commission staff, Agency staff and
5 the procurement monitor, subject to Commission review and
6 approval. The Commission shall have authority to inspect
7 all books and records associated with these clean coal
8 facilities during the term of any such contract.

9 (6) Costs incurred under this subsection (d) or
10 pursuant to a contract entered into under this subsection
11 (d) shall be deemed prudently incurred and reasonable in
12 amount and the electric utility shall be entitled to full
13 cost recovery pursuant to the tariffs filed with the
14 Commission.

15 (e) The draft procurement plans are subject to public
16 comment, as required by Section 16-111.5 of the Public
17 Utilities Act.

18 (f) The Agency shall submit the final procurement plan to
19 the Commission. The Agency shall revise a procurement plan if
20 the Commission determines that it does not meet the standards
21 set forth in Section 16-111.5 of the Public Utilities Act.

22 (g) The Agency shall assess fees to each affected utility
23 to recover the costs incurred in preparation of the annual
24 procurement plan for the utility.

25 (h) The Agency shall assess fees to each bidder to recover
26 the costs incurred in connection with a competitive procurement

1 process.

5 Section 115. The Illinois Health Facilities Planning Act is
6 amended by changing Sections 3, 12, 13, and 14.1 as follows:

7 (20 ILCS 3960/3) (from Ch. 111 1/2, par. 1153)

8 (Section scheduled to be repealed on December 31, 2019)

9 Sec. 3. Definitions. As used in this Act:

10 "Health care facilities" means and includes the following
11 facilities and organizations:

12 1. An ambulatory surgical treatment center required to
13 be licensed pursuant to the Ambulatory Surgical Treatment
14 Center Act;

15 2. An institution, place, building, or agency required
16 to be licensed pursuant to the Hospital Licensing Act;

17 3. Skilled and intermediate long term care facilities
18 licensed under the Nursing Home Care Act;

19 3.5. Skilled and intermediate care facilities licensed
20 under the ID/DD Community Care Act;

21 3.7. Facilities licensed under the Specialized Mental
22 Health Rehabilitation Act;

23 4. Hospitals, nursing homes, ambulatory surgical
24 treatment centers, or kidney disease treatment centers

1 maintained by the State or any department or agency
2 thereof;

7 the performance of outpatient surgical procedures that is
8 leased, owned, or operated by or on behalf of an
9 out-of-state facility;

10 7. An institution, place, building, or room used for
11 provision of a health care category of service as defined
12 by the Board, including, but not limited to, cardiac
13 catheterization and open heart surgery; and

14 8. An institution, place, building, or room used for
15 provision of major medical equipment used in the direct
16 clinical diagnosis or treatment of patients, and whose
17 project cost is in excess of the capital expenditure
18 minimum.

19 This Act shall not apply to the construction of any new
20 facility or the renovation of any existing facility located on
21 any campus facility as defined in Section 5-5.8b of the
22 Illinois Public Aid Code, provided that the campus facility
23 encompasses 30 or more contiguous acres and that the new or
24 renovated facility is intended for use by a licensed
25 residential facility.

26 No federally owned facility shall be subject to the

1 provisions of this Act, nor facilities used solely for healing
2 by prayer or spiritual means.

3 No facility licensed under the Supportive Residences
4 Licensing Act or the Assisted Living and Shared Housing Act
5 shall be subject to the provisions of this Act.

6 No facility established and operating under the
7 Alternative Health Care Delivery Act as a children's respite
8 care center alternative health care model demonstration
9 program or as an Alzheimer's Disease Management Center
10 alternative health care model demonstration program shall be
11 subject to the provisions of this Act.

12 A facility designated as a supportive living facility that
13 is in good standing with the program established under Section
14 5-5.01a of the Illinois Public Aid Code shall not be subject to
15 the provisions of this Act.

16 This Act does not apply to facilities granted waivers under
17 Section 3-102.2 of the Nursing Home Care Act. However, if a
18 demonstration project under that Act applies for a certificate
19 of need to convert to a nursing facility, it shall meet the
20 licensure and certificate of need requirements in effect as of
21 the date of application.

22 This Act does not apply to a dialysis facility that
23 provides only dialysis training, support, and related services
24 to individuals with end stage renal disease who have elected to
25 receive home dialysis. This Act does not apply to a dialysis
26 unit located in a licensed nursing home that offers or provides

1 dialysis-related services to residents with end stage renal
2 disease who have elected to receive home dialysis within the
3 nursing home. The Board, however, may require these dialysis
4 facilities and licensed nursing homes to report statistical
5 information on a quarterly basis to the Board to be used by the
6 Board to conduct analyses on the need for proposed kidney
7 disease treatment centers.

8 This Act shall not apply to the closure of an entity or a
9 portion of an entity licensed under the Nursing Home Care Act,
10 the Specialized Mental Health Rehabilitation Act, or the ID/DD
11 ~~MR/DD~~ Community Care Act, with the exceptions of facilities
12 operated by a county or Illinois Veterans Homes, that elects to
13 convert, in whole or in part, to an assisted living or shared
14 housing establishment licensed under the Assisted Living and
15 Shared Housing Act.

16 This Act does not apply to any change of ownership of a
17 healthcare facility that is licensed under the Nursing Home
18 Care Act, the Specialized Mental Health Rehabilitation Act, or
19 the ID/DD Community Care Act, with the exceptions of facilities
20 operated by a county or Illinois Veterans Homes. Changes of
21 ownership of facilities licensed under the Nursing Home Care
22 Act must meet the requirements set forth in Sections 3-101
23 through 3-119 of the Nursing Home Care Act.

24 With the exception of those health care facilities
25 specifically included in this Section, nothing in this Act
26 shall be intended to include facilities operated as a part of

1 the practice of a physician or other licensed health care
2 professional, whether practicing in his individual capacity or
3 within the legal structure of any partnership, medical or
4 professional corporation, or unincorporated medical or
5 professional group. Further, this Act shall not apply to
6 physicians or other licensed health care professional's
7 practices where such practices are carried out in a portion of
8 a health care facility under contract with such health care
9 facility by a physician or by other licensed health care
10 professionals, whether practicing in his individual capacity
11 or within the legal structure of any partnership, medical or
12 professional corporation, or unincorporated medical or
13 professional groups. This Act shall apply to construction or
14 modification and to establishment by such health care facility
15 of such contracted portion which is subject to facility
16 licensing requirements, irrespective of the party responsible
17 for such action or attendant financial obligation.

18 "Person" means any one or more natural persons, legal

25 (b) who is engaged in health research or the teaching of
26 health, (c) who has a material financial interest in any

1 activity which involves the providing, administering or
2 financing of any type of health care facility, or (d) who is or
3 ever has been a member of the immediate family of the person
4 defined by (a), (b), or (c).

5 "State Board" or "Board" means the Health Facilities and
6 Services Review Board.

7 "Construction or modification" means the establishment,
8 erection, building, alteration, reconstruction, modernization,
9 improvement, extension, discontinuation, change of ownership,
10 of or by a health care facility, or the purchase or acquisition
11 by or through a health care facility of equipment or service
12 for diagnostic or therapeutic purposes or for facility
13 administration or operation, or any capital expenditure made by
14 or on behalf of a health care facility which exceeds the
15 capital expenditure minimum; however, any capital expenditure
16 made by or on behalf of a health care facility for (i) the
17 construction or modification of a facility licensed under the
18 Assisted Living and Shared Housing Act or (ii) a conversion
19 project undertaken in accordance with Section 30 of the Older
20 Adult Services Act shall be excluded from any obligations under
21 this Act.

22 "Establish" means the construction of a health care
23 facility or the replacement of an existing facility on another
24 site or the initiation of a category of service as defined by
25 the Board.

26 "Major medical equipment" means medical equipment which is

1 used for the provision of medical and other health services and
2 which costs in excess of the capital expenditure minimum,
3 except that such term does not include medical equipment
4 acquired by or on behalf of a clinical laboratory to provide
5 clinical laboratory services if the clinical laboratory is
6 independent of a physician's office and a hospital and it has
7 been determined under Title XVIII of the Social Security Act to
8 meet the requirements of paragraphs (10) and (11) of Section
9 1861(s) of such Act. In determining whether medical equipment
10 has a value in excess of the capital expenditure minimum, the
11 value of studies, surveys, designs, plans, working drawings,
12 specifications, and other activities essential to the
13 acquisition of such equipment shall be included.

14 "Capital Expenditure" means an expenditure: (A) made by or
15 on behalf of a health care facility (as such a facility is
16 defined in this Act); and (B) which under generally accepted
17 accounting principles is not properly chargeable as an expense
18 of operation and maintenance, or is made to obtain by lease or
19 comparable arrangement any facility or part thereof or any
20 equipment for a facility or part; and which exceeds the capital
21 expenditure minimum.

22 For the purpose of this paragraph, the cost of any studies,
23 surveys, designs, plans, working drawings, specifications, and
24 other activities essential to the acquisition, improvement,
25 expansion, or replacement of any plant or equipment with
26 respect to which an expenditure is made shall be included in

1 determining if such expenditure exceeds the capital
2 expenditures minimum. Unless otherwise interdependent, or
3 submitted as one project by the applicant, components of
4 construction or modification undertaken by means of a single
5 construction contract or financed through the issuance of a
6 single debt instrument shall not be grouped together as one
7 project. Donations of equipment or facilities to a health care
8 facility which if acquired directly by such facility would be
9 subject to review under this Act shall be considered capital
10 expenditures, and a transfer of equipment or facilities for
11 less than fair market value shall be considered a capital
12 expenditure for purposes of this Act if a transfer of the
13 equipment or facilities at fair market value would be subject
14 to review.

15 "Capital expenditure minimum" means \$11,500,000 for
16 projects by hospital applicants, \$6,500,000 for applicants for
17 projects related to skilled and intermediate care long-term
18 care facilities licensed under the Nursing Home Care Act, and
19 \$3,000,000 for projects by all other applicants, which shall be
20 annually adjusted to reflect the increase in construction costs
21 due to inflation, for major medical equipment and for all other
22 capital expenditures.

23 "Non-clinical service area" means an area (i) for the
24 benefit of the patients, visitors, staff, or employees of a
25 health care facility and (ii) not directly related to the
26 diagnosis, treatment, or rehabilitation of persons receiving

1 services from the health care facility. "Non-clinical service
2 areas" include, but are not limited to, chapels; gift shops;
3 news stands; computer systems; tunnels, walkways, and
4 elevators; telephone systems; projects to comply with life
5 safety codes; educational facilities; student housing;
6 patient, employee, staff, and visitor dining areas;
7 administration and volunteer offices; modernization of
8 structural components (such as roof replacement and masonry
9 work); boiler repair or replacement; vehicle maintenance and
10 storage facilities; parking facilities; mechanical systems for
11 heating, ventilation, and air conditioning; loading docks; and
12 repair or replacement of carpeting, tile, wall coverings,
13 window coverings or treatments, or furniture. Solely for the
14 purpose of this definition, "non-clinical service area" does
15 not include health and fitness centers.

16 "Areawide" means a major area of the State delineated on a
17 geographic, demographic, and functional basis for health
18 planning and for health service and having within it one or
19 more local areas for health planning and health service. The
20 term "region", as contrasted with the term "subregion", and the
21 word "area" may be used synonymously with the term "areawide".

22 "Local" means a subarea of a delineated major area that on
23 a geographic, demographic, and functional basis may be
24 considered to be part of such major area. The term "subregion"
25 may be used synonymously with the term "local".

26 "Physician" means a person licensed to practice in

1 accordance with the Medical Practice Act of 1987, as amended.

11 licensed as a hospital or as an ambulatory surgery center under
12 the laws of another state or that qualifies as a hospital or an
13 ambulatory surgery center under regulations adopted pursuant
14 to the Social Security Act and (ii) not licensed under the
15 Ambulatory Surgical Treatment Center Act, the Hospital
16 Licensing Act, or the Nursing Home Care Act. Affiliates of
17 out-of-state facilities shall be considered out-of-state
18 facilities. Affiliates of Illinois licensed health care
19 facilities 100% owned by an Illinois licensed health care
20 facility, its parent, or Illinois physicians licensed to
21 practice medicine in all its branches shall not be considered
22 out-of-state facilities. Nothing in this definition shall be
23 construed to include an office or any part of an office of a
24 physician licensed to practice medicine in all its branches in
25 Illinois that is not required to be licensed under the
26 Ambulatory Surgical Treatment Center Act.

1 "Change of ownership of a health care facility" means a
2 change in the person who has ownership or control of a health
3 care facility's physical plant and capital assets. A change in

8 owned, directly or indirectly, by either the health care
9 facility or a person owning, directly or indirectly, at least

16 to licensure under Section 32.5 of the Emergency Medical
17 Services (EMS) Systems Act.

22 (Section scheduled to be repealed on December 31, 2019)

23 Sec. 12. Powers and duties of State Board. For purposes of
24 this Act, the State Board shall exercise the following powers
25 and duties:

1 (1) Prescribe rules, regulations, standards, criteria,
2 procedures or reviews which may vary according to the purpose
3 for which a particular review is being conducted or the type of
4 project reviewed and which are required to carry out the
5 provisions and purposes of this Act. Policies and procedures of
6 the State Board shall take into consideration the priorities
7 and needs of medically underserved areas and other health care
8 services identified through the comprehensive health planning
9 process, giving special consideration to the impact of projects
10 on access to safety net services.

11 (2) Adopt procedures for public notice and hearing on all
12 proposed rules, regulations, standards, criteria, and plans
13 required to carry out the provisions of this Act.

14 (3) (Blank).

15 (4) Develop criteria and standards for health care
16 facilities planning, conduct statewide inventories of health
17 care facilities, maintain an updated inventory on the Board's
18 web site reflecting the most recent bed and service changes and
19 updated need determinations when new census data become
20 available or new need formulae are adopted, and develop health
21 care facility plans which shall be utilized in the review of
22 applications for permit under this Act. Such health facility
23 plans shall be coordinated by the Board with pertinent State
24 Plans. Inventories pursuant to this Section of skilled or
25 intermediate care facilities licensed under the Nursing Home
26 Care Act, skilled or intermediate care facilities licensed

1 under the ID/DD Community Care Act, facilities licensed under
2 the Specialized Mental Health Rehabilitation Act, or nursing
3 homes licensed under the Hospital Licensing Act shall be
4 conducted on an annual basis no later than July 1 of each year
5 and shall include among the information requested a list of all
6 services provided by a facility to its residents and to the
7 community at large and differentiate between active and
8 inactive beds.

9 In developing health care facility plans, the State Board
10 shall consider, but shall not be limited to, the following:

11 (a) The size, composition and growth of the population
12 of the area to be served;

13 (b) The number of existing and planned facilities
14 offering similar programs;

15 (c) The extent of utilization of existing facilities;

16 (d) The availability of facilities which may serve as
17 alternatives or substitutes;

18 (e) The availability of personnel necessary to the
19 operation of the facility;

20 (f) Multi-institutional planning and the establishment
21 of multi-institutional systems where feasible;

22 (g) The financial and economic feasibility of proposed
23 construction or modification; and

24 (h) In the case of health care facilities established
25 by a religious body or denomination, the needs of the
26 members of such religious body or denomination may be

1 considered to be public need.

2 The health care facility plans which are developed and
3 adopted in accordance with this Section shall form the basis
4 for the plan of the State to deal most effectively with
5 statewide health needs in regard to health care facilities.

6 (5) Coordinate with the Center for Comprehensive Health
7 Planning and other state agencies having responsibilities
8 affecting health care facilities, including those of licensure
9 and cost reporting.

10 (6) Solicit, accept, hold and administer on behalf of the
11 State any grants or bequests of money, securities or property
12 for use by the State Board or Center for Comprehensive Health
13 Planning in the administration of this Act; and enter into
14 contracts consistent with the appropriations for purposes
15 enumerated in this Act.

16 (7) The State Board shall prescribe procedures for review,
17 standards, and criteria which shall be utilized to make
18 periodic reviews and determinations of the appropriateness of
19 any existing health services being rendered by health care
20 facilities subject to the Act. The State Board shall consider
21 recommendations of the Board in making its determinations.

22 (8) Prescribe, in consultation with the Center for
23 Comprehensive Health Planning, rules, regulations, standards,
24 and criteria for the conduct of an expeditious review of
25 applications for permits for projects of construction or
26 modification of a health care facility, which projects are

1 classified as emergency, substantive, or non-substantive in
2 nature.

3 Six months after June 30, 2009 (the effective date of
4 Public Act 96-31), substantive projects shall include no more
5 than the following:

6 (a) Projects to construct (1) a new or replacement
7 facility located on a new site or (2) a replacement
8 facility located on the same site as the original facility
9 and the cost of the replacement facility exceeds the
10 capital expenditure minimum;

11 (b) Projects proposing a (1) new service or (2)
12 discontinuation of a service, which shall be reviewed by
13 the Board within 60 days; or

14 (c) Projects proposing a change in the bed capacity of
15 a health care facility by an increase in the total number
16 of beds or by a redistribution of beds among various
17 categories of service or by a relocation of beds from one
18 physical facility or site to another by more than 20 beds
19 or more than 10% of total bed capacity, as defined by the
20 State Board, whichever is less, over a 2-year period.

21 The Chairman may approve applications for exemption that
22 meet the criteria set forth in rules or refer them to the full
23 Board. The Chairman may approve any unopposed application that
24 meets all of the review criteria or refer them to the full
25 Board.

26 Such rules shall not abridge the right of the Center for

1 Comprehensive Health Planning to make recommendations on the
2 classification and approval of projects, nor shall such rules
3 prevent the conduct of a public hearing upon the timely request
4 of an interested party. Such reviews shall not exceed 60 days
5 from the date the application is declared to be complete.

6 (9) Prescribe rules, regulations, standards, and criteria
7 pertaining to the granting of permits for construction and
8 modifications which are emergent in nature and must be
9 undertaken immediately to prevent or correct structural
10 deficiencies or hazardous conditions that may harm or injure
11 persons using the facility, as defined in the rules and
12 regulations of the State Board. This procedure is exempt from
13 public hearing requirements of this Act.

14 (10) Prescribe rules, regulations, standards and criteria
15 for the conduct of an expeditious review, not exceeding 60
16 days, of applications for permits for projects to construct or
17 modify health care facilities which are needed for the care and
18 treatment of persons who have acquired immunodeficiency
19 syndrome (AIDS) or related conditions.

20 (11) Issue written decisions upon request of the applicant
21 or an adversely affected party to the Board within 30 days of
22 the meeting in which a final decision has been made. A "final
23 decision" for purposes of this Act is the decision to approve
24 or deny an application, or take other actions permitted under
25 this Act, at the time and date of the meeting that such action
26 is scheduled by the Board. The staff of the State Board shall

1 prepare a written copy of the final decision and the State
2 Board shall approve a final copy for inclusion in the formal
3 record.

4 (12) Require at least one of its members to participate in
5 any public hearing, after the appointment of the 9 members to
6 the Board.

7 (13) Provide a mechanism for the public to comment on, and
8 request changes to, draft rules and standards.

9 (14) Implement public information campaigns to regularly
10 inform the general public about the opportunity for public
11 hearings and public hearing procedures.

12 (15) Establish a separate set of rules and guidelines for
13 long-term care that recognizes that nursing homes are a
14 different business line and service model from other regulated
15 facilities. An open and transparent process shall be developed
16 that considers the following: how skilled nursing fits in the
17 continuum of care with other care providers, modernization of
18 nursing homes, establishment of more private rooms,
19 development of alternative services, and current trends in
20 long-term care services. The Chairman of the Board shall
21 appoint a permanent Health Services Review Board Long-term Care
22 Facility Advisory Subcommittee that shall develop and
23 recommend to the Board the rules to be established by the Board
24 under this paragraph (15). The Subcommittee shall also provide
25 continuous review and commentary on policies and procedures
26 relative to long-term care and the review of related projects.

1 In consultation with other experts from the health field of
2 long-term care, the Board and the Subcommittee shall study new
3 approaches to the current bed need formula and Health Service
4 Area boundaries to encourage flexibility and innovation in
5 design models reflective of the changing long-term care
6 marketplace and consumer preferences. The Board shall file the
7 proposed related administrative rules for the separate rules
8 and guidelines for long-term care required by this paragraph
9 (15) by September 1, 2010. The Subcommittee shall be provided a
10 reasonable and timely opportunity to review and comment on any
11 review, revision, or updating of the criteria, standards,
12 procedures, and rules used to evaluate project applications as
13 provided under Section 12.3 of this Act prior to approval by
14 the Board and promulgation of related rules.

19 (Section scheduled to be repealed on December 31, 2019)

20 Sec. 13. Investigation of applications for permits and
21 certificates of recognition. The Agency or the State Board
22 shall make or cause to be made such investigations as it or the
23 State Board deems necessary in connection with an application
24 for a permit or an application for a certificate of
25 recognition, or in connection with a determination of whether

1 or not construction or modification which has been commenced is
2 in accord with the permit issued by the State Board or whether
3 construction or modification has been commenced without a
4 permit having been obtained. The State Board may issue
5 subpoenas duces tecum requiring the production of records and
6 may administer oaths to such witnesses.

7 Any circuit court of this State, upon the application of
8 the State Board or upon the application of any party to such
9 proceedings, may, in its discretion, compel the attendance of
10 witnesses, the production of books, papers, records, or
11 memoranda and the giving of testimony before the State Board,
12 by a proceeding as for contempt, or otherwise, in the same
13 manner as production of evidence may be compelled before the
14 court.

15 The State Board shall require all health facilities
16 operating in this State to provide such reasonable reports at
17 such times and containing such information as is needed by it
18 to carry out the purposes and provisions of this Act. Prior to
19 collecting information from health facilities, the State Board
20 shall make reasonable efforts through a public process to
21 consult with health facilities and associations that represent
22 them to determine whether data and information requests will
23 result in useful information for health planning, whether
24 sufficient information is available from other sources, and
25 whether data requested is routinely collected by health
26 facilities and is available without retrospective record

1 review. Data and information requests shall not impose undue
2 paperwork burdens on health care facilities and personnel.
3 Health facilities not complying with this requirement shall be
4 reported to licensing, accrediting, certifying, or payment
5 agencies as being in violation of State law. Health care
6 facilities and other parties at interest shall have reasonable
7 access, under rules established by the State Board, to all
8 planning information submitted in accord with this Act
9 pertaining to their area.

10 Among the reports to be required by the State Board are
11 facility questionnaires for health care facilities licensed
12 under the Ambulatory Surgical Treatment Center Act, the
13 Hospital Licensing Act, the Nursing Home Care Act, the ID/DD
14 Community Care Act, the Specialized Mental Health
15 Rehabilitation Act, or the End Stage Renal Disease Facility
16 Act. These questionnaires shall be conducted on an annual basis
17 and compiled by the Agency. For health care facilities licensed
18 under the Nursing Home Care Act, the Specialized Mental Health
19 Rehabilitation Act, or the ID/DD Community Care Act, these
20 reports shall include, but not be limited to, the
21 identification of specialty services provided by the facility
22 to patients, residents, and the community at large. For health
23 care facilities that contain long term care beds, the reports
24 shall also include the number of staffed long term care beds,
25 physical capacity for long term care beds at the facility, and
26 long term care beds available for immediate occupancy. For

1 purposes of this paragraph, "long term care beds" means beds
2 (i) licensed under the Nursing Home Care Act, (ii) licensed
3 under the ID/DD Community Care Act, (iii) licensed under the
4 Hospital Licensing Act, or (iv) licensed under the Specialized
5 Mental Health Rehabilitation Act and certified as skilled
6 nursing or nursing facility beds under Medicaid or Medicare.

9 (20 ILCS 3960/14.1)

10 Sec. 14.1. Denial of permit; other sanctions.

11 (a) The State Board may deny an application for a permit or
12 may revoke or take other action as permitted by this Act with
13 regard to a permit as the State Board deems appropriate,
14 including the imposition of fines as set forth in this Section,
15 for any one or a combination of the following:

16 (1) The acquisition of major medical equipment without
17 a permit or in violation of the terms of a permit.

18 (2) The establishment, construction, or modification
19 of a health care facility without a permit or in violation
20 of the terms of a permit.

21 (3) The violation of any provision of this Act or any
22 rule adopted under this Act.

23 (4) The failure, by any person subject to this Act, to
24 provide information requested by the State Board or Agency

1 information.

2 (5) The failure to pay any fine imposed under this
3 Section within 30 days of its imposition.

4 (a-5) For facilities licensed under the ID/DD Community
5 Care Act, no permit shall be denied on the basis of prior
6 operator history, other than for actions specified under item
7 (2), (4), or (5) of Section 3-117 of the ID/DD Community Care
8 Act. For facilities licensed under the Specialized Mental
9 Health Rehabilitation Act, no permit shall be denied on the
10 basis of prior operator history, other than for actions
11 specified under item (2), (4), or (5) of Section 3-117 of the
12 Specialized Mental Health Rehabilitation Act. For facilities
13 licensed under the Nursing Home Care Act, no permit shall be
14 denied on the basis of prior operator history, other than for:
15 (i) actions specified under item (2), (3), (4), (5), or (6) of
16 Section 3-117 of the Nursing Home Care Act; (ii) actions
17 specified under item (a)(6) of Section 3-119 of the Nursing
18 Home Care Act; or (iii) actions within the preceding 5 years
19 constituting a substantial and repeated failure to comply with
20 the Nursing Home Care Act or the rules and regulations adopted
21 by the Department under that Act. The State Board shall not
22 deny a permit on account of any action described in this
23 subsection (a-5) without also considering all such actions in
24 the light of all relevant information available to the State
25 Board, including whether the permit is sought to substantially
26 comply with a mandatory or voluntary plan of correction

1 associated with any action described in this subsection (a-5).

2 (b) Persons shall be subject to fines as follows:

3 (1) A permit holder who fails to comply with the
4 requirements of maintaining a valid permit shall be fined
5 an amount not to exceed 1% of the approved permit amount
6 plus an additional 1% of the approved permit amount for
7 each 30-day period, or fraction thereof, that the violation
8 continues.

9 (2) A permit holder who alters the scope of an approved
10 project or whose project costs exceed the allowable permit
11 amount without first obtaining approval from the State
12 Board shall be fined an amount not to exceed the sum of (i)
13 the lesser of \$25,000 or 2% of the approved permit amount
14 and (ii) in those cases where the approved permit amount is
15 exceeded by more than \$1,000,000, an additional \$20,000 for
16 each \$1,000,000, or fraction thereof, in excess of the
17 approved permit amount.

18 (3) A person who acquires major medical equipment or
19 who establishes a category of service without first
20 obtaining a permit or exemption, as the case may be, shall
21 be fined an amount not to exceed \$10,000 for each such
22 acquisition or category of service established plus an
23 additional \$10,000 for each 30-day period, or fraction
24 thereof, that the violation continues.

25 (4) A person who constructs, modifies, or establishes a
26 health care facility without first obtaining a permit shall

1 be fined an amount not to exceed \$25,000 plus an additional
2 \$25,000 for each 30-day period, or fraction thereof, that
3 the violation continues.

4 (5) A person who discontinues a health care facility or
5 a category of service without first obtaining a permit
6 shall be fined an amount not to exceed \$10,000 plus an
7 additional \$10,000 for each 30-day period, or fraction
8 thereof, that the violation continues. For purposes of this
9 subparagraph (5), facilities licensed under the Nursing
10 Home Care Act or the ID/DD Community Care Act, with the
11 exceptions of facilities operated by a county or Illinois
12 Veterans Homes, are exempt from this permit requirement.
13 However, facilities licensed under the Nursing Home Care
14 Act or the ID/DD Community Care Act must comply with
15 Section 3-423 of the Nursing Home Care Act or Section 3-423
16 of the ID/DD Community Care Act and must provide the Board
17 with 30-days' written notice of its intent to close.

18 (6) A person subject to this Act who fails to provide
19 information requested by the State Board or Agency within
20 30 days of a formal written request shall be fined an
21 amount not to exceed \$1,000 plus an additional \$1,000 for
22 each 30-day period, or fraction thereof, that the
23 information is not received by the State Board or Agency.

24 (c) Before imposing any fine authorized under this Section,
25 the State Board shall afford the person or permit holder, as
26 the case may be, an appearance before the State Board and an

1 opportunity for a hearing before a hearing officer appointed by
2 the State Board. The hearing shall be conducted in accordance
3 with Section 10.

4 (d) All fines collected under this Act shall be transmitted
5 to the State Treasurer, who shall deposit them into the

10 Section 7 as follows:

11 (25 ILCS 60/7) (from Ch. 63, par. 42.67)

12 Sec. 7. Whenever any committee of either house reports
13 ~~report~~ any bill with amendments of such a nature as will affect
14 the number of judges in the State as stated in the judicial
15 note relating to the measure at the time of its referral to the
16 committee, there shall be included with the report of the
17 committee a statement of the effect of the change proposed by

10 only as directed herein, except where prohibited by the terms

11 of the trust fund agreement. The Auditor General shall notify

12 the trustees of those funds of the estimated cost of the audit

6 Office of Management and Budget (formerly Bureau of the Budget)
7 of the amount estimated to be necessary to pay for audits,
8 studies, and investigations in accordance with the Illinois
9 State Auditing Act during the next succeeding fiscal year for
10 each State fund for which a transfer or reimbursement is
11 anticipated.

12 Beginning with fiscal year 1994 and during each fiscal year
13 thereafter, the Auditor General may direct the State
14 Comptroller and Treasurer to transfer moneys from funds
15 authorized by the General Assembly for that fund. In the event
16 funds, including federal and State trust funds but excluding
17 the General Revenue Fund, are transferred, during fiscal year
18 1994 and during each fiscal year thereafter, in excess of the
19 amount to pay actual costs attributable to audits, studies, and
20 investigations as permitted or required by the Illinois State
21 Auditing Act or specific action of the General Assembly, the
22 Auditor General shall, on September 30, or as soon thereafter
23 as is practicable, direct the State Comptroller and Treasurer

10 Sec. 9. Conditions for Issuance and Sale of Bonds -
11 Requirements for Bonds.

12 (a) Except as otherwise provided in this subsection, Bonds
13 shall be issued and sold from time to time, in one or more
14 series, in such amounts and at such prices as may be directed
15 by the Governor, upon recommendation by the Director of the
16 Governor's Office of Management and Budget. Bonds shall be in
17 such form (either coupon, registered or book entry), in such
18 denominations, payable within 25 years from their date, subject
19 to such terms of redemption with or without premium, bear
20 interest payable at such times and at such fixed or variable
21 rate or rates, and be dated as shall be fixed and determined by
22 the Director of the Governor's Office of Management and Budget
23 in the order authorizing the issuance and sale of any series of
24 Bonds, which order shall be approved by the Governor and is
25 herein called a "Bond Sale Order"; provided however, that

1 interest payable at fixed or variable rates shall not exceed
2 that permitted in the Bond Authorization Act, as now or
3 hereafter amended. Bonds shall be payable at such place or
4 places, within or without the State of Illinois, and may be
5 made registrable as to either principal or as to both principal
6 and interest, as shall be specified in the Bond Sale Order.
7 Bonds may be callable or subject to purchase and retirement or
8 tender and remarketing as fixed and determined in the Bond Sale
9 Order. Bonds, other than Bonds issued under Section 3 of this
10 Act for the costs associated with the purchase and
11 implementation of information technology, (i) except for
12 refunding Bonds satisfying the requirements of Section 16 of
13 this Act and sold during fiscal year 2009, 2010, or 2011, must
14 be issued with principal or mandatory redemption amounts in
15 equal amounts, with the first maturity issued occurring within
16 the fiscal year in which the Bonds are issued or within the
17 next succeeding fiscal year and (ii) must mature or be subject
18 to mandatory redemption each fiscal year thereafter up to 25
19 years, except for refunding Bonds satisfying the requirements
20 of Section 16 of this Act and sold during fiscal year 2009,
21 2010, or 2011 which must mature or be subject to mandatory
22 redemption each fiscal year thereafter up to 16 years. Bonds
23 issued under Section 3 of this Act for the costs associated
24 with the purchase and implementation of information technology
25 must be issued with principal or mandatory redemption amounts
26 in equal amounts, with the first maturity issued occurring with

1 the fiscal year in which the respective bonds are issued or
 2 with the next succeeding fiscal year, with the respective bonds
 3 issued maturing or subject to mandatory redemption each fiscal
 4 year thereafter up to 10 years. Notwithstanding any provision
 5 of this Act to the contrary, the Bonds authorized by Public Act
 6 96-43 shall be payable within 5 years from their date and must
 7 be issued with principal or mandatory redemption amounts in
 8 equal amounts, with payment of principal or mandatory
 9 redemption beginning in the first fiscal year following the
 10 fiscal year in which the Bonds are issued.

11 Notwithstanding any provision of this Act to the contrary,
 12 the Bonds authorized by Public Act 96-1497 ~~this amendatory Act~~
 13 ~~of the 96th General Assembly~~ shall be payable within 8 years
 14 from their date and shall be issued with payment of maturing
 15 principal or scheduled mandatory redemptions in accordance
 16 with the following schedule, except the following amounts shall
 17 be prorated if less than the total additional amount of Bonds
 18 authorized by Public Act 96-1497 ~~this amendatory Act of the~~
 19 ~~96th General Assembly~~ are issued:

20	Fiscal Year After Issuance	Amount
21	1-2	\$0
22	3	\$110,712,120
23	4	\$332,136,360
24	5	\$664,272,720
25	6-8	\$996,409,080

26 In the case of any series of Bonds bearing interest at a

1 variable interest rate ("Variable Rate Bonds"), in lieu of
2 determining the rate or rates at which such series of Variable
3 Rate Bonds shall bear interest and the price or prices at which
4 such Variable Rate Bonds shall be initially sold or remarketed
5 (in the event of purchase and subsequent resale), the Bond Sale
6 Order may provide that such interest rates and prices may vary
7 from time to time depending on criteria established in such
8 Bond Sale Order, which criteria may include, without
9 limitation, references to indices or variations in interest
10 rates as may, in the judgment of a remarketing agent, be
11 necessary to cause Variable Rate Bonds of such series to be
12 remarketable from time to time at a price equal to their
13 principal amount, and may provide for appointment of a bank,
14 trust company, investment bank, or other financial institution
15 to serve as remarketing agent in that connection. The Bond Sale
16 Order may provide that alternative interest rates or provisions
17 for establishing alternative interest rates, different
18 security or claim priorities, or different call or amortization
19 provisions will apply during such times as Variable Rate Bonds
20 of any series are held by a person providing credit or
21 liquidity enhancement arrangements for such Bonds as
22 authorized in subsection (b) of this Section. The Bond Sale
23 Order may also provide for such variable interest rates to be
24 established pursuant to a process generally known as an auction
25 rate process and may provide for appointment of one or more
26 financial institutions to serve as auction agents and

1 broker-dealers in connection with the establishment of such
2 interest rates and the sale and remarketing of such Bonds.

3 (b) In connection with the issuance of any series of Bonds,
4 the State may enter into arrangements to provide additional
5 security and liquidity for such Bonds, including, without
6 limitation, bond or interest rate insurance or letters of
7 credit, lines of credit, bond purchase contracts, or other
8 arrangements whereby funds are made available to retire or
9 purchase Bonds, thereby assuring the ability of owners of the
10 Bonds to sell or redeem their Bonds. The State may enter into
11 contracts and may agree to pay fees to persons providing such
12 arrangements, but only under circumstances where the Director
13 of the Governor's Office of Management and Budget certifies
14 that he or she reasonably expects the total interest paid or to
15 be paid on the Bonds, together with the fees for the
16 arrangements (being treated as if interest), would not, taken
17 together, cause the Bonds to bear interest, calculated to their
18 stated maturity, at a rate in excess of the rate that the Bonds
19 would bear in the absence of such arrangements.

20 The State may, with respect to Bonds issued or anticipated
21 to be issued, participate in and enter into arrangements with
22 respect to interest rate protection or exchange agreements,
23 guarantees, or financial futures contracts for the purpose of
24 limiting, reducing, or managing interest rate exposure. The
25 authority granted under this paragraph, however, shall not
26 increase the principal amount of Bonds authorized to be issued

1 by law. The arrangements may be executed and delivered by the
2 Director of the Governor's Office of Management and Budget on
3 behalf of the State. Net payments for such arrangements shall
4 constitute interest on the Bonds and shall be paid from the
5 General Obligation Bond Retirement and Interest Fund. The
6 Director of the Governor's Office of Management and Budget
7 shall at least annually certify to the Governor and the State
8 Comptroller his or her estimate of the amounts of such net
9 payments to be included in the calculation of interest required
10 to be paid by the State.

11 (c) Prior to the issuance of any Variable Rate Bonds
12 pursuant to subsection (a), the Director of the Governor's
13 Office of Management and Budget shall adopt an interest rate
14 risk management policy providing that the amount of the State's
15 variable rate exposure with respect to Bonds shall not exceed
16 20%. This policy shall remain in effect while any Bonds are
17 outstanding and the issuance of Bonds shall be subject to the
18 terms of such policy. The terms of this policy may be amended
19 from time to time by the Director of the Governor's Office of
20 Management and Budget but in no event shall any amendment cause
21 the permitted level of the State's variable rate exposure with
22 respect to Bonds to exceed 20%.

23 (d) "Build America Bonds" in this Section means Bonds
24 authorized by Section 54AA of the Internal Revenue Code of
25 1986, as amended ("Internal Revenue Code"), and bonds issued
26 from time to time to refund or continue to refund "Build

1 America Bonds".

2 (e) Notwithstanding any other provision of this Section,
3 Qualified School Construction Bonds shall be issued and sold
4 from time to time, in one or more series, in such amounts and
5 at such prices as may be directed by the Governor, upon
6 recommendation by the Director of the Governor's Office of
7 Management and Budget. Qualified School Construction Bonds
8 shall be in such form (either coupon, registered or book
9 entry), in such denominations, payable within 25 years from
10 their date, subject to such terms of redemption with or without
11 premium, and if the Qualified School Construction Bonds are
12 issued with a supplemental coupon, bear interest payable at
13 such times and at such fixed or variable rate or rates, and be
14 dated as shall be fixed and determined by the Director of the
15 Governor's Office of Management and Budget in the order
16 authorizing the issuance and sale of any series of Qualified
17 School Construction Bonds, which order shall be approved by the
18 Governor and is herein called a "Bond Sale Order"; except that
19 interest payable at fixed or variable rates, if any, shall not
20 exceed that permitted in the Bond Authorization Act, as now or
21 hereafter amended. Qualified School Construction Bonds shall
22 be payable at such place or places, within or without the State
23 of Illinois, and may be made registrable as to either principal
24 or as to both principal and interest, as shall be specified in
25 the Bond Sale Order. Qualified School Construction Bonds may be
26 callable or subject to purchase and retirement or tender and

1 remarketing as fixed and determined in the Bond Sale Order.
2 Qualified School Construction Bonds must be issued with
3 principal or mandatory redemption amounts or sinking fund
4 payments into the General Obligation Bond Retirement and
5 Interest Fund (or subaccount therefor) in equal amounts, with
6 the first maturity issued, mandatory redemption payment or
7 sinking fund payment occurring within the fiscal year in which
8 the Qualified School Construction Bonds are issued or within
9 the next succeeding fiscal year, with Qualified School
10 Construction Bonds issued maturing or subject to mandatory
11 redemption or with sinking fund payments thereof deposited each
12 fiscal year thereafter up to 25 years. Sinking fund payments
13 set forth in this subsection shall be permitted only to the
14 extent authorized in Section 54F of the Internal Revenue Code
15 or as otherwise determined by the Director of the Governor's
16 Office of Management and Budget. "Qualified School
17 Construction Bonds" in this subsection means Bonds authorized
18 by Section 54F of the Internal Revenue Code and for bonds
19 issued from time to time to refund or continue to refund such
20 "Qualified School Construction Bonds".

21 (f) Beginning with the next issuance by the Governor's
22 Office of Management and Budget to the Procurement Policy Board
23 of a request for quotation for the purpose of formulating a new
24 pool of qualified underwriting banks list, all entities
25 responding to such a request for quotation for inclusion on
26 that list shall provide a written report to the Governor's

1 Office of Management and Budget and the Illinois Comptroller.
2 The written report submitted to the Comptroller shall (i) be
3 published on the Comptroller's Internet website and (ii) be
4 used by the Governor's Office of Management and Budget for the
5 purposes of scoring such a request for quotation. The written
6 report, at a minimum, shall:

9 activities, the firm has entered into any State of Illinois
10 credit default swaps ("CDS");

12 activity, disclosure of the firm's cumulative notional
13 volume of State of Illinois CDS trades and the firm's
14 outstanding gross and net notional amount of State of

18 the past 3 months, has entered into any proprietary trades
19 for its own account in State of Illinois CDS;

22 gross and net notional amount of proprietary State of
23 Illinois CDS and whether the net position is short or long
24 credit protection, as of the end of the current 3-month
25 period;

26 (5) list all time periods during the past 3 months

1 during which the firm held net long or net short State of
2 Illinois CDS proprietary credit protection positions, the
3 amount of such positions, and whether those positions were
4 net long or net short credit protection positions; and

5 (6) indicate whether, within the previous 3 months, the
6 firm released any publicly available research or marketing
7 reports that reference State of Illinois CDS and include
8 those research or marketing reports as attachments.

9 (g) All entities included on a Governor's Office of
10 Management and Budget's pool of qualified underwriting banks

12 effective date of Public Act 96-1554) ~~this amendatory Act of~~
13 ~~the 96th General Assembly~~, but not later than January 21, 2011,

1 Section 145. The State Prompt Payment Act is amended by
2 changing Section 3-2 as follows:

3 (30 ILCS 540/3-2)

4 Sec. 3-2. Beginning July 1, 1993, in any instance where a
5 State official or agency is late in payment of a vendor's bill
6 or invoice for goods or services furnished to the State, as
7 defined in Section 1, properly approved in accordance with
8 rules promulgated under Section 3-3, the State official or
9 agency shall pay interest to the vendor in accordance with the
10 following:

11 (1) Any bill, except a bill submitted under Article V
12 of the Illinois Public Aid Code and except as provided
13 under paragraph (1.05) of this Section, approved for
14 payment under this Section must be paid or the payment
15 issued to the payee within 60 days of receipt of a proper
16 bill or invoice. If payment is not issued to the payee
17 within this 60-day period, an interest penalty of 1.0% of
18 any amount approved and unpaid shall be added for each
19 month or fraction thereof after the end of this 60-day
20 period, until final payment is made. Any bill, except a
21 bill for pharmacy or nursing facility services or goods,
22 and except as provided under paragraph (1.05) ~~1.05~~ of this
23 Section, submitted under Article V of the Illinois Public
24 Aid Code approved for payment under this Section must be

1 paid or the payment issued to the payee within 60 days
2 after receipt of a proper bill or invoice, and, if payment
3 is not issued to the payee within this 60-day period, an
4 interest penalty of 2.0% of any amount approved and unpaid
5 shall be added for each month or fraction thereof after the
6 end of this 60-day period, until final payment is made. Any
7 bill for pharmacy or nursing facility services or goods
8 submitted under Article V of the Illinois Public Aid Code,
9 except as provided under paragraph (1.05) of this Section,
10 and approved for payment under this Section must be paid or
11 the payment issued to the payee within 60 days of receipt
12 of a proper bill or invoice. If payment is not issued to
13 the payee within this 60-day period, an interest penalty of
14 1.0% of any amount approved and unpaid shall be added for
15 each month or fraction thereof after the end of this 60-day
16 period, until final payment is made.

17 (1.05) For State fiscal year 2012 and future fiscal
18 years, any bill approved for payment under this Section
19 must be paid or the payment issued to the payee within 90
20 days of receipt of a proper bill or invoice. If payment is
21 not issued to the payee within this 90-day period, an
22 interest penalty of 1.0% of any amount approved and unpaid
23 shall be added for each month or fraction thereof after the
24 end of this 90-day period, until final payment is made.

25 (1.1) A State agency shall review in a timely manner
26 each bill or invoice after its receipt. If the State agency

1 determines that the bill or invoice contains a defect
2 making it unable to process the payment request, the agency
3 shall notify the vendor requesting payment as soon as
4 possible after discovering the defect pursuant to rules
5 promulgated under Section 3-3; provided, however, that the
6 notice for construction related bills or invoices must be
7 given not later than 30 days after the bill or invoice was
8 first submitted. The notice shall identify the defect and
9 any additional information necessary to correct the
10 defect. If one or more items on a construction related bill
11 or invoice are disapproved, but not the entire bill or
12 invoice, then the portion that is not disapproved shall be
13 paid.

14 (2) Where a State official or agency is late in payment
15 of a vendor's bill or invoice properly approved in
16 accordance with this Act, and different late payment terms
17 are not reduced to writing as a contractual agreement, the
18 State official or agency shall automatically pay interest
19 penalties required by this Section amounting to \$50 or more
20 to the appropriate vendor. Each agency shall be responsible
21 for determining whether an interest penalty is owed and for
22 paying the interest to the vendor. Except as provided in
23 paragraph (4), an individual interest payment amounting to
24 \$5 or less shall not be paid by the State. Interest due to
25 a vendor that amounts to greater than \$5 and less than \$50
26 shall not be paid but shall be accrued until all interest

1 due the vendor for all similar warrants exceeds \$50, at
2 which time the accrued interest shall be payable and
3 interest will begin accruing again, except that interest
4 accrued as of the end of the fiscal year that does not
5 exceed \$50 shall be payable at that time. In the event an
6 individual has paid a vendor for services in advance, the
7 provisions of this Section shall apply until payment is
8 made to that individual.

9 (3) The provisions of Public Act 96-1501 reducing the
10 interest rate on pharmacy claims under Article V of the
11 Illinois Public Aid Code to 1.0% per month shall apply to
12 any pharmacy bills for services and goods under Article V
13 of the Illinois Public Aid Code received on or after the
14 date 60 days before January 25, 2011 (the effective date of
15 Public Act 96-1501) except as provided under paragraph
16 (1.05) of this Section.

17 (4) Interest amounting to less than \$5 shall not be
18 paid by the State, except for claims (i) to the Department
19 of Healthcare and Family Services or the Department of
20 Human Services, (ii) pursuant to Article V of the Illinois
21 Public Aid Code, the Covering ALL KIDS Health Insurance
22 Act, or the Children's Health Insurance Program Act, and
23 (iii) made (A) by pharmacies for prescriptive services or
24 (B) by any federally qualified health center for
25 prescriptive services or any other services.

4 (f) Project labor agreements allow public agencies to
5 predict more accurately the actual cost of the public works
6 project.

7 (g) ~~(e)~~ The use of project labor agreements can be of
8 particular benefit to complex construction projects.

11 Section 165. The Illinois Income Tax Act is amended by
12 changing Sections 201.5 and 806 as follows:

13 (35 ILCS 5/201.5)

14 Sec. 201.5. State spending limitation and tax reduction.

15 (a) If, beginning in State fiscal year 2012 and continuing
16 through State fiscal year 2015, State spending for any fiscal
17 year exceeds the State spending limitation set forth in
18 subsection (b) of this Section, then the tax rates set forth in
19 subsection (b) of Section 201 of this Act shall be reduced,
20 according to the procedures set forth in this Section, to 3% of
21 the taxpayer's net income for individuals, trusts, and estates
22 and to 4.8% of the taxpayer's net income for corporations. For
23 all taxable years following the taxable year in which the rate

1 has been reduced pursuant to this Section, the tax rate set
2 forth in subsection (b) of Section 201 of this Act shall be 3%
3 of the taxpayer's net income for individuals, trusts, and
4 estates and 4.8% of the taxpayer's net income for corporations.

5 (b) The State spending limitation for fiscal years 2012
6 through 2015 shall be as follows: (i) for fiscal year 2012,
7 \$36,818,000,000; (ii) for fiscal year 2013, \$37,554,000,000;
8 (iii) for fiscal year 2014, \$38,305,000,000; and (iv) for
9 fiscal year 2015, \$39,072,000,000.

10 (c) Notwithstanding ~~Notwithstanding~~ any other provision
11 of law to the contrary, the Auditor General shall examine each
12 Public Act authorizing State spending from State general funds
13 and prepare a report no later than 30 days after receiving
14 notification of the Public Act from the Secretary of State or
15 60 days after the effective date of the Public Act, whichever
16 is earlier. The Auditor General shall file the report with the
17 Secretary of State and copies with the Governor, the State
18 Treasurer, the State Comptroller, the Senate, and the House of
19 Representatives. The report shall indicate: (i) the amount of
20 State spending set forth in the applicable Public Act; (ii) the
21 total amount of State spending authorized by law for the
22 applicable fiscal year as of the date of the report; and (iii)
23 whether State spending exceeds the State spending limitation
24 set forth in subsection (b). The Auditor General may examine
25 multiple Public Acts in one consolidated report, provided that
26 each Public Act is examined within the time period mandated by

1 this subsection (c). The Auditor General shall issue reports in
2 accordance with this Section through June 30, 2015 or the
3 effective date of a reduction in the rate of tax imposed by
4 subsections (a) and (b) of Section 201 of this Act pursuant to
5 this Section, whichever is earlier.

6 At the request of the Auditor General, each State agency
7 shall, without delay, make available to the Auditor General or
8 his or her designated representative any record or information
9 requested and shall provide for examination or copying all
10 records, accounts, papers, reports, vouchers, correspondence,
11 books and other documentation in the custody of that agency,
12 including information stored in electronic data processing
13 systems, which is related to or within the scope of a report
14 prepared under this Section. The Auditor General shall report
15 to the Governor each instance in which a State agency fails to
16 cooperate promptly and fully with his or her office as required
17 by this Section.

18 The Auditor General's report shall not be in the nature of
19 a post-audit or examination and shall not lead to the issuance
20 of an opinion as that term is defined in generally accepted
21 government auditing standards.

22 (d) If the Auditor General reports that State spending has
23 exceeded the State spending limitation set forth in subsection
24 (b) and if the Governor has not been presented with a bill or
25 bills passed by the General Assembly to reduce State spending
26 to a level that does not exceed the State spending limitation

1 within 45 calendar days of receipt of the Auditor General's
2 report, then the Governor may, for the purpose of reducing
3 State spending to a level that does not exceed the State
4 spending limitation set forth in subsection (b), designate
5 amounts to be set aside as a reserve from the amounts
6 appropriated from the State general funds for all boards,
7 commissions, agencies, institutions, authorities, colleges,
8 universities, and bodies politic and corporate of the State,
9 but not other constitutional officers, the legislative or
10 judicial branch, the office of the Executive Inspector General,
11 or the Executive Ethics Commission. Such a designation must be
12 made within 15 calendar days after the end of that 45-day
13 period. If the Governor designates amounts to be set aside as a
14 reserve, the Governor shall give notice of the designation to
15 the Auditor General, the State Treasurer, the State
16 Comptroller, the Senate, and the House of Representatives. The
17 amounts placed in reserves shall not be transferred, obligated,
18 encumbered, expended, or otherwise committed unless so
19 authorized by law. Any amount placed in reserves is not State
20 spending and shall not be considered when calculating the total
21 amount of State spending. Any Public Act authorizing the use of
22 amounts placed in reserve by the Governor is considered State
23 spending, unless such Public Act authorizes the use of amounts
24 placed in reserves in response to a fiscal emergency under
25 subsection (g).

26 (e) If the Auditor General reports under subsection (c)

1 that State spending has exceeded the State spending limitation
2 set forth in subsection (b), then the Auditor General shall
3 issue a supplemental report no sooner than the 61st day and no
4 later than the 65th day after issuing the report pursuant to
5 subsection (c). The supplemental report shall: (i) summarize
6 details of actions taken by the General Assembly and the
7 Governor after the issuance of the initial report to reduce
8 State spending, if any, (ii) indicate whether the level of
9 State spending has changed since the initial report, and (iii)
10 indicate whether State spending exceeds the State spending
11 limitation. The Auditor General shall file the report with the
12 Secretary of State and copies with the Governor, the State
13 Treasurer, the State Comptroller, the Senate, and the House of
14 Representatives. If the supplemental report of the Auditor
15 General provides that State spending exceeds the State spending
16 limitation, then the rate of tax imposed by subsections (a) and
17 (b) of Section 201 is reduced as provided in this Section
18 beginning on the first day of the first month to occur not less
19 than 30 days after issuance of the supplemental report.

20 (f) For any taxable year in which the rates of tax have
21 been reduced under this Section, the tax imposed by subsections
22 (a) and (b) of Section 201 shall be determined as follows:

23 (1) In the case of an individual, trust, or estate, the
24 tax shall be imposed in an amount equal to the sum of (i)
25 the rate applicable to the taxpayer under subsection (b) of
26 Section 201 (without regard to the provisions of this

1 Section) times the taxpayer's net income for any portion of
2 the taxable year prior to the effective date of the
3 reduction and (ii) 3% of the taxpayer's net income for any
4 portion of the taxable year on or after the effective date
5 of the reduction.

6 (2) In the case of a corporation, the tax shall be
7 imposed in an amount equal to the sum of (i) the rate
8 applicable to the taxpayer under subsection (b) of Section
9 201 (without regard to the provisions of this Section)
10 times the taxpayer's net income for any portion of the
11 taxable year prior to the effective date of the reduction
12 and (ii) 4.8% of the taxpayer's net income for any portion
13 of the taxable year on or after the effective date of the
14 reduction.

15 (3) For any taxpayer for whom the rate has been reduced
16 under this Section for a portion of a taxable year, the
17 taxpayer shall determine the net income for each portion of
18 the taxable year following the rules set forth in Section
19 202.5 of this Act, using the effective date of the rate
20 reduction rather than the January 1 dates found in that
21 Section, and the day before the effective date of the rate
22 reduction rather than the December 31 dates found in that
23 Section.

24 (4) If the rate applicable to the taxpayer under
25 subsection (b) of Section 201 (without regard to the
26 provisions of this Section) changes during a portion of the

1 taxable year to which that rate is applied under paragraphs
2 (1) or (2) of this subsection (f), the tax for that portion
3 of the taxable year for purposes of paragraph (1) or (2) of
4 this subsection (f) shall be determined as if that portion
5 of the taxable year were a separate taxable year, following
6 the rules set forth in Section 202.5 of this Act. If the
7 taxpayer elects to follow the rules set forth in subsection
8 (b) of Section 202.5, the taxpayer shall follow the rules
9 set forth in subsection (b) of Section 202.5 for all
10 purposes of this Section for that taxable year.

11 (g) Notwithstanding the State spending limitation set
12 forth in subsection (b) of this Section, the Governor may
13 declare a fiscal emergency by filing a declaration with the
14 Secretary of State and copies with the State Treasurer, the
15 State Comptroller, the Senate, and the House of
16 Representatives. The declaration must be limited to only one
17 State fiscal year, set forth compelling reasons for declaring a
18 fiscal emergency, and request a specific dollar amount. Unless,
19 within 10 calendar days of receipt of the Governor's
20 declaration, the State Comptroller or State Treasurer notifies
21 the Senate and the House of Representatives that he or she does
22 not concur in the Governor's declaration, State spending
23 authorized by law to address the fiscal emergency in an amount
24 no greater than the dollar amount specified in the declaration
25 shall not be considered "State spending" for purposes of the
26 State spending limitation.

1 (h) As used in this Section:

2 "State general funds" means the General Revenue Fund, the
3 Common School Fund, the General Revenue Common School Special
4 Account Fund, the Education Assistance Fund, and the Budget
5 Stabilization Fund.

6 "State spending" means (i) the total amount authorized for
7 spending by appropriation or statutory transfer from the State
8 general funds in the applicable fiscal year, and (ii) any
9 amounts the Governor places in reserves in accordance with
10 subsection (d) that are subsequently released from reserves
11 following authorization by a Public Act. For the purpose of
12 this definition, "appropriation" means authority to spend
13 money from a State general fund for a specific amount, purpose,
14 and time period, including any supplemental appropriation or
15 continuing appropriation, but does not include
16 reappropriations from a previous fiscal year. For the purpose
17 of this definition, "statutory transfer" means authority to
18 transfer funds from one State general fund to any other fund in
19 the State treasury, but does not include transfers made from
20 one State general fund to another State general fund.

21 "State spending limitation" means the amount described in
22 subsection (b) of this Section for the applicable fiscal year.

24 (35 ILCS 5/806)

25 Sec. 806. Exemption from penalty. An individual taxpayer

1 shall not be subject to a penalty for failing to pay estimated
2 tax as required by Section 803 if the taxpayer is 65 years of
3 age or older and is a permanent resident of a nursing home. For
4 purposes of this Section, "nursing home" means a skilled
5 nursing or intermediate long term care facility that is subject
6 to licensure by the Illinois Department of Public Health under
7 the Nursing Home Care Act, the Specialized Mental Health
8 Rehabilitation Act, or the ID/DD Community Care Act.

11 Section 170. The Retailers' Occupation Tax Act is amended
12 by changing Section 1h as follows:

13 (35 ILCS 120/1h) (from Ch. 120, par. 440h)

14 Sec. 1h. Upon request made on or after July 1, 1987, the
15 Department shall furnish to any county or municipality a list
16 containing the name of each corporation, society, association,
17 foundation or institution organized and operated exclusively
18 for charitable, religious or educational purposes, and each
19 not-for-profit corporation, society, association, foundation,
20 institution or organization which has no compensated officers
21 or employees and which is organized and operated primarily for
22 the recreation of persons 55 years of age or older, which had a
23 valid exemption identification number on the first day of
24 January or July, as the case may be, proceeding the date on

1 which such request is received and which is located within the
2 corporate limits of such municipality or the unincorporated
3 territory of such county, except that the list need not include
4 subsidiary organizations using an exemption identification
5 number issued to its parent organization as provided by Section
6 1g ~~1d~~ of this Act.

8 Section 175. The Property Tax Code is amended by changing
9 Sections 15-168, 15-170, and 15-172 as follows:

10 (35 ILCS 200/15-168)

11 Sec. 15-168. Disabled persons' homestead exemption.

12 (a) Beginning with taxable year 2007, an annual homestead
13 exemption is granted to disabled persons in the amount of
14 \$2,000, except as provided in subsection (c), to be deducted
15 from the property's value as equalized or assessed by the
16 Department of Revenue. The disabled person shall receive the
17 homestead exemption upon meeting the following requirements:

18 (1) The property must be occupied as the primary
19 residence by the disabled person.

20 (2) The disabled person must be liable for paying the
21 real estate taxes on the property.

22 (3) The disabled person must be an owner of record of
23 the property or have a legal or equitable interest in the
24 property as evidenced by a written instrument. In the case

1 of a leasehold interest in property, the lease must be for
2 a single family residence.

3 A person who is disabled during the taxable year is
4 eligible to apply for this homestead exemption during that
5 taxable year. Application must be made during the application
6 period in effect for the county of residence. If a homestead
7 exemption has been granted under this Section and the person
8 awarded the exemption subsequently becomes a resident of a
9 facility licensed under the Nursing Home Care Act, the
10 Specialized Mental Health Rehabilitation Act, or the ID/DD
11 Community Care Act, then the exemption shall continue (i) so
12 long as the residence continues to be occupied by the
13 qualifying person's spouse or (ii) if the residence remains
14 unoccupied but is still owned by the person qualified for the
15 homestead exemption.

16 (b) For the purposes of this Section, "disabled person"
17 means a person unable to engage in any substantial gainful
18 activity by reason of a medically determinable physical or
19 mental impairment which can be expected to result in death or
20 has lasted or can be expected to last for a continuous period
21 of not less than 12 months. Disabled persons filing claims
22 under this Act shall submit proof of disability in such form
23 and manner as the Department shall by rule and regulation
24 prescribe. Proof that a claimant is eligible to receive
25 disability benefits under the Federal Social Security Act shall
26 constitute proof of disability for purposes of this Act.

1 Issuance of an Illinois Disabled Person Identification Card
2 stating that the claimant is under a Class 2 disability, as
3 defined in Section 4A of The Illinois Identification Card Act,
4 shall constitute proof that the person named thereon is a
5 disabled person for purposes of this Act. A disabled person not
6 covered under the Federal Social Security Act and not
7 presenting a Disabled Person Identification Card stating that
8 the claimant is under a Class 2 disability shall be examined by
9 a physician designated by the Department, and his status as a
10 disabled person determined using the same standards as used by
11 the Social Security Administration. The costs of any required
12 examination shall be borne by the claimant.

13 (c) For land improved with (i) an apartment building owned
14 and operated as a cooperative or (ii) a life care facility as
15 defined under Section 2 of the Life Care Facilities Act that is
16 considered to be a cooperative, the maximum reduction from the
17 value of the property, as equalized or assessed by the
18 Department, shall be multiplied by the number of apartments or
19 units occupied by a disabled person. The disabled person shall
20 receive the homestead exemption upon meeting the following
21 requirements:

22 (1) The property must be occupied as the primary
23 residence by the disabled person.

24 (2) The disabled person must be liable by contract with
25 the owner or owners of record for paying the apportioned
26 property taxes on the property of the cooperative or life

1 care facility. In the case of a life care facility, the
2 disabled person must be liable for paying the apportioned
3 property taxes under a life care contract as defined in
4 Section 2 of the Life Care Facilities Act.

5 (3) The disabled person must be an owner of record of a
6 legal or equitable interest in the cooperative apartment
7 building. A leasehold interest does not meet this
8 requirement.

9 If a homestead exemption is granted under this subsection, the
10 cooperative association or management firm shall credit the
11 savings resulting from the exemption to the apportioned tax
12 liability of the qualifying disabled person. The chief county
13 assessment officer may request reasonable proof that the
14 association or firm has properly credited the exemption. A
15 person who willfully refuses to credit an exemption to the
16 qualified disabled person is guilty of a Class B misdemeanor.

17 (d) The chief county assessment officer shall determine the
18 eligibility of property to receive the homestead exemption
19 according to guidelines established by the Department. After a
20 person has received an exemption under this Section, an annual
21 verification of eligibility for the exemption shall be mailed
22 to the taxpayer.

23 In counties with fewer than 3,000,000 inhabitants, the
24 chief county assessment officer shall provide to each person
25 granted a homestead exemption under this Section a form to
26 designate any other person to receive a duplicate of any notice

1 of delinquency in the payment of taxes assessed and levied
2 under this Code on the person's qualifying property. The
3 duplicate notice shall be in addition to the notice required to
4 be provided to the person receiving the exemption and shall be
5 given in the manner required by this Code. The person filing
6 the request for the duplicate notice shall pay an
7 administrative fee of \$5 to the chief county assessment
8 officer. The assessment officer shall then file the executed
9 designation with the county collector, who shall issue the
10 duplicate notices as indicated by the designation. A
11 designation may be rescinded by the disabled person in the
12 manner required by the chief county assessment officer.

13 (e) A taxpayer who claims an exemption under Section 15-165
14 or 15-169 may not claim an exemption under this Section.

17 (35 ILCS 200/15-170)

18 Sec. 15-170. Senior Citizens Homestead Exemption. An
19 annual homestead exemption limited, except as described here
20 with relation to cooperatives or life care facilities, to a
21 maximum reduction set forth below from the property's value, as
22 equalized or assessed by the Department, is granted for
23 property that is occupied as a residence by a person 65 years
24 of age or older who is liable for paying real estate taxes on
25 the property and is an owner of record of the property or has a

1 legal or equitable interest therein as evidenced by a written
2 instrument, except for a leasehold interest, other than a
3 leasehold interest of land on which a single family residence
4 is located, which is occupied as a residence by a person 65
5 years or older who has an ownership interest therein, legal,
6 equitable or as a lessee, and on which he or she is liable for
7 the payment of property taxes. Before taxable year 2004, the
8 maximum reduction shall be \$2,500 in counties with 3,000,000 or
9 more inhabitants and \$2,000 in all other counties. For taxable
10 years 2004 through 2005, the maximum reduction shall be \$3,000
11 in all counties. For taxable years 2006 and 2007, the maximum
12 reduction shall be \$3,500 and, for taxable years 2008 and
13 thereafter, the maximum reduction is \$4,000 in all counties.

14 For land improved with an apartment building owned and
15 operated as a cooperative, the maximum reduction from the value
16 of the property, as equalized by the Department, shall be
17 multiplied by the number of apartments or units occupied by a
18 person 65 years of age or older who is liable, by contract with
19 the owner or owners of record, for paying property taxes on the
20 property and is an owner of record of a legal or equitable
21 interest in the cooperative apartment building, other than a
22 leasehold interest. For land improved with a life care
23 facility, the maximum reduction from the value of the property,
24 as equalized by the Department, shall be multiplied by the
25 number of apartments or units occupied by persons 65 years of
26 age or older, irrespective of any legal, equitable, or

1 leasehold interest in the facility, who are liable, under a
2 contract with the owner or owners of record of the facility,
3 for paying property taxes on the property. In a cooperative or
4 a life care facility where a homestead exemption has been
5 granted, the cooperative association or the management firm of
6 the cooperative or facility shall credit the savings resulting
7 from that exemption only to the apportioned tax liability of
8 the owner or resident who qualified for the exemption. Any
9 person who willfully refuses to so credit the savings shall be
10 guilty of a Class B misdemeanor. Under this Section and
11 Sections 15-175, 15-176, and 15-177, "life care facility" means
12 a facility, as defined in Section 2 of the Life Care Facilities
13 Act, with which the applicant for the homestead exemption has a
14 life care contract as defined in that Act.

15 When a homestead exemption has been granted under this
16 Section and the person qualifying subsequently becomes a
17 resident of a facility licensed under the Assisted Living and
18 Shared Housing Act, the Nursing Home Care Act, the Specialized
19 Mental Health Rehabilitation Act, or the ID/DD Community Care
20 Act, the exemption shall continue so long as the residence
21 continues to be occupied by the qualifying person's spouse if
22 the spouse is 65 years of age or older, or if the residence
23 remains unoccupied but is still owned by the person qualified
24 for the homestead exemption.

25 A person who will be 65 years of age during the current
26 assessment year shall be eligible to apply for the homestead

1 exemption during that assessment year. Application shall be
2 made during the application period in effect for the county of
3 his residence.

4 Beginning with assessment year 2003, for taxes payable in
5 2004, property that is first occupied as a residence after
6 January 1 of any assessment year by a person who is eligible
7 for the senior citizens homestead exemption under this Section
8 must be granted a pro-rata exemption for the assessment year.
9 The amount of the pro-rata exemption is the exemption allowed
10 in the county under this Section divided by 365 and multiplied
11 by the number of days during the assessment year the property
12 is occupied as a residence by a person eligible for the
13 exemption under this Section. The chief county assessment
14 officer must adopt reasonable procedures to establish
15 eligibility for this pro-rata exemption.

16 The assessor or chief county assessment officer may
17 determine the eligibility of a life care facility to receive
18 the benefits provided by this Section, by affidavit,
19 application, visual inspection, questionnaire or other
20 reasonable methods in order to insure that the tax savings
21 resulting from the exemption are credited by the management
22 firm to the apportioned tax liability of each qualifying
23 resident. The assessor may request reasonable proof that the
24 management firm has so credited the exemption.

25 The chief county assessment officer of each county with
26 less than 3,000,000 inhabitants shall provide to each person

1 allowed a homestead exemption under this Section a form to
2 designate any other person to receive a duplicate of any notice
3 of delinquency in the payment of taxes assessed and levied
4 under this Code on the property of the person receiving the
5 exemption. The duplicate notice shall be in addition to the
6 notice required to be provided to the person receiving the
7 exemption, and shall be given in the manner required by this
8 Code. The person filing the request for the duplicate notice
9 shall pay a fee of \$5 to cover administrative costs to the
10 supervisor of assessments, who shall then file the executed
11 designation with the county collector. Notwithstanding any
12 other provision of this Code to the contrary, the filing of
13 such an executed designation requires the county collector to
14 provide duplicate notices as indicated by the designation. A
15 designation may be rescinded by the person who executed such
16 designation at any time, in the manner and form required by the
17 chief county assessment officer.

18 The assessor or chief county assessment officer may
19 determine the eligibility of residential property to receive
20 the homestead exemption provided by this Section by
21 application, visual inspection, questionnaire or other
22 reasonable methods. The determination shall be made in
23 accordance with guidelines established by the Department.

24 In counties with 3,000,000 or more inhabitants, beginning
25 in taxable year 2010, each taxpayer who has been granted an
26 exemption under this Section must reapply on an annual basis.

1 The chief county assessment officer shall mail the application
2 to the taxpayer. In counties with less than 3,000,000
3 inhabitants, the county board may by resolution provide that if
4 a person has been granted a homestead exemption under this
5 Section, the person qualifying need not reapply for the
6 exemption.

7 In counties with less than 3,000,000 inhabitants, if the
8 assessor or chief county assessment officer requires annual
9 application for verification of eligibility for an exemption
10 once granted under this Section, the application shall be
11 mailed to the taxpayer.

12 The assessor or chief county assessment officer shall
13 notify each person who qualifies for an exemption under this
14 Section that the person may also qualify for deferral of real
15 estate taxes under the Senior Citizens Real Estate Tax Deferral
16 Act. The notice shall set forth the qualifications needed for
17 deferral of real estate taxes, the address and telephone number
18 of county collector, and a statement that applications for
19 deferral of real estate taxes may be obtained from the county
20 collector.

21 Notwithstanding Sections 6 and 8 of the State Mandates Act,
22 no reimbursement by the State is required for the
23 implementation of any mandate created by this Section.

2 Sec. 15-172. Senior Citizens Assessment Freeze Homestead
3 Exemption.

4 (a) This Section may be cited as the Senior Citizens
5 Assessment Freeze Homestead Exemption.

6 (b) As used in this Section:

7 "Applicant" means an individual who has filed an
8 application under this Section.

9 "Base amount" means the base year equalized assessed value
10 of the residence plus the first year's equalized assessed value
11 of any added improvements which increased the assessed value of
12 the residence after the base year.

13 "Base year" means the taxable year prior to the taxable
14 year for which the applicant first qualifies and applies for
15 the exemption provided that in the prior taxable year the
16 property was improved with a permanent structure that was
17 occupied as a residence by the applicant who was liable for
18 paying real property taxes on the property and who was either
19 (i) an owner of record of the property or had legal or
20 equitable interest in the property as evidenced by a written
21 instrument or (ii) had a legal or equitable interest as a
22 lessee in the parcel of property that was single family
23 residence. If in any subsequent taxable year for which the
24 applicant applies and qualifies for the exemption the equalized
25 assessed value of the residence is less than the equalized

1 assessed value in the existing base year (provided that such
2 equalized assessed value is not based on an assessed value that
3 results from a temporary irregularity in the property that
4 reduces the assessed value for one or more taxable years), then
5 that subsequent taxable year shall become the base year until a
6 new base year is established under the terms of this paragraph.
7 For taxable year 1999 only, the Chief County Assessment Officer
8 shall review (i) all taxable years for which the applicant
9 applied and qualified for the exemption and (ii) the existing
10 base year. The assessment officer shall select as the new base
11 year the year with the lowest equalized assessed value. An
12 equalized assessed value that is based on an assessed value
13 that results from a temporary irregularity in the property that
14 reduces the assessed value for one or more taxable years shall
15 not be considered the lowest equalized assessed value. The
16 selected year shall be the base year for taxable year 1999 and
17 thereafter until a new base year is established under the terms
18 of this paragraph.

19 "Chief County Assessment Officer" means the County
20 Assessor or Supervisor of Assessments of the county in which
21 the property is located.

22 "Equalized assessed value" means the assessed value as
23 equalized by the Illinois Department of Revenue.

24 "Household" means the applicant, the spouse of the
25 applicant, and all persons using the residence of the applicant
26 as their principal place of residence.

1 "Household income" means the combined income of the members
2 of a household for the calendar year preceding the taxable
3 year.

4 "Income" has the same meaning as provided in Section 3.07
5 of the Senior Citizens and Disabled Persons Property Tax Relief
6 and Pharmaceutical Assistance Act, except that, beginning in
7 assessment year 2001, "income" does not include veteran's
8 benefits.

9 "Internal Revenue Code of 1986" means the United States
10 Internal Revenue Code of 1986 or any successor law or laws
11 relating to federal income taxes in effect for the year
12 preceding the taxable year.

13 "Life care facility that qualifies as a cooperative" means
14 a facility as defined in Section 2 of the Life Care Facilities
15 Act.

16 "Maximum income limitation" means:

- 17 (1) \$35,000 prior to taxable year 1999;
- 18 (2) \$40,000 in taxable years 1999 through 2003;
- 19 (3) \$45,000 in taxable years 2004 through 2005;
- 20 (4) \$50,000 in taxable years 2006 and 2007; and
- 21 (5) \$55,000 in taxable year 2008 and thereafter.

22 "Residence" means the principal dwelling place and
23 appurtenant structures used for residential purposes in this
24 State occupied on January 1 of the taxable year by a household
25 and so much of the surrounding land, constituting the parcel
26 upon which the dwelling place is situated, as is used for

1 residential purposes. If the Chief County Assessment Officer
2 has established a specific legal description for a portion of
3 property constituting the residence, then that portion of
4 property shall be deemed the residence for the purposes of this
5 Section.

6 "Taxable year" means the calendar year during which ad
7 valorem property taxes payable in the next succeeding year are
8 levied.

9 (c) Beginning in taxable year 1994, a senior citizens
10 assessment freeze homestead exemption is granted for real
11 property that is improved with a permanent structure that is
12 occupied as a residence by an applicant who (i) is 65 years of
13 age or older during the taxable year, (ii) has a household
14 income that does not exceed the maximum income limitation,
15 (iii) is liable for paying real property taxes on the property,
16 and (iv) is an owner of record of the property or has a legal or
17 equitable interest in the property as evidenced by a written
18 instrument. This homestead exemption shall also apply to a
19 leasehold interest in a parcel of property improved with a
20 permanent structure that is a single family residence that is
21 occupied as a residence by a person who (i) is 65 years of age
22 or older during the taxable year, (ii) has a household income
23 that does not exceed the maximum income limitation, (iii) has a
24 legal or equitable ownership interest in the property as
25 lessee, and (iv) is liable for the payment of real property
26 taxes on that property.

1 In counties of 3,000,000 or more inhabitants, the amount of
2 the exemption for all taxable years is the equalized assessed
3 value of the residence in the taxable year for which
4 application is made minus the base amount. In all other
5 counties, the amount of the exemption is as follows: (i)
6 through taxable year 2005 and for taxable year 2007 and
7 thereafter, the amount of this exemption shall be the equalized
8 assessed value of the residence in the taxable year for which
9 application is made minus the base amount; and (ii) for taxable
10 year 2006, the amount of the exemption is as follows:

11 (1) For an applicant who has a household income of
12 \$45,000 or less, the amount of the exemption is the
13 equalized assessed value of the residence in the taxable
14 year for which application is made minus the base amount.

15 (2) For an applicant who has a household income
16 exceeding \$45,000 but not exceeding \$46,250, the amount of
17 the exemption is (i) the equalized assessed value of the
18 residence in the taxable year for which application is made
19 minus the base amount (ii) multiplied by 0.8.

20 (3) For an applicant who has a household income
21 exceeding \$46,250 but not exceeding \$47,500, the amount of
22 the exemption is (i) the equalized assessed value of the
23 residence in the taxable year for which application is made
24 minus the base amount (ii) multiplied by 0.6.

25 (4) For an applicant who has a household income
26 exceeding \$47,500 but not exceeding \$48,750, the amount of

1 the exemption is (i) the equalized assessed value of the
2 residence in the taxable year for which application is made
3 minus the base amount (ii) multiplied by 0.4.

4 (5) For an applicant who has a household income
5 exceeding \$48,750 but not exceeding \$50,000, the amount of
6 the exemption is (i) the equalized assessed value of the
7 residence in the taxable year for which application is made
8 minus the base amount (ii) multiplied by 0.2.

9 When the applicant is a surviving spouse of an applicant
10 for a prior year for the same residence for which an exemption
11 under this Section has been granted, the base year and base
12 amount for that residence are the same as for the applicant for
13 the prior year.

14 Each year at the time the assessment books are certified to
15 the County Clerk, the Board of Review or Board of Appeals shall
16 give to the County Clerk a list of the assessed values of
17 improvements on each parcel qualifying for this exemption that
18 were added after the base year for this parcel and that
19 increased the assessed value of the property.

20 In the case of land improved with an apartment building
21 owned and operated as a cooperative or a building that is a
22 life care facility that qualifies as a cooperative, the maximum
23 reduction from the equalized assessed value of the property is
24 limited to the sum of the reductions calculated for each unit
25 occupied as a residence by a person or persons (i) 65 years of
26 age or older, (ii) with a household income that does not exceed

1 the maximum income limitation, (iii) who is liable, by contract
2 with the owner or owners of record, for paying real property
3 taxes on the property, and (iv) who is an owner of record of a
4 legal or equitable interest in the cooperative apartment
5 building, other than a leasehold interest. In the instance of a
6 cooperative where a homestead exemption has been granted under
7 this Section, the cooperative association or its management
8 firm shall credit the savings resulting from that exemption
9 only to the apportioned tax liability of the owner who
10 qualified for the exemption. Any person who willfully refuses
11 to credit that savings to an owner who qualifies for the
12 exemption is guilty of a Class B misdemeanor.

13 When a homestead exemption has been granted under this
14 Section and an applicant then becomes a resident of a facility
15 licensed under the Assisted Living and Shared Housing Act, the
16 Nursing Home Care Act, the Specialized Mental Health
17 Rehabilitation Act, or the ID/DD Community Care Act, the
18 exemption shall be granted in subsequent years so long as the
19 residence (i) continues to be occupied by the qualified
20 applicant's spouse or (ii) if remaining unoccupied, is still
21 owned by the qualified applicant for the homestead exemption.

22 Beginning January 1, 1997, when an individual dies who
23 would have qualified for an exemption under this Section, and
24 the surviving spouse does not independently qualify for this
25 exemption because of age, the exemption under this Section
26 shall be granted to the surviving spouse for the taxable year

1 preceding and the taxable year of the death, provided that,
2 except for age, the surviving spouse meets all other
3 qualifications for the granting of this exemption for those
4 years.

5 When married persons maintain separate residences, the
6 exemption provided for in this Section may be claimed by only
7 one of such persons and for only one residence.

8 For taxable year 1994 only, in counties having less than
9 3,000,000 inhabitants, to receive the exemption, a person shall
10 submit an application by February 15, 1995 to the Chief County
11 Assessment Officer of the county in which the property is
12 located. In counties having 3,000,000 or more inhabitants, for
13 taxable year 1994 and all subsequent taxable years, to receive
14 the exemption, a person may submit an application to the Chief
15 County Assessment Officer of the county in which the property
16 is located during such period as may be specified by the Chief
17 County Assessment Officer. The Chief County Assessment Officer
18 in counties of 3,000,000 or more inhabitants shall annually
19 give notice of the application period by mail or by
20 publication. In counties having less than 3,000,000
21 inhabitants, beginning with taxable year 1995 and thereafter,
22 to receive the exemption, a person shall submit an application
23 by July 1 of each taxable year to the Chief County Assessment
24 Officer of the county in which the property is located. A
25 county may, by ordinance, establish a date for submission of
26 applications that is different than July 1. The applicant shall

1 submit with the application an affidavit of the applicant's
2 total household income, age, marital status (and if married the
3 name and address of the applicant's spouse, if known), and
4 principal dwelling place of members of the household on January
5 1 of the taxable year. The Department shall establish, by rule,
6 a method for verifying the accuracy of affidavits filed by
7 applicants under this Section, and the Chief County Assessment
8 Officer may conduct audits of any taxpayer claiming an
9 exemption under this Section to verify that the taxpayer is
10 eligible to receive the exemption. Each application shall
11 contain or be verified by a written declaration that it is made
12 under the penalties of perjury. A taxpayer's signing a
13 fraudulent application under this Act is perjury, as defined in
14 Section 32-2 of the Criminal Code of 1961. The applications
15 shall be clearly marked as applications for the Senior Citizens
16 Assessment Freeze Homestead Exemption and must contain a notice
17 that any taxpayer who receives the exemption is subject to an
18 audit by the Chief County Assessment Officer.

19 Notwithstanding any other provision to the contrary, in
20 counties having fewer than 3,000,000 inhabitants, if an
21 applicant fails to file the application required by this
22 Section in a timely manner and this failure to file is due to a
23 mental or physical condition sufficiently severe so as to
24 render the applicant incapable of filing the application in a
25 timely manner, the Chief County Assessment Officer may extend
26 the filing deadline for a period of 30 days after the applicant

1 regains the capability to file the application, but in no case
2 may the filing deadline be extended beyond 3 months of the
3 original filing deadline. In order to receive the extension
4 provided in this paragraph, the applicant shall provide the
5 Chief County Assessment Officer with a signed statement from
6 the applicant's physician stating the nature and extent of the
7 condition, that, in the physician's opinion, the condition was
8 so severe that it rendered the applicant incapable of filing
9 the application in a timely manner, and the date on which the
10 applicant regained the capability to file the application.

11 Beginning January 1, 1998, notwithstanding any other
12 provision to the contrary, in counties having fewer than
13 3,000,000 inhabitants, if an applicant fails to file the
14 application required by this Section in a timely manner and
15 this failure to file is due to a mental or physical condition
16 sufficiently severe so as to render the applicant incapable of
17 filing the application in a timely manner, the Chief County
18 Assessment Officer may extend the filing deadline for a period
19 of 3 months. In order to receive the extension provided in this
20 paragraph, the applicant shall provide the Chief County
21 Assessment Officer with a signed statement from the applicant's
22 physician stating the nature and extent of the condition, and
23 that, in the physician's opinion, the condition was so severe
24 that it rendered the applicant incapable of filing the
25 application in a timely manner.

26 In counties having less than 3,000,000 inhabitants, if an

1 applicant was denied an exemption in taxable year 1994 and the
2 denial occurred due to an error on the part of an assessment
3 official, or his or her agent or employee, then beginning in
4 taxable year 1997 the applicant's base year, for purposes of
5 determining the amount of the exemption, shall be 1993 rather
6 than 1994. In addition, in taxable year 1997, the applicant's
7 exemption shall also include an amount equal to (i) the amount
8 of any exemption denied to the applicant in taxable year 1995
9 as a result of using 1994, rather than 1993, as the base year,
10 (ii) the amount of any exemption denied to the applicant in
11 taxable year 1996 as a result of using 1994, rather than 1993,
12 as the base year, and (iii) the amount of the exemption
13 erroneously denied for taxable year 1994.

14 For purposes of this Section, a person who will be 65 years
15 of age during the current taxable year shall be eligible to
16 apply for the homestead exemption during that taxable year.
17 Application shall be made during the application period in
18 effect for the county of his or her residence.

19 The Chief County Assessment Officer may determine the
20 eligibility of a life care facility that qualifies as a
21 cooperative to receive the benefits provided by this Section by
22 use of an affidavit, application, visual inspection,
23 questionnaire, or other reasonable method in order to insure
24 that the tax savings resulting from the exemption are credited
25 by the management firm to the apportioned tax liability of each
26 qualifying resident. The Chief County Assessment Officer may

1 request reasonable proof that the management firm has so
2 credited that exemption.

3 Except as provided in this Section, all information
4 received by the chief county assessment officer or the
5 Department from applications filed under this Section, or from
6 any investigation conducted under the provisions of this
7 Section, shall be confidential, except for official purposes or
8 pursuant to official procedures for collection of any State or
9 local tax or enforcement of any civil or criminal penalty or
10 sanction imposed by this Act or by any statute or ordinance
11 imposing a State or local tax. Any person who divulges any such
12 information in any manner, except in accordance with a proper
13 judicial order, is guilty of a Class A misdemeanor.

14 Nothing contained in this Section shall prevent the
15 Director or chief county assessment officer from publishing or
16 making available reasonable statistics concerning the
17 operation of the exemption contained in this Section in which
18 the contents of claims are grouped into aggregates in such a
19 way that information contained in any individual claim shall
20 not be disclosed.

21 (d) Each Chief County Assessment Officer shall annually
22 publish a notice of availability of the exemption provided
23 under this Section. The notice shall be published at least 60
24 days but no more than 75 days prior to the date on which the
25 application must be submitted to the Chief County Assessment
26 Officer of the county in which the property is located. The

1 notice shall appear in a newspaper of general circulation in
2 the county.

3 Notwithstanding Sections 6 and 8 of the State Mandates Act,
4 no reimbursement by the State is required for the
5 implementation of any mandate created by this Section.

9 Section 180. The Illinois Pension Code is amended by
10 changing Sections 2-124, 4-108.5, 5-136, 7-109, 7-205, 15-155,
11 16-158, 18-131, 22-101, and 22-103 as follows:

12 (40 ILCS 5/2-124) (from Ch. 108 1/2, par. 2-124)

13 Sec. 2-124. Contributions by State.

14 (a) The State shall make contributions to the System by
15 appropriations of amounts which, together with the
16 contributions of participants, interest earned on investments,
17 and other income will meet the cost of maintaining and
18 administering the System on a 90% funded basis in accordance
19 with actuarial recommendations.

20 (b) The Board shall determine the amount of State
21 contributions required for each fiscal year on the basis of the
22 actuarial tables and other assumptions adopted by the Board and
23 the prescribed rate of interest, using the formula in
24 subsection (c).

1 (c) For State fiscal years 2012 through 2045, the minimum
2 contribution to the System to be made by the State for each
3 fiscal year shall be an amount determined by the System to be
4 sufficient to bring the total assets of the System up to 90% of
5 the total actuarial liabilities of the System by the end of
6 State fiscal year 2045. In making these determinations, the
7 required State contribution shall be calculated each year as a
8 level percentage of payroll over the years remaining to and
9 including fiscal year 2045 and shall be determined under the
10 projected unit credit actuarial cost method.

11 For State fiscal years 1996 through 2005, the State
12 contribution to the System, as a percentage of the applicable
13 employee payroll, shall be increased in equal annual increments
14 so that by State fiscal year 2011, the State is contributing at
15 the rate required under this Section.

16 Notwithstanding any other provision of this Article, the
17 total required State contribution for State fiscal year 2006 is
18 \$4,157,000.

19 Notwithstanding any other provision of this Article, the
20 total required State contribution for State fiscal year 2007 is
21 \$5,220,300.

22 For each of State fiscal years 2008 through 2009, the State
23 contribution to the System, as a percentage of the applicable
24 employee payroll, shall be increased in equal annual increments
25 from the required State contribution for State fiscal year
26 2007, so that by State fiscal year 2011, the State is

1 contributing at the rate otherwise required under this Section.

2 Notwithstanding any other provision of this Article, the
3 total required State contribution for State fiscal year 2010 is
4 \$10,454,000 and shall be made from the proceeds of bonds sold
5 in fiscal year 2010 pursuant to Section 7.2 of the General
6 Obligation Bond Act, less (i) the pro rata share of bond sale
7 expenses determined by the System's share of total bond
8 proceeds, (ii) any amounts received from the General Revenue
9 Fund in fiscal year 2010, and (iii) any reduction in bond
10 proceeds due to the issuance of discounted bonds, if
11 applicable.

12 Notwithstanding any other provision of this Article, the
13 total required State contribution for State fiscal year 2011 is
14 the amount recertified by the System on or before April 1, 2011
15 pursuant to Section 2-134 and shall be made from the proceeds
16 of bonds sold in fiscal year 2011 pursuant to Section 7.2 of
17 the General Obligation Bond Act, less (i) the pro rata share of
18 bond sale expenses determined by the System's share of total
19 bond proceeds, (ii) any amounts received from the General
20 Revenue Fund in fiscal year 2011, and (iii) any reduction in
21 bond proceeds due to the issuance of discounted bonds, if
22 applicable.

23 Beginning in State fiscal year 2046, the minimum State
24 contribution for each fiscal year shall be the amount needed to
25 maintain the total assets of the System at 90% of the total
26 actuarial liabilities of the System.

1 Amounts received by the System pursuant to Section 25 of
2 the Budget Stabilization Act or Section 8.12 of the State
3 Finance Act in any fiscal year do not reduce and do not
4 constitute payment of any portion of the minimum State
5 contribution required under this Article in that fiscal year.
6 Such amounts shall not reduce, and shall not be included in the
7 calculation of, the required State contributions under this
8 Article in any future year until the System has reached a
9 funding ratio of at least 90%. A reference in this Article to
10 the "required State contribution" or any substantially similar
11 term does not include or apply to any amounts payable to the
12 System under Section 25 of the Budget Stabilization Act.

13 Notwithstanding any other provision of this Section, the
14 required State contribution for State fiscal year 2005 and for
15 fiscal year 2008 and each fiscal year thereafter, as calculated
16 under this Section and certified under Section 2-134, shall not
17 exceed an amount equal to (i) the amount of the required State
18 contribution that would have been calculated under this Section
19 for that fiscal year if the System had not received any
20 payments under subsection (d) of Section 7.2 of the General
21 Obligation Bond Act, minus (ii) the portion of the State's
22 total debt service payments for that fiscal year on the bonds
23 issued in fiscal year 2003 for the purposes of that Section
24 7.2, as determined and certified by the Comptroller, that is
25 the same as the System's portion of the total moneys
26 distributed under subsection (d) of Section 7.2 of the General

1 Obligation Bond Act. In determining this maximum for State
2 fiscal years 2008 through 2010, however, the amount referred to
3 in item (i) shall be increased, as a percentage of the
4 applicable employee payroll, in equal increments calculated
5 from the sum of the required State contribution for State
6 fiscal year 2007 plus the applicable portion of the State's
7 total debt service payments for fiscal year 2007 on the bonds
8 issued in fiscal year 2003 for the purposes of Section 7.2 of
9 the General Obligation Bond Act, so that, by State fiscal year
10 2011, the State is contributing at the rate otherwise required
11 under this Section.

12 (d) For purposes of determining the required State
13 contribution to the System, the value of the System's assets
14 shall be equal to the actuarial value of the System's assets,
15 which shall be calculated as follows:

16 As of June 30, 2008, the actuarial value of the System's
17 assets shall be equal to the market value of the assets as of
18 that date. In determining the actuarial value of the System's
19 assets for fiscal years after June 30, 2008, any actuarial
20 gains or losses from investment return incurred in a fiscal
21 year shall be recognized in equal annual amounts over the
22 5-year period following that fiscal year.

23 (e) For purposes of determining the required State
24 contribution to the system for a particular year, the actuarial
25 value of assets shall be assumed to earn a rate of return equal
26 to the system's actuarially assumed rate of return.

5 Sec. 4-108.5. Service for providing certain fire
6 protection services.

7 (a) A firefighter for a participating municipality who was
8 employed as an active firefighter providing fire protection for
9 a village or incorporated town with a population of greater
10 than 10,000 but less than ~~that~~ 11,000 located in a county with
11 a population of greater than 600,000 and less than 700,000, as
12 estimated by the United States Census on July 1, 2004, may
13 elect to establish creditable service for periods of that
14 employment in which the firefighter provided fire protection
15 services for the participating municipality if, by May 1, 2007,
16 the firefighter (i) makes written application to the Board and
17 (ii) pays into the pension fund the amount that the person
18 would have contributed had deductions from salary been made for
19 this purpose at the time the service was rendered, plus
20 interest thereon at 6% per annum compounded annually from the
21 time the service was rendered until the date of payment.

22 (b) Time spent providing fire protection on a part-time
23 basis for a village or incorporated town with a population of
24 greater than 10,000 but less than 11,000 located in a county
25 with a population of greater than 600,000 and less than

1 700,000, as estimated by the United States Census on July 1,
2 2004, shall be calculated at the rate of one year of creditable
3 service for each 5 years of time spent providing such fire
4 protection, if the firefighter (i) has at least 5 years of
5 creditable service as an active firefighter, (ii) has at least
6 5 years of such service with a qualifying village or
7 incorporated town, (iii) applies for the creditable service
8 within 30 days after the effective date of this amendatory Act
9 of the 94th General Assembly, and (iv) contributes to the Fund
10 an amount representing employee contributions for the number of
11 years of creditable service granted under this subsection (b)
12 based on the salary and contribution rate in effect for the
13 firefighter at the date of entry into the fund, as determined
14 by the Board. The amount of creditable service granted under
15 this subsection (b) may not exceed 3 years.

17 (40 ILCS 5/5-136) (from Ch. 108 1/2, par. 5-136)

18 Sec. 5-136. Widow's annuity - all employees attaining age
19 57 in service. The annuity for the wife of an employee who
20 attains age 57 in service, and who thereafter withdraws from or
21 dies in service, shall be fixed, in the case of a future
22 entrant, as of her age at the date of his withdrawal or death,
23 whichever first occurs, and, in the case of a present employee,
24 as of her age when the employee withdraws from or dies in
25 service.

1 The widow is entitled to annuity from and after the
2 employee's death, as follows:

3 If the employee withdraws from service and enters upon
4 annuity, the annuity shall be that amount provided from his
5 credit for widow's annuity, and widow's prior service annuity
6 (if a present employee), at the time he withdraws from or dies
7 in service after attainment of age 57, but shall not be less
8 than ~~that~~ 40% of the amount of annuity earned by the employee
9 at the time of his withdrawal from the service after his
10 attainment of age 57 or not less than 40% of the amount of
11 annuity accrued to the credit of the employee on date of his
12 death in service after his attainment of age 57 computed
13 according to Section 5-132, subject to the limitations of
14 Section 5-148, but shall not be less than \$100 per month. If
15 the widow is more than 5 years younger than her husband, the
16 40% annuity for the widow shall be reduced to the actuarial
17 equivalent of her attained age, on the basis of the Combined
18 Annuity Table 3% interest.

19 The widow of a policeman who retires from service after
20 December 31, 1975 or who dies while in service after December
21 31, 1975 and on or after the date on which he becomes eligible
22 to retire under Section 5-132 shall, if she is otherwise
23 eligible for a widow's annuity under this Article and if the
24 amount determined under this paragraph is more than the total
25 combined amounts of her widow's annuity and widow's prior
26 service annuity, or the annuities provided hereinbefore in this

1 Section receive, in lieu of such other widow's annuity and
2 widow's prior service annuity, or annuities provided
3 hereinbefore in this Section a widow's annuity equal to 40% of
4 the amount of annuity which her deceased policeman husband
5 received as of the date of his retirement on annuity or if he
6 dies in the service prior to retirement on annuity a widow's
7 annuity equal to 40% of the amount of annuity her deceased
8 policeman husband would have been entitled to receive if he had
9 retired on the day before the date of his death in the service,
10 except that if the age of the wife at date of retirement or the
11 age of the widow at date of death in the service is more than 5
12 years younger than her policeman husband, the amount of such
13 annuity shall be reduced by 1/2 of 1% for each such month and
14 fraction thereof that she is more than 5 years younger at date
15 of retirement or at date of death subject to a maximum
16 reduction of 50%. However, no annuity under this Section shall
17 exceed \$500.00 per month.

18 This Section does not apply to the widow of any former
19 policeman who was receiving an annuity from the fund on
20 December 31, 1975 and who reenters service as a policeman,
21 unless he renders at least 3 years of additional service after
22 re-entry.

24 (40 ILCS 5/7-109) (from Ch. 108 1/2, par. 7-109)

25 Sec. 7-109. Employee.

1 (1) "Employee" means any person who:

2 (a) 1. Receives earnings as payment for the performance
3 of personal services or official duties out of the
4 general fund of a municipality, or out of any special
5 fund or funds controlled by a municipality, or by an
6 instrumentality thereof, or a participating
7 instrumentality, including, in counties, the fees or
8 earnings of any county fee office; and

9 2. Under the usual common law rules applicable in
10 determining the employer-employee relationship, has
11 the status of an employee with a municipality, or any
12 instrumentality thereof, or a participating
13 instrumentality, including aldermen, county
14 supervisors and other persons (excepting those

16 compensation, fees, allowances or other emolument for
17 official duties, and, in counties, the several county
18 fee offices.

19 (b) Serves as a township treasurer appointed under the
20 School Code, as heretofore or hereafter amended, and who
21 receives for such services regular compensation as
22 distinguished from per diem compensation, and any regular
23 employee in the office of any township treasurer whether or
24 not his earnings are paid from the income of the permanent
25 township fund or from funds subject to distribution to the
26 several school districts and parts of school districts as

1 provided in the School Code, or from both such sources; or
2 is the chief executive officer, chief educational officer,
3 chief fiscal officer, or other employee of a Financial
4 Oversight Panel established pursuant to Article 1H of the
5 School Code, other than a superintendent or certified
6 school business official, except that such person shall not
7 be treated as an employee under this Section if that person
8 has negotiated with the Financial Oversight Panel, in
9 conjunction with the school district, a contractual
10 agreement for exclusion from this Section.

11 (c) Holds an elective office in a municipality,
12 instrumentality thereof or participating instrumentality.

13 (2) "Employee" does not include persons who:

14 (a) Are eligible for inclusion under any of the
15 following laws:

16 1. "An Act in relation to an Illinois State
17 Teachers' Pension and Retirement Fund", approved May
18 27, 1915, as amended;

19 2. Articles 15 and 16 of this Code.

20 However, such persons shall be included as employees to
21 the extent of earnings that are not eligible for inclusion
22 under the foregoing laws for services not of an
23 instructional nature of any kind.

24 However, any member of the armed forces who is employed
25 as a teacher of subjects in the Reserve Officers Training
26 Corps of any school and who is not certified under the law

1 governing the certification of teachers shall be included
2 as an employee.

3 (b) Are designated by the governing body of a
4 municipality in which a pension fund is required by law to
5 be established for policemen or firemen, respectively, as
6 performing police or fire protection duties, except that
7 when such persons are the heads of the police or fire
8 department and are not eligible to be included within any
9 such pension fund, they shall be included within this
10 Article; provided, that such persons shall not be excluded
11 to the extent of concurrent service and earnings not
12 designated as being for police or fire protection duties.
13 However, (i) any head of a police department who was a
14 participant under this Article immediately before October
15 1, 1977 and did not elect, under Section 3-109 of this Act,
16 to participate in a police pension fund shall be an
17 "employee", and (ii) any chief of police who elects to
18 participate in this Fund under Section 3-109.1 of this
19 Code, regardless of whether such person continues to be
20 employed as chief of police or is employed in some other
21 rank or capacity within the police department, shall be an
22 employee under this Article for so long as such person is
23 employed to perform police duties by a participating
24 municipality and has not lawfully rescinded that election.

25 (c) After August 26, 2011 (the effective date of Public
26 Act 97-609) ~~this amendatory Act of the 97th General~~

1 ~~Assembly~~, are contributors to or eligible to contribute to
2 a Taft-Hartley pension plan established on or before June
3 1, 2011 and are employees of a theatre, arena, or
4 convention center that is located in a municipality located
5 in a county with a population greater than 5,000,000, and
6 to which the participating municipality is required to
7 contribute as the person's employer based on earnings from
8 the municipality. Nothing in this paragraph shall affect
9 service credit or creditable service for any period of
10 service prior to August 26, 2011 ~~the effective date of this~~
11 ~~amendatory Act of the 97th General Assembly~~, and this
12 paragraph shall not apply to individuals who are
13 participating in the Fund prior to August 26, 2011 ~~the~~
14 ~~effective date of this amendatory Act of the 97th General~~
15 ~~Assembly~~.

16 (3) All persons, including, without limitation, public
17 defenders and probation officers, who receive earnings from
18 general or special funds of a county for performance of
19 personal services or official duties within the territorial
20 limits of the county, are employees of the county (unless
21 excluded by subsection (2) of this Section) notwithstanding
22 that they may be appointed by and are subject to the direction
23 of a person or persons other than a county board or a county
24 officer. It is hereby established that an employer-employee
25 relationship under the usual common law rules exists between
26 such employees and the county paying their salaries by reason

1 of the fact that the county boards fix their rates of
2 compensation, appropriate funds for payment of their earnings
3 and otherwise exercise control over them. This finding and this
4 amendatory Act shall apply to all such employees from the date
5 of appointment whether such date is prior to or after the
6 effective date of this amendatory Act and is intended to
7 clarify existing law pertaining to their status as
8 participating employees in the Fund.

11 (40 ILCS 5/7-205) (from Ch. 108 1/2, par. 7-205)

12 Sec. 7-205. Reserves for annuities. Appropriate reserves
13 shall be created for payment of all annuities granted under
14 this Article at the time such annuities are granted and in
15 amounts determined to be necessary under actuarial tables
16 adopted by the Board upon recommendation of the actuary of the
17 fund. All annuities payable shall be charged to the annuity
18 reserve.

19 1. Amounts credited to annuity reserves shall be derived by
20 transfer of all the employee credits from the appropriate
21 employee reserves and by charges to the municipality reserve of
22 those municipalities in which the retiring employee has
23 accumulated service. If a retiring employee has accumulated
24 service in more than one participating municipality or
25 participating instrumentality, the municipality charges for

1 non-concurrent service shall be calculated as follows:

2 (A) for purposes of calculating the annuity reserve, an
3 annuity will be calculated based on service and adjusted
4 earnings with each employer (without regard to the vesting
5 requirement contained in subsection (a) of Section 7-142);
6 and

7 (B) the difference between the municipality charges
8 for the actual annuity granted and the aggregation of the
9 municipality charges based upon the ratio of each from
10 those calculations to the aggregated total from paragraph
11 (A) of this item 1.

12 Aggregate municipality charges for concurrent service
13 shall be prorated based on the employee's earnings. The
14 municipality charges for retirement annuities calculated under
15 subparagraph a. of paragraph ~~subparagraph~~ 1. of subsection (a)
16 of Section 7-142 shall be prorated based on actual
17 contributions .

18 2. Supplemental annuities shall be handled as a separate
19 annuity and amounts to be credited to the annuity reserve
20 therefor shall be derived in the same manner as a regular
21 annuity.

22 3. When a retirement annuity is granted to an employee with
23 a spouse eligible for a surviving spouse annuity, there shall
24 be credited to the annuity reserve an amount to fund the cost
25 of both the retirement and surviving spouse annuity as a joint
26 and survivors annuity.

1 4. Beginning January 1, 1989, when a retirement annuity is
2 awarded, an amount equal to the present value of the \$3,000
3 death benefit payable upon the death of the annuitant shall be
4 transferred to the annuity reserve from the appropriate
5 municipality reserves in the same manner as the transfer for
6 annuities.

7 5. All annuity reserves shall be revalued annually as of
8 December 31. Beginning as of December 31, 1973, adjustment
9 required therein by such revaluation shall be charged or
10 credited to the earnings and experience variation reserve.

11 6. There shall be credited to the annuity reserve all of
12 the payments made by annuitants under Section 7-144.2, plus an
13 additional amount from the earnings and experience variation
14 reserve to fund the cost of the incremental annuities granted
15 to annuitants making these payments.

16 7. As of December 31, 1972, the excess in the annuity
17 reserve shall be transferred to the municipality reserves. An
18 amount equal to the deficiency in the reserve of participating
19 municipalities and participating instrumentalities which have
20 no participating employees shall be allocated to their
21 reserves. The remainder shall be allocated in amounts
22 proportionate to the present value, as of January 1, 1972, of
23 annuities of annuitants of the remaining participating
24 municipalities and participating instrumentalities.

1 (40 ILCS 5/15-155) (from Ch. 108 1/2, par. 15-155)

2 Sec. 15-155. Employer contributions.

3 (a) The State of Illinois shall make contributions by
4 appropriations of amounts which, together with the other
5 employer contributions from trust, federal, and other funds,
6 employee contributions, income from investments, and other
7 income of this System, will be sufficient to meet the cost of
8 maintaining and administering the System on a 90% funded basis
9 in accordance with actuarial recommendations.

10 The Board shall determine the amount of State contributions
11 required for each fiscal year on the basis of the actuarial
12 tables and other assumptions adopted by the Board and the
13 recommendations of the actuary, using the formula in subsection
14 (a-1).

15 (a-1) For State fiscal years 2012 through 2045, the minimum
16 contribution to the System to be made by the State for each
17 fiscal year shall be an amount determined by the System to be
18 sufficient to bring the total assets of the System up to 90% of
19 the total actuarial liabilities of the System by the end of
20 State fiscal year 2045. In making these determinations, the
21 required State contribution shall be calculated each year as a
22 level percentage of payroll over the years remaining to and
23 including fiscal year 2045 and shall be determined under the
24 projected unit credit actuarial cost method.

25 For State fiscal years 1996 through 2005, the State

1 contribution to the System, as a percentage of the applicable
2 employee payroll, shall be increased in equal annual increments
3 so that by State fiscal year 2011, the State is contributing at
4 the rate required under this Section.

5 Notwithstanding any other provision of this Article, the
6 total required State contribution for State fiscal year 2006 is
7 \$166,641,900.

8 Notwithstanding any other provision of this Article, the
9 total required State contribution for State fiscal year 2007 is
10 \$252,064,100.

11 For each of State fiscal years 2008 through 2009, the State
12 contribution to the System, as a percentage of the applicable
13 employee payroll, shall be increased in equal annual increments
14 from the required State contribution for State fiscal year
15 2007, so that by State fiscal year 2011, the State is
16 contributing at the rate otherwise required under this Section.

17 Notwithstanding any other provision of this Article, the
18 total required State contribution for State fiscal year 2010 is
19 \$702,514,000 and shall be made from the State Pensions Fund and
20 proceeds of bonds sold in fiscal year 2010 pursuant to Section
21 7.2 of the General Obligation Bond Act, less (i) the pro rata
22 share of bond sale expenses determined by the System's share of
23 total bond proceeds, (ii) any amounts received from the General
24 Revenue Fund in fiscal year 2010, (iii) any reduction in bond
25 proceeds due to the issuance of discounted bonds, if
26 applicable.

1 Notwithstanding any other provision of this Article, the
2 total required State contribution for State fiscal year 2011 is
3 the amount recertified by the System on or before April 1, 2011
4 pursuant to Section 15-165 and shall be made from the State
5 Pensions Fund and proceeds of bonds sold in fiscal year 2011
6 pursuant to Section 7.2 of the General Obligation Bond Act,
7 less (i) the pro rata share of bond sale expenses determined by
8 the System's share of total bond proceeds, (ii) any amounts
9 received from the General Revenue Fund in fiscal year 2011, and
10 (iii) any reduction in bond proceeds due to the issuance of
11 discounted bonds, if applicable.

12 Beginning in State fiscal year 2046, the minimum State
13 contribution for each fiscal year shall be the amount needed to
14 maintain the total assets of the System at 90% of the total
15 actuarial liabilities of the System.

16 Amounts received by the System pursuant to Section 25 of
17 the Budget Stabilization Act or Section 8.12 of the State
18 Finance Act in any fiscal year do not reduce and do not
19 constitute payment of any portion of the minimum State
20 contribution required under this Article in that fiscal year.
21 Such amounts shall not reduce, and shall not be included in the
22 calculation of, the required State contributions under this
23 Article in any future year until the System has reached a
24 funding ratio of at least 90%. A reference in this Article to
25 the "required State contribution" or any substantially similar
26 term does not include or apply to any amounts payable to the

1 System under Section 25 of the Budget Stabilization Act.

2 Notwithstanding any other provision of this Section, the
3 required State contribution for State fiscal year 2005 and for
4 fiscal year 2008 and each fiscal year thereafter, as calculated
5 under this Section and certified under Section 15-165, shall
6 not exceed an amount equal to (i) the amount of the required
7 State contribution that would have been calculated under this
8 Section for that fiscal year if the System had not received any
9 payments under subsection (d) of Section 7.2 of the General
10 Obligation Bond Act, minus (ii) the portion of the State's
11 total debt service payments for that fiscal year on the bonds
12 issued in fiscal year 2003 for the purposes of that Section
13 7.2, as determined and certified by the Comptroller, that is
14 the same as the System's portion of the total moneys
15 distributed under subsection (d) of Section 7.2 of the General
16 Obligation Bond Act. In determining this maximum for State
17 fiscal years 2008 through 2010, however, the amount referred to
18 in item (i) shall be increased, as a percentage of the
19 applicable employee payroll, in equal increments calculated
20 from the sum of the required State contribution for State
21 fiscal year 2007 plus the applicable portion of the State's
22 total debt service payments for fiscal year 2007 on the bonds
23 issued in fiscal year 2003 for the purposes of Section 7.2 of
24 the General Obligation Bond Act, so that, by State fiscal year
25 2011, the State is contributing at the rate otherwise required
26 under this Section.

1 (b) If an employee is paid from trust or federal funds, the
2 employer shall pay to the Board contributions from those funds
3 which are sufficient to cover the accruing normal costs on
4 behalf of the employee. However, universities having employees
5 who are compensated out of local auxiliary funds, income funds,
6 or service enterprise funds are not required to pay such
7 contributions on behalf of those employees. The local auxiliary
8 funds, income funds, and service enterprise funds of
9 universities shall not be considered trust funds for the
10 purpose of this Article, but funds of alumni associations,
11 foundations, and athletic associations which are affiliated
12 with the universities included as employers under this Article
13 and other employers which do not receive State appropriations
14 are considered to be trust funds for the purpose of this
15 Article.

16 (b-1) The City of Urbana and the City of Champaign shall
17 each make employer contributions to this System for their
18 respective firefighter employees who participate in this
19 System pursuant to subsection (h) of Section 15-107. The rate
20 of contributions to be made by those municipalities shall be
21 determined annually by the Board on the basis of the actuarial
22 assumptions adopted by the Board and the recommendations of the
23 actuary, and shall be expressed as a percentage of salary for
24 each such employee. The Board shall certify the rate to the
25 affected municipalities as soon as may be practical. The
26 employer contributions required under this subsection shall be

1 remitted by the municipality to the System at the same time and
2 in the same manner as employee contributions.

3 (c) Through State fiscal year 1995: The total employer
4 contribution shall be apportioned among the various funds of
5 the State and other employers, whether trust, federal, or other
6 funds, in accordance with actuarial procedures approved by the
7 Board. State of Illinois contributions for employers receiving
8 State appropriations for personal services shall be payable
9 from appropriations made to the employers or to the System. The
10 contributions for Class I community colleges covering earnings
11 other than those paid from trust and federal funds, shall be
12 payable solely from appropriations to the Illinois Community
13 College Board or the System for employer contributions.

14 (d) Beginning in State fiscal year 1996, the required State
15 contributions to the System shall be appropriated directly to
16 the System and shall be payable through vouchers issued in
17 accordance with subsection (c) of Section 15-165, except as
18 provided in subsection (g).

19 (e) The State Comptroller shall draw warrants payable to
20 the System upon proper certification by the System or by the
21 employer in accordance with the appropriation laws and this
22 Code.

23 (f) Normal costs under this Section means liability for
24 pensions and other benefits which accrues to the System because
25 of the credits earned for service rendered by the participants
26 during the fiscal year and expenses of administering the

1 System, but shall not include the principal of or any
2 redemption premium or interest on any bonds issued by the Board
3 or any expenses incurred or deposits required in connection
4 therewith.

5 (g) If the amount of a participant's earnings for any
6 academic year used to determine the final rate of earnings,
7 determined on a full-time equivalent basis, exceeds the amount
8 of his or her earnings with the same employer for the previous
9 academic year, determined on a full-time equivalent basis, by
10 more than 6%, the participant's employer shall pay to the
11 System, in addition to all other payments required under this
12 Section and in accordance with guidelines established by the
13 System, the present value of the increase in benefits resulting
14 from the portion of the increase in earnings that is in excess
15 of 6%. This present value shall be computed by the System on
16 the basis of the actuarial assumptions and tables used in the
17 most recent actuarial valuation of the System that is available
18 at the time of the computation. The System may require the
19 employer to provide any pertinent information or
20 documentation.

21 Whenever it determines that a payment is or may be required
22 under this subsection (g), the System shall calculate the
23 amount of the payment and bill the employer for that amount.
24 The bill shall specify the calculations used to determine the
25 amount due. If the employer disputes the amount of the bill, it
26 may, within 30 days after receipt of the bill, apply to the

1 System in writing for a recalculation. The application must
2 specify in detail the grounds of the dispute and, if the
3 employer asserts that the calculation is subject to subsection
4 (h) or (i) of this Section, must include an affidavit setting
5 forth and attesting to all facts within the employer's
6 knowledge that are pertinent to the applicability of subsection
7 (h) or (i). Upon receiving a timely application for
8 recalculation, the System shall review the application and, if
9 appropriate, recalculate the amount due.

10 The employer contributions required under this subsection
11 (f) may be paid in the form of a lump sum within 90 days after
12 receipt of the bill. If the employer contributions are not paid
13 within 90 days after receipt of the bill, then interest will be
14 charged at a rate equal to the System's annual actuarially
15 assumed rate of return on investment compounded annually from
16 the 91st day after receipt of the bill. Payments must be
17 concluded within 3 years after the employer's receipt of the
18 bill.

19 (h) This subsection (h) applies only to payments made or
20 salary increases given on or after June 1, 2005 but before July
21 1, 2011. The changes made by Public Act 94-1057 shall not
22 require the System to refund any payments received before July
23 31, 2006 (the effective date of Public Act 94-1057).

24 When assessing payment for any amount due under subsection
25 (g), the System shall exclude earnings increases paid to
26 participants under contracts or collective bargaining

1 agreements entered into, amended, or renewed before June 1,
2 2005.

3 When assessing payment for any amount due under subsection
4 (g), the System shall exclude earnings increases paid to a
5 participant at a time when the participant is 10 or more years
6 from retirement eligibility under Section 15-135.

7 When assessing payment for any amount due under subsection
8 (g), the System shall exclude earnings increases resulting from
9 overload work, including a contract for summer teaching, or
10 overtime when the employer has certified to the System, and the
11 System has approved the certification, that: (i) in the case of
12 overloads (A) the overload work is for the sole purpose of
13 academic instruction in excess of the standard number of
14 instruction hours for a full-time employee occurring during the
15 academic year that the overload is paid and (B) the earnings
16 increases are equal to or less than the rate of pay for
17 academic instruction computed using the participant's current
18 salary rate and work schedule; and (ii) in the case of
19 overtime, the overtime was necessary for the educational
20 mission.

21 When assessing payment for any amount due under subsection
22 (g), the System shall exclude any earnings increase resulting
23 from (i) a promotion for which the employee moves from one
24 classification to a higher classification under the State
25 Universities Civil Service System, (ii) a promotion in academic
26 rank for a tenured or tenure-track faculty position, or (iii) a

1 promotion that the Illinois Community College Board has
2 recommended in accordance with subsection (k) of this Section.
3 These earnings increases shall be excluded only if the
4 promotion is to a position that has existed and been filled by
5 a member for no less than one complete academic year and the
6 earnings increase as a result of the promotion is an increase
7 that results in an amount no greater than the average salary
8 paid for other similar positions.

9 (i) When assessing payment for any amount due under
10 subsection (g), the System shall exclude any salary increase
11 described in subsection (h) of this Section given on or after
12 July 1, 2011 but before July 1, 2014 under a contract or
13 collective bargaining agreement entered into, amended, or
14 renewed on or after June 1, 2005 but before July 1, 2011.
15 Notwithstanding any other provision of this Section, any
16 payments made or salary increases given after June 30, 2014
17 shall be used in assessing payment for any amount due under
18 subsection (g) of this Section.

19 (j) The System shall prepare a report and file copies of
20 the report with the Governor and the General Assembly by
21 January 1, 2007 that contains all of the following information:

22 (1) The number of recalculations required by the
23 changes made to this Section by Public Act 94-1057 for each
24 employer.

25 (2) The dollar amount by which each employer's
26 contribution to the System was changed due to

1 recalculations required by Public Act 94-1057.

2 (3) The total amount the System received from each
3 employer as a result of the changes made to this Section by
4 Public Act 94-4.

5 (4) The increase in the required State contribution
6 resulting from the changes made to this Section by Public
7 Act 94-1057.

8 (k) The Illinois Community College Board shall adopt rules
9 for recommending lists of promotional positions submitted to
10 the Board by community colleges and for reviewing the
11 promotional lists on an annual basis. When recommending
12 promotional lists, the Board shall consider the similarity of
13 the positions submitted to those positions recognized for State
14 universities by the State Universities Civil Service System.
15 The Illinois Community College Board shall file a copy of its
16 findings with the System. The System shall consider the
17 findings of the Illinois Community College Board when making
18 determinations under this Section. The System shall not exclude
19 any earnings increases resulting from a promotion when the
20 promotion was not submitted by a community college. Nothing in
21 this subsection (k) shall require any community college to
22 submit any information to the Community College Board.

23 (l) For purposes of determining the required State
24 contribution to the System, the value of the System's assets
25 shall be equal to the actuarial value of the System's assets,
26 which shall be calculated as follows:

1 As of June 30, 2008, the actuarial value of the System's
2 assets shall be equal to the market value of the assets as of
3 that date. In determining the actuarial value of the System's
4 assets for fiscal years after June 30, 2008, any actuarial
5 gains or losses from investment return incurred in a fiscal
6 year shall be recognized in equal annual amounts over the
7 5-year period following that fiscal year.

8 (m) For purposes of determining the required State
9 contribution to the system for a particular year, the actuarial
10 value of assets shall be assumed to earn a rate of return equal
11 to the system's actuarially assumed rate of return.

16 Sec. 16-158. Contributions by State and other employing
17 units.

18 (a) The State shall make contributions to the System by
19 means of appropriations from the Common School Fund and other
20 State funds of amounts which, together with other employer
21 contributions, employee contributions, investment income, and
22 other income, will be sufficient to meet the cost of
23 maintaining and administering the System on a 90% funded basis
24 in accordance with actuarial recommendations.

25 The Board shall determine the amount of State contributions

1 required for each fiscal year on the basis of the actuarial
2 tables and other assumptions adopted by the Board and the
3 recommendations of the actuary, using the formula in subsection
4 (b-3).

5 (a-1) Annually, on or before November 15, the Board shall
6 certify to the Governor the amount of the required State
7 contribution for the coming fiscal year. The certification
8 shall include a copy of the actuarial recommendations upon
9 which it is based.

10 On or before May 1, 2004, the Board shall recalculate and
11 recertify to the Governor the amount of the required State
12 contribution to the System for State fiscal year 2005, taking
13 into account the amounts appropriated to and received by the
14 System under subsection (d) of Section 7.2 of the General
15 Obligation Bond Act.

16 On or before July 1, 2005 ~~April 1, 2011~~, the Board shall
17 recalculate and recertify to the Governor the amount of the
18 required State contribution to the System for State fiscal year
19 2006, taking into account the changes in required State
20 contributions made by this amendatory Act of the 94th General
21 Assembly.

22 On or before April 1, 2011 ~~June 15, 2010~~, the Board shall
23 recalculate and recertify to the Governor the amount of the
24 required State contribution to the System for State fiscal year
25 2011, applying the changes made by Public Act 96-889 to the
26 System's assets and liabilities as of June 30, 2009 as though

1 Public Act 96-889 was approved on that date.

2 (b) Through State fiscal year 1995, the State contributions
3 shall be paid to the System in accordance with Section 18-7 of
4 the School Code.

5 (b-1) Beginning in State fiscal year 1996, on the 15th day
6 of each month, or as soon thereafter as may be practicable, the
7 Board shall submit vouchers for payment of State contributions
8 to the System, in a total monthly amount of one-twelfth of the
9 required annual State contribution certified under subsection
10 (a-1). From the effective date of this amendatory Act of the
11 93rd General Assembly through June 30, 2004, the Board shall
12 not submit vouchers for the remainder of fiscal year 2004 in
13 excess of the fiscal year 2004 certified contribution amount
14 determined under this Section after taking into consideration
15 the transfer to the System under subsection (a) of Section
16 6z-61 of the State Finance Act. These vouchers shall be paid by
17 the State Comptroller and Treasurer by warrants drawn on the
18 funds appropriated to the System for that fiscal year.

19 If in any month the amount remaining unexpended from all
20 other appropriations to the System for the applicable fiscal
21 year (including the appropriations to the System under Section
22 8.12 of the State Finance Act and Section 1 of the State
23 Pension Funds Continuing Appropriation Act) is less than the
24 amount lawfully vouchered under this subsection, the
25 difference shall be paid from the Common School Fund under the
26 continuing appropriation authority provided in Section 1.1 of

1 the State Pension Funds Continuing Appropriation Act.

2 (b-2) Allocations from the Common School Fund apportioned
3 to school districts not coming under this System shall not be
4 diminished or affected by the provisions of this Article.

5 (b-3) For State fiscal years 2012 through 2045, the minimum
6 contribution to the System to be made by the State for each
7 fiscal year shall be an amount determined by the System to be
8 sufficient to bring the total assets of the System up to 90% of
9 the total actuarial liabilities of the System by the end of
10 State fiscal year 2045. In making these determinations, the
11 required State contribution shall be calculated each year as a
12 level percentage of payroll over the years remaining to and
13 including fiscal year 2045 and shall be determined under the
14 projected unit credit actuarial cost method.

15 For State fiscal years 1996 through 2005, the State
16 contribution to the System, as a percentage of the applicable
17 employee payroll, shall be increased in equal annual increments
18 so that by State fiscal year 2011, the State is contributing at
19 the rate required under this Section; except that in the
20 following specified State fiscal years, the State contribution
21 to the System shall not be less than the following indicated
22 percentages of the applicable employee payroll, even if the
23 indicated percentage will produce a State contribution in
24 excess of the amount otherwise required under this subsection
25 and subsection (a), and notwithstanding any contrary
26 certification made under subsection (a-1) before the effective

1 date of this amendatory Act of 1998: 10.02% in FY 1999; 10.77%
2 in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY
3 2003; and 13.56% in FY 2004.

4 Notwithstanding any other provision of this Article, the
5 total required State contribution for State fiscal year 2006 is
6 \$534,627,700.

7 Notwithstanding any other provision of this Article, the
8 total required State contribution for State fiscal year 2007 is
9 \$738,014,500.

10 For each of State fiscal years 2008 through 2009, the State
11 contribution to the System, as a percentage of the applicable
12 employee payroll, shall be increased in equal annual increments
13 from the required State contribution for State fiscal year
14 2007, so that by State fiscal year 2011, the State is
15 contributing at the rate otherwise required under this Section.

16 Notwithstanding any other provision of this Article, the
17 total required State contribution for State fiscal year 2010 is
18 \$2,089,268,000 and shall be made from the proceeds of bonds
19 sold in fiscal year 2010 pursuant to Section 7.2 of the General
20 Obligation Bond Act, less (i) the pro rata share of bond sale
21 expenses determined by the System's share of total bond
22 proceeds, (ii) any amounts received from the Common School Fund
23 in fiscal year 2010, and (iii) any reduction in bond proceeds
24 due to the issuance of discounted bonds, if applicable.

25 Notwithstanding any other provision of this Article, the
26 total required State contribution for State fiscal year 2011 is

1 the amount recertified by the System on or before April 1, 2011
2 pursuant to subsection (a-1) of this Section and shall be made
3 from the proceeds of bonds sold in fiscal year 2011 pursuant to
4 Section 7.2 of the General Obligation Bond Act, less (i) the
5 pro rata share of bond sale expenses determined by the System's
6 share of total bond proceeds, (ii) any amounts received from
7 the Common School Fund in fiscal year 2011, and (iii) any
8 reduction in bond proceeds due to the issuance of discounted
9 bonds, if applicable. This amount shall include, in addition to
10 the amount certified by the System, an amount necessary to meet
11 employer contributions required by the State as an employer
12 under paragraph (e) of this Section, which may also be used by
13 the System for contributions required by paragraph (a) of
14 Section 16-127.

15 Beginning in State fiscal year 2046, the minimum State
16 contribution for each fiscal year shall be the amount needed to
17 maintain the total assets of the System at 90% of the total
18 actuarial liabilities of the System.

19 Amounts received by the System pursuant to Section 25 of
20 the Budget Stabilization Act or Section 8.12 of the State
21 Finance Act in any fiscal year do not reduce and do not
22 constitute payment of any portion of the minimum State
23 contribution required under this Article in that fiscal year.
24 Such amounts shall not reduce, and shall not be included in the
25 calculation of, the required State contributions under this
26 Article in any future year until the System has reached a

1 funding ratio of at least 90%. A reference in this Article to
2 the "required State contribution" or any substantially similar
3 term does not include or apply to any amounts payable to the
4 System under Section 25 of the Budget Stabilization Act.

5 Notwithstanding any other provision of this Section, the
6 required State contribution for State fiscal year 2005 and for
7 fiscal year 2008 and each fiscal year thereafter, as calculated
8 under this Section and certified under subsection (a-1), shall
9 not exceed an amount equal to (i) the amount of the required
10 State contribution that would have been calculated under this
11 Section for that fiscal year if the System had not received any
12 payments under subsection (d) of Section 7.2 of the General
13 Obligation Bond Act, minus (ii) the portion of the State's
14 total debt service payments for that fiscal year on the bonds
15 issued in fiscal year 2003 for the purposes of that Section
16 7.2, as determined and certified by the Comptroller, that is
17 the same as the System's portion of the total moneys
18 distributed under subsection (d) of Section 7.2 of the General
19 Obligation Bond Act. In determining this maximum for State
20 fiscal years 2008 through 2010, however, the amount referred to
21 in item (i) shall be increased, as a percentage of the
22 applicable employee payroll, in equal increments calculated
23 from the sum of the required State contribution for State
24 fiscal year 2007 plus the applicable portion of the State's
25 total debt service payments for fiscal year 2007 on the bonds
26 issued in fiscal year 2003 for the purposes of Section 7.2 of

1 the General Obligation Bond Act, so that, by State fiscal year
2 2011, the State is contributing at the rate otherwise required
3 under this Section.

4 (c) Payment of the required State contributions and of all
5 pensions, retirement annuities, death benefits, refunds, and
6 other benefits granted under or assumed by this System, and all
7 expenses in connection with the administration and operation
8 thereof, are obligations of the State.

9 If members are paid from special trust or federal funds
10 which are administered by the employing unit, whether school
11 district or other unit, the employing unit shall pay to the
12 System from such funds the full accruing retirement costs based
13 upon that service, as determined by the System. Employer
14 contributions, based on salary paid to members from federal
15 funds, may be forwarded by the distributing agency of the State
16 of Illinois to the System prior to allocation, in an amount
17 determined in accordance with guidelines established by such
18 agency and the System.

19 (d) Effective July 1, 1986, any employer of a teacher as
20 defined in paragraph (8) of Section 16-106 shall pay the
21 employer's normal cost of benefits based upon the teacher's
22 service, in addition to employee contributions, as determined
23 by the System. Such employer contributions shall be forwarded
24 monthly in accordance with guidelines established by the
25 System.

26 However, with respect to benefits granted under Section

1 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8)
2 of Section 16-106, the employer's contribution shall be 12%
3 (rather than 20%) of the member's highest annual salary rate
4 for each year of creditable service granted, and the employer
5 shall also pay the required employee contribution on behalf of
6 the teacher. For the purposes of Sections 16-133.4 and
7 16-133.5, a teacher as defined in paragraph (8) of Section
8 16-106 who is serving in that capacity while on leave of
9 absence from another employer under this Article shall not be
10 considered an employee of the employer from which the teacher
11 is on leave.

12 (e) Beginning July 1, 1998, every employer of a teacher
13 shall pay to the System an employer contribution computed as
14 follows:

15 (1) Beginning July 1, 1998 through June 30, 1999, the
16 employer contribution shall be equal to 0.3% of each
17 teacher's salary.

18 (2) Beginning July 1, 1999 and thereafter, the employer
19 contribution shall be equal to 0.58% of each teacher's
20 salary.

21 The school district or other employing unit may pay these
22 employer contributions out of any source of funding available
23 for that purpose and shall forward the contributions to the
24 System on the schedule established for the payment of member
25 contributions.

26 These employer contributions are intended to offset a

1 portion of the cost to the System of the increases in
2 retirement benefits resulting from this amendatory Act of 1998.

3 Each employer of teachers is entitled to a credit against
4 the contributions required under this subsection (e) with
5 respect to salaries paid to teachers for the period January 1,
6 2002 through June 30, 2003, equal to the amount paid by that
7 employer under subsection (a-5) of Section 6.6 of the State
8 Employees Group Insurance Act of 1971 with respect to salaries
9 paid to teachers for that period.

10 The additional 1% employee contribution required under
11 Section 16-152 by this amendatory Act of 1998 is the
12 responsibility of the teacher and not the teacher's employer,
13 unless the employer agrees, through collective bargaining or
14 otherwise, to make the contribution on behalf of the teacher.

15 If an employer is required by a contract in effect on May
16 1, 1998 between the employer and an employee organization to
17 pay, on behalf of all its full-time employees covered by this
18 Article, all mandatory employee contributions required under
19 this Article, then the employer shall be excused from paying
20 the employer contribution required under this subsection (e)
21 for the balance of the term of that contract. The employer and
22 the employee organization shall jointly certify to the System
23 the existence of the contractual requirement, in such form as
24 the System may prescribe. This exclusion shall cease upon the
25 termination, extension, or renewal of the contract at any time
26 after May 1, 1998.

1 (f) If the amount of a teacher's salary for any school year
2 used to determine final average salary exceeds the member's
3 annual full-time salary rate with the same employer for the
4 previous school year by more than 6%, the teacher's employer
5 shall pay to the System, in addition to all other payments
6 required under this Section and in accordance with guidelines
7 established by the System, the present value of the increase in
8 benefits resulting from the portion of the increase in salary
9 that is in excess of 6%. This present value shall be computed
10 by the System on the basis of the actuarial assumptions and
11 tables used in the most recent actuarial valuation of the
12 System that is available at the time of the computation. If a
13 teacher's salary for the 2005-2006 school year is used to
14 determine final average salary under this subsection (f), then
15 the changes made to this subsection (f) by Public Act 94-1057
16 shall apply in calculating whether the increase in his or her
17 salary is in excess of 6%. For the purposes of this Section,
18 change in employment under Section 10-21.12 of the School Code
19 on or after June 1, 2005 shall constitute a change in employer.
20 The System may require the employer to provide any pertinent
21 information or documentation. The changes made to this
22 subsection (f) by this amendatory Act of the 94th General
23 Assembly apply without regard to whether the teacher was in
24 service on or after its effective date.

25 Whenever it determines that a payment is or may be required
26 under this subsection, the System shall calculate the amount of

1 the payment and bill the employer for that amount. The bill
2 shall specify the calculations used to determine the amount
3 due. If the employer disputes the amount of the bill, it may,
4 within 30 days after receipt of the bill, apply to the System
5 in writing for a recalculation. The application must specify in
6 detail the grounds of the dispute and, if the employer asserts
7 that the calculation is subject to subsection (g) or (h) of
8 this Section, must include an affidavit setting forth and
9 attesting to all facts within the employer's knowledge that are
10 pertinent to the applicability of that subsection. Upon
11 receiving a timely application for recalculation, the System
12 shall review the application and, if appropriate, recalculate
13 the amount due.

14 The employer contributions required under this subsection
15 (f) may be paid in the form of a lump sum within 90 days after
16 receipt of the bill. If the employer contributions are not paid
17 within 90 days after receipt of the bill, then interest will be
18 charged at a rate equal to the System's annual actuarially
19 assumed rate of return on investment compounded annually from
20 the 91st day after receipt of the bill. Payments must be
21 concluded within 3 years after the employer's receipt of the
22 bill.

23 (g) This subsection (g) applies only to payments made or
24 salary increases given on or after June 1, 2005 but before July
25 1, 2011. The changes made by Public Act 94-1057 shall not
26 require the System to refund any payments received before July

1 31, 2006 (the effective date of Public Act 94-1057).

2 When assessing payment for any amount due under subsection
3 (f), the System shall exclude salary increases paid to teachers
4 under contracts or collective bargaining agreements entered
5 into, amended, or renewed before June 1, 2005.

6 When assessing payment for any amount due under subsection
7 (f), the System shall exclude salary increases paid to a
8 teacher at a time when the teacher is 10 or more years from
9 retirement eligibility under Section 16-132 or 16-133.2.

10 When assessing payment for any amount due under subsection
11 (f), the System shall exclude salary increases resulting from
12 overload work, including summer school, when the school
13 district has certified to the System, and the System has
14 approved the certification, that (i) the overload work is for
15 the sole purpose of classroom instruction in excess of the
16 standard number of classes for a full-time teacher in a school
17 district during a school year and (ii) the salary increases are
18 equal to or less than the rate of pay for classroom instruction
19 computed on the teacher's current salary and work schedule.

20 When assessing payment for any amount due under subsection
21 (f), the System shall exclude a salary increase resulting from
22 a promotion (i) for which the employee is required to hold a
23 certificate or supervisory endorsement issued by the State
24 Teacher Certification Board that is a different certification
25 or supervisory endorsement than is required for the teacher's
26 previous position and (ii) to a position that has existed and

1 been filled by a member for no less than one complete academic
2 year and the salary increase from the promotion is an increase
3 that results in an amount no greater than the lesser of the
4 average salary paid for other similar positions in the district
5 requiring the same certification or the amount stipulated in
6 the collective bargaining agreement for a similar position
7 requiring the same certification.

8 When assessing payment for any amount due under subsection
9 (f), the System shall exclude any payment to the teacher from
10 the State of Illinois or the State Board of Education over
11 which the employer does not have discretion, notwithstanding
12 that the payment is included in the computation of final
13 average salary.

14 (h) When assessing payment for any amount due under
15 subsection (f), the System shall exclude any salary increase
16 described in subsection (g) of this Section given on or after
17 July 1, 2011 but before July 1, 2014 under a contract or
18 collective bargaining agreement entered into, amended, or
19 renewed on or after June 1, 2005 but before July 1, 2011.
20 Notwithstanding any other provision of this Section, any
21 payments made or salary increases given after June 30, 2014
22 shall be used in assessing payment for any amount due under
23 subsection (f) of this Section.

24 (i) The System shall prepare a report and file copies of
25 the report with the Governor and the General Assembly by
26 January 1, 2007 that contains all of the following information:

1 (1) The number of recalculations required by the
2 changes made to this Section by Public Act 94-1057 for each
3 employer.

4 (2) The dollar amount by which each employer's
5 contribution to the System was changed due to
6 recalculations required by Public Act 94-1057.

7 (3) The total amount the System received from each
8 employer as a result of the changes made to this Section by
9 Public Act 94-4.

10 (4) The increase in the required State contribution
11 resulting from the changes made to this Section by Public
12 Act 94-1057.

13 (j) For purposes of determining the required State
14 contribution to the System, the value of the System's assets
15 shall be equal to the actuarial value of the System's assets,
16 which shall be calculated as follows:

17 As of June 30, 2008, the actuarial value of the System's
18 assets shall be equal to the market value of the assets as of
19 that date. In determining the actuarial value of the System's
20 assets for fiscal years after June 30, 2008, any actuarial
21 gains or losses from investment return incurred in a fiscal
22 year shall be recognized in equal annual amounts over the
23 5-year period following that fiscal year.

24 (k) For purposes of determining the required State
25 contribution to the system for a particular year, the actuarial
26 value of assets shall be assumed to earn a rate of return equal

1 to the system's actuarially assumed rate of return.

6 Sec. 18-131. Financing; employer contributions.

7 (a) The State of Illinois shall make contributions to this
8 System by appropriations of the amounts which, together with
9 the contributions of participants, net earnings on
10 investments, and other income, will meet the costs of
11 maintaining and administering this System on a 90% funded basis
12 in accordance with actuarial recommendations.

13 (b) The Board shall determine the amount of State
14 contributions required for each fiscal year on the basis of the
15 actuarial tables and other assumptions adopted by the Board and
16 the prescribed rate of interest, using the formula in
17 subsection (c).

18 (c) For State fiscal years 2012 through 2045, the minimum
19 contribution to the System to be made by the State for each
20 fiscal year shall be an amount determined by the System to be
21 sufficient to bring the total assets of the System up to 90% of
22 the total actuarial liabilities of the System by the end of
23 State fiscal year 2045. In making these determinations, the
24 required State contribution shall be calculated each year as a
25 level percentage of payroll over the years remaining to and

1 including fiscal year 2045 and shall be determined under the
2 projected unit credit actuarial cost method.

3 For State fiscal years 1996 through 2005, the State
4 contribution to the System, as a percentage of the applicable
5 employee payroll, shall be increased in equal annual increments
6 so that by State fiscal year 2011, the State is contributing at
7 the rate required under this Section.

8 Notwithstanding any other provision of this Article, the
9 total required State contribution for State fiscal year 2006 is
10 \$29,189,400.

11 Notwithstanding any other provision of this Article, the
12 total required State contribution for State fiscal year 2007 is
13 \$35,236,800.

14 For each of State fiscal years 2008 through 2009, the State
15 contribution to the System, as a percentage of the applicable
16 employee payroll, shall be increased in equal annual increments
17 from the required State contribution for State fiscal year
18 2007, so that by State fiscal year 2011, the State is
19 contributing at the rate otherwise required under this Section.

20 Notwithstanding any other provision of this Article, the
21 total required State contribution for State fiscal year 2010 is
22 \$78,832,000 and shall be made from the proceeds of bonds sold
23 in fiscal year 2010 pursuant to Section 7.2 of the General
24 Obligation Bond Act, less (i) the pro rata share of bond sale
25 expenses determined by the System's share of total bond
26 proceeds, (ii) any amounts received from the General Revenue

1 Fund in fiscal year 2010, and (iii) any reduction in bond
2 proceeds due to the issuance of discounted bonds, if
3 applicable.

4 Notwithstanding any other provision of this Article, the
5 total required State contribution for State fiscal year 2011 is
6 the amount recertified by the System on or before April 1, 2011
7 pursuant to Section 18-140 and shall be made from the proceeds
8 of bonds sold in fiscal year 2011 pursuant to Section 7.2 of
9 the General Obligation Bond Act, less (i) the pro rata share of
10 bond sale expenses determined by the System's share of total
11 bond proceeds, (ii) any amounts received from the General
12 Revenue Fund in fiscal year 2011, and (iii) any reduction in
13 bond proceeds due to the issuance of discounted bonds, if
14 applicable.

15 Beginning in State fiscal year 2046, the minimum State
16 contribution for each fiscal year shall be the amount needed to
17 maintain the total assets of the System at 90% of the total
18 actuarial liabilities of the System.

19 Amounts received by the System pursuant to Section 25 of
20 the Budget Stabilization Act or Section 8.12 of the State
21 Finance Act in any fiscal year do not reduce and do not
22 constitute payment of any portion of the minimum State
23 contribution required under this Article in that fiscal year.
24 Such amounts shall not reduce, and shall not be included in the
25 calculation of, the required State contributions under this
26 Article in any future year until the System has reached a

1 funding ratio of at least 90%. A reference in this Article to
2 the "required State contribution" or any substantially similar
3 term does not include or apply to any amounts payable to the
4 System under Section 25 of the Budget Stabilization Act.

5 Notwithstanding any other provision of this Section, the
6 required State contribution for State fiscal year 2005 and for
7 fiscal year 2008 and each fiscal year thereafter, as calculated
8 under this Section and certified under Section 18-140, shall
9 not exceed an amount equal to (i) the amount of the required
10 State contribution that would have been calculated under this
11 Section for that fiscal year if the System had not received any
12 payments under subsection (d) of Section 7.2 of the General
13 Obligation Bond Act, minus (ii) the portion of the State's
14 total debt service payments for that fiscal year on the bonds
15 issued in fiscal year 2003 for the purposes of that Section
16 7.2, as determined and certified by the Comptroller, that is
17 the same as the System's portion of the total moneys
18 distributed under subsection (d) of Section 7.2 of the General
19 Obligation Bond Act. In determining this maximum for State
20 fiscal years 2008 through 2010, however, the amount referred to
21 in item (i) shall be increased, as a percentage of the
22 applicable employee payroll, in equal increments calculated
23 from the sum of the required State contribution for State
24 fiscal year 2007 plus the applicable portion of the State's
25 total debt service payments for fiscal year 2007 on the bonds
26 issued in fiscal year 2003 for the purposes of Section 7.2 of

1 the General Obligation Bond Act, so that, by State fiscal year
2 2011, the State is contributing at the rate otherwise required
3 under this Section.

4 (d) For purposes of determining the required State
5 contribution to the System, the value of the System's assets
6 shall be equal to the actuarial value of the System's assets,
7 which shall be calculated as follows:

8 As of June 30, 2008, the actuarial value of the System's
9 assets shall be equal to the market value of the assets as of
10 that date. In determining the actuarial value of the System's
11 assets for fiscal years after June 30, 2008, any actuarial
12 gains or losses from investment return incurred in a fiscal
13 year shall be recognized in equal annual amounts over the
14 5-year period following that fiscal year.

15 (e) For purposes of determining the required State
16 contribution to the system for a particular year, the actuarial
17 value of assets shall be assumed to earn a rate of return equal
18 to the system's actuarially assumed rate of return.

22 (40 ILCS 5/22-101) (from Ch. 108 1/2, par. 22-101)

23 Sec. 22-101. Retirement Plan for Chicago Transit Authority
24 Employees.

25 (a) There shall be established and maintained by the

1 Authority created by the "Metropolitan Transit Authority Act",
2 approved April 12, 1945, as amended, (referred to in this
3 Section as the "Authority") a financially sound pension and
4 retirement system adequate to provide for all payments when due
5 under such established system or as modified from time to time
6 by ordinance of the Chicago Transit Board or collective
7 bargaining agreement. For this purpose, the Board must make
8 contributions to the established system as required under this
9 Section and may make any additional contributions provided for
10 by Board ordinance or collective bargaining agreement. The
11 participating employees shall make such periodic payments to
12 the established system as required under this Section and may
13 make any additional contributions provided for by Board
14 ordinance or collective bargaining agreement.

15 Provisions shall be made by the Board for all officers,
16 except those who first become members on or after January 1,
17 2012, and employees of the Authority appointed pursuant to the
18 "Metropolitan Transit Authority Act" to become, subject to
19 reasonable rules and regulations, participants of the pension
20 or retirement system with uniform rights, privileges,
21 obligations and status as to the class in which such officers
22 and employees belong. The terms, conditions and provisions of
23 any pension or retirement system or of any amendment or
24 modification thereof affecting employees who are members of any
25 labor organization may be established, amended or modified by
26 agreement with such labor organization, provided the terms,

1 conditions and provisions must be consistent with this Act, the
2 annual funding levels for the retirement system established by
3 law must be met and the benefits paid to future participants in
4 the system may not exceed the benefit ceilings set for future
5 participants under this Act and the contribution levels
6 required by the Authority and its employees may not be less
7 than the contribution levels established under this Act.

8 (b) The Board of Trustees shall consist of 11 members
9 appointed as follows: (i) 5 trustees shall be appointed by the
10 Chicago Transit Board; (ii) 3 trustees shall be appointed by an
11 organization representing the highest number of Chicago
12 Transit Authority participants; (iii) one trustee shall be
13 appointed by an organization representing the second-highest
14 number of Chicago Transit Authority participants; (iv) one
15 trustee shall be appointed by the recognized coalition
16 representatives of participants who are not represented by an
17 organization with the highest or second-highest number of
18 Chicago Transit Authority participants; and (v) one trustee
19 shall be selected by the Regional Transportation Authority
20 Board of Directors, and the trustee shall be a professional
21 fiduciary who has experience in the area of collectively
22 bargained pension plans. Trustees shall serve until a successor
23 has been appointed and qualified, or until resignation, death,
24 incapacity, or disqualification.

25 Any person appointed as a trustee of the board shall
26 qualify by taking an oath of office that he or she will

1 diligently and honestly administer the affairs of the system
2 and will not knowingly violate or willfully permit the
3 violation of any of the provisions of law applicable to the
4 Plan, including Sections 1-109, 1-109.1, 1-109.2, 1-110,
5 1-111, 1-114, and 1-115 of the Illinois Pension Code.

6 Each trustee shall cast individual votes, and a majority
7 vote shall be final and binding upon all interested parties,
8 provided that the Board of Trustees may require a supermajority
9 vote with respect to the investment of the assets of the
10 Retirement Plan, and may set forth that requirement in the
11 Retirement Plan documents, by-laws, or rules of the Board of
12 Trustees. Each trustee shall have the rights, privileges,
13 authority, and obligations as are usual and customary for such
14 fiduciaries.

15 The Board of Trustees may cause amounts on deposit in the
16 Retirement Plan to be invested in those investments that are
17 permitted investments for the investment of moneys held under
18 any one or more of the pension or retirement systems of the
19 State, any unit of local government or school district, or any
20 agency or instrumentality thereof. The Board, by a vote of at
21 least two-thirds of the trustees, may transfer investment
22 management to the Illinois State Board of Investment, which is
23 hereby authorized to manage these investments when so requested
24 by the Board of Trustees.

25 Notwithstanding any other provision of this Article or any
26 law to the contrary, any person who first becomes a member of

1 the Chicago Transit Board on or after January 1, 2012 shall not
2 be eligible to participate in this Retirement Plan.

3 (c) All individuals who were previously participants in the
4 Retirement Plan for Chicago Transit Authority Employees shall
5 remain participants, and shall receive the same benefits
6 established by the Retirement Plan for Chicago Transit
7 Authority Employees, except as provided in this amendatory Act
8 or by subsequent legislative enactment or amendment to the
9 Retirement Plan. For Authority employees hired on or after the
10 effective date of this amendatory Act of the 95th General
11 Assembly, the Retirement Plan for Chicago Transit Authority
12 Employees shall be the exclusive retirement plan and such
13 employees shall not be eligible for any supplemental plan,
14 except for a deferred compensation plan funded only by employee
15 contributions.

16 For all Authority employees who are first hired on or after
17 the effective date of this amendatory Act of the 95th General
18 Assembly and are participants in the Retirement Plan for
19 Chicago Transit Authority Employees, the following terms,
20 conditions and provisions with respect to retirement shall be
21 applicable:

22 (1) Such participant shall be eligible for an unreduced
23 retirement allowance for life upon the attainment of age 64
24 with 25 years of continuous service.

25 (2) Such participant shall be eligible for a reduced
26 retirement allowance for life upon the attainment of age 55

1 with 10 years of continuous service.

2 (3) For the purpose of determining the retirement
3 allowance to be paid to a retiring employee, the term
4 "Continuous Service" as used in the Retirement Plan for
5 Chicago Transit Authority Employees shall also be deemed to
6 include all pension credit for service with any retirement
7 system established under Article 8 or Article 11 of this
8 Code, provided that the employee forfeits and relinquishes
9 all pension credit under Article 8 or Article 11 of this
10 Code, and the contribution required under this subsection
11 is made by the employee. The Retirement Plan's actuary
12 shall determine the contribution paid by the employee as an
13 amount equal to the normal cost of the benefit accrued, had
14 the service been rendered as an employee, plus interest per
15 annum from the time such service was rendered until the
16 date the payment is made.

17 (d) From the effective date of this amendatory Act through
18 December 31, 2008, all participating employees shall
19 contribute to the Retirement Plan in an amount not less than 6%
20 of compensation, and the Authority shall contribute to the
21 Retirement Plan in an amount not less than 12% of compensation.

22 (e) (1) Beginning January 1, 2009 the Authority shall make
23 contributions to the Retirement Plan in an amount equal to
24 twelve percent (12%) of compensation and participating
25 employees shall make contributions to the Retirement Plan in an
26 amount equal to six percent (6%) of compensation. These

1 contributions may be paid by the Authority and participating
2 employees on a payroll or other periodic basis, but shall in
3 any case be paid to the Retirement Plan at least monthly.

4 (2) For the period ending December 31, 2040, the amount
5 paid by the Authority in any year with respect to debt service
6 on bonds issued for the purposes of funding a contribution to
7 the Retirement Plan under Section 12c of the Metropolitan
8 Transit Authority Act, other than debt service paid with the
9 proceeds of bonds or notes issued by the Authority for any year
10 after calendar year 2008, shall be treated as a credit against
11 the amount of required contribution to the Retirement Plan by
12 the Authority under subsection (e)(1) for the following year up
13 to an amount not to exceed 6% of compensation paid by the
14 Authority in that following year.

15 (3) By September 15 of each year beginning in 2009 and
16 ending on December 31, 2039, on the basis of a report prepared
17 by an enrolled actuary retained by the Plan, the Board of
18 Trustees of the Retirement Plan shall determine the estimated
19 funded ratio of the total assets of the Retirement Plan to its
20 total actuarially determined liabilities. A report containing
21 that determination and the actuarial assumptions on which it is
22 based shall be filed with the Authority, the representatives of
23 its participating employees, the Auditor General of the State
24 of Illinois, and the Regional Transportation Authority. If the
25 funded ratio is projected to decline below 60% in any year
26 before 2040, the Board of Trustees shall also determine the

1 increased contribution required each year as a level percentage
2 of payroll over the years remaining until 2040 using the
3 projected unit credit actuarial cost method so the funded ratio
4 does not decline below 60% and include that determination in
5 its report. If the actual funded ratio declines below 60% in
6 any year prior to 2040, the Board of Trustees shall also
7 determine the increased contribution required each year as a
8 level percentage of payroll during the years after the then
9 current year using the projected unit credit actuarial cost
10 method so the funded ratio is projected to reach at least 60%
11 no later than 10 years after the then current year and include
12 that determination in its report. Within 60 days after
13 receiving the report, the Auditor General shall review the
14 determination and the assumptions on which it is based, and if
15 he finds that the determination and the assumptions on which it
16 is based are unreasonable in the aggregate, he shall issue a
17 new determination of the funded ratio, the assumptions on which
18 it is based and the increased contribution required each year
19 as a level percentage of payroll over the years remaining until
20 2040 using the projected unit credit actuarial cost method so
21 the funded ratio does not decline below 60%, or, in the event
22 of an actual decline below 60%, so the funded ratio is
23 projected to reach 60% by no later than 10 years after the then
24 current year. If the Board of Trustees or the Auditor General
25 determine that an increased contribution is required to meet
26 the funded ratio required by the subsection, effective January

1 following the determination or 30 days after such
2 determination, whichever is later, one-third of the increased
3 contribution shall be paid by participating employees and
4 two-thirds by the Authority, in addition to the contributions
5 required by this subsection (1).

6 (4) For the period beginning 2040, the minimum contribution
7 to the Retirement Plan for each fiscal year shall be an amount
8 determined by the Board of Trustees of the Retirement Plan to
9 be sufficient to bring the total assets of the Retirement Plan
10 up to 90% of its total actuarial liabilities by the end of
11 2059. Participating employees shall be responsible for
12 one-third of the required contribution and the Authority shall
13 be responsible for two-thirds of the required contribution. In
14 making these determinations, the Board of Trustees shall
15 calculate the required contribution each year as a level
16 percentage of payroll over the years remaining to and including
17 fiscal year 2059 using the projected unit credit actuarial cost
18 method. A report containing that determination and the
19 actuarial assumptions on which it is based shall be filed by
20 September 15 of each year with the Authority, the
21 representatives of its participating employees, the Auditor
22 General of the State of Illinois and the Regional
23 Transportation Authority. If the funded ratio is projected to
24 fail to reach 90% by December 31, 2059, the Board of Trustees
25 shall also determine the increased contribution required each
26 year as a level percentage of payroll over the years remaining

1 until December 31, 2059 using the projected unit credit
2 actuarial cost method so the funded ratio will meet 90% by
3 December 31, 2059 and include that determination in its report.
4 Within 60 days after receiving the report, the Auditor General
5 shall review the determination and the assumptions on which it
6 is based and if he finds that the determination and the
7 assumptions on which it is based are unreasonable in the
8 aggregate, he shall issue a new determination of the funded
9 ratio, the assumptions on which it is based and the increased
10 contribution required each year as a level percentage of
11 payroll over the years remaining until December 31, 2059 using
12 the projected unit credit actuarial cost method so the funded
13 ratio reaches no less than 90% by December 31, 2059. If the
14 Board of Trustees or the Auditor General determine that an
15 increased contribution is required to meet the funded ratio
16 required by this subsection, effective January 1 following the
17 determination or 30 days after such determination, whichever is
18 later, one-third of the increased contribution shall be paid by
19 participating employees and two-thirds by the Authority, in
20 addition to the contributions required by subsection (e) (1).

21 (5) Beginning in 2060, the minimum contribution for each
22 year shall be the amount needed to maintain the total assets of
23 the Retirement Plan at 90% of the total actuarial liabilities
24 of the Plan, and the contribution shall be funded two-thirds by
25 the Authority and one-third by the participating employees in
26 accordance with this subsection.

1 (f) The Authority shall take the steps necessary to comply
2 with Section 414(h)(2) of the Internal Revenue Code of 1986, as
3 amended, to permit the pick-up of employee contributions under
4 subsections (d) and (e) on a tax-deferred basis.

5 (g) The Board of Trustees shall certify to the Governor,
6 the General Assembly, the Auditor General, the Board of the
7 Regional Transportation Authority, and the Authority at least
8 90 days prior to the end of each fiscal year the amount of the
9 required contributions to the retirement system for the next
10 retirement system fiscal year under this Section. The
11 certification shall include a copy of the actuarial
12 recommendations upon which it is based. In addition, copies of
13 the certification shall be sent to the Commission on Government
14 Forecasting and Accountability and the Mayor of Chicago.

15 (h)(1) As to an employee who first becomes entitled to a
16 retirement allowance commencing on or after November 30, 1989,
17 the retirement allowance shall be the amount determined in
18 accordance with the following formula:

19 (A) One percent (1%) of his "Average Annual
20 Compensation in the highest four (4) completed Plan Years"
21 for each full year of continuous service from the date of
22 original employment to the effective date of the Plan; plus

23 (B) One and seventy-five hundredths percent (1.75%) of
24 his "Average Annual Compensation in the highest four (4)
25 completed Plan Years" for each year (including fractions
26 thereof to completed calendar months) of continuous

1 service as provided for in the Retirement Plan for Chicago
2 Transit Authority Employees.

3 Provided, however that:

4 (2) As to an employee who first becomes entitled to a
5 retirement allowance commencing on or after January 1, 1993,
6 the retirement allowance shall be the amount determined in
7 accordance with the following formula:

8 (A) One percent (1%) of his "Average Annual
9 Compensation in the highest four (4) completed Plan Years"
10 for each full year of continuous service from the date of
11 original employment to the effective date of the Plan; plus

12 (B) One and eighty hundredths percent (1.80%) of his
13 "Average Annual Compensation in the highest four (4)
14 completed Plan Years" for each year (including fractions
15 thereof to completed calendar months) of continuous
16 service as provided for in the Retirement Plan for Chicago
17 Transit Authority Employees.

18 Provided, however that:

19 (3) As to an employee who first becomes entitled to a
20 retirement allowance commencing on or after January 1, 1994,
21 the retirement allowance shall be the amount determined in
22 accordance with the following formula:

23 (A) One percent (1%) of his "Average Annual
24 Compensation in the highest four (4) completed Plan Years"
25 for each full year of continuous service from the date of
26 original employment to the effective date of the Plan; plus

1 (B) One and eighty-five hundredths percent (1.85%) of
2 his "Average Annual Compensation in the highest four (4)
3 completed Plan Years" for each year (including fractions
4 thereof to completed calendar months) of continuous
5 service as provided for in the Retirement Plan for Chicago
6 Transit Authority Employees.

7 Provided, however that:

8 (4) As to an employee who first becomes entitled to a
9 retirement allowance commencing on or after January 1, 2000,
10 the retirement allowance shall be the amount determined in
11 accordance with the following formula:

12 (A) One percent (1%) of his "Average Annual
13 Compensation in the highest four (4) completed Plan Years"
14 for each full year of continuous service from the date of
15 original employment to the effective date of the Plan; plus

16 (B) Two percent (2%) of his "Average Annual
17 Compensation in the highest four (4) completed Plan Years"
18 for each year (including fractions thereof to completed
19 calendar months) of continuous service as provided for in
20 the Retirement Plan for Chicago Transit Authority
21 Employees.

22 Provided, however that:

23 (5) As to an employee who first becomes entitled to a
24 retirement allowance commencing on or after January 1, 2001,
25 the retirement allowance shall be the amount determined in
26 accordance with the following formula:

1 (A) One percent (1%) of his "Average Annual
2 Compensation in the highest four (4) completed Plan Years"
3 for each full year of continuous service from the date of
4 original employment to the effective date of the Plan; plus

5 (B) Two and fifteen hundredths percent (2.15%) of his
6 "Average Annual Compensation in the highest four (4)
7 completed Plan Years" for each year (including fractions
8 thereof to completed calendar months) of continuous
9 service as provided for in the Retirement Plan for Chicago
10 Transit Authority Employees.

11 The changes made by this amendatory Act of the 95th General
12 Assembly, to the extent that they affect the rights or
13 privileges of Authority employees that are currently the
14 subject of collective bargaining, have been agreed to between
15 the authorized representatives of these employees and of the
16 Authority prior to enactment of this amendatory Act, as
17 evidenced by a Memorandum of Understanding between these
18 representatives that will be filed with the Secretary of State
19 Index Department and designated as "95-GA-C05". The General
20 Assembly finds and declares that those changes are consistent
21 with 49 U.S.C. 5333(b) (also known as Section 13(c) of the
22 Federal Transit Act) because of this agreement between
23 authorized representatives of these employees and of the
24 Authority, and that any future amendments to the provisions of
25 this amendatory Act of the 95th General Assembly, to the extent
26 those amendments would affect the rights and privileges of

1 Authority employees that are currently the subject of
2 collective bargaining, would be consistent with 49 U.S.C.
3 5333(b) if and only if those amendments were agreed to between
4 these authorized representatives prior to enactment.

5 (i) Early retirement incentive plan; funded ratio.

6 (1) Beginning on the effective date of this Section, no
7 early retirement incentive shall be offered to
8 participants of the Plan unless the Funded Ratio of the
9 Plan is at least 80% or more.

10 (2) For the purposes of this Section, the Funded Ratio
11 shall be the Adjusted Assets divided by the Actuarial
12 Accrued Liability developed in accordance with Statement
13 #25 promulgated by the Government Accounting Standards
14 Board and the actuarial assumptions described in the Plan.
15 The Adjusted Assets shall be calculated based on the
16 methodology described in the Plan.

17 (j) Nothing in this amendatory Act of the 95th General
18 Assembly shall impair the rights or privileges of Authority
19 employees under any other law.

20 (k) Any individual who, on or after August 19, 2011 (the
21 effective date of Public Act 97-442) ~~this amendatory Act of the~~
22 ~~97th General Assembly~~, first becomes a participant of the
23 Retirement Plan shall not be paid any of the benefits provided
24 under this Code if he or she is convicted of a felony relating
25 to, arising out of, or in connection with his or her service as
26 a participant.

1 This subsection (k) shall not operate to impair any
2 contract or vested right acquired before August 19, 2011 (the
3 effective date of Public Act 97-442) ~~this amendatory Act of the~~
4 ~~97th General Assembly~~ under any law or laws continued in this
5 Code, and it shall not preclude the right to refund.

8 (40 ILCS 5/22-103)

9 Sec. 22-103. Regional Transportation Authority and related
10 pension plans.

11 (a) As used in this Section:

12 "Affected pension plan" means a defined-benefit pension
13 plan supported in whole or in part by employer contributions
14 and maintained by the Regional Transportation Authority, the
15 Suburban Bus Division, or the Commuter Rail Division, or any
16 combination thereof, under the general authority of the
17 Regional Transportation Authority Act, including but not
18 limited to any such plan that has been established under or is
19 subject to a collective bargaining agreement or is limited to
20 employees covered by a collective bargaining agreement.
21 "Affected pension plan" does not include any pension fund or
22 retirement system subject to Section 22-101 of this Section.

23 "Authority" means the Regional Transportation Authority
24 created under the Regional Transportation Authority Act.

25 "Contributing employer" means an employer that is required

1 to make contributions to an affected pension plan under the
2 terms of that plan.

3 "Funding ratio" means the ratio of an affected pension
4 plan's assets to the present value of its actuarial
5 liabilities, as determined at its latest actuarial valuation in
6 accordance with applicable actuarial assumptions and
7 recommendations.

8 "Under-funded pension plan" or "under-funded" means an
9 affected pension plan that, at the time of its last actuarial
10 valuation, has a funding ratio of less than 90%.

11 (b) The contributing employers of each affected pension
12 plan have a general duty to make the required employer
13 contributions to the affected pension plan in a timely manner
14 in accordance with the terms of the plan. A contributing
15 employer must make contributions to the affected pension plan
16 as required under this subsection and, if applicable,
17 subsection (c); a contributing employer may make any additional
18 contributions provided for by the board of the employer or
19 collective bargaining agreement.

20 (c) In the case of an affected pension plan that is
21 under-funded on January 1, 2009 or becomes under-funded at any
22 time after that date, the contributing employers shall
23 contribute to the affected pension plan, in addition to all
24 amounts otherwise required, amounts sufficient to bring the
25 funding ratio of the affected pension plan up to 90% in
26 accordance with an amortization schedule adopted jointly by the

1 contributing employers and the trustee of the affected pension
2 plan. The amortization schedule may extend for any period up to
3 a maximum of 50 years and shall provide for additional employer
4 contributions in substantially equal annual amounts over the
5 selected period. If the contributing employers and the trustee
6 of the affected pension plan do not agree on an appropriate
7 period for the amortization schedule within 6 months of the
8 date of determination that the plan is under-funded, then the
9 amortization schedule shall be based on a period of 50 years.

10 In the case of an affected pension plan that has more than
11 one contributing employer, each contributing employer's share
12 of the total additional employer contributions required under
13 this subsection shall be determined: (i) in proportion to the
14 amounts, if any, by which the respective contributing employers
15 have failed to meet their contribution obligations under the
16 terms of the affected pension plan; or (ii) if all of the
17 contributing employers have met their contribution obligations
18 under the terms of the affected pension plan, then in the same
19 proportion as they are required to contribute under the terms
20 of that plan. In the case of an affected pension plan that has
21 only one contributing employer, that contributing employer is
22 responsible for all of the additional employer contributions
23 required under this subsection.

24 If an under-funded pension plan is determined to have
25 achieved a funding ratio of at least 90% during the period when
26 an amortization schedule is in force under this Section, the

1 contributing employers and the trustee of the affected pension
2 plan, acting jointly, may cancel the amortization schedule and
3 the contributing employers may cease making additional
4 contributions under this subsection for as long as the affected
5 pension plan retains a funding ratio of at least 90%.

6 (d) Beginning January 1, 2009, if the Authority fails to
7 pay to an affected pension fund within 30 days after it is due
8 (i) any employer contribution that it is required to make as a
9 contributing employer, (ii) any additional employer
10 contribution that it is required to pay under subsection (c),
11 or (iii) any payment that it is required to make under Section
12 4.02a or 4.02b of the Regional Transportation Authority Act,
13 the trustee of the affected pension fund shall promptly so
14 notify the Commission on Government Forecasting and
15 Accountability, the Mayor of Chicago, the Governor, and the
16 General Assembly.

17 (e) For purposes of determining employer contributions,
18 assets, and actuarial liabilities under this subsection,
19 contributions, assets, and liabilities relating to health care
20 benefits shall not be included.

21 (f) This amendatory Act of the 94th General Assembly does
22 not affect or impair the right of any contributing employer or
23 its employees to collectively bargain the amount or level of
24 employee contributions to an affected pension plan, to the
25 extent that the plan includes employees subject to collective
26 bargaining.

1 (g) Any individual who, on or after August 19, 2011 (the
2 effective date of Public Act 97-442) ~~this amendatory Act of the~~
3 ~~97th General Assembly~~, first becomes a participant of an
4 affected pension plan shall not be paid any of the benefits
5 provided under this Code if he or she is convicted of a felony
6 relating to, arising out of, or in connection with his or her
7 service as a participant.

8 This subsection shall not operate to impair any contract or
9 vested right acquired before August 19, 2011 (the effective
10 date of Public Act 97-442) ~~this amendatory Act of the 97th~~
11 ~~General Assembly~~ under any law or laws continued in this Code,
12 and it shall not preclude the right to refund.

13 (h) ~~(g)~~ Notwithstanding any other provision of this Article
14 or any law to the contrary, a person who, on or after January
15 1, 2012 (the effective date of Public Act 97-609) ~~this~~
16 ~~amendatory Act of the 97th General Assembly~~, first becomes a
17 director on the Suburban Bus Board, the Commuter Rail Board, or
18 the Board of Directors of the Regional Transportation Authority
19 shall not be eligible to participate in an affected pension
20 plan.

23 Section 185. The State Pension Funds Continuing
24 Appropriation Act is amended by changing Section 1.2 as
25 follows:

1 (40 ILCS 15/1.2)

2 Sec. 1.2. Appropriations for the State Employees'
3 Retirement System.

4 (a) From each fund from which an amount is appropriated for
5 personal services to a department or other employer under
6 Article 14 of the Illinois Pension Code, there is hereby
7 appropriated to that department or other employer, on a
8 continuing annual basis for each State fiscal year, an
9 additional amount equal to the amount, if any, by which (1) an
10 amount equal to the percentage of the personal services line
11 item for that department or employer from that fund for that
12 fiscal year that the Board of Trustees of the State Employees'
13 Retirement System of Illinois has certified under Section
14 14-135.08 of the Illinois Pension Code to be necessary to meet
15 the State's obligation under Section 14-131 of the Illinois
16 Pension Code for that fiscal year, exceeds (2) the amounts
17 otherwise appropriated to that department or employer from that
18 fund for State contributions to the State Employees' Retirement
19 System for that fiscal year. From the effective date of this
20 amendatory Act of the 93rd General Assembly through the final
21 payment from a department or employer's personal services line
22 item for fiscal year 2004, payments to the State Employees'
23 Retirement System that otherwise would have been made under
24 this subsection (a) shall be governed by the provisions in
25 subsection (a-1).

1 (a-1) If a Fiscal Year 2004 Shortfall is certified under
2 subsection (f) of Section 14-131 of the Illinois Pension Code,
3 there is hereby appropriated to the State Employees' Retirement
4 System of Illinois on a continuing basis from the General
5 Revenue Fund an additional aggregate amount equal to the Fiscal
6 Year 2004 Shortfall.

7 (a-2) If a Fiscal Year 2010 Shortfall is certified under
8 subsection (g) of Section 14-131 of the Illinois Pension Code,
9 there is hereby appropriated to the State Employees' Retirement
10 System of Illinois on a continuing basis from the General
11 Revenue Fund an additional aggregate amount equal to the Fiscal
12 Year 2010 Shortfall.

13 (b) The continuing appropriations provided for by this
14 Section shall first be available in State fiscal year 1996.

15 (c) Beginning in Fiscal Year 2005, any continuing
16 appropriation under this Section arising out of an
17 appropriation for personal services from the Road Fund to the
18 Department of State Police or the Secretary of State shall be
19 payable from the General Revenue Fund rather than the Road
20 Fund.

21 (d) For State fiscal year 2010 only, a continuing
22 appropriation is provided to the State Employees' Retirement
23 System equal to the amount certified by the System on or before
24 December 31, 2008, less the gross proceeds of the bonds sold in
25 fiscal year 2010 under the authorization contained in
26 subsection (a) of Section 7.2 of the General Obligation Bond

1 Act.

2 (e) For State fiscal year 2011 only, the continuing
3 appropriation under this Section provided to the State
4 Employees' Retirement System is limited to an amount equal to
5 the amount certified by the System on or before December 31,
6 2009, less any amounts received pursuant to subsection (a-3) of
7 Section 14.1 of the State Finance Act.

8 (f) ~~(e)~~ For State fiscal year 2011 only, a continuing
9 appropriation is provided to the State Employees' Retirement
10 System equal to the amount certified by the System on or before
11 April 1, 2011, less the gross proceeds of the bonds sold in
12 fiscal year 2011 under the authorization contained in
13 subsection (a) of Section 7.2 of the General Obligation Bond
14 Act.

18 Section 190. The Counties Code is amended by changing
19 Sections 5-1006.7, 5-1069.3, and 5-12001.1 as follows:

20 (55 ILCS 5/5-1006.7)

21 Sec. 5-1006.7. School facility occupation taxes.

22 (a) In any county, a tax shall be imposed upon all persons
23 engaged in the business of selling tangible personal property,
24 other than personal property titled or registered with an

1 agency of this State's government, at retail in the county on
2 the gross receipts from the sales made in the course of
3 business to provide revenue to be used exclusively for school
4 facility purposes if a proposition for the tax has been
5 submitted to the electors of that county and approved by a
6 majority of those voting on the question as provided in
7 subsection (c). The tax under this Section shall be imposed
8 only in one-quarter percent increments and may not exceed 1%.

9 This additional tax may not be imposed on the sale of food
10 for human consumption that is to be consumed off the premises
11 where it is sold (other than alcoholic beverages, soft drinks,
12 and food that has been prepared for immediate consumption) and
13 prescription and non-prescription medicines, drugs, medical
14 appliances and insulin, urine testing materials, syringes and
15 needles used by diabetics. The Department of Revenue has full
16 power to administer and enforce this subsection, to collect all
17 taxes and penalties due under this subsection, to dispose of
18 taxes and penalties so collected in the manner provided in this
19 subsection, and to determine all rights to credit memoranda
20 arising on account of the erroneous payment of a tax or penalty
21 under this subsection. The Department shall deposit all taxes
22 and penalties collected under this subsection into a special
23 fund created for that purpose.

24 In the administration of and compliance with this
25 subsection, the Department and persons who are subject to this
26 subsection (i) have the same rights, remedies, privileges,

1 immunities, powers, and duties, (ii) are subject to the same
2 conditions, restrictions, limitations, penalties, and
3 definitions of terms, and (iii) shall employ the same modes of
4 procedure as are set forth in Sections 1 through 1o, 2 through
5 2-70 (in respect to all provisions contained in those Sections
6 other than the State rate of tax), 2a through 2h, 3 (except as
7 to the disposition of taxes and penalties collected), 4, 5, 5a,
8 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8,
9 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act
10 and all provisions of the Uniform Penalty and Interest Act as
11 if those provisions were set forth in this subsection.

12 The certificate of registration that is issued by the
13 Department to a retailer under the Retailers' Occupation Tax
14 Act permits the retailer to engage in a business that is
15 taxable without registering separately with the Department
16 under an ordinance or resolution under this subsection.

17 Persons subject to any tax imposed under the authority
18 granted in this subsection may reimburse themselves for their
19 seller's tax liability by separately stating that tax as an
20 additional charge, which may be stated in combination, in a
21 single amount, with State tax that sellers are required to
22 collect under the Use Tax Act, pursuant to any bracketed
23 schedules set forth by the Department.

24 (b) If a tax has been imposed under subsection (a), then a
25 service occupation tax must also be imposed at the same rate
26 upon all persons engaged, in the county, in the business of

1 making sales of service, who, as an incident to making those
2 sales of service, transfer tangible personal property within
3 the county as an incident to a sale of service.

4 This tax may not be imposed on sales of food for human
5 consumption that is to be consumed off the premises where it is
6 sold (other than alcoholic beverages, soft drinks, and food
7 prepared for immediate consumption) and prescription and
8 non-prescription medicines, drugs, medical appliances and
9 insulin, urine testing materials, syringes, and needles used by
10 diabetics.

11 The tax imposed under this subsection and all civil
12 penalties that may be assessed as an incident thereof shall be
13 collected and enforced by the Department and deposited into a
14 special fund created for that purpose. The Department has full
15 power to administer and enforce this subsection, to collect all
16 taxes and penalties due under this subsection, to dispose of
17 taxes and penalties so collected in the manner provided in this
18 subsection, and to determine all rights to credit memoranda
19 arising on account of the erroneous payment of a tax or penalty
20 under this subsection.

21 In the administration of and compliance with this
22 subsection, the Department and persons who are subject to this
23 subsection shall (i) have the same rights, remedies,
24 privileges, immunities, powers and duties, (ii) be subject to
25 the same conditions, restrictions, limitations, penalties and
26 definition of terms, and (iii) employ the same modes of

1 procedure as are set forth in Sections 2 (except that that
2 reference to State in the definition of supplier maintaining a
3 place of business in this State means the county), 2a through
4 2d, 3 through 3-50 (in respect to all provisions contained in
5 those Sections other than the State rate of tax), 4 (except
6 that the reference to the State shall be to the county), 5, 7,
7 8 (except that the jurisdiction to which the tax is a debt to
8 the extent indicated in that Section 8 is the county), 9
9 (except as to the disposition of taxes and penalties
10 collected), 10, 11, 12 (except the reference therein to Section
11 2b of the Retailers' Occupation Tax Act), 13 (except that any
12 reference to the State means the county), Section 15, 16, 17,
13 18, 19, and 20 of the Service Occupation Tax Act and all
14 provisions of the Uniform Penalty and Interest Act, as fully as
15 if those provisions were set forth herein.

16 Persons subject to any tax imposed under the authority
17 granted in this subsection may reimburse themselves for their
18 serviceman's tax liability by separately stating the tax as an
19 additional charge, which may be stated in combination, in a
20 single amount, with State tax that servicemen are authorized to
21 collect under the Service Use Tax Act, pursuant to any
22 bracketed schedules set forth by the Department.

23 (c) The tax under this Section may not be imposed until the
24 question of imposing the tax has been submitted to the electors
25 of the county at a regular election and approved by a majority
26 of the electors voting on the question. For all regular

1 elections held prior to the effective date of this amendatory
2 Act of the 97th General Assembly, upon a resolution by the
3 county board or a resolution by school district boards that
4 represent at least 51% of the student enrollment within the
5 county, the county board must certify the question to the
6 proper election authority in accordance with the Election Code.

7 For all regular elections held prior to the effective date
8 of this amendatory Act of the 97th General Assembly, the
9 election authority must submit the question in substantially
10 the following form:

11 Shall (name of county) be authorized to impose a
12 retailers' occupation tax and a service occupation tax
13 (commonly referred to as a "sales tax") at a rate of
14 (insert rate) to be used exclusively for school facility
15 purposes?

16 The election authority must record the votes as "Yes" or "No".

17 If a majority of the electors voting on the question vote
18 in the affirmative, then the county may, thereafter, impose the
19 tax.

20 For all regular elections held on or after the effective
21 date of this amendatory Act of the 97th General Assembly, the
22 regional superintendent of schools for the county must, upon
23 receipt of a resolution or resolutions of school district
24 boards that represent more than 50% of the student enrollment
25 within the county, certify the question to the proper election
26 authority for submission to the electors of the county at the

1 next regular election at which the question lawfully may be
2 submitted to the electors, all in accordance with the Election
3 Code.

4 For all regular elections held on or after the effective
5 date of this amendatory Act of the 97th General Assembly, the
6 election authority must submit the question in substantially
7 the following form:

8 Shall a retailers' occupation tax and a service
9 occupation tax (commonly referred to as a "sales tax") be
10 imposed in (name of county) at a rate of (insert rate) to
11 be used exclusively for school facility purposes?

12 The election authority must record the votes as "Yes" or "No".

13 If a majority of the electors voting on the question vote
14 in the affirmative, then the tax shall be imposed at the rate
15 set forth in the question.

16 For the purposes of this subsection (c), "enrollment" means
17 the head count of the students residing in the county on the
18 last school day of September of each year, which must be
19 reported on the Illinois State Board of Education Public School
20 Fall Enrollment/Housing Report.

21 (d) The Department shall immediately pay over to the State
22 Treasurer, ex officio, as trustee, all taxes and penalties
23 collected under this Section to be deposited into the School
24 Facility Occupation Tax Fund, which shall be an unappropriated
25 trust fund held outside the State treasury.

26 On or before the 25th day of each calendar month, the

1 Department shall prepare and certify to the Comptroller the
2 disbursement of stated sums of money to the regional
3 superintendents of schools in counties from which retailers or
4 servicemen have paid taxes or penalties to the Department
5 during the second preceding calendar month. The amount to be
6 paid to each regional superintendent of schools and disbursed
7 to him or her in accordance with Section 3-14.31 of the School
8 Code, is equal to the amount (not including credit memoranda)
9 collected from the county under this Section during the second
10 preceding calendar month by the Department, (i) less 2% of that
11 amount, which shall be deposited into the Tax Compliance and
12 Administration Fund and shall be used by the Department,
13 subject to appropriation, to cover the costs of the Department
14 in administering and enforcing the provisions of this Section,
15 on behalf of the county, (ii) plus an amount that the
16 Department determines is necessary to offset any amounts that
17 were erroneously paid to a different taxing body; (iii) less an
18 amount equal to the amount of refunds made during the second
19 preceding calendar month by the Department on behalf of the
20 county; and (iv) less any amount that the Department determines
21 is necessary to offset any amounts that were payable to a
22 different taxing body but were erroneously paid to the county.
23 When certifying the amount of a monthly disbursement to a
24 regional superintendent of schools under this Section, the
25 Department shall increase or decrease the amounts by an amount
26 necessary to offset any miscalculation of previous

1 disbursements within the previous 6 months from the time a
2 miscalculation is discovered.

3 Within 10 days after receipt by the Comptroller from the
4 Department of the disbursement certification to the regional
5 superintendents of the schools provided for in this Section,
6 the Comptroller shall cause the orders to be drawn for the
7 respective amounts in accordance with directions contained in
8 the certification.

9 If the Department determines that a refund should be made
10 under this Section to a claimant instead of issuing a credit
11 memorandum, then the Department shall notify the Comptroller,
12 who shall cause the order to be drawn for the amount specified
13 and to the person named in the notification from the
14 Department. The refund shall be paid by the Treasurer out of
15 the School Facility Occupation Tax Fund.

16 (e) For the purposes of determining the local governmental
17 unit whose tax is applicable, a retail sale by a producer of
18 coal or another mineral mined in Illinois is a sale at retail
19 at the place where the coal or other mineral mined in Illinois
20 is extracted from the earth. This subsection does not apply to
21 coal or another mineral when it is delivered or shipped by the
22 seller to the purchaser at a point outside Illinois so that the
23 sale is exempt under the United States Constitution as a sale
24 in interstate or foreign commerce.

25 (f) Nothing in this Section may be construed to authorize a
26 tax to be imposed upon the privilege of engaging in any

1 business that under the Constitution of the United States may
2 not be made the subject of taxation by this State.

3 (g) If a county board imposes a tax under this Section
4 pursuant to a referendum held before the effective date of this
5 amendatory Act of the 97th General Assembly at a rate below the
6 rate set forth in the question approved by a majority of
7 electors of that county voting on the question as provided in
8 subsection (c), then the county board may, by ordinance,
9 increase the rate of the tax up to the rate set forth in the
10 question approved by a majority of electors of that county
11 voting on the question as provided in subsection (c). If a
12 county board imposes a tax under this Section pursuant to a
13 referendum held before the effective date of this amendatory
14 Act of the 97th General Assembly, then the board may, by
15 ordinance, discontinue or reduce the rate of the tax. If a tax
16 is imposed under this Section pursuant to a referendum held on
17 or after the effective date of this amendatory Act of the 97th
18 General Assembly, then the county board may reduce or
19 discontinue the tax, but only in accordance with subsection
20 (h-5) of this Section. If, however, a school board issues bonds
21 that are secured by the proceeds of the tax under this Section,
22 then the county board may not reduce the tax rate or
23 discontinue the tax if that rate reduction or discontinuance
24 would adversely affect the school board's ability to pay the
25 principal and interest on those bonds as they become due or
26 necessitate the extension of additional property taxes to pay

1 the principal and interest on those bonds. If the county board
2 reduces the tax rate or discontinues the tax, then a referendum
3 must be held in accordance with subsection (c) of this Section
4 in order to increase the rate of the tax or to reimpose the
5 discontinued tax.

6 The results of any election that imposes, reduces, or
7 discontinues a tax under this Section must be certified by the
8 election authority, and any ordinance that increases or lowers
9 the rate or discontinues the tax must be certified by the
10 county clerk and, in each case, filed with the Illinois
11 Department of Revenue either (i) on or before the first day of
12 April, whereupon the Department shall proceed to administer and
13 enforce the tax or change in the rate as of the first day of
14 July next following the filing; or (ii) on or before the first
15 day of October, whereupon the Department shall proceed to
16 administer and enforce the tax or change in the rate as of the
17 first day of January next following the filing.

18 (h) For purposes of this Section, "school facility
19 purposes" means (i) the acquisition, development,
20 construction, reconstruction, rehabilitation, improvement,
21 financing, architectural planning, and installation of capital
22 facilities consisting of buildings, structures, and durable
23 equipment and for the acquisition and improvement of real
24 property and interest in real property required, or expected to
25 be required, in connection with the capital facilities and (ii)
26 the payment of bonds or other obligations heretofore or

1 hereafter issued, including bonds or other obligations
2 heretofore or hereafter issued to refund or to continue to
3 refund bonds or other obligations issued, for school facility
4 purposes, provided that the taxes levied to pay those bonds are
5 abated by the amount of the taxes imposed under this Section
6 that are used to pay those bonds. "School-facility purposes"
7 also includes fire prevention, safety, energy conservation,
8 disabled accessibility, school security, and specified repair
9 purposes set forth under Section 17-2.11 of the School Code.

10 (h-5) A county board in a county where a tax has been
11 imposed under this Section pursuant to a referendum held on or
12 after the effective date of this amendatory Act of the 97th
13 General Assembly may, by ordinance or resolution, submit to the
14 voters of the county the question of reducing or discontinuing
15 the tax. In the ordinance or resolution, the county board shall
16 certify the question to the proper election authority in
17 accordance with the Election Code. The election authority must
18 submit the question in substantially the following form:

19 Shall the school facility retailers' occupation tax
20 and service occupation tax (commonly referred to as the
21 "school facility sales tax") currently imposed in (name of
22 county) at a rate of (insert rate) be (reduced to (insert
23 rate)) (discontinued)?

24 If a majority of the electors voting on the question vote in
25 the affirmative, then, subject to the provisions of subsection
26 (g) of this Section, the tax shall be reduced or discontinued

1 as set forth in the question.

2 (i) This Section does not apply to Cook County.

3 (j) This Section may be cited as the County School Facility
4 Occupation Tax Law.

7 Sec. 5-1069.3. Required health benefits. If a county,
8 including a home rule county, is a self-insurer for purposes of
9 providing health insurance coverage for its employees, the
10 coverage shall include coverage for the post-mastectomy care
11 benefits required to be covered by a policy of accident and
12 health insurance under Section 356t and the coverage required
13 under Sections 356g, 356g.5, 356g.5-1, 356u, 356w, 356x,
14 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, 356z.13,
15 356z.14, and 356z.15 of the Illinois Insurance Code. The
16 coverage shall comply with Sections ~~Section~~ 155.22a and 356z.19
17 of the Illinois Insurance Code. The requirement that health
18 benefits be covered as provided in this Section is an exclusive
19 power and function of the State and is a denial and limitation
20 under Article VII, Section 6, subsection (h) of the Illinois
21 Constitution. A home rule county to which this Section applies
22 must comply with every provision of this Section.

23 Rulemaking authority to implement Public Act 95-1045, if
24 any, is conditioned on the rules being adopted in accordance
25 with all provisions of the Illinois Administrative Procedure

1 Act and all rules and procedures of the Joint Committee on
2 Administrative Rules; any purported rule not so adopted, for
3 whatever reason, is unauthorized.

7 (55 ILCS 5/5-12001.1)

8 Sec. 5-12001.1. Authority to regulate certain specified
9 facilities of a telecommunications carrier and to regulate,
10 pursuant to subsections (a) through (g), AM broadcast towers
11 and facilities.

12 (a) Notwithstanding any other Section in this Division, the
13 county board or board of county commissioners of any county
14 shall have the power to regulate the location of the
15 facilities, as defined in subsection (c), of a
16 telecommunications carrier or AM broadcast station established
17 outside the corporate limits of cities, villages, and
18 incorporated towns that have municipal zoning ordinances in
19 effect. The power shall only be exercised to the extent and in
20 the manner set forth in this Section.

21 (b) The provisions of this Section shall not abridge any
22 rights created by or authority confirmed in the federal
23 Telecommunications Act of 1996, P.L. 104-104.

24 (c) As used in this Section, unless the context otherwise
25 requires:

1 (1) "county jurisdiction area" means those portions of
2 a county that lie outside the corporate limits of cities,
3 villages, and incorporated towns that have municipal
4 zoning ordinances in effect;

5 (2) "county board" means the county board or board of
6 county commissioners of any county;

7 (3) "residential zoning district" means a zoning
8 district that is designated under a county zoning ordinance
9 and is zoned predominantly for residential uses;

10 (4) "non-residential zoning district" means the county
11 jurisdiction area of a county, except for those portions
12 within a residential zoning district;

13 (5) "residentially zoned lot" means a zoning lot in a
14 residential zoning district;

15 (6) "non-residentially zoned lot" means a zoning lot in
16 a non-residential zoning district;

17 (7) "telecommunications carrier" means a
18 telecommunications carrier as defined in the Public
19 Utilities Act as of January 1, 1997;

20 (8) "facility" means that part of the signal
21 distribution system used or operated by a
22 telecommunications carrier or AM broadcast station under a
23 license from the FCC consisting of a combination of
24 improvements and equipment including (i) one or more
25 antennas, (ii) a supporting structure and the hardware by
26 which antennas are attached; (iii) equipment housing; and

1 (iv) ancillary equipment such as signal transmission
2 cables and miscellaneous hardware;

3 (9) "FAA" means the Federal Aviation Administration of
4 the United States Department of Transportation;

5 (10) "FCC" means the Federal Communications
6 Commission;

7 (11) "antenna" means an antenna device by which radio
8 signals are transmitted, received, or both;

9 (12) "supporting structure" means a structure, whether
10 an antenna tower or another type of structure, that
11 supports one or more antennas as part of a facility;

12 (13) "qualifying structure" means a supporting
13 structure that is (i) an existing structure, if the height
14 of the facility, including the structure, is not more than
15 15 feet higher than the structure just before the facility
16 is installed, or (ii) a substantially similar,
17 substantially same-location replacement of an existing
18 structure, if the height of the facility, including the
19 replacement structure, is not more than 15 feet higher than
20 the height of the existing structure just before the
21 facility is installed;

22 (14) "equipment housing" means a combination of one or
23 more equipment buildings or enclosures housing equipment
24 that operates in conjunction with the antennas of a
25 facility, and the equipment itself;

26 (15) "height" of a facility means the total height of

1 the facility's supporting structure and any antennas that
2 will extend above the top of the supporting structure;
3 however, if the supporting structure's foundation extends
4 more than 3 feet above the uppermost ground level along the
5 perimeter of the foundation, then each full foot in excess
6 of 3 feet shall be counted as an additional foot of
7 facility height. The height of a facility's supporting
8 structure is to be measured from the highest point of the
9 supporting structure's foundation;

10 (16) "facility lot" means the zoning lot on which a
11 facility is or will be located;

12 (17) "principal residential building" has its common
13 meaning but shall not include any building under the same
14 ownership as the land of the facility lot. "Principal
15 residential building" shall not include any structure that
16 is not designed for human habitation;

17 (18) "horizontal separation distance" means the
18 distance measured from the center of the base of the
19 facility's supporting structure to the point where the
20 ground meets a vertical wall of a principal residential
21 building;

22 (19) "lot line set back distance" means the distance
23 measured from the center of the base of the facility's
24 supporting structure to the nearest point on the common lot
25 line between the facility lot and the nearest residentially
26 zoned lot. If there is no common lot line, the measurement

1 shall be made to the nearest point on the lot line of the
2 nearest residentially zoned lot without deducting the
3 width of any intervening right of way; and

4 (20) "AM broadcast station" means a facility and one or
5 more towers for the purpose of transmitting communication
6 in the 540 kHz to 1700 kHz band for public reception
7 authorized by the FCC.

8 (d) In choosing a location for a facility, a
9 telecommunications carrier or AM broadcast station shall
10 consider the following:

11 (1) A non-residentially zoned lot is the most desirable
12 location.

13 (2) A residentially zoned lot that is not used for
14 residential purposes is the second most desirable
15 location.

16 (3) A residentially zoned lot that is 2 acres or more
17 in size and is used for residential purposes is the third
18 most desirable location.

19 (4) A residentially zoned lot that is less than 2 acres
20 in size and is used for residential purposes is the least
21 desirable location.

22 The size of a lot shall be the lot's gross area in square
23 feet without deduction of any unbuildable or unusable land, any
24 roadway, or any other easement.

25 (e) In designing a facility, a telecommunications carrier
26 or AM broadcast station shall consider the following

1 guidelines:

2 (1) No building or tower that is part of a facility
3 should encroach onto any recorded easement prohibiting the
4 encroachment unless the grantees of the easement have given
5 their approval.

6 (2) Lighting should be installed for security and
7 safety purposes only. Except with respect to lighting
8 required by the FCC or FAA, all lighting should be shielded
9 so that no glare extends substantially beyond the
10 boundaries of a facility.

11 (3) No facility should encroach onto an existing septic
12 field.

13 (4) Any facility located in a special flood hazard area
14 or wetland should meet the legal requirements for those
15 lands.

16 (5) Existing trees more than 3 inches in diameter
17 should be preserved if reasonably feasible during
18 construction. If any tree more than 3 inches in diameter is
19 removed during construction a tree 3 inches or more in
20 diameter of the same or a similar species shall be planted
21 as a replacement if reasonably feasible. Tree diameter
22 shall be measured at a point 3 feet above ground level.

23 (6) If any elevation of a facility faces an existing,
24 adjoining residential use within a residential zoning
25 district, low maintenance landscaping should be provided
26 on or near the facility lot to provide at least partial

1 screening of the facility. The quantity and type of that
2 landscaping should be in accordance with any county
3 landscaping regulations of general applicability, except
4 that paragraph (5) of this subsection (e) shall control
5 over any tree-related regulations imposing a greater
6 burden.

7 (7) Fencing should be installed around a facility. The
8 height and materials of the fencing should be in accordance
9 with any county fence regulations of general
10 applicability.

11 (8) Any building that is part of a facility located
12 adjacent to a residentially zoned lot should be designed
13 with exterior materials and colors that are reasonably
14 compatible with the residential character of the area.

15 (f) The following provisions shall apply to all facilities
16 established in any county jurisdiction area (i) after the
17 effective date of the amendatory Act of 1997 with respect to
18 telecommunications carriers and (ii) after the effective date
19 of this amendatory Act of the 94th General Assembly with
20 respect to AM broadcast stations:

21 (1) Except as provided in this Section, no yard or set
22 back regulations shall apply to or be required for a
23 facility.

24 (2) A facility may be located on the same zoning lot as
25 one or more other structures or uses without violating any
26 ordinance or regulation that prohibits or limits multiple

1 structures, buildings, or uses on a zoning lot.

2 (3) No minimum lot area, width, or depth shall be
3 required for a facility, and unless the facility is to be
4 manned on a regular, daily basis, no off-street parking
5 spaces shall be required for a facility. If the facility is
6 to be manned on a regular, daily basis, one off-street
7 parking space shall be provided for each employee regularly
8 at the facility. No loading facilities are required.

9 (4) No portion of a facility's supporting structure or
10 equipment housing shall be less than 15 feet from the front
11 lot line of the facility lot or less than 10 feet from any
12 other lot line.

13 (5) No bulk regulations or lot coverage, building
14 coverage, or floor area ratio limitations shall be applied
15 to a facility or to any existing use or structure
16 coincident with the establishment of a facility. Except as
17 provided in this Section, no height limits or restrictions
18 shall apply to a facility.

19 (6) A county's review of a building permit application
20 for a facility shall be completed within 30 days. If a
21 decision of the county board is required to permit the
22 establishment of a facility, the county's review of the
23 application shall be simultaneous with the process leading
24 to the county board's decision.

25 (7) The improvements and equipment comprising the
26 facility may be wholly or partly freestanding or wholly or

1 partly attached to, enclosed in, or installed in or on a
2 structure or structures.

3 (8) Any public hearing authorized under this Section
4 shall be conducted in a manner determined by the county
5 board. Notice of any such public hearing shall be published
6 at least 15 days before the hearing in a newspaper of
7 general circulation published in the county. Notice of any
8 such public hearing shall also be sent by certified mail at
9 least 15 days prior to the hearing to the owners of record
10 of all residential property that is adjacent to the lot
11 upon which the facility is proposed to be sited.

12 (9) Any decision regarding a facility by the county
13 board or a county agency or official shall be supported by
14 written findings of fact. The circuit court shall have
15 jurisdiction to review the reasonableness of any adverse
16 decision and the plaintiff shall bear the burden of proof,
17 but there shall be no presumption of the validity of the
18 decision.

19 (10) Thirty days prior to the issuance of a building
20 permit for a facility necessitating the erection of a new
21 tower, the permit applicant shall provide written notice of
22 its intent to construct the facility to the State
23 Representative and the State Senator of the district in
24 which the subject facility is to be constructed and all
25 county board members for the county board district in the
26 county in which the subject facility is to be constructed.

1 This notice shall include, but not be limited to, the
2 following information: (i) the name, address, and
3 telephone number of the company responsible for the
4 construction of the facility; (ii) the name, address, and
5 telephone number of the governmental entity authorized to
6 issue the building permit; and (iii) the location of the
7 proposed facility. The applicant shall demonstrate
8 compliance with the notice requirements set forth in this
9 item (10) by submitting certified mail receipts or
10 equivalent mail service receipts at the same time that the
11 applicant submits the permit application.

12 (g) The following provisions shall apply to all facilities
13 established (i) after the effective date of this amendatory Act
14 of 1997 with respect to telecommunications carriers and (ii)
15 after the effective date of this amendatory Act of the 94th
16 General Assembly with respect to AM broadcast stations in the
17 county jurisdiction area of any county with a population of
18 less than 180,000:

19 (1) A facility is permitted if its supporting structure
20 is a qualifying structure or if both of the following
21 conditions are met:

22 (A) the height of the facility shall not exceed 200
23 feet, except that if a facility is located more than
24 one and one-half miles from the corporate limits of any
25 municipality with a population of 25,000 or more the
26 height of the facility shall not exceed 350 feet; and

1 (B) the horizontal separation distance to the
2 nearest principal residential building shall not be
3 less than the height of the supporting structure;
4 except that if the supporting structure exceeds 99 feet
5 in height, the horizontal separation distance to the
6 nearest principal residential building shall be at
7 least 100 feet or 80% of the height of the supporting
8 structure, whichever is greater. Compliance with this
9 paragraph shall only be evaluated as of the time that a
10 building permit application for the facility is
11 submitted. If the supporting structure is not an
12 antenna tower this paragraph is satisfied.

13 (2) Unless a facility is permitted under paragraph (1)
14 of this subsection (g), a facility can be established only
15 after the county board gives its approval following
16 consideration of the provisions of paragraph (3) of this
17 subsection (g). The county board may give its approval
18 after one public hearing on the proposal, but only by the
19 favorable vote of a majority of the members present at a
20 meeting held no later than 75 days after submission of a
21 complete application by the telecommunications carrier. If
22 the county board fails to act on the application within 75
23 days after its submission, the application shall be deemed
24 to have been approved. No more than one public hearing
25 shall be required.

26 (3) For purposes of paragraph (2) of this subsection

1 (g), the following siting considerations, but no other
2 matter, shall be considered by the county board or any
3 other body conducting the public hearing:

4 (A) the criteria in subsection (d) of this Section;

5 (B) whether a substantial adverse effect on public
6 safety will result from some aspect of the facility's
7 design or proposed construction, but only if that
8 aspect of design or construction is modifiable by the
9 applicant;

10 (C) the benefits to be derived by the users of the
11 services to be provided or enhanced by the facility and
12 whether public safety and emergency response
13 capabilities would benefit by the establishment of the
14 facility;

15 (D) the existing uses on adjacent and nearby
16 properties; and

17 (E) the extent to which the design of the proposed
18 facility reflects compliance with subsection (e) of
19 this Section.

20 (4) On judicial review of an adverse decision, the
21 issue shall be the reasonableness of the county board's
22 decision in light of the evidence presented on the siting
23 considerations and the well-reasoned recommendations of
24 any other body that conducts the public hearing.

25 (h) The following provisions shall apply to all facilities
26 established after the effective date of this amendatory Act of

1 1997 in the county jurisdiction area of any county with a
2 population of 180,000 or more. A facility is permitted in any
3 zoning district subject to the following:

4 (1) A facility shall not be located on a lot under
5 paragraph (4) of subsection (d) unless a variation is
6 granted by the county board under paragraph (4) of this
7 subsection (h).

8 (2) Unless a height variation is granted by the county
9 board, the height of a facility shall not exceed 75 feet if
10 the facility will be located in a residential zoning
11 district or 200 feet if the facility will be located in a
12 non-residential zoning district. However, the height of a
13 facility may exceed the height limit in this paragraph, and
14 no height variation shall be required, if the supporting
15 structure is a qualifying structure.

16 (3) The improvements and equipment of the facility
17 shall be placed to comply with the requirements of this
18 paragraph at the time a building permit application for the
19 facility is submitted. If the supporting structure is an
20 antenna tower other than a qualifying structure then (i) if
21 the facility will be located in a residential zoning
22 district the lot line set back distance to the nearest
23 residentially zoned lot shall be at least 50% of the height
24 of the facility's supporting structure or (ii) if the
25 facility will be located in a non-residential zoning
26 district the horizontal separation distance to the nearest

1 principal residential building shall be at least equal to
2 the height of the facility's supporting structure.

3 (4) The county board may grant variations for any of
4 the regulations, conditions, and restrictions of this
5 subsection (h), after one public hearing on the proposed
6 variations held at a zoning or other appropriate committee
7 meeting with proper notice given as provided in this
8 Section, by a favorable vote of a majority of the members
9 present at a meeting held no later than 75 days after
10 submission of an application by the telecommunications
11 carrier. If the county board fails to act on the
12 application within 75 days after submission, the
13 application shall be deemed to have been approved. In its
14 consideration of an application for variations, the county
15 board, and any other body conducting the public hearing,
16 shall consider the following, and no other matters:

17 (A) whether, but for the granting of a variation,
18 the service that the telecommunications carrier seeks
19 to enhance or provide with the proposed facility will
20 be less available, impaired, or diminished in quality,
21 quantity, or scope of coverage;

22 (B) whether the conditions upon which the
23 application for variations is based are unique in some
24 respect or, if not, whether the strict application of
25 the regulations would result in a hardship on the
26 telecommunications carrier;

1 (C) whether a substantial adverse effect on public
2 safety will result from some aspect of the facility's
3 design or proposed construction, but only if that
4 aspect of design or construction is modifiable by the
5 applicant;

6 (D) whether there are benefits to be derived by the
7 users of the services to be provided or enhanced by the
8 facility and whether public safety and emergency
9 response capabilities would benefit by the
10 establishment of the facility; and

11 (E) the extent to which the design of the proposed
12 facility reflects compliance with subsection (e) of
13 this Section.

14 No more than one public hearing shall be required.

15 (5) On judicial review of an adverse decision, the
16 issue shall be the reasonableness of the county board's
17 decision in light of the evidence presented and the
18 well-reasoned recommendations of any other body that
19 conducted the public hearing.

20 (i) Notwithstanding any other provision of law to the
21 contrary, 30 days prior to the issuance of any permits for a
22 new telecommunications facility within a county, the
23 telecommunications carrier constructing the facility shall
24 provide written notice of its intent to construct the facility.
25 The notice shall include, but not be limited to, the following
26 information: (i) the name, address, and telephone number of the

1 company responsible for the construction of the facility, (ii)
2 the address and telephone number of the governmental entity
3 that is to issue the building permit for the telecommunications
4 facility, (iii) a site plan and site map of sufficient
5 specificity to indicate both the location of the parcel where
6 the telecommunications facility is to be constructed and the
7 location of all the telecommunications facilities within that
8 parcel, and (iv) the property index number and common address
9 of the parcel where the telecommunications facility is to be
10 located. The notice shall not contain any material that appears
11 to be an advertisement for the telecommunications carrier or
12 any services provided by the telecommunications carrier. The
13 notice shall be provided in person, by overnight private
14 courier, or by certified mail to all owners of property within
15 250 feet of the parcel in which the telecommunications carrier
16 has a leasehold or ownership interest. For the purposes of this
17 notice requirement, "owners" means those persons or entities
18 identified from the authentic tax records of the county in
19 which the telecommunications facility is to be located. If,
20 after a bona fide effort by the telecommunications carrier to
21 determine the owner and his or her address, the owner of the
22 property on whom the notice must be served cannot be found at
23 the owner's last known address, or if the mailed notice is
24 returned because the owner cannot be found at the last known
25 address, the notice requirement of this paragraph is deemed
26 satisfied.

3 Section 195. The County Care for Persons with Developmental
4 Disabilities Act is amended by changing Sections 1.1 and 1.2 as
5 follows:

6 (55 ILCS 105/1.1)

7 Sec. 1.1. Petition for submission to referendum by county.

8 (a) If, on and after the effective date of this amendatory
9 Act of the 96th General Assembly, the county board passes an
10 ordinance or resolution as provided in Section 1 of this Act
11 asking that an annual tax may be levied for the purpose of
12 providing facilities or services set forth in that Section and
13 so instructs the county clerk, the clerk shall certify the
14 proposition to the proper election officials for submission at
15 the next general county election. The proposition shall be in
16 substantially the following form:

17 Shall County levy an annual tax not to exceed
18 0.1% upon the equalized assessed value of all taxable
19 property in the county for the purposes of providing
20 facilities or services for the benefit of its residents who
21 are intellectually disabled or under a developmental
22 disability and who are not eligible to participate in any
23 program provided under Article 14 of the School Code, 105
24 ILCS 5/14-1.01 ~~105 ILCS 5/14.1 1.01~~ et seq., including

1 contracting for those facilities or services with any
2 privately or publicly operated entity that provides those
3 facilities or services either in or out of the county?

4 (b) If a majority of the votes cast upon the proposition
5 are in favor thereof, such tax levy shall be authorized and the
6 county shall levy a tax not to exceed the rate set forth in
7 Section 1 of this Act.

10 (55 ILCS 105/1.2)

11 Sec. 1.2. Petition for submission to referendum by
12 electors.

13 (a) Whenever a petition for submission to referendum by the
14 electors which requests the establishment and maintenance of
15 facilities or services for the benefit of its residents with a
16 developmental disability and the levy of an annual tax not to
17 exceed 0.1% upon all the taxable property in the county at the
18 value thereof, as equalized or assessed by the Department of
19 Revenue, is signed by electors of the county equal in number to
20 at least 10% of the total votes cast for the office that
21 received the greatest total number of votes at the last
22 preceding general county election and is presented to the
23 county clerk, the clerk shall certify the proposition to the
24 proper election authorities for submission at the next general
25 county election. The proposition shall be in substantially the

1 following form:

2 Shall County levy an annual tax not to exceed
3 0.1% upon the equalized assessed value of all taxable
4 property in the county for the purposes of establishing and
5 maintaining facilities or services for the benefit of its
6 residents who are intellectually disabled or under a
7 developmental disability and who are not eligible to
8 participate in any program provided under Article 14 of the
9 School Code, 105 ILCS 5/14-1.01 ~~105 ILCS 5/14.1 1.01~~ et
10 seq., including contracting for those facilities or
11 services with any privately or publicly operated entity
12 that provides those facilities or services either in or out
13 of the county?

14 (b) If a majority of the votes cast upon the proposition
15 are in favor thereof, such tax levy shall be authorized and the
16 county shall levy a tax not to exceed the rate set forth in
17 Section 1 of this Act.

20 Section 200. The Illinois Municipal Code is amended by
21 changing Sections 8-11-1.7, 10-2.1-4, 10-4-2.3, 11-23-4,
22 11-124-5, and 11-126-4 as follows:

23 (65 ILCS 5/8-11-1.7)

24 Sec. 8-11-1.7. Non-home rule municipal service occupation

1 tax; municipalities between 20,000 and 25,000. The corporate
2 authorities of a non-home rule municipality with a population
3 of more than 20,000 but less than 25,000 as determined by the
4 last preceding decennial census that has, prior to January 1,
5 1987, established a Redevelopment Project Area that has been
6 certified as a State Sales Tax Boundary and has issued bonds or
7 otherwise incurred indebtedness to pay for costs in excess of
8 \$5,000,000, which is secured in part by a tax increment
9 allocation fund, in accordance with the provisions of Division
10 11-74.4 ~~11-74.7~~ of this Code may, by passage of an ordinance,
11 impose a tax upon all persons engaged in the municipality in
12 the business of making sales of service. If imposed, the tax
13 shall only be imposed in .25% increments of the selling price
14 of all tangible personal property transferred by such
15 servicemen either in the form of tangible personal property or
16 in the form of real estate as an incident to a sale of service.
17 This tax may not be imposed on the sales of food for human
18 consumption that is to be consumed off the premises where it is
19 sold (other than alcoholic beverages, soft drinks, and food
20 that has been prepared for immediate consumption) and
21 prescription and nonprescription medicines, drugs, medical
22 appliances and insulin, urine testing materials, syringes, and
23 needles used by diabetics. The tax imposed by a municipality
24 under this Sec. and all civil penalties that may be assessed as
25 an incident thereof shall be collected and enforced by the
26 State Department of Revenue. An ordinance imposing a tax

1 hereunder or effecting a change in the rate thereof shall be
2 adopted and a certified copy thereof filed with the Department
3 on or before the first day of October, whereupon the Department
4 shall proceed to administer and enforce this Section as of the
5 first day of January next following such adoption and filing.
6 The certificate of registration that is issued by the
7 Department to a retailer under the Retailers' Occupation Tax
8 Act or under the Service Occupation Tax Act shall permit the
9 registrant to engage in a business that is taxable under any
10 ordinance or resolution enacted under this Section without
11 registering separately with the Department under the ordinance
12 or resolution or under this Section. The Department shall have
13 full power to administer and enforce this Section, to collect
14 all taxes and penalties due hereunder, to dispose of taxes and
15 penalties so collected in a manner hereinafter provided, and to
16 determine all rights to credit memoranda arising on account of
17 the erroneous payment of tax or penalty hereunder. In the
18 administration of and compliance with this Section, the
19 Department and persons who are subject to this Section shall
20 have the same rights, remedies, privileges, immunities,
21 powers, and duties, and be subject to the same conditions,
22 restrictions, limitations, penalties and definitions of terms,
23 and employ the same modes of procedure, as are prescribed in
24 Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all
25 provisions therein other than the State rate of tax), 4 (except
26 that the reference to the State shall be to the taxing

1 municipality), 5, 7, 8 (except that the jurisdiction to which
2 the tax shall be a debt to the extent indicated in that Section
3 8 shall be the taxing municipality), 9 (except as to the
4 disposition of taxes and penalties collected, and except that
5 the returned merchandise credit for this municipal tax may not
6 be taken against any State tax), 10, 11, 12, (except the
7 reference therein to Section 2b of the Retailers' Occupation
8 Tax Act), 13 (except that any reference to the State shall mean
9 the taxing municipality), the first paragraph of Sections 15,
10 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and
11 Section 3-7 of the Uniform Penalty and Interest Act, as fully
12 as if those provisions were set forth herein.

13 A tax may not be imposed by a municipality under this
14 Section unless the municipality also imposes a tax at the same
15 rate under Section 8-11-1.6 of this Act.

16 Person subject to any tax imposed under the authority
17 granted in this Section may reimburse themselves for their
18 servicemen's tax liability hereunder by separately stating the
19 tax as an additional charge, which charge may be stated in
20 combination, in a single amount, with State tax that servicemen
21 are authorized to collect under the Service Use Tax Act, under
22 such bracket schedules as the Department may prescribe.

23 Whenever the Department determines that a refund should be
24 made under this Section to a claimant instead of issuing credit
25 memorandum, the Department shall notify the State Comptroller,
26 who shall cause the order to be drawn for the amount specified,

1 and to the person named, in such notification from the
2 Department. The refund shall be paid by the State Treasurer out
3 of the Non-Home Rule Municipal Retailers' Occupation Tax Fund.

4 The Department shall forthwith pay over to the State
5 Treasurer, ex officio, as trustee, all taxes and penalties
6 collected hereunder.

7 As soon as possible after the first day of each month,
8 beginning January 1, 2011, upon certification of the Department
9 of Revenue, the Comptroller shall order transferred, and the
10 Treasurer shall transfer, to the STAR Bonds Revenue Fund the
11 local sales tax increment, as defined in the Innovation
12 Development and Economy Act, collected under this Section
13 during the second preceding calendar month for sales within a
14 STAR bond district.

15 After the monthly transfer to the STAR Bonds Revenue Fund,
16 on or before the 25th day of each calendar month, the
17 Department shall prepare and certify to the Comptroller the
18 disbursement of stated sums of money to named municipalities,
19 the municipalities to be those from which suppliers and
20 servicemen have paid taxes or penalties hereunder to the
21 Department during the second preceding calendar month. The
22 amount to be paid to each municipality shall be the amount (not
23 including credit memoranda) collected hereunder during the
24 second preceding calendar month by the Department, and not
25 including an amount equal to the amount of refunds made during
26 the second preceding calendar month by the Department on behalf

1 of such municipality, and not including any amounts that are
2 transferred to the STAR Bonds Revenue Fund. Within 10 days
3 after receipt by the Comptroller of the disbursement
4 certification to the municipalities and the General Revenue
5 Fund, provided for in this Section to be given to the
6 Comptroller by the Department, the Comptroller shall cause the
7 orders to be drawn for the respective amounts in accordance
8 with the directions contained in the certification.

9 When certifying the amount of a monthly disbursement to a
10 municipality under this Section, the Department shall increase
11 or decrease the amount by an amount necessary to offset any
12 misallocation of previous disbursements. The offset amount
13 shall be the amount erroneously disbursed within the previous 6
14 months from the time a misallocation is discovered.

15 Nothing in this Section shall be construed to authorize a
16 municipality to impose a tax upon the privilege of engaging in
17 any business which under the constitution of the United States
18 may not be made the subject of taxation by this State.

20 (65 ILCS 5/10-2.1-4) (from Ch. 24, par. 10-2.1-4)

21 Sec. 10-2.1-4. Fire and police departments; Appointment of
22 members; Certificates of appointments.

23 The board of fire and police commissioners shall appoint
24 all officers and members of the fire and police departments of
25 the municipality, including the chief of police and the chief

1 of the fire department, unless the council or board of trustees
2 shall by ordinance as to them otherwise provide; except as
3 otherwise provided in this Section, and except that in any
4 municipality which adopts or has adopted this Division 2.1 and
5 also adopts or has adopted Article 5 of this Code, the chief of
6 police and the chief of the fire department shall be appointed
7 by the municipal manager, if it is provided by ordinance in
8 such municipality that such chiefs, or either of them, shall
9 not be appointed by the board of fire and police commissioners.

10 If the chief of the fire department or the chief of the
11 police department or both of them are appointed in the manner
12 provided by ordinance, they may be removed or discharged by the
13 appointing authority. In such case the appointing authority
14 shall file with the corporate authorities the reasons for such
15 removal or discharge, which removal or discharge shall not
16 become effective unless confirmed by a majority vote of the
17 corporate authorities.

18 If a member of the department is appointed chief of police
19 or chief of the fire department prior to being eligible to
20 retire on pension, he shall be considered as on furlough from
21 the rank he held immediately prior to his appointment as chief.
22 If he resigns as chief or is discharged as chief prior to
23 attaining eligibility to retire on pension, he shall revert to
24 and be established in whatever rank he currently holds, except
25 for previously appointed positions, and thereafter be entitled
26 to all the benefits and emoluments of that rank, without regard

1 as to whether a vacancy then exists in that rank.

2 All appointments to each department other than that of the
3 lowest rank, however, shall be from the rank next below that to
4 which the appointment is made except as otherwise provided in
5 this Section, and except that the chief of police and the chief
6 of the fire department may be appointed from among members of
7 the police and fire departments, respectively, regardless of
8 rank, unless the council or board of trustees shall have by
9 ordinance as to them otherwise provided. A chief of police or
10 the chief of the fire department, having been appointed from
11 among members of the police or fire department, respectively,
12 shall be permitted, regardless of rank, to take promotional
13 exams and be promoted to a higher classified rank than he
14 currently holds, without having to resign as chief of police or
15 chief of the fire department.

16 The sole authority to issue certificates of appointment
17 shall be vested in the Board of Fire and Police Commissioners
18 and all certificates of appointments issued to any officer or
19 member of the fire or police department of a municipality shall
20 be signed by the chairman and secretary respectively of the
21 board of fire and police commissioners of such municipality,
22 upon appointment of such officer or member of the fire and
23 police department of such municipality by action of the board
24 of fire and police commissioners. In any municipal fire
25 department that employs full-time firefighters and is subject
26 to a collective bargaining agreement, a person who has not

1 qualified for regular appointment under the provisions of this
2 Division 2.1 shall not be used as a temporary or permanent
3 substitute for classified members of a municipality's fire
4 department or for regular appointment as a classified member of
5 a municipality's fire department unless mutually agreed to by
6 the employee's certified bargaining agent. Such agreement
7 shall be considered a permissive subject of bargaining.
8 Municipal fire departments covered by the changes made by this
9 amendatory Act of the 95th General Assembly that are using
10 non-certificated employees as substitutes immediately prior to
11 the effective date of this amendatory Act of the 95th General
12 Assembly may, by mutual agreement with the certified bargaining
13 agent, continue the existing practice or a modified practice
14 and that agreement shall be considered a permissive subject of
15 bargaining. A home rule unit may not regulate the hiring of
16 temporary or substitute members of the municipality's fire
17 department in a manner that is inconsistent with this Section.
18 This Section is a limitation under subsection (i) of Section 6
19 of Article VII of the Illinois Constitution on the concurrent
20 exercise by home rule units of powers and functions exercised
21 by the State.

22 The term "policemen" as used in this Division does not
23 include auxiliary police officers except as provided for in
24 Section 10-2.1-6.

25 Any full time member of a regular fire or police department
26 of any municipality which comes under the provisions of this

1 Division or adopts this Division 2.1 or which has adopted any
2 of the prior Acts pertaining to fire and police commissioners,
3 is a city officer.

4 Notwithstanding any other provision of this Section, the
5 Chief of Police of a department in a non-home rule ~~non-homerule~~
6 municipality of more than 130,000 inhabitants may, without the
7 advice or consent of the Board of Fire and Police
8 Commissioners, appoint up to 6 officers who shall be known as
9 deputy chiefs or assistant deputy chiefs, and whose rank shall
10 be immediately below that of Chief. The deputy or assistant
11 deputy chiefs may be appointed from any rank of sworn officers
12 of that municipality, but no person who is not such a sworn
13 officer may be so appointed. Such deputy chief or assistant
14 deputy chief shall have the authority to direct and issue
15 orders to all employees of the Department holding the rank of
16 captain or any lower rank. A deputy chief of police or
17 assistant deputy chief of police, having been appointed from
18 any rank of sworn officers of that municipality, shall be
19 permitted, regardless of rank, to take promotional exams and be
20 promoted to a higher classified rank than he currently holds,
21 without having to resign as deputy chief of police or assistant
22 deputy chief of police.

23 Notwithstanding any other provision of this Section, a
24 non-home rule ~~non-homerule~~ municipality of 130,000 or fewer
25 inhabitants, through its council or board of trustees, may, by
26 ordinance, provide for a position of deputy chief to be

1 appointed by the chief of the police department. The ordinance
2 shall provide for no more than one deputy chief position if the
3 police department has fewer than 25 full-time police officers
4 and for no more than 2 deputy chief positions if the police
5 department has 25 or more full-time police officers. The deputy
6 chief position shall be an exempt rank immediately below that
7 of Chief. The deputy chief may be appointed from any rank of
8 sworn, full-time officers of the municipality's police
9 department, but must have at least 5 years of full-time service
10 as a police officer in that department. A deputy chief shall
11 serve at the discretion of the Chief and, if removed from the
12 position, shall revert to the rank currently held, without
13 regard as to whether a vacancy exists in that rank. A deputy
14 chief of police, having been appointed from any rank of sworn
15 full-time officers of that municipality's police department,
16 shall be permitted, regardless of rank, to take promotional
17 exams and be promoted to a higher classified rank than he
18 currently holds, without having to resign as deputy chief of
19 police.

20 No municipality having a population less than 1,000,000
21 shall require that any firefighter appointed to the lowest rank
22 serve a probationary employment period of longer than one year.
23 The limitation on periods of probationary employment provided
24 in this amendatory Act of 1989 is an exclusive power and
25 function of the State. Pursuant to subsection (h) of Section 6
26 of Article VII of the Illinois Constitution, a home rule

1 municipality having a population less than 1,000,000 must
2 comply with this limitation on periods of probationary
3 employment, which is a denial and limitation of home rule
4 powers. Notwithstanding anything to the contrary in this
5 Section, the probationary employment period limitation may be
6 extended for a firefighter who is required, as a condition of
7 employment, to be a certified paramedic, during which time the
8 sole reason that a firefighter may be discharged without a
9 hearing is for failing to meet the requirements for paramedic
10 certification.

11 To the extent that this Section or any other Section in
12 this Division conflicts with Section 10-2.1-6.3 or 10-2.1-6.4,
13 then Section 10-2.1-6.3 or 10-2.1-6.4 shall control.

14 (Source: P.A. 97-251, eff. 8-4-11; revised 11-18-11.)

15 (65 ILCS 5/10-4-2.3)

16 Sec. 10-4-2.3. Required health benefits. If a
17 municipality, including a home rule municipality, is a
18 self-insurer for purposes of providing health insurance
19 coverage for its employees, the coverage shall include coverage
20 for the post-mastectomy care benefits required to be covered by
21 a policy of accident and health insurance under Section 356t
22 and the coverage required under Sections 356g, 356g.5,
23 356g.5-1, 356u, 356w, 356x, 356z.6, 356z.8, 356z.9, 356z.10,
24 356z.11, 356z.12, 356z.13, 356z.14, and 356z.15 of the Illinois
25 Insurance Code. The coverage shall comply with Sections ~~Section~~

1 155.22a and 356z.19 of the Illinois Insurance Code. The
2 requirement that health benefits be covered as provided in this
3 is an exclusive power and function of the State and is a denial
4 and limitation under Article VII, Section 6, subsection (h) of
5 the Illinois Constitution. A home rule municipality to which
6 this Section applies must comply with every provision of this
7 Section.

8 Rulemaking authority to implement Public Act 95-1045, if
9 any, is conditioned on the rules being adopted in accordance
10 with all provisions of the Illinois Administrative Procedure
11 Act and all rules and procedures of the Joint Committee on
12 Administrative Rules; any purported rule not so adopted, for
13 whatever reason, is unauthorized.

17 (65 ILCS 5/11-23-4) (from Ch. 24, par. 11-23-4)

18 Sec. 11-23-4. When such a city council has decided to
19 establish and maintain, or to purchase and maintain, a public
20 hospital under this Division 23, the mayor, with the approval
21 of the city council, shall appoint a board of 3 directors for
22 the hospital.

23 One of the directors shall hold office for one year, one
24 for 2 years, and one for 3 years, from the first day of July
25 following their appointments. At their first regular meeting

1 the directors shall cast lots for the respective terms. Before
2 the first day of July each year thereafter, the mayor, with the
3 approval of the city council, shall appoint one director to
4 take the place of the retiring director, who shall hold office
5 for 3 years, and until his successor is appointed.

6 The city council may, by resolution, increase the
7 membership of the board to 5 directors. Such resolution shall
8 not affect ~~effect~~ the terms of the incumbent directors. Before
9 the first day of July following the adoption of such resolution
10 the mayor with the approval of the city council, shall appoint
11 3 directors, one to succeed the incumbent whose term expires
12 and the 2 additional provided for in the resolution, for terms
13 of 3, 4 and 5 years from July 1 of the year of the appointment.
14 Thereafter, upon the expiration of the term of any director his
15 successor shall be appointed for a term of 5 years and until
16 his successor is appointed for a like term.

17 If the city council has, by previous resolution, increased
18 the membership of the board to 5 directors, the city council
19 may by new resolution increase the membership of the board by 2
20 new members in any one year up to a maximum of 11 directors.
21 Such new resolution shall not affect the terms of incumbent
22 directors. Before the first day of July following the adoption
23 of the new resolution the mayor with the approval of the city
24 council shall appoint a sufficient number of directors so that
25 there will be a successor for the full term of each incumbent
26 whose term expires, and the 2 additional provided for in the

1 resolution for terms of 4 and 5 years from July 1 of the year of
2 appointment. Thereafter, upon the expiration of the term of any
3 director, his successor shall be appointed for a term of 5
4 years and until his successor is appointed and qualified for a
5 like term.

6 The mayor, with the consent of the city council, may remove
7 any director for misconduct or neglect of duty. Vacancies in
8 the board of directors, however occasioned, shall be filled for
9 the unexpired term in like manner as original appointments. No
10 director shall receive compensation for serving as a director.
11 No director shall be interested, either directly or indirectly,
12 in the purchase or sale of any supplies for the hospital.

14 (65 ILCS 5/11-124-5)

15 Sec. 11-124-5. Acquisition of water systems by eminent
16 domain.

17 (a) In addition to other provisions providing for the
18 acquisition of water systems or water works, whenever a public
19 utility subject to the Public Utilities Act utilizes public
20 property (including, but not limited to, right-of-way) of a
21 municipality for the installation or maintenance of all or part
22 of its water distribution system, the municipality has the
23 right to exercise eminent domain to acquire all or part of the
24 water system, in accordance with this Section. Unless it
25 complies with the provisions set forth in this Section, a

1 municipality is not permitted to acquire by eminent domain that
2 portion of a system located in another incorporated
3 municipality without agreement of that municipality, but this
4 provision shall not prevent the acquisition of that portion of
5 the water system existing within the acquiring municipality.

6 (b) Where a water system that is owned by a public utility
7 (as defined in the Public ~~16~~ Utilities Act) provides water to
8 customers located in 2 or more municipalities, the system may
9 be acquired by a majority of the municipalities by eminent
10 domain. If the system is to be acquired by more than one
11 municipality, then there must be an intergovernmental
12 agreement in existence between the acquiring municipalities
13 providing for the acquisition.

14 (c) If a water system that is owned by a public utility
15 provides water to customers located in one or more
16 municipalities and also to customers in an unincorporated area
17 and if at least 70% of the customers of the system or portion
18 thereof are located within the municipality or municipalities,
19 then the system, or portion thereof as determined by the
20 corporate authorities, may be acquired, using eminent domain or
21 otherwise, by either a municipality under subsection (a) or an
22 entity created by agreement between municipalities where at
23 least 70% of the customers reside. For the purposes of
24 determining "customers of the system", only retail customers
25 directly billed by the company shall be included in the
26 computation. The number of customers of the system most

1 recently reported to the Illinois Commerce Commission for any
2 calendar year preceding the year a resolution is passed by a
3 municipality or municipalities expressing preliminary intent
4 to purchase the water system or portion thereof shall be
5 presumed to be the total number of customers within the system.
6 The public utility shall provide information relative to the
7 number of customers within each municipality and within the
8 system within 60 days after any such request by a municipality.

9 (d) In the case of acquisition by a municipality or
10 municipalities or a public entity created by law to own or
11 operate a water system under this Section, service and water
12 supply must be provided to persons who are customers of the
13 system on the effective date of this amendatory Act of the 94th
14 General Assembly without discrimination based on whether the
15 customer is located within or outside of the boundaries of the
16 acquiring municipality or municipalities or entity, and a
17 supply contract existing on the effective date of this
18 amendatory Act of the 94th General Assembly must be honored by
19 an acquiring municipality, municipalities, or entity according
20 to the terms so long as the agreement does not conflict with
21 any other existing agreement.

22 (e) For the purposes of this Section, "system" includes all
23 assets reasonably necessary to provide water service to a
24 contiguous or compact geographical service area or to an area
25 served by a common pipeline and include, but are not limited
26 to, interests in real estate, all wells, pipes, treatment

1 plants, pumps and other physical apparatus, data and records of
2 facilities and customers, fire hydrants, equipment, or
3 vehicles and also includes service agreements and obligations
4 derived from use of the assets, whether or not the assets are
5 contiguous to the municipality, municipalities, or entity
6 created for the purpose of owning or operating a water system.

7 (f) Before making a good faith offer, a municipality may
8 pass a resolution of intent to study the feasibility of
9 purchasing or exercising its power of eminent domain to acquire
10 any water system or water works, sewer system or sewer works,
11 or combined water and sewer system or works, or part thereof.
12 Upon the passage of such a resolution, the municipality shall
13 have the right to review and inspect all financial and other
14 records, and both corporeal and incorporeal assets of such
15 utility related to the condition and the operation of the
16 system or works, or part thereof, as part of the study and
17 determination of feasibility of the proposed acquisition by
18 purchase or exercise of the power of eminent domain, and the
19 utility shall make knowledgeable persons who have access to all
20 relevant facts and information regarding the subject system or
21 works available to answer inquiries related to the study and
22 determination.

23 The right to review and inspect shall be upon reasonable
24 notice to the utility, with reasonable inspection and review
25 time limitations and reasonable response times for production,
26 copying, and answer. In addition, the utility may utilize a

1 reasonable security protocol for personnel on the
2 municipality's physical inspection team.

3 In the absence of other agreement, the utility must respond
4 to any notice by the municipality concerning its review and
5 inspection within 21 days after receiving the notice. The
6 review and inspection of the assets of the company shall be
7 over such period of time and carried out in such manner as is
8 reasonable under the circumstances.

9 Information requested that is not privileged or protected
10 from discovery under the Illinois Code of Civil Procedure but
11 is reasonably claimed to be proprietary, including, without
12 limitation, information that constitutes trade secrets or
13 information that involves system security concerns, shall be
14 provided, but shall not be considered a public record and shall
15 be kept confidential by the municipality.

16 In addition, the municipality must, upon request,
17 reimburse the utility for the actual, reasonable costs and
18 expenses, excluding attorneys' fees, incurred by the utility as
19 a result of the municipality's inspection and requests for
20 information. Upon written request, the utility shall issue a
21 statement itemizing, with reasonable detail, the costs and
22 expenses for which reimbursement is sought by the utility.
23 Where such written request for a statement has been made, no
24 payment shall be required until 30 days after receipt of the
25 statement. Such reimbursement by the municipality shall be
26 considered income for purposes of any rate proceeding or other

1 financial request before the Illinois Commerce Commission by
2 the utility.

3 The municipality and the utility shall cooperate to resolve
4 any dispute arising under this subsection. In the event the
5 dispute under this subsection cannot be resolved, either party
6 may request relief from the circuit court in any county in
7 which the water system is located, with the prevailing party to
8 be awarded such relief as the court deems appropriate under the
9 discovery abuse sanctions currently set forth in the Illinois
10 Code of Civil Procedure.

11 The municipality's right to inspect physical assets and
12 records in connection with the purpose of this Section shall
13 not be exercised with respect to any system more than one time
14 during a 5-year period, unless a substantial change in the size
15 of the system or condition of the operating assets of the
16 system has occurred since the previous inspection. Rights under
17 franchise agreements and other agreements or statutory or
18 regulatory provisions are not limited by this Section and are
19 preserved.

20 The passage of time between an inspection of the utilities
21 and physical assets and the making of a good faith offer or
22 initiation of an eminent domain action because of the limit
23 placed on inspections by this subsection shall not be used as a
24 basis for challenging the good faith of any offer or be used as
25 the basis for attacking any appraisal, expert, argument, or
26 position before a court related to an acquisition by purchase

1 or eminent domain.

2 (g) Notwithstanding any other provision of law, the
3 Illinois Commerce Commission has no approval authority of any
4 eminent domain action brought by any governmental entity or
5 combination of such entities to acquire water systems or water
6 works.

7 (h) The provisions of this Section are severable under
8 Section 1.31 of the Statute on Statutes.

9 (i) This Section does not apply to any public utility
10 company that, on January 1, 2006, supplied a total of 70,000 or
11 fewer meter connections in the State unless and until (i) that
12 public utility company receives approval from the Illinois
13 Commerce Commission under Section 7-204 of the Public Utilities
14 Act for the reorganization of the public utility company or
15 (ii) the majority control of the company changes through a
16 stock sale, a sale of assets, a merger (other than an internal
17 reorganization) or otherwise. For the purpose of this Section,
18 "public utility company" means the public utility providing
19 water service and includes any of its corporate parents,
20 subsidiaries, or affiliates possessing a franchised water
21 service in the State.

22 (j) Any contractor or subcontractor that performs work on a
23 water system acquired by a municipality or municipalities under
24 this Section shall comply with the requirements of Section
25 30-22 of the Illinois Procurement Code. The contractor or
26 subcontractor shall submit evidence of compliance with Section

1 30-22 to the municipality or municipalities.

2 (k) The municipality or municipalities acquiring the water
3 system shall offer available employee positions to the
4 qualified employees of the acquired water system.

6 (65 ILCS 5/11-126-4) (from Ch. 24, par. 11-126-4)

7 Sec. 11-126-4. The corporate authorities of each
8 municipality ~~may make~~ make and enforce all needful rules and
9 regulations in the construction and management of such a system
10 of waterworks, and for the use of the water supplied thereby.

11 The corporate authorities of each municipality also may
12 make and enforce all needful rules, regulations, and enact
13 ordinances for the improvement, care, and protection from
14 pollution or other injury of any impounding reservoir or
15 artificial lake constructed or maintained by the municipality
16 for water supply purposes and any adjacent zone of land which
17 the municipality may acquire or control. If the leasing of
18 portions of such adjacent zone of land will, in the discretion
19 of the corporate authorities, aid in the protection from
20 pollution or other injury of the impounding reservoir or
21 artificial lake by promoting forestation, development or care
22 of other suitable vegetation, and the improvement, care and
23 maintenance of the premises, the corporate authorities may
24 lease those portions of that land jointly or severally to
25 custodians of good reputation and character for periods not to

1 exceed 60 years, and permit those custodians to construct,
2 maintain, use, and occupy dwelling houses and other structures
3 thereon for such rental and on such other terms and conditions
4 and subject to such rules and regulations and with such powers
5 and duties as may be determined by the corporate authorities.

6 The corporate authorities of each municipality have the
7 power to fix and collect from the inhabitants thereof the rent
8 or rates for the use and benefit of water used or supplied to
9 them by such a system of waterworks, as the corporate
10 authorities shall deem just and expedient. These rents or rates
11 shall be paid and collected in such manner as the corporate
12 authorities by ordinance shall provide. Such charges, rents, or
13 rates are liens upon the real estate upon or for which water
14 service is supplied whenever the charges, rents, or rates
15 become delinquent as provided by the ordinance of the
16 municipality fixing a delinquency date. However, the
17 municipality has no preference over the rights of any
18 purchaser, mortgagee, judgment creditor, or other lien holder
19 arising prior to the filing of the notice of such a lien in the
20 office of the recorder of the county in which such real estate
21 is located, or in the office of the registrar of titles of such
22 county if the property affected is registered under "An Act
23 concerning land titles", approved May 1, 1897, as amended. This
24 notice shall consist of a sworn statement setting out (1) a
25 description of such real estate sufficient for the
26 identification thereof, (2) the amount of money due for such

1 water service, and (3) the date when such amount became
2 delinquent. The municipality may foreclose this lien in the
3 same manner and with the same effect as in the foreclosure of
4 mortgages on real estate.

6 Section 205. The Civic Center Code is amended by changing
7 Section 205-100 as follows:

9 Sec. 205-100. Partial invalidity. The provisions of this
10 Article and the applications thereof to any person or
11 circumstance are declared to be severable.

12 If any Section, clause, sentence, paragraph, part or
13 provision of this Article shall be held to be invalid by any
14 court, it shall be conclusively presumed that the remaining
15 portions of this Article would have been passed by the
16 Legislature without such invalid Section, clause, sentence,
17 paragraph, part or provision.

18 If the application of any Section, clause, sentence,
19 paragraph, part or provision of this Article to any person or
20 circumstances is held invalid, such invalidity shall not affect
21 ~~effect~~ the application thereof to other persons or
22 circumstances.

4 Sec. 28. If any provision of this Act is held invalid such
5 provision shall be deemed to be excised from this Act ~~act~~ and
6 the invalidity thereof shall not affect ~~effect~~ any of the other
7 provisions of this Act. If the application of any provision of
8 this Act to any person or circumstance is held invalid, it
9 shall not affect the application of such provision to such
10 persons or circumstances other than those as to which it is
11 held invalid.

20 in those Sections.

12 (70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

13 Sec. 4.03. Taxes.

14 (a) In order to carry out any of the powers or purposes of
15 the Authority, the Board may by ordinance adopted with the
16 concurrence of 12 of the then Directors, impose throughout the
17 metropolitan region any or all of the taxes provided in this
18 Section. Except as otherwise provided in this Act, taxes
19 imposed under this Section and civil penalties imposed incident
20 thereto shall be collected and enforced by the State Department
21 of Revenue. The Department shall have the power to administer
22 and enforce the taxes and to determine all rights for refunds
23 for erroneous payments of the taxes. Nothing in this amendatory
24 Act of the 95th General Assembly is intended to invalidate any

1 taxes currently imposed by the Authority. The increased vote
2 requirements to impose a tax shall only apply to actions taken
3 after the effective date of this amendatory Act of the 95th
4 General Assembly.

5 (b) The Board may impose a public transportation tax upon
6 all persons engaged in the metropolitan region in the business
7 of selling at retail motor fuel for operation of motor vehicles
8 upon public highways. The tax shall be at a rate not to exceed
9 5% of the gross receipts from the sales of motor fuel in the
10 course of the business. As used in this Act, the term "motor
11 fuel" shall have the same meaning as in the Motor Fuel Tax Law.
12 The Board may provide for details of the tax. The provisions of
13 any tax shall conform, as closely as may be practicable, to the
14 provisions of the Municipal Retailers Occupation Tax Act,
15 including without limitation, conformity to penalties with
16 respect to the tax imposed and as to the powers of the State
17 Department of Revenue to promulgate and enforce rules and
18 regulations relating to the administration and enforcement of
19 the provisions of the tax imposed, except that reference in the
20 Act to any municipality shall refer to the Authority and the
21 tax shall be imposed only with regard to receipts from sales of
22 motor fuel in the metropolitan region, at rates as limited by
23 this Section.

24 (c) In connection with the tax imposed under paragraph (b)
25 of this Section the Board may impose a tax upon the privilege
26 of using in the metropolitan region motor fuel for the

1 operation of a motor vehicle upon public highways, the tax to
2 be at a rate not in excess of the rate of tax imposed under
3 paragraph (b) of this Section. The Board may provide for
4 details of the tax.

5 (d) The Board may impose a motor vehicle parking tax upon
6 the privilege of parking motor vehicles at off-street parking
7 facilities in the metropolitan region at which a fee is
8 charged, and may provide for reasonable classifications in and
9 exemptions to the tax, for administration and enforcement
10 thereof and for civil penalties and refunds thereunder and may
11 provide criminal penalties thereunder, the maximum penalties
12 not to exceed the maximum criminal penalties provided in the
13 Retailers' Occupation Tax Act. The Authority may collect and
14 enforce the tax itself or by contract with any unit of local
15 government. The State Department of Revenue shall have no
16 responsibility for the collection and enforcement unless the
17 Department agrees with the Authority to undertake the
18 collection and enforcement. As used in this paragraph, the term
19 "parking facility" means a parking area or structure having
20 parking spaces for more than 2 vehicles at which motor vehicles
21 are permitted to park in return for an hourly, daily, or other
22 periodic fee, whether publicly or privately owned, but does not
23 include parking spaces on a public street, the use of which is
24 regulated by parking meters.

25 (e) The Board may impose a Regional Transportation
26 Authority Retailers' Occupation Tax upon all persons engaged in

1 the business of selling tangible personal property at retail in
2 the metropolitan region. In Cook County the tax rate shall be
3 1.25% of the gross receipts from sales of food for human
4 consumption that is to be consumed off the premises where it is
5 sold (other than alcoholic beverages, soft drinks and food that
6 has been prepared for immediate consumption) and prescription
7 and nonprescription medicines, drugs, medical appliances and
8 insulin, urine testing materials, syringes and needles used by
9 diabetics, and 1% of the gross receipts from other taxable
10 sales made in the course of that business. In DuPage, Kane,
11 Lake, McHenry, and Will Counties, the tax rate shall be 0.75%
12 of the gross receipts from all taxable sales made in the course
13 of that business. The tax imposed under this Section and all
14 civil penalties that may be assessed as an incident thereof
15 shall be collected and enforced by the State Department of
16 Revenue. The Department shall have full power to administer and
17 enforce this Section; to collect all taxes and penalties so
18 collected in the manner hereinafter provided; and to determine
19 all rights to credit memoranda arising on account of the
20 erroneous payment of tax or penalty hereunder. In the
21 administration of, and compliance with this Section, the
22 Department and persons who are subject to this Section shall
23 have the same rights, remedies, privileges, immunities, powers
24 and duties, and be subject to the same conditions,
25 restrictions, limitations, penalties, exclusions, exemptions
26 and definitions of terms, and employ the same modes of

1 procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d,
2 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions
3 therein other than the State rate of tax), 2c, 3 (except as to
4 the disposition of taxes and penalties collected), 4, 5, 5a,
5 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8,
6 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and
7 Section 3-7 of the Uniform Penalty and Interest Act, as fully
8 as if those provisions were set forth herein.

9 Persons subject to any tax imposed under the authority
10 granted in this Section may reimburse themselves for their
11 seller's tax liability hereunder by separately stating the tax
12 as an additional charge, which charge may be stated in
13 combination in a single amount with State taxes that sellers
14 are required to collect under the Use Tax Act, under any
15 bracket schedules the Department may prescribe.

16 Whenever the Department determines that a refund should be
17 made under this Section to a claimant instead of issuing a
18 credit memorandum, the Department shall notify the State
19 Comptroller, who shall cause the warrant to be drawn for the
20 amount specified, and to the person named, in the notification
21 from the Department. The refund shall be paid by the State
22 Treasurer out of the Regional Transportation Authority tax fund
23 established under paragraph (n) of this Section.

24 If a tax is imposed under this subsection (e), a tax shall
25 also be imposed under subsections (f) and (g) of this Section.

26 For the purpose of determining whether a tax authorized

1 under this Section is applicable, a retail sale by a producer
2 of coal or other mineral mined in Illinois, is a sale at retail
3 at the place where the coal or other mineral mined in Illinois
4 is extracted from the earth. This paragraph does not apply to
5 coal or other mineral when it is delivered or shipped by the
6 seller to the purchaser at a point outside Illinois so that the
7 sale is exempt under the Federal Constitution as a sale in
8 interstate or foreign commerce.

9 No tax shall be imposed or collected under this subsection
10 on the sale of a motor vehicle in this State to a resident of
11 another state if that motor vehicle will not be titled in this
12 State.

13 Nothing in this Section shall be construed to authorize the
14 Regional Transportation Authority to impose a tax upon the
15 privilege of engaging in any business that under the
16 Constitution of the United States may not be made the subject
17 of taxation by this State.

18 (f) If a tax has been imposed under paragraph (e), a
19 Regional Transportation Authority Service Occupation Tax shall
20 also be imposed upon all persons engaged, in the metropolitan
21 region in the business of making sales of service, who as an
22 incident to making the sales of service, transfer tangible
23 personal property within the metropolitan region, either in the
24 form of tangible personal property or in the form of real
25 estate as an incident to a sale of service. In Cook County, the
26 tax rate shall be: (1) 1.25% of the serviceman's cost price of

1 food prepared for immediate consumption and transferred
2 incident to a sale of service subject to the service occupation
3 tax by an entity licensed under the Hospital Licensing Act, the
4 Nursing Home Care Act, the Specialized Mental Health
5 Rehabilitation Act, or the ID/DD Community Care Act that is
6 located in the metropolitan region; (2) 1.25% of the selling
7 price of food for human consumption that is to be consumed off
8 the premises where it is sold (other than alcoholic beverages,
9 soft drinks and food that has been prepared for immediate
10 consumption) and prescription and nonprescription medicines,
11 drugs, medical appliances and insulin, urine testing
12 materials, syringes and needles used by diabetics; and (3) 1%
13 of the selling price from other taxable sales of tangible
14 personal property transferred. In DuPage, Kane, Lake, McHenry
15 and Will Counties the rate shall be 0.75% of the selling price
16 of all tangible personal property transferred.

17 The tax imposed under this paragraph and all civil
18 penalties that may be assessed as an incident thereof shall be
19 collected and enforced by the State Department of Revenue. The
20 Department shall have full power to administer and enforce this
21 paragraph; to collect all taxes and penalties due hereunder; to
22 dispose of taxes and penalties collected in the manner
23 hereinafter provided; and to determine all rights to credit
24 memoranda arising on account of the erroneous payment of tax or
25 penalty hereunder. In the administration of and compliance with
26 this paragraph, the Department and persons who are subject to

1 this paragraph shall have the same rights, remedies,
2 privileges, immunities, powers and duties, and be subject to
3 the same conditions, restrictions, limitations, penalties,
4 exclusions, exemptions and definitions of terms, and employ the
5 same modes of procedure, as are prescribed in Sections 1a-1, 2,
6 2a, 3 through 3-50 (in respect to all provisions therein other
7 than the State rate of tax), 4 (except that the reference to
8 the State shall be to the Authority), 5, 7, 8 (except that the
9 jurisdiction to which the tax shall be a debt to the extent
10 indicated in that Section 8 shall be the Authority), 9 (except
11 as to the disposition of taxes and penalties collected, and
12 except that the returned merchandise credit for this tax may
13 not be taken against any State tax), 10, 11, 12 (except the
14 reference therein to Section 2b of the Retailers' Occupation
15 Tax Act), 13 (except that any reference to the State shall mean
16 the Authority), the first paragraph of Section 15, 16, 17, 18,
17 19 and 20 of the Service Occupation Tax Act and Section 3-7 of
18 the Uniform Penalty and Interest Act, as fully as if those
19 provisions were set forth herein.

20 Persons subject to any tax imposed under the authority
21 granted in this paragraph may reimburse themselves for their
22 serviceman's tax liability hereunder by separately stating the
23 tax as an additional charge, that charge may be stated in
24 combination in a single amount with State tax that servicemen
25 are authorized to collect under the Service Use Tax Act, under
26 any bracket schedules the Department may prescribe.

1 Whenever the Department determines that a refund should be
2 made under this paragraph to a claimant instead of issuing a
3 credit memorandum, the Department shall notify the State
4 Comptroller, who shall cause the warrant to be drawn for the
5 amount specified, and to the person named in the notification
6 from the Department. The refund shall be paid by the State
7 Treasurer out of the Regional Transportation Authority tax fund
8 established under paragraph (n) of this Section.

9 Nothing in this paragraph shall be construed to authorize
10 the Authority to impose a tax upon the privilege of engaging in
11 any business that under the Constitution of the United States
12 may not be made the subject of taxation by the State.

13 (g) If a tax has been imposed under paragraph (e), a tax
14 shall also be imposed upon the privilege of using in the
15 metropolitan region, any item of tangible personal property
16 that is purchased outside the metropolitan region at retail
17 from a retailer, and that is titled or registered with an
18 agency of this State's government. In Cook County the tax rate
19 shall be 1% of the selling price of the tangible personal
20 property, as "selling price" is defined in the Use Tax Act. In
21 DuPage, Kane, Lake, McHenry and Will counties the tax rate
22 shall be 0.75% of the selling price of the tangible personal
23 property, as "selling price" is defined in the Use Tax Act. The
24 tax shall be collected from persons whose Illinois address for
25 titling or registration purposes is given as being in the
26 metropolitan region. The tax shall be collected by the

1 Department of Revenue for the Regional Transportation
2 Authority. The tax must be paid to the State, or an exemption
3 determination must be obtained from the Department of Revenue,
4 before the title or certificate of registration for the
5 property may be issued. The tax or proof of exemption may be
6 transmitted to the Department by way of the State agency with
7 which, or the State officer with whom, the tangible personal
8 property must be titled or registered if the Department and the
9 State agency or State officer determine that this procedure
10 will expedite the processing of applications for title or
11 registration.

12 The Department shall have full power to administer and
13 enforce this paragraph; to collect all taxes, penalties and
14 interest due hereunder; to dispose of taxes, penalties and
15 interest collected in the manner hereinafter provided; and to
16 determine all rights to credit memoranda or refunds arising on
17 account of the erroneous payment of tax, penalty or interest
18 hereunder. In the administration of and compliance with this
19 paragraph, the Department and persons who are subject to this
20 paragraph shall have the same rights, remedies, privileges,
21 immunities, powers and duties, and be subject to the same
22 conditions, restrictions, limitations, penalties, exclusions,
23 exemptions and definitions of terms and employ the same modes
24 of procedure, as are prescribed in Sections 2 (except the
25 definition of "retailer maintaining a place of business in this
26 State"), 3 through 3-80 (except provisions pertaining to the

1 State rate of tax, and except provisions concerning collection
2 or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15,
3 19 (except the portions pertaining to claims by retailers and
4 except the last paragraph concerning refunds), 20, 21 and 22 of
5 the Use Tax Act, and are not inconsistent with this paragraph,
6 as fully as if those provisions were set forth herein.

7 Whenever the Department determines that a refund should be
8 made under this paragraph to a claimant instead of issuing a
9 credit memorandum, the Department shall notify the State
10 Comptroller, who shall cause the order to be drawn for the
11 amount specified, and to the person named in the notification
12 from the Department. The refund shall be paid by the State
13 Treasurer out of the Regional Transportation Authority tax fund
14 established under paragraph (n) of this Section.

15 (h) The Authority may impose a replacement vehicle tax of
16 \$50 on any passenger car as defined in Section 1-157 of the
17 Illinois Vehicle Code purchased within the metropolitan region
18 by or on behalf of an insurance company to replace a passenger
19 car of an insured person in settlement of a total loss claim.
20 The tax imposed may not become effective before the first day
21 of the month following the passage of the ordinance imposing
22 the tax and receipt of a certified copy of the ordinance by the
23 Department of Revenue. The Department of Revenue shall collect
24 the tax for the Authority in accordance with Sections 3-2002
25 and 3-2003 of the Illinois Vehicle Code.

26 The Department shall immediately pay over to the State

1 Treasurer, ex officio, as trustee, all taxes collected
2 hereunder.

3 As soon as possible after the first day of each month,
4 beginning January 1, 2011, upon certification of the Department
5 of Revenue, the Comptroller shall order transferred, and the
6 Treasurer shall transfer, to the STAR Bonds Revenue Fund the
7 local sales tax increment, as defined in the Innovation
8 Development and Economy Act, collected under this Section
9 during the second preceding calendar month for sales within a
10 STAR bond district.

11 After the monthly transfer to the STAR Bonds Revenue Fund,
12 on or before the 25th day of each calendar month, the
13 Department shall prepare and certify to the Comptroller the
14 disbursement of stated sums of money to the Authority. The
15 amount to be paid to the Authority shall be the amount
16 collected hereunder during the second preceding calendar month
17 by the Department, less any amount determined by the Department
18 to be necessary for the payment of refunds, and less any
19 amounts that are transferred to the STAR Bonds Revenue Fund.
20 Within 10 days after receipt by the Comptroller of the
21 disbursement certification to the Authority provided for in
22 this Section to be given to the Comptroller by the Department,
23 the Comptroller shall cause the orders to be drawn for that
24 amount in accordance with the directions contained in the
25 certification.

26 (i) The Board may not impose any other taxes except as it

1 may from time to time be authorized by law to impose.

2 (j) A certificate of registration issued by the State
3 Department of Revenue to a retailer under the Retailers'
4 Occupation Tax Act or under the Service Occupation Tax Act
5 shall permit the registrant to engage in a business that is
6 taxed under the tax imposed under paragraphs (b), (e), (f) or
7 (g) of this Section and no additional registration shall be
8 required under the tax. A certificate issued under the Use Tax
9 Act or the Service Use Tax Act shall be applicable with regard
10 to any tax imposed under paragraph (c) of this Section.

11 (k) The provisions of any tax imposed under paragraph (c)
12 of this Section shall conform as closely as may be practicable
13 to the provisions of the Use Tax Act, including without
14 limitation conformity as to penalties with respect to the tax
15 imposed and as to the powers of the State Department of Revenue
16 to promulgate and enforce rules and regulations relating to the
17 administration and enforcement of the provisions of the tax
18 imposed. The taxes shall be imposed only on use within the
19 metropolitan region and at rates as provided in the paragraph.

20 (l) The Board in imposing any tax as provided in paragraphs
21 (b) and (c) of this Section, shall, after seeking the advice of
22 the State Department of Revenue, provide means for retailers,
23 users or purchasers of motor fuel for purposes other than those
24 with regard to which the taxes may be imposed as provided in
25 those paragraphs to receive refunds of taxes improperly paid,
26 which provisions may be at variance with the refund provisions

1 as applicable under the Municipal Retailers Occupation Tax Act.
2 The State Department of Revenue may provide for certificates of
3 registration for users or purchasers of motor fuel for purposes
4 other than those with regard to which taxes may be imposed as
5 provided in paragraphs (b) and (c) of this Section to
6 facilitate the reporting and nontaxability of the exempt sales
7 or uses.

8 (m) Any ordinance imposing or discontinuing any tax under
9 this Section shall be adopted and a certified copy thereof
10 filed with the Department on or before June 1, whereupon the
11 Department of Revenue shall proceed to administer and enforce
12 this Section on behalf of the Regional Transportation Authority
13 as of September 1 next following such adoption and filing.
14 Beginning January 1, 1992, an ordinance or resolution imposing
15 or discontinuing the tax hereunder shall be adopted and a
16 certified copy thereof filed with the Department on or before
17 the first day of July, whereupon the Department shall proceed
18 to administer and enforce this Section as of the first day of
19 October next following such adoption and filing. Beginning
20 January 1, 1993, an ordinance or resolution imposing,
21 increasing, decreasing, or discontinuing the tax hereunder
22 shall be adopted and a certified copy thereof filed with the
23 Department, whereupon the Department shall proceed to
24 administer and enforce this Section as of the first day of the
25 first month to occur not less than 60 days following such
26 adoption and filing. Any ordinance or resolution of the

1 Authority imposing a tax under this Section and in effect on
2 August 1, 2007 shall remain in full force and effect and shall
3 be administered by the Department of Revenue under the terms
4 and conditions and rates of tax established by such ordinance
5 or resolution until the Department begins administering and
6 enforcing an increased tax under this Section as authorized by
7 this amendatory Act of the 95th General Assembly. The tax rates
8 authorized by this amendatory Act of the 95th General Assembly
9 are effective only if imposed by ordinance of the Authority.

10 (n) The State Department of Revenue shall, upon collecting
11 any taxes as provided in this Section, pay the taxes over to
12 the State Treasurer as trustee for the Authority. The taxes
13 shall be held in a trust fund outside the State Treasury. On or
14 before the 25th day of each calendar month, the State
15 Department of Revenue shall prepare and certify to the
16 Comptroller of the State of Illinois and to the Authority (i)
17 the amount of taxes collected in each County other than Cook
18 County in the metropolitan region, (ii) the amount of taxes
19 collected within the City of Chicago, and (iii) the amount
20 collected in that portion of Cook County outside of Chicago,
21 each amount less the amount necessary for the payment of
22 refunds to taxpayers located in those areas described in items
23 (i), (ii), and (iii). Within 10 days after receipt by the
24 Comptroller of the certification of the amounts, the
25 Comptroller shall cause an order to be drawn for the payment of
26 two-thirds of the amounts certified in item (i) of this

1 subsection to the Authority and one-third of the amounts
2 certified in item (i) of this subsection to the respective
3 counties other than Cook County and the amount certified in
4 items (ii) and (iii) of this subsection to the Authority.

5 In addition to the disbursement required by the preceding
6 paragraph, an allocation shall be made in July 1991 and each
7 year thereafter to the Regional Transportation Authority. The
8 allocation shall be made in an amount equal to the average
9 monthly distribution during the preceding calendar year
10 (excluding the 2 months of lowest receipts) and the allocation
11 shall include the amount of average monthly distribution from
12 the Regional Transportation Authority Occupation and Use Tax
13 Replacement Fund. The distribution made in July 1992 and each
14 year thereafter under this paragraph and the preceding
15 paragraph shall be reduced by the amount allocated and
16 disbursed under this paragraph in the preceding calendar year.
17 The Department of Revenue shall prepare and certify to the
18 Comptroller for disbursement the allocations made in
19 accordance with this paragraph.

20 (o) Failure to adopt a budget ordinance or otherwise to
21 comply with Section 4.01 of this Act or to adopt a Five-year
22 Capital Program or otherwise to comply with paragraph (b) of
23 Section 2.01 of this Act shall not affect the validity of any
24 tax imposed by the Authority otherwise in conformity with law.

25 (p) At no time shall a public transportation tax or motor
26 vehicle parking tax authorized under paragraphs (b), (c) and

1 (d) of this Section be in effect at the same time as any
2 retailers' occupation, use or service occupation tax
3 authorized under paragraphs (e), (f) and (g) of this Section is
4 in effect.

5 Any taxes imposed under the authority provided in
6 paragraphs (b), (c) and (d) shall remain in effect only until
7 the time as any tax authorized by paragraphs (e), (f) or (g) of
8 this Section are imposed and becomes effective. Once any tax
9 authorized by paragraphs (e), (f) or (g) is imposed the Board
10 may not reimpose taxes as authorized in paragraphs (b), (c) and
11 (d) of the Section unless any tax authorized by paragraphs (e),
12 (f) or (g) of this Section becomes ineffective by means other
13 than an ordinance of the Board.

14 (q) Any existing rights, remedies and obligations
15 (including enforcement by the Regional Transportation
16 Authority) arising under any tax imposed under paragraphs (b),
17 (c) or (d) of this Section shall not be affected by the
18 imposition of a tax under paragraphs (e), (f) or (g) of this
19 Section.

3 Sections 10-20.53 and 34-18.45 as follows:

4 (105 ILCS 5/1D-1)

5 Sec. 1D-1. Block grant funding.

6 (a) For fiscal year 1996 and each fiscal year thereafter,
7 the State Board of Education shall award to a school district
8 having a population exceeding 500,000 inhabitants a general
9 education block grant and an educational services block grant,
10 determined as provided in this Section, in lieu of distributing
11 to the district separate State funding for the programs
12 described in subsections (b) and (c). The provisions of this
13 Section, however, do not apply to any federal funds that the
14 district is entitled to receive. In accordance with Section
15 2-3.32, all block grants are subject to an audit. Therefore,
16 block grant receipts and block grant expenditures shall be
17 recorded to the appropriate fund code for the designated block
18 grant.

19 (b) The general education block grant shall include the
20 following programs: REI Initiative, Summer Bridges, Preschool
21 At Risk, K-6 Comprehensive Arts, School Improvement Support,
22 Urban Education, Scientific Literacy, Substance Abuse
23 Prevention, Second Language Planning, Staff Development,
24 Outcomes and Assessment, K-6 Reading Improvement, 7-12
25 Continued Reading Improvement, Truants' Optional Education,

1 Hispanic Programs, Agriculture Education, Parental Education,
2 Prevention Initiative, Report Cards, and Criminal Background
3 Investigations. Notwithstanding any other provision of law,
4 all amounts paid under the general education block grant from
5 State appropriations to a school district in a city having a
6 population exceeding 500,000 inhabitants shall be appropriated
7 and expended by the board of that district for any of the
8 programs included in the block grant or any of the board's
9 lawful purposes.

10 (c) The educational services block grant shall include the
11 following programs: Regular and Vocational Transportation,
12 State Lunch and Free Breakfast Program, Special Education
13 (Personnel, Transportation, Orphanage, Private Tuition),
14 funding for children requiring special education services,
15 Summer School, Educational Service Centers, and
16 Administrator's Academy. This subsection (c) does not relieve
17 the district of its obligation to provide the services required
18 under a program that is included within the educational
19 services block grant. It is the intention of the General
20 Assembly in enacting the provisions of this subsection (c) to
21 relieve the district of the administrative burdens that impede
22 efficiency and accompany single-program funding. The General
23 Assembly encourages the board to pursue mandate waivers
24 pursuant to Section 2-3.25g.

25 The funding program included in the educational services
26 block grant for funding for children requiring special

1 education services in each fiscal year shall be treated in that
2 fiscal year as a payment to the school district in respect of
3 services provided or costs incurred in the prior fiscal year,
4 calculated in each case as provided in this Section. Nothing in
5 this Section shall change the nature of payments for any
6 program that, apart from this Section, would be or, prior to
7 adoption or amendment of this Section, was on the basis of a
8 payment in a fiscal year in respect of services provided or
9 costs incurred in the prior fiscal year, calculated in each
10 case as provided in this Section.

11 (d) For fiscal year 1996 and each fiscal year thereafter,
12 the amount of the district's block grants shall be determined
13 as follows: (i) with respect to each program that is included
14 within each block grant, the district shall receive an amount
15 equal to the same percentage of the current fiscal year
16 appropriation made for that program as the percentage of the
17 appropriation received by the district from the 1995 fiscal
18 year appropriation made for that program, and (ii) the total
19 amount that is due the district under the block grant shall be
20 the aggregate of the amounts that the district is entitled to
21 receive for the fiscal year with respect to each program that
22 is included within the block grant that the State Board of
23 Education shall award the district under this Section for that
24 fiscal year. In the case of the Summer Bridges program, the
25 amount of the district's block grant shall be equal to 44% of
26 the amount of the current fiscal year appropriation made for

1 that program.

2 (e) The district is not required to file any application or
3 other claim in order to receive the block grants to which it is
4 entitled under this Section. The State Board of Education shall
5 make payments to the district of amounts due under the
6 district's block grants on a schedule determined by the State
7 Board of Education.

8 (f) A school district to which this Section applies shall
9 report to the State Board of Education on its use of the block
10 grants in such form and detail as the State Board of Education
11 may specify. In addition, the report must include the following
12 description for the district, which must also be reported to
13 the General Assembly: block grant allocation and expenditures
14 by program; population and service levels by program; and
15 administrative expenditures by program. The State Board of
16 Education shall ensure that the reporting requirements for the
17 district are the same as for all other school districts in this
18 State.

19 (g) This paragraph provides for the treatment of block
20 grants under Article 1C for purposes of calculating the amount
21 of block grants for a district under this Section. Those block
22 grants under Article 1C are, for this purpose, treated as
23 included in the amount of appropriation for the various
24 programs set forth in paragraph (b) above. The appropriation in
25 each current fiscal year for each block grant under Article 1C
26 shall be treated for these purposes as appropriations for the

1 individual program included in that block grant. The proportion
2 of each block grant so allocated to each such program included
3 in it shall be the proportion which the appropriation for that
4 program was of all appropriations for such purposes now in that
5 block grant, in fiscal 1995.

6 Payments to the school district under this Section with
7 respect to each program for which payments to school districts
8 generally, as of the date of this amendatory Act of the 92nd
9 General Assembly, are on a reimbursement basis shall continue
10 to be made to the district on a reimbursement basis, pursuant
11 to the provisions of this Code governing those programs.

12 (h) Notwithstanding any other provision of law, any school
13 district receiving a block grant under this Section may
14 classify all or a portion of the funds that it receives in a
15 particular fiscal year from any block grant authorized under
16 this Code or from general State aid pursuant to Section 18-8.05
17 of this Code (other than supplemental general State aid) as
18 funds received in connection with any funding program for which
19 it is entitled to receive funds from the State in that fiscal
20 year (including, without limitation, any funding program
21 referred to in subsection (c) of this Section), regardless of
22 the source or timing of the receipt. The district may not
23 classify more funds as funds received in connection with the
24 funding program than the district is entitled to receive in
25 that fiscal year for that program. Any classification by a
26 district must be made by a resolution of its board of

1 education. The resolution must identify the amount of any block
2 grant or general State aid to be classified under this
3 subsection (h) and must specify the funding program to which
4 the funds are to be treated as received in connection
5 therewith. This resolution is controlling as to the
6 classification of funds referenced therein. A certified copy of
7 the resolution must be sent to the State Superintendent of
8 Education. The resolution shall still take effect even though a
9 copy of the resolution has not been sent to the State
10 Superintendent of Education in a timely manner. No
11 classification under this subsection (h) by a district shall
12 affect the total amount or timing of money the district is
13 entitled to receive under this Code. No classification under
14 this subsection (h) by a district shall in any way relieve the
15 district from or affect any requirements that otherwise would
16 apply with respect to the block grant as provided in this
17 Section, including any accounting of funds by source, reporting
18 expenditures by original source and purpose, reporting
19 requirements, or requirements of provision of services.

22 (105 ILCS 5/2-3.153)

23 Sec. 2-3.153. Survey of learning conditions. The State
24 Board of Education shall select for statewide administration an
25 instrument to provide feedback from, at a minimum, students in

1 grades 6 through 12 and teachers on the instructional
2 environment within a school after giving consideration to the
3 recommendations of the Performance Evaluation Advisory Council
4 made pursuant to subdivision (6) of subsection (a) of Section
5 24A-20 of this Code. Subject to appropriation to the State
6 Board of Education for the State's cost of development and
7 administration and commencing with the 2012-2013 school year,
8 each school district shall administer, at least biannually, the
9 instrument in every public school attendance center by a date
10 specified by the State Superintendent of Education, and data
11 resulting from the instrument's administration must be
12 provided to the State Board of Education. The survey component
13 that requires completion by the teachers must be administered
14 during teacher meetings or professional development days or at
15 other times that would not interfere with the teachers' regular
16 classroom and direct instructional duties. The State
17 Superintendent, following consultation with teachers,
18 principals, and other appropriate stakeholders, shall publicly
19 report on selected indicators of learning conditions resulting
20 from administration of the instrument at the individual school,
21 district, and State levels and shall identify whether the
22 indicators result from an anonymous administration of the
23 instrument. If in any year the appropriation to the State Board
24 of Education is insufficient for the State's costs associated
25 with statewide administration of the instrument, the State
26 Board of Education shall give priority to districts with

1 low-performing schools and a representative sample of other
2 districts.

4 (105 ILCS 5/2-3.154)

5 Sec. 2-3.154 ~~2-3.153~~. Low Performing Schools Intervention
6 Program. From any funds appropriated to the State Board of
7 Education for the purposes of intervening in low performing
8 schools, the State Superintendent may, in his or her
9 discretion, select school districts and schools in which to
10 directly or indirectly intervene; provided however that such
11 school districts and schools are within the lowest 5% in terms
12 of performance in the State as determined by the State
13 Superintendent. Intervention may take the form of a needs
14 assessment or additional, more intensive intervention, as
15 determined by the State Superintendent. Expenditures from
16 funds appropriated for this purpose may include, without
17 limitation, contracts, grants and travel to support the
18 intervention.

20 (105 ILCS 5/2-3.155)

21 Sec. 2-3.155 ~~2-3.153~~. Textbook block grant program.

22 (a) The provisions of this Section are in the public
23 interest, for the public benefit, and serve secular public
24 purposes.

1 (b) As used in this Section, "textbook" means any book or
2 book substitute that a pupil uses as a text or text substitute,
3 including electronic textbooks. "Textbook" includes books,
4 reusable workbooks, manuals, whether bound or in loose-leaf
5 form, instructional computer software, and electronic
6 textbooks and the technological equipment necessary to gain
7 access to and use electronic textbooks intended as a principal
8 source of study material for a given class or group of
9 students. "Textbook" also includes science curriculum
10 materials in a kit format that includes pre-packaged consumable
11 materials if (i) it is shown that the materials serve as a
12 textbook substitute, (ii) the materials are for use by the
13 pupils as a principal learning source, (iii) each component of
14 the materials is integrally necessary to teach the requirements
15 of the intended course, (iv) the kit includes teacher guidance
16 materials, and (v) the purchase of individual consumable
17 materials is not allowed.

18 (c) Beginning July 1, 2011, subject to annual appropriation
19 by the General Assembly, the State Board of Education is
20 authorized to provide annual funding to public school districts
21 and State-recognized, non-public schools serving students in
22 grades kindergarten through 12 for the purchase of selected
23 textbooks. The textbooks authorized to be purchased under this
24 Section are limited without exception to textbooks that have
25 been preapproved and designated by the State Board of Education
26 for use in any public school and that are secular,

1 non-religious, and non-sectarian. The State Board of Education
2 shall annually publish a list of the textbooks authorized to be
3 purchased under this Section. Each public school district and
4 State-recognized, non-public school shall, subject to
5 appropriations for that purpose, receive a per pupil grant for
6 the purchase of secular textbooks. The per pupil grant amount
7 must be calculated by the State Board of Education utilizing
8 the total appropriation made for these purposes divided by the
9 most current student enrollment data available.

10 (d) The State Board of Education may adopt rules as
11 necessary for the implementation of this Section and to ensure
12 the religious neutrality of the textbook block grant program,
13 as well as provide for the monitoring of all textbooks
14 authorized in this Section to be purchased directly by
15 State-recognized, nonpublic schools serving students in grades
16 kindergarten through 12.

19 Sec. 10-20.43. School facility occupation tax fund. All
20 proceeds received by a school district from a distribution
21 under Section 3-14.31 must be maintained in a special fund
22 known as the school facility occupation tax fund. The district
23 may use moneys in that fund only for school facility purposes,
24 as that term is defined under Section 5-1006.7 of the Counties
25 Code.

4 Sec. 10-20.53. Minimum reading instruction. Each school
5 board shall promote 60 minutes of minimum reading opportunities
6 daily for students in kindergarten through 3rd grade whose
7 reading level is one grade level or lower than their ~~his or her~~
8 current grade level according to current learning standards and
9 the school district.

11 (105 ILCS 5/10-20.54)

12 Sec. 10-20.54 ~~10-20.53~~. Student athletes; concussions and
13 head injuries.

14 (a) The General Assembly recognizes all of the following:

15 (1) Concussions are one of the most commonly reported
16 injuries in children and adolescents who participate in
17 sports and recreational activities. The Centers for
18 Disease Control and Prevention estimates that as many as
19 3,900,000 sports-related and recreation-related
20 concussions occur in the United States each year. A
21 concussion is caused by a blow or motion to the head or
22 body that causes the brain to move rapidly inside the
23 skull. The risk of catastrophic injuries or death are
24 significant when a concussion or head injury is not

1 properly evaluated and managed.

2 (2) Concussions are a type of brain injury that can
3 range from mild to severe and can disrupt the way the brain
4 normally works. Concussions can occur in any organized or
5 unorganized sport or recreational activity and can result
6 from a fall or from players colliding with each other, the
7 ground, or with obstacles. Concussions occur with or
8 without loss of consciousness, but the vast majority of
9 concussions occur without loss of consciousness.

10 (3) Continuing to play with a concussion or symptoms of
11 a head injury leaves a young athlete especially vulnerable
12 to greater injury and even death. The General Assembly
13 recognizes that, despite having generally recognized
14 return-to-play standards for concussions and head
15 injuries, some affected youth athletes are prematurely
16 returned to play, resulting in actual or potential physical
17 injury or death to youth athletes in this State.

18 (b) Each school board shall adopt a policy regarding
19 student athlete concussions and head injuries that is in
20 compliance with the protocols, policies, and by-laws of the
21 Illinois High School Association. Information on the school
22 board's concussion and head injury policy must be a part of any
23 agreement, contract, code, or other written instrument that a
24 school district requires a student athlete and his or her
25 parents or guardian to sign before participating in practice or
26 interscholastic competition.

1 (c) The Illinois High School Association shall make
2 available to all school districts, including elementary school
3 districts, education materials, such as visual presentations
4 and other written materials, that describe the nature and risk
5 of concussions and head injuries. Each school district shall
6 use education materials provided by the Illinois High School
7 Association to educate coaches, student athletes, and parents
8 and guardians of student athletes about the nature and risk of
9 concussions and head injuries, including continuing play after
10 a concussion or head injury.

12 (105 ILCS 5/10-21.9) (from Ch. 122, par. 10-21.9)

13 Sec. 10-21.9. Criminal history records checks and checks of
14 the Statewide Sex Offender Database and Statewide Murderer and
15 Violent Offender Against Youth Database.

16 (a) Certified and noncertified applicants for employment
17 with a school district, except school bus driver applicants,
18 are required as a condition of employment to authorize a
19 fingerprint-based criminal history records check to determine
20 if such applicants have been convicted of any of the enumerated
21 criminal or drug offenses in subsection (c) of this Section or
22 have been convicted, within 7 years of the application for
23 employment with the school district, of any other felony under
24 the laws of this State or of any offense committed or attempted
25 in any other state or against the laws of the United States

1 that, if committed or attempted in this State, would have been
2 punishable as a felony under the laws of this State.
3 Authorization for the check shall be furnished by the applicant
4 to the school district, except that if the applicant is a
5 substitute teacher seeking employment in more than one school
6 district, a teacher seeking concurrent part-time employment
7 positions with more than one school district (as a reading
8 specialist, special education teacher or otherwise), or an
9 educational support personnel employee seeking employment
10 positions with more than one district, any such district may
11 require the applicant to furnish authorization for the check to
12 the regional superintendent of the educational service region
13 in which are located the school districts in which the
14 applicant is seeking employment as a substitute or concurrent
15 part-time teacher or concurrent educational support personnel
16 employee. Upon receipt of this authorization, the school
17 district or the appropriate regional superintendent, as the
18 case may be, shall submit the applicant's name, sex, race, date
19 of birth, social security number, fingerprint images, and other
20 identifiers, as prescribed by the Department of State Police,
21 to the Department. The regional superintendent submitting the
22 requisite information to the Department of State Police shall
23 promptly notify the school districts in which the applicant is
24 seeking employment as a substitute or concurrent part-time
25 teacher or concurrent educational support personnel employee
26 that the check of the applicant has been requested. The

1 Department of State Police and the Federal Bureau of
2 Investigation shall furnish, pursuant to a fingerprint-based
3 criminal history records check, records of convictions, until
4 expunged, to the president of the school board for the school
5 district that requested the check, or to the regional
6 superintendent who requested the check. The Department shall
7 charge the school district or the appropriate regional
8 superintendent a fee for conducting such check, which fee shall
9 be deposited in the State Police Services Fund and shall not
10 exceed the cost of the inquiry; and the applicant shall not be
11 charged a fee for such check by the school district or by the
12 regional superintendent, except that those applicants seeking
13 employment as a substitute teacher with a school district may
14 be charged a fee not to exceed the cost of the inquiry. Subject
15 to appropriations for these purposes, the State Superintendent
16 of Education shall reimburse school districts and regional
17 superintendents for fees paid to obtain criminal history
18 records checks under this Section.

19 (a-5) The school district or regional superintendent shall
20 further perform a check of the Statewide Sex Offender Database,
21 as authorized by the Sex Offender Community Notification Law,
22 for each applicant.

23 (a-6) The school district or regional superintendent shall
24 further perform a check of the Statewide Murderer and Violent
25 Offender Against Youth Database, as authorized by the Murderer
26 and Violent Offender Against Youth Community Notification Law,

1 for each applicant.

2 (b) Any information concerning the record of convictions
3 obtained by the president of the school board or the regional
4 superintendent shall be confidential and may only be
5 transmitted to the superintendent of the school district or his
6 designee, the appropriate regional superintendent if the check
7 was requested by the school district, the presidents of the
8 appropriate school boards if the check was requested from the
9 Department of State Police by the regional superintendent, the
10 State Superintendent of Education, the State Teacher
11 Certification Board, any other person necessary to the decision
12 of hiring the applicant for employment, or for clarification
13 purposes the Department of State Police or Statewide Sex
14 Offender Database, or both. A copy of the record of convictions
15 obtained from the Department of State Police shall be provided
16 to the applicant for employment. Upon the check of the
17 Statewide Sex Offender Database, the school district or
18 regional superintendent shall notify an applicant as to whether
19 or not the applicant has been identified in the Database as a
20 sex offender. If a check of an applicant for employment as a
21 substitute or concurrent part-time teacher or concurrent
22 educational support personnel employee in more than one school
23 district was requested by the regional superintendent, and the
24 Department of State Police upon a check ascertains that the
25 applicant has not been convicted of any of the enumerated
26 criminal or drug offenses in subsection (c) or has not been

1 convicted, within 7 years of the application for employment
2 with the school district, of any other felony under the laws of
3 this State or of any offense committed or attempted in any
4 other state or against the laws of the United States that, if
5 committed or attempted in this State, would have been
6 punishable as a felony under the laws of this State and so
7 notifies the regional superintendent and if the regional
8 superintendent upon a check ascertains that the applicant has
9 not been identified in the Sex Offender Database as a sex
10 offender, then the regional superintendent shall issue to the
11 applicant a certificate evidencing that as of the date
12 specified by the Department of State Police the applicant has
13 not been convicted of any of the enumerated criminal or drug
14 offenses in subsection (c) or has not been convicted, within 7
15 years of the application for employment with the school
16 district, of any other felony under the laws of this State or
17 of any offense committed or attempted in any other state or
18 against the laws of the United States that, if committed or
19 attempted in this State, would have been punishable as a felony
20 under the laws of this State and evidencing that as of the date
21 that the regional superintendent conducted a check of the
22 Statewide Sex Offender Database, the applicant has not been
23 identified in the Database as a sex offender. The school board
24 of any school district may rely on the certificate issued by
25 any regional superintendent to that substitute teacher,
26 concurrent part-time teacher, or concurrent educational

1 support personnel employee or may initiate its own criminal
2 history records check of the applicant through the Department
3 of State Police and its own check of the Statewide Sex Offender
4 Database as provided in subsection (a). Any person who releases
5 any confidential information concerning any criminal
6 convictions of an applicant for employment shall be guilty of a
7 Class A misdemeanor, unless the release of such information is
8 authorized by this Section.

9 (c) No school board shall knowingly employ a person who has
10 been convicted of any offense that would subject him or her to
11 license suspension or revocation pursuant to Section 21B-80 of
12 this Code. Further, no school board shall knowingly employ a
13 person who has been found to be the perpetrator of sexual or
14 physical abuse of any minor under 18 years of age pursuant to
15 proceedings under Article II of the Juvenile Court Act of 1987.

16 (d) No school board shall knowingly employ a person for
17 whom a criminal history records check and a Statewide Sex
18 Offender Database check has not been initiated.

19 (e) Upon receipt of the record of a conviction of or a
20 finding of child abuse by a holder of any certificate issued
21 pursuant to Article 21 or Section 34-8.1 or 34-83 of the School
22 Code, the State Superintendent of Education may initiate
23 certificate suspension and revocation proceedings as
24 authorized by law.

25 (e-5) The superintendent of the employing school board
26 shall, in writing, notify the State Superintendent of Education

1 and the applicable regional superintendent of schools of any
2 certificate holder whom he or she has reasonable cause to
3 believe has committed an intentional act of abuse or neglect
4 with the result of making a child an abused child or a
5 neglected child, as defined in Section 3 of the Abused and
6 Neglected Child Reporting Act, and that act resulted in the
7 certificate holder's dismissal or resignation from the school
8 district. This notification must be submitted within 30 days
9 after the dismissal or resignation. The certificate holder must
10 also be contemporaneously sent a copy of the notice by the
11 superintendent. All correspondence, documentation, and other
12 information so received by the regional superintendent of
13 schools, the State Superintendent of Education, the State Board
14 of Education, or the State Teacher Certification Board under
15 this subsection (e-5) is confidential and must not be disclosed
16 to third parties, except (i) as necessary for the State
17 Superintendent of Education or his or her designee to
18 investigate and prosecute pursuant to Article 21 of this Code,
19 (ii) pursuant to a court order, (iii) for disclosure to the
20 certificate holder or his or her representative, or (iv) as
21 otherwise provided in this Article and provided that any such
22 information admitted into evidence in a hearing is exempt from
23 this confidentiality and non-disclosure requirement. Except
24 for an act of willful or wanton misconduct, any superintendent
25 who provides notification as required in this subsection (e-5)
26 shall have immunity from any liability, whether civil or

1 criminal or that otherwise might result by reason of such
2 action.

3 (f) After January 1, 1990 the provisions of this Section
4 shall apply to all employees of persons or firms holding
5 contracts with any school district including, but not limited
6 to, food service workers, school bus drivers and other
7 transportation employees, who have direct, daily contact with
8 the pupils of any school in such district. For purposes of
9 criminal history records checks and checks of the Statewide Sex
10 Offender Database on employees of persons or firms holding
11 contracts with more than one school district and assigned to
12 more than one school district, the regional superintendent of
13 the educational service region in which the contracting school
14 districts are located may, at the request of any such school
15 district, be responsible for receiving the authorization for a
16 criminal history records check prepared by each such employee
17 and submitting the same to the Department of State Police and
18 for conducting a check of the Statewide Sex Offender Database
19 for each employee. Any information concerning the record of
20 conviction and identification as a sex offender of any such
21 employee obtained by the regional superintendent shall be
22 promptly reported to the president of the appropriate school
23 board or school boards.

24 (g) In order to student teach in the public schools, a
25 person is required to authorize a fingerprint-based criminal
26 history records check and checks of the Statewide Sex Offender

1 Database and Statewide Murderer and Violent Offender Against
2 Youth Database prior to participating in any field experiences
3 in the public schools. Authorization for and payment of the
4 costs of the checks must be furnished by the student teacher.
5 Results of the checks must be furnished to the higher education
6 institution where the student teacher is enrolled and the
7 superintendent of the school district where the student is
8 assigned.

9 (h) Upon request of a school, school district, community
10 college district, or private school, any information obtained
11 by a school district pursuant to subsection (f) of this Section
12 within the last year must be made available to that school,
13 school district, community college district, or private
14 school.

22 policy of accident and health insurance under Section 356t and
23 the coverage required under Sections 356g, 356g.5, 356g.5-1,

13 (105 ILCS 5/10-22.6) (from Ch. 122, par. 10-22.6)

14 Sec. 10-22.6. Suspension or expulsion of pupils; school
15 searches.

16 (a) To expel pupils guilty of gross disobedience or
17 misconduct, including gross disobedience or misconduct
18 perpetuated by electronic means, and no action shall lie
19 against them for such expulsion. Expulsion shall take place
20 only after the parents have been requested to appear at a
21 meeting of the board, or with a hearing officer appointed by
22 it, to discuss their child's behavior. Such request shall be
23 made by registered or certified mail and shall state the time,
24 place and purpose of the meeting. The board, or a hearing
25 officer appointed by it, at such meeting shall state the

1 reasons for dismissal and the date on which the expulsion is to
2 become effective. If a hearing officer is appointed by the
3 board he shall report to the board a written summary of the
4 evidence heard at the meeting and the board may take such
5 action thereon as it finds appropriate. An expelled pupil may
6 be immediately transferred to an alternative program in the
7 manner provided in Article 13A or 13B of this Code. A pupil
8 must not be denied transfer because of the expulsion, except in
9 cases in which such transfer is deemed to cause a threat to the
10 safety of students or staff in the alternative program.

11 (b) To suspend or by policy to authorize the superintendent
12 of the district or the principal, assistant principal, or dean
13 of students of any school to suspend pupils guilty of gross
14 disobedience or misconduct, or to suspend pupils guilty of
15 gross disobedience or misconduct on the school bus from riding
16 the school bus, and no action shall lie against them for such
17 suspension. The board may by policy authorize the
18 superintendent of the district or the principal, assistant
19 principal, or dean of students of any school to suspend pupils
20 guilty of such acts for a period not to exceed 10 school days.
21 If a pupil is suspended due to gross disobedience or misconduct
22 on a school bus, the board may suspend the pupil in excess of
23 10 school days for safety reasons. Any suspension shall be
24 reported immediately to the parents or guardian of such pupil
25 along with a full statement of the reasons for such suspension
26 and a notice of their right to a review. The school board must

1 be given a summary of the notice, including the reason for the
2 suspension and the suspension length. Upon request of the
3 parents or guardian the school board or a hearing officer
4 appointed by it shall review such action of the superintendent
5 or principal, assistant principal, or dean of students. At such
6 review the parents or guardian of the pupil may appear and
7 discuss the suspension with the board or its hearing officer.
8 If a hearing officer is appointed by the board he shall report
9 to the board a written summary of the evidence heard at the
10 meeting. After its hearing or upon receipt of the written
11 report of its hearing officer, the board may take such action
12 as it finds appropriate. A pupil who is suspended in excess of
13 20 school days may be immediately transferred to an alternative
14 program in the manner provided in Article 13A or 13B of this
15 Code. A pupil must not be denied transfer because of the
16 suspension, except in cases in which such transfer is deemed to
17 cause a threat to the safety of students or staff in the
18 alternative program.

19 (c) The Department of Human Services shall be invited to
20 send a representative to consult with the board at such meeting
21 whenever there is evidence that mental illness may be the cause
22 for expulsion or suspension.

23 (d) The board may expel a student for a definite period of
24 time not to exceed 2 calendar years, as determined on a case by
25 case basis. A student who is determined to have brought one of
26 the following objects to school, any school-sponsored activity

1 or event, or any activity or event that bears a reasonable
2 relationship to school shall be expelled for a period of not
3 less than one year:

4 (1) A firearm. For the purposes of this Section,
5 "firearm" means any gun, rifle, shotgun, weapon as defined
6 by Section 921 of Title 18 of the United States Code,
7 firearm as defined in Section 1.1 of the Firearm Owners
8 Identification Card Act, or firearm as defined in Section
9 24-1 of the Criminal Code of 1961. The expulsion period
10 under this subdivision (1) may be modified by the
11 superintendent, and the superintendent's determination may
12 be modified by the board on a case-by-case basis.

13 (2) A knife, brass knuckles or other knuckle weapon
14 regardless of its composition, a billy club, or any other
15 object if used or attempted to be used to cause bodily
16 harm, including "look alikes" of any firearm as defined in
17 subdivision (1) of this subsection (d). The expulsion
18 requirement under this subdivision (2) may be modified by
19 the superintendent, and the superintendent's determination
20 may be modified by the board on a case-by-case basis.

21 Expulsion or suspension shall be construed in a manner
22 consistent with the Federal Individuals with Disabilities
23 Education Act. A student who is subject to suspension or
24 expulsion as provided in this Section may be eligible for a
25 transfer to an alternative school program in accordance with
26 Article 13A of the School Code. The provisions of this

1 subsection (d) apply in all school districts, including special
2 charter districts and districts organized under Article 34.

3 (d-5) The board may suspend or by regulation authorize the
4 superintendent of the district or the principal, assistant
5 principal, or dean of students of any school to suspend a
6 student for a period not to exceed 10 school days or may expel
7 a student for a definite period of time not to exceed 2
8 calendar years, as determined on a case by case basis, if (i)
9 that student has been determined to have made an explicit
10 threat on an Internet website against a school employee, a
11 student, or any school-related personnel, (ii) the Internet
12 website through which the threat was made is a site that was
13 accessible within the school at the time the threat was made or
14 was available to third parties who worked or studied within the
15 school grounds at the time the threat was made, and (iii) the
16 threat could be reasonably interpreted as threatening to the
17 safety and security of the threatened individual because of his
18 or her duties or employment status or status as a student
19 inside the school. The provisions of this subsection (d-5)
20 apply in all school districts, including special charter
21 districts and districts organized under Article 34 of this
22 Code.

23 (e) To maintain order and security in the schools, school
24 authorities may inspect and search places and areas such as
25 lockers, desks, parking lots, and other school property and
26 equipment owned or controlled by the school, as well as

1 personal effects left in those places and areas by students,
2 without notice to or the consent of the student, and without a
3 search warrant. As a matter of public policy, the General
4 Assembly finds that students have no reasonable expectation of
5 privacy in these places and areas or in their personal effects
6 left in these places and areas. School authorities may request
7 the assistance of law enforcement officials for the purpose of
8 conducting inspections and searches of lockers, desks, parking
9 lots, and other school property and equipment owned or
10 controlled by the school for illegal drugs, weapons, or other
11 illegal or dangerous substances or materials, including
12 searches conducted through the use of specially trained dogs.
13 If a search conducted in accordance with this Section produces
14 evidence that the student has violated or is violating either
15 the law, local ordinance, or the school's policies or rules,
16 such evidence may be seized by school authorities, and
17 disciplinary action may be taken. School authorities may also
18 turn over such evidence to law enforcement authorities. The
19 provisions of this subsection (e) apply in all school
20 districts, including special charter districts and districts
21 organized under Article 34.

22 (f) Suspension or expulsion may include suspension or
23 expulsion from school and all school activities and a
24 prohibition from being present on school grounds.

25 (g) A school district may adopt a policy providing that if
26 a student is suspended or expelled for any reason from any

1 public or private school in this or any other state, the
2 student must complete the entire term of the suspension or
3 expulsion in an alternative school program under Article 13A of
4 this Code or an alternative learning opportunities program
5 under Article 13B of this Code before being admitted into the
6 school district if there is no threat to the safety of students
7 or staff in the alternative program. This subsection (g)
8 applies to all school districts, including special charter
9 districts and districts organized under Article 34 of this
10 Code.

13 (105 ILCS 5/18-8.05)

14 Sec. 18-8.05. Basis for apportionment of general State
15 financial aid and supplemental general State aid to the common
16 schools for the 1998-1999 and subsequent school years.

17 (A) General Provisions.

18 (1) The provisions of this Section apply to the 1998-1999
19 and subsequent school years. The system of general State
20 financial aid provided for in this Section is designed to
21 assure that, through a combination of State financial aid and
22 required local resources, the financial support provided each
23 pupil in Average Daily Attendance equals or exceeds a
24 prescribed per pupil Foundation Level. This formula approach

1 imputes a level of per pupil Available Local Resources and
2 provides for the basis to calculate a per pupil level of
3 general State financial aid that, when added to Available Local
4 Resources, equals or exceeds the Foundation Level. The amount
5 of per pupil general State financial aid for school districts,
6 in general, varies in inverse relation to Available Local
7 Resources. Per pupil amounts are based upon each school
8 district's Average Daily Attendance as that term is defined in
9 this Section.

10 (2) In addition to general State financial aid, school
11 districts with specified levels or concentrations of pupils
12 from low income households are eligible to receive supplemental
13 general State financial aid grants as provided pursuant to
14 subsection (H). The supplemental State aid grants provided for
15 school districts under subsection (H) shall be appropriated for
16 distribution to school districts as part of the same line item
17 in which the general State financial aid of school districts is
18 appropriated under this Section.

19 (3) To receive financial assistance under this Section,
20 school districts are required to file claims with the State
21 Board of Education, subject to the following requirements:

22 (a) Any school district which fails for any given
23 school year to maintain school as required by law, or to
24 maintain a recognized school is not eligible to file for
25 such school year any claim upon the Common School Fund. In
26 case of nonrecognition of one or more attendance centers in

1 a school district otherwise operating recognized schools,
2 the claim of the district shall be reduced in the
3 proportion which the Average Daily Attendance in the
4 attendance center or centers bear to the Average Daily
5 Attendance in the school district. A "recognized school"
6 means any public school which meets the standards as
7 established for recognition by the State Board of
8 Education. A school district or attendance center not
9 having recognition status at the end of a school term is
10 entitled to receive State aid payments due upon a legal
11 claim which was filed while it was recognized.

12 (b) School district claims filed under this Section are
13 subject to Sections 18-9 and 18-12, except as otherwise
14 provided in this Section.

15 (c) If a school district operates a full year school
16 under Section 10-19.1, the general State aid to the school
17 district shall be determined by the State Board of
18 Education in accordance with this Section as near as may be
19 applicable.

20 (d) (Blank).

21 (4) Except as provided in subsections (H) and (L), the
22 board of any district receiving any of the grants provided for
23 in this Section may apply those funds to any fund so received
24 for which that board is authorized to make expenditures by law.

25 School districts are not required to exert a minimum
26 Operating Tax Rate in order to qualify for assistance under

1 this Section.

2 (5) As used in this Section the following terms, when
3 capitalized, shall have the meaning ascribed herein:

4 (a) "Average Daily Attendance": A count of pupil
5 attendance in school, averaged as provided for in
6 subsection (C) and utilized in deriving per pupil financial
7 support levels.

8 (b) "Available Local Resources": A computation of
9 local financial support, calculated on the basis of Average
10 Daily Attendance and derived as provided pursuant to
11 subsection (D).

12 (c) "Corporate Personal Property Replacement Taxes":
13 Funds paid to local school districts pursuant to "An Act in
14 relation to the abolition of ad valorem personal property
15 tax and the replacement of revenues lost thereby, and
16 amending and repealing certain Acts and parts of Acts in
17 connection therewith", certified August 14, 1979, as
18 amended (Public Act 81-1st S.S.-1).

19 (d) "Foundation Level": A prescribed level of per pupil
20 financial support as provided for in subsection (B).

21 (e) "Operating Tax Rate": All school district property
22 taxes extended for all purposes, except Bond and Interest,
23 Summer School, Rent, Capital Improvement, and Vocational
24 Education Building purposes.

25 (B) Foundation Level.

1 (1) The Foundation Level is a figure established by the
2 State representing the minimum level of per pupil financial
3 support that should be available to provide for the basic
4 education of each pupil in Average Daily Attendance. As set
5 forth in this Section, each school district is assumed to exert
6 a sufficient local taxing effort such that, in combination with
7 the aggregate of general State financial aid provided the
8 district, an aggregate of State and local resources are
9 available to meet the basic education needs of pupils in the
10 district.

11 (2) For the 1998-1999 school year, the Foundation Level of
12 support is \$4,225. For the 1999-2000 school year, the
13 Foundation Level of support is \$4,325. For the 2000-2001 school
14 year, the Foundation Level of support is \$4,425. For the
15 2001-2002 school year and 2002-2003 school year, the Foundation
16 Level of support is \$4,560. For the 2003-2004 school year, the
17 Foundation Level of support is \$4,810. For the 2004-2005 school
18 year, the Foundation Level of support is \$4,964. For the
19 2005-2006 school year, the Foundation Level of support is
20 \$5,164. For the 2006-2007 school year, the Foundation Level of
21 support is \$5,334. For the 2007-2008 school year, the
22 Foundation Level of support is \$5,734. For the 2008-2009 school
23 year, the Foundation Level of support is \$5,959.

24 (3) For the 2009-2010 school year and each school year
25 thereafter, the Foundation Level of support is \$6,119 or such
26 greater amount as may be established by law by the General

1 Assembly.

2 (C) Average Daily Attendance.

3 (1) For purposes of calculating general State aid pursuant
4 to subsection (E), an Average Daily Attendance figure shall be
5 utilized. The Average Daily Attendance figure for formula
6 calculation purposes shall be the monthly average of the actual
7 number of pupils in attendance of each school district, as
8 further averaged for the best 3 months of pupil attendance for
9 each school district. In compiling the figures for the number
10 of pupils in attendance, school districts and the State Board
11 of Education shall, for purposes of general State aid funding,
12 conform attendance figures to the requirements of subsection
13 (F).

14 (2) The Average Daily Attendance figures utilized in
15 subsection (E) shall be the requisite attendance data for the
16 school year immediately preceding the school year for which
17 general State aid is being calculated or the average of the
18 attendance data for the 3 preceding school years, whichever is
19 greater. The Average Daily Attendance figures utilized in
20 subsection (H) shall be the requisite attendance data for the
21 school year immediately preceding the school year for which
22 general State aid is being calculated.

23 (D) Available Local Resources.

24 (1) For purposes of calculating general State aid pursuant

1 to subsection (E), a representation of Available Local
2 Resources per pupil, as that term is defined and determined in
3 this subsection, shall be utilized. Available Local Resources
4 per pupil shall include a calculated dollar amount representing
5 local school district revenues from local property taxes and
6 from Corporate Personal Property Replacement Taxes, expressed
7 on the basis of pupils in Average Daily Attendance. Calculation
8 of Available Local Resources shall exclude any tax amnesty
9 funds received as a result of Public Act 93-26.

10 (2) In determining a school district's revenue from local
11 property taxes, the State Board of Education shall utilize the
12 equalized assessed valuation of all taxable property of each
13 school district as of September 30 of the previous year. The
14 equalized assessed valuation utilized shall be obtained and
15 determined as provided in subsection (G).

16 (3) For school districts maintaining grades kindergarten
17 through 12, local property tax revenues per pupil shall be
18 calculated as the product of the applicable equalized assessed
19 valuation for the district multiplied by 3.00%, and divided by
20 the district's Average Daily Attendance figure. For school
21 districts maintaining grades kindergarten through 8, local
22 property tax revenues per pupil shall be calculated as the
23 product of the applicable equalized assessed valuation for the
24 district multiplied by 2.30%, and divided by the district's
25 Average Daily Attendance figure. For school districts
26 maintaining grades 9 through 12, local property tax revenues

1 per pupil shall be the applicable equalized assessed valuation
2 of the district multiplied by 1.05%, and divided by the
3 district's Average Daily Attendance figure.

4 For partial elementary unit districts created pursuant to
5 Article 11E of this Code, local property tax revenues per pupil
6 shall be calculated as the product of the equalized assessed
7 valuation for property within the partial elementary unit
8 district for elementary purposes, as defined in Article 11E of
9 this Code, multiplied by 2.06% and divided by the district's
10 Average Daily Attendance figure, plus the product of the
11 equalized assessed valuation for property within the partial
12 elementary unit district for high school purposes, as defined
13 in Article 11E of this Code, multiplied by 0.94% and divided by
14 the district's Average Daily Attendance figure.

15 (4) The Corporate Personal Property Replacement Taxes paid
16 to each school district during the calendar year one year
17 before the calendar year in which a school year begins, divided
18 by the Average Daily Attendance figure for that district, shall
19 be added to the local property tax revenues per pupil as
20 derived by the application of the immediately preceding
21 paragraph (3). The sum of these per pupil figures for each
22 school district shall constitute Available Local Resources as
23 that term is utilized in subsection (E) in the calculation of
24 general State aid.

25 (E) Computation of General State Aid.

1 (1) For each school year, the amount of general State aid
2 allotted to a school district shall be computed by the State
3 Board of Education as provided in this subsection.

4 (2) For any school district for which Available Local
5 Resources per pupil is less than the product of 0.93 times the
6 Foundation Level, general State aid for that district shall be
7 calculated as an amount equal to the Foundation Level minus
8 Available Local Resources, multiplied by the Average Daily
9 Attendance of the school district.

10 (3) For any school district for which Available Local
11 Resources per pupil is equal to or greater than the product of
12 0.93 times the Foundation Level and less than the product of
13 1.75 times the Foundation Level, the general State aid per
14 pupil shall be a decimal proportion of the Foundation Level
15 derived using a linear algorithm. Under this linear algorithm,
16 the calculated general State aid per pupil shall decline in
17 direct linear fashion from 0.07 times the Foundation Level for
18 a school district with Available Local Resources equal to the
19 product of 0.93 times the Foundation Level, to 0.05 times the
20 Foundation Level for a school district with Available Local
21 Resources equal to the product of 1.75 times the Foundation
22 Level. The allocation of general State aid for school districts
23 subject to this paragraph 3 shall be the calculated general
24 State aid per pupil figure multiplied by the Average Daily
25 Attendance of the school district.

26 (4) For any school district for which Available Local

1 Resources per pupil equals or exceeds the product of 1.75 times
2 the Foundation Level, the general State aid for the school
3 district shall be calculated as the product of \$218 multiplied
4 by the Average Daily Attendance of the school district.

5 (5) The amount of general State aid allocated to a school
6 district for the 1999-2000 school year meeting the requirements
7 set forth in paragraph (4) of subsection (G) shall be increased
8 by an amount equal to the general State aid that would have
9 been received by the district for the 1998-1999 school year by
10 utilizing the Extension Limitation Equalized Assessed
11 Valuation as calculated in paragraph (4) of subsection (G) less
12 the general State aid allotted for the 1998-1999 school year.
13 This amount shall be deemed a one time increase, and shall not
14 affect any future general State aid allocations.

15 (F) Compilation of Average Daily Attendance.

16 (1) Each school district shall, by July 1 of each year,
17 submit to the State Board of Education, on forms prescribed by
18 the State Board of Education, attendance figures for the school
19 year that began in the preceding calendar year. The attendance
20 information so transmitted shall identify the average daily
21 attendance figures for each month of the school year. Beginning
22 with the general State aid claim form for the 2002-2003 school
23 year, districts shall calculate Average Daily Attendance as
24 provided in subdivisions (a), (b), and (c) of this paragraph
25 (1).

1 (a) In districts that do not hold year-round classes,
2 days of attendance in August shall be added to the month of
3 September and any days of attendance in June shall be added
4 to the month of May.

5 (b) In districts in which all buildings hold year-round
6 classes, days of attendance in July and August shall be
7 added to the month of September and any days of attendance
8 in June shall be added to the month of May.

9 (c) In districts in which some buildings, but not all,
10 hold year-round classes, for the non-year-round buildings,
11 days of attendance in August shall be added to the month of
12 September and any days of attendance in June shall be added
13 to the month of May. The average daily attendance for the
14 year-round buildings shall be computed as provided in
15 subdivision (b) of this paragraph (1). To calculate the
16 Average Daily Attendance for the district, the average
17 daily attendance for the year-round buildings shall be
18 multiplied by the days in session for the non-year-round
19 buildings for each month and added to the monthly
20 attendance of the non-year-round buildings.

21 Except as otherwise provided in this Section, days of
22 attendance by pupils shall be counted only for sessions of not
23 less than 5 clock hours of school work per day under direct
24 supervision of: (i) teachers, or (ii) non-teaching personnel or
25 volunteer personnel when engaging in non-teaching duties and
26 supervising in those instances specified in subsection (a) of

1 Section 10-22.34 and paragraph 10 of Section 34-18, with pupils
2 of legal school age and in kindergarten and grades 1 through
3 12.

4 Days of attendance by tuition pupils shall be accredited
5 only to the districts that pay the tuition to a recognized
6 school.

7 (2) Days of attendance by pupils of less than 5 clock hours
8 of school shall be subject to the following provisions in the
9 compilation of Average Daily Attendance.

10 (a) Pupils regularly enrolled in a public school for
11 only a part of the school day may be counted on the basis
12 of 1/6 day for every class hour of instruction of 40
13 minutes or more attended pursuant to such enrollment,
14 unless a pupil is enrolled in a block-schedule format of 80
15 minutes or more of instruction, in which case the pupil may
16 be counted on the basis of the proportion of minutes of
17 school work completed each day to the minimum number of
18 minutes that school work is required to be held that day.

19 (b) Days of attendance may be less than 5 clock hours
20 on the opening and closing of the school term, and upon the
21 first day of pupil attendance, if preceded by a day or days
22 utilized as an institute or teachers' workshop.

23 (c) A session of 4 or more clock hours may be counted
24 as a day of attendance upon certification by the regional
25 superintendent, and approved by the State Superintendent
26 of Education to the extent that the district has been

1 forced to use daily multiple sessions.

2 (d) A session of 3 or more clock hours may be counted
3 as a day of attendance (1) when the remainder of the school
4 day or at least 2 hours in the evening of that day is
5 utilized for an in-service training program for teachers,
6 up to a maximum of 5 days per school year, provided a
7 district conducts an in-service training program for
8 teachers in accordance with Section 10-22.39 of this Code;
9 or, in lieu of 4 such days, 2 full days may be used, in
10 which event each such day may be counted as a day required
11 for a legal school calendar pursuant to Section 10-19 of
12 this Code; (1.5) when, of the 5 days allowed under item
13 (1), a maximum of 4 days are used for parent-teacher
14 conferences, or, in lieu of 4 such days, 2 full days are
15 used, in which case each such day may be counted as a
16 calendar day required under Section 10-19 of this Code,
17 provided that the full-day, parent-teacher conference
18 consists of (i) a minimum of 5 clock hours of
19 parent-teacher conferences, (ii) both a minimum of 2 clock
20 hours of parent-teacher conferences held in the evening
21 following a full day of student attendance, as specified in
22 subsection (F)(1)(c), and a minimum of 3 clock hours of
23 parent-teacher conferences held on the day immediately
24 following evening parent-teacher conferences, or (iii)
25 multiple parent-teacher conferences held in the evenings
26 following full days of student attendance, as specified in

1 subsection (F)(1)(c), in which the time used for the
2 parent-teacher conferences is equivalent to a minimum of 5
3 clock hours; and (2) when days in addition to those
4 provided in items (1) and (1.5) are scheduled by a school
5 pursuant to its school improvement plan adopted under
6 Article 34 or its revised or amended school improvement
7 plan adopted under Article 2, provided that (i) such
8 sessions of 3 or more clock hours are scheduled to occur at
9 regular intervals, (ii) the remainder of the school days in
10 which such sessions occur are utilized for in-service
11 training programs or other staff development activities
12 for teachers, and (iii) a sufficient number of minutes of
13 school work under the direct supervision of teachers are
14 added to the school days between such regularly scheduled
15 sessions to accumulate not less than the number of minutes
16 by which such sessions of 3 or more clock hours fall short
17 of 5 clock hours. Any full days used for the purposes of
18 this paragraph shall not be considered for computing
19 average daily attendance. Days scheduled for in-service
20 training programs, staff development activities, or
21 parent-teacher conferences may be scheduled separately for
22 different grade levels and different attendance centers of
23 the district.

24 (e) A session of not less than one clock hour of
25 teaching hospitalized or homebound pupils on-site or by
26 telephone to the classroom may be counted as 1/2 day of

1 attendance, however these pupils must receive 4 or more
2 clock hours of instruction to be counted for a full day of
3 attendance.

4 (f) A session of at least 4 clock hours may be counted
5 as a day of attendance for first grade pupils, and pupils
6 in full day kindergartens, and a session of 2 or more hours
7 may be counted as 1/2 day of attendance by pupils in
8 kindergartens which provide only 1/2 day of attendance.

9 (g) For children with disabilities who are below the
10 age of 6 years and who cannot attend 2 or more clock hours
11 because of their disability or immaturity, a session of not
12 less than one clock hour may be counted as 1/2 day of
13 attendance; however for such children whose educational
14 needs so require a session of 4 or more clock hours may be
15 counted as a full day of attendance.

16 (h) A recognized kindergarten which provides for only
17 1/2 day of attendance by each pupil shall not have more
18 than 1/2 day of attendance counted in any one day. However,
19 kindergartens may count 2 1/2 days of attendance in any 5
20 consecutive school days. When a pupil attends such a
21 kindergarten for 2 half days on any one school day, the
22 pupil shall have the following day as a day absent from
23 school, unless the school district obtains permission in
24 writing from the State Superintendent of Education.
25 Attendance at kindergartens which provide for a full day of
26 attendance by each pupil shall be counted the same as

1 attendance by first grade pupils. Only the first year of
2 attendance in one kindergarten shall be counted, except in
3 case of children who entered the kindergarten in their
4 fifth year whose educational development requires a second
5 year of kindergarten as determined under the rules and
6 regulations of the State Board of Education.

7 (i) On the days when the Prairie State Achievement
8 Examination is administered under subsection (c) of
9 Section 2-3.64 of this Code, the day of attendance for a
10 pupil whose school day must be shortened to accommodate
11 required testing procedures may be less than 5 clock hours
12 and shall be counted towards the 176 days of actual pupil
13 attendance required under Section 10-19 of this Code,
14 provided that a sufficient number of minutes of school work
15 in excess of 5 clock hours are first completed on other
16 school days to compensate for the loss of school work on
17 the examination days.

18 (j) Pupils enrolled in a remote educational program
19 established under Section 10-29 of this Code may be counted
20 on the basis of one-fifth day of attendance for every clock
21 hour of instruction attended in the remote educational
22 program, provided that, in any month, the school district
23 may not claim for a student enrolled in a remote
24 educational program more days of attendance than the
25 maximum number of days of attendance the district can claim

26 (i) for students enrolled in a building holding year-round

1 classes if the student is classified as participating in
2 the remote educational program on a year-round schedule or
3 (ii) for students enrolled in a building not holding
4 year-round classes if the student is not classified as
5 participating in the remote educational program on a
6 year-round schedule.

7 (G) Equalized Assessed Valuation Data.

8 (1) For purposes of the calculation of Available Local
9 Resources required pursuant to subsection (D), the State Board
10 of Education shall secure from the Department of Revenue the
11 value as equalized or assessed by the Department of Revenue of
12 all taxable property of every school district, together with
13 (i) the applicable tax rate used in extending taxes for the
14 funds of the district as of September 30 of the previous year
15 and (ii) the limiting rate for all school districts subject to
16 property tax extension limitations as imposed under the
17 Property Tax Extension Limitation Law.

18 The Department of Revenue shall add to the equalized
19 assessed value of all taxable property of each school district
20 situated entirely or partially within a county that is or was
21 subject to the provisions of Section 15-176 or 15-177 of the
22 Property Tax Code (a) an amount equal to the total amount by
23 which the homestead exemption allowed under Section 15-176 or
24 15-177 of the Property Tax Code for real property situated in
25 that school district exceeds the total amount that would have

1 been allowed in that school district if the maximum reduction
2 under Section 15-176 was (i) \$4,500 in Cook County or \$3,500 in
3 all other counties in tax year 2003 or (ii) \$5,000 in all
4 counties in tax year 2004 and thereafter and (b) an amount
5 equal to the aggregate amount for the taxable year of all
6 additional exemptions under Section 15-175 of the Property Tax
7 Code for owners with a household income of \$30,000 or less. The
8 county clerk of any county that is or was subject to the
9 provisions of Section 15-176 or 15-177 of the Property Tax Code
10 shall annually calculate and certify to the Department of
11 Revenue for each school district all homestead exemption
12 amounts under Section 15-176 or 15-177 of the Property Tax Code
13 and all amounts of additional exemptions under Section 15-175
14 of the Property Tax Code for owners with a household income of
15 \$30,000 or less. It is the intent of this paragraph that if the
16 general homestead exemption for a parcel of property is
17 determined under Section 15-176 or 15-177 of the Property Tax
18 Code rather than Section 15-175, then the calculation of
19 Available Local Resources shall not be affected by the
20 difference, if any, between the amount of the general homestead
21 exemption allowed for that parcel of property under Section
22 15-176 or 15-177 of the Property Tax Code and the amount that
23 would have been allowed had the general homestead exemption for
24 that parcel of property been determined under Section 15-175 of
25 the Property Tax Code. It is further the intent of this
26 paragraph that if additional exemptions are allowed under

1 Section 15-175 of the Property Tax Code for owners with a
2 household income of less than \$30,000, then the calculation of
3 Available Local Resources shall not be affected by the
4 difference, if any, because of those additional exemptions.

5 This equalized assessed valuation, as adjusted further by
6 the requirements of this subsection, shall be utilized in the
7 calculation of Available Local Resources.

8 (2) The equalized assessed valuation in paragraph (1) shall
9 be adjusted, as applicable, in the following manner:

10 (a) For the purposes of calculating State aid under
11 this Section, with respect to any part of a school district
12 within a redevelopment project area in respect to which a
13 municipality has adopted tax increment allocation
14 financing pursuant to the Tax Increment Allocation
15 Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11
16 of the Illinois Municipal Code or the Industrial Jobs
17 Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the
18 Illinois Municipal Code, no part of the current equalized
19 assessed valuation of real property located in any such
20 project area which is attributable to an increase above the
21 total initial equalized assessed valuation of such
22 property shall be used as part of the equalized assessed
23 valuation of the district, until such time as all
24 redevelopment project costs have been paid, as provided in
25 Section 11-74.4-8 of the Tax Increment Allocation
26 Redevelopment Act or in Section 11-74.6-35 of the

1 Industrial Jobs Recovery Law. For the purpose of the
2 equalized assessed valuation of the district, the total
3 initial equalized assessed valuation or the current
4 equalized assessed valuation, whichever is lower, shall be
5 used until such time as all redevelopment project costs
6 have been paid.

7 (b) The real property equalized assessed valuation for
8 a school district shall be adjusted by subtracting from the
9 real property value as equalized or assessed by the
10 Department of Revenue for the district an amount computed
11 by dividing the amount of any abatement of taxes under
12 Section 18-170 of the Property Tax Code by 3.00% for a
13 district maintaining grades kindergarten through 12, by
14 2.30% for a district maintaining grades kindergarten
15 through 8, or by 1.05% for a district maintaining grades 9
16 through 12 and adjusted by an amount computed by dividing
17 the amount of any abatement of taxes under subsection (a)
18 of Section 18-165 of the Property Tax Code by the same
19 percentage rates for district type as specified in this
20 subparagraph (b).

21 (3) For the 1999-2000 school year and each school year
22 thereafter, if a school district meets all of the criteria of
23 this subsection (G) (3), the school district's Available Local
24 Resources shall be calculated under subsection (D) using the
25 district's Extension Limitation Equalized Assessed Valuation
26 as calculated under this subsection (G) (3).

1 For purposes of this subsection (G) (3) the following terms
2 shall have the following meanings:

3 "Budget Year": The school year for which general State
4 aid is calculated and awarded under subsection (E).

5 "Base Tax Year": The property tax levy year used to
6 calculate the Budget Year allocation of general State aid.

7 "Preceding Tax Year": The property tax levy year
8 immediately preceding the Base Tax Year.

9 "Base Tax Year's Tax Extension": The product of the
10 equalized assessed valuation utilized by the County Clerk
11 in the Base Tax Year multiplied by the limiting rate as
12 calculated by the County Clerk and defined in the Property
13 Tax Extension Limitation Law.

14 "Preceding Tax Year's Tax Extension": The product of
15 the equalized assessed valuation utilized by the County
16 Clerk in the Preceding Tax Year multiplied by the Operating
17 Tax Rate as defined in subsection (A).

18 "Extension Limitation Ratio": A numerical ratio,
19 certified by the County Clerk, in which the numerator is
20 the Base Tax Year's Tax Extension and the denominator is
21 the Preceding Tax Year's Tax Extension.

22 "Operating Tax Rate": The operating tax rate as defined
23 in subsection (A).

24 If a school district is subject to property tax extension
25 limitations as imposed under the Property Tax Extension
26 Limitation Law, the State Board of Education shall calculate

1 the Extension Limitation Equalized Assessed Valuation of that
2 district. For the 1999-2000 school year, the Extension
3 Limitation Equalized Assessed Valuation of a school district as
4 calculated by the State Board of Education shall be equal to
5 the product of the district's 1996 Equalized Assessed Valuation
6 and the district's Extension Limitation Ratio. Except as
7 otherwise provided in this paragraph for a school district that
8 has approved or does approve an increase in its limiting rate,
9 for the 2000-2001 school year and each school year thereafter,
10 the Extension Limitation Equalized Assessed Valuation of a
11 school district as calculated by the State Board of Education
12 shall be equal to the product of the Equalized Assessed
13 Valuation last used in the calculation of general State aid and
14 the district's Extension Limitation Ratio. If the Extension
15 Limitation Equalized Assessed Valuation of a school district as
16 calculated under this subsection (G)(3) is less than the
17 district's equalized assessed valuation as calculated pursuant
18 to subsections (G)(1) and (G)(2), then for purposes of
19 calculating the district's general State aid for the Budget
20 Year pursuant to subsection (E), that Extension Limitation
21 Equalized Assessed Valuation shall be utilized to calculate the
22 district's Available Local Resources under subsection (D). For
23 the 2009-2010 school year and each school year thereafter, if a
24 school district has approved or does approve an increase in its
25 limiting rate, pursuant to Section 18-190 of the Property Tax
26 Code, affecting the Base Tax Year, the Extension Limitation

1 Equalized Assessed Valuation of the school district, as
2 calculated by the State Board of Education, shall be equal to
3 the product of the Equalized Assessed Valuation last used in
4 the calculation of general State aid times an amount equal to
5 one plus the percentage increase, if any, in the Consumer Price
6 Index for all Urban Consumers for all items published by the
7 United States Department of Labor for the 12-month calendar
8 year preceding the Base Tax Year, plus the Equalized Assessed
9 Valuation of new property, annexed property, and recovered tax
10 increment value and minus the Equalized Assessed Valuation of
11 disconnected property. New property and recovered tax
12 increment value shall have the meanings set forth in the
13 Property Tax Extension Limitation Law.

14 Partial elementary unit districts created in accordance
15 with Article 11E of this Code shall not be eligible for the
16 adjustment in this subsection (G)(3) until the fifth year
17 following the effective date of the reorganization.

18 (3.5) For the 2010-2011 school year and each school year
19 thereafter, if a school district's boundaries span multiple
20 counties, then the Department of Revenue shall send to the
21 State Board of Education, for the purpose of calculating
22 general State aid, the limiting rate and individual rates by
23 purpose for the county that contains the majority of the school
24 district's Equalized Assessed Valuation.

25 (4) For the purposes of calculating general State aid for
26 the 1999-2000 school year only, if a school district

1 experienced a triennial reassessment on the equalized assessed
2 valuation used in calculating its general State financial aid
3 apportionment for the 1998-1999 school year, the State Board of
4 Education shall calculate the Extension Limitation Equalized
5 Assessed Valuation that would have been used to calculate the
6 district's 1998-1999 general State aid. This amount shall equal
7 the product of the equalized assessed valuation used to
8 calculate general State aid for the 1997-1998 school year and
9 the district's Extension Limitation Ratio. If the Extension
10 Limitation Equalized Assessed Valuation of the school district
11 as calculated under this paragraph (4) is less than the
12 district's equalized assessed valuation utilized in
13 calculating the district's 1998-1999 general State aid
14 allocation, then for purposes of calculating the district's
15 general State aid pursuant to paragraph (5) of subsection (E),
16 that Extension Limitation Equalized Assessed Valuation shall
17 be utilized to calculate the district's Available Local
18 Resources.

19 (5) For school districts having a majority of their
20 equalized assessed valuation in any county except Cook, DuPage,
21 Kane, Lake, McHenry, or Will, if the amount of general State
22 aid allocated to the school district for the 1999-2000 school
23 year under the provisions of subsection (E), (H), and (J) of
24 this Section is less than the amount of general State aid
25 allocated to the district for the 1998-1999 school year under
26 these subsections, then the general State aid of the district

1 for the 1999-2000 school year only shall be increased by the
2 difference between these amounts. The total payments made under
3 this paragraph (5) shall not exceed \$14,000,000. Claims shall
4 be prorated if they exceed \$14,000,000.

5 (H) Supplemental General State Aid.

6 (1) In addition to the general State aid a school district
7 is allotted pursuant to subsection (E), qualifying school
8 districts shall receive a grant, paid in conjunction with a
9 district's payments of general State aid, for supplemental
10 general State aid based upon the concentration level of
11 children from low-income households within the school
12 district. Supplemental State aid grants provided for school
13 districts under this subsection shall be appropriated for
14 distribution to school districts as part of the same line item
15 in which the general State financial aid of school districts is
16 appropriated under this Section.

17 (1.5) This paragraph (1.5) applies only to those school
18 years preceding the 2003-2004 school year. For purposes of this
19 subsection (H), the term "Low-Income Concentration Level"
20 shall be the low-income eligible pupil count from the most
21 recently available federal census divided by the Average Daily
22 Attendance of the school district. If, however, (i) the
23 percentage decrease from the 2 most recent federal censuses in
24 the low-income eligible pupil count of a high school district
25 with fewer than 400 students exceeds by 75% or more the

1 percentage change in the total low-income eligible pupil count
2 of contiguous elementary school districts, whose boundaries
3 are coterminous with the high school district, or (ii) a high
4 school district within 2 counties and serving 5 elementary
5 school districts, whose boundaries are coterminous with the
6 high school district, has a percentage decrease from the 2 most
7 recent federal censuses in the low-income eligible pupil count
8 and there is a percentage increase in the total low-income
9 eligible pupil count of a majority of the elementary school
10 districts in excess of 50% from the 2 most recent federal
11 censuses, then the high school district's low-income eligible
12 pupil count from the earlier federal census shall be the number
13 used as the low-income eligible pupil count for the high school
14 district, for purposes of this subsection (H). The changes made
15 to this paragraph (1) by Public Act 92-28 shall apply to
16 supplemental general State aid grants for school years
17 preceding the 2003-2004 school year that are paid in fiscal
18 year 1999 or thereafter and to any State aid payments made in
19 fiscal year 1994 through fiscal year 1998 pursuant to
20 subsection 1(n) of Section 18-8 of this Code (which was
21 repealed on July 1, 1998), and any high school district that is
22 affected by Public Act 92-28 is entitled to a recomputation of
23 its supplemental general State aid grant or State aid paid in
24 any of those fiscal years. This recomputation shall not be
25 affected by any other funding.

26 (1.10) This paragraph (1.10) applies to the 2003-2004

1 school year and each school year thereafter. For purposes of
2 this subsection (H), the term "Low-Income Concentration Level"
3 shall, for each fiscal year, be the low-income eligible pupil
4 count as of July 1 of the immediately preceding fiscal year (as
5 determined by the Department of Human Services based on the
6 number of pupils who are eligible for at least one of the
7 following low income programs: Medicaid, the Children's Health
8 Insurance Program, TANF, or Food Stamps, excluding pupils who
9 are eligible for services provided by the Department of
10 Children and Family Services, averaged over the 2 immediately
11 preceding fiscal years for fiscal year 2004 and over the 3
12 immediately preceding fiscal years for each fiscal year
13 thereafter) divided by the Average Daily Attendance of the
14 school district.

15 (2) Supplemental general State aid pursuant to this
16 subsection (H) shall be provided as follows for the 1998-1999,
17 1999-2000, and 2000-2001 school years only:

18 (a) For any school district with a Low Income
19 Concentration Level of at least 20% and less than 35%, the
20 grant for any school year shall be \$800 multiplied by the
21 low income eligible pupil count.

22 (b) For any school district with a Low Income
23 Concentration Level of at least 35% and less than 50%, the
24 grant for the 1998-1999 school year shall be \$1,100
25 multiplied by the low income eligible pupil count.

26 (c) For any school district with a Low Income

1 Concentration Level of at least 50% and less than 60%, the
2 grant for the 1998-99 school year shall be \$1,500
3 multiplied by the low income eligible pupil count.

4 (d) For any school district with a Low Income
5 Concentration Level of 60% or more, the grant for the
6 1998-99 school year shall be \$1,900 multiplied by the low
7 income eligible pupil count.

8 (e) For the 1999-2000 school year, the per pupil amount
9 specified in subparagraphs (b), (c), and (d) immediately
10 above shall be increased to \$1,243, \$1,600, and \$2,000,
11 respectively.

12 (f) For the 2000-2001 school year, the per pupil
13 amounts specified in subparagraphs (b), (c), and (d)
14 immediately above shall be \$1,273, \$1,640, and \$2,050,
15 respectively.

16 (2.5) Supplemental general State aid pursuant to this
17 subsection (H) shall be provided as follows for the 2002-2003
18 school year:

19 (a) For any school district with a Low Income
20 Concentration Level of less than 10%, the grant for each
21 school year shall be \$355 multiplied by the low income
22 eligible pupil count.

23 (b) For any school district with a Low Income
24 Concentration Level of at least 10% and less than 20%, the
25 grant for each school year shall be \$675 multiplied by the
26 low income eligible pupil count.

1 (c) For any school district with a Low Income
2 Concentration Level of at least 20% and less than 35%, the
3 grant for each school year shall be \$1,330 multiplied by
4 the low income eligible pupil count.

5 (d) For any school district with a Low Income
6 Concentration Level of at least 35% and less than 50%, the
7 grant for each school year shall be \$1,362 multiplied by
8 the low income eligible pupil count.

9 (e) For any school district with a Low Income
10 Concentration Level of at least 50% and less than 60%, the
11 grant for each school year shall be \$1,680 multiplied by
12 the low income eligible pupil count.

13 (f) For any school district with a Low Income
14 Concentration Level of 60% or more, the grant for each
15 school year shall be \$2,080 multiplied by the low income
16 eligible pupil count.

17 (2.10) Except as otherwise provided, supplemental general
18 State aid pursuant to this subsection (H) shall be provided as
19 follows for the 2003-2004 school year and each school year
20 thereafter:

21 (a) For any school district with a Low Income
22 Concentration Level of 15% or less, the grant for each
23 school year shall be \$355 multiplied by the low income
24 eligible pupil count.

25 (b) For any school district with a Low Income
26 Concentration Level greater than 15%, the grant for each

1 school year shall be \$294.25 added to the product of \$2,700
2 and the square of the Low Income Concentration Level, all
3 multiplied by the low income eligible pupil count.

4 For the 2003-2004 school year and each school year
5 thereafter through the 2008-2009 school year only, the grant
6 shall be no less than the grant for the 2002-2003 school year.
7 For the 2009-2010 school year only, the grant shall be no less
8 than the grant for the 2002-2003 school year multiplied by
9 0.66. For the 2010-2011 school year only, the grant shall be no
10 less than the grant for the 2002-2003 school year multiplied by
11 0.33. Notwithstanding the provisions of this paragraph to the
12 contrary, if for any school year supplemental general State aid
13 grants are prorated as provided in paragraph (1) of this
14 subsection (H), then the grants under this paragraph shall be
15 prorated.

16 For the 2003-2004 school year only, the grant shall be no
17 greater than the grant received during the 2002-2003 school
18 year added to the product of 0.25 multiplied by the difference
19 between the grant amount calculated under subsection (a) or (b)
20 of this paragraph (2.10), whichever is applicable, and the
21 grant received during the 2002-2003 school year. For the
22 2004-2005 school year only, the grant shall be no greater than
23 the grant received during the 2002-2003 school year added to
24 the product of 0.50 multiplied by the difference between the
25 grant amount calculated under subsection (a) or (b) of this
26 paragraph (2.10), whichever is applicable, and the grant

1 received during the 2002-2003 school year. For the 2005-2006
2 school year only, the grant shall be no greater than the grant
3 received during the 2002-2003 school year added to the product
4 of 0.75 multiplied by the difference between the grant amount
5 calculated under subsection (a) or (b) of this paragraph
6 (2.10), whichever is applicable, and the grant received during
7 the 2002-2003 school year.

8 (3) School districts with an Average Daily Attendance of
9 more than 1,000 and less than 50,000 that qualify for
10 supplemental general State aid pursuant to this subsection
11 shall submit a plan to the State Board of Education prior to
12 October 30 of each year for the use of the funds resulting from
13 this grant of supplemental general State aid for the
14 improvement of instruction in which priority is given to
15 meeting the education needs of disadvantaged children. Such
16 plan shall be submitted in accordance with rules and
17 regulations promulgated by the State Board of Education.

18 (4) School districts with an Average Daily Attendance of
19 50,000 or more that qualify for supplemental general State aid
20 pursuant to this subsection shall be required to distribute
21 from funds available pursuant to this Section, no less than
22 \$261,000,000 in accordance with the following requirements:

23 (a) The required amounts shall be distributed to the
24 attendance centers within the district in proportion to the
25 number of pupils enrolled at each attendance center who are
26 eligible to receive free or reduced-price lunches or

1 breakfasts under the federal Child Nutrition Act of 1966
2 and under the National School Lunch Act during the
3 immediately preceding school year.

4 (b) The distribution of these portions of supplemental
5 and general State aid among attendance centers according to
6 these requirements shall not be compensated for or
7 contravened by adjustments of the total of other funds
8 appropriated to any attendance centers, and the Board of
9 Education shall utilize funding from one or several sources
10 in order to fully implement this provision annually prior
11 to the opening of school.

12 (c) Each attendance center shall be provided by the
13 school district a distribution of noncategorical funds and
14 other categorical funds to which an attendance center is
15 entitled under law in order that the general State aid and
16 supplemental general State aid provided by application of
17 this subsection supplements rather than supplants the
18 noncategorical funds and other categorical funds provided
19 by the school district to the attendance centers.

20 (d) Any funds made available under this subsection that
21 by reason of the provisions of this subsection are not
22 required to be allocated and provided to attendance centers
23 may be used and appropriated by the board of the district
24 for any lawful school purpose.

25 (e) Funds received by an attendance center pursuant to
26 this subsection shall be used by the attendance center at

1 the discretion of the principal and local school council
2 for programs to improve educational opportunities at
3 qualifying schools through the following programs and
4 services: early childhood education, reduced class size or
5 improved adult to student classroom ratio, enrichment
6 programs, remedial assistance, attendance improvement, and
7 other educationally beneficial expenditures which
8 supplement the regular and basic programs as determined by
9 the State Board of Education. Funds provided shall not be
10 expended for any political or lobbying purposes as defined
11 by board rule.

12 (f) Each district subject to the provisions of this
13 subdivision (H) (4) shall submit an acceptable plan to meet
14 the educational needs of disadvantaged children, in
15 compliance with the requirements of this paragraph, to the
16 State Board of Education prior to July 15 of each year.
17 This plan shall be consistent with the decisions of local
18 school councils concerning the school expenditure plans
19 developed in accordance with part 4 of Section 34-2.3. The
20 State Board shall approve or reject the plan within 60 days
21 after its submission. If the plan is rejected, the district
22 shall give written notice of intent to modify the plan
23 within 15 days of the notification of rejection and then
24 submit a modified plan within 30 days after the date of the
25 written notice of intent to modify. Districts may amend
26 approved plans pursuant to rules promulgated by the State

1 Board of Education.

2 Upon notification by the State Board of Education that
3 the district has not submitted a plan prior to July 15 or a
4 modified plan within the time period specified herein, the
5 State aid funds affected by that plan or modified plan
6 shall be withheld by the State Board of Education until a
7 plan or modified plan is submitted.

8 If the district fails to distribute State aid to
9 attendance centers in accordance with an approved plan, the
10 plan for the following year shall allocate funds, in
11 addition to the funds otherwise required by this
12 subsection, to those attendance centers which were
13 underfunded during the previous year in amounts equal to
14 such underfunding.

15 For purposes of determining compliance with this
16 subsection in relation to the requirements of attendance
17 center funding, each district subject to the provisions of
18 this subsection shall submit as a separate document by
19 December 1 of each year a report of expenditure data for
20 the prior year in addition to any modification of its
21 current plan. If it is determined that there has been a
22 failure to comply with the expenditure provisions of this
23 subsection regarding contravention or supplanting, the
24 State Superintendent of Education shall, within 60 days of
25 receipt of the report, notify the district and any affected
26 local school council. The district shall within 45 days of

1 receipt of that notification inform the State
2 Superintendent of Education of the remedial or corrective
3 action to be taken, whether by amendment of the current
4 plan, if feasible, or by adjustment in the plan for the
5 following year. Failure to provide the expenditure report
6 or the notification of remedial or corrective action in a
7 timely manner shall result in a withholding of the affected
8 funds.

9 The State Board of Education shall promulgate rules and
10 regulations to implement the provisions of this
11 subsection. No funds shall be released under this
12 subdivision (H) (4) to any district that has not submitted a
13 plan that has been approved by the State Board of
14 Education.

15 (I) (Blank).

16 (J) (Blank).

17 (K) Grants to Laboratory and Alternative Schools.

18 In calculating the amount to be paid to the governing board
19 of a public university that operates a laboratory school under
20 this Section or to any alternative school that is operated by a
21 regional superintendent of schools, the State Board of
22 Education shall require by rule such reporting requirements as
23 it deems necessary.

1 As used in this Section, "laboratory school" means a public
2 school which is created and operated by a public university and
3 approved by the State Board of Education. The governing board
4 of a public university which receives funds from the State
5 Board under this subsection (K) may not increase the number of
6 students enrolled in its laboratory school from a single
7 district, if that district is already sending 50 or more
8 students, except under a mutual agreement between the school
9 board of a student's district of residence and the university
10 which operates the laboratory school. A laboratory school may
11 not have more than 1,000 students, excluding students with
12 disabilities in a special education program.

13 As used in this Section, "alternative school" means a
14 public school which is created and operated by a Regional
15 Superintendent of Schools and approved by the State Board of
16 Education. Such alternative schools may offer courses of
17 instruction for which credit is given in regular school
18 programs, courses to prepare students for the high school
19 equivalency testing program or vocational and occupational
20 training. A regional superintendent of schools may contract
21 with a school district or a public community college district
22 to operate an alternative school. An alternative school serving
23 more than one educational service region may be established by
24 the regional superintendents of schools of the affected
25 educational service regions. An alternative school serving
26 more than one educational service region may be operated under

1 such terms as the regional superintendents of schools of those
2 educational service regions may agree.

3 Each laboratory and alternative school shall file, on forms
4 provided by the State Superintendent of Education, an annual
5 State aid claim which states the Average Daily Attendance of
6 the school's students by month. The best 3 months' Average
7 Daily Attendance shall be computed for each school. The general
8 State aid entitlement shall be computed by multiplying the
9 applicable Average Daily Attendance by the Foundation Level as
10 determined under this Section.

11 (L) Payments, Additional Grants in Aid and Other Requirements.

12 (1) For a school district operating under the financial
13 supervision of an Authority created under Article 34A, the
14 general State aid otherwise payable to that district under this
15 Section, but not the supplemental general State aid, shall be
16 reduced by an amount equal to the budget for the operations of
17 the Authority as certified by the Authority to the State Board
18 of Education, and an amount equal to such reduction shall be
19 paid to the Authority created for such district for its
20 operating expenses in the manner provided in Section 18-11. The
21 remainder of general State school aid for any such district
22 shall be paid in accordance with Article 34A when that Article
23 provides for a disposition other than that provided by this
24 Article.

25 (2) (Blank).

1 (3) Summer school. Summer school payments shall be made as
2 provided in Section 18-4.3.

3 (M) Education Funding Advisory Board.

4 The Education Funding Advisory Board, hereinafter in this
5 subsection (M) referred to as the "Board", is hereby created.
6 The Board shall consist of 5 members who are appointed by the
7 Governor, by and with the advice and consent of the Senate. The
8 members appointed shall include representatives of education,
9 business, and the general public. One of the members so
10 appointed shall be designated by the Governor at the time the
11 appointment is made as the chairperson of the Board. The
12 initial members of the Board may be appointed any time after
13 the effective date of this amendatory Act of 1997. The regular
14 term of each member of the Board shall be for 4 years from the
15 third Monday of January of the year in which the term of the
16 member's appointment is to commence, except that of the 5
17 initial members appointed to serve on the Board, the member who
18 is appointed as the chairperson shall serve for a term that
19 commences on the date of his or her appointment and expires on
20 the third Monday of January, 2002, and the remaining 4 members,
21 by lots drawn at the first meeting of the Board that is held
22 after all 5 members are appointed, shall determine 2 of their
23 number to serve for terms that commence on the date of their
24 respective appointments and expire on the third Monday of
25 January, 2001, and 2 of their number to serve for terms that

1 commence on the date of their respective appointments and
2 expire on the third Monday of January, 2000. All members
3 appointed to serve on the Board shall serve until their
4 respective successors are appointed and confirmed. Vacancies
5 shall be filled in the same manner as original appointments. If
6 a vacancy in membership occurs at a time when the Senate is not
7 in session, the Governor shall make a temporary appointment
8 until the next meeting of the Senate, when he or she shall
9 appoint, by and with the advice and consent of the Senate, a
10 person to fill that membership for the unexpired term. If the
11 Senate is not in session when the initial appointments are
12 made, those appointments shall be made as in the case of
13 vacancies.

14 The Education Funding Advisory Board shall be deemed
15 established, and the initial members appointed by the Governor
16 to serve as members of the Board shall take office, on the date
17 that the Governor makes his or her appointment of the fifth
18 initial member of the Board, whether those initial members are
19 then serving pursuant to appointment and confirmation or
20 pursuant to temporary appointments that are made by the
21 Governor as in the case of vacancies.

22 The State Board of Education shall provide such staff
23 assistance to the Education Funding Advisory Board as is
24 reasonably required for the proper performance by the Board of
25 its responsibilities.

26 For school years after the 2000-2001 school year, the

1 Education Funding Advisory Board, in consultation with the
2 State Board of Education, shall make recommendations as
3 provided in this subsection (M) to the General Assembly for the
4 foundation level under subdivision (B)(3) of this Section and
5 for the supplemental general State aid grant level under
6 subsection (H) of this Section for districts with high
7 concentrations of children from poverty. The recommended
8 foundation level shall be determined based on a methodology
9 which incorporates the basic education expenditures of
10 low-spending schools exhibiting high academic performance. The
11 Education Funding Advisory Board shall make such
12 recommendations to the General Assembly on January 1 of odd
13 numbered years, beginning January 1, 2001.

14 (N) (Blank).

15 (O) References.

16 (1) References in other laws to the various subdivisions of
17 Section 18-8 as that Section existed before its repeal and
18 replacement by this Section 18-8.05 shall be deemed to refer to
19 the corresponding provisions of this Section 18-8.05, to the
20 extent that those references remain applicable.

21 (2) References in other laws to State Chapter 1 funds shall
22 be deemed to refer to the supplemental general State aid
23 provided under subsection (H) of this Section.

1 (P) Public Act 93-838 and Public Act 93-808 make inconsistent
2 changes to this Section. Under Section 6 of the Statute on
3 Statutes there is an irreconcilable conflict between Public Act
4 93-808 and Public Act 93-838. Public Act 93-838, being the last
5 acted upon, is controlling. The text of Public Act 93-838 is
6 the law regardless of the text of Public Act 93-808.

15 (a) All certificates initially issued under this Article
16 after June 30, 1986, shall be specifically endorsed by the
17 State Board of Education for each subject the holder of the
18 certificate is legally qualified to teach, such endorsements to

20 Board of Education in consultation with the State Teacher
21 Certification Board. The regional superintendent of schools,
22 however, has the duty, after appropriate training, to accept
23 and review all transcripts for new initial certificate
24 applications and ensure that each applicant has met all of the
25 criteria established by the State Board of Education in

1 consultation with ~~with~~ the State Teacher Certification Board.
2 All certificates which are issued under this Article prior to
3 July 1, 1986 may, by application to the State Board of
4 Education, be specifically endorsed for each subject the holder
5 is legally qualified to teach. Endorsements issued under this
6 Section shall not apply to substitute teacher's certificates
7 issued under Section 21-9 of this Code.

8 (b) Until December 31, 2011, each application for
9 endorsement of an existing teaching certificate shall be
10 accompanied by a \$30 nonrefundable fee.

11 (c) Beginning on January 1, 2012, each application for
12 endorsement of an existing teaching certificate must be
13 accompanied by a \$50 nonrefundable fee.

14 (d) There is hereby created a Teacher Certificate Fee
15 Revolving Fund as a special fund within the State Treasury. The
16 proceeds of each endorsement fee shall be paid into the Teacher
17 Certificate Fee Revolving Fund; and the moneys in that Fund
18 shall be appropriated and used to provide the technology and
19 other resources necessary for the timely and efficient
20 processing of certification requests. The Teacher Certificate
21 Fee Revolving Fund is not subject to administrative charge
22 transfers authorized under Section 8h of the State Finance Act
23 from the Teacher Certificate Fee Revolving Fund into any other
24 fund of this State.

25 (e) The State Board of Education and each regional office
26 of education are authorized to charge a service or convenience

1 fee for the use of credit cards for the payment of
2 certification fees. This service or convenience fee may not
3 exceed the amount required by the credit card processing
4 company or vendor that has entered into a contract with the
5 State Board or regional office of education for this purpose,
6 and the fee must be paid to that company or vendor.

7 (f) This Section is repealed on June 30, 2013.

11 (Section scheduled to be repealed on June 30, 2013)

12 Sec. 21-7.1. Administrative certificate.

13 (a) After July 1, 1999, an administrative certificate valid
14 for 5 years of supervising and administering in the public
15 common schools (unless changed under subsection (a-5) of this
16 Section) may be issued to persons who have graduated from a
17 regionally accredited institution of higher learning with a
18 master's degree or its equivalent and who have been recommended
19 by a recognized institution of higher learning, a
20 not-for-profit entity, or a combination thereof, as having
21 completed a program of preparation for one or more of these
22 endorsements. Such programs of academic and professional
23 preparation required for endorsement shall be administered by
24 an institution or not-for-profit entity approved to offer such
25 programs by the State Board of Education, in consultation with

1 the State Teacher Certification Board, and shall be operated in
2 accordance with this Article and the standards set forth by the
3 State Superintendent of Education in consultation with the
4 State Teacher Certification Board. Any program offered in whole
5 or in part by a not-for-profit entity must also be approved by
6 the Board of Higher Education.

7 (a-5) Beginning July 1, 2003, if an administrative
8 certificate holder holds a Standard Teaching Certificate, the
9 validity period of the administrative certificate shall be
10 changed, if necessary, so that the validity period of the
11 administrative certificate coincides with the validity period
12 of the Standard Teaching Certificate. Beginning July 1, 2003,
13 if an administrative certificate holder holds a Master Teaching
14 Certificate, the validity period of the administrative
15 certificate shall be changed so that the validity period of the
16 administrative certificate coincides with the validity period
17 of the Master Teaching Certificate.

18 (b) No administrative certificate shall be issued for the
19 first time after June 30, 1987 and no endorsement provided for
20 by this Section shall be made or affixed to an administrative
21 certificate for the first time after June 30, 1987 unless the
22 person to whom such administrative certificate is to be issued
23 or to whose administrative certificate such endorsement is to
24 be affixed has been required to demonstrate as a part of a
25 program of academic or professional preparation for such
26 certification or endorsement: (i) an understanding of the

1 knowledge called for in establishing productive parent-school
2 relationships and of the procedures fostering the involvement
3 which such relationships demand; and (ii) an understanding of
4 the knowledge required for establishing a high quality school
5 climate and promoting good classroom organization and
6 management, including rules of conduct and instructional
7 procedures appropriate to accomplishing the tasks of
8 schooling; and (iii) a demonstration of the knowledge and
9 skills called for in providing instructional leadership. The
10 standards for demonstrating an understanding of such knowledge
11 shall be set forth by the State Board of Education in
12 consultation with the State Teacher Certification Board, and
13 shall be administered by the recognized institutions of higher
14 learning as part of the programs of academic and professional
15 preparation required for certification and endorsement under
16 this Section. As used in this subsection: "establishing
17 productive parent-school relationships" means the ability to
18 maintain effective communication between parents and school
19 personnel, to encourage parental involvement in schooling, and
20 to motivate school personnel to engage parents in encouraging
21 student achievement, including the development of programs and
22 policies which serve to accomplish this purpose; and
23 "establishing a high quality school climate" means the ability
24 to promote academic achievement, to maintain discipline, to
25 recognize substance abuse problems among students and utilize
26 appropriate law enforcement and other community resources to

1 address these problems, to support teachers and students in
2 their education endeavors, to establish learning objectives
3 and to provide instructional leadership, including the
4 development of policies and programs which serve to accomplish
5 this purpose; and "providing instructional leadership" means
6 the ability to effectively evaluate school personnel, to
7 possess general communication and interpersonal skills, and to
8 establish and maintain appropriate classroom learning
9 environments. The provisions of this subsection shall not apply
10 to or affect the initial issuance or making on or before June
11 30, 1987 of any administrative certificate or endorsement
12 provided for under this Section, nor shall such provisions
13 apply to or affect the renewal after June 30, 1987 of any such
14 certificate or endorsement initially issued or made on or
15 before June 30, 1987.

16 (c) Administrative certificates shall be renewed every 5
17 years with the first renewal being 5 years following the
18 initial receipt of an administrative certificate, unless the
19 validity period for the administrative certificate has been
20 changed under subsection (a-5) of this Section, in which case
21 the certificate shall be renewed at the same time that the
22 Standard or Master Teaching Certificate is renewed.

23 (c-5) (Blank).

24 (c-10) Except as otherwise provided in subsection (c-15) of
25 this Section, persons holding administrative certificates must
26 follow the certificate renewal procedure set forth in this

1 subsection (c-10), provided that those persons holding
2 administrative certificates on June 30, 2003 who are renewing
3 those certificates on or after July 1, 2003 shall be issued new
4 administrative certificates valid for 5 years (unless changed
5 under subsection (a-5) of this Section), which may be renewed
6 thereafter as set forth in this subsection (c-10).

7 A person holding an administrative certificate and
8 employed in a position requiring administrative certification,
9 including a regional superintendent of schools, must satisfy
10 the continuing professional development requirements of this
11 Section to renew his or her administrative certificate. The
12 continuing professional development must include without
13 limitation the following continuing professional development
14 purposes:

15 (1) To improve the administrator's knowledge of
16 instructional practices and administrative procedures in
17 accordance with the Illinois Professional School Leader
18 Standards.

19 (2) To maintain the basic level of competence required
20 for initial certification.

21 (3) To improve the administrator's mastery of skills
22 and knowledge regarding the improvement of teaching
23 performance in clinical settings and assessment of the
24 levels of student performance in the schools.

25 The continuing professional development must include the
26 following in order for the certificate to be renewed:

1 (A) Participation in continuing professional
2 development activities, which must total a minimum of 100
3 hours of continuing professional development. The
4 participation must consist of a minimum of 5 activities per
5 validity period of the certificate, and the certificate
6 holder must maintain documentation of completion of each
7 activity.

8 (B) Participation every year in an Illinois
9 Administrators' Academy course, which participation must
10 total a minimum of 30 continuing professional development
11 hours during the period of the certificate's validity and
12 which must include completion of applicable required
13 coursework, including completion of a communication,
14 dissemination, or application component, as defined by the
15 State Board of Education.

16 The certificate holder must complete a verification form
17 developed by the State Board of Education and certify that 100
18 hours of continuing professional development activities and 5
19 Administrators' Academy courses have been completed. The
20 regional superintendent of schools shall review and validate
21 the verification form for a certificate holder. Based on
22 compliance with all of the requirements for renewal, the
23 regional superintendent of schools shall forward a
24 recommendation for renewal or non-renewal to the State
25 Superintendent of Education and shall notify the certificate
26 holder of the recommendation. The State Superintendent of

1 Education shall review the recommendation to renew or non-renew
2 and shall notify, in writing, the certificate holder of a
3 decision denying renewal of his or her certificate. Any
4 decision regarding non-renewal of an administrative
5 certificate may be appealed to the State Teacher Certification
6 Board.

7 The State Board of Education, in consultation with the
8 State Teacher Certification Board, shall adopt rules to
9 implement this subsection (c-10).

10 The regional superintendent of schools shall monitor the
11 process for renewal of administrative certificates established
12 in this subsection (c-10).

13 (c-15) This subsection (c-15) applies to the first period
14 of an administrative certificate's validity during which the
15 holder becomes subject to the requirements of subsection (c-10)
16 of this Section if the certificate has less than 5 years'
17 validity or has less than 5 years' validity remaining when the
18 certificate holder becomes subject to the requirements of
19 subsection (c-10) of this Section. With respect to this period,
20 the 100 hours of continuing professional development and 5
21 activities per validity period specified in clause (A) of
22 subsection (c-10) of this Section shall instead be deemed to
23 mean 20 hours of continuing professional development and one
24 activity per year of the certificate's validity or remaining
25 validity and the 30 continuing professional development hours
26 specified in clause (B) of subsection (c-10) of this Section

1 shall instead be deemed to mean completion of at least one
2 course per year of the certificate's validity or remaining
3 validity. Certificate holders who evaluate certified staff
4 must complete a 2-day teacher evaluation course, in addition to
5 the 30 continuing professional development hours.

6 (c-20) The State Board of Education, in consultation with
7 the State Teacher Certification Board, shall develop
8 procedures for implementing this Section and shall administer
9 the renewal of administrative certificates. Failure to submit
10 satisfactory evidence of continuing professional education
11 which contributes to promoting the goals of this Section shall
12 result in a loss of administrative certification.

13 (d) Any limited or life supervisory certificate issued
14 prior to July 1, 1968 shall continue to be valid for all
15 administrative and supervisory positions in the public schools
16 for which it is valid as of that date as long as its holder
17 meets the requirements for registration or renewal as set forth
18 in the statutes or until revoked according to law.

19 (e) The administrative or supervisory positions for which
20 the certificate shall be valid shall be determined by one or
21 more of the following endorsements: general supervisory,
22 general administrative, principal, chief school business
23 official, and superintendent.

24 Subject to the provisions of Section 21-1a, endorsements
25 shall be made under conditions set forth in this Section. The
26 State Board of Education shall, in consultation with the State

1 Teacher Certification Board, adopt rules pursuant to the
2 Illinois Administrative Procedure Act, establishing
3 requirements for obtaining administrative certificates where
4 the minimum administrative or supervisory requirements surpass
5 those set forth in this Section.

6 The State Teacher Certification Board shall file with the
7 State Board of Education a written recommendation when
8 considering additional administrative or supervisory
9 requirements. All additional requirements shall be based upon
10 the requisite knowledge necessary to perform those tasks
11 required by the certificate. The State Board of Education shall
12 in consultation with the State Teacher Certification Board,
13 establish standards within its rules which shall include the
14 academic and professional requirements necessary for
15 certification. These standards shall at a minimum contain, but
16 not be limited to, those used by the State Board of Education
17 in determining whether additional knowledge will be required.
18 Additionally, the State Board of Education shall in
19 consultation with the State Teacher Certification Board,
20 establish provisions within its rules whereby any member of the
21 educational community or the public may file a formal written
22 recommendation or inquiry regarding requirements.

23 (1) Until July 1, 2003, the general supervisory
24 endorsement shall be affixed to the administrative
25 certificate of any holder who has at least 16 semester
26 hours of graduate credit in professional education

1 including 8 semester hours of graduate credit in curriculum
2 and research and who has at least 2 years of full-time
3 teaching experience or school service personnel experience
4 in public schools, schools under the supervision of the
5 Department of Corrections, schools under the
6 administration of the Department of Rehabilitation
7 Services, or nonpublic schools meeting the standards
8 established by the State Superintendent of Education or
9 comparable out-of-state recognition standards approved by
10 the State Superintendent of Education.

11 Such endorsement shall be required for supervisors,
12 curriculum directors and for such similar and related
13 positions as determined by the State Superintendent of
14 Education in consultation with the State Teacher
15 Certification Board.

16 (2) Until August 31, 2014, the general administrative
17 endorsement shall be affixed to the administrative
18 certificate of any holder who has at least 20 semester
19 hours of graduate credit in educational administration and
20 supervision and who has at least 2 years of full-time
21 teaching experience or school service personnel experience
22 in public schools, schools under the supervision of the
23 Department of Corrections, schools under the
24 administration of the Department of Rehabilitation
25 Services, or nonpublic schools meeting the standards
26 established by the State Superintendent of Education or

1 comparable out-of-state recognition standards approved by
2 the State Superintendent of Education.

3 Such endorsement or a principal endorsement shall be
4 required for principal, assistant principal, assistant or
5 associate superintendent, and junior college dean and for
6 related or similar positions as determined by the State
7 Superintendent of Education in consultation with the State
8 Teacher Certification Board.

9 (2.5) The principal endorsement shall be affixed to the
10 administrative certificate of any holder who qualifies by:

11 (A) successfully completing a principal
12 preparation program approved in accordance with
13 Section 21-7.6 of this Code and any applicable rules;

14 (B) having 4 years of teaching experience;
15 however, the State Board of Education shall allow, by
16 rules, for fewer than 4 years of experience based on
17 meeting standards set forth in such rules, including
18 without limitation a review of performance evaluations
19 or other evidence of demonstrated qualifications; and

20 (C) having a master's degree.

21 (3) The chief school business official endorsement
22 shall be affixed to the administrative certificate of any
23 holder who qualifies by having a Master's degree, 2 years
24 of administrative experience in school business management
25 or 2 years of university-approved practical experience,
26 and a minimum of 20 semester hours of graduate credit in a

1 program established by the State Superintendent of
2 Education in consultation with the State Teacher
3 Certification Board for the preparation of school business
4 administrators. Such endorsement shall also be affixed to
5 the administrative certificate of any holder who qualifies
6 by having a Master's Degree in Public Administration,
7 Business Administration, Finance, or Accounting and 6
8 semester hours of internship in school business management
9 from a regionally accredited institution of higher
10 education.

11 After June 30, 1977, such endorsement shall be required
12 for any individual first employed as a chief school
13 business official.

14 (4) The superintendent endorsement shall be affixed to
15 the administrative certificate of any holder who has
16 completed 30 semester hours of graduate credit beyond the
17 master's degree in a program for the preparation of
18 superintendents of schools including 16 semester hours of
19 graduate credit in professional education and who has at
20 least 2 years experience as an administrator or supervisor
21 in the public schools or the State Board of Education or
22 education service regions or in nonpublic schools meeting
23 the standards established by the State Superintendent of
24 Education or comparable out-of-state recognition standards
25 approved by the State Superintendent of Education and holds
26 general supervisory or general administrative endorsement,

1 or who has had 2 years of experience as a supervisor, chief
2 school business official, or administrator while holding
3 an all-grade supervisory certificate or a certificate
4 comparable in validity and educational and experience
5 requirements.

6 After June 30, 1968, such endorsement shall be required
7 for a superintendent of schools, except as provided in the
8 second paragraph of this Section and in Section 34-6.

9 Any person appointed to the position of superintendent
10 between the effective date of this Act and June 30, 1993 in
11 a school district organized pursuant to Article 32 with an
12 enrollment of at least 20,000 pupils shall be exempt from
13 the provisions of this paragraph (4) until June 30, 1996.

14 (f) All official interpretations or acts of issuing or
15 denying administrative certificates or endorsements by the
16 State Teacher's Certification Board, State Board of Education
17 or the State Superintendent of Education, from the passage of
18 P.A. 81-1208 on November 8, 1979 through September 24, 1981 are

4 (a) For purposes of this Section, "school service
5 personnel" means persons employed and performing appropriate
6 services in an Illinois public or State-operated elementary
7 school, secondary school, or cooperative or joint agreement
8 with a governing body or board of control or a charter school

20 with a school nurse endorsement may be issued to a person who
21 holds a bachelor of science degree from an institution of
22 higher learning accredited by the North Central Association or
23 other comparable regional accrediting association. Persons

25 certificate shall be recommended for the endorsement by a

1 recognized teacher education institution as having completed a
2 program of preparation approved by the State Superintendent of
3 Education in consultation with the State Teacher Certification
4 Board.

5 (b) Until August 30, 2002, a school service personnel
6 certificate endorsed for school social work may be issued to a

1 public school setting under the supervision of a certified
2 school social worker who certifies that the supervised work
3 was completed in a satisfactory manner; and

4 (4) The student has passed a test of basic skills and
5 the test of subject matter knowledge required by Section
6 21-1a.

7 This subsection (b) does not apply after August 29, 2002.

8 (c) A school service personnel certificate shall be
9 endorsed with the area of Service as determined by the State
10 Superintendent of Education in consultation with the State
11 Teacher Certification Board.

12 The holder of such certificate shall be entitled to all of
13 the rights and privileges granted holders of a valid teaching
14 certificate, including teacher benefits, compensation and
15 working conditions.

16 When the holder of such certificate has earned a master's
17 degree, including 8 semester hours of graduate professional
18 education from a recognized institution of higher learning, and
19 has at least 2 years of successful school experience while
20 holding such certificate, the certificate may be endorsed for
21 supervision.

22 (d) Persons who have successfully achieved National Board
23 certification through the National Board for Professional
24 Teaching Standards shall be issued a Master School Service
25 Personnel Certificate, valid for 10 years and renewable
26 thereafter every 10 years through compliance with requirements

1 set forth by the State Board of Education, in consultation with
2 the State Teacher Certification Board. However, each holder of
3 a Master School Service Personnel Certificate shall be eligible
4 for a corresponding position in this State in the areas for
5 which he or she holds a Master Certificate without satisfying
6 any other requirements of this Code, except for those
7 requirements pertaining to criminal background checks.

8 (e) School service personnel certificates are renewable
9 every 5 years and may be renewed as provided in this Section.
10 Requests for renewals must be submitted, in a format prescribed
11 by the State Board of Education, to the regional office of
12 education responsible for the school where the holder is
13 employed.

14 Upon completion of at least 80 hours of continuing
15 professional development as provided in this subsection (e), a
16 person who holds a valid school service personnel certificate
17 shall have his or her certificate renewed for a period of 5
18 years. A person who (i) holds an active license issued by the
19 State as a clinical professional counselor, a professional
20 counselor, a clinical social worker, a social worker, or a
21 speech-language pathologist; (ii) holds national certification
22 as a Nationally Certified School Psychologist from the National
23 School Psychology Certification Board; (iii) is nationally
24 certified as a National Certified School Nurse from the
25 National Board for Certification of School Nurses; (iv) is
26 nationally certified as a National Certified Counselor or

1 National Certified School Counselor from the National Board for
2 Certified Counselors; or (v) holds a Certificate of Clinical
3 Competence from the American Speech-Language-Hearing
4 Association shall be deemed to have satisfied the continuing
5 professional development requirements established by the State
6 Board of Education and the State Teacher Certification Board to
7 renew a school service personnel certificate.

8 School service personnel certificates may be renewed by the
9 State Teacher Certification Board based upon proof of
10 continuing professional development. The State Board of
11 Education shall (i) establish a procedure for renewing school
12 service personnel certificates, which shall include without
13 limitation annual timelines for the renewal process and the
14 components set forth in this Section; (ii) approve or
15 disapprove the providers of continuing professional
16 development activities; and (iii) provide, on a timely basis to
17 all school service personnel certificate holders, regional
18 superintendents of schools, school districts, and others with
19 an interest in continuing professional development,
20 information about the standards and requirements established
21 pursuant to this subsection (e).

22 Any school service personnel certificate held by an
23 individual employed and performing services in an Illinois
24 public or State-operated elementary school, secondary school,
25 or cooperative or joint agreement with a governing body or
26 board of control in a certificated school service personnel

1 position or in a charter school in compliance with the Charter
2 Schools Law must be maintained Valid and Active through
3 certificate renewal activities specified in the certificate
4 renewal procedure established pursuant to this Section,
5 provided that a holder of a Valid and Active certificate who is
6 only employed on either a part-time basis or day-to-day basis
7 as a substitute shall pay only the required registration fee to
8 renew his or her certificate and maintain it as Valid and
9 Active. All other school service personnel certificates held
10 may be maintained as Valid and Exempt through the registration
11 process provided for in the certificate renewal procedure
12 established pursuant to Section 21-14 of this Code. A Valid and
13 Exempt certificate must be immediately activated, through
14 procedures developed by the State Board of Education upon the
15 certificate holder becoming employed and performing services
16 in an Illinois public or State-operated elementary school,
17 secondary school, or cooperative or joint agreement with a
18 governing body or board of control in a certificated school
19 service personnel position or in a charter school operating in
20 compliance with the Charter Schools Law. A holder of a Valid
21 and Exempt certificate may activate his or her certificate
22 through procedures provided for in the certificate renewal
23 procedure established pursuant to this Section.

24 A school service personnel certificate that has been
25 maintained as Valid and Active for the 5 years of the
26 certificate's validity shall be renewed as Valid and Active

1 upon the certificate holder (i) completing the National Board
2 for Professional Teaching Standards process in an area of
3 concentration comparable to the holder's school service
4 personnel certificate of endorsement or (ii) earning 80
5 continuing professional development units as described in this
6 Section. If, however, the certificate holder has maintained the
7 certificate as Valid and Exempt for a portion of the 5-year
8 period of validity, the number of continuing professional
9 development units needed to renew the certificate as Valid and
10 Active must be proportionately reduced by the amount of time
11 the certificate was Valid and Exempt. If a certificate holder
12 is employed and performs services requiring the holder's school
13 service personnel certificate on a part-time basis for all or a
14 portion of the certificate's 5-year period of validity, the
15 number of continuing professional development units needed to
16 renew the certificate as Valid and Active shall be reduced by
17 50% for the amount of time the certificate holder has been
18 employed and performing such services on a part-time basis.
19 "Part-time" means less than 50% of the school day or school
20 term.

21 Beginning July 1, 2008, in order to satisfy the
22 requirements for continuing professional development provided
23 for in this Section, each Valid and Active school service
24 personnel certificate holder shall complete professional
25 development activities that address the certificate or those
26 certificates that are required of his or her certificated

1 position, if the certificate holder is employed and performing
2 services in an Illinois public or State operated elementary
3 school, secondary school, or cooperative or joint agreement
4 with a governing body or board of control, or that certificate
5 or those certificates most closely related to his or her
6 teaching position, if the certificate holder is employed in a
7 charter school. Except as otherwise provided in this subsection
8 (e), the certificate holder's activities must address and must
9 reflect the following continuing professional development
10 purposes:

11 (1) Advance both the certificate holder's knowledge
12 and skills consistent with the Illinois Standards for the
13 service area in which the certificate is endorsed in order
14 to keep the certificate holder current in that area.

15 (2) Develop the certificate holder's knowledge and
16 skills in areas determined by the State Board of Education
17 to be critical for all school service personnel.

18 (3) Address the knowledge, skills, and goals of the
19 certificate holder's local school improvement plan, if the
20 certificate holder is employed in an Illinois public or
21 State-operated elementary school, secondary school, or
22 cooperative or joint agreement with a governing body or
23 board of control.

24 (4) Address the needs of serving students with
25 disabilities, including adapting and modifying clinical or
26 professional practices to meet the needs of students with

1 disabilities and serving such students in the least
2 restrictive environment.

3 (5) Address the needs of serving students who are the
4 children of immigrants, including, if the certificate
5 holder is employed as a counselor in an Illinois public or
6 State-operated secondary school, opportunities for higher
7 education for students who are undocumented immigrants.

8 The coursework or continuing professional development
9 units ("CPDU") required under this subsection (e) must total 80
10 CPDUs or the equivalent and must address 4 of the 5 purposes
11 described in items (1) through (5) of this subsection (e).
12 Holders of school service personnel certificates may fulfill
13 this obligation with any combination of semester hours or CPDUs
14 as follows:

16 to improving the school service personnel certificate
17 holder's knowledge and skills, including (i) participating
18 on collaborative planning and professional improvement

16 professional development units per semester hour of credit
17 earned during the previous 5-year period when the status of
18 the holder's school service personnel certificate was
19 Valid and Active. Proportionate reductions shall apply
20 when the holder's status was Valid and Active for less than
21 the 5-year period preceding the renewal.

22 (C) Teaching college or university courses in areas
23 relevant to the certificate area being renewed, provided
24 that the teaching may be counted only once during the
25 course of 5 years.

1 symposiums designed to improve the certificate holder's
2 knowledge and skills in the service area and applicable to
3 the purposes listed in items (1) through (5) of this

5 attendance. No one shall receive credit for conferences,

16 (105 ILCS 5/21B-75)

17 Sec. 21B-75. Suspension or revocation of license.

18 (a) As used in this Section, "teacher" means any school
19 district employee regularly required to be licensed, as
20 provided in this Article, in order to teach or supervise in the
21 public schools.

22 (b) The State Superintendent of Education has the exclusive
23 authority, in accordance with this Section and any rules
24 adopted by the State Board of Education, in consultation with
25 the State Educator Preparation and Licensure Board, to initiate

1 the suspension of up to 5 calendar years or revocation of any
2 license issued pursuant to this Article for abuse or neglect of
3 a child, immorality, a condition of health detrimental to the
4 welfare of pupils, incompetency, unprofessional conduct (which
5 includes the failure to disclose on an employment application
6 any previous conviction for a sex offense, as defined in
7 Section 21B-80 of this Code, or any other offense committed in
8 any other state or against the laws of the United States that,
9 if committed in this State, would be punishable as a sex
10 offense, as defined in Section 21B-80 of this Code), the
11 neglect of any professional duty, willful failure to report an
12 instance of suspected child abuse or neglect as required by the
13 Abused and Neglected Child Reporting Act, failure to establish
14 satisfactory repayment on an educational loan guaranteed by the
15 Illinois Student Assistance Commission, or other just cause.
16 Unprofessional conduct shall include the refusal to attend or
17 participate in institutes, teachers' meetings, or professional
18 readings or to meet other reasonable requirements of the
19 regional superintendent of schools or State Superintendent of
20 Education. Unprofessional conduct also includes conduct that
21 violates the standards, ethics, or rules applicable to the
22 security, administration, monitoring, or scoring of or the
23 reporting of scores from any assessment test or examination
24 administered under Section 2-3.64 of this Code or that is known
25 or intended to produce or report manipulated or artificial,
26 rather than actual, assessment or achievement results or gains

1 from the administration of those tests or examinations.
2 Unprofessional conduct shall also include neglect or
3 unnecessary delay in the making of statistical and other
4 reports required by school officers. Incompetency shall
5 include, without limitation, 2 or more school terms of service
6 for which the license holder has received an unsatisfactory
7 rating on a performance evaluation conducted pursuant to
8 Article 24A of this Code within a period of 7 school terms of
9 service. In determining whether to initiate action against one
10 or more licenses based on incompetency and the recommended
11 sanction for such action, the State Superintendent shall
12 consider factors that include without limitation all of the
13 following:

14 (1) Whether the unsatisfactory evaluation ratings
15 occurred prior to June 13, 2011 (the effective date of
16 Public Act 97-8).

17 (2) Whether the unsatisfactory evaluation ratings
18 occurred prior to or after the implementation date, as
19 defined in Section 24A-2.5 of this Code, of an evaluation
20 system for teachers in a school district.

2 with the unsatisfactory evaluation ratings and whether the
3 license holder successfully completed the remediation
4 plans.

5 (6) Whether the unsatisfactory evaluation ratings were
6 related to the same or different assignments performed by
7 the license holder.

8 (7) Whether one or more of the unsatisfactory
9 evaluation ratings occurred in the first year of a teaching
10 or administrative assignment.

11 When initiating an action against one or more licenses, the
12 State Superintendent may seek required professional
13 development as a sanction in lieu of or in addition to
14 suspension or revocation. Any such required professional
15 development must be at the expense of the license holder, who
16 may use, if available and applicable to the requirements
17 established by administrative or court order, training,
18 coursework, or other professional development funds in
19 accordance with the terms of an applicable collective
20 bargaining agreement entered into after June 13, 2011 (the
21 effective date of Public Act 97-8), unless that agreement
22 specifically precludes use of funds for such purpose.

23 (c) The State Superintendent of Education shall, upon
24 receipt of evidence of abuse or neglect of a child, immorality,
25 a condition of health detrimental to the welfare of pupils,
26 incompetency (subject to subsection (b) of this Section),

1 unprofessional conduct, the neglect of any professional duty,
2 or other just cause, further investigate and, if and as
3 appropriate, serve written notice to the individual and afford
4 the individual opportunity for a hearing prior to suspension,
5 ~~or~~ revocation, or other sanction; provided that the State
6 Superintendent is under no obligation to initiate such an
7 investigation if the Department of Children and Family Services
8 is investigating the same or substantially similar allegations
9 and its child protective service unit has not made its
10 determination, as required under Section 7.12 of the Abused and
11 Neglected Child Reporting Act. If the State Superintendent of
12 Education does not receive from an individual a request for a
13 hearing within 10 days after the individual receives notice,
14 the suspension, ~~or~~ revocation, or other sanction shall
15 immediately take effect in accordance with the notice. If a
16 hearing is requested within 10 days after notice of an
17 opportunity for hearing, it shall act as a stay of proceedings
18 until the State Educator Preparation and Licensure Board issues
19 a decision. Any hearing shall take place in the educational
20 service region where the educator is or was last employed and
21 in accordance with rules adopted by the State Board of
22 Education, in consultation with the State Educator Preparation
23 and Licensure Board, and such rules shall include without
24 limitation provisions for discovery and the sharing of
25 information between parties prior to the hearing. The standard
26 of proof for any administrative hearing held pursuant to this

1 Section shall be by the preponderance of the evidence. The
2 decision of the State Educator Preparation and Licensure Board
3 is a final administrative decision and is subject to judicial
4 review by appeal of either party.

5 The State Board of Education may refuse to issue or may
6 suspend the license of any person who fails to file a return or
7 to pay the tax, penalty, or interest shown in a filed return or
8 to pay any final assessment of tax, penalty, or interest, as
9 required by any tax Act administered by the Department of
10 Revenue, until such time as the requirements of any such tax
11 Act are satisfied.

12 The exclusive authority of the State Superintendent of
13 Education to initiate suspension or revocation of a license
14 pursuant to this Section does not preclude a regional
15 superintendent of schools from cooperating with the State
16 Superintendent or a State's Attorney with respect to an
17 investigation of alleged misconduct.

18 (d) The State Superintendent of Education or his or her
19 designee may initiate and conduct such investigations as may be
20 reasonably necessary to establish the existence of any alleged
21 misconduct. At any stage of the investigation, the State
22 Superintendent may issue a subpoena requiring the attendance
23 and testimony of a witness, including the license holder, and
24 the production of any evidence, including files, records,
25 correspondence, or documents, relating to any matter in
26 question in the investigation. The subpoena shall require a

1 witness to appear at the State Board of Education at a
2 specified date and time and shall specify any evidence to be
3 produced. The license holder is not entitled to be present, but
4 the State Superintendent shall provide the license holder with
5 a copy of any recorded testimony prior to a hearing under this
6 Section. Such recorded testimony must not be used as evidence
7 at a hearing, unless the license holder has adequate notice of
8 the testimony and the opportunity to cross-examine the witness.
9 Failure of a license holder to comply with a duly issued,
10 investigatory subpoena may be grounds for revocation,
11 suspension, or denial of a license.

12 (e) All correspondence, documentation, and other
13 information so received by the regional superintendent of
14 schools, the State Superintendent of Education, the State Board
15 of Education, or the State Educator Preparation and Licensure
16 Board under this Section is confidential and must not be
17 disclosed to third parties, except (i) as necessary for the
18 State Superintendent of Education or his or her designee to
19 investigate and prosecute pursuant to this Article, (ii)
20 pursuant to a court order, (iii) for disclosure to the license
21 holder or his or her representative, or (iv) as otherwise
22 required in this Article and provided that any such information
23 admitted into evidence in a hearing is exempt from this
24 confidentiality and non-disclosure requirement.

25 (f) The State Superintendent of Education or a person
26 designated by him or her shall have the power to administer

1 oaths to witnesses at any hearing conducted before the State
2 Educator Preparation and Licensure Board pursuant to this
3 Section. The State Superintendent of Education or a person
4 designated by him or her is authorized to subpoena and bring
5 before the State Educator Preparation and Licensure Board any
6 person in this State and to take testimony either orally or by
7 deposition or by exhibit, with the same fees and mileage and in
8 the same manner as prescribed by law in judicial proceedings in
9 civil cases in circuit courts of this State.

10 (g) Any circuit court, upon the application of the State
11 Superintendent of Education or the license holder, may, by
12 order duly entered, require the attendance of witnesses and the
13 production of relevant books and papers as part of any
14 investigation or at any hearing the State Educator Preparation
15 and Licensure Board is authorized to conduct pursuant to this
16 Section, and the court may compel obedience to its orders by
17 proceedings for contempt.

18 (h) The State Board of Education shall receive an annual
19 line item appropriation to cover fees associated with the
20 investigation and prosecution of alleged educator misconduct
21 and hearings related thereto.

17 (105 ILCS 5/27A-4)

18 Sec. 27A-4. General Provisions.

19 (a) The General Assembly does not intend to alter or amend
20 the provisions of any court-ordered desegregation plan in
21 effect for any school district. A charter school shall be
22 subject to all federal and State laws and constitutional
23 provisions prohibiting discrimination on the basis of
24 disability, race, creed, color, gender, national origin,

1 religion, ancestry, marital status, or need for special
2 education services.

3 (b) The total number of charter schools operating under
4 this Article at any one time shall not exceed 120. Not more
5 than 70 charter schools shall operate at any one time in any
6 city having a population exceeding 500,000, with at least 5
7 charter schools devoted exclusively to students from
8 low-performing or overcrowded schools operating at any one time
9 in that city; and not more than 45 charter schools shall
10 operate at any one time in the remainder of the State, with not
11 more than one charter school that has been initiated by a board
12 of education, or by an intergovernmental agreement between or
13 among boards of education, operating at any one time in the
14 school district where the charter school is located. In
15 addition to these charter schools, up to but no more than 5
16 charter schools devoted exclusively to re-enrolled high school
17 dropouts and/or students 16 or 15 years old at risk of dropping
18 out may operate at any one time in any city having a population
19 exceeding 500,000. Notwithstanding any provision to the
20 contrary in subsection (b) of Section 27A-5 of this Code, each
21 such dropout charter may operate up to 15 campuses within the
22 city. Any of these dropout charters may have a maximum of 1,875
23 enrollment seats, any one of the campuses of the dropout
24 charter may have a maximum of 165 enrollment seats, and each
25 campus of the dropout charter must be operated, through a
26 contract or payroll, by the same legal entity as that for which

1 the charter is approved and certified.

2 For purposes of implementing this Section, the State Board
3 shall assign a number to each charter submission it receives
4 under Section 27A-6 for its review and certification, based on
5 the chronological order in which the submission is received by
6 it. The State Board shall promptly notify local school boards
7 when the maximum numbers of certified charter schools
8 authorized to operate have been reached.

9 (c) No charter shall be granted under this Article that
10 would convert any existing private, parochial, or non-public
11 school to a charter school.

12 (d) Enrollment in a charter school shall be open to any
13 pupil who resides within the geographic boundaries of the area
14 served by the local school board, provided that the board of
15 education in a city having a population exceeding 500,000 may
16 designate attendance boundaries for no more than one-third of
17 the charter schools permitted in the city if the board of
18 education determines that attendance boundaries are needed to
19 relieve overcrowding or to better serve low-income and at-risk
20 students. Students residing within an attendance boundary may
21 be given priority for enrollment, but must not be required to
22 attend the charter school.

23 (e) Nothing in this Article shall prevent 2 or more local
24 school boards from jointly issuing a charter to a single shared
25 charter school, provided that all of the provisions of this
26 Article are met as to those local school boards.

1 (f) No local school board shall require any employee of the
2 school district to be employed in a charter school.

3 (g) No local school board shall require any pupil residing
4 within the geographic boundary of its district to enroll in a
5 charter school.

6 (h) If there are more eligible applicants for enrollment in
7 a charter school than there are spaces available, successful
8 applicants shall be selected by lottery. However, priority
9 shall be given to siblings of pupils enrolled in the charter
10 school and to pupils who were enrolled in the charter school
11 the previous school year, unless expelled for cause, and
12 priority may be given to pupils residing within the charter
13 school's attendance boundary, if a boundary has been designated
14 by the board of education in a city having a population
15 exceeding 500,000. Dual enrollment at both a charter school and
16 a public school or non-public school shall not be allowed. A
17 pupil who is suspended or expelled from a charter school shall
18 be deemed to be suspended or expelled from the public schools
19 of the school district in which the pupil resides.
20 Notwithstanding anything to the contrary in this subsection
21 (h), any charter school with a mission exclusive to educating
22 high school dropouts may grant priority admission to students
23 who are high school dropouts and/or students 16 or 15 years old
24 at risk of dropping out and any charter school with a mission
25 exclusive to educating students from low-performing or
26 overcrowded schools may restrict admission to students who are

1 from low-performing or overcrowded schools. "Priority
2 admission" for charter schools exclusively devoted to
3 re-enrolled dropouts or students at risk of dropping out means
4 a minimum of 90% of students enrolled shall be high school
5 dropouts.

6 (i) (Blank).

7 (j) Notwithstanding any other provision of law to the
8 contrary, a school district in a city having a population
9 exceeding 500,000 shall not have a duty to collectively bargain
10 with an exclusive representative of its employees over
11 decisions to grant or deny a charter school proposal under
12 Section 27A-8 of this Code, decisions to renew or revoke a
13 charter under Section 27A-9 of this Code, and the impact of
14 these decisions, provided that nothing in this Section shall
15 have the effect of negating, abrogating, replacing, reducing,
16 diminishing, or limiting in any way employee rights,
17 guarantees, or privileges granted in Sections 2, 3, 7, 8, 10,
18 14, and 15 of the Illinois Educational Labor Relations Act.

19 (k) In this Section:

20 "Low-performing school" means a public school in a school
21 district organized under Article 34 of this Code that enrolls
22 students in any of grades kindergarten through 8 and that is
23 ranked within the lowest 10% of schools in that district in
24 terms of the percentage of students meeting or exceeding
25 standards on the Illinois Standards Achievement Test.

26 "Overcrowded school" means a public school in a school

1 district organized under Article 34 of this Code that (i)
2 enrolls students in any of grades kindergarten through 8, (ii)
3 has a percentage of low-income students of 70% or more, as
4 identified in the most recently available School Report Card
5 published by the State Board of Education, and (iii) is
6 determined by the Chicago Board of Education to be in the most
7 severely overcrowded 5% of schools in the district. On or
8 before November 1 of each year, the Chicago Board of Education
9 shall file a report with the State Board of Education on which
10 schools in the district meet the definition of "overcrowded
11 school". "Students at risk of dropping out" means students 16
12 or 15 years old in a public school in a district organized
13 under Article 34 of this Code that enrolls students in any
14 grades 9-12 who have been absent at least 90 school attendance
15 days of the previous 180 school attendance days.

18 (105 ILCS 5/27A-5)

19 Sec. 27A-5. Charter school; legal entity; requirements.

20 (a) A charter school shall be a public, nonsectarian,
21 nonreligious, non-home based, and non-profit school. A charter
22 school shall be organized and operated as a nonprofit
23 corporation or other discrete, legal, nonprofit entity
24 authorized under the laws of the State of Illinois.

25 (b) A charter school may be established under this Article

1 by creating a new school or by converting an existing public
2 school or attendance center to charter school status. Beginning
3 on the effective date of this amendatory Act of the 93rd
4 General Assembly, in all new applications submitted to the
5 State Board or a local school board to establish a charter
6 school in a city having a population exceeding 500,000,
7 operation of the charter school shall be limited to one campus.
8 The changes made to this Section by this amendatory Act of the
9 93rd General Assembly do not apply to charter schools existing
10 or approved on or before the effective date of this amendatory
11 Act.

12 (c) A charter school shall be administered and governed by
13 its board of directors or other governing body in the manner
14 provided in its charter. The governing body of a charter school
15 shall be subject to the Freedom of Information Act and the Open
16 Meetings Act.

17 (d) A charter school shall comply with all applicable
18 health and safety requirements applicable to public schools
19 under the laws of the State of Illinois.

20 (e) Except as otherwise provided in the School Code, a
21 charter school shall not charge tuition; provided that a
22 charter school may charge reasonable fees for textbooks,
23 instructional materials, and student activities.

24 (f) A charter school shall be responsible for the
25 management and operation of its fiscal affairs including, but
26 not limited to, the preparation of its budget. An audit of each

1 charter school's finances shall be conducted annually by an
2 outside, independent contractor retained by the charter
3 school. Annually, by December 1, every charter school must
4 submit to the State Board a copy of its audit and a copy of the
5 Form 990 the charter school filed that year with the federal
6 Internal Revenue Service.

7 (g) A charter school shall comply with all provisions of
8 this Article, the Illinois Educational Labor Relations Act, and
9 its charter. A charter school is exempt from all other State
10 laws and regulations in the School Code governing public
11 schools and local school board policies, except the following:

12 (1) Sections 10-21.9 and 34-18.5 of the School Code
13 regarding criminal history records checks and checks of the
14 Statewide Sex Offender Database and Statewide Murderer and

25 (6) The Illinois School Student Records Act;

26 (7) Section 10-17a of the School Code regarding school

1 report cards; and

2 (8) The P-20 Longitudinal Education Data System Act.

3 The change made by Public Act 96-104 to this subsection (g)
4 is declaratory of existing law.

5 (h) A charter school may negotiate and contract with a
6 school district, the governing body of a State college or
7 university or public community college, or any other public or
8 for-profit or nonprofit private entity for: (i) the use of a
9 school building and grounds or any other real property or
10 facilities that the charter school desires to use or convert
11 for use as a charter school site, (ii) the operation and
12 maintenance thereof, and (iii) the provision of any service,
13 activity, or undertaking that the charter school is required to
14 perform in order to carry out the terms of its charter.
15 However, a charter school that is established on or after the
16 effective date of this amendatory Act of the 93rd General
17 Assembly and that operates in a city having a population
18 exceeding 500,000 may not contract with a for-profit entity to
19 manage or operate the school during the period that commences
20 on the effective date of this amendatory Act of the 93rd
21 General Assembly and concludes at the end of the 2004-2005
22 school year. Except as provided in subsection (i) of this
23 Section, a school district may charge a charter school
24 reasonable rent for the use of the district's buildings,
25 grounds, and facilities. Any services for which a charter

1 the district at cost. Any services for which a charter school

3 of a State college or university or public community college
4 shall be provided by the public entity at cost.

5 (i) In no event shall a charter school that is established
6 by converting an existing school or attendance center to
7 charter school status be required to pay rent for space that is
8 deemed available, as negotiated and provided in the charter
9 agreement, in school district facilities. However, all other
10 costs for the operation and maintenance of school district
11 facilities that are used by the charter school shall be subject
12 to negotiation between the charter school and the local school
13 board and shall be set forth in the charter.

14 (j) A charter school may limit student enrollment by age or
15 grade level.

16 (k) If the charter school is approved by the Commission,
17 then the Commission charter school is its own local education
18 agency.

25 general supervision and jurisdiction over the public education

1 and the public school system of the city, and, except as
2 otherwise provided by this Article, shall have power:

3 1. To make suitable provision for the establishment and
4 maintenance throughout the year or for such portion thereof
5 as it may direct, not less than 9 months, of schools of all

16 or connected with any public school under the general
17 supervision and jurisdiction of the board; provided that
18 the calendar for the school term and any changes must be
19 submitted to and approved by the State Board of Education
20 before the calendar or changes may take effect, and
21 provided that in allocating funds from year to year for the
22 operation of all attendance centers within the district,
23 the board shall ensure that supplemental general State aid
24 funds are allocated and applied in accordance with Section
25 18-8 or 18-8.05. To admit to such schools without charge

1 organized exchange student program which is authorized by
2 the board. The board shall permit all students to enroll in
3 apprenticeship programs in trade schools operated by the
4 board, whether those programs are union-sponsored or not.
5 No student shall be refused admission into or be excluded
6 from any course of instruction offered in the common
7 schools by reason of that student's sex. No student shall
8 be denied equal access to physical education and
9 interscholastic athletic programs supported from school
10 district funds or denied participation in comparable
11 physical education and athletic programs solely by reason
12 of the student's sex. Equal access to programs supported
13 from school district funds and comparable programs will be
14 defined in rules promulgated by the State Board of
15 Education in consultation with the Illinois High School
16 Association. Notwithstanding any other provision of this
17 Article, neither the board of education nor any local
18 school council or other school official shall recommend
19 that children with disabilities be placed into regular
20 education classrooms unless those children with
21 disabilities are provided with supplementary services to
22 assist them so that they benefit from the regular classroom
23 instruction and are included on the teacher's regular
24 education class register;

26 charge therefor, and to use school funds for the payment of

1 such expenses as the board may determine are necessary in
2 conducting the school lunch program;

12 when not otherwise needed, including light, heat, and
13 attendants, for free public lectures, concerts, and other
14 educational and social interests, free of charge, under
15 such provisions and control as the principal of the
16 affected attendance center may prescribe;

17 7. To apportion the pupils to the several schools;
18 provided that no pupil shall be excluded from or segregated
19 in any such school on account of his color, race, sex, or
20 nationality. The board shall take into consideration the
21 prevention of segregation and the elimination of
22 separation of children in public schools because of color,
23 race, sex, or nationality. Except that children may be
24 committed to or attend parental and social adjustment
25 schools established and maintained either for boys or girls
26 only. All records pertaining to the creation, alteration or

1 revision of attendance areas shall be open to the public.
2 Nothing herein shall limit the board's authority to
3 establish multi-area attendance centers or other student
4 assignment systems for desegregation purposes or
5 otherwise, and to apportion the pupils to the several
6 schools. Furthermore, beginning in school year 1994-95,
7 pursuant to a board plan adopted by October 1, 1993, the
8 board shall offer, commencing on a phased-in basis, the
9 opportunity for families within the school district to
10 apply for enrollment of their children in any attendance
11 center within the school district which does not have
12 selective admission requirements approved by the board.
13 The appropriate geographical area in which such open
14 enrollment may be exercised shall be determined by the
15 board of education. Such children may be admitted to any
16 such attendance center on a space available basis after all
17 children residing within such attendance center's area
18 have been accommodated. If the number of applicants from
19 outside the attendance area exceed the space available,
20 then successful applicants shall be selected by lottery.
21 The board of education's open enrollment plan must include
22 provisions that allow low income students to have access to
23 transportation needed to exercise school choice. Open
24 enrollment shall be in compliance with the provisions of
25 the Consent Decree and Desegregation Plan cited in Section
26 34-1.01;

1 8. To approve programs and policies for providing
2 transportation services to students. Nothing herein shall
3 be construed to permit or empower the State Board of
4 Education to order, mandate, or require busing or other
5 transportation of pupils for the purpose of achieving
6 racial balance in any school;

7 9. Subject to the limitations in this Article, to
8 establish and approve system-wide curriculum objectives
9 and standards, including graduation standards, which
10 reflect the multi-cultural diversity in the city and are
11 consistent with State law, provided that for all purposes
12 of this Article courses or proficiency in American Sign
13 Language shall be deemed to constitute courses or
14 proficiency in a foreign language; and to employ principals
15 and teachers, appointed as provided in this Article, and
16 fix their compensation. The board shall prepare such
17 reports related to minimal competency testing as may be
18 requested by the State Board of Education, and in addition
19 shall monitor and approve special education and bilingual
20 education programs and policies within the district to
21 assure that appropriate services are provided in

23 children requiring services and education in those areas;

24 10. To employ non-teaching personnel or utilize
25 volunteer personnel for: (i) non-teaching duties not

2 halls, long distance teaching reception areas used
3 incident to instructional programs transmitted by
4 electronic media such as computers, video, and audio,
5 detention and discipline areas, and school-sponsored
6 extracurricular activities. The board may further utilize
7 volunteer non-certificated personnel or employ
8 non-certificated personnel to assist in the instruction of
9 pupils under the immediate supervision of a teacher holding
10 a valid certificate, directly engaged in teaching subject
11 matter or conducting activities; provided that the teacher
12 shall be continuously aware of the non-certificated
13 persons' activities and shall be able to control or modify
14 them. The general superintendent shall determine
15 qualifications of such personnel and shall prescribe rules
16 for determining the duties and activities to be assigned to
17 such personnel;

18 10.5. To utilize volunteer personnel from a regional
19 School Crisis Assistance Team (S.C.A.T.), created as part
20 of the Safe to Learn Program established pursuant to

22 to provide assistance to schools in times of violence or
23 other traumatic incidents within a school community by

17 13. During that period of the calendar year not
18 embraced within the regular school term, to provide and

20 program of the schools during the regular school term and
21 to give regular school credit for satisfactory completion
22 by the student of such courses as may be approved for
23 credit by the State Board of Education;

24 14. To insure against any loss or liability of the
25 board, the former School Board Nominating Commission,
26 Local School Councils, the Chicago Schools Academic

1 Accountability Council, or the former Subdistrict Councils
2 or of any member, officer, agent or employee thereof,
3 resulting from alleged violations of civil rights arising
4 from incidents occurring on or after September 5, 1967 or
5 from the wrongful or negligent act or omission of any such
6 person whether occurring within or without the school
7 premises, provided the officer, agent or employee was, at
8 the time of the alleged violation of civil rights or
9 wrongful act or omission, acting within the scope of his
10 employment or under direction of the board, the former

14 participate in insurance plans for its officers and

16 annuities, medical, surgical and hospitalization benefits
17 in such types and amounts as may be determined by the
18 board; provided, however, that the board shall contract for
19 such insurance only with an insurance company authorized to
20 do business in this State. Such insurance may include
21 provision for employees who rely on treatment by prayer or
22 spiritual means alone for healing, in accordance with the

4 Code, approved September 29, 1969, as amended;

5 16. (a) To provide, on an equal basis, access to a high
6 school campus and student directory information to the
7 official recruiting representatives of the armed forces of
8 Illinois and the United States for the purposes of
9 informing students of the educational and career
10 opportunities available in the military if the board has
11 provided such access to persons or groups whose purpose is
12 to acquaint students with educational or occupational
13 opportunities available to them. The board is not required
14 to give greater notice regarding the right of access to
15 recruiting representatives than is given to other persons
16 and groups. In this paragraph 16, "directory information"
17 means a high school student's name, address, and telephone
18 number.

19 (b) If a student or his or her parent or guardian
20 submits a signed, written request to the high school before
21 the end of the student's sophomore year (or if the student
22 is a transfer student, by another time set by the high
23 school) that indicates that the student or his or her
24 parent or guardian does not want the student's directory
25 information to be provided to official recruiting
26 representatives under subsection (a) of this Section, the

1 high school may not provide access to the student's
2 directory information to these recruiting representatives.
3 The high school shall notify its students and their parents
4 or guardians of the provisions of this subsection (b).

5 (c) A high school may require official recruiting
6 representatives of the armed forces of Illinois and the
7 United States to pay a fee for copying and mailing a
8 student's directory information in an amount that is not
9 more than the actual costs incurred by the high school.

10 (d) Information received by an official recruiting
11 representative under this Section may be used only to
12 provide information to students concerning educational and
13 career opportunities available in the military and may not
14 be released to a person who is not involved in recruiting
15 students for the armed forces of Illinois or the United
16 States;

17 17. (a) To sell or market any computer program
18 developed by an employee of the school district, provided
19 that such employee developed the computer program as a
20 direct result of his or her duties with the school district
21 or through the utilization of the school district resources
22 or facilities. The employee who developed the computer
23 program shall be entitled to share in the proceeds of such
24 sale or marketing of the computer program. The distribution
25 of such proceeds between the employee and the school
26 district shall be as agreed upon by the employee and the

1 school district, except that neither the employee nor the
2 school district may receive more than 90% of such proceeds.
3 The negotiation for an employee who is represented by an
4 exclusive bargaining representative may be conducted by
5 such bargaining representative at the employee's request.

6 (b) For the purpose of this paragraph 17:

7 (1) "Computer" means an internally programmed,
8 general purpose digital device capable of
9 automatically accepting data, processing data and
10 supplying the results of the operation.

11 (2) "Computer program" means a series of coded
12 instructions or statements in a form acceptable to a
13 computer, which causes the computer to process data in
14 order to achieve a certain result.

15 (3) "Proceeds" means profits derived from

22 withhold from the compensation of that employee any dues,
23 payments or contributions payable by such employee to any
24 labor organization as defined in the Illinois Educational
25 Labor Relations Act. Under such arrangement, an amount
26 shall be withheld from each regular payroll period which is

1 equal to the pro rata share of the annual dues plus any
2 payments or contributions, and the board shall transmit
3 such withholdings to the specified labor organization
4 within 10 working days from the time of the withholding;

5 19a. Upon receipt of notice from the comptroller of a
6 municipality with a population of 500,000 or more, a county

9 Metropolitan Water Reclamation District, the Chicago
10 Transit Authority, or a housing authority of a municipality
11 with a population of 500,000 or more that a debt is due and
12 owing the municipality, the county, the Cook County Forest
13 Preserve District, the Chicago Park District, the
14 Metropolitan Water Reclamation District, the Chicago
15 Transit Authority, or the housing authority by an employee
16 of the Chicago Board of Education, to withhold, from the
17 compensation of that employee, the amount of the debt that
18 is due and owing and pay the amount withheld to the
19 municipality, the county, the Cook County Forest Preserve
20 District, the Chicago Park District, the Metropolitan
21 Water Reclamation District, the Chicago Transit Authority,
22 or the housing authority; provided, however, that the
23 amount deducted from any one salary or wage payment shall
24 not exceed 25% of the net amount of the payment. Before the
25 Board deducts any amount from any salary or wage of an
26 employee under this paragraph, the municipality, the

1 county, the Cook County Forest Preserve District, the
2 Chicago Park District, the Metropolitan Water Reclamation
3 District, the Chicago Transit Authority, or the housing
4 authority shall certify that (i) the employee has been
5 afforded an opportunity for a hearing to dispute the debt
6 that is due and owing the municipality, the county, the
7 Cook County Forest Preserve District, the Chicago Park
8 District, the Metropolitan Water Reclamation District, the
9 Chicago Transit Authority, or the housing authority and
10 (ii) the employee has received notice of a wage deduction
11 order and has been afforded an opportunity for a hearing to
12 object to the order. For purposes of this paragraph, "net

16 specified sum of money owed to the municipality, the
17 county, the Cook County Forest Preserve District, the
18 Chicago Park District, the Metropolitan Water Reclamation

21 granted for payment has expired, or (ii) a specified sum of

26 court order or order of an administrative hearing officer

1 after the exhaustion of, or the failure to exhaust,
2 judicial review;

3 20. The board is encouraged to employ a sufficient
4 number of certified school counselors to maintain a
5 student/counselor ratio of 250 to 1 by July 1, 1990. Each
6 counselor shall spend at least 75% of his work time in
7 direct contact with students and shall maintain a record of
8 such time;

9 21. To make available to students vocational and career
10 counseling and to establish 5 special career counseling
11 days for students and parents. On these days
12 representatives of local businesses and industries shall
13 be invited to the school campus and shall inform students
14 of career opportunities available to them in the various
15 businesses and industries. Special consideration shall be
16 given to counseling minority students as to career
17 opportunities available to them in various fields. For the
18 purposes of this paragraph, minority student means a person
19 who is any of the following:

20 (a) American Indian or Alaska Native (a person having
21 origins in any of the original peoples of North and South
22 America, including Central America, and who maintains

16 annual student dropout rate and number of students who
17 graduate from, transfer from or otherwise leave bilingual
18 programs;

20 Neglected Child Reporting Act or other applicable State or
21 federal law, to permit school officials to withhold, from
22 any person, information on the whereabouts of any child
23 removed from school premises when the child has been taken
24 into protective custody as a victim of suspected child
25 abuse. School officials shall direct such person to the
26 Department of Children and Family Services, or to the local

1 law enforcement agency if appropriate;

2 24. To develop a policy, based on the current state of
3 existing school facilities, projected enrollment and
4 efficient utilization of available resources, for capital
5 improvement of schools and school buildings within the
6 district, addressing in that policy both the relative
7 priority for major repairs, renovations and additions to
8 school facilities, and the advisability or necessity of
9 building new school facilities or closing existing schools
10 to meet current or projected demographic patterns within
11 the district;

12 25. To make available to the students in every high
13 school attendance center the ability to take all courses

19 employment in related fields when determining point of
20 entry on teacher pay scale;

21 27. To provide or contract out training programs for
22 administrative personnel and principals with revised or
23 expanded duties pursuant to this Act in order to assure
24 they have the knowledge and skills to perform their duties;

25 28. To establish a fund for the prioritized special
26 needs programs, and to allocate such funds and other lump

1 sum amounts to each attendance center in a manner
2 consistent with the provisions of part 4 of Section 34-2.3.
3 Nothing in this paragraph shall be construed to require any
4 additional appropriations of State funds for this purpose;

5 29. (Blank);

6 30. Notwithstanding any other provision of this Act or
7 any other law to the contrary, to contract with third
8 parties for services otherwise performed by employees,
9 including those in a bargaining unit, and to layoff those
10 employees upon 14 days written notice to the affected
11 employees. Those contracts may be for a period not to
12 exceed 5 years and may be awarded on a system-wide basis.
13 The board may not operate more than 30 contract schools,
14 provided that the board may operate an additional 5
15 contract turnaround schools pursuant to item (5.5) of
16 subsection (d) of Section 34-8.3 of this Code;

17 31. To promulgate rules establishing procedures
18 governing the layoff or reduction in force of employees and
19 the recall of such employees, including, but not limited
20 to, criteria for such layoffs, reductions in force or
21 recall rights of such employees and the weight to be given
22 to any particular criterion. Such criteria shall take into
23 account factors including, but not be limited to,
24 qualifications, certifications, experience, performance
25 ratings or evaluations, and any other factors relating to
26 an employee's job performance;

1 32. To develop a policy to prevent nepotism in the
2 hiring of personnel or the selection of contractors;

3 33. To enter into a partnership agreement, as required
4 by Section 34-3.5 of this Code, and, notwithstanding any
5 other provision of law to the contrary, to promulgate
6 policies, enter into contracts, and take any other action
7 necessary to accomplish the objectives and implement the
8 requirements of that agreement; and

9 34. To establish a Labor Management Council to the
10 board comprised of representatives of the board, the chief
11 executive officer, and those labor organizations that are
12 the exclusive representatives of employees of the board and
13 to promulgate policies and procedures for the operation of
14 the Council.

15 The specifications of the powers herein granted are not to
16 be construed as exclusive but the board shall also exercise all
17 other powers that they may be requisite or proper for the
18 maintenance and the development of a public school system, not
19 inconsistent with the other provisions of this Article or
20 provisions of this Code which apply to all school districts.

21 In addition to the powers herein granted and authorized to
22 be exercised by the board, it shall be the duty of the board to
23 review or to direct independent reviews of special education

3 Sec. 34-18.5. Criminal history records checks and checks of
4 the Statewide Sex Offender Database and Statewide Murderer and
5 Violent Offender Against Youth Database.

6 (a) Certified and noncertified applicants for employment
7 with the school district are required as a condition of
8 employment to authorize a fingerprint-based criminal history
9 records check to determine if such applicants have been
10 convicted of any of the enumerated criminal or drug offenses in
11 subsection (c) of this Section or have been convicted, within 7
12 years of the application for employment with the school
13 district, of any other felony under the laws of this State or
14 of any offense committed or attempted in any other state or
15 against the laws of the United States that, if committed or
16 attempted in this State, would have been punishable as a felony
17 under the laws of this State. Authorization for the check shall
18 be furnished by the applicant to the school district, except
19 that if the applicant is a substitute teacher seeking
20 employment in more than one school district, or a teacher
21 seeking concurrent part-time employment positions with more
22 than one school district (as a reading specialist, special
23 education teacher or otherwise), or an educational support
24 personnel employee seeking employment positions with more than
25 one district, any such district may require the applicant to

1 furnish authorization for the check to the regional
2 superintendent of the educational service region in which are
3 located the school districts in which the applicant is seeking
4 employment as a substitute or concurrent part-time teacher or
5 concurrent educational support personnel employee. Upon
6 receipt of this authorization, the school district or the
7 appropriate regional superintendent, as the case may be, shall
8 submit the applicant's name, sex, race, date of birth, social
9 security number, fingerprint images, and other identifiers, as
10 prescribed by the Department of State Police, to the
11 Department. The regional superintendent submitting the
12 requisite information to the Department of State Police shall
13 promptly notify the school districts in which the applicant is
14 seeking employment as a substitute or concurrent part-time
15 teacher or concurrent educational support personnel employee
16 that the check of the applicant has been requested. The
17 Department of State Police and the Federal Bureau of
18 Investigation shall furnish, pursuant to a fingerprint-based
19 criminal history records check, records of convictions, until
20 expunged, to the president of the school board for the school
21 district that requested the check, or to the regional
22 superintendent who requested the check. The Department shall
23 charge the school district or the appropriate regional
24 superintendent a fee for conducting such check, which fee shall
25 be deposited in the State Police Services Fund and shall not
26 exceed the cost of the inquiry; and the applicant shall not be

1 charged a fee for such check by the school district or by the
2 regional superintendent. Subject to appropriations for these
3 purposes, the State Superintendent of Education shall
4 reimburse the school district and regional superintendent for
5 fees paid to obtain criminal history records checks under this
6 Section.

7 (a-5) The school district or regional superintendent shall
8 further perform a check of the Statewide Sex Offender Database,
9 as authorized by the Sex Offender Community Notification Law,
10 for each applicant.

11 (a-6) The school district or regional superintendent shall
12 further perform a check of the Statewide Murderer and Violent
13 Offender Against Youth Database, as authorized by the Murderer
14 and Violent Offender Against Youth Community Notification Law,
15 for each applicant.

16 (b) Any information concerning the record of convictions
17 obtained by the president of the board of education or the
18 regional superintendent shall be confidential and may only be
19 transmitted to the general superintendent of the school
20 district or his designee, the appropriate regional
21 superintendent if the check was requested by the board of
22 education for the school district, the presidents of the
23 appropriate board of education or school boards if the check
24 was requested from the Department of State Police by the
25 regional superintendent, the State Superintendent of
26 Education, the State Teacher Certification Board or any other

1 person necessary to the decision of hiring the applicant for
2 employment. A copy of the record of convictions obtained from
3 the Department of State Police shall be provided to the
4 applicant for employment. Upon the check of the Statewide Sex
5 Offender Database, the school district or regional
6 superintendent shall notify an applicant as to whether or not
7 the applicant has been identified in the Database as a sex
8 offender. If a check of an applicant for employment as a
9 substitute or concurrent part-time teacher or concurrent
10 educational support personnel employee in more than one school
11 district was requested by the regional superintendent, and the
12 Department of State Police upon a check ascertains that the
13 applicant has not been convicted of any of the enumerated
14 criminal or drug offenses in subsection (c) or has not been
15 convicted, within 7 years of the application for employment
16 with the school district, of any other felony under the laws of
17 this State or of any offense committed or attempted in any
18 other state or against the laws of the United States that, if
19 committed or attempted in this State, would have been
20 punishable as a felony under the laws of this State and so
21 notifies the regional superintendent and if the regional
22 superintendent upon a check ascertains that the applicant has
23 not been identified in the Sex Offender Database as a sex
24 offender, then the regional superintendent shall issue to the
25 applicant a certificate evidencing that as of the date
26 specified by the Department of State Police the applicant has

1 not been convicted of any of the enumerated criminal or drug
2 offenses in subsection (c) or has not been convicted, within 7
3 years of the application for employment with the school
4 district, of any other felony under the laws of this State or
5 of any offense committed or attempted in any other state or
6 against the laws of the United States that, if committed or
7 attempted in this State, would have been punishable as a felony
8 under the laws of this State and evidencing that as of the date
9 that the regional superintendent conducted a check of the
10 Statewide Sex Offender Database, the applicant has not been
11 identified in the Database as a sex offender. The school board
12 of any school district may rely on the certificate issued by
13 any regional superintendent to that substitute teacher,
14 concurrent part-time teacher, or concurrent educational
15 support personnel employee or may initiate its own criminal
16 history records check of the applicant through the Department
17 of State Police and its own check of the Statewide Sex Offender
18 Database as provided in subsection (a). Any person who releases
19 any confidential information concerning any criminal
20 convictions of an applicant for employment shall be guilty of a
21 Class A misdemeanor, unless the release of such information is
22 authorized by this Section.

23 (c) The board of education shall not knowingly employ a
24 person who has been convicted of any offense that would subject
25 him or her to license suspension or revocation pursuant to
26 Section 21B-80 of this Code. Further, the board of education

1 shall not knowingly employ a person who has been found to be
2 the perpetrator of sexual or physical abuse of any minor under
3 18 years of age pursuant to proceedings under Article II of the
4 Juvenile Court Act of 1987.

5 (d) The board of education shall not knowingly employ a
6 person for whom a criminal history records check and a
7 Statewide Sex Offender Database check has not been initiated.

8 (e) Upon receipt of the record of a conviction of or a
9 finding of child abuse by a holder of any certificate issued
10 pursuant to Article 21 or Section 34-8.1 or 34-83 of the School
11 Code, the State Superintendent of Education may initiate
12 certificate suspension and revocation proceedings as
13 authorized by law.

14 (e-5) The general superintendent of schools shall, in
15 writing, notify the State Superintendent of Education of any
16 certificate holder whom he or she has reasonable cause to
17 believe has committed an intentional act of abuse or neglect
18 with the result of making a child an abused child or a
19 neglected child, as defined in Section 3 of the Abused and
20 Neglected Child Reporting Act, and that act resulted in the
21 certificate holder's dismissal or resignation from the school
22 district. This notification must be submitted within 30 days
23 after the dismissal or resignation. The certificate holder must
24 also be contemporaneously sent a copy of the notice by the
25 superintendent. All correspondence, documentation, and other
26 information so received by the State Superintendent of

1 Education, the State Board of Education, or the State Teacher
2 Certification Board under this subsection (e-5) is
3 confidential and must not be disclosed to third parties, except
4 (i) as necessary for the State Superintendent of Education or
5 his or her designee to investigate and prosecute pursuant to
6 Article 21 of this Code, (ii) pursuant to a court order, (iii)
7 for disclosure to the certificate holder or his or her
8 representative, or (iv) as otherwise provided in this Article
9 and provided that any such information admitted into evidence
10 in a hearing is exempt from this confidentiality and
11 non-disclosure requirement. Except for an act of willful or
12 wanton misconduct, any superintendent who provides
13 notification as required in this subsection (e-5) shall have
14 immunity from any liability, whether civil or criminal or that
15 otherwise might result by reason of such action.

16 (f) After March 19, 1990, the provisions of this Section
17 shall apply to all employees of persons or firms holding
18 contracts with any school district including, but not limited
19 to, food service workers, school bus drivers and other
20 transportation employees, who have direct, daily contact with
21 the pupils of any school in such district. For purposes of
22 criminal history records checks and checks of the Statewide Sex
23 Offender Database on employees of persons or firms holding
24 contracts with more than one school district and assigned to
25 more than one school district, the regional superintendent of
26 the educational service region in which the contracting school

1 districts are located may, at the request of any such school
2 district, be responsible for receiving the authorization for a
3 criminal history records check prepared by each such employee
4 and submitting the same to the Department of State Police and
5 for conducting a check of the Statewide Sex Offender Database
6 for each employee. Any information concerning the record of
7 conviction and identification as a sex offender of any such
8 employee obtained by the regional superintendent shall be
9 promptly reported to the president of the appropriate school
10 board or school boards.

11 (g) In order to student teach in the public schools, a
12 person is required to authorize a fingerprint-based criminal
13 history records check and checks of the Statewide Sex Offender
14 Database and Statewide Murderer and Violent Offender Against
15 Youth Database prior to participating in any field experiences
16 in the public schools. Authorization for and payment of the
17 costs of the checks must be furnished by the student teacher.
18 Results of the checks must be furnished to the higher education
19 institution where the student teacher is enrolled and the
20 general superintendent of schools.

21 (h) Upon request of a school, school district, community
22 college district, or private school, any information obtained
23 by the school district pursuant to subsection (f) of this
24 Section within the last year must be made available to that
25 school, school district, community college district, or
26 private school.

5 Sec. 34-18.45. Minimum reading instruction. The board
6 shall promote 60 minutes of minimum reading opportunities daily

12 (105 ILCS 5/34-18.46)

13 Sec. 34-18.46 ~~34-18.45~~. Student athletes; concussions and
14 head injuries.

15 (a) The General Assembly recognizes all of the following:

16 (1) Concussions are one of the most commonly reported
17 injuries in children and adolescents who participate in
18 sports and recreational activities. The Centers for
19 Disease Control and Prevention estimates that as many as
20 3,900,000 sports-related and recreation-related
21 concussions occur in the United States each year. A
22 concussion is caused by a blow or motion to the head or
23 body that causes the brain to move rapidly inside the
24 skull. The risk of catastrophic injuries or death are

1 significant when a concussion or head injury is not
2 properly evaluated and managed.

3 (2) Concussions are a type of brain injury that can
4 range from mild to severe and can disrupt the way the brain
5 normally works. Concussions can occur in any organized or
6 unorganized sport or recreational activity and can result
7 from a fall or from players colliding with each other, the
8 ground, or with obstacles. Concussions occur with or
9 without loss of consciousness, but the vast majority of
10 concussions occur without loss of consciousness.

11 (3) Continuing to play with a concussion or symptoms of
12 a head injury leaves a young athlete especially vulnerable
13 to greater injury and even death. The General Assembly
14 recognizes that, despite having generally recognized
15 return-to-play standards for concussions and head
16 injuries, some affected youth athletes are prematurely
17 returned to play, resulting in actual or potential physical
18 injury or death to youth athletes in this State.

19 (b) The board shall adopt a policy regarding student
20 athlete concussions and head injuries that is in compliance
21 with the protocols, policies, and by-laws of the Illinois High
22 School Association. Information on the board's concussion and
23 head injury policy must be a part of any agreement, contract,
24 code, or other written instrument that the school district
25 requires a student athlete and his or her parents or guardian
26 to sign before participating in practice or interscholastic

1 competition.

2 (c) The Illinois High School Association shall make
3 available to the school district education materials, such as
4 visual presentations and other written materials, that
5 describe the nature and risk of concussions and head injuries.
6 The school district shall use education materials provided by
7 the Illinois High School Association to educate coaches,
8 student athletes, and parents and guardians of student athletes
9 about the nature and risk of concussions and head injuries,
10 including continuing play after a concussion or head injury.

23 Section, except as otherwise provided in this Section, it shall
24 be mandatory for each residential mortgage licensee to cause

1 its books and accounts to be audited by a certified public
2 accountant not connected with such licensee. The books and
3 records of all licensees under this Act shall be maintained on
4 an accrual basis. The audit must be sufficiently comprehensive
5 in scope to permit the expression of an opinion on the
6 financial statements, which must be prepared in accordance with
7 generally accepted accounting principles, and must be
8 performed in accordance with generally accepted auditing
9 standards. Notwithstanding the requirements of this
10 subsection, a licensee that is a first tier subsidiary may

11 other fair and impartial means as he or she establishes by
12 regulation.

13 (f) In lieu of the audit or compilation financial statement

18 (g) With respect to licensees who solely broker residential
19 mortgage loans as defined in subsection (o) of Section 1-4,

6 Commissioner shall cause an audit of the licensee's books and
7 accounts to be made by a certified public accountant at the
8 licensee's expense. The Commissioner shall select the
9 certified public accountant by advertising for bids or by such
10 other fair and impartial means as he or she establishes by
11 rule. A licensee who files false or misleading compilation
12 financial statements is guilty of a business offense and shall
13 be fined not less than \$5,000.

14 (h) The workpapers of the certified public accountants
15 employed by each licensee for purposes of this Section are to
16 be made available to the Commissioner or the Commissioner's
17 designee upon request and may be reproduced by the Commissioner
18 or the Commissioner's designee to enable to the Commissioner to
19 carry out the purposes of this Act.

20 (i) Notwithstanding any other provision of this Section, if
21 a licensee relying on subsection (g) of this Section causes its
22 books to be audited at any other time or causes its financial
23 statements to be reviewed, a complete copy of the audited or
24 reviewed financial statements shall be delivered to the
25 Commissioner at the time of the annual license renewal payment
26 following receipt by the licensee of the audited or reviewed

1 financial statements. All workpapers shall be made available to

9 Health Facilities and Services Review Board.

10 No more than one children's respite care model owned and

2 Need permit to operate as a hospital:

3 (1) The postsurgical recovery care center shall apply
4 to the ~~Illinois~~ Health Facilities and Services Review
5 ~~Planning~~ Board for a Certificate of Need permit to

17 (4) The former postsurgical recovery care center that
18 receives a hospital license must seek and use its best
19 efforts to maintain certification under Titles XVIII and

2 health and safety of the patients of the alternative health
3 care model will be protected during the period for which the
4 provisional license is issued. The Department shall advise the
5 licensee of the conditions under which the provisional license
6 is issued, including the manner in which the alternative health
7 care model fails to comply with the provisions of this Act and
8 rules, and the time within which the changes and corrections

26 in the course of a survey that a resident has been abused or

1 neglected and initiates an investigation while on site at the
2 facility shall be exempt from making a report under this
3 Section but the results of any such investigation shall be
4 forwarded to the central register in a manner and form
5 described by the Department.

6 The requirement of this Act shall not relieve any long term
7 care facility administrator, agent or employee of
8 responsibility to report the abuse or neglect of a resident
9 under Section 3-610 of the Nursing Home Care Act or under
10 Section 3-610 of the ID/DD Community Care Act or under Section
11 3-610 of the Specialized Mental Health Rehabilitation Act.

12 In addition to the above persons required to report
13 suspected resident abuse and neglect, any other person may make
14 a report to the Department, or to any law enforcement officer,
15 if such person has reasonable cause to suspect a resident has
16 been abused or neglected.

17 This Section also applies to residents whose death occurs
18 from suspected abuse or neglect before being found or brought
19 to a hospital.

20 A person required to make reports or cause reports to be
21 made under this Section who fails to comply with the
22 requirements of this Section is guilty of a Class A
23 misdemeanor.

1 (210 ILCS 30/6) (from Ch. 111 1/2, par. 4166)

2 Sec. 6. All reports of suspected abuse or neglect made
3 under this Act shall be made immediately by telephone to the
4 Department's central register established under Section 14 on
5 the single, State-wide, toll-free telephone number established
6 under Section 13, or in person or by telephone through the
7 nearest Department office. No long term care facility
8 administrator, agent or employee, or any other person, shall
9 screen reports or otherwise withhold any reports from the
10 Department, and no long term care facility, department of State
11 government, or other agency shall establish any rules,
12 criteria, standards or guidelines to the contrary. Every long
13 term care facility, department of State government and other
14 agency whose employees are required to make or cause to be made
15 reports under Section 4 shall notify its employees of the
16 provisions of that Section and of this Section, and provide to
17 the Department documentation that such notification has been
18 given. The Department of Human Services shall train all of its
19 mental health and developmental disabilities employees in the
20 detection and reporting of suspected abuse and neglect of
21 residents. Reports made to the central register through the
22 State-wide, toll-free telephone number shall be transmitted to
23 appropriate Department offices and municipal health
24 departments that have responsibility for licensing long term
25 care facilities under the Nursing Home Care Act, the
26 Specialized Mental Health Rehabilitation Act, or the ID/DD

1 Community Care Act. All reports received through offices of the
2 Department shall be forwarded to the central register, in a
3 manner and form described by the Department. The Department
4 shall be capable of receiving reports of suspected abuse and
5 neglect 24 hours a day, 7 days a week. Reports shall also be
6 made in writing deposited in the U.S. mail, postage prepaid,
7 within 24 hours after having reasonable cause to believe that
8 the condition of the resident resulted from abuse or neglect.
9 Such reports may in addition be made to the local law
10 enforcement agency in the same manner. However, in the event a
11 report is made to the local law enforcement agency, the
12 reporter also shall immediately so inform the Department. The
13 Department shall initiate an investigation of each report of
14 resident abuse and neglect under this Act, whether oral or
15 written, as provided for in Section 3-702 of the Nursing Home
16 Care Act, Section 3-702 of the Specialized Mental Health
17 Rehabilitation Act, or Section 3-702 of the ID/DD Community
18 Care Act, except that reports of abuse which indicate that a
19 resident's life or safety is in imminent danger shall be
20 investigated within 24 hours of such report. The Department may
21 delegate to law enforcement officials or other public agencies
22 the duty to perform such investigation.

23 With respect to investigations of reports of suspected
24 abuse or neglect of residents of mental health and
25 developmental disabilities institutions under the jurisdiction
26 of the Department of Human Services, the Department shall

1 transmit copies of such reports to the Department of State
2 Police, the Department of Human Services, and the Inspector
3 General appointed under Section 1-17 of the Department of Human
4 Services Act. If the Department receives a report of suspected
5 abuse or neglect of a recipient of services as defined in
6 Section 1-123 of the Mental Health and Developmental
7 Disabilities Code, the Department shall transmit copies of such
8 report to the Inspector General and the Directors of the
9 Guardianship and Advocacy Commission and the agency designated
10 by the Governor pursuant to the Protection and Advocacy for
11 Developmentally Disabled Persons Act. When requested by the
12 Director of the Guardianship and Advocacy Commission, the
13 agency designated by the Governor pursuant to the Protection
14 and Advocacy for Developmentally Disabled Persons Act, or the
15 Department of Financial and Professional Regulation, the
16 Department, the Department of Human Services and the Department
17 of State Police shall make available a copy of the final
18 investigative report regarding investigations conducted by
19 their respective agencies on incidents of suspected abuse or
20 neglect of residents of mental health and developmental
21 disabilities institutions or individuals receiving services at
22 community agencies under the jurisdiction of the Department of
23 Human Services. Such final investigative report shall not
24 contain witness statements, investigation notes, draft
25 summaries, results of lie detector tests, investigative files
26 or other raw data which was used to compile the final

1 investigative report. Specifically, the final investigative
2 report of the Department of State Police shall mean the
3 Director's final transmittal letter. The Department of Human
4 Services shall also make available a copy of the results of
5 disciplinary proceedings of employees involved in incidents of
6 abuse or neglect to the Directors. All identifiable information
7 in reports provided shall not be further disclosed except as
8 provided by the Mental Health and Developmental Disabilities
9 Confidentiality Act. Nothing in this Section is intended to
10 limit or construe the power or authority granted to the agency
11 designated by the Governor pursuant to the Protection and
12 Advocacy for Developmentally Disabled Persons Act, pursuant to
13 any other State or federal statute.

14 With respect to investigations of reported resident abuse
15 or neglect, the Department shall effect with appropriate law
16 enforcement agencies formal agreements concerning methods and
17 procedures for the conduct of investigations into the criminal
18 histories of any administrator, staff assistant or employee of
19 the nursing home or other person responsible for the residents
20 care, as well as for other residents in the nursing home who
21 may be in a position to abuse, neglect or exploit the patient.
22 Pursuant to the formal agreements entered into with appropriate
23 law enforcement agencies, the Department may request
24 information with respect to whether the person or persons set
25 forth in this paragraph have ever been charged with a crime and
26 if so, the disposition of those charges. Unless the criminal

1 histories of the subjects involved crimes of violence or
2 resident abuse or neglect, the Department shall be entitled
3 only to information limited in scope to charges and their
4 dispositions. In cases where prior crimes of violence or
5 resident abuse or neglect are involved, a more detailed report
6 can be made available to authorized representatives of the
7 Department, pursuant to the agreements entered into with
8 appropriate law enforcement agencies. Any criminal charges and
9 their disposition information obtained by the Department shall
10 be confidential and may not be transmitted outside the
11 Department, except as required herein, to authorized
12 representatives or delegates of the Department, and may not be
13 transmitted to anyone within the Department who is not duly
14 authorized to handle resident abuse or neglect investigations.

15 The Department shall effect formal agreements with
16 appropriate law enforcement agencies in the various counties
17 and communities to encourage cooperation and coordination in
18 the handling of resident abuse or neglect cases pursuant to
19 this Act. The Department shall adopt and implement methods and
20 procedures to promote statewide uniformity in the handling of
21 reports of abuse and neglect under this Act, and those methods
22 and procedures shall be adhered to by personnel of the
23 Department involved in such investigations and reporting. The
24 Department shall also make information required by this Act
25 available to authorized personnel within the Department, as
26 well as its authorized representatives.

1 The Department shall keep a continuing record of all
2 reports made pursuant to this Act, including indications of the
3 final determination of any investigation and the final
4 disposition of all reports.

5 The Department shall report annually to the General
6 Assembly on the incidence of abuse and neglect of long term
7 care facility residents, with special attention to residents
8 who are mentally disabled. The report shall include but not be
9 limited to data on the number and source of reports of
10 suspected abuse or neglect filed under this Act, the nature of
11 any injuries to residents, the final determination of
12 investigations, the type and number of cases where abuse or
13 neglect is determined to exist, and the final disposition of
14 cases.

17 Section 305. The Nursing Home Care Act is amended by
18 changing Sections 1-113, 3-202.5, and 3-304.2 as follows:

19 (210 ILCS 45/1-113) (from Ch. 111 1/2, par. 4151-113)

6 Sec. 3-202.5. Facility plan review; fees.

7 (a) Before commencing construction of a new facility or
8 specified types of alteration or additions to an existing long
9 term care facility involving major construction, as defined by
10 rule by the Department, with an estimated cost greater than
11 \$100,000, architectural drawings and specifications for the
12 facility shall be submitted to the Department for review and
13 approval. A facility may submit architectural drawings and
14 specifications for other construction projects for Department
15 review according to subsection (b) that shall not be subject to
16 fees under subsection (d). Review of drawings and
17 specifications shall be conducted by an employee of the
18 Department meeting the qualifications established by the
19 Department of Central Management Services class specifications
20 for such an individual's position or by a person contracting
21 with the Department who meets those class specifications. Final
22 approval of the drawings and specifications for compliance with
23 design and construction standards shall be obtained from the
24 Department before the alteration, addition, or new
25 construction is begun.

1 (b) The Department shall inform an applicant in writing
2 within 10 working days after receiving drawings and
3 specifications and the required fee, if any, from the applicant
4 whether the applicant's submission is complete or incomplete.
5 Failure to provide the applicant with this notice within 10
6 working days shall result in the submission being deemed
7 complete for purposes of initiating the 60-day review period
8 under this Section. If the submission is incomplete, the
9 Department shall inform the applicant of the deficiencies with
10 the submission in writing. If the submission is complete the
11 required fee, if any, has been paid, the Department shall
12 approve or disapprove drawings and specifications submitted to
13 the Department no later than 60 days following receipt by the
14 Department. The drawings and specifications shall be of
15 sufficient detail, as provided by Department rule, to enable
16 the Department to render a determination of compliance with
17 design and construction standards under this Act. If the
18 Department finds that the drawings are not of sufficient detail
19 for it to render a determination of compliance, the plans shall
20 be determined to be incomplete and shall not be considered for
21 purposes of initiating the 60 day review period. If a
22 submission of drawings and specifications is incomplete, the
23 applicant may submit additional information. The 60-day review
24 period shall not commence until the Department determines that
25 a submission of drawings and specifications is complete or the
26 submission is deemed complete. If the Department has not

1 approved or disapproved the drawings and specifications within
2 60 days, the construction, major alteration, or addition shall
3 be deemed approved. If the drawings and specifications are
4 disapproved, the Department shall state in writing, with
5 specificity, the reasons for the disapproval. The entity
6 submitting the drawings and specifications may submit
7 additional information in response to the written comments from
8 the Department or request a reconsideration of the disapproval.
9 A final decision of approval or disapproval shall be made
10 within 45 days of the receipt of the additional information or
11 reconsideration request. If denied, the Department shall state
12 the specific reasons for the denial.

13 (c) The Department shall provide written approval for
14 occupancy pursuant to subsection (g) and shall not issue a
15 violation to a facility as a result of a licensure or complaint
16 survey based upon the facility's physical structure if:

17 (1) the Department reviewed and approved or deemed
18 approved the drawings and specifications for compliance
19 with design and construction standards;

20 (2) the construction, major alteration, or addition
21 was built as submitted;

22 (3) the law or rules have not been amended since the
23 original approval; and

24 (4) the conditions at the facility indicate that there
25 is a reasonable degree of safety provided for the
26 residents.

1 (d) The Department shall charge the following fees in
2 connection with its reviews conducted before June 30, 2004
3 under this Section:

4 (1) (Blank).

5 (2) (Blank).

6 (3) If the estimated dollar value of the alteration,
7 addition, or new construction is \$100,000 or more but less
8 than \$500,000, the fee shall be the greater of \$2,400 or
9 1.2% of that value.

10 (4) If the estimated dollar value of the alteration,
11 addition, or new construction is \$500,000 or more but less
12 than \$1,000,000, the fee shall be the greater of \$6,000 or
13 0.96% of that value.

14 (5) If the estimated dollar value of the alteration,
15 addition, or new construction is \$1,000,000 or more but
16 less than \$5,000,000, the fee shall be the greater of
17 \$9,600 or 0.22% of that value.

18 (6) If the estimated dollar value of the alteration,
19 addition, or new construction is \$5,000,000 or more, the
20 fee shall be the greater of \$11,000 or 0.11% of that value,
21 but shall not exceed \$40,000.

22 The fees provided in this subsection (d) shall not apply to
23 major construction projects involving facility changes that
24 are required by Department rule amendments.

25 The fees provided in this subsection (d) shall also not
26 apply to major construction projects if 51% or more of the

1 estimated cost of the project is attributed to capital
2 equipment. For major construction projects where 51% or more of
3 the estimated cost of the project is attributed to capital
4 equipment, the Department shall by rule establish a fee that is
5 reasonably related to the cost of reviewing the project.

6 The Department shall not commence the facility plan review
7 process under this Section until the applicable fee has been
8 paid.

9 (e) All fees received by the Department under this Section
10 shall be deposited into the Health Facility Plan Review Fund, a
11 special fund created in the State Treasury. All fees paid by
12 long-term care facilities under subsection (d) shall be used
13 only to cover the costs relating to the Department's review of
14 long-term care facility projects under this Section. Moneys
15 shall be appropriated from that Fund to the Department only to
16 pay the costs of conducting reviews under this Section or under
17 Section 3-202.5 of the ID/DD Community Care Act or under
18 Section 3-202.5 of the Specialized Mental Health
19 Rehabilitation Act. None of the moneys in the Health Facility
20 Plan Review Fund shall be used to reduce the amount of General
21 Revenue Fund moneys appropriated to the Department for facility
22 plan reviews conducted pursuant to this Section.

23 (f) (1) The provisions of this amendatory Act of 1997
24 concerning drawings and specifications shall apply only to
25 drawings and specifications submitted to the Department on
26 or after October 1, 1997.

1 (2) On and after the effective date of this amendatory
2 Act of 1997 and before October 1, 1997, an applicant may
3 submit or resubmit drawings and specifications to the
4 Department and pay the fees provided in subsection (d). If
5 an applicant pays the fees provided in subsection (d) under
6 this paragraph (2), the provisions of subsection (b) shall
7 apply with regard to those drawings and specifications.

8 (g) The Department shall conduct an on-site inspection of
9 the completed project no later than 30 days after notification
10 from the applicant that the project has been completed and all
11 certifications required by the Department have been received
12 and accepted by the Department. The Department shall provide
13 written approval for occupancy to the applicant within 5
14 working days of the Department's final inspection, provided the
15 applicant has demonstrated substantial compliance as defined
16 by Department rule. Occupancy of new major construction is
17 prohibited until Department approval is received, unless the
18 Department has not acted within the time frames provided in
19 this subsection (g), in which case the construction shall be
20 deemed approved. Occupancy shall be authorized after any
21 required health inspection by the Department has been
22 conducted.

23 (h) The Department shall establish, by rule, a procedure to
24 conduct interim on-site review of large or complex construction
25 projects.

26 (i) The Department shall establish, by rule, an expedited

1 process for emergency repairs or replacement of like equipment.

2 (j) Nothing in this Section shall be construed to apply to
3 maintenance, upkeep, or renovation that does not affect the
4 structural integrity of the building, does not add beds or
5 services over the number for which the long-term care facility
6 is licensed, and provides a reasonable degree of safety for the
7 residents.

10 (210 ILCS 45/3-304.2)

11 Sec. 3-304.2. Designation of distressed facilities.

12 (a) By May 1, 2011, and quarterly thereafter, the
13 Department shall generate and publish quarterly a list of
14 distressed facilities. Criteria for inclusion of certified
15 facilities on the list shall be those used by the U.S. General
16 Accounting Office in report 9-689, until such time as the
17 Department by rule modifies the criteria.

18 (b) In deciding whether and how to modify the criteria used
19 by the General Accounting Office, the Department shall complete
20 a test run of any substitute criteria to determine their
21 reliability by comparing the number of facilities identified as
22 distressed against the number of distressed facilities
23 generated using the criteria contained in the General
24 Accounting Office report. The Department may not adopt
25 substitute criteria that generate fewer facilities with a

1 distressed designation than are produced by the General
2 Accounting Office criteria during the test run.

3 (c) The Department shall, by rule, adopt criteria to
4 identify non-Medicaid-certified facilities that are distressed
5 and shall publish this list quarterly beginning October 1,
6 2011.

7 (d) The Department shall notify each facility of its
8 distressed designation, and of the calculation on which it is
9 based.

10 (e) A distressed facility may contract with an independent
11 consultant meeting criteria established by the Department. If
12 the distressed facility does not seek the assistance of an
13 independent consultant, the Department shall place a monitor or
14 a temporary manager in the facility, depending on the
15 Department's assessment of the condition of the facility.

16 (f) Independent consultant. A facility that has been
17 designated a distressed facility may contract with an
18 independent consultant to develop and assist in the
19 implementation of a plan of improvement to bring and keep the
20 facility in compliance with this Act and, if applicable, with
21 federal certification requirements. A facility that contracts
22 with an independent consultant shall have 90 days to develop a
23 plan of improvement and demonstrate a good faith effort at
24 implementation, and another 90 days to achieve compliance and
25 take whatever additional actions are called for in the
26 improvement plan to maintain compliance. A facility that the

1 Department determines has a plan of improvement likely to bring
2 and keep the facility in compliance and that has demonstrated
3 good faith efforts at implementation within the first 90 days
4 may be eligible to receive a grant under the Equity in
5 Long-term Care Quality Act to assist it in achieving and
6 maintaining compliance. In this subsection, "independent"
7 consultant means an individual who has no professional or
8 financial relationship with the facility, any person with a
9 reportable ownership interest in the facility, or any related
10 parties. In this subsection, "related parties" has the meaning
11 attributed to it in the instructions for completing Medicaid
12 cost reports.

13 (f-5) ~~(f)~~ Monitor and temporary managers. A distressed
14 facility that does not contract with a consultant shall be
15 assigned a monitor or a temporary manager at the Department's
16 discretion. The cost of the temporary manager shall be paid by
17 the facility. The temporary manager shall have the authority
18 determined by the Department, which may grant the temporary
19 manager any or all of the authority a court may grant a
20 receiver. The temporary manager may apply to the Equity in
21 Long-term Care Quality Fund for grant funds to implement the
22 plan of improvement.

23 (g) The Department shall by rule establish a mentor program
24 for owners of distressed facilities.

25 (h) The Department shall by rule establish sanctions (in
26 addition to those authorized elsewhere in this Article) against

1 distressed facilities that are not in compliance with this Act
2 and (if applicable) with federal certification requirements.
3 Criteria for imposing sanctions shall take into account a
4 facility's actions to address the violations and deficiencies
5 that caused its designation as a distressed facility, and its
6 compliance with this Act and with federal certification
7 requirements (if applicable), subsequent to its designation as
8 a distressed facility, including mandatory revocations if
9 criteria can be agreed upon by the Department, resident
10 advocates, and representatives of the nursing home profession.
11 By February 1, 2011, the Department shall report to the General
12 Assembly on the results of negotiations about creating criteria
13 for mandatory license revocations of distressed facilities and
14 make recommendations about any statutory changes it believes
15 are appropriate to protect the health, safety, and welfare of
16 nursing home residents.

17 (i) The Department may establish by rule criteria for
18 restricting the owner of a facility on the distressed list from
19 acquiring additional skilled nursing facilities.

21 Section 310. The ID/DD Community Care Act is amended by
22 changing Section 3-310 as follows:

23 (210 ILCS 47/3-310)

24 Sec. 3-310. Collection of penalties. All penalties shall be

1 paid to the Department within 10 days of receipt of notice of
2 assessment or, if the penalty is contested under Section 3-309,
3 within 10 days of receipt of the final decision, unless the
4 decision is appealed and the order is stayed by court order
5 under Section 3-713. A facility choosing to waive the right to
6 a hearing under Section 3-309 shall submit a payment totaling
7 65% of the original fine amount along with the written waiver.
8 A penalty assessed under this Act shall be collected by the
9 Department and shall be deposited with the State Treasurer into
10 the Long Term Care Monitor/Receiver Fund. If the person or
11 facility against whom a penalty has been assessed does not
12 comply with a written demand for payment within 30 days, the
13 Director shall issue an order to do any of the following:

14 (1) Direct the State Treasurer or Comptroller to deduct
15 the amount of the fine from amounts otherwise due from the
16 State for the penalty, including any payments to be made
17 from the Developmentally Disabled Care Provider Fund
18 established under Section 5C-7 of the Illinois Public Aid
19 Code, and remit that amount to the Department;

20 (2) Add the amount of the penalty to the facility's
21 licensing fee; if the licensee refuses to make the payment
22 at the time of application for renewal of its license, the
23 license shall not be renewed; or

24 (3) Bring an action in circuit court to recover the
25 amount of the penalty. ~~Equity~~

8 Sec. 3-305. Licensee subject to penalties; fines. The
9 license of a facility that is in violation of this Act or any
10 rule adopted under this Act may be subject to the penalties or
11 fines levied by the Department as specified in this Section.

12 (1) A licensee who commits a Type "AA" violation as defined
13 in Section 1-128.5 is automatically issued a conditional
14 license for a period of 6 months to coincide with an acceptable
15 plan of correction and assessed a fine up to \$25,000 per
16 violation.

17 (1.5) A licensee who commits a Type "A" violation as
18 defined in Section 1-129 is automatically issued a conditional
19 license for a period of 6 months to coincide with an acceptable
20 plan of correction and assessed a fine of up to \$12,500 per
21 violation.

22 (2) A licensee who commits a Type "B" violation as defined
23 in Section 1-130 shall be assessed a fine of up to \$1,100 per
24 violation.

25 (2.5) A licensee who commits 10 or more Type "C"

1 violations, as defined in Section 1-132, in a single survey

4 high-risk designation, as defined by rule, shall be assessed a
5 fine of up to \$500 per violation.

6 (3) A licensee who commits a Type "AA" or Type "A"
7 violation as defined in Section 1-128.5 or 1-129 that continues
8 beyond the time specified in paragraph (a) of Section 3-303
9 which is cited as a repeat violation shall have its license
10 revoked and shall be assessed a fine of 3 times the fine
11 computed per resident per day under subsection (1).

12 (4) A licensee who fails to satisfactorily comply with an
13 accepted plan of correction for a Type "B" violation or an
14 administrative warning issued pursuant to Sections 3-401
15 through 3-413 or the rules promulgated thereunder shall be
16 automatically issued a conditional license for a period of not
17 less than 6 months. A second or subsequent acceptable plan of
18 correction shall be filed. A fine shall be assessed in
19 accordance with subsection (2) when cited for the repeat
20 violation. This fine shall be computed for all days of the
21 violation, including the duration of the first plan of
22 correction compliance time.

23 (5) For the purpose of computing a penalty under
24 subsections (2) through (4), the number of residents per day

2 (6) When the Department finds that a provision of Article
3 II has been violated with regard to a particular resident, the
4 Department shall issue an order requiring the facility to

12 (7) For purposes of assessing fines under this Section, a

19 shall be deemed violations of this Act.

20 (7.5) If an occurrence results in more than one type of
21 violation as defined in this Act, the Nursing Home Care Act, or
22 the ID/DD ~~MR/DD~~ Community Care Act (that is, a Type "AA", Type

24 may be assessed for that occurrence is the maximum fine that
25 may be assessed for the most serious type of violation charged.
26 For purposes of the preceding sentence, a Type "AA" violation

1 is the most serious type of violation that may be charged,
2 followed by a Type "A", Type "B", or Type "C" violation, in
3 that order.

4 (8) The minimum and maximum fines that may be assessed
5 pursuant to this Section shall be twice those otherwise
6 specified for any facility that willfully makes a misstatement
7 of fact to the Department, or willfully fails to make a
8 required notification to the Department, if that misstatement
9 or failure delays the start of a surveyor or impedes a survey.

10 (9) If the Department finds that a facility has violated a
11 provision of the Illinois Administrative Code that has a
12 high-risk designation, or that a facility has violated the same
13 provision of the Illinois Administrative Code 3 or more times

17 imposed pursuant to the Medicare and Medicaid Certification
18 Program for the equivalent federal violation giving rise to a
19 fine under this Section, the Department shall offset the fine
20 by the amount of the civil monetary penalty. The offset may not
21 reduce the fine by more than 75% of the original fine, however.

19 Sec. 10.10. Nurse Staffing by Patient Acuity.

20 (a) Findings. The Legislature finds and declares all of the
21 following:

22 (1) The State of Illinois has a substantial interest in
23 promoting quality care and improving the delivery of health
24 care services.

25 (2) Evidence-based studies have shown that the basic

1 principles of staffing in the acute care setting should be
2 based on the complexity of patients' care needs aligned
3 with available nursing skills to promote quality patient
4 care consistent with professional nursing standards.

5 (3) Compliance with this Section promotes an
6 organizational climate that values registered nurses'
7 input in meeting the health care needs of hospital
8 patients.

9 (b) Definitions. As used in this Section:

10 "Acuity model" means an assessment tool selected and
11 implemented by a hospital, as recommended by a nursing care

15 professional nursing standards.

16 "Department" means the Department of Public Health.

17 "Direct patient care" means care provided by a registered
18 professional nurse with direct responsibility to oversee or

7 skills required for quality patient care consistent with
8 professional nursing standards.

9 (c) Written staffing plan.

10 (1) Every hospital shall implement a written
11 hospital-wide staffing plan, recommended by a nursing care
12 committee or committees, that provides for minimum direct

15 hospital-wide staffing plan shall include, but need not be
16 limited to, the following considerations:

17 (A) The complexity of complete care, assessment on
18 patient admission, volume of patient admissions,
19 discharges and transfers, evaluation of the progress
20 of a patient's problems, ongoing physical assessments,
21 planning for a patient's discharge, assessment after a
22 change in patient condition, and assessment of the need
23 for patient referrals.

24 (B) The complexity of clinical professional
25 nursing judgment needed to design and implement a
26 patient's nursing care plan, the need for specialized

1 equipment and technology, the skill mix of other
2 personnel providing or supporting direct patient care,
3 and involvement in quality improvement activities,
4 professional preparation, and experience.

8 acuity levels and nursing staff needed shall be
9 routinely made by the unit nurse manager or his or her
10 designee.

11 (E) The identification of additional registered
12 nurses available for direct patient care when
13 patients' unexpected needs exceed the planned workload
14 for direct care staff.

15 (2) In order to provide staffing flexibility to meet
16 patient needs, every hospital shall identify an acuity
17 model for adjusting the staffing plan for each inpatient
18 care unit.

19 (3) The written staffing plan shall be posted in a
20 conspicuous and accessible location for both patients and
21 direct care staff, as required under the Hospital Report
22 Card Act. A copy of the written staffing plan shall be
23 provided to any member of the general public upon request.

24 (d) Nursing care committee.

25 (1) Every hospital shall have a nursing care committee.
26 A hospital shall appoint members of a committee whereby at

1 least 50% of the members are registered professional nurses

8 the principles from the staffing components set forth in
9 subsection (c). In particular, a committee or committees

15 aligns changing patient acuity with nursing skills
16 required.

17 (C) Selection, implementation, and evaluation of a
18 written staffing plan incorporating the items
19 described in subdivisions (c)(1) and (c)(2) of this
20 Section.

21 (D) Review the following: nurse-to-patient
22 staffing guidelines for all inpatient areas; and
23 current acuity tools and measures in use.

24 (4) A nursing care committee must address the items
25 described in subparagraphs (A) through (D) of paragraph (3)
26 semi-annually.

1 (e) Nothing in ~~is~~ this Section 10.10 shall be construed to
2 limit, alter, or modify any of the terms, conditions, or
3 provisions of a collective bargaining agreement entered into by
4 the hospital.

19 REQUIRED PORTION. Non-participating providers may bill members
20 for any amount up to the billed charge after the plan has paid
21 its portion of the bill as provided in Section 356z.3a of the
22 Illinois Insurance Code ~~this Code~~. Participating providers
23 have agreed to accept discounted payments for services with no
24 additional billing to the member other than co-insurance and
25 deductible amounts. You may obtain further information about
26 the participating status of professional providers and

19 Sec. 356z.19. Cardiovascular disease. Because
20 cardiovascular disease is a leading cause of death and
21 disability, an insurer providing group or individual policies
22 of accident and health insurance or a managed care plan shall
23 develop and implement a process to communicate with their adult
24 enrollees on an annual basis regarding the importance and value

1 of early detection and proactive management of cardiovascular
2 disease. Nothing in this Section affects any change in the
3 terms, conditions, or benefits of the policies and plans, nor
4 the criteria, standards, and procedures related to the
5 application for, enrollment in, or renewal of coverage or
6 conditions of participation of enrollees in the health plans or
7 policies subject to this Code.

9 (215 ILCS 5/356z.20)

10 Sec. 356z.20 ~~356z.19~~. Cancer drug parity.

11 (a) As used in this Section:

12 "Financial requirement" means deductibles, copayments,
13 coinsurance, out-of-pocket expenses, aggregate lifetime
14 limits, and annual limits.

15 "Treatment limitation" means limits on the frequency of
16 treatment, days of coverage, or other similar limits on the
17 scope or duration of treatment.

18 (b) On and after the effective date of this amendatory Act
19 of the 97th General Assembly, every insurer that amends,
20 delivers, issues, or renews an individual or group policy of
21 accident and health insurance amended, delivered, issued, or
22 renewed on or after the effective date of this amendatory Act
23 of the 97th General Assembly that provides coverage for
24 prescribed orally-administered cancer medications and
25 intravenously administered or injected cancer medications

1 shall ensure that:

2 (1) the financial requirements applicable to such
3 prescribed orally-administered cancer medications are no
4 more restrictive than the financial requirements applied
5 to intravenously administered or injected cancer
6 medications that are covered by the policy and that there
7 are no separate cost-sharing requirements that are
8 applicable only with respect to such prescribed
9 orally-administered cancer medications; and

10 (2) the treatment limitations applicable to such
11 prescribed orally-administered cancer medications are no
12 more restrictive than the treatment limitations applied to
13 intravenously administered or injected cancer medications
14 that are covered by the policy and that there are no
15 separate treatment limitations that are applicable only
16 with respect to such prescribed orally-administered cancer
17 medications.

18 (c) An insurer cannot achieve compliance with this Section
19 by increasing financial requirements or imposing more
20 restrictive treatment limitations on prescribed
21 orally-administered cancer medications or intravenously
22 administered or injected cancer medications covered under the
23 policy on the effective date of this amendatory Act of the 97th
24 General Assembly.

1 (215 ILCS 5/356z.21)

2 Sec. 356z.21 ~~356z.19~~. Tobacco use cessation programs;
3 coverage offer.

4 (a) Tobacco use is the number one cause of preventable
5 disease and death in Illinois, costing \$4.1 billion annually in
6 direct health care costs and an additional \$4.35 billion in
7 lost productivity. In Illinois, the smoking rates are highest
8 among African Americans (25.8%). Smoking rates among lesbian,
9 gay, and bisexual adults range from 25% to 44%. The U.S. Public
10 Health Service Clinical Practice Guideline 2008 Update found
11 that tobacco dependence treatments are both clinically
12 effective and highly cost effective. A study in the Journal of
13 Preventive Medicine concluded that comprehensive smoking
14 cessation treatment is one of the 3 most important and cost
15 effective preventive services that can be provided in medical
16 practice. Greater efforts are needed to achieve more of this
17 potential value by increasing current low levels of
18 performance.

19 (b) In this Section, "tobacco use cessation program" means
20 a program recommended by a physician that follows
21 evidence-based treatment, such as is outlined in the United
22 States Public Health Service guidelines for tobacco use
23 cessation. "Tobacco use cessation program" includes education
24 and medical treatment components designed to assist a person in
25 ceasing the use of tobacco products. "Tobacco use cessation
26 program" includes education and counseling by physicians or

1 associated medical personnel and all FDA approved medications
2 for the treatment of tobacco dependence irrespective of whether
3 they are available only over the counter, only by prescription,
4 or both over the counter and by prescription.

5 (c) On or after the effective date of this amendatory Act
6 of the 97th General Assembly, every insurer that amends,
7 delivers, issues, or renews group accident and health policies
8 providing coverage for hospital or medical treatment or
9 services on an expense-incurred basis shall offer, for an
10 additional premium and subject to the insurer's standard of
11 insurability, optional coverage or optional reimbursement of
12 up to \$500 annually for a tobacco use cessation program for a
13 person enrolled in the plan who is 18 years of age or older.

14 (d) The coverage required by this Section shall be subject
15 to other general exclusions and limitations of the policy,
16 including coordination of benefits, participating provider
17 requirements, restrictions on services provided by family or
18 household members, utilization review of health care services,
19 including review of medical necessity, case management,
20 experimental and investigational treatments, and other managed
21 care provisions.

22 (e) For the coverage provided under this Section, an
23 insurer may not penalize or reduce or limit the reimbursement
24 of an attending provider or provide incentives, monetary or
25 otherwise, to an attending provider to induce the provider to
26 provide care to an insured in a manner inconsistent with the

1 coverage under this Section.

3 (215 ILCS 5/364.01)

4 Sec. 364.01. Qualified clinical cancer trials.

5 (a) No individual or group policy of accident and health
6 insurance issued or renewed in this State may be cancelled or
7 non-renewed for any individual based on that individual's
8 participation in a qualified clinical cancer trial.

9 (b) Qualified clinical cancer trials must meet the
10 following criteria:

11 (1) the effectiveness of the treatment has not been
12 determined relative to established therapies;

13 (2) the trial is under clinical investigation as part
14 of an approved cancer research trial in Phase II, Phase
15 III, or Phase IV of investigation;

16 (3) the trial is:

17 (A) approved by the Food and Drug Administration;

18 or

19 (B) approved and funded by the National Institutes
20 of Health, the Centers for Disease Control and
21 Prevention, the Agency for Healthcare Research and
22 Quality, the United States Department of Defense, the
23 United States Department of Veterans Affairs, or the
24 United States Department of Energy in the form of an
25 investigational new drug application, or a cooperative

1 group or center of any entity described in this
2 subdivision (B); and

3 (4) the patient's primary care physician, if any, is
4 involved in the coordination of care.

5 (c) No group policy of accident and health insurance shall
6 exclude coverage for any routine patient care administered to
7 an insured who is a qualified individual participating in a
8 qualified clinical cancer trial, if the policy covers that same
9 routine patient care of insureds not enrolled in a qualified
10 clinical cancer trial.

11 (d) The coverage that may not be excluded under subsection
12 (c) of this Section is subject to all terms, conditions,
13 restrictions, exclusions, and limitations that apply to the
14 same routine patient care received by an insured not enrolled
15 in a qualified clinical cancer trial, including the application
16 of any authorization requirement, utilization review, or
17 medical management practices. The insured or enrollee shall
18 incur no greater out-of-pocket liability than had the insured
19 or enrollee not enrolled in a qualified clinical cancer trial.

20 (e) If the group policy of accident and health insurance
21 uses a preferred provider program and a preferred provider
22 provides routine patient care in connection with a qualified
23 clinical cancer trial, then the insurer may require the insured
24 to use the preferred provider if the preferred provider agrees
25 to provide to the insured that routine patient care.

26 (f) A qualified clinical cancer trial may not pay or refuse

1 to pay for routine patient care of an individual participating
2 in the trial, based in whole or in part on the person's having
3 or not having coverage for routine patient care under a group
4 policy of accident and health insurance.

5 (g) Nothing in this Section shall be construed to limit an
6 insurer's coverage with respect to clinical trials.

7 (h) Nothing in this Section shall require coverage for
8 out-of-network services where the underlying health benefit
9 plan does not provide coverage for out-of-network services.

10 (i) As used in this Section, "routine patient care" means
11 all health care services provided in the qualified clinical
12 cancer trial that are otherwise generally covered under the
13 policy if those items or services were not provided in
14 connection with a qualified clinical cancer trial consistent
15 with the standard of care for the treatment of cancer,
16 including the type and frequency of any diagnostic modality,
17 that a provider typically provides to a cancer patient who is
18 not enrolled in a qualified clinical cancer trial. "Routine
19 patient care" does not include, and a group policy of accident
20 and health insurance may exclude, coverage for:

21 (1) a health care service, item, or drug that is the
22 subject of the cancer clinical trial;

23 (2) a health care service, item, or drug provided
24 solely to satisfy data collection and analysis needs for
25 the qualified clinical cancer trial that is not used in the
26 direct clinical management of the patient;

1 (3) an investigational drug or device that has not been
2 approved for market by the United States Food and Drug
3 Administration;

4 (4) transportation, lodging, food, or other expenses
5 for the patient or a family member or companion of the
6 patient that are associated with the travel to or from a
7 facility providing the qualified clinical cancer trial,
8 unless the policy covers these expenses for a cancer
9 patient who is not enrolled in a qualified clinical cancer
10 trial;

11 (5) a health care service, item, or drug customarily
12 provided by the qualified clinical cancer trial sponsors
13 free of charge for any patient;

14 (6) a health care service or item, which except for the
15 fact that it is being provided in a qualified clinical
16 cancer trial, is otherwise specifically excluded from
17 coverage under the insured's policy, including:

18 (A) costs of extra treatments, services,
19 procedures, tests, or drugs that would not be performed
20 or administered except for the fact that the insured is
21 participating in the cancer clinical trial; and

22 (B) costs of nonhealth care services that the
23 patient is required to receive as a result of
24 participation in the approved cancer clinical trial;

25 (7) costs for services, items, or drugs that are
26 eligible for reimbursement from a source other than a

1 patient's contract or policy providing for third-party
2 payment or prepayment of health or medical expenses,
3 including the sponsor of the approved cancer clinical
4 trial; ~~or~~

5 (8) costs associated with approved cancer clinical
6 trials designed exclusively to test toxicity or disease
7 pathophysiology, unless the policy covers these expenses
8 for a cancer patient who is not enrolled in a qualified
9 clinical cancer trial; or

10 (9) a health care service or item that is eligible for
11 reimbursement by a source other than the insured's policy,
12 including the sponsor of the qualified clinical cancer
13 trial.

14 The definitions of the terms "health care services",
15 "Non-Preferred Provider", "Preferred Provider", and "Preferred
16 Provider Program", stated in 50 IL Adm. Code Part 2051
17 Preferred Provider Programs apply to these terms in this
18 Section.

19 (j) The external review procedures established under the
20 Health Carrier External Review Act shall apply to the
21 provisions under this Section.

22 (Source: P.A. 97-91, eff. 1-1-12; revised 11-18-11.)

23 (215 ILCS 5/368a)

24 Sec. 368a. Timely payment for health care services.

25 (a) This Section applies to insurers, health maintenance

1 organizations, managed care plans, health care plans,
2 preferred provider organizations, third party administrators,
3 independent practice associations, and physician-hospital
4 organizations (hereinafter referred to as "payors") that
5 provide periodic payments, which are payments not requiring a
6 claim, bill, capitation encounter data, or capitation
7 reconciliation reports, such as prospective capitation
8 payments, to health care professionals and health care
9 facilities to provide medical or health care services for
10 insureds or enrollees.

11 (1) A payor shall make periodic payments in accordance
12 with item (3). Failure to make periodic payments within the
13 period of time specified in item (3) shall entitle the
14 health care professional or health care facility to
15 interest at the rate of 9% per year from the date payment
16 was required to be made to the date of the late payment,
17 provided that interest amounting to less than \$1 need not
18 be paid. Any required interest payments shall be made
19 within 30 days after the payment.

20 (2) When a payor requires selection of a health care
21 professional or health care facility, the selection shall
22 be completed by the insured or enrollee no later than 30
23 days after enrollment. The payor shall provide written
24 notice of this requirement to all insureds and enrollees.
25 Nothing in this Section shall be construed to require a
26 payor to select a health care professional or health care

1 facility for an insured or enrollee.

2 (3) A payor shall provide the health care professional
3 or health care facility with notice of the selection as a
4 health care professional or health care facility by an
5 insured or enrollee and the effective date of the selection
6 within 60 calendar days after the selection. No later than
7 the 60th day following the date an insured or enrollee has
8 selected a health care professional or health care facility
9 or the date that selection becomes effective, whichever is
10 later, or in cases of retrospective enrollment only, 30
11 days after notice by an employer to the payor of the
12 selection, a payor shall begin periodic payment of the
13 required amounts to the insured's or enrollee's health care
14 professional or health care facility, or the designee of
15 either, calculated from the date of selection or the date
16 the selection becomes effective, whichever is later. All
17 subsequent payments shall be made in accordance with a
18 monthly periodic cycle.

19 (b) Notwithstanding any other provision of this Section,
20 independent practice associations and physician-hospital
21 organizations shall make periodic payment of the required
22 amounts in accordance with a monthly periodic schedule after an
23 insured or enrollee has selected a health care professional or
24 health care facility or after that selection becomes effective,
25 whichever is later.

26 Notwithstanding any other provision of this Section,

1 independent practice associations and physician-hospital
2 organizations shall make all other payments for health services
3 within 30 days after receipt of due proof of loss. Independent
4 practice associations and physician-hospital organizations
5 shall notify the insured, insured's assignee, health care
6 professional, or health care facility of any failure to provide
7 sufficient documentation for a due proof of loss within 30 days
8 after receipt of the claim for health services.

9 Failure to pay within the required time period shall
10 entitle the payee to interest at the rate of 9% per year from
11 the date the payment is due to the date of the late payment,
12 provided that interest amounting to less than ~~that~~ \$1 need not
13 be paid. Any required interest payments shall be made within 30
14 days after the payment.

15 (c) All insurers, health maintenance organizations,
16 managed care plans, health care plans, preferred provider
17 organizations, and third party administrators shall ensure
18 that all claims and indemnities concerning health care services
19 other than for any periodic payment shall be paid within 30
20 days after receipt of due written proof of such loss. An
21 insured, insured's assignee, health care professional, or
22 health care facility shall be notified of any known failure to
23 provide sufficient documentation for a due proof of loss within
24 30 days after receipt of the claim for health care services.
25 Failure to pay within such period shall entitle the payee to
26 interest at the rate of 9% per year from the 30th day after

1 receipt of such proof of loss to the date of late payment,
2 provided that interest amounting to less than one dollar need
3 not be paid. Any required interest payments shall be made
4 within 30 days after the payment.

5 (d) The Department shall enforce the provisions of this
6 Section pursuant to the enforcement powers granted to it by
7 law.

8 (e) The Department is hereby granted specific authority to
9 issue a cease and desist order, fine, or otherwise penalize
10 independent practice associations and physician-hospital
11 organizations that violate this Section. The Department shall
12 adopt reasonable rules to enforce compliance with this Section
13 by independent practice associations and physician-hospital
14 organizations.

12 examined. The charge shall be reasonably related to the cost of
13 the examination including but not limited to compensation of
14 examiners, electronic data processing costs, supervision and
15 preparation of an examination report and lodging and travel
16 expenses. All lodging and travel expenses shall be in accord
17 with the applicable travel regulations as published by the
18 Department of Central Management Services and approved by the
19 Governor's Travel Control Board, except that out-of-state
20 lodging and travel expenses related to examinations authorized
21 under Section 132 shall be in accordance with travel rates
22 prescribed under paragraph 301-7.2 of the Federal Travel
23 Regulations, 41 C.F.R. 301-7.2, for reimbursement of
24 subsistence expenses incurred during official travel. All
25 lodging and travel expenses may be reimbursed directly upon
26 authorization of the Director. With the exception of the direct

1 reimbursements authorized by the Director, all performance
2 examination charges collected by the Department shall be paid
3 to the Insurance Producers Administration Fund, however, the
4 electronic data processing costs incurred by the Department in
5 the performance of any examination shall be billed directly to
6 the company being examined for payment to the Statistical
7 Services Revolving Fund.

8 (4) At the time of any service of process on the Director
9 as attorney for such service, the Director shall charge and
10 collect the sum of \$20, which may be recovered as taxable costs
11 by the party to the suit or action causing such service to be
12 made if he prevails in such suit or action.

13 (5) (a) The costs incurred by the Department of Insurance
14 in conducting any hearing authorized by law shall be assessed
15 against the parties to the hearing in such proportion as the

21 relative levels of participation by the parties.

22 (b) For purposes of this subsection (5) costs incurred
23 shall mean the hearing officer fees, court reporter fees, and
24 travel expenses of Department of Insurance officers and
25 employees; provided however, that costs incurred shall not
26 include hearing officer fees or court reporter fees unless the

3 (c) The Director shall make the assessment of costs
4 incurred as part of the final order or decision arising out of
5 the proceeding; provided, however, that such order or decision
6 shall include findings and conclusions in support of the
7 assessment of costs. This subsection (5) shall not be construed
8 as permitting the payment of travel expenses unless calculated
9 in accordance with the applicable travel regulations of the
10 Department of Central Management Services, as approved by the
11 Governor's Travel Control Board. The Director as part of such
12 order or decision shall require all assessments for hearing
13 officer fees and court reporter fees, if any, to be paid
14 directly to the hearing officer or court reporter by the
15 party(s) assessed for such costs. The assessments for travel
16 expenses of Department officers and employees shall be
17 reimbursable to the Director of Insurance for deposit to the
18 fund out of which those expenses had been paid.

19 (d) The provisions of this subsection (5) shall apply in
20 the case of any hearing conducted by the Director of Insurance
21 not otherwise specifically provided for by law.

22 (6) The Director shall charge and collect an annual
23 financial regulation fee from every domestic company for

12 health maintenance organization, voluntary health service
13 plan, dental service plan, or limited health service
14 organization shall be equal to 0.4% of such net taxable premium
15 written, together with any amounts due under Section 444. Upon

14 against the company's privilege tax liability for any other
15 taxing period or calendar year.

16 (3) If a company survives or was formed by a merger,
17 consolidation, reorganization, or reincorporation, the
18 premiums received and amounts returned or paid by all companies
19 party to the merger, consolidation, reorganization, or
20 reincorporation shall, for purposes of determining the amount
21 of the tax imposed by this Section, be regarded as received,
22 returned, or paid by the surviving or new company.

23 (4) (a) All companies subject to the provisions of this
24 Section shall make an annual return for the preceding calendar

4 annual and quarterly installments of their estimated tax as
5 provided by paragraph (a) of this subsection.

6 (5) In addition to the authority specifically granted under
7 Article XXV of this Code, the Director shall have such
8 authority to adopt rules and establish forms as may be
9 reasonably necessary for purposes of determining the
10 allocation of Illinois corporate income taxes paid under
11 subsections (a) through (d) of Section 201 of the Illinois
12 Income Tax Act amongst members of a business group that files
13 an Illinois corporate income tax return on a unitary basis, for
14 purposes of regulating the amendment of tax returns, for
15 purposes of defining terms, and for purposes of enforcing the
16 provisions of Article XXV of this Code. The Director shall also
17 have authority to defer, waive, or abate the tax imposed by
18 this Section if in his opinion the company's solvency and
19 ability to meet its insured obligations would be immediately
20 threatened by payment of the tax due.

21 (6) ~~(e)~~ This Section is subject to the provisions of
22 Section 10 of the New Markets Development Program Act.

8 for general use within the medical community.

9 d. Deductibles and coinsurance.

10 The Plan coverage defined in Section 6 shall provide for a
11 choice of deductibles per individual as authorized by the
12 Board. If 2 individual members of the same family household,
13 who are both covered persons under the Plan, satisfy the same
14 applicable deductibles, no other member of that family who is
15 also a covered person under the Plan shall be required to meet
16 any deductibles for the balance of that calendar year. The
17 deductibles must be applied first to the authorized amount of
18 covered expenses incurred by the covered person. A mandatory
19 coinsurance requirement shall be imposed at the rate authorized
20 by the Board in excess of the mandatory deductible, the
21 coinsurance in the aggregate not to exceed such amounts as are
22 authorized by the Board per annum. At its discretion the Board
23 may, however, offer catastrophic coverages or other policies
24 that provide for larger deductibles with or without coinsurance
25 requirements. The deductibles and coinsurance factors may be
26 adjusted annually according to the Medical Component of the

1 Consumer Price Index.

2 e. Scope of coverage.

3 (1) In approving any of the benefit plans to be offered
4 by the Plan, the Board shall establish such benefit levels,
5 deductibles, coinsurance factors, exclusions, and
6 limitations as it may deem appropriate and that it believes
7 to be generally reflective of and commensurate with health
8 insurance coverage that is provided in the individual
9 market in this State.

10 (2) The benefit plans approved by the Board may also
11 provide for and employ various cost containment measures
12 and other requirements including, but not limited to,
13 preadmission certification, prior approval, second
14 surgical opinions, concurrent utilization review programs,
15 individual case management, preferred provider
16 organizations, health maintenance organizations, and other
17 cost effective arrangements for paying for covered
18 expenses.

19 f. Preexisting conditions.

20 (1) Except for federally eligible individuals
21 qualifying for Plan coverage under Section 15 of this Act
22 or eligible persons who qualify for the waiver authorized
23 in paragraph (3) of this subsection, plan coverage shall
24 exclude charges or expenses incurred during the first 6
25 months following the effective date of coverage as to any
26 condition for which medical advice, care or treatment was

1 recommended or received during the 6 month period
2 immediately preceding the effective date of coverage.

3 (2) (Blank).

4 (3) Waiver: The preexisting condition exclusions as
5 set forth in paragraph (1) of this subsection shall be
6 waived to the extent to which the eligible person (a) has
7 satisfied similar exclusions under any prior individual
8 health insurance policy that was involuntarily terminated
9 because of the insolvency of the issuer of the policy and
10 (b) has applied for Plan coverage within 90 days following
11 the involuntary termination of that individual health
12 insurance coverage.

13 (4) Waiver: The preexisting condition exclusions as
14 set forth in paragraph (1) of this subsection shall be
15 waived to the extent to which the eligible person (a) has
16 satisfied the exclusion under prior Comprehensive Health
17 Insurance Plan coverage that was involuntarily terminated
18 because of meeting a lower lifetime benefit limit and (b)
19 has reapplied for Plan coverage within 90 days following an
20 increase in the lifetime benefit limit set forth in Section
21 8 of this Act.

22 g. Other sources primary; nonduplication of benefits.

23 (1) The Plan shall be the last payor of benefits
24 whenever any other benefit or source of third party payment
25 is available. Subject to the provisions of subsection e of
26 Section 7, benefits otherwise payable under Plan coverage

1 shall be reduced by all amounts paid or payable by Medicare
2 or any other government program or through any health
3 insurance coverage or group health plan, whether by
4 insurance, reimbursement, or otherwise, or through any
5 third party liability, settlement, judgment, or award,
6 regardless of the date of the settlement, judgment, or
7 award, whether the settlement, judgment, or award is in the
8 form of a contract, agreement, or trust on behalf of a
9 minor or otherwise and whether the settlement, judgment, or
10 award is payable to the covered person, his or her
11 dependent, estate, personal representative, or guardian in
12 a lump sum or over time, and by all hospital or medical
13 expense benefits paid or payable under any worker's
14 compensation coverage, automobile medical payment, or
15 liability insurance, whether provided on the basis of fault
16 or nonfault, and by any hospital or medical benefits paid
17 or payable under or provided pursuant to any State or
18 federal law or program.

19 (2) The Plan shall have a cause of action against any
20 covered person or any other person or entity for the
21 recovery of any amount paid to the extent the amount was
22 for treatment, services, or supplies not covered in this
23 Section or in excess of benefits as set forth in this
24 Section.

25 (3) Whenever benefits are due from the Plan because of
26 sickness or an injury to a covered person resulting from a

1 third party's wrongful act or negligence and the covered
2 person has recovered or may recover damages from a third
3 party or its insurer, the Plan shall have the right to
4 reduce benefits or to refuse to pay benefits that otherwise
5 may be payable by the amount of damages that the covered
6 person has recovered or may recover regardless of the date
7 of the sickness or injury or the date of any settlement,
8 judgment, or award resulting from that sickness or injury.

9 During the pendency of any action or claim that is
10 brought by or on behalf of a covered person against a third
11 party or its insurer, any benefits that would otherwise be
12 payable except for the provisions of this paragraph (3)
13 shall be paid if payment by or for the third party has not
14 yet been made and the covered person or, if incapable, that
15 person's legal representative agrees in writing to pay back
16 promptly the benefits paid as a result of the sickness or
17 injury to the extent of any future payments made by or for
18 the third party for the sickness or injury. This agreement
19 is to apply whether or not liability for the payments is
20 established or admitted by the third party or whether those
21 payments are itemized.

22 Any amounts due the plan to repay benefits may be
23 deducted from other benefits payable by the Plan after
24 payments by or for the third party are made.

25 (4) Benefits due from the Plan may be reduced or
26 refused as an offset against any amount otherwise

1 recoverable under this Section.

2 h. Right of subrogation; recoveries.

3 (1) Whenever the Plan has paid benefits because of
4 sickness or an injury to any covered person resulting from
5 a third party's wrongful act or negligence, or for which an
6 insurer is liable in accordance with the provisions of any
7 policy of insurance, and the covered person has recovered
8 or may recover damages from a third party that is liable
9 for the damages, the Plan shall have the right to recover
10 the benefits it paid from any amounts that the covered
11 person has received or may receive regardless of the date
12 of the sickness or injury or the date of any settlement,
13 judgment, or award resulting from that sickness or injury.
14 The Plan shall be subrogated to any right of recovery the
15 covered person may have under the terms of any private or
16 public health care coverage or liability coverage,
17 including coverage under the Workers' Compensation Act or
18 the Workers' Occupational Diseases Act, without the
19 necessity of assignment of claim or other authorization to
20 secure the right of recovery. To enforce its subrogation
21 right, the Plan may (i) intervene or join in an action or
22 proceeding brought by the covered person or his personal
23 representative, including his guardian, conservator,
24 estate, dependents, or survivors, against any third party
25 or the third party's insurer that may be liable or (ii)
26 institute and prosecute legal proceedings against any

1 third party or the third party's insurer that may be liable
2 for the sickness or injury in an appropriate court either
3 in the name of the Plan or in the name of the covered
4 person or his personal representative, including his
5 guardian, conservator, estate, dependents, or survivors.

6 (2) If any action or claim is brought by or on behalf
7 of a covered person against a third party or the third
8 party's insurer, the covered person or his personal
9 representative, including his guardian, conservator,
10 estate, dependents, or survivors, shall notify the Plan by
11 personal service or registered mail of the action or claim
12 and of the name of the court in which the action or claim
13 is brought, filing proof thereof in the action or claim.
14 The Plan may, at any time thereafter, join in the action or
15 claim upon its motion so that all orders of court after
16 hearing and judgment shall be made for its protection. No
17 release or settlement of a claim for damages and no
18 satisfaction of judgment in the action shall be valid
19 without the written consent of the Plan to the extent of
20 its interest in the settlement or judgment and of the
21 covered person or his personal representative.

22 (3) In the event that the covered person or his
23 personal representative fails to institute a proceeding
24 against any appropriate third party before the fifth month
25 before the action would be barred, the Plan may, in its own
26 name or in the name of the covered person or personal

1 representative, commence a proceeding against any
2 appropriate third party for the recovery of damages on
3 account of any sickness, injury, or death to the covered
4 person. The covered person shall cooperate in doing what is
5 reasonably necessary to assist the Plan in any recovery and
6 shall not take any action that would prejudice the Plan's
7 right to recovery. The Plan shall pay to the covered person
8 or his personal representative all sums collected from any
9 third party by judgment or otherwise in excess of amounts
10 paid in benefits under the Plan and amounts paid or to be
11 paid as costs, attorneys fees, and reasonable expenses
12 incurred by the Plan in making the collection or enforcing
13 the judgment.

14 (4) In the event that a covered person or his personal
15 representative, including his guardian, conservator,
16 estate, dependents, or survivors, recovers damages from a
17 third party for sickness or injury caused to the covered
18 person, the covered person or the personal representative
19 shall pay to the Plan from the damages recovered the amount
20 of benefits paid or to be paid on behalf of the covered
21 person.

22 (5) When the action or claim is brought by the covered
23 person alone and the covered person incurs a personal
24 liability to pay attorney's fees and costs of litigation,
25 the Plan's claim for reimbursement of the benefits provided
26 to the covered person shall be the full amount of benefits

1 paid to or on behalf of the covered person under this Act
2 less a pro rata share that represents the Plan's reasonable
3 share of attorney's fees paid by the covered person and
4 that portion of the cost of litigation expenses determined
5 by multiplying by the ratio of the full amount of the
6 expenditures to the full amount of the judgement, award, or
7 settlement.

8 (6) In the event of judgment or award in a suit or
9 claim against a third party or insurer, the court shall
10 first order paid from any judgement or award the reasonable
11 litigation expenses incurred in preparation and
12 prosecution of the action or claim, together with
13 reasonable attorney's fees. After payment of those
14 expenses and attorney's fees, the court shall apply out of
15 the balance of the judgment or award an amount sufficient
16 to reimburse the Plan the full amount of benefits paid on
17 behalf of the covered person under this Act, provided the
18 court may reduce and apportion the Plan's portion of the
19 judgement proportionate to the recovery of the covered
20 person. The burden of producing evidence sufficient to
21 support the exercise by the court of its discretion to
22 reduce the amount of a proven charge sought to be enforced
23 against the recovery shall rest with the party seeking the
24 reduction. The court may consider the nature and extent of
25 the injury, economic and non-economic loss, settlement
26 offers, comparative negligence as it applies to the case at

1 hand, hospital costs, physician costs, and all other
2 appropriate costs. The Plan shall pay its pro rata share of
3 the attorney fees based on the Plan's recovery as it
4 compares to the total judgment. Any reimbursement rights of
5 the Plan shall take priority over all other liens and
6 charges existing under the laws of this State with the
7 exception of any attorney liens filed under the Attorneys
8 Lien Act.

9 (7) The Plan may compromise or settle and release any
10 claim for benefits provided under this Act or waive any
11 claims for benefits, in whole or in part, for the
12 convenience of the Plan or if the Plan determines that
13 collection would result in undue hardship upon the covered
14 person.

20 substantially the same requirements in its state of
21 organization as is a "domestic company" under Article VIII
22 1/2 of the Illinois Insurance Code.

23 (c) In considering the merger, consolidation, or other
24 acquisition of control of a Health Maintenance Organization
25 pursuant to Article VIII 1/2 of the Illinois Insurance Code,

26 (1) the Director shall give primary consideration to

1 the continuation of benefits to enrollees and the financial
2 conditions of the acquired Health Maintenance Organization
3 after the merger, consolidation, or other acquisition of
4 control takes effect;

5 (2) (i) the criteria specified in subsection (1) (b) of
6 Section 131.8 of the Illinois Insurance Code shall not
7 apply and (ii) the Director, in making his determination
8 with respect to the merger, consolidation, or other
9 acquisition of control, need not take into account the
10 effect on competition of the merger, consolidation, or
11 other acquisition of control;

12 (3) the Director shall have the power to require the
13 following information:

14 (A) certification by an independent actuary of the
15 adequacy of the reserves of the Health Maintenance
16 Organization sought to be acquired;

17 (B) pro forma financial statements reflecting the

11 agreement subject to Section 141.1 of the Illinois Insurance
12 Code, the Director (i) shall, in addition to the criteria
13 specified in Section 141.2 of the Illinois Insurance Code, take
14 into account the effect of the management contract or service
15 agreement on the continuation of benefits to enrollees and the
16 financial condition of the health maintenance organization to
17 be managed or serviced, and (ii) need not take into account the
18 effect of the management contract or service agreement on
19 competition.

20 (f) Except for small employer groups as defined in the
21 Small Employer Rating, Renewability and Portability Health
22 Insurance Act and except for medicare supplement policies as
23 defined in Section 363 of the Illinois Insurance Code, a Health

16 made or additional premium to be paid pursuant to this

21 plan years.

22 The Health Maintenance Organization shall include a
23 statement in the evidence of coverage issued to each enrollee
24 describing the possibility of a refund or additional premium,

2 profitable experience with respect to the group or enrollment
3 unit and the resulting refund to the group or enrollment unit

9 contribution. Each electric utility as defined in Section

20 (220 ILCS 5/8-104)

21 Sec. 8-104. Natural gas energy efficiency programs.

22 (a) It is the policy of the State that natural gas
23 utilities and the Department of Commerce and Economic
24 Opportunity are required to use cost-effective energy

1 efficiency to reduce direct and indirect costs to consumers. It
2 serves the public interest to allow natural gas utilities to
3 recover costs for reasonably and prudently incurred expenses
4 for cost-effective energy efficiency measures.

5 (b) For purposes of this Section, "energy efficiency" means
6 measures that reduce the amount of energy required to achieve a
7 given end use and "cost-effective" means that the measures
8 satisfy the total resource cost test which, for purposes of
9 this Section, means a standard that is met if, for an
10 investment in energy efficiency, the benefit-cost ratio is
11 greater than one. The benefit-cost ratio is the ratio of the
12 net present value of the total benefits of the measures to the
13 net present value of the total costs as calculated over the
14 lifetime of the measures. The total resource cost test compares
15 the sum of avoided natural gas utility costs, representing the
16 benefits that accrue to the system and the participant in the
17 delivery of those efficiency measures, as well as other
18 quantifiable societal benefits, including avoided electric
19 utility costs, to the sum of all incremental costs of end use
20 measures (including both utility and participant
21 contributions), plus costs to administer, deliver, and
22 evaluate each demand-side measure, to quantify the net savings
23 obtained by substituting demand-side measures for supply
24 resources. In calculating avoided costs, reasonable estimates
25 shall be included for financial costs likely to be imposed by
26 future regulation of emissions of greenhouse gases. The

1 low-income programs described in item (4) of subsection (f) of
2 this Section shall not be required to meet the total resource
3 cost test.

4 (c) Natural gas utilities shall implement cost-effective
5 energy efficiency measures to meet at least the following
6 natural gas savings requirements, which shall be based upon the
7 total amount of gas delivered to retail customers, other than
8 the customers described in subsection (m) of this Section,
9 during calendar year 2009 multiplied by the applicable
10 percentage. Natural gas utilities may comply with this Section
11 by meeting the annual incremental savings goal in the
12 applicable year or by showing that total savings associated
13 with measures implemented after May 31, 2011 were equal to the
14 sum of each annual incremental savings requirement from May 31,
15 2011 through the end of the applicable year:

16 (1) 0.2% by May 31, 2012;

17 (2) an additional 0.4% by May 31, 2013, increasing
18 total savings to .6%;

19 (3) an additional 0.6% by May 31, 2014, increasing
20 total savings to 1.2%;

21 (4) an additional 0.8% by May 31, 2015, increasing
22 total savings to 2.0%;

23 (5) an additional 1% by May 31, 2016, increasing total
24 savings to 3.0%;

25 (6) an additional 1.2% by May 31, 2017, increasing
26 total savings to 4.2%;

1 (7) an additional 1.4% by May 31, 2018, increasing
2 total savings to 5.6%;

3 (8) an additional 1.5% by May 31, 2019, increasing
4 total savings to 7.1%; and

5 (9) an additional 1.5% in each 12-month period
6 thereafter.

7 (d) Notwithstanding the requirements of subsection (c) of
8 this Section, a natural gas utility shall limit the amount of
9 energy efficiency implemented in any 3-year reporting period
10 established by subsection (f) of Section 8-104 of this Act, by
11 an amount necessary to limit the estimated average increase in
12 the amounts paid by retail customers in connection with natural
13 gas service to no more than 2% in the applicable 3-year
14 reporting period. The energy savings requirements in
15 subsection (c) of this Section may be reduced by the Commission
16 for the subject plan, if the utility demonstrates by
17 substantial evidence that it is highly unlikely that the
18 requirements could be achieved without exceeding the
19 applicable spending limits in any 3-year reporting period. No
20 later than September 1, 2013, the Commission shall review the
21 limitation on the amount of energy efficiency measures
22 implemented pursuant to this Section and report to the General
23 Assembly, in the report required by subsection (k) of this
24 Section, its findings as to whether that limitation unduly
25 constrains the procurement of energy efficiency measures.

26 (e) Natural gas utilities shall be responsible for

1 overseeing the design, development, and filing of their
2 efficiency plans with the Commission. The utility shall utilize
3 75% of the available funding associated with energy efficiency
4 programs approved by the Commission, and may outsource various
5 aspects of program development and implementation. The
6 remaining 25% of available funding shall be used by the
7 Department of Commerce and Economic Opportunity to implement
8 energy efficiency measures that achieve no less than 20% of the
9 requirements of subsection (c) of this Section. Such measures
10 shall be designed in conjunction with the utility and approved
11 by the Commission. The Department may outsource development and
12 implementation of energy efficiency measures. A minimum of 10%
13 of the entire portfolio of cost-effective energy efficiency
14 measures shall be procured from local government, municipal
15 corporations, school districts, and community college
16 districts. Five percent of the entire portfolio of
17 cost-effective energy efficiency measures may be granted to
18 local government and municipal corporations for market
19 transformation initiatives. The Department shall coordinate
20 the implementation of these measures and shall integrate
21 delivery of natural gas efficiency programs with electric
22 efficiency programs delivered pursuant to Section 8-103 of this
23 Act, unless the Department can show that integration is not
24 feasible.

25 The apportionment of the dollars to cover the costs to
26 implement the Department's share of the portfolio of energy

1 efficiency measures shall be made to the Department once the
2 Department has executed grants or contracts for energy
3 efficiency measures and provided supporting documentation for
4 those grants and the contracts to the utility.

5 The details of the measures implemented by the Department
6 shall be submitted by the Department to the Commission in
7 connection with the utility's filing regarding the energy
8 efficiency measures that the utility implements.

9 A utility providing approved energy efficiency measures in
10 this State shall be permitted to recover costs of those
11 measures through an automatic adjustment clause tariff filed
12 with and approved by the Commission. The tariff shall be
13 established outside the context of a general rate case and
14 shall be applicable to the utility's customers other than the
15 customers described in subsection (m) of this Section. Each
16 year the Commission shall initiate a review to reconcile any
17 amounts collected with the actual costs and to determine the
18 required adjustment to the annual tariff factor to match annual
19 expenditures.

20 Each utility shall include, in its recovery of costs, the
21 costs estimated for both the utility's and the Department's
22 implementation of energy efficiency measures. Costs collected
23 by the utility for measures implemented by the Department shall
24 be submitted to the Department pursuant to Section 605-323 of
25 the Civil Administrative Code of Illinois and shall be used by
26 the Department solely for the purpose of implementing these

1 measures. A utility shall not be required to advance any moneys
2 to the Department but only to forward such funds as it has
3 collected. The Department shall report to the Commission on an
4 annual basis regarding the costs actually incurred by the
5 Department in the implementation of the measures. Any changes
6 to the costs of energy efficiency measures as a result of plan
7 modifications shall be appropriately reflected in amounts
8 recovered by the utility and turned over to the Department.

9 The portfolio of measures, administered by both the
10 utilities and the Department, shall, in combination, be
11 designed to achieve the annual energy savings requirements set
12 forth in subsection (c) of this Section, as modified by
13 subsection (d) of this Section.

14 The utility and the Department shall agree upon a
15 reasonable portfolio of measures and determine the measurable
16 corresponding percentage of the savings goals associated with
17 measures implemented by the Department.

18 No utility shall be assessed a penalty under subsection (f)
19 of this Section for failure to make a timely filing if that
20 failure is the result of a lack of agreement with the
21 Department with respect to the allocation of responsibilities
22 or related costs or target assignments. In that case, the
23 Department and the utility shall file their respective plans
24 with the Commission and the Commission shall determine an
25 appropriate division of measures and programs that meets the
26 requirements of this Section.

1 If the Department is unable to meet performance
2 requirements for the portion of the portfolio implemented by
3 the Department, then the utility and the Department shall
4 jointly submit a modified filing to the Commission explaining
5 the performance shortfall and recommending an appropriate
6 course going forward, including any program modifications that
7 may be appropriate in light of the evaluations conducted under
8 item (8) of subsection (f) of this Section. In this case, the
9 utility obligation to collect the Department's costs and turn
10 over those funds to the Department under this subsection (e)
11 shall continue only if the Commission approves the
12 modifications to the plan proposed by the Department.

13 (f) No later than October 1, 2010, each gas utility shall
14 file an energy efficiency plan with the Commission to meet the
15 energy efficiency standards through May 31, 2014. Every 3 years
16 thereafter, each utility shall file, no later than October 1,
17 an energy efficiency plan with the Commission. If a utility
18 does not file such a plan by October 1 of the applicable year,
19 then it shall face a penalty of \$100,000 per day until the plan
20 is filed. Each utility's plan shall set forth the utility's
21 proposals to meet the utility's portion of the energy
22 efficiency standards identified in subsection (c) of this
23 Section, as modified by subsection (d) of this Section, taking
24 into account the unique circumstances of the utility's service
25 territory. The Commission shall seek public comment on the
26 utility's plan and shall issue an order approving or

1 disapproving each plan. If the Commission disapproves a plan,
2 the Commission shall, within 30 days, describe in detail the
3 reasons for the disapproval and describe a path by which the
4 utility may file a revised draft of the plan to address the
5 Commission's concerns satisfactorily. If the utility does not
6 refile with the Commission within 60 days after the
7 disapproval, the utility shall be subject to penalties at a
8 rate of \$100,000 per day until the plan is filed. This process
9 shall continue, and penalties shall accrue, until the utility
10 has successfully filed a portfolio of energy efficiency
11 measures. Penalties shall be deposited into the Energy
12 Efficiency Trust Fund and the cost of any such penalties may
13 not be recovered from ratepayers. In submitting proposed energy
14 efficiency plans and funding levels to meet the savings goals
15 adopted by this Act the utility shall:

16 (1) Demonstrate that its proposed energy efficiency
17 measures will achieve the requirements that are identified
18 in subsection (c) of this Section, as modified by
19 subsection (d) of this Section.

20 (2) Present specific proposals to implement new
21 building and appliance standards that have been placed into
22 effect.

23 (3) Present estimates of the total amount paid for gas
24 service expressed on a per therm basis associated with the
25 proposed portfolio of measures designed to meet the
26 requirements that are identified in subsection (c) of this

1 Section, as modified by subsection (d) of this Section.

2 (4) Coordinate with the Department to present a
3 portfolio of energy efficiency measures proportionate to
4 the share of total annual utility revenues in Illinois from
5 households at or below 150% of the poverty level. Such
6 programs shall be targeted to households with incomes at or
7 below 80% of area median income.

8 (5) Demonstrate that its overall portfolio of energy
9 efficiency measures, not including programs covered by
10 item (4) of this subsection (f), are cost-effective using
11 the total resource cost test and represent a diverse cross
12 section of opportunities for customers of all rate classes
13 to participate in the programs.

14 (6) Demonstrate that a gas utility affiliated with an
15 electric utility that is required to comply with Section
16 8-103 of this Act has integrated gas and electric
17 efficiency measures into a single program that reduces
18 program or participant costs and appropriately allocates
19 costs to gas and electric ratepayers. The Department shall
20 integrate all gas and electric programs it delivers in any
21 such utilities' service territories, unless the Department
22 can show that integration is not feasible or appropriate.

23 (7) Include a proposed cost recovery tariff mechanism
24 to fund the proposed energy efficiency measures and to
25 ensure the recovery of the prudently and reasonably
26 incurred costs of Commission-approved programs.

1 (8) Provide for quarterly status reports tracking
2 implementation of and expenditures for the utility's
3 portfolio of measures and the Department's portfolio of
4 measures, an annual independent review, and a full
5 independent evaluation of the 3-year results of the
6 performance and the cost-effectiveness of the utility's
7 and Department's portfolios of measures and broader net
8 program impacts and, to the extent practical, for
9 adjustment of the measures on a going forward basis as a
10 result of the evaluations. The resources dedicated to
11 evaluation shall not exceed 3% of portfolio resources in
12 any given 3-year period.

13 (g) No more than 3% of expenditures on energy efficiency
14 measures may be allocated for demonstration of breakthrough
15 equipment and devices.

16 (h) Illinois natural gas utilities that are affiliated by
17 virtue of a common parent company may, at the utilities'
18 request, be considered a single natural gas utility for
19 purposes of complying with this Section.

20 (i) If, after 3 years, a gas utility fails to meet the
21 efficiency standard specified in subsection (c) of this Section
22 as modified by subsection (d), then it shall make a
23 contribution to the Low-Income Home Energy Assistance Program.
24 The total liability for failure to meet the goal shall be
25 assessed as follows:

26 (1) a large gas utility shall pay \$600,000;

1 (2) a medium gas utility shall pay \$400,000; and

2 (3) a small gas utility shall pay \$200,000.

3 For purposes of this Section, (i) a "large gas utility" is
4 a gas utility that on December 31, 2008, served more than
5 1,500,000 gas customers in Illinois; (ii) a "medium gas
6 utility" is a gas utility that on December 31, 2008, served
7 fewer than 1,500,000, but more than 500,000 gas customers in
8 Illinois; and (iii) a "small gas utility" is a gas utility that
9 on December 31, 2008, served fewer than 500,000 and more than
10 100,000 gas customers in Illinois. The costs of this
11 contribution may not be recovered from ratepayers.

12 If a gas utility fails to meet the efficiency standard
13 specified in subsection (c) of this Section, as modified by
14 subsection (d) of this Section, in any 2 consecutive 3-year
15 planning periods, then the responsibility for implementing the
16 utility's energy efficiency measures shall be transferred to an
17 independent program administrator selected by the Commission.
18 Reasonable and prudent costs incurred by the independent
19 program administrator to meet the efficiency standard
20 specified in subsection (c) of this Section, as modified by
21 subsection (d) of this Section, may be recovered from the
22 customers of the affected gas utilities, other than customers
23 described in subsection (m) of this Section. The utility shall
24 provide the independent program administrator with all
25 information and assistance necessary to perform the program
26 administrator's duties including but not limited to customer,

1 account, and energy usage data, and shall allow the program
2 administrator to include inserts in customer bills. The utility
3 may recover reasonable costs associated with any such
4 assistance.

5 (j) No utility shall be deemed to have failed to meet the
6 energy efficiency standards to the extent any such failure is
7 due to a failure of the Department.

8 (k) Not later than January 1, 2012, the Commission shall
9 develop and solicit public comment on a plan to foster
10 statewide coordination and consistency between statutorily
11 mandated natural gas and electric energy efficiency programs to
12 reduce program or participant costs or to improve program
13 performance. Not later than September 1, 2013, the Commission
14 shall issue a report to the General Assembly containing its
15 findings and recommendations.

16 (l) This Section does not apply to a gas utility that on
17 January 1, 2009, provided gas service to fewer than 100,000
18 customers in Illinois.

19 (m) Subsections (a) through (k) of this Section do not
20 apply to customers of a natural gas utility that have a North
21 American Industry Classification System code number that is
22 22111 or any such code number beginning with the digits 31, 32,
23 or 33 and (i) annual usage in the aggregate of 4 million therms
24 or more within the service territory of the affected gas
25 utility or with aggregate usage of 8 million therms or more in
26 this State and complying with the provisions of item (l) of

1 this subsection (m); or (ii) using natural gas as feedstock and
2 meeting the usage requirements described in item (i) of this
3 subsection (m), to the extent such annual feedstock usage is
4 greater than ~~that~~ 60% of the customer's total annual usage of
5 natural gas.

6 (1) Customers described in this subsection (m) of this
7 Section shall apply, on a form approved on or before
8 October 1, 2009 by the Department, to the Department to be
9 designated as a self-directing customer ("SDC") or as an
10 exempt customer using natural gas as a feedstock from which
11 other products are made, including, but not limited to,
12 feedstock for a hydrogen plant, on or before the 1st day of
13 February, 2010. Thereafter, application may be made not
14 less than 6 months before the filing date of the gas
15 utility energy efficiency plan described in subsection (f)
16 of this Section; however, a new customer that commences
17 taking service from a natural gas utility after February 1,
18 2010 may apply to become a SDC or exempt customer up to 30
19 days after beginning service. Such application shall
20 contain the following:

21 (A) the customer's certification that, at the time
22 of its application, it qualifies to be a SDC or exempt
23 customer described in this subsection (m) of this
24 Section;

25 (B) in the case of a SDC, the customer's
26 certification that it has established or will

1 establish by the beginning of the utility's 3-year
2 planning period commencing subsequent to the
3 application, and will maintain for accounting
4 purposes, an energy efficiency reserve account and
5 that the customer will accrue funds in said account to
6 be held for the purpose of funding, in whole or in
7 part, energy efficiency measures of the customer's
8 choosing, which may include, but are not limited to,
9 projects involving combined heat and power systems
10 that use the same energy source both for the generation
11 of electrical or mechanical power and the production of
12 steam or another form of useful thermal energy or the
13 use of combustible gas produced from biomass, or both;

14 (C) in the case of a SDC, the customer's
15 certification that annual funding levels for the
16 energy efficiency reserve account will be equal to 2%
17 of the customer's cost of natural gas, composed of the
18 customer's commodity cost and the delivery service
19 charges paid to the gas utility, or \$150,000, whichever
20 is less;

21 (D) in the case of a SDC, the customer's
22 certification that the required reserve account
23 balance will be capped at 3 years' worth of accruals
24 and that the customer may, at its option, make further
25 deposits to the account to the extent such deposit
26 would increase the reserve account balance above the

1 designated cap level;

2 (E) in the case of a SDC, the customer's
3 certification that by October 1 of each year, beginning
4 no sooner than October 1, 2012, the customer will
5 report to the Department information, for the 12-month
6 period ending May 31 of the same year, on all deposits
7 and reductions, if any, to the reserve account during
8 the reporting year, and to the extent deposits to the
9 reserve account in any year are in an amount less than
10 \$150,000, the basis for such reduced deposits; reserve
11 account balances by month; a description of energy
12 efficiency measures undertaken by the customer and
13 paid for in whole or in part with funds from the
14 reserve account; an estimate of the energy saved, or to
15 be saved, by the measure; and that the report shall
16 include a verification by an officer or plant manager
17 of the customer or by a registered professional
18 engineer or certified energy efficiency trade
19 professional that the funds withdrawn from the reserve
20 account were used for the energy efficiency measures;

21 (F) in the case of an exempt customer, the
22 customer's certification of the level of gas usage as
23 feedstock in the customer's operation in a typical year
24 and that it will provide information establishing this
25 level, upon request of the Department;

26 (G) in the case of either an exempt customer or a

1 SDC, the customer's certification that it has provided
2 the gas utility or utilities serving the customer with
3 a copy of the application as filed with the Department;

4 (H) in the case of either an exempt customer or a
5 SDC, certification of the natural gas utility or
6 utilities serving the customer in Illinois including
7 the natural gas utility accounts that are the subject
8 of the application; and

9 (I) in the case of either an exempt customer or a
10 SDC, a verification signed by a plant manager or an
11 authorized corporate officer attesting to the
12 truthfulness and accuracy of the information contained
13 in the application.

14 (2) The Department shall review the application to
15 determine that it contains the information described in
16 provisions (A) through (I) of item (1) of this subsection
17 (m), as applicable. The review shall be completed within 30
18 days after the date the application is filed with the
19 Department. Absent a determination by the Department
20 within the 30-day period, the applicant shall be considered
21 to be a SDC or exempt customer, as applicable, for all
22 subsequent 3-year planning periods, as of the date of
23 filing the application described in this subsection (m). If
24 the Department determines that the application does not
25 contain the applicable information described in provisions
26 (A) through (I) of item (1) of this subsection (m), it

1 shall notify the customer, in writing, of its determination
2 that the application does not contain the required
3 information and identify the information that is missing,
4 and the customer shall provide the missing information
5 within 15 working days after the date of receipt of the
6 Department's notification.

7 (3) The Department shall have the right to audit the
8 information provided in the customer's application and
9 annual reports to ensure continued compliance with the
10 requirements of this subsection. Based on the audit, if the
11 Department determines the customer is no longer in
12 compliance with the requirements of items (A) through (I)
13 of item (1) of this subsection (m), as applicable, the
14 Department shall notify the customer in writing of the
15 noncompliance. The customer shall have 30 days to establish
16 its compliance, and failing to do so, may have its status
17 as a SDC or exempt customer revoked by the Department. The
18 Department shall treat all information provided by any
19 customer seeking SDC status or exemption from the
20 provisions of this Section as strictly confidential.

21 (4) Upon request, or on its own motion, the Commission
22 may open an investigation, no more than once every 3 years
23 and not before October 1, 2014, to evaluate the
24 effectiveness of the self-directing program described in
25 this subsection (m).

26 (n) The applicability of this Section to customers

1 described in subsection (m) of this Section is conditioned on
2 the existence of the SDC program. In no event will any
3 provision of this Section apply to such customers after January
4 1, 2020.

6 (220 ILCS 5/13-517)

7 (Section scheduled to be repealed on July 1, 2013)

8 Sec. 13-517. Provision of advanced telecommunications
9 services.

10 (a) Every Incumbent Local Exchange Carrier
11 (telecommunications carrier that offers or provides a
12 noncompetitive telecommunications service) shall offer or
13 provide advanced telecommunications services to not less than
14 80% of its customers by January 1, 2005.

15 (b) The Commission is authorized to grant a full or partial
16 waiver of the requirements of this Section upon verified
17 petition of any Incumbent Local Exchange Carrier ("ILEC") which
18 demonstrates that full compliance with the requirements of this
19 Section would be unduly economically burdensome or technically
20 infeasible or otherwise impractical in exchanges with low
21 population density. Notice of any such petition must be given
22 to all potentially affected customers. If no potentially
23 affected customer requests the opportunity for a hearing on the
24 waiver petition, the Commission may, in its discretion, allow
25 the waiver request to take effect ~~affect~~ without hearing. The

1 Commission shall grant such petition to the extent that, and
2 for such duration as, the Commission determines that such
3 waiver:

4 (1) is necessary:

5 (A) to avoid a significant adverse economic impact
6 on users of telecommunications services generally;

7 (B) to avoid imposing a requirement that is unduly
8 economically burdensome;

9 (C) to avoid imposing a requirement that is
10 technically infeasible; or

11 (D) to avoid imposing a requirement that is
12 otherwise impractical to implement in exchanges with
13 low population density; and

14 (2) is consistent with the public interest,
15 convenience, and necessity.

16 The Commission shall act upon any petition filed under this
17 subsection within 180 days after receiving such petition. The
18 Commission may by rule establish standards for granting any
19 waiver of the requirements of this Section. The Commission may,
20 upon complaint or on its own motion, hold a hearing to
21 reconsider its grant of a waiver in whole or in part. In the
22 event that the Commission, following hearing, determines that
23 the affected ILEC no longer meets the requirements of item (2)
24 of this subsection, the Commission shall by order rescind such
25 waiver, in whole or in part. In the event and to the degree the
26 Commission rescinds such waiver, the Commission shall

1 establish an implementation schedule for compliance with the
2 requirements of this Section.

3 (c) As used in this Section, "advanced telecommunications
4 services" means services capable of supporting, in at least one
5 direction, a speed in excess of 200 kilobits per second (kbps)
6 to the network demarcation point at the subscriber's premises.

8 (220 ILCS 5/16-111.5)

9 Sec. 16-111.5. Provisions relating to procurement.

10 (a) An electric utility that on December 31, 2005 served at
11 least 100,000 customers in Illinois shall procure power and
12 energy for its eligible retail customers in accordance with the
13 applicable provisions set forth in Section 1-75 of the Illinois
14 Power Agency Act and this Section. A small multi-jurisdictional
15 electric utility that on December 31, 2005 served less than
16 100,000 customers in Illinois may elect to procure power and
17 energy for all or a portion of its eligible Illinois retail
18 customers in accordance with the applicable provisions set
19 forth in this Section and Section 1-75 of the Illinois Power
20 Agency Act. This Section shall not apply to a small
21 multi-jurisdictional utility until such time as a small
22 multi-jurisdictional utility requests the Illinois Power
23 Agency to prepare a procurement plan for its eligible retail
24 customers. "Eligible retail customers" for the purposes of this
25 Section means those retail customers that purchase power and

1 energy from the electric utility under fixed-price bundled
2 service tariffs, other than those retail customers whose
3 service is declared or deemed competitive under Section 16-113
4 and those other customer groups specified in this Section,
5 including self-generating customers, customers electing hourly
6 pricing, or those customers who are otherwise ineligible for
7 fixed-price bundled tariff service. Those customers that are
8 excluded from the definition of "eligible retail customers"
9 shall not be included in the procurement plan load
10 requirements, and the utility shall procure any supply
11 requirements, including capacity, ancillary services, and
12 hourly priced energy, in the applicable markets as needed to
13 serve those customers, provided that the utility may include in
14 its procurement plan load requirements for the load that is
15 associated with those retail customers whose service has been
16 declared or deemed competitive pursuant to Section 16-113 of
17 this Act to the extent that those customers are purchasing
18 power and energy during one of the transition periods
19 identified in subsection (b) of Section 16-113 of this Act.

20 (b) A procurement plan shall be prepared for each electric
21 utility consistent with the applicable requirements of the
22 Illinois Power Agency Act and this Section. For purposes of
23 this Section, Illinois electric utilities that are affiliated
24 by virtue of a common parent company are considered to be a
25 single electric utility. Small multi-jurisdictional utilities
26 may request a procurement plan for a portion of or all of its

1 Illinois load. Each procurement plan shall analyze the
2 projected balance of supply and demand for eligible retail
3 customers over a 5-year period with the first planning year
4 beginning on June 1 of the year following the year in which the
5 plan is filed. The plan shall specifically identify the
6 wholesale products to be procured following plan approval, and
7 shall follow all the requirements set forth in the Public
8 Utilities Act and all applicable State and federal laws,
9 statutes, rules, or regulations, as well as Commission orders.
10 Nothing in this Section precludes consideration of contracts
11 longer than 5 years and related forecast data. Unless specified
12 otherwise in this Section, in the procurement plan or in the
13 implementing tariff, any procurement occurring in accordance
14 with this plan shall be competitively bid through a request for
15 proposals process. Approval and implementation of the
16 procurement plan shall be subject to review and approval by the
17 Commission according to the provisions set forth in this
18 Section. A procurement plan shall include each of the following
19 components:

20 (1) Hourly load analysis. This analysis shall include:

21 (i) multi-year historical analysis of hourly
22 loads;

23 (ii) switching trends and competitive retail
24 market analysis;

25 (iii) known or projected changes to future loads;

26 and

1 (iv) growth forecasts by customer class.

2 (2) Analysis of the impact of any demand side and
3 renewable energy initiatives. This analysis shall include:

4 (i) the impact of demand response programs and
5 energy efficiency programs, both current and
6 projected; for small multi-jurisdictional utilities,
7 the impact of demand response and energy efficiency
8 programs approved pursuant to Section 8-408 of this
9 Act, both current and projected; and

10 (ii) supply side needs that are projected to be
11 offset by purchases of renewable energy resources, if
12 any.

13 (3) A plan for meeting the expected load requirements
14 that will not be met through preexisting contracts. This
15 plan shall include:

16 (i) definitions of the different Illinois retail
17 customer classes for which supply is being purchased;

18 (ii) the proposed mix of demand-response products
19 for which contracts will be executed during the next
20 year. For small multi-jurisdictional electric
21 utilities that on December 31, 2005 served fewer than
22 100,000 customers in Illinois, these shall be defined
23 as demand-response products offered in an energy
24 efficiency plan approved pursuant to Section 8-408 of
25 this Act. The cost-effective demand-response measures
26 shall be procured whenever the cost is lower than

1 procuring comparable capacity products, provided that
2 such products shall:

3 (A) be procured by a demand-response provider
4 from eligible retail customers;

5 (B) at least satisfy the demand-response
6 requirements of the regional transmission
7 organization market in which the utility's service
8 territory is located, including, but not limited
9 to, any applicable capacity or dispatch
10 requirements;

11 (C) provide for customers' participation in
12 the stream of benefits produced by the
13 demand-response products;

14 (D) provide for reimbursement by the
15 demand-response provider of the utility for any
16 costs incurred as a result of the failure of the
17 supplier of such products to perform its
18 obligations thereunder; and

19 (E) meet the same credit requirements as apply
20 to suppliers of capacity, in the applicable
21 regional transmission organization market;

22 (iii) monthly forecasted system supply
23 requirements, including expected minimum, maximum, and
24 average values for the planning period;

25 (iv) the proposed mix and selection of standard
26 wholesale products for which contracts will be

1 executed during the next year, separately or in
2 combination, to meet that portion of its load
3 requirements not met through pre-existing contracts,
4 including but not limited to monthly 5 x 16 peak period
5 block energy, monthly off-peak wrap energy, monthly 7 x
6 24 energy, annual 5 x 16 energy, annual off-peak wrap
7 energy, annual 7 x 24 energy, monthly capacity, annual
8 capacity, peak load capacity obligations, capacity
9 purchase plan, and ancillary services;

10 (v) proposed term structures for each wholesale
11 product type included in the proposed procurement plan
12 portfolio of products; and

13 (vi) an assessment of the price risk, load
14 uncertainty, and other factors that are associated
15 with the proposed procurement plan; this assessment,
16 to the extent possible, shall include an analysis of
17 the following factors: contract terms, time frames for
18 securing products or services, fuel costs, weather
19 patterns, transmission costs, market conditions, and
20 the governmental regulatory environment; the proposed
21 procurement plan shall also identify alternatives for
22 those portfolio measures that are identified as having
23 significant price risk.

24 (4) Proposed procedures for balancing loads. The
25 procurement plan shall include, for load requirements
26 included in the procurement plan, the process for (i)

1 hourly balancing of supply and demand and (ii) the criteria
2 for portfolio re-balancing in the event of significant
3 shifts in load.

4 (c) The procurement process set forth in Section 1-75 of
5 the Illinois Power Agency Act and subsection (e) of this
6 Section shall be administered by a procurement administrator
7 and monitored by a procurement monitor.

8 (1) The procurement administrator shall:

9 (i) design the final procurement process in
10 accordance with Section 1-75 of the Illinois Power
11 Agency Act and subsection (e) of this Section following
12 Commission approval of the procurement plan;

13 (ii) develop benchmarks in accordance with
14 subsection (e)(3) to be used to evaluate bids; these
15 benchmarks shall be submitted to the Commission for
16 review and approval on a confidential basis prior to
17 the procurement event;

18 (iii) serve as the interface between the electric
19 utility and suppliers;

20 (iv) manage the bidder pre-qualification and
21 registration process;

22 (v) obtain the electric utilities' agreement to
23 the final form of all supply contracts and credit
24 collateral agreements;

25 (vi) administer the request for proposals process;

26 (vii) have the discretion to negotiate to

1 determine whether bidders are willing to lower the
2 price of bids that meet the benchmarks approved by the
3 Commission; any post-bid negotiations with bidders
4 shall be limited to price only and shall be completed
5 within 24 hours after opening the sealed bids and shall
6 be conducted in a fair and unbiased manner; in
7 conducting the negotiations, there shall be no
8 disclosure of any information derived from proposals
9 submitted by competing bidders; if information is
10 disclosed to any bidder, it shall be provided to all
11 competing bidders;

12 (viii) maintain confidentiality of supplier and
13 bidding information in a manner consistent with all
14 applicable laws, rules, regulations, and tariffs;

15 (ix) submit a confidential report to the
16 Commission recommending acceptance or rejection of
17 bids;

18 (x) notify the utility of contract counterparties
19 and contract specifics; and

20 (xi) administer related contingency procurement
21 events.

22 (2) The procurement monitor, who shall be retained by
23 the Commission, shall:

24 (i) monitor interactions among the procurement
25 administrator, suppliers, and utility;

26 (ii) monitor and report to the Commission on the

1 progress of the procurement process;

2 (iii) provide an independent confidential report
3 to the Commission regarding the results of the
4 procurement event;

5 (iv) assess compliance with the procurement plans
6 approved by the Commission for each utility that on
7 December 31, 2005 provided electric service to a least
8 100,000 customers in Illinois and for each small
9 multi-jurisdictional utility that on December 31, 2005
10 served less than 100,000 customers in Illinois;

11 (v) preserve the confidentiality of supplier and
12 bidding information in a manner consistent with all
13 applicable laws, rules, regulations, and tariffs;

14 (vi) provide expert advice to the Commission and
15 consult with the procurement administrator regarding
16 issues related to procurement process design, rules,
17 protocols, and policy-related matters; and

18 (vii) consult with the procurement administrator
19 regarding the development and use of benchmark
20 criteria, standard form contracts, credit policies,
21 and bid documents.

22 (d) Except as provided in subsection (j), the planning
23 process shall be conducted as follows:

24 (1) Beginning in 2008, each Illinois utility procuring
25 power pursuant to this Section shall annually provide a
26 range of load forecasts to the Illinois Power Agency by

1 July 15 of each year, or such other date as may be required
2 by the Commission or Agency. The load forecasts shall cover
3 the 5-year procurement planning period for the next
4 procurement plan and shall include hourly data
5 representing a high-load, low-load and expected-load
6 scenario for the load of the eligible retail customers. The
7 utility shall provide supporting data and assumptions for
8 each of the scenarios.

9 (2) Beginning in 2008, the Illinois Power Agency shall
10 prepare a procurement plan by August 15th of each year, or
11 such other date as may be required by the Commission. The
12 procurement plan shall identify the portfolio of
13 demand-response and power and energy products to be
14 procured. Cost-effective demand-response measures shall be
15 procured as set forth in item (iii) of subsection (b) of
16 this Section. Copies of the procurement plan shall be
17 posted and made publicly available on the Agency's and
18 Commission's websites, and copies shall also be provided to
19 each affected electric utility. An affected utility shall
20 have 30 days following the date of posting to provide
21 comment to the Agency on the procurement plan. Other
22 interested entities also may comment on the procurement
23 plan. All comments submitted to the Agency shall be
24 specific, supported by data or other detailed analyses,
25 and, if objecting to all or a portion of the procurement
26 plan, accompanied by specific alternative wording or

1 proposals. All comments shall be posted on the Agency's and
2 Commission's websites. During this 30-day comment period,
3 the Agency shall hold at least one public hearing within
4 each utility's service area for the purpose of receiving
5 public comment on the procurement plan. Within 14 days
6 following the end of the 30-day review period, the Agency
7 shall revise the procurement plan as necessary based on the
8 comments received and file the procurement plan with the
9 Commission and post the procurement plan on the websites.

10 (3) Within 5 days after the filing of the procurement
11 plan, any person objecting to the procurement plan shall
12 file an objection with the Commission. Within 10 days after
13 the filing, the Commission shall determine whether a
14 hearing is necessary. The Commission shall enter its order
15 confirming or modifying the procurement plan within 90 days
16 after the filing of the procurement plan by the Illinois
17 Power Agency.

18 (4) The Commission shall approve the procurement plan,
19 including expressly the forecast used in the procurement
20 plan, if the Commission determines that it will ensure
21 adequate, reliable, affordable, efficient, and
22 environmentally sustainable electric service at the lowest
23 total cost over time, taking into account any benefits of
24 price stability.

25 (e) The procurement process shall include each of the
26 following components:

1 (1) Solicitation, pre-qualification, and registration
2 of bidders. The procurement administrator shall
3 disseminate information to potential bidders to promote a
4 procurement event, notify potential bidders that the
5 procurement administrator may enter into a post-bid price
6 negotiation with bidders that meet the applicable
7 benchmarks, provide supply requirements, and otherwise
8 explain the competitive procurement process. In addition
9 to such other publication as the procurement administrator
10 determines is appropriate, this information shall be
11 posted on the Illinois Power Agency's and the Commission's
12 websites. The procurement administrator shall also
13 administer the prequalification process, including
14 evaluation of credit worthiness, compliance with
15 procurement rules, and agreement to the standard form
16 contract developed pursuant to paragraph (2) of this
17 subsection (e). The procurement administrator shall then
18 identify and register bidders to participate in the
19 procurement event.

20 (2) Standard contract forms and credit terms and
21 instruments. The procurement administrator, in
22 consultation with the utilities, the Commission, and other
23 interested parties and subject to Commission oversight,
24 shall develop and provide standard contract forms for the
25 supplier contracts that meet generally accepted industry
26 practices. Standard credit terms and instruments that meet

1 generally accepted industry practices shall be similarly
2 developed. The procurement administrator shall make
3 available to the Commission all written comments it
4 receives on the contract forms, credit terms, or
5 instruments. If the procurement administrator cannot reach
6 agreement with the applicable electric utility as to the
7 contract terms and conditions, the procurement
8 administrator must notify the Commission of any disputed
9 terms and the Commission shall resolve the dispute. The
10 terms of the contracts shall not be subject to negotiation
11 by winning bidders, and the bidders must agree to the terms
12 of the contract in advance so that winning bids are
13 selected solely on the basis of price.

14 (3) Establishment of a market-based price benchmark.
15 As part of the development of the procurement process, the
16 procurement administrator, in consultation with the
17 Commission staff, Agency staff, and the procurement
18 monitor, shall establish benchmarks for evaluating the
19 final prices in the contracts for each of the products that
20 will be procured through the procurement process. The
21 benchmarks shall be based on price data for similar
22 products for the same delivery period and same delivery
23 hub, or other delivery hubs after adjusting for that
24 difference. The price benchmarks may also be adjusted to
25 take into account differences between the information
26 reflected in the underlying data sources and the specific

1 products and procurement process being used to procure
2 power for the Illinois utilities. The benchmarks shall be
3 confidential but shall be provided to, and will be subject
4 to Commission review and approval, prior to a procurement
5 event.

6 (4) Request for proposals competitive procurement
7 process. The procurement administrator shall design and
8 issue a request for proposals to supply electricity in
9 accordance with each utility's procurement plan, as
10 approved by the Commission. The request for proposals shall
11 set forth a procedure for sealed, binding commitment
12 bidding with pay-as-bid settlement, and provision for
13 selection of bids on the basis of price.

14 (5) A plan for implementing contingencies in the event
15 of supplier default or failure of the procurement process
16 to fully meet the expected load requirement due to
17 insufficient supplier participation, Commission rejection
18 of results, or any other cause.

19 (i) Event of supplier default: In the event of
20 supplier default, the utility shall review the
21 contract of the defaulting supplier to determine if the
22 amount of supply is 200 megawatts or greater, and if
23 there are more than 60 days remaining of the contract
24 term. If both of these conditions are met, and the
25 default results in termination of the contract, the
26 utility shall immediately notify the Illinois Power

1 Agency that a request for proposals must be issued to
2 procure replacement power, and the procurement
3 administrator shall run an additional procurement
4 event. If the contracted supply of the defaulting
5 supplier is less than 200 megawatts or there are less
6 than 60 days remaining of the contract term, the
7 utility shall procure power and energy from the
8 applicable regional transmission organization market,
9 including ancillary services, capacity, and day-ahead
10 or real time energy, or both, for the duration of the
11 contract term to replace the contracted supply;
12 provided, however, that if a needed product is not
13 available through the regional transmission
14 organization market it shall be purchased from the
15 wholesale market.

16 (ii) Failure of the procurement process to fully
17 meet the expected load requirement: If the procurement
18 process fails to fully meet the expected load
19 requirement due to insufficient supplier participation
20 or due to a Commission rejection of the procurement
21 results, the procurement administrator, the
22 procurement monitor, and the Commission staff shall
23 meet within 10 days to analyze potential causes of low
24 supplier interest or causes for the Commission
25 decision. If changes are identified that would likely
26 result in increased supplier participation, or that

1 would address concerns causing the Commission to
2 reject the results of the prior procurement event, the
3 procurement administrator may implement those changes
4 and rerun the request for proposals process according
5 to a schedule determined by those parties and
6 consistent with Section 1-75 of the Illinois Power
7 Agency Act and this subsection. In any event, a new
8 request for proposals process shall be implemented by
9 the procurement administrator within 90 days after the
10 determination that the procurement process has failed
11 to fully meet the expected load requirement.

12 (iii) In all cases where there is insufficient
13 supply provided under contracts awarded through the
14 procurement process to fully meet the electric
15 utility's load requirement, the utility shall meet the
16 load requirement by procuring power and energy from the
17 applicable regional transmission organization market,
18 including ancillary services, capacity, and day-ahead
19 or real time energy or both; provided, however, that if
20 a needed product is not available through the regional
21 transmission organization market it shall be purchased
22 from the wholesale market.

23 (6) The procurement process described in this
24 subsection is exempt from the requirements of the Illinois
25 Procurement Code, pursuant to Section 20-10 of that Code.

26 (f) Within 2 business days after opening the sealed bids,

1 the procurement administrator shall submit a confidential
2 report to the Commission. The report shall contain the results
3 of the bidding for each of the products along with the
4 procurement administrator's recommendation for the acceptance
5 and rejection of bids based on the price benchmark criteria and
6 other factors observed in the process. The procurement monitor
7 also shall submit a confidential report to the Commission
8 within 2 business days after opening the sealed bids. The
9 report shall contain the procurement monitor's assessment of
10 bidder behavior in the process as well as an assessment of the
11 procurement administrator's compliance with the procurement
12 process and rules. The Commission shall review the confidential
13 reports submitted by the procurement administrator and
14 procurement monitor, and shall accept or reject the
15 recommendations of the procurement administrator within 2
16 business days after receipt of the reports.

17 (g) Within 3 business days after the Commission decision
18 approving the results of a procurement event, the utility shall
19 enter into binding contractual arrangements with the winning
20 suppliers using the standard form contracts; except that the
21 utility shall not be required either directly or indirectly to
22 execute the contracts if a tariff that is consistent with
23 subsection (1) of this Section has not been approved and placed
24 into effect for that utility.

25 (h) The names of the successful bidders and the load
26 weighted average of the winning bid prices for each contract

1 type and for each contract term shall be made available to the
2 public at the time of Commission approval of a procurement
3 event. The Commission, the procurement monitor, the
4 procurement administrator, the Illinois Power Agency, and all
5 participants in the procurement process shall maintain the
6 confidentiality of all other supplier and bidding information
7 in a manner consistent with all applicable laws, rules,
8 regulations, and tariffs. Confidential information, including
9 the confidential reports submitted by the procurement
10 administrator and procurement monitor pursuant to subsection
11 (f) of this Section, shall not be made publicly available and
12 shall not be discoverable by any party in any proceeding,
13 absent a compelling demonstration of need, nor shall those
14 reports be admissible in any proceeding other than one for law
15 enforcement purposes.

16 (i) Within 2 business days after a Commission decision
17 approving the results of a procurement event or such other date
18 as may be required by the Commission from time to time, the
19 utility shall file for informational purposes with the
20 Commission its actual or estimated retail supply charges, as
21 applicable, by customer supply group reflecting the costs
22 associated with the procurement and computed in accordance with
23 the tariffs filed pursuant to subsection (l) of this Section
24 and approved by the Commission.

25 (j) Within 60 days following the effective date of this
26 amendatory Act, each electric utility that on December 31, 2005

1 provided electric service to at least 100,000 customers in
2 Illinois shall prepare and file with the Commission an initial
3 procurement plan, which shall conform in all material respects
4 to the requirements of the procurement plan set forth in
5 subsection (b); provided, however, that the Illinois Power
6 Agency Act shall not apply to the initial procurement plan
7 prepared pursuant to this subsection. The initial procurement
8 plan shall identify the portfolio of power and energy products
9 to be procured and delivered for the period June 2008 through
10 May 2009, and shall identify the proposed procurement
11 administrator, who shall have the same experience and expertise
12 as is required of a procurement administrator hired pursuant to
13 Section 1-75 of the Illinois Power Agency Act. Copies of the
14 procurement plan shall be posted and made publicly available on
15 the Commission's website. The initial procurement plan may
16 include contracts for renewable resources that extend beyond
17 May 2009.

18 (i) Within 14 days following filing of the initial
19 procurement plan, any person may file a detailed objection
20 with the Commission contesting the procurement plan
21 submitted by the electric utility. All objections to the
22 electric utility's plan shall be specific, supported by
23 data or other detailed analyses. The electric utility may
24 file a response to any objections to its procurement plan
25 within 7 days after the date objections are due to be
26 filed. Within 7 days after the date the utility's response

1 is due, the Commission shall determine whether a hearing is
2 necessary. If it determines that a hearing is necessary, it
3 shall require the hearing to be completed and issue an
4 order on the procurement plan within 60 days after the
5 filing of the procurement plan by the electric utility.

6 (ii) The order shall approve or modify the procurement
7 plan, approve an independent procurement administrator,
8 and approve or modify the electric utility's tariffs that
9 are proposed with the initial procurement plan. The
10 Commission shall approve the procurement plan if the
11 Commission determines that it will ensure adequate,
12 reliable, affordable, efficient, and environmentally
13 sustainable electric service at the lowest total cost over
14 time, taking into account any benefits of price stability.

15 (k) In order to promote price stability for residential and
16 small commercial customers during the transition to
17 competition in Illinois, and notwithstanding any other
18 provision of this Act, each electric utility subject to this
19 Section shall enter into one or more multi-year financial swap
20 contracts that become effective on the effective date of this
21 amendatory Act. These contracts may be executed with generators
22 and power marketers, including affiliated interests of the
23 electric utility. These contracts shall be for a term of no
24 more than 5 years and shall, for each respective utility or for
25 any Illinois electric utilities that are affiliated by virtue
26 of a common parent company and that are thereby considered a

1 single electric utility for purposes of this subsection (k),
2 not exceed in the aggregate 3,000 megawatts for any hour of the
3 year. The contracts shall be financial contracts and not energy
4 sales contracts. The contracts shall be executed as
5 transactions under a negotiated master agreement based on the
6 form of master agreement for financial swap contracts sponsored
7 by the International Swaps and Derivatives Association, Inc.
8 and shall be considered pre-existing contracts in the
9 utilities' procurement plans for residential and small
10 commercial customers. Costs incurred pursuant to a contract
11 authorized by this subsection (k) shall be deemed prudently
12 incurred and reasonable in amount and the electric utility
13 shall be entitled to full cost recovery pursuant to the tariffs
14 filed with the Commission.

15 (k-5) In order to promote price stability for residential
16 and small commercial customers during the infrastructure
17 investment program described in subsection (b) of Section
18 16-108.5 of this Act, and notwithstanding any other provision
19 of this Act or the Illinois Power Agency Act, for each electric
20 utility that serves more than one million retail customers in
21 Illinois, the Illinois Power Agency shall conduct a procurement
22 event within 120 days after October 26, 2011 (the effective
23 date of Public Act 97-616) ~~this amendatory Act of the 97th~~
24 ~~General Assembly~~ and may procure contracts for energy and
25 renewable energy credits for the period June 1, 2013 through
26 December 31, 2017 that satisfy the requirements of this

1 subsection (k-5), including the benchmarks described in this
2 subsection. These contracts shall be entered into as the result
3 of a competitive procurement event, and, to the extent that any
4 provisions of this Section or the Illinois Power Agency Act do
5 not conflict with this subsection (k-5), such provisions shall
6 apply to the procurement event. The energy contracts shall be
7 for 24 hour by 7 day supply over a term that runs from the first
8 delivery year through December 31, 2017. For a utility that
9 serves over 2 million customers, the energy contracts shall be
10 multi-year with pricing escalating at 2.5% per annum. The
11 energy contracts may be designed as financial swaps or may
12 require physical delivery.

13 Within 30 days of October 26, 2011 (the effective date of
14 Public Act 97-616) ~~this amendatory Act of the 97th General~~
15 ~~Assembly~~, each such utility shall submit to the Agency updated
16 load forecasts for the period June 1, 2013 through December 31,
17 2017. The megawatt volume of the contracts shall be based on
18 the updated load forecasts of the minimum monthly on-peak or
19 off-peak average load requirements shown in the forecasts,
20 taking into account any existing energy contracts in effect as
21 well as the expected migration of the utility's customers to
22 alternative retail electric suppliers. The renewable energy
23 credit volume shall be based on the number of credits that
24 would satisfy the requirements of subsection (c) of Section
25 1-75 of the Illinois Power Agency Act, subject to the rate
26 impact caps and other provisions of subsection (c) of Section

1 1-75 of the Illinois Power Agency Act. The evaluation of
2 contract bids in the competitive procurement events for energy
3 and for renewable energy credits shall incorporate price
4 benchmarks set collaboratively by the Agency, the procurement
5 administrator, the staff of the Commission, and the procurement
6 monitor. If the contracts are swap contracts, then they shall
7 be executed as transactions under a negotiated master agreement
8 based on the form of master agreement for financial swap
9 contracts sponsored by the International Swaps and Derivatives
10 Association, Inc. Costs incurred pursuant to a contract
11 authorized by this subsection (k-5) shall be deemed prudently
12 incurred and reasonable in amount and the electric utility
13 shall be entitled to full cost recovery pursuant to the tariffs
14 filed with the Commission.

15 The cost of administering the procurement event described
16 in this subsection (k-5) shall be paid by the winning supplier
17 or suppliers to the procurement administrator through a
18 supplier fee. In the event that there is no winning supplier
19 for a particular utility, such utility will pay the procurement
20 administrator for the costs associated with the procurement
21 event, and those costs shall not be a recoverable expense.
22 Nothing in this subsection (k-5) is intended to alter the
23 recovery of costs for any other procurement event.

24 (1) An electric utility shall recover its costs incurred
25 under this Section, including, but not limited to, the costs of
26 procuring power and energy demand-response resources under

1 this Section. The utility shall file with the initial
2 procurement plan its proposed tariffs through which its costs
3 of procuring power that are incurred pursuant to a
4 Commission-approved procurement plan and those other costs
5 identified in this subsection (1), will be recovered. The
6 tariffs shall include a formula rate or charge designed to pass
7 through both the costs incurred by the utility in procuring a
8 supply of electric power and energy for the applicable customer
9 classes with no mark-up or return on the price paid by the
10 utility for that supply, plus any just and reasonable costs
11 that the utility incurs in arranging and providing for the
12 supply of electric power and energy. The formula rate or charge
13 shall also contain provisions that ensure that its application
14 does not result in over or under recovery due to changes in
15 customer usage and demand patterns, and that provide for the
16 correction, on at least an annual basis, of any accounting
17 errors that may occur. A utility shall recover through the
18 tariff all reasonable costs incurred to implement or comply
19 with any procurement plan that is developed and put into effect
20 pursuant to Section 1-75 of the Illinois Power Agency Act and
21 this Section, including any fees assessed by the Illinois Power
22 Agency, costs associated with load balancing, and contingency
23 plan costs. The electric utility shall also recover its full
24 costs of procuring electric supply for which it contracted
25 before the effective date of this Section in conjunction with
26 the provision of full requirements service under fixed-price

1 bundled service tariffs subsequent to December 31, 2006. All
2 such costs shall be deemed to have been prudently incurred. The
3 pass-through tariffs that are filed and approved pursuant to
4 this Section shall not be subject to review under, or in any
5 way limited by, Section 16-111(i) of this Act.

6 (m) The Commission has the authority to adopt rules to
7 carry out the provisions of this Section. For the public
8 interest, safety, and welfare, the Commission also has
9 authority to adopt rules to carry out the provisions of this
10 Section on an emergency basis immediately following the
11 effective date of this amendatory Act.

12 (n) Notwithstanding any other provision of this Act, any
13 affiliated electric utilities that submit a single procurement
14 plan covering their combined needs may procure for those
15 combined needs in conjunction with that plan, and may enter
16 jointly into power supply contracts, purchases, and other
17 procurement arrangements, and allocate capacity and energy and
18 cost responsibility therefor among themselves in proportion to
19 their requirements.

20 (o) On or before June 1 of each year, the Commission shall
21 hold an informal hearing for the purpose of receiving comments
22 on the prior year's procurement process and any recommendations
23 for change.

24 (p) An electric utility subject to this Section may propose
25 to invest, lease, own, or operate an electric generation
26 facility as part of its procurement plan, provided the utility

1 demonstrates that such facility is the least-cost option to
2 provide electric service to eligible retail customers. If the
3 facility is shown to be the least-cost option and is included
4 in a procurement plan prepared in accordance with Section 1-75
5 of the Illinois Power Agency Act and this Section, then the
6 electric utility shall make a filing pursuant to Section 8-406
7 of this Act, and may request of the Commission any statutory
8 relief required thereunder. If the Commission grants all of the
9 necessary approvals for the proposed facility, such supply
10 shall thereafter be considered as a pre-existing contract under
11 subsection (b) of this Section. The Commission shall in any
12 order approving a proposal under this subsection specify how
13 the utility will recover the prudently incurred costs of
14 investing in, leasing, owning, or operating such generation
15 facility through just and reasonable rates charged to eligible
16 retail customers. Cost recovery for facilities included in the
17 utility's procurement plan pursuant to this subsection shall
18 not be subject to review under or in any way limited by the
19 provisions of Section 16-111(i) of this Act. Nothing in this
20 Section is intended to prohibit a utility from filing for a
21 fuel adjustment clause as is otherwise permitted under Section
22 9-220 of this Act.

4 Sec. 7. (a) The Department must prescribe and publish
5 minimum standards for licensing that apply to the various types
6 of facilities for child care defined in this Act and that are
7 equally applicable to like institutions under the control of
8 the Department and to foster family homes used by and under the
9 direct supervision of the Department. The Department shall seek
10 the advice and assistance of persons representative of the
11 various types of child care facilities in establishing such
12 standards. The standards prescribed and published under this
13 Act take effect as provided in the Illinois Administrative
14 Procedure Act, and are restricted to regulations pertaining to

10 its premises during its hours of operation at least one
11 staff member certified in first aid, in the Heimlich
12 maneuver and in cardiopulmonary resuscitation by the
13 American Red Cross or other organization approved by rule
14 of the Department. Child welfare agencies shall not be
15 subject to such a staffing requirement. The Department may
16 offer, or arrange for the offering, on a periodic basis in
17 each community in this State in cooperation with the
18 American Red Cross, the American Heart Association or other
19 appropriate organization, voluntary programs to train
20 operators of foster family homes and day care homes in
21 first aid and cardiopulmonary resuscitation;

22 (5) The appropriateness, safety, cleanliness and

24 adequate fire prevention and health standards conforming
25 to State laws and municipal codes to provide for the
26 physical comfort, care and well-being of children

9 admission, progress, health and discharge of children,
10 including, for day care centers and day care homes, records
11 indicating each child has been immunized as required by
12 State regulations. The Department shall require proof that
13 children enrolled in a facility have been immunized against
14 Haemophilus Influenzae B (HIB);

24 employment and who reside on the premises of a day care
25 home;

26 (14) Provisions requiring that any firearm permitted

1 on day care home premises, except handguns in the
2 possession of peace officers, shall be kept in a
3 disassembled state, without ammunition, in locked storage,
4 inaccessible to children and that ammunition permitted on
5 day care home premises shall be kept in locked storage
6 separate from that of disassembled firearms, inaccessible
7 to children;

8 (15) Provisions requiring notification of parents or
9 guardians enrolling children at a day care home of the
10 presence in the day care home of any firearms and
11 ammunition and of the arrangements for the separate, locked
12 storage of such firearms and ammunition; and

13 (16) Provisions requiring all licensed child care
14 facility employees who care for newborns and infants to
15 complete training every 3 years on the nature of sudden
16 unexpected infant death (SUID), sudden infant death
17 syndrome (SIDS), and the safe sleep recommendations of the
18 American Academy of Pediatrics.

19 (b) If, in a facility for general child care, there are
20 children diagnosed as mentally ill, intellectually disabled or
21 physically handicapped, who are determined to be in need of
22 special mental treatment or of nursing care, or both mental
23 treatment and nursing care, the Department shall seek the
24 advice and recommendation of the Department of Human Services,
25 the Department of Public Health, or both Departments regarding
26 the residential treatment and nursing care provided by the

1 institution.

2 (c) The Department shall investigate any person applying to
3 be licensed as a foster parent to determine whether there is
4 any evidence of current drug or alcohol abuse in the
5 prospective foster family. The Department shall not license a
6 person as a foster parent if drug or alcohol abuse has been
7 identified in the foster family or if a reasonable suspicion of
8 such abuse exists, except that the Department may grant a
9 foster parent license to an applicant identified with an
10 alcohol or drug problem if the applicant has successfully
11 participated in an alcohol or drug treatment program, self-help
12 group, or other suitable activities.

13 (d) The Department, in applying standards prescribed and
14 published, as herein provided, shall offer consultation
15 through employed staff or other qualified persons to assist
16 applicants and licensees in meeting and maintaining minimum
17 requirements for a license and to help them otherwise to
18 achieve programs of excellence related to the care of children
19 served. Such consultation shall include providing information
20 concerning education and training in early childhood
21 development to providers of day care home services. The
22 Department may provide or arrange for such education and
23 training for those providers who request such assistance.

24 (e) The Department shall distribute copies of licensing
25 standards to all licensees and applicants for a license. Each
26 licensee or holder of a permit shall distribute copies of the

1 appropriate licensing standards and any other information
2 required by the Department to child care facilities under its
3 supervision. Each licensee or holder of a permit shall maintain
4 appropriate documentation of the distribution of the
5 standards. Such documentation shall be part of the records of
6 the facility and subject to inspection by authorized
7 representatives of the Department.

8 (f) The Department shall prepare summaries of day care
9 licensing standards. Each licensee or holder of a permit for a
10 day care facility shall distribute a copy of the appropriate
11 summary and any other information required by the Department,
12 to the legal guardian of each child cared for in that facility
13 at the time when the child is enrolled or initially placed in
14 the facility. The licensee or holder of a permit for a day care
15 facility shall secure appropriate documentation of the
16 distribution of the summary and brochure. Such documentation
17 shall be a part of the records of the facility and subject to
18 inspection by an authorized representative of the Department.

19 (g) The Department shall distribute to each licensee and
20 holder of a permit copies of the licensing or permit standards
21 applicable to such person's facility. Each licensee or holder
22 of a permit shall make available by posting at all times in a
23 common or otherwise accessible area a complete and current set
24 of licensing standards in order that all employees of the
25 facility may have unrestricted access to such standards. All
26 employees of the facility shall have reviewed the standards and

1 any subsequent changes. Each licensee or holder of a permit
2 shall maintain appropriate documentation of the current review
3 of licensing standards by all employees. Such records shall be
4 part of the records of the facility and subject to inspection
5 by authorized representatives of the Department.

6 (h) Any standards involving physical examinations,
7 immunization, or medical treatment shall include appropriate
8 exemptions for children whose parents object thereto on the
9 grounds that they conflict with the tenets and practices of a
10 recognized church or religious organization, of which the
11 parent is an adherent or member, and for children who should
12 not be subjected to immunization for clinical reasons.

13 (i) The Department, in cooperation with the Department of
14 Public Health, shall work to increase immunization awareness
15 and participation among parents of children enrolled in day
16 care centers and day care homes by publishing on the
17 Department's website information about the benefits of
18 immunization against vaccine preventable diseases, including
19 influenza and pertussis. The information for vaccine
20 preventable diseases shall include the incidence and severity
21 of the diseases, the availability of vaccines, and the
22 importance of immunizing children and persons who frequently
23 have close contact with children. The website content shall be
24 reviewed annually in collaboration with the Department of
25 Public Health to reflect the most current recommendations of
26 the Advisory Committee on Immunization Practices (ACIP). The

1 Department shall work with day care centers and day care homes
2 licensed under this Act to ensure that the information is
3 annually distributed to parents in August or September.

5 professional judgment by the advanced practice nurse
6 commensurate with his or her education and experience. The
7 agreement need not describe the exact steps that an
8 advanced practice nurse must take with respect to each
9 specific condition, disease, or symptom, but must specify
10 which procedures require a podiatrist's presence as the
11 procedures are being performed.

12 (2) Practice guidelines and orders are developed and
13 approved jointly by the advanced practice nurse and

6 perform acts, unless the podiatrist has reason to believe the
7 advanced practice nurse lacked the competency to perform the
8 act or acts or commits willful or wanton misconduct.

1 of Human Services, the Director of Healthcare and Family
2 Services (formerly Director of Public Aid), or the Director of
3 Public Health that continuation of practice of a person
4 licensed under this Act constitutes an immediate danger to the
5 public, the Secretary may immediately suspend the license of
6 such person without a hearing. In instances in which the
7 Secretary immediately suspends a license under this Section, a
8 hearing upon such person's license must be convened by the
9 Board within 15 days after such suspension and completed
10 without appreciable delay, such hearing held to determine

8 licensed under this Act was negligent in providing care, the
9 Department shall have an additional period of 2 years from the
10 date of notification to the Department under Section 26 of this
11 Act of such settlement or final judgment in which to

21 licensure under this Act, to submit to a mental or physical
22 examination, or both, as required by and at the expense of the
23 Department. The Department or Board may order the examining
24 physician to present testimony concerning the mental or
25 physical examination of the licensee or applicant. No
26 information shall be excluded by reason of any common law or

1 statutory privilege relating to communications between the
2 licensee or applicant and the examining physician. The
3 examining physicians shall be specifically designated by the
4 Board or Department. The individual to be examined may have, at
5 his or her own expense, another physician of his or her choice
6 present during all aspects of this examination. Failure of an
7 individual to submit to a mental or physical examination, when
8 directed, shall be grounds for suspension of his or her license
9 until the individual submits to the examination if the
10 Department finds, after notice and hearing, that the refusal to
11 submit to the examination was without reasonable cause.

12 If the Department or Board finds an individual unable to
13 practice because of the reasons set forth in this Section, the
14 Department or Board may require that individual to submit to
15 care, counseling, or treatment by physicians approved or
16 designated by the Department or Board, as a condition, term, or
17 restriction for continued, reinstated, or renewed licensure to
18 practice; or, in lieu of care, counseling, or treatment, the
19 Department may file, or the Board may recommend to the
20 Department to file, a complaint to immediately suspend, revoke,
21 or otherwise discipline the license of the individual. An
22 individual whose license was granted, continued, reinstated,
23 renewed, disciplined or supervised subject to such terms,
24 conditions, or restrictions, and who fails to comply with such
25 terms, conditions, or restrictions, shall be referred to the
26 Secretary for a determination as to whether the individual

1 shall have his or her license suspended immediately, pending a
2 hearing by the Department.

3 In instances in which the Secretary immediately suspends a
4 person's license under this Section, a hearing on that person's
5 license must be convened by the Department within 30 days after
6 the suspension and completed without appreciable delay. The
7 Department and Board shall have the authority to review the
8 subject individual's record of treatment and counseling
9 regarding the impairment to the extent permitted by applicable
10 federal statutes and regulations safeguarding the
11 confidentiality of medical records.

12 An individual licensed under this Act and affected under
13 this Section shall be afforded an opportunity to demonstrate to
14 the Department or Board that he or she can resume practice in
15 compliance with acceptable and prevailing standards under the
16 provisions of his or her license.

9 a flat fee, or any other arrangement that directly or
10 indirectly divides professional fees, for the administrative
11 preparation of the licensee's claims or the collection of the
12 licensee's charges for professional services, provided that:

14 subsection (c) of this Section at all times controls the
15 amount of fees charged and collected; and

16 (2) all charges collected are paid directly to the
17 licensee or the licensee's practice or are deposited
18 directly into an account in the name of and under the sole
19 control of the licensee or the licensee's practice or

26 for bona fide advances made to the licensee or licensee's

1 practice provided the licensee retains control and
2 responsibility for the collection of the accounts receivable

12 preferred provider list, (iii) allowing the licensee to
13 participate in any network of health care providers, (iv)
14 negotiating fees, charges or terms of service or payment on
15 behalf of the licensee, or (v) including the licensee in a
16 program whereby patients or beneficiaries are provided an
17 incentive to use the services of the licensee.

18 (g) Nothing contained in this Section prohibits the payment
19 of rent or other remunerations paid to an individual,
20 partnership, or corporation by a licensee for the lease,
21 rental, or use of space, owned or controlled by the individual,
22 partnership, corporation, or association.

23 (h) Nothing contained in this Section prohibits the

26 administrative services, franchise agreements, marketing

1 required by franchise agreements, or equipment owned or

23 agrees to purchase a property of the seller within a
24 specified period of time at a specific price in the
25 event the property is not sold in accordance with the
26 terms of a brokerage agreement to be entered into

1 between the sponsoring broker and the seller.

2 (B) A licensee offering a guaranteed sales plan
3 shall provide the details and conditions of the plan in
4 writing to the party to whom the plan is offered.

5 (C) A licensee offering a guaranteed sales plan

8 the commitment to purchase undertaken by the broker in
9 the plan.

10 (D) Any licensee offering a guaranteed sales plan
11 shall undertake to market the property of the seller
12 subject to the plan in the same manner in which the
13 broker would market any other property, unless the
14 agreement with the seller provides otherwise.

15 (E) The licensee cannot purchase seller's property
16 until the brokerage agreement has ended according to
17 its terms or is otherwise terminated.

18 (F) Any licensee who fails to perform on a
19 guaranteed sales plan in strict accordance with its
20 terms shall be subject to all the penalties provided in
21 this Act for violations thereof and, in addition, shall
22 be subject to a civil fine payable to the party injured
23 by the default in an amount of up to \$25,000.

24 (30) Influencing or attempting to influence, by any
25 words or acts, a prospective seller, purchaser, occupant,
26 landlord, or tenant of real estate, in connection with

1 viewing, buying, or leasing real estate, so as to promote
2 or tend to promote the continuance or maintenance of
3 racially and religiously segregated housing or so as to
4 retard, obstruct, or discourage racially integrated
5 housing on or in any street, block, neighborhood, or
6 community.

7 (31) Engaging in any act that constitutes a violation
8 of any provision of Article 3 of the Illinois Human Rights
9 Act, whether or not a complaint has been filed with or
10 adjudicated by the Human Rights Commission.

11 (32) Inducing any party to a contract of sale or lease
12 or brokerage agreement to break the contract of sale or

15 lease or brokerage agreement with a third party.

16 (33) Negotiating a sale, exchange, or lease of real
17 estate directly with any person if the licensee knows that

21 (34) When a licensee is also an attorney, acting as the
22 attorney for either the buyer or the seller in the same
23 transaction in which the licensee is acting or has acted as
24 a broker or salesperson.

25 (35) Advertising or offering merchandise or services
26 as free if any conditions or obligations necessary for

1 receiving the merchandise or services are not disclosed in
2 the same advertisement or offer. These conditions or
3 obligations include without limitation the requirement
4 that the recipient attend a promotional activity or visit a
5 real estate site. As used in this subdivision (35), "free"
6 includes terms such as "award", "prize", "no charge", "free
7 of charge", "without charge", and similar words or phrases
8 that reasonably lead a person to believe that he or she may
9 receive or has been selected to receive something of value,
10 without any conditions or obligations on the part of the
11 recipient.

12 (36) Disregarding or violating any provision of the
13 Land Sales Registration Act of 1989, the Illinois Real

20 (39) Requiring a party to a transaction who is not a
21 client of the licensee to allow the licensee to retain a
22 portion of the escrow moneys for payment of the licensee's
23 commission or expenses as a condition for release of the
24 escrow moneys to that party.

25 (40) Disregarding or violating any provision of this
26 Act or the published rules promulgated by the Department to

1 enforce this Act or aiding or abetting any individual,
2 partnership, registered limited liability partnership,
3 limited liability company, or corporation in disregarding
4 any provision of this Act or the published rules
5 promulgated by the Department to enforce this Act.

6 (41) Failing to provide the minimum services required
7 by Section 15-75 of this Act when acting under an exclusive
8 brokerage agreement.

9 (42) Habitual or excessive use or addiction to alcohol,
10 narcotics, stimulants, or any other chemical agent or drug
11 that results in a managing broker, broker, salesperson, or
12 leasing agent's inability to practice with reasonable
13 skill or safety.

14 (b) The Department may refuse to issue or renew or may
15 suspend the license of any person who fails to file a return,
16 pay the tax, penalty or interest shown in a filed return, or
17 pay any final assessment of tax, penalty, or interest, as
18 required by any tax Act administered by the Department of
19 Revenue, until such time as the requirements of that tax Act
20 are satisfied in accordance with subsection (g) of Section
21 2105-15 of the Civil Administrative Code of Illinois.

22 (c) The Department shall deny a license or renewal
23 authorized by this Act to a person who has defaulted on an
24 educational loan or scholarship provided or guaranteed by the
25 Illinois Student Assistance Commission or any governmental
26 agency of this State in accordance with item (5) of subsection

1 (g) of Section 2105-15 of the Civil Administrative Code of
2 Illinois.

3 (d) In cases where the Department of Healthcare and Family
4 Services (formerly Department of Public Aid) has previously
5 determined that a licensee or a potential licensee is more than
6 30 days delinquent in the payment of child support and has
7 subsequently certified the delinquency to the Department may
8 refuse to issue or renew or may revoke or suspend that person's
9 license or may take other disciplinary action against that
10 person based solely upon the certification of delinquency made
11 by the Department of Healthcare and Family Services in
12 accordance with item (5) of subsection (g) of Section 2105-15
13 of the Civil Administrative Code of Illinois.

14 (e) In enforcing this Section, the Department or Board upon
15 a showing of a possible violation may compel an individual
16 licensed to practice under this Act, or who has applied for
17 licensure under this Act, to submit to a mental or physical
18 examination, or both, as required by and at the expense of the
19 Department. The Department or Board may order the examining
20 physician to present testimony concerning the mental or
21 physical examination of the licensee or applicant. No
22 information shall be excluded by reason of any common law or
23 statutory privilege relating to communications between the
24 licensee or applicant and the examining physician. The
25 examining physicians shall be specifically designated by the
26 Board or Department. The individual to be examined may have, at

1 his or her own expense, another physician of his or her choice
2 present during all aspects of this examination. Failure of an
3 individual to submit to a mental or physical examination, when
4 directed, shall be grounds for suspension of his or her license
5 until the individual submits to the examination if the
6 Department finds, after notice and hearing, that the refusal to
7 submit to the examination was without reasonable cause.

8 If the Department or Board finds an individual unable to
9 practice because of the reasons set forth in this Section, the
10 Department or Board may require that individual to submit to
11 care, counseling, or treatment by physicians approved or
12 designated by the Department or Board, as a condition, term, or
13 restriction for continued, reinstated, or renewed licensure to
14 practice; or, in lieu of care, counseling, or treatment, the
15 Department may file, or the Board may recommend to the
16 Department to file, a complaint to immediately suspend, revoke,
17 or otherwise discipline the license of the individual. An
18 individual whose license was granted, continued, reinstated,
19 renewed, disciplined or supervised subject to such terms,
20 conditions, or restrictions, and who fails to comply with such
21 terms, conditions, or restrictions, shall be referred to the
22 Secretary for a determination as to whether the individual
23 shall have his or her license suspended immediately, pending a
24 hearing by the Department.

25 In instances in which the Secretary immediately suspends a
26 person's license under this Section, a hearing on that person's

1 license must be convened by the Department within 30 days after
2 the suspension and completed without appreciable delay. The
3 Department and Board shall have the authority to review the
4 subject individual's record of treatment and counseling
5 regarding the impairment to the extent permitted by applicable
6 federal statutes and regulations safeguarding the
7 confidentiality of medical records.

8 An individual licensed under this Act and affected under
9 this Section shall be afforded an opportunity to demonstrate to
10 the Department or Board that he or she can resume practice in
11 compliance with acceptable and prevailing standards under the
12 provisions of his or her license.

15 Section 460. The Nurse Agency Licensing Act is amended by
16 changing Section 3 as follows:

18 Sec. 3. Definitions. As used in this Act:

19 (a) "Certified nurse aide" means an individual certified as
20 defined in Section 3-206 of the Nursing Home Care Act, Section
21 3-206 of the Specialized Mental Health Rehabilitation Act, or
22 Section 3-206 of the ID/DD Community Care Act, as now or
23 hereafter amended.

24 (b) "Department" means the Department of Labor.

1 (c) "Director" means the Director of Labor.

2 (d) "Health care facility" is defined as in Section 3 of
3 the Illinois Health Facilities Planning Act, as now or
4 hereafter amended.

5 (e) "Licensee" means any nursing agency which is properly
6 licensed under this Act.

7 (f) "Nurse" means a registered nurse or a licensed
8 practical nurse as defined in the Nurse Practice Act.

9 (g) "Nurse agency" means any individual, firm,
10 corporation, partnership or other legal entity that employs,
11 assigns or refers nurses or certified nurse aides to a health
12 care facility for a fee. The term "nurse agency" includes
13 nurses registries. The term "nurse agency" does not include
14 services provided by home health agencies licensed and operated
15 under the Home Health, Home Services, and Home Nursing Agency
16 Licensing Act or a licensed or certified individual who
17 provides his or her own services as a regular employee of a
18 health care facility, nor does it apply to a health care
19 facility's organizing nonsalaried employees to provide
20 services only in that facility.

22 eff. 1-1-12; revised 10-4-11.)

23 Section 465. The Private Employment Agency Act is amended
24 by changing Sections 4 and 5 as follows:

1 (225 ILCS 515/4) (from Ch. 111, par. 904)

2 Sec. 4. It shall be unlawful for any person to act as an
3 employment counsellor, or to advertise, or assume to act as an
4 employment counsellor, without first obtaining a license as
5 such employment counsellor, from the Department of Labor. It
6 shall be unlawful for any person to engage in, operate or carry
7 on the business of an employment agency unless each employee of
8 such agency, who furnishes information to any person as to
9 where employees or employment may be obtained or found, is a
10 licensed employment counsellor. Where the license to conduct an
11 employment agency is issued to a corporation and any officer of
12 the corporation performs any function defined as those to be
13 performed by an employment counsellor, he shall be considered
14 an employee of the corporation and shall be required to secure
15 a license as an employment counsellor.

16 Every person who desires to obtain a license, as employment
17 counsellor, shall apply therefor to the Department of Labor, in
18 writing, upon application blanks prepared and furnished by the
19 Department of Labor. Each applicant shall set out in said
20 application blanks such information as the Department may
21 require, and said applications shall be accompanied by a permit
22 fee of \$50 and the affidavits of two persons of business or
23 professional integrity. Such affiants shall state that they
24 have known the applicant for a period of two years and that the
25 applicant is a person of good moral character.

26 The Department shall issue to such person a temporary

1 permit to act as an employment counsellor which permit shall be
2 valid for 90 days pending examination of such person when:

3 (a) the applicant is employed by an employment agency, and
4 the application states the name and address of such employment
5 agency; and

6 (b) the applicant declares under oath his intention that he
7 will complete the examination for the employment agency
8 counsellor's license on a date scheduled for such examination
9 by the Department of Labor within 60 days of the date of
10 application.

11 Commencing January 1, 1974 the Department shall not issue a
12 license to act as an employment counsellor ~~counselor~~ to any
13 person not previously licensed as such employment counsellor
14 ~~counselor~~ on such date unless he has taken and successfully
15 completed a written examination based upon this Act. The
16 Department of Labor shall conduct such examination at such
17 times and places as it shall determine, but not less than once
18 each month. The examination shall test the applicant's
19 knowledge of the employment agency law, pertinent labor laws
20 and laws against discrimination in employment. Upon successful
21 completion of the written examination and providing the
22 requirements of this Section are met, the Department shall
23 issue a license to act as an employment counsellor and no
24 additional licensing fee shall be required.

25 In the event of failure to appear for the examination as
26 scheduled or if the applicant appears and fails to pass, such

1 person shall pay a fee of \$10 for rescheduling at a later date.
2 No person may be rescheduled for examination more than twice in
3 any calendar year except in the event that he has failed to
4 appear for examination and such failure to appear was not
5 willful but was the result of illness of the applicant or a
6 member of his immediate family or of some other emergency.

7 The Department of Labor may require such other proof as to
8 the honesty, truthfulness and integrity of the applicant, as
9 may be deemed necessary and desirable. If the applicant is
10 shown to be honest, truthful and of known integrity, and has
11 successfully completed the written examination required under
12 this Section, the Department of Labor shall issue a license,
13 which license shall set out the true name and address of the
14 applicant, the name of the Employment agency by whom he is
15 employed, and such additional information as the Department may
16 prescribe. The license issued shall authorize the person named
17 therein to act as an employment counsellor. Such license may be
18 renewed at the end of each year by the payment of a renewal fee
19 of \$25.

20 The applicant must furnish satisfactory proof to the
21 Department that he has never been a party to any fraud, has no
22 jail record, belongs to no subversive societies and is of good
23 moral character and business integrity.

24 In determining honesty, truthfulness, integrity, moral
25 character and business integrity under this Section, the
26 Department may take into consideration any felony conviction of

1 the applicant, but such a conviction shall not operate as a bar
2 to licensing.

3 The license of the employment counsellor shall be mailed to
4 the employment agency by which he is employed, and shall be
5 kept in the office of such agency and produced for inspection
6 by any agent of the Department of Labor, at any time during
7 business hours.

8 The Department of Labor, upon its own motion, or upon the
9 filing of a verified complaint with the department, by any
10 person, accompanied by such evidence, documentary or
11 otherwise, as makes out a prima facie case that the licensee is
12 unworthy to hold a license, shall notify the employment
13 counsellor in writing that the question of his honesty,
14 truthfulness, integrity, moral character, business integrity
15 or felony conviction is to be reopened and determined, de novo.
16 This notice shall be served by delivering a copy to the
17 licensed person, or by mailing a copy to him, by registered
18 mail, at his last known business address. Thereupon, the
19 Department of Labor shall require further proof of the
20 licensee's honesty, truthfulness, integrity, moral character
21 and business integrity, and if the proof is not satisfactory to
22 the Department of Labor, it shall revoke his license.

23 If any employment counsellor is discharged or terminates
24 his employment with the agency by which he is employed, such
25 agency shall immediately deliver, or forward by mail, the
26 employment counsellor's license, to the Department of Labor,

1 together with the reasons for his discharge, if he was
2 discharged. Failure to state that the employment counsellor was
3 discharged will be conclusively presumed to indicate that he
4 terminated his services voluntarily. Thereafter, it shall be
5 unlawful for the employment counsellor to exercise any rights
6 or privileges under such license, unless the Department of
7 Labor transfers his license to another employment agency.

8 Each employment counsellor shall notify the Department of
9 Labor of any change in his residence address. Failure to give
10 such notice shall automatically work a revocation of his
11 license.

12 The Department may refuse to issue or may suspend the
13 license of any person who fails to file a return, or to pay the
14 tax, penalty or interest shown in a filed return, or to pay any
15 final assessment of tax, penalty or interest, as required by
16 any tax Act administered by the Illinois Department of Revenue,
17 until such time as the requirements of any such tax Act are
18 satisfied.

19 Any person who violates any provisions of this section or
20 who testifies falsely as to any matter required by the
21 provisions of this section or of this Act, is guilty of a Class
22 B misdemeanor.

23 (Source: P.A. 85-1408; revised 11-18-11.)

24 (225 ILCS 515/5) (from Ch. 111, par. 905)

25 Sec. 5. No such licensee shall charge a registration fee

1 without having first obtained a permit to charge such
2 registration fee from the Department of Labor. Any such
3 licensee desiring to charge a registration fee shall make
4 application in writing to the Department of Labor, and shall
5 set out in the application the type of applicants from whom
6 they intend to accept a registration fee, the amount of the fee
7 to be charged, and shall furnish any other information on the
8 subject that the Department of Labor may deem necessary to
9 enable it to determine whether the agency's business methods
10 and past record entitle the agency to a permit.

11 It is the duty of the Department of Labor to make an
12 investigation, upon receipt of the application, as to the
13 truthfulness of the application and the necessity of the charge
14 of a registration fee; and if it is shown that the agency's
15 method of doing business is of such a nature that a permit to
16 charge a registration fee is necessary, and that the agency's
17 record has been reasonable and fair, then the Department of
18 Labor shall grant a permit to such agency. Such permit shall
19 remain in force until revoked for cause. No permit shall be
20 granted until after 10 days from the date of filing of the
21 application.

22 When a permit is granted, such licensed person may charge a
23 registration fee not to exceed \$4. In all such cases a complete
24 record of all such registration fees and references of
25 applicants shall be kept on file, which record shall, during
26 all business hours, be open for the inspection of the

1 Department of Labor. It is the duty of such licensee to
2 communicate in writing with at least 2 of the persons mentioned
3 as reference by every applicant from whom a registration fee is
4 accepted. Failure on the part of a licensee to make such
5 investigation shall be deemed cause to revoke the permit to
6 charge a registration fee. For such registration fee a receipt
7 shall be given to the applicant for employees or employment,
8 and shall state therein the name of such applicant, date and
9 amount of payment, the character of position or employee
10 applied for, and the name and address of such agency. If no
11 position has been furnished by the licensed agency to the
12 applicant, then the registration fee shall be returned to the
13 applicant on demand after 30 days and within 6 months from the
14 date of receipt thereof, less the amount that has been actually
15 expended by the licensee in checking the references of the
16 applicant, and an itemized account of such expenditures shall
17 be presented to the applicant on request at the time of
18 returning the unused portion of such registration fee.

19 Any such permit granted by the Department of Labor may be
20 revoked by it upon due notice to the holder of said permit and
21 due cause shown and hearing thereon.

22 No such licensee shall, as a condition to registering or
23 obtaining employment for such applicant, require such
24 applicant to subscribe to any publication or to any postal card
25 service, or advertisement, or exact any other fees,
26 compensation or reward, (except that in the case of applicants

1 for positions paying salaries of \$5,000 or more per annum,
2 where the agency has secured from the Department of Labor a
3 permit to furnish a letter service in accordance with
4 regulations of the department governing the furnishing of such
5 service, a special fee not to exceed \$250, to be credited on
6 the fee charged for any placement resulting from such letter
7 service, may be charged for furnishing such letter service)
8 other than the aforesaid registration fee and a further fee,
9 called a placement fee, the amount of which shall be agreed
10 upon between such applicant and such licensee to be payable at
11 such time as may be agreed upon in writing. The employment
12 agency shall furnish to each applicant a copy of any contract
13 or any form he signs with the agency regarding the method of
14 payment of the placement or employment service fee. Such
15 contract or form shall contain the name and address of such
16 agency, and such other information as the Department of Labor
17 may deem proper. The contract or form or copy thereof furnished
18 the applicant must state immediately above, below or close to
19 the place provided for the signature of the applicant that he
20 has received a copy of the contract or form and his signature
21 shall acknowledge receipt thereof. The placement or employment
22 service fee shall not be received by such licensee before the
23 applicant has accepted a position tendered by the employer. A
24 copy of each contract or other form to which the applicant
25 becomes a party with the licensee shall be given to the
26 applicant by the licensee at the time of executing such

1 contract or document and on any such form on which the word
2 acceptance appears, and such contract or other form shall have
3 the definition of acceptance as defined by this Act printed in
4 not less than 10 point type immediately following the word
5 acceptance. In the event the position so tendered is not
6 accepted by or given to such applicant, the licensee shall
7 refund all fees paid other than the registration fee and
8 special fee aforesaid, within 3 days of demand therefor. The
9 fee charged for placing an applicant in domestic service shall
10 be a single fee for each placement and shall be based upon the
11 applicant's compensation or salary for a period not to exceed
12 one year.

13 No such licensee shall send out any applicant for
14 employment unless the licensee has a bona fide job order for
15 such employment and the job order is valid in accordance with
16 the renewal requirements of Section 3 of this Act. If no
17 position of the kind applied for was open at the place where
18 the applicant was directed, then the licensee shall refund to
19 such applicant on demand any sum paid or expended by the
20 applicant for transportation in going to and returning from the
21 place, and all fees paid by the applicant. However, in the
22 event a substitute position is taken, the fee to be charged
23 shall be computed on the salary agreed upon for such position.

24 In addition to the receipt herein provided to be given for
25 a registration fee, it shall be the duty of such licensee to
26 give to every applicant for employment or employees from whom

1 other fee, or fees shall be received, an additional receipt in
2 which shall be stated the name of the applicant, the amount
3 paid and the date of payment. All such receipts shall be in
4 duplicate, numbered consecutively, shall contain the name and
5 address of such agency, and such other information as the
6 Department of Labor may deem proper. The duplicate receipt
7 shall be kept on file in the agency for at least one year.

8 Every such licensee shall give to every applicant, who is
9 sent out for a job or for an interview with a prospective
10 employer, a card or printed paper or letter of introduction
11 which shall be called a "referral slip" containing the name of
12 the applicant, the name and address of the employer to whom the
13 applicant is sent for employment, the name and address of the
14 agency, the name of the person referring the applicant, and the
15 probable duration of the work, whether temporary or permanent.
16 The referral slip shall contain a blank space in which the
17 employment counsellor ~~counselor~~ shall insert and specify in a
18 prominent and legible manner whether the employment service fee
19 is to be paid by the applicant or by the employer, or in the
20 case of a split-fee, the percentage of the fee to be paid by
21 the applicant and the percentage of the fee to be paid by the
22 employer, or shall state whether the fee is to be negotiable
23 between the employer and the employee. A duplicate of all such
24 referral slips shall be kept on file in the agency for a period
25 of one year. In the event that the applicant is referred to a
26 job or to a prospective employer by telephone or telegraph, the

1 referral slip shall be mailed to the applicant and to the
2 prospective employer before the close of the business day on
3 which the telephoned or telegraphed referral was given. No
4 person shall be sent out for a job or to interview a
5 prospective employer unless he has been personally interviewed
6 by the agency or has corresponded with the agency with the
7 purpose of securing employment.

8 If the employer pays the fee, and the employee fails to
9 remain in the position for a period of 30 days, such licensee
10 shall refund to the employer all fees, less an amount equal to
11 25% of the total salary or wages paid such employee during the
12 period of such employment, within 3 days after the licensed
13 person has been notified of the employee's failure to remain in
14 the employment, provided such 25% does not exceed the amount
15 charged for a permanent position of like nature.

16 If the employee pays the fee and is discharged at any time
17 within 30 days for any reason other than intoxication,
18 dishonesty, unexcused tardiness, unexcused absenteeism or
19 insubordination, or otherwise fails to remain in the position
20 for a period of 30 days, thru no fault of his own, such
21 licensee shall refund to the employee all fees less an amount
22 equal to 25% of the total salary or wages paid such employee
23 during the period of such employment within 3 days of the time
24 such licensee has been notified of the employee's failure to
25 remain in the employment, provided the 25% does not exceed the
26 charge for a permanent position of like nature. All refunds

1 shall be in cash or negotiable check.

2 If the employee has promised his prospective employer to
3 report to work at a definite time and place and then fails to
4 report to work, such circumstances shall be considered prima
5 facie evidence that the employee has accepted the employment
6 offered.

7 Where a dispute concerning a fee exists, the department may
8 conduct a hearing to determine all facts concerning the dispute
9 and shall after such hearing make such recommendations
10 concerning such dispute as shall be reasonable.

11 Every such licensee shall post in a conspicuous place in
12 the main room of the agency sections of this Act as required by
13 the Department of Labor, to be supplied by the Department of
14 Labor, and shall also post his license in the main room of the
15 agency.

16 Every such licensee shall furnish the Department of Labor,
17 under rules to be prescribed by such Department, annual
18 statements showing the number and character of placements made.

20 Section 470. The Illinois Livestock Dealer Licensing Act is
21 amended by changing Section 19.1 as follows:

22 (225 ILCS 645/19.1) (from Ch. 111, par. 420.1)

12 5B-4, 5B-5, 5E-5, 8A-11, and 12-4.42 as follows:

13 (305 ILCS 5/4-1) (from Ch. 23, par. 4-1)

14 Sec. 4-1. Eligibility requirements. Financial aid in
15 meeting basic maintenance requirements for a livelihood
16 compatible with health and well-being shall be given under this
17 Article to or in behalf of families with dependent children who
18 meet the eligibility conditions of Sections 4-1.1 through
19 4-1.12 ~~4-1.11~~. It shall be the policy of the Illinois
20 Department to provide aid under this Article to all qualified
21 persons who seek assistance and to conduct outreach efforts to
22 educate the public about the program. The Department shall
23 provide timely, accurate, and fair service to all applicants
24 for assistance. Persons who meet the eligibility criteria

1 authorized under this Article shall be treated equally,
2 provided that nothing in this Article shall be construed to
3 create an entitlement to a particular grant or service level or
4 to aid in amounts not authorized under this Code, nor construed
5 to limit the authority of the General Assembly to change the
6 eligibility requirements or provisions respecting assistance
7 amounts. The General Assembly recognizes that the need for aid
8 will fluctuate with the economic situation in Illinois and that
9 at times the number of people receiving aid under this Article
10 will increase.

11 The Illinois Department shall advise every applicant for
12 and recipient of aid under this Article of (i) the requirement
13 that all recipients move toward self-sufficiency and (ii) the
14 value and benefits of employment. As a condition of eligibility
15 for that aid, every person who applies for aid under this
16 Article on or after the effective date of this amendatory Act
17 of 1995 shall prepare and submit, as part of the application or
18 subsequent redetermination, a personal plan for achieving
19 employment and self-sufficiency. The plan shall incorporate
20 the individualized assessment and employability plan set out in
21 subsections (d), (f), and (g) of Section 9A-8. The plan may be
22 amended as the recipient's needs change. The assessment process
23 to develop the plan shall include questions that screen for
24 domestic violence issues and steps needed to address these
25 issues may be part of the plan. If the individual indicates
26 that he or she is a victim of domestic violence, he or she may

1 also be referred to an available domestic violence program.
2 Failure of the client to follow through on the personal plan
3 for employment and self-sufficiency may be a basis for sanction
4 under Section 4-21.

3 this increase except as authorized by law, to meet the
4 eligibility standards authorized by the federal government
5 in the Medicaid State Plan or the Title XXI Plan, or to
6 meet an order from the federal government or any court.

7 16. Subject to appropriation, uninsured persons who
8 are not otherwise eligible under this Section who have been
9 certified and referred by the Department of Public Health
10 as having been screened and found to need diagnostic
11 evaluation or treatment, or both diagnostic evaluation and
12 treatment, for prostate or testicular cancer. For the
13 purposes of this paragraph 16, uninsured persons are those
14 who do not have creditable coverage, as defined under the
15 Health Insurance Portability and Accountability Act, or
16 have otherwise exhausted any insurance benefits they may
17 have had, for prostate or testicular cancer diagnostic
18 evaluation or treatment, or both diagnostic evaluation and
19 treatment. To be eligible, a person must furnish a Social
20 Security number. A person's assets are exempt from
21 consideration in determining eligibility under this
22 paragraph 16. Such persons shall be eligible for medical
23 assistance under this paragraph 16 for so long as they need
24 treatment for the cancer. A person shall be considered to
25 need treatment if, in the opinion of the person's treating
26 physician, the person requires therapy directed toward

1 cure or palliation of prostate or testicular cancer,
2 including recurrent metastatic cancer that is a known or
3 presumed complication of prostate or testicular cancer and
4 complications resulting from the treatment modalities
5 themselves. Persons who require only routine monitoring
6 services are not considered to need treatment. "Medical
7 assistance" under this paragraph 16 shall be identical to
8 the benefits provided under the State's approved plan under
9 Title XIX of the Social Security Act. Notwithstanding any
10 other provision of law, the Department (i) does not have a
11 claim against the estate of a deceased recipient of
12 services under this paragraph 16 and (ii) does not have a
13 lien against any homestead property or other legal or
14 equitable real property interest owned by a recipient of
15 services under this paragraph 16.

16 In implementing the provisions of Public Act 96-20, the
17 Department is authorized to adopt only those rules necessary,
18 including emergency rules. Nothing in Public Act 96-20 permits
19 the Department to adopt rules or issue a decision that expands
20 eligibility for the FamilyCare Program to a person whose income
21 exceeds 185% of the Federal Poverty Level as determined from
22 time to time by the U.S. Department of Health and Human
23 Services, unless the Department is provided with express
24 statutory authority.

25 The Illinois Department and the Governor shall provide a
26 plan for coverage of the persons eligible under paragraph 7 as

1 soon as possible after July 1, 1984.

2 The eligibility of any such person for medical assistance
3 under this Article is not affected by the payment of any grant
4 under the Senior Citizens and Disabled Persons Property Tax
5 Relief and Pharmaceutical Assistance Act or any distributions
6 or items of income described under subparagraph (X) of
7 paragraph (2) of subsection (a) of Section 203 of the Illinois
8 Income Tax Act. The Department shall by rule establish the
9 amounts of assets to be disregarded in determining eligibility
10 for medical assistance, which shall at a minimum equal the
11 amounts to be disregarded under the Federal Supplemental
12 Security Income Program. The amount of assets of a single
13 person to be disregarded shall not be less than \$2,000, and the
14 amount of assets of a married couple to be disregarded shall
15 not be less than \$3,000.

16 To the extent permitted under federal law, any person found
17 guilty of a second violation of Article VIIIA shall be
18 ineligible for medical assistance under this Article, as
19 provided in Section 8A-8.

20 The eligibility of any person for medical assistance under
21 this Article shall not be affected by the receipt by the person
22 of donations or benefits from fundraisers held for the person
23 in cases of serious illness, as long as neither the person nor
24 members of the person's family have actual control over the
25 donations or benefits or the disbursement of the donations or
26 benefits.

7 Sec. 5-5.4. Standards of Payment - Department of Healthcare
8 and Family Services. The Department of Healthcare and Family
9 Services shall develop standards of payment of nursing facility
10 and ICF/DD services in facilities providing such services under
11 this Article which:

12 (1) Provide for the determination of a facility's payment
13 for nursing facility or ICF/DD services on a prospective basis.
14 The amount of the payment rate for all nursing facilities
15 certified by the Department of Public Health under the ID/DD
16 Community Care Act or the Nursing Home Care Act as Intermediate

18 Care for Under Age 22 facilities, Skilled Nursing facilities,
19 or Intermediate Care facilities under the medical assistance
20 program shall be prospectively established annually on the
21 basis of historical, financial, and statistical data
22 reflecting actual costs from prior years, which shall be
23 applied to the current rate year and updated for inflation,
24 except that the capital cost element for newly constructed
25 facilities shall be based upon projected budgets. The annually

1 established payment rate shall take effect on July 1 in 1984
2 and subsequent years. No rate increase and no update for
3 inflation shall be provided on or after July 1, 1994 and before
4 July 1, 2012, unless specifically provided for in this Section.
5 The changes made by Public Act 93-841 extending the duration of
6 the prohibition against a rate increase or update for inflation
7 are effective retroactive to July 1, 2004.

8 For facilities licensed by the Department of Public Health
9 under the Nursing Home Care Act as Intermediate Care for the
10 Developmentally Disabled facilities or Long Term Care for Under
11 Age 22 facilities, the rates taking effect on July 1, 1998
12 shall include an increase of 3%. For facilities licensed by the
13 Department of Public Health under the Nursing Home Care Act as
14 Skilled Nursing facilities or Intermediate Care facilities,
15 the rates taking effect on July 1, 1998 shall include an
16 increase of 3% plus \$1.10 per resident-day, as defined by the
17 Department. For facilities licensed by the Department of Public
18 Health under the Nursing Home Care Act as Intermediate Care
19 Facilities for the Developmentally Disabled or Long Term Care
20 for Under Age 22 facilities, the rates taking effect on January
21 1, 2006 shall include an increase of 3%. For facilities
22 licensed by the Department of Public Health under the Nursing
23 Home Care Act as Intermediate Care Facilities for the
24 Developmentally Disabled or Long Term Care for Under Age 22
25 facilities, the rates taking effect on January 1, 2009 shall
26 include an increase sufficient to provide a \$0.50 per hour wage

1 increase for non-executive staff.

2 For facilities licensed by the Department of Public Health
3 under the Nursing Home Care Act as Intermediate Care for the
4 Developmentally Disabled facilities or Long Term Care for Under
5 Age 22 facilities, the rates taking effect on July 1, 1999
6 shall include an increase of 1.6% plus \$3.00 per resident-day,
7 as defined by the Department. For facilities licensed by the
8 Department of Public Health under the Nursing Home Care Act as
9 Skilled Nursing facilities or Intermediate Care facilities,
10 the rates taking effect on July 1, 1999 shall include an
11 increase of 1.6% and, for services provided on or after October
12 1, 1999, shall be increased by \$4.00 per resident-day, as
13 defined by the Department.

14 For facilities licensed by the Department of Public Health
15 under the Nursing Home Care Act as Intermediate Care for the
16 Developmentally Disabled facilities or Long Term Care for Under
17 Age 22 facilities, the rates taking effect on July 1, 2000
18 shall include an increase of 2.5% per resident-day, as defined
19 by the Department. For facilities licensed by the Department of
20 Public Health under the Nursing Home Care Act as Skilled
21 Nursing facilities or Intermediate Care facilities, the rates

23 per resident-day, as defined by the Department.

24 For facilities licensed by the Department of Public Health
25 under the Nursing Home Care Act as skilled nursing facilities
26 or intermediate care facilities, a new payment methodology must

1 be implemented for the nursing component of the rate effective
2 July 1, 2003. The Department of Public Aid (now Healthcare and
3 Family Services) shall develop the new payment methodology
4 using the Minimum Data Set (MDS) as the instrument to collect
5 information concerning nursing home resident condition
6 necessary to compute the rate. The Department shall develop the
7 new payment methodology to meet the unique needs of Illinois
8 nursing home residents while remaining subject to the
9 appropriations provided by the General Assembly. A transition
10 period from the payment methodology in effect on June 30, 2003
11 to the payment methodology in effect on July 1, 2003 shall be
12 provided for a period not exceeding 3 years and 184 days after
13 implementation of the new payment methodology as follows:

14 (A) For a facility that would receive a lower nursing
15 component rate per patient day under the new system than
16 the facility received effective on the date immediately
17 preceding the date that the Department implements the new
18 payment methodology, the nursing component rate per
19 patient day for the facility shall be held at the level in
20 effect on the date immediately preceding the date that the
21 Department implements the new payment methodology until a
22 higher nursing component rate of reimbursement is achieved
23 by that facility.

24 (B) For a facility that would receive a higher nursing
25 component rate per patient day under the payment
26 methodology in effect on July 1, 2003 than the facility

1 received effective on the date immediately preceding the
2 date that the Department implements the new payment
3 methodology, the nursing component rate per patient day for
4 the facility shall be adjusted.

5 (C) Notwithstanding paragraphs (A) and (B), the
6 nursing component rate per patient day for the facility
7 shall be adjusted subject to appropriations provided by the
8 General Assembly.

9 For facilities licensed by the Department of Public Health
10 under the Nursing Home Care Act as Intermediate Care for the
11 Developmentally Disabled facilities or Long Term Care for Under
12 Age 22 facilities, the rates taking effect on March 1, 2001
13 shall include a statewide increase of 7.85%, as defined by the
14 Department.

15 Notwithstanding any other provision of this Section, for
16 facilities licensed by the Department of Public Health under
17 the Nursing Home Care Act as skilled nursing facilities or
18 intermediate care facilities, except facilities participating
19 in the Department's demonstration program pursuant to the
20 provisions of Title 77, Part 300, Subpart T of the Illinois
21 Administrative Code, the numerator of the ratio used by the
22 Department of Healthcare and Family Services to compute the
23 rate payable under this Section using the Minimum Data Set
24 (MDS) methodology shall incorporate the following annual
25 amounts as the additional funds appropriated to the Department
26 specifically to pay for rates based on the MDS nursing

1 component methodology in excess of the funding in effect on
2 December 31, 2006:

3 (i) For rates taking effect January 1, 2007,
4 \$60,000,000.

5 (ii) For rates taking effect January 1, 2008,
6 \$110,000,000.

7 (iii) For rates taking effect January 1, 2009,
8 \$194,000,000.

9 (iv) For rates taking effect April 1, 2011, or the
10 first day of the month that begins at least 45 days after
11 the effective date of this amendatory Act of the 96th
12 General Assembly, \$416,500,000 or an amount as may be
13 necessary to complete the transition to the MDS methodology
14 for the nursing component of the rate. Increased payments
15 under this item (iv) are not due and payable, however,
16 until (i) the methodologies described in this paragraph are
17 approved by the federal government in an appropriate State
18 Plan amendment and (ii) the assessment imposed by Section
19 5B-2 of this Code is determined to be a permissible tax
20 under Title XIX of the Social Security Act.

21 Notwithstanding any other provision of this Section, for
22 facilities licensed by the Department of Public Health under
23 the Nursing Home Care Act as skilled nursing facilities or
24 intermediate care facilities, the support component of the
25 rates taking effect on January 1, 2008 shall be computed using
26 the most recent cost reports on file with the Department of

1 Healthcare and Family Services no later than April 1, 2005,
2 updated for inflation to January 1, 2006.

3 For facilities licensed by the Department of Public Health
4 under the Nursing Home Care Act as Intermediate Care for the
5 Developmentally Disabled facilities or Long Term Care for Under
6 Age 22 facilities, the rates taking effect on April 1, 2002
7 shall include a statewide increase of 2.0%, as defined by the
8 Department. This increase terminates on July 1, 2002; beginning
9 July 1, 2002 these rates are reduced to the level of the rates
10 in effect on March 31, 2002, as defined by the Department.

11 For facilities licensed by the Department of Public Health
12 under the Nursing Home Care Act as skilled nursing facilities
13 or intermediate care facilities, the rates taking effect on
14 July 1, 2001 shall be computed using the most recent cost
15 reports on file with the Department of Public Aid no later than
16 April 1, 2000, updated for inflation to January 1, 2001. For
17 rates effective July 1, 2001 only, rates shall be the greater
18 of the rate computed for July 1, 2001 or the rate effective on
19 June 30, 2001.

20 Notwithstanding any other provision of this Section, for
21 facilities licensed by the Department of Public Health under
22 the Nursing Home Care Act as skilled nursing facilities or
23 intermediate care facilities, the Illinois Department shall
24 determine by rule the rates taking effect on July 1, 2002,
25 which shall be 5.9% less than the rates in effect on June 30,
26 2002.

1 Notwithstanding any other provision of this Section, for
2 facilities licensed by the Department of Public Health under
3 the Nursing Home Care Act as skilled nursing facilities or
4 intermediate care facilities, if the payment methodologies
5 required under Section 5A-12 and the waiver granted under 42
6 CFR 433.68 are approved by the United States Centers for
7 Medicare and Medicaid Services, the rates taking effect on July
8 1, 2004 shall be 3.0% greater than the rates in effect on June
9 30, 2004. These rates shall take effect only upon approval and
10 implementation of the payment methodologies required under
11 Section 5A-12.

12 Notwithstanding any other provisions of this Section, for
13 facilities licensed by the Department of Public Health under
14 the Nursing Home Care Act as skilled nursing facilities or
15 intermediate care facilities, the rates taking effect on
16 January 1, 2005 shall be 3% more than the rates in effect on
17 December 31, 2004.

18 Notwithstanding any other provision of this Section, for
19 facilities licensed by the Department of Public Health under
20 the Nursing Home Care Act as skilled nursing facilities or
21 intermediate care facilities, effective January 1, 2009, the
22 per diem support component of the rates effective on January 1,
23 2008, computed using the most recent cost reports on file with
24 the Department of Healthcare and Family Services no later than
25 April 1, 2005, updated for inflation to January 1, 2006, shall
26 be increased to the amount that would have been derived using

1 standard Department of Healthcare and Family Services methods,
2 procedures, and inflators.

3 Notwithstanding any other provisions of this Section, for
4 facilities licensed by the Department of Public Health under
5 the Nursing Home Care Act as intermediate care facilities that
6 are federally defined as Institutions for Mental Disease, or
7 facilities licensed by the Department of Public Health under
8 the Specialized Mental Health Rehabilitation ~~Facilities~~ Act, a
9 socio-development component rate equal to 6.6% of the
10 facility's nursing component rate as of January 1, 2006 shall
11 be established and paid effective July 1, 2006. The
12 socio-development component of the rate shall be increased by a
13 factor of 2.53 on the first day of the month that begins at
14 least 45 days after January 11, 2008 (the effective date of
15 Public Act 95-707). As of August 1, 2008, the socio-development
16 component rate shall be equal to 6.6% of the facility's nursing
17 component rate as of January 1, 2006, multiplied by a factor of
18 3.53. For services provided on or after April 1, 2011, or the
19 first day of the month that begins at least 45 days after the
20 effective date of this amendatory Act of the 96th General
21 Assembly, whichever is later, the Illinois Department may by
22 rule adjust these socio-development component rates, and may
23 use different adjustment methodologies for those facilities
24 participating, and those not participating, in the Illinois
25 Department's demonstration program pursuant to the provisions
26 of Title 77, Part 300, Subpart T of the Illinois Administrative

1 Code, but in no case may such rates be diminished below those
2 in effect on August 1, 2008.

3 For facilities licensed by the Department of Public Health
4 under the Nursing Home Care Act as Intermediate Care for the
5 Developmentally Disabled facilities or as long-term care

9 For facilities licensed by the Department of Public Health
10 under the Nursing Home Care Act as Intermediate Care for the
11 Developmentally Disabled facilities or Long Term Care for Under
12 Age 22 facilities, the rates taking effect on the first day of
13 the month that begins at least 45 days after the effective date
14 of this amendatory Act of the 95th General Assembly shall
15 include a statewide increase of 2.5%, as defined by the
16 Department.

17 Notwithstanding any other provision of this Section, for
18 facilities licensed by the Department of Public Health under
19 the Nursing Home Care Act as skilled nursing facilities or
20 intermediate care facilities, effective January 1, 2005,
21 facility rates shall be increased by the difference between (i)
22 a facility's per diem property, liability, and malpractice
23 insurance costs as reported in the cost report filed with the
24 Department of Public Aid and used to establish rates effective
25 July 1, 2001 and (ii) those same costs as reported in the
26 facility's 2002 cost report. These costs shall be passed

1 through to the facility without caps or limitations, except for
2 adjustments required under normal auditing procedures.

3 Rates established effective each July 1 shall govern
4 payment for services rendered throughout that fiscal year,
5 except that rates established on July 1, 1996 shall be
6 increased by 6.8% for services provided on or after January 1,
7 1997. Such rates will be based upon the rates calculated for
8 the year beginning July 1, 1990, and for subsequent years
9 thereafter until June 30, 2001 shall be based on the facility
10 cost reports for the facility fiscal year ending at any point
11 in time during the previous calendar year, updated to the
12 midpoint of the rate year. The cost report shall be on file
13 with the Department no later than April 1 of the current rate
14 year. Should the cost report not be on file by April 1, the
15 Department shall base the rate on the latest cost report filed
16 by each skilled care facility and intermediate care facility,
17 updated to the midpoint of the current rate year. In
18 determining rates for services rendered on and after July 1,
19 1985, fixed time shall not be computed at less than zero. The
20 Department shall not make any alterations of regulations which
21 would reduce any component of the Medicaid rate to a level
22 below what that component would have been utilizing in the rate
23 effective on July 1, 1984.

24 (2) Shall take into account the actual costs incurred by
25 facilities in providing services for recipients of skilled
26 nursing and intermediate care services under the medical

1 assistance program.

2 (3) Shall take into account the medical and psycho-social
3 characteristics and needs of the patients.

4 (4) Shall take into account the actual costs incurred by
5 facilities in meeting licensing and certification standards
6 imposed and prescribed by the State of Illinois, any of its
7 political subdivisions or municipalities and by the U.S.
8 Department of Health and Human Services pursuant to Title XIX
9 of the Social Security Act.

10 The Department of Healthcare and Family Services shall
11 develop precise standards for payments to reimburse nursing
12 facilities for any utilization of appropriate rehabilitative
13 personnel for the provision of rehabilitative services which is
14 authorized by federal regulations, including reimbursement for
15 services provided by qualified therapists or qualified
16 assistants, and which is in accordance with accepted
17 professional practices. Reimbursement also may be made for
18 utilization of other supportive personnel under appropriate
19 supervision.

20 The Department shall develop enhanced payments to offset
21 the additional costs incurred by a facility serving exceptional
22 need residents and shall allocate at least \$8,000,000 of the
23 funds collected from the assessment established by Section 5B-2
24 of this Code for such payments. For the purpose of this
25 Section, "exceptional needs" means, but need not be limited to,
26 ventilator care, tracheotomy care, bariatric care, complex

1 wound care, and traumatic brain injury care. The enhanced
2 payments for exceptional need residents under this paragraph
3 are not due and payable, however, until (i) the methodologies
4 described in this paragraph are approved by the federal
5 government in an appropriate State Plan amendment and (ii) the
6 assessment imposed by Section 5B-2 of this Code is determined
7 to be a permissible tax under Title XIX of the Social Security
8 Act.

9 ~~(5)~~ Beginning July 1, 2012 the methodologies for
10 reimbursement of nursing facility services as provided under
11 this Section 5-5.4 shall no longer be applicable for bills
12 payable for State fiscal years 2012 and thereafter.

13 ~~(6)~~ No payment increase under this Section for the MDS
14 methodology, exceptional care residents, or the
15 socio-development component rate established by Public Act
16 96-1530 of the 96th General Assembly and funded by the
17 assessment imposed under Section 5B-2 of this Code shall be due
18 and payable until after the Department notifies the long-term
19 care providers, in writing, that the payment methodologies to
20 long-term care providers required under this Section have been
21 approved by the Centers for Medicare and Medicaid Services of
22 the U.S. Department of Health and Human Services and the
23 waivers under 42 CFR 433.68 for the assessment imposed by this
24 Section, if necessary, have been granted by the Centers for
25 Medicare and Medicaid Services of the U.S. Department of Health
26 and Human Services. Upon notification to the Department of

1 approval of the payment methodologies required under this
2 Section and the waivers granted under 42 CFR 433.68, all
3 increased payments otherwise due under this Section prior to
4 the date of notification shall be due and payable within 90
5 days of the date federal approval is received.

11 Sec. 5-5.7. Cost Reports - Audits. The Department of
12 Healthcare and Family Services shall work with the Department
13 of Public Health to use cost report information currently being

15 Specialized Mental Health Rehabilitation Act, and the ID/DD
16 Community Care Act. The Department of Healthcare and Family
17 Services may, in conjunction with the Department of Public

19 accounting principles a uniform chart of accounts which each
20 facility providing services under the medical assistance
21 program shall adopt, after a reasonable period.

22 Facilities licensed under the Nursing Home Care Act, the
23 Specialized Mental Health Rehabilitation Act, ~~Act~~ or the ID/DD

13 performed each year in at least 20% of the facilities
14 participating in the medical assistance program with at least
15 10% being selected on a random sample basis, and the remainder
16 selected on the basis of exceptional profiles. All audits shall
17 be conducted in accordance with generally accepted auditing
18 standards.

19 The Department of Healthcare and Family Services shall
20 establish prospective payment rates for categories or levels of
21 services within each licensure class, in order to more
22 appropriately recognize the individual needs of patients in
23 nursing facilities.

24 The Department of Healthcare and Family Services shall
25 provide, during the process of establishing the payment rate
26 for nursing facility, specialized mental health rehabilitation

1 facility, or ICF/DD services, or when a substantial change in
2 rates is proposed, an opportunity for public review and comment
3 on the proposed rates prior to their becoming effective.

18 update its information on the acquisition costs of all
19 prescription drugs no less frequently than every 30 days.
20 However, the Illinois Department may set the rate of
21 reimbursement for the acquisition cost, by rule, at a
22 percentage of the current average wholesale acquisition cost.

23 (c) (Blank).

24 (d) The Department shall not impose requirements for prior
25 approval based on a preferred drug list for anti-retroviral,

1 anti-hemophilic factor concentrates, or any atypical
2 antipsychotics, conventional antipsychotics, or
3 anticonvulsants used for the treatment of serious mental
4 illnesses until 30 days after it has conducted a study of the
5 impact of such requirements on patient care and submitted a
6 report to the Speaker of the House of Representatives and the
7 President of the Senate. The Department shall review
8 utilization of narcotic medications in the medical assistance
9 program and impose utilization controls that protect against
10 abuse.

11 (e) When making determinations as to which drugs shall be
12 on a prior approval list, the Department shall include as part

20 (including "as needed") in a dosage, or in conjunction with
21 other psychotropic medications to a nursing home resident or to
22 a resident of a facility licensed under the ID/DD ~~MR/DD~~
23 Community Care Act, may constitute a chemical restraint or an
24 "unnecessary drug" as defined by the Nursing Home Care Act or
25 Titles XVIII and XIX of the Social Security Act and the
26 implementing rules and regulations. The Department shall

1 require prior approval for any such medication prescribed for a
2 nursing home resident or to a resident of a facility licensed
3 under the ID/DD ~~MR/DD~~ Community Care Act, that appears to be a
4 chemical restraint or an unnecessary drug. The Department shall
5 consult with the Department of Human Services Division of
6 Mental Health in developing a protocol and criteria for
7 deciding whether to grant such prior approval.

8 (g) The Department may by rule provide for reimbursement of
9 the dispensing of a 90-day supply of a generic or brand name,
10 non-narcotic maintenance medication in circumstances where it

16 (i) The Department shall seek any necessary waiver from the
17 federal government in order to establish a program limiting the

14 Sec. 5B-1. Definitions. As used in this Article, unless the
15 context requires otherwise:

16 "Fund" means the Long-Term Care Provider Fund.

17 "Long-term care facility" means (i) a nursing facility,
18 whether public or private and whether organized for profit or
19 not-for-profit, that is subject to licensure by the Illinois
20 Department of Public Health under the Nursing Home Care Act or
21 the ID/DD Community Care Act, including a county nursing home
22 directed and maintained under Section 5-1005 of the Counties
23 Code, and (ii) a part of a hospital in which skilled or
24 intermediate long-term care services within the meaning of
25 Title XVIII or XIX of the Social Security Act are provided;

1 except that the term "long-term care facility" does not include
2 a facility operated by a State agency or operated solely as an
3 intermediate care facility for the mentally retarded within the
4 meaning of Title XIX of the Social Security Act.

5 "Long-term care provider" means (i) a person licensed by
6 the Department of Public Health to operate and maintain a
7 skilled nursing or intermediate long-term care facility or (ii)
8 a hospital provider that provides skilled or intermediate
9 long-term care services within the meaning of Title XVIII or
10 XIX of the Social Security Act. For purposes of this paragraph,
11 "person" means any political subdivision of the State,
12 municipal corporation, individual, firm, partnership,
13 corporation, company, limited liability company, association,
14 joint stock association, or trust, or a receiver, executor,
15 trustee, guardian, or other representative appointed by order
16 of any court. "Hospital provider" means a person licensed by
17 the Department of Public Health to conduct, operate, or
18 maintain a hospital.

19 "Occupied bed days" shall be computed separately for each
20 long-term care facility operated or maintained by a long-term

1 (305 ILCS 5/5B-4) (from Ch. 23, par. 5B-4)

2 Sec. 5B-4. Payment of assessment; penalty.

3 (a) The assessment imposed by Section 5B-2 shall be due and
4 payable monthly, on the last State business day of the month
5 for occupied bed days reported for the preceding third month
6 prior to the month in which the tax is payable and due. A
7 facility that has delayed payment due to the State's failure to
8 reimburse for services rendered may request an extension on the
9 due date for payment pursuant to subsection (b) and shall pay
10 the assessment within 30 days of reimbursement by the
11 Department. The Illinois Department may provide that county
12 nursing homes directed and maintained pursuant to Section
13 5-1005 of the Counties Code may meet their assessment
14 obligation by certifying to the Illinois Department that county
15 expenditures have been obligated for the operation of the
16 county nursing home in an amount at least equal to the amount
17 of the assessment.

18 (a-5) The Illinois Department shall provide for an
19 electronic submission process for each long-term care facility
20 to report at a minimum the number of occupied bed days of the
21 long-term care facility for the reporting period and other
22 reasonable information the Illinois Department requires for
23 the administration of its responsibilities under this Code.
24 Beginning July 1, 2013, a separate electronic submission shall
25 be completed for each long-term care facility in this State

1 operated by a long-term care provider. The Illinois Department
2 shall prepare an assessment bill stating the amount due and
3 payable each month and submit it to each long-term care
4 facility via an electronic process. Each assessment payment
5 shall be accompanied by a copy of the assessment bill sent to
6 the long-term care facility by the Illinois Department. To the
7 extent practicable, the Department shall coordinate the
8 assessment reporting requirements with other reporting
9 required of long-term care facilities.

10 (b) The Illinois Department is authorized to establish
11 delayed payment schedules for long-term care providers that are
12 unable to make assessment payments when due under this Section
13 due to financial difficulties, as determined by the Illinois
14 Department. The Illinois Department may not deny a request for
15 delay of payment of the assessment imposed under this Article
16 if the long-term care provider has not been paid for services
17 provided during the month on which the assessment is levied.

18 (c) If a long-term care provider fails to pay the full
19 amount of an assessment payment when due (including any
20 extensions granted under subsection (b)), there shall, unless
21 waived by the Illinois Department for reasonable cause, be
22 added to the assessment imposed by Section 5B-2 a penalty
23 assessment equal to the lesser of (i) 5% of the amount of the
24 assessment payment not paid on or before the due date plus 5%
25 of the portion thereof remaining unpaid on the last day of each
26 month thereafter or (ii) 100% of the assessment payment amount

1 not paid on or before the due date. For purposes of this
2 subsection, payments will be credited first to unpaid
3 assessment payment amounts (rather than to penalty or
4 interest), beginning with the most delinquent assessment
5 payments. Payment cycles of longer than 60 days shall be one
6 factor the Director takes into account in granting a waiver
7 under this Section.

8 (c-5) If a long-term care facility fails to file its
9 assessment bill with payment, there shall, unless waived by the
10 Illinois Department for reasonable cause, be added to the
11 assessment due a penalty assessment equal to 25% of the
12 assessment due. After July 1, 2013, no penalty shall be
13 assessed under this Section if the Illinois Department does not
14 provide a process for the electronic submission of the
15 information required by subsection (a-5).

16 (d) Nothing in this amendatory Act of 1993 shall be
17 construed to prevent the Illinois Department from collecting
18 all amounts due under this Article pursuant to an assessment
19 imposed before the effective date of this amendatory Act of
20 1993.

21 (e) Nothing in this amendatory Act of the 96th General
22 Assembly shall be construed to prevent the Illinois Department
23 from collecting all amounts due under this Code pursuant to an
24 assessment, tax, fee, or penalty imposed before the effective
25 date of this amendatory Act of the 96th General Assembly.

26 (f) No installment of the assessment imposed by Section

1 5B-2 shall be due and payable until after the Department
2 notifies the long-term care providers, in writing, that the
3 payment methodologies to long-term care providers required
4 under Section 5-5.4 of this Code have been approved by the
5 Centers for Medicare and Medicaid Services of the U.S.
6 Department of Health and Human Services and the waivers under
7 42 CFR 433.68 for the assessment imposed by this Section, if
8 necessary, have been granted by the Centers for Medicare and
9 Medicaid Services of the U.S. Department of Health and Human
10 Services. Upon notification to the Department of approval of
11 the payment methodologies required under Section 5-5.4 of this
12 Code and the waivers granted under 42 CFR 433.68, all
13 installments otherwise due under Section 5B-4 prior to the date
14 of notification shall be due and payable to the Department upon
15 written direction from the Department within 90 days after
16 issuance by the Comptroller of the payments required under
17 Section 5-5.4 of this Code.

22 Sec. 5B-5. Annual reporting; penalty; maintenance of
23 records.

24 (a) After December 31 of each year, and on or before March
25 31 of the succeeding year, every long-term care provider

1 subject to assessment under this Article shall file a report
2 with the Illinois Department. The report shall be in a form and
3 manner prescribed by the Illinois Department and shall state
4 the revenue received by the long-term care provider, reported
5 in such categories as may be required by the Illinois
6 Department, and other reasonable information the Illinois
7 Department requires for the administration of its
8 responsibilities under this Code.

9 (b) If a long-term care provider operates or maintains more
10 than one long-term care facility in this State, the provider
11 may not file a single return covering all those long-term care
12 facilities, but shall file a separate return for each long-term
13 care facility and shall compute and pay the assessment for each
14 long-term care facility separately.

15 (c) Notwithstanding any other provision in this Article, in
16 the case of a person who ceases to operate or maintain a
17 long-term care facility in respect of which the person is
18 subject to assessment under this Article as a long-term care
19 provider, the person shall file a final, amended return with
20 the Illinois Department not more than 90 days after the
21 cessation reflecting the adjustment and shall pay with the
22 final return the assessment for the year as so adjusted (to the
23 extent not previously paid). If a person fails to file a final
24 amended return on a timely basis, there shall, unless waived by
25 the Illinois Department for reasonable cause, be added to the
26 assessment due a penalty assessment equal to 25% of the

1 assessment due.

2 (d) Notwithstanding any other provision of this Article, a
3 provider who commences operating or maintaining a long-term
4 care facility that was under a prior ownership and remained
5 licensed by the Department of Public Health shall notify the
6 Illinois Department of the change in ownership and shall be
7 responsible to immediately pay any prior amounts owed by the
8 facility.

9 (e) The Department shall develop a procedure for sharing
10 with a potential buyer of a facility information regarding
11 outstanding assessments and penalties owed by that facility.

12 (f) In the case of a long-term care provider existing as a
13 corporation or legal entity other than an individual, the
14 return filed by it shall be signed by its president,
15 vice-president, secretary, or treasurer or by its properly
16 authorized agent.

17 (g) If a long-term care provider fails to file its return
18 on or before the due date of the return, there shall, unless
19 waived by the Illinois Department for reasonable cause, be
20 added to the assessment imposed by Section 5B-2 a penalty
21 assessment equal to 25% of the assessment imposed for the year.
22 After July 1, 2013, no penalty shall be assessed if the
23 Illinois Department has not established a process for the
24 electronic submission of information.

25 (h) Every long-term care provider subject to assessment
26 under this Article shall keep records and books that will

1 permit the determination of occupied bed days on a calendar
2 year basis. All such books and records shall be kept in the
3 English language and shall, at all times during business hours
4 of the day, be subject to inspection by the Illinois Department
5 or its duly authorized agents and employees.

6 (i) The Illinois Department shall establish a process for
7 long-term care providers to electronically submit all
8 information required by this Section no later than ~~that~~ July 1,
9 2013.

13 official capacity may be an abused child or a neglected child
14 shall immediately report or cause a report to be made to the
15 Department.

16 Any member of the clergy having reasonable cause to believe
17 that a child known to that member of the clergy in his or her
18 professional capacity may be an abused child as defined in item
19 (c) of the definition of "abused child" in Section 3 of this
20 Act shall immediately report or cause a report to be made to

1 having reasonable cause to believe a child known to him or her
2 in his or her professional or official capacity may be an
3 abused child or a neglected child shall immediately report or
4 cause a report to be made to the Department.

5 If an allegation is raised to a school board member during
6 the course of an open or closed school board meeting that a
7 child who is enrolled in the school district of which he or she
8 is a board member is an abused child as defined in Section 3 of
9 this Act, the member shall direct or cause the school board to
10 direct the superintendent of the school district or other
11 equivalent school administrator to comply with the
12 requirements of this Act concerning the reporting of child
13 abuse. For purposes of this paragraph, a school board member is
14 granted the authority in his or her individual capacity to
15 direct the superintendent of the school district or other
16 equivalent school administrator to comply with the
17 requirements of this Act concerning the reporting of child
18 abuse.

19 Notwithstanding any other provision of this Act, if an
20 employee of a school district has made a report or caused a
21 report to be made to the Department under this Act involving
22 the conduct of a current or former employee of the school
23 district and a request is made by another school district for
24 the provision of information concerning the job performance or
25 qualifications of the current or former employee because he or
26 she is an applicant for employment with the requesting school

1 district, the general superintendent of the school district to
2 which the request is being made must disclose to the requesting
3 school district the fact that an employee of the school
4 district has made a report involving the conduct of the
5 applicant or caused a report to be made to the Department, as
6 required under this Act. Only the fact that an employee of the
7 school district has made a report involving the conduct of the
8 applicant or caused a report to be made to the Department may
9 be disclosed by the general superintendent of the school
10 district to which the request for information concerning the
11 applicant is made, and this fact may be disclosed only in cases
12 where the employee and the general superintendent have not been
13 informed by the Department that the allegations were unfounded.
14 An employee of a school district who is or has been the subject
15 of a report made pursuant to this Act during his or her
16 employment with the school district must be informed by that
17 school district that if he or she applies for employment with
18 another school district, the general superintendent of the
19 former school district, upon the request of the school district
20 to which the employee applies, shall notify that requesting
21 school district that the employee is or was the subject of such
22 a report.

23 Whenever such person is required to report under this Act
24 in his capacity as a member of the staff of a medical or other
25 public or private institution, school, facility or agency, or
26 as a member of the clergy, he shall make report immediately to

1 the Department in accordance with the provisions of this Act
2 and may also notify the person in charge of such institution,
3 school, facility or agency, or church, synagogue, temple,
4 mosque, or other religious institution, or his designated agent
5 that such report has been made. Under no circumstances shall
6 any person in charge of such institution, school, facility or
7 agency, or church, synagogue, temple, mosque, or other
8 religious institution, or his designated agent to whom such
9 notification has been made, exercise any control, restraint,
10 modification or other change in the report or the forwarding of
11 such report to the Department.

12 The privileged quality of communication between any
13 professional person required to report and his patient or
14 client shall not apply to situations involving abused or
15 neglected children and shall not constitute grounds for failure
16 to report as required by this Act or constitute grounds for
17 failure to share information or documents with the Department
18 during the course of a child abuse or neglect investigation. If
19 requested by the professional, the Department shall confirm in
20 writing that the information or documents disclosed by the
21 professional were gathered in the course of a child abuse or
22 neglect investigation.

23 A member of the clergy may claim the privilege under
24 Section 8-803 of the Code of Civil Procedure.

25 Any office, clinic, or any other physical location that
26 provides abortions, abortion referrals, or contraceptives

1 shall provide to all office personnel copies of written
2 information and training materials about abuse and neglect and
3 the requirements of this Act that are provided to employees of
4 the office, clinic, or physical location who are required to
5 make reports to the Department under this Act, and instruct
6 such office personnel to bring to the attention of an employee
7 of the office, clinic, or physical location who is required to
8 make reports to the Department under this Act any reasonable
9 suspicion that a child known to him or her in his or her
10 professional or official capacity may be an abused child or a
11 neglected child. In addition to the above persons required to
12 report suspected cases of abused or neglected children, any
13 other person may make a report if such person has reasonable
14 cause to believe a child may be an abused child or a neglected
15 child.

16 Any person who enters into employment on and after July 1,
17 1986 and is mandated by virtue of that employment to report
18 under this Act, shall sign a statement on a form prescribed by
19 the Department, to the effect that the employee has knowledge
20 and understanding of the reporting requirements of this Act.
21 The statement shall be signed prior to commencement of the
22 employment. The signed statement shall be retained by the
23 employer. The cost of printing, distribution, and filing of the
24 statement shall be borne by the employer.

25 The Department shall provide copies of this Act, upon
26 request, to all employers employing persons who shall be

1 required under the provisions of this Section to report under
2 this Act.

3 Any person who knowingly transmits a false report to the
4 Department commits the offense of disorderly conduct under
5 subsection (a)(7) of Section 26-1 of the "Criminal Code of
6 1961". A violation of this provision is a Class 4 felony.

7 Any person who knowingly and willfully violates any
8 provision of this Section other than a second or subsequent
9 violation of transmitting a false report as described in the
10 preceding paragraph, is guilty of a Class A misdemeanor for a
11 first violation and a Class 4 felony for a second or subsequent
12 violation; except that if the person acted as part of a plan or
13 scheme having as its object the prevention of discovery of an
14 abused or neglected child by lawful authorities for the purpose
15 of protecting or insulating any person or entity from arrest or
16 prosecution, the person is guilty of a Class 4 felony for a
17 first offense and a Class 3 felony for a second or subsequent
18 offense (regardless of whether the second or subsequent offense
19 involves any of the same facts or persons as the first or other
20 prior offense).

21 A child whose parent, guardian or custodian in good faith
22 selects and depends upon spiritual means through prayer alone
23 for the treatment or cure of disease or remedial care may be
24 considered neglected or abused, but not for the sole reason
25 that his parent, guardian or custodian accepts and practices
26 such beliefs.

1 A child shall not be considered neglected or abused solely
2 because the child is not attending school in accordance with
3 the requirements of Article 26 of the School Code, as amended.

4 Nothing in this Act prohibits a mandated reporter who
5 reasonably believes that an animal is being abused or neglected
6 in violation of the Humane Care for Animals Act from reporting
7 animal abuse or neglect to the Department of Agriculture's
8 Bureau of Animal Health and Welfare.

9 A home rule unit may not regulate the reporting of child
10 abuse or neglect in a manner inconsistent with the provisions
11 of this Section. This Section is a limitation under subsection
12 (i) of Section 6 of Article VII of the Illinois Constitution on
13 the concurrent exercise by home rule units of powers and
14 functions exercised by the State.

15 For purposes of this Section "child abuse or neglect"
16 includes abuse or neglect of an adult resident as defined in
17 this Act.

2 person or by telephone through the nearest Department office.

15 Department commits the offense of disorderly conduct under

17 A violation of this subsection is a Class 4 felony."

18 The report required by this Act shall include, if known,
19 the name and address of the child and his parents or other
20 persons having his custody; the child's age; the nature of the
21 child's condition including any evidence of previous injuries
22 or disabilities; and any other information that the person
23 filing the report believes might be helpful in establishing the
24 cause of such abuse or neglect and the identity of the person
25 believed to have caused such abuse or neglect. Reports made to
26 the central register through the State-wide, toll-free

1 telephone number shall be immediately transmitted by the
2 Department to the appropriate Child Protective Service Unit.
3 All such reports alleging the death of a child, serious injury
4 to a child including, but not limited to, brain damage, skull
5 fractures, subdural hematomas, and internal injuries, torture
6 of a child, malnutrition of a child, and sexual abuse to a
7 child, including, but not limited to, sexual intercourse,
8 sexual exploitation, sexual molestation, and sexually
9 transmitted disease in a child age 12 and under, shall also be
10 immediately transmitted by the Department to the appropriate
11 local law enforcement agency. The Department shall within 24
12 hours orally notify local law enforcement personnel and the
13 office of the State's Attorney of the involved county of the
14 receipt of any report alleging the death of a child, serious
15 injury to a child including, but not limited to, brain damage,
16 skull fractures, subdural hematomas, and, internal injuries,

21 reports made by the Department to local law enforcement
22 personnel and the office of the State's Attorney of the
23 involved county shall be confirmed in writing within 24 hours
24 of the oral report. All reports by persons mandated to report
25 under this Act shall be confirmed in writing to the appropriate
26 Child Protective Service Unit, which may be on forms supplied

1 by the Department, within 48 hours of any initial report.

2 Written confirmation reports from persons not required to
3 report by this Act may be made to the appropriate Child
4 Protective Service Unit. Written reports from persons required
5 by this Act to report shall be admissible in evidence in any
6 judicial proceeding or administrative hearing relating to
7 child abuse or neglect. Reports involving known or suspected
8 child abuse or neglect in public or private residential
9 agencies or institutions shall be made and received in the same
10 manner as all other reports made under this Act.

15 Section 505. The Early Intervention Services System Act is
16 amended by changing Section 13.15 as follows:

17 (325 ILCS 20/13.15)

18 Sec. 13.15. Billing of insurance carrier.

19 (a) Subject to the restrictions against private insurance
20 use on the basis of material risk of loss of coverage, as
21 determined under Section 13.25, each enrolled provider who is
22 providing a family with early intervention services shall bill
23 the child's insurance carrier for each unit of early
24 intervention service for which coverage may be available. The

1 lead agency may exempt from the requirement of this paragraph
2 any early intervention service that it has deemed not to be
3 covered by insurance plans. When the service is not exempted,
4 providers who receive a denial of payment on the basis that the
5 service is not covered under any circumstance under the plan
6 are not required to bill that carrier for that service again
7 until the following insurance benefit year. That explanation of
8 benefits denying the claim, once submitted to the central
9 billing office, shall be sufficient to meet the requirements of
10 this paragraph as to subsequent services billed under the same
11 billing code provided to that child during that insurance
12 benefit year. Any time limit on a provider's filing of a claim
13 for payment with the central billing office that is imposed
14 through a policy, procedure, or rule of the lead agency shall
15 be suspended until the provider receives an explanation of
16 benefits or other final determination of the claim it files
17 with the child's insurance carrier.

18 (b) In all instances when an insurance carrier has been
19 billed for early intervention services, whether paid in full,
20 paid in part, or denied by the carrier, the provider must
21 provide the central billing office, within 90 days after
22 receipt, with a copy of the explanation of benefits form and
23 other information in the manner prescribed by the lead agency.

24 (c) When the insurance carrier has denied the claim or paid
25 an amount for the early intervention service billed that is
26 less than ~~that~~ the current State rate for early intervention

1 services, the provider shall submit the explanation of benefits
2 with a claim for payment, and the lead agency shall pay the
3 provider the difference between the sum actually paid by the
4 insurance carrier for each unit of service provided under the
5 individualized family service plan and the current State rate
6 for early intervention services. The State shall also pay the
7 family's co-payment or co-insurance under its plan, but only to
8 the extent that those payments plus the balance of the claim do
9 not exceed the current State rate for early intervention
10 services. The provider may under no circumstances bill the
11 family for the difference between its charge for services and
12 that which has been paid by the insurance carrier or by the
13 State.

19 Sec. 1-106. "Developmental disability" means a disability
20 which is attributable to: (a) an intellectual disability,
21 cerebral palsy, epilepsy or autism; or ~~to~~ (b) any other
22 condition which results in impairment similar to that caused by

5 (405 ILCS 5/2-107) (from Ch. 91 1/2, par. 2-107)

6 Sec. 2-107. Refusal of services; informing of risks.

7 (a) An adult recipient of services or the recipient's
8 guardian, if the recipient is under guardianship, and the
9 recipient's substitute decision maker, if any, must be informed
10 of the recipient's right to refuse medication or
11 electroconvulsive therapy. The recipient and the recipient's
12 guardian or substitute decision maker shall be given the
13 opportunity to refuse generally accepted mental health or
14 developmental disability services, including but not limited
15 to medication or electroconvulsive therapy. If such services
16 are refused, they shall not be given unless such services are
17 necessary to prevent the recipient from causing serious and
18 imminent physical harm to the recipient or others and no less
19 restrictive alternative is available. The facility director
20 shall inform a recipient, guardian, or substitute decision
21 maker, if any, who refuses such services of alternate services
22 available and the risks of such alternate services, as well as
23 the possible consequences to the recipient of refusal of such
24 services.

25 (b) Psychotropic medication or electroconvulsive therapy

1 may be administered under this Section for up to 24 hours only
2 if the circumstances leading up to the need for emergency
3 treatment are set forth in writing in the recipient's record.

4 (c) Administration of medication or electroconvulsive
5 therapy may not be continued unless the need for such treatment
6 is redetermined at least every 24 hours based upon a personal
7 examination of the recipient by a physician or a nurse under
8 the supervision of a physician and the circumstances
9 demonstrating that need are set forth in writing in the
10 recipient's record.

11 (d) Neither psychotropic medication nor electroconvulsive
12 therapy may be administered under this Section for a period in
13 excess of 72 hours, excluding Saturdays, Sundays, and holidays,
14 unless a petition is filed under Section 2-107.1 and the
15 treatment continues to be necessary under subsection (a) of
16 this Section. Once the petition has been filed, treatment may
17 continue in compliance with subsections (a), (b), and (c) of
18 this Section until the final outcome of the hearing on the
19 petition.

20 (e) The Department shall issue rules designed to insure
21 that in State-operated mental health facilities psychotropic
22 medication and electroconvulsive therapy are administered in
23 accordance with this Section and only when appropriately
24 authorized and monitored by a physician or a nurse under the
25 supervision of a physician in accordance with accepted medical
26 practice. The facility director of each mental health facility

1 not operated by the State shall issue rules designed to insure
2 that in that facility psychotropic medication and
3 electroconvulsive therapy are administered in accordance with
4 this Section and only when appropriately authorized and
5 monitored by a physician or a nurse under the supervision of a
6 physician in accordance with accepted medical practice. Such
7 rules shall be available for public inspection and copying
8 during normal business hours.

9 (f) The provisions of this Section with respect to the
10 emergency administration of psychotropic medication and
11 electroconvulsive therapy do not apply to facilities licensed
12 under the Nursing Home Care Act, the Specialized Mental Health
13 Rehabilitation Act, or the ID/DD Community Care Act.

14 (g) Under no circumstances may long-acting psychotropic
15 medications be administered under this Section.

16 (h) Whenever psychotropic medication or electroconvulsive
17 therapy is refused pursuant to subsection (a) of this Section
18 at least once that day, the physician shall determine and state
19 in writing the reasons why the recipient did not meet the
20 criteria for administration of medication or electroconvulsive
21 therapy under subsection (a) and whether the recipient meets
22 the standard for administration of psychotropic medication or
23 electroconvulsive therapy under Section 2-107.1 of this Code.
24 If the physician determines that the recipient meets the
25 standard for administration of psychotropic medication or
26 electroconvulsive therapy under Section 2-107.1, the facility

1 director or his or her designee shall petition the court for
2 administration of psychotropic medication or electroconvulsive
3 therapy pursuant to that Section unless the facility director
4 or his or her designee states in writing in the recipient's
5 record why the filing of such a petition is not warranted. This
6 subsection (h) applies only to State-operated mental health
7 facilities.

8 (i) The Department shall conduct annual trainings for all
9 physicians and registered nurses working in State-operated
10 mental health facilities on the appropriate use of emergency
11 administration of psychotropic medication and
12 electroconvulsive therapy, standards for their use, and the
13 methods of authorization under this Section.

16 Section 515. The Community Mental Health Act is amended by
17 changing Section 1 as follows:

18 (405 ILCS 20/1) (from Ch. 91 1/2, par. 301)

20 "Direct recipient services" means only those services

6 boards operating under this Act may in their jurisdiction, by a
7 majority vote, add to the definition of "person with a
8 developmental disability".

9 "Mental illness" has the meaning ascribed to that term in
10 the Mental Health and Developmental Disabilities Code.
11 Community mental health boards operating under this Act may in
12 their jurisdiction, by a majority vote, add to the definition
13 of "mental illness".

14 "Substance use disorder" encompasses substance abuse,
15 dependence, and addiction, not inconsistent with federal or
16 State definitions.

17 (Source: P.A. 95-336, eff. 8-21-07; revised 11-18-11.)

18 Section 520. The Community Expanded Mental Health Services
19 Act is amended by changing Sections 20 and 25 as follows:

20 (405 ILCS 22/20)

21 Sec. 20. Duties and functions of Governing Commission. The
22 duties and functions of the Governing Commission of an Expanded
23 Mental Health Services Program shall include the following:

24 (1) To, immediately after appointment, meet and

1 organize, by the election of one of its number as president
2 and one as secretary and such other officers as it may deem
3 necessary. It shall establish policies, rules,
4 regulations, bylaws, and procedures for both the Governing
5 Commission and the Program concerning the rendition or
6 operation of services and facilities which it directs,
7 supervises, or funds, not inconsistent with the provisions
8 of this Act. No policies, rules, regulations, or bylaws
9 shall be adopted by the Governing Commission without prior
10 notice to the residents of the territory of a Program and
11 an opportunity for such residents to be heard.

12 (2) To hold meetings at least quarterly, and to hold
13 special meetings upon a written request signed by at least
14 2 commissioners and filed with the secretary of the
15 Governing Commission.

16 (3) To provide annual status reports on the Program to
17 the Governor, the Mayor of the municipality, and the voters
18 of the territory within 120 days after the end of the
19 fiscal year, such report to show the condition of the
20 expanded mental health services fund for that year, the
21 sums of money received from all sources, how all monies
22 have been expended and for what purposes, how the Program
23 has conformed with the mental health needs assessment
24 conducted in the territory, and such other statistics and
25 Program information in regard to the work of the Governing
26 Commission as it may deem of general interest.

1 (4) To manage, administer, and invest the financial
2 resources contained in the expanded mental health services
3 fund.

4 (5) To employ necessary personnel, acquire necessary
5 office space, enter into contractual relationships, and
6 disburse funds in accordance with the provisions of this
7 Act. In this regard, to the extent the Governing Commission
8 chooses to retain the services of another public or private
9 agency with respect to the provision of expanded mental
10 health services under this Act, such selection shall be
11 based upon receipt of a comprehensive plan addressing the
12 following factors: the conducting of a thorough mental
13 health needs assessment for the territory; the development
14 of specific mental health programs and services tailored to
15 this assessment; and the percentage of the proposed budget
16 devoted to responding to these demonstrated needs. Within
17 14 days of the selection of any individual or organization,
18 the Governing Commission shall provide a written report of
19 its decision, with specific reference to the factors used
20 in reaching its decision, to the Mayor of the municipality,
21 the Governor, and the voters of the territory. Subsequent
22 decisions by the Governing Commission to retain or
23 terminate the services of a provider shall be based upon
24 the provider's success in achieving its stated goals,
25 especially with regards to servicing the maximum number of
26 residents of the territory identified as needing mental

1 health services in the initial needs assessment and
2 subsequent updates to it.

3 (6) To disburse the funds collected annually from tax
4 revenue in such a way that no less than ~~that~~ 85% of those
5 funds are expended on direct mental and emotional health
6 services provided by licensed mental health professionals
7 or by mental health interns or persons with a bachelor's
8 degree in social work supervised by those professionals.

9 (7) To establish criteria and standards necessary for
10 hiring the licensed mental health professionals to be
11 employed to provide the direct services of the Program.

13 within the Program territory and determine the programs for
14 meeting those needs annually as well as the eligible
15 persons whom the Program may serve.

16 (9) To obtain errors and omissions insurance for all
17 commissioners in an amount of no less than \$1,000,000.

18 (10) To perform such other functions in connection with
19 the Program and the expanded mental health services fund as
20 required under this Act.

21 (Source: P.A. 96-1548, eff. 1-1-12; revised 11-18-11.)

22 (405 ILCS 22/25)

23 Sec. 25. Expanded mental health services fund.

24 (a) The Governing Commission shall maintain the expanded
25 mental health services fund for the purposes of paying the

1 costs of administering the Program and carrying out its duties
2 under this Act, subject to the limitations and procedures set
3 forth in this Act.

4 (b) The expanded mental health services fund shall be
5 raised by means of an annual tax levied on each property within
6 the territory of the Program. The rate of this tax may be
7 changed from year to year by majority vote of the Governing
8 Commission but in no case shall it exceed the ceiling rate
9 established by the voters in the territory of the Program in
10 the binding referendum to approve the creation of the Expanded
11 Mental Health Services Program. The ceiling rate must be set
12 within the range of .004 to .007 on each property in the
13 territory of the Program. A higher ceiling rate for a territory
14 may be established within that range only by the voters in a
15 binding referendum from time to time to be held in a manner as
16 set forth in this legislation. The commissioners shall cause
17 the amount to be raised by taxation in each year to be
18 certified to the county clerk in the manner provided by law,
19 and any tax so levied and certified shall be collected and
20 enforced in the same manner and by the same officers as those
21 taxes for the purposes of the county and city within which the
22 territory of the Governing Commission is located. Any such tax,
23 when collected, shall be paid over to the proper officer of the
24 Governing Commission who is authorized to receive and receipt
25 for such tax. The Governing Commission may issue tax
26 anticipation warrants against the taxes to be assessed for a

1 calendar year.

2 (c) The moneys deposited in the expanded mental health
3 services fund shall, as nearly as practicable, be fully and
4 continuously invested or reinvested by the Governing
5 Commission in investment obligations which shall be in such
6 amounts, and shall mature at such times, that the maturity or
7 date of redemption at the option of the holder of such
8 investment obligations shall coincide, as nearly as
9 practicable, with the times at which monies will be required
10 for the purposes of the Program. For the purposes of this
11 Section, "investment obligation" means direct general
12 municipal, state, or federal obligations which at the time are
13 legal investments under the laws of this State and the payment
14 of principal of and interest on which are unconditionally
15 guaranteed by the governing body issuing them.

16 (d) The fund shall be used solely and exclusively for the
17 purpose of providing expanded mental health services and no
18 more than ~~that~~ 15% of the annual levy may be used for
19 reasonable salaries, expenses, bills, and fees incurred in
20 administering the Program.

21 (e) The fund shall be maintained, invested, and expended
22 exclusively by the Governing Commission of the Program for
23 whose purposes it was created. Under no circumstances shall the
24 fund be used by any person or persons, governmental body, or
25 public or private agency or concern other than the Governing
26 Commission of the Program for whose purposes it was created.

1 Under no circumstances shall the fund be commingled with other
2 funds or investments.

3 (f) No commissioner or family member of a commissioner, or
4 employee or family member of an employee, may receive any
5 financial benefit, either directly or indirectly, from the
6 fund. Nothing in this subsection shall be construed to prohibit
7 payment of expenses to a commissioner in accordance with
8 subsection (g) of Section 15.

9 (g) Annually, the Governing Commission shall prepare for
10 informational purposes in the appropriations process: (1) an
11 annual budget showing the estimated receipts and intended
12 disbursements pursuant to this Act for the fiscal year
13 immediately following the date the budget is submitted, which
14 date must be at least 30 days prior to the start of the fiscal
15 year; and (2) an independent financial audit of the fund and
16 the management of the Program detailing the income received and
17 disbursements made pursuant to this Act during the fiscal year
18 just preceding the date the annual report is submitted, which
19 date must be within 90 days of the close of that fiscal year.
20 These reports shall be made available to the public through any
21 office of the Governing Commission or a public facility such as
22 a local public library located within the territory of the
23 Program. In addition, and in an effort to increase transparency
24 of public programming, the Governing Commission shall
25 effectively create and operate a publicly accessible website,
26 which shall publish results of all audits for a period of no

1 less than six months after the initial disclosure of the
2 results and findings of each audit.

4 Section 525. The Community Services Act is amended by
5 changing Section 4 as follows:

6 (405 ILCS 30/4) (from Ch. 91 1/2, par. 904)

7 Sec. 4. Financing for Community Services.

8 (a) The Department of Human Services is authorized to
9 provide financial reimbursement to eligible private service
10 providers, corporations, local government entities or
11 voluntary associations for the provision of services to persons
12 with mental illness, persons with a developmental disability
13 and alcohol and drug dependent persons living in the community
14 for the purpose of achieving the goals of this Act.

15 The Department shall utilize the following funding
16 mechanisms for community services:

17 (1) Purchase of Care Contracts: services purchased on a
18 predetermined fee per unit of service basis from private
19 providers or governmental entities. Fee per service rates
20 are set by an established formula which covers some portion
21 of personnel, supplies, and other allowable costs, and
22 which makes some allowance for geographic variations in
23 costs as well as for additional program components.

24 (2) Grants: sums of money which the Department grants

1 to private providers or governmental entities pursuant to
2 the grant recipient's agreement to provide certain
3 services, as defined by departmental grant guidelines, to
4 an approximate number of service recipients. Grant levels
5 are set through consideration of personnel, supply and
6 other allowable costs, as well as other funds available to
7 the program.

8 (3) Other Funding Arrangements: funding mechanisms may
9 be established on a pilot basis in order to examine the
10 feasibility of alternative financing arrangements for the
11 provision of community services.

12 The Department shall establish and maintain an equitable
13 system of payment which allows providers to improve persons
14 with disabilities' capabilities for independence and reduces
15 their reliance on State-operated services.

16 For services classified as entitlement services under
17 federal law or guidelines, caps may not be placed on the total
18 amount of payment a provider may receive in a fiscal year and
19 the Department shall not require that a portion of the payments
20 due be made in a subsequent fiscal year based on a yearly
21 payment cap.

22 (b) The Governor shall create a commission by September 1,
23 2009, or as soon thereafter as possible, to review funding
24 methodologies, identify gaps in funding, identify revenue, and
25 prioritize use of that revenue for community developmental
26 disability services, mental health services, alcohol and

1 substance abuse services, rehabilitation services, and early
2 intervention services. The Office of the Governor shall provide
3 staff support for the commission.

4 (c) The first meeting of the commission shall be held
5 within the first month after the creation and appointment of
6 the commission, and a final report summarizing the commission's
7 recommendations must be issued within 12 months after the first
8 meeting, and no later than September 1, 2010, to the Governor
9 and the General Assembly.

10 (d) The commission shall have the following 13 voting
11 members:

12 (A) one member of the House of Representatives,
13 appointed by the Speaker of the House of Representatives;

14 (B) one member of the House of Representatives,
15 appointed by the House Minority Leader;

16 (C) one member of the Senate, appointed by the
17 President of the Senate;

18 (D) one member of the Senate, appointed by the Senate
19 Minority Leader;

20 (E) one person with a developmental disability, or a
21 family member or guardian of such a person, appointed by
22 the Governor;

23 (F) one person with a mental illness, or a family
24 member or guardian of such a person, appointed by the
25 Governor;

26 (G) two persons from unions that represent employees of

1 community providers that serve people with developmental
2 disabilities, mental illness, and alcohol and substance
3 abuse disorders, appointed by the Governor; and

4 (H) five persons from statewide associations that
5 represent community providers that provide residential,
6 day training, and other developmental disability services,
7 mental health services, alcohol and substance abuse
8 services, rehabilitation services, or early intervention
9 services, or any combination of those, appointed by the
10 Governor.

11 The commission shall also have the following ex-officio,
12 nonvoting members:

13 (I) the Director of the Governor's Office of Management
14 and Budget or his or her designee;

15 (J) the Chief Financial Officer of the Department of
16 Human Services or his or her designee;

17 (K) the Administrator of the Department of Healthcare
18 and Family Services Division of Finance or his or her
19 designee;

20 (L) the Director of the Department of Human Services
21 Division of Developmental Disabilities or his or her
22 designee;

23 (M) the Director of the Department of Human Services
24 Division of Mental Health or his or her designee; and

25 (N) the Director of the Department of Human Services
26 Division of Alcoholism ~~Alcohol~~ and Substance Abuse or his

1 or her designee.

2 (e) The funding methodologies must reflect economic
3 factors inherent in providing services and supports, recognize
4 individual disability needs, and consider geographic
5 differences, transportation costs, required staffing ratios,
6 and mandates not currently funded.

7 (f) In accepting Department funds, providers shall
8 recognize their responsibility to be accountable to the
9 Department and the State for the delivery of services which are
10 consistent with the philosophies and goals of this Act and the
11 rules and regulations promulgated under it.

14 Section 530. The Protection and Advocacy for Mentally Ill
15 Persons Act is amended by changing Section 3 as follows:

16 (405 ILCS 45/3) (from Ch. 91 1/2, par. 1353)

17 Sec. 3. Powers and Duties.

18 (A) In order to properly exercise its powers and duties,
19 the agency shall have the authority to:

20 (1) Investigate incidents of abuse and neglect of
21 mentally ill persons if the incidents are reported to the
22 agency or if there is probable cause to believe that the
23 incidents occurred. In case of conflict with provisions of
24 the Abused and Neglected Child Reporting Act or the Nursing

1 Home Care Act, the provisions of those Acts shall apply.

2 (2) Pursue administrative, legal and other appropriate
3 remedies to ensure the protection of the rights of mentally
4 ill persons who are receiving care and treatment in this
5 State.

6 (3) Pursue administrative, legal and other remedies on
7 behalf of an individual who:

8 (a) was a mentally ill individual; and

9 (b) is a resident of this State, but only with
10 respect to matters which occur within 90 days after the
11 date of the discharge of such individual from a
12 facility providing care and treatment.

13 (4) Establish a board which shall:

14 (a) advise the protection and advocacy system on
15 policies and priorities to be carried out in protecting
16 and advocating the rights of mentally ill individuals;
17 and

18 (b) include attorneys, mental health
19 professionals, individuals from the public who are
20 knowledgeable about mental illness, a provider of
21 mental health services, individuals who have received
22 or are receiving mental health services and family
23 members of such individuals. At least one-half the
24 members of the board shall be individuals who have
25 received or are receiving mental health services or who
26 are family members of such individuals.

1 (5) On January 1, 1988, and on January 1 of each
2 succeeding year, prepare and transmit to the Secretary of
3 the United States Department of Health and Human Services
4 and to the Illinois Secretary of Human Services a report
5 describing the activities, accomplishments and
6 expenditures of the protection and advocacy system during
7 the most recently completed fiscal year.

8 (B) The agency shall have access to all mental health
9 facilities as defined in Sections 1-107 and 1-114 of the Mental
10 Health and Developmental Disabilities Code, all facilities as
11 defined in Section 1-113 of the Nursing Home Care Act, all
12 facilities as defined in Section 1-113 of the Specialized
13 Mental Health Rehabilitation Act, all facilities as defined in
14 Section 1-113 of the ID/DD Community Care Act, all facilities
15 as defined in Section 2.06 of the Child Care Act of 1969, as
16 now or hereafter amended, and all other facilities providing
17 care or treatment to mentally ill persons. Such access shall be
18 granted for the purposes of meeting with residents and staff,
19 informing them of services available from the agency,
20 distributing written information about the agency and the
21 rights of persons who are mentally ill, conducting scheduled
22 and unscheduled visits, and performing other activities
23 designed to protect the rights of mentally ill persons.

24 (C) The agency shall have access to all records of mentally
25 ill persons who are receiving care or treatment from a
26 facility, subject to the limitations of this Act, the Mental

1 Health and Developmental Disabilities Confidentiality Act, the
2 Nursing Home Care Act and the Child Care Act of 1969, as now or
3 hereafter amended. If the mentally ill person has a legal
4 guardian other than the State or a designee of the State, the
5 facility director shall disclose the guardian's name, address
6 and telephone number to the agency upon its request. In cases
7 of conflict with provisions of the Abused and Neglected Child
8 Reporting Act and the Nursing Home Care Act, the provisions of
9 the Abused and Neglected Child Reporting Act and the Nursing
10 Home Care Act shall apply. The agency shall also have access,
11 for the purpose of inspection and copying, to the records of a
12 mentally ill person (i) who by reason of his or her mental or
13 physical condition is unable to authorize the agency to have
14 such access; (ii) who does not have a legal guardian or for
15 whom the State or a designee of the State is the legal
16 guardian; and (iii) with respect to whom a complaint has been
17 received by the agency or with respect to whom there is
18 probable cause to believe that such person has been subjected
19 to abuse or neglect.

20 The agency shall provide written notice to the mentally ill
21 person and the State guardian of the nature of the complaint
22 based upon which the agency has gained access to the records.
23 No record or the contents of the record shall be redisclosed by
24 the agency unless the person who is mentally ill and the State
25 guardian are provided 7 days advance written notice, except in
26 emergency situations, of the agency's intent to redisclose such

1 record. Within such 7-day period, the mentally ill person or
2 the State guardian may seek an injunction prohibiting the
3 agency's redisclosure of such record on the grounds that such
4 redisclosure is contrary to the interests of the mentally ill
5 person.

6 Upon request, the authorized agency shall be entitled to
7 inspect and copy any clinical or trust fund records of mentally
8 ill persons which may further the agency's investigation of
9 alleged problems affecting numbers of mentally ill persons.
10 When required by law, any personally identifiable information
11 of mentally ill persons shall be removed from the records.
12 However, the agency may not inspect or copy any records or
13 other materials when the removal of personally identifiable
14 information imposes an unreasonable burden on any facility as
15 defined by the Mental Health and Developmental Disabilities
16 Code, the Nursing Home Care Act, the Specialized Mental Health
17 Rehabilitation Act, or the Child Care Act of 1969, or any other
18 facility providing care or treatment to mentally ill persons.

19 (D) Prior to instituting any legal action in a federal or
20 State court on behalf of a mentally ill individual, an eligible
21 protection and advocacy system, or a State agency or nonprofit
22 organization which entered into a contract with such an
23 eligible system under Section 104(a) of the federal Protection
24 and Advocacy for Mentally Ill Individuals Act of 1986, shall
25 exhaust in a timely manner all administrative remedies where
26 appropriate. If, in pursuing administrative remedies, the

1 system, State agency or organization determines that any matter
2 with respect to such individual will not be resolved within a
3 reasonable time, the system, State agency or organization may
4 pursue alternative remedies, including the initiation of
5 appropriate legal action.

8 Section 535. The Developmental Disability and Mental
9 Disability Services Act is amended by changing Sections 2-3 and
10 5-1 as follows:

11 (405 ILCS 80/2-3) (from Ch. 91 1/2, par. 1802-3)

12 Sec. 2-3. As used in this Article, unless the context

14 home-based services, but does not require 24-hour-a-day
15 supervision; and who has one of the following conditions:
16 severe autism, severe mental illness, a severe or profound
17 intellectual disability, or severe and multiple impairments.

18 (f) In one's "own home" means that a mentally disabled
19 adult lives alone; or that a mentally disabled adult is in

11 (i) "Severe autism" means a lifelong developmental
12 disability which is typically manifested before 30 months of
13 age and is characterized by severe disturbances in reciprocal
14 social interactions; verbal and nonverbal communication and
15 imaginative activity; and repertoire of activities and
16 interests. A person shall be determined severely autistic, for
17 purposes of this Article, if both of the following are present:

18 (1) Diagnosis consistent with the criteria for
19 autistic disorder in the current edition of the Diagnostic
20 and Statistical Manual of Mental Disorders.

21 (2) Severe disturbances in reciprocal social
22 interactions; verbal and nonverbal communication and
23 imaginative activity; repertoire of activities and
24 interests. A determination of severe autism shall be based
25 upon a comprehensive, documented assessment with an
26 evaluation by a licensed clinical psychologist or

1 psychiatrist. A determination of severe autism shall not be
2 based solely on behaviors relating to environmental,
3 cultural or economic differences.

4 (j) "Severe mental illness" means the manifestation of all
5 of the following characteristics:

6 (1) A primary diagnosis of one of the major mental
7 disorders in the current edition of the Diagnostic and
8 Statistical Manual of Mental Disorders listed below:

9 (A) Schizophrenia disorder.

10 (B) Delusional disorder.

11 (C) Schizo-affective disorder.

12 (D) Bipolar affective disorder.

13 (E) Atypical psychosis.

14 (F) Major depression, recurrent.

15 (2) The individual's mental illness must substantially
16 impair his or her functioning in at least 2 of the
17 following areas:

18 (A) Self-maintenance.

19 (B) Social functioning.

20 (C) Activities of community living.

21 (D) Work skills.

22 (3) Disability must be present or expected to be
23 present for at least one year.

24 A determination of severe mental illness shall be based
25 upon a comprehensive, documented assessment with an evaluation
26 by a licensed clinical psychologist or psychiatrist, and shall

1 not be based solely on behaviors relating to environmental,
2 cultural or economic differences.

3 (k) "Severe or profound intellectual disability" means a
4 manifestation of all of the following characteristics:

5 (1) A diagnosis which meets Classification in Mental
6 Retardation or criteria in the current edition of the
7 Diagnostic and Statistical Manual of Mental Disorders for
8 severe or profound mental retardation (an IQ of 40 or
9 below). This must be measured by a standardized instrument
10 for general intellectual functioning.

11 (2) A severe or profound level of disturbed adaptive
12 behavior. This must be measured by a standardized adaptive
13 behavior scale or informal appraisal by the professional in
14 keeping with illustrations in Classification in Mental
15 Retardation, 1983.

16 (3) Disability diagnosed before age of 18.

17 A determination of a severe or profound intellectual
18 disability shall be based upon a comprehensive, documented
19 assessment with an evaluation by a licensed clinical
20 psychologist or certified school psychologist or a
21 psychiatrist, and shall not be based solely on behaviors
22 relating to environmental, cultural or economic differences.

23 (l) "Severe and multiple impairments" means the
24 manifestation of all of the following characteristics:

25 (1) The evaluation determines the presence of a
26 developmental disability which is expected to continue

1 indefinitely, constitutes a substantial handicap and is
2 attributable to any of the following:

3 (A) Intellectual disability, which is defined as
4 general intellectual functioning that is 2 or more
5 standard deviations below the mean concurrent with
6 impairment of adaptive behavior which is 2 or more
7 standard deviations below the mean. Assessment of the
8 individual's intellectual functioning must be measured
9 by a standardized instrument for general intellectual
10 functioning.

11 (B) Cerebral palsy.

12 (C) Epilepsy.

13 (D) Autism.

14 (E) Any other condition which results in
15 impairment similar to that caused by an intellectual
16 disability and which requires services similar to
17 those required by intellectually disabled persons.

18 (2) The evaluation determines multiple handicaps in
19 physical, sensory, behavioral or cognitive functioning
20 which constitute a severe or profound impairment
21 attributable to one or more of the following:

22 (A) Physical functioning, which severely impairs
23 the individual's motor performance that may be due to:

24 (i) Neurological, psychological or physical
25 involvement resulting in a variety of disabling
26 conditions such as hemiplegia, quadriplegia or

1 ataxia,

2 (ii) Severe organ systems involvement such as
3 congenital heart defect,

4 (iii) Physical abnormalities resulting in the
5 individual being non-mobile and non-ambulatory or
6 confined to bed and receiving assistance in
7 transferring, or

8 (iv) The need for regular medical or nursing
9 supervision such as gastrostomy care and feeding.

10 Assessment of physical functioning must be based
11 on clinical medical assessment by a physician licensed
12 to practice medicine in all its branches, using the
13 appropriate instruments, techniques and standards of
14 measurement required by the professional.

15 (B) Sensory, which involves severe restriction due
16 to hearing or visual impairment limiting the
17 individual's movement and creating dependence in
18 completing most daily activities. Hearing impairment
19 is defined as a loss of 70 decibels aided or speech
20 discrimination of less than 50% aided. Visual
21 impairment is defined as 20/200 corrected in the better
22 eye or a visual field of 20 degrees or less. Sensory
23 functioning must be based on clinical medical
24 assessment by a physician licensed to practice
25 medicine in all its branches using the appropriate
26 instruments, techniques and standards of measurement

1 required by the professional.

2 (C) Behavioral, which involves behavior that is
3 maladaptive and presents a danger to self or others, is
4 destructive to property by deliberately breaking,
5 destroying or defacing objects, is disruptive by
6 fighting, or has other socially offensive behaviors in
7 sufficient frequency or severity to seriously limit
8 social integration. Assessment of behavioral
9 functioning may be measured by a standardized scale or
10 informal appraisal by a clinical psychologist or
11 psychiatrist.

12 (D) Cognitive, which involves intellectual
13 functioning at a measured IQ of 70 or below. Assessment
14 of cognitive functioning must be measured by a
15 standardized instrument for general intelligence.

16 (3) The evaluation determines that development is
17 substantially less than expected for the age in cognitive,
18 affective or psychomotor behavior as follows:

19 (A) Cognitive, which involves intellectual
20 functioning at a measured IQ of 70 or below. Assessment
21 of cognitive functioning must be measured by a
22 standardized instrument for general intelligence.

23 (B) Affective behavior, which involves over and
24 under responding to stimuli in the environment and may
25 be observed in mood, attention to awareness, or in
26 behaviors such as euphoria, anger or sadness that

1 seriously limit integration into society. Affective
2 behavior must be based on clinical assessment using the
3 appropriate instruments, techniques and standards of
4 measurement required by the professional.

5 (C) Psychomotor, which includes a severe
6 developmental delay in fine or gross motor skills so
7 that development in self-care, social interaction,
8 communication or physical activity will be greatly
9 delayed or restricted.

10 (4) A determination that the disability originated
11 before the age of 18 years.

12 A determination of severe and multiple impairments shall be
13 based upon a comprehensive, documented assessment with an
14 evaluation by a licensed clinical psychologist or
15 psychiatrist.

16 If the examiner is a licensed clinical psychologist,
17 ancillary evaluation of physical impairment, cerebral palsy or
18 epilepsy must be made by a physician licensed to practice
19 medicine in all its branches.

20 Regardless of the discipline of the examiner, ancillary
21 evaluation of visual impairment must be made by an
22 ophthalmologist or a licensed optometrist.

23 Regardless of the discipline of the examiner, ancillary
24 evaluation of hearing impairment must be made by an
25 otolaryngologist or an audiologist with a certificate of
26 clinical competency.

1 The only exception to the above is in the case of a person
2 with cerebral palsy or epilepsy who, according to the
3 eligibility criteria listed below, has multiple impairments
4 which are only physical and sensory. In such a case, a
5 physician licensed to practice medicine in all its branches may
6 serve as the examiner.

7 (m) "Twenty-four-hour-a-day supervision" means
8 24-hour-a-day care by a trained mental health or developmental
9 disability professional on an ongoing basis.

18 well as all other agencies or programs which provide home-based
19 or community-based services to the mentally disabled, except
20 those services, programs or agencies established under or
21 otherwise subject to the Child Care Act of 1969, the
22 Specialized Mental Health Rehabilitation Act, or the ID/DD
23 Community Care Act, as now or hereafter amended, and this Act
24 shall not be construed to limit the application of those Acts.

13 Section 545. The Newborn Metabolic Screening Act is amended
14 by changing Section 2 as follows:

15 (410 ILCS 240/2) (from Ch. 111 1/2, par. 4904)

16 Sec. 2. The Department of Public Health shall administer
17 the provisions of this Act and shall:

18 (a) Institute and carry on an intensive educational program
19 among physicians, hospitals, public health nurses and the
20 public concerning the diseases phenylketonuria,
21 hypothyroidism, galactosemia and other metabolic diseases.
22 This educational program shall include information about the
23 nature of the diseases and examinations for the detection of
24 the diseases in early infancy in order that measures may be

1 taken to prevent the intellectual disabilities resulting from
2 the diseases.

3 (a-5) Beginning July 1, 2002, provide all newborns with
4 expanded screening tests for the presence of genetic,
5 endocrine, or other metabolic disorders, including
6 phenylketonuria, galactosemia, hypothyroidism, congenital
7 adrenal hyperplasia, biotinidase deficiency, and sickling
8 disorders, as well as other amino acid disorders, organic acid
9 disorders, fatty acid oxidation disorders, and other
10 abnormalities detectable through the use of a tandem mass
11 spectrometer. If by July 1, 2002, the Department is unable to
12 provide expanded screening using the State Laboratory, it shall
13 temporarily provide such screening through an accredited
14 laboratory selected by the Department until the Department has
15 the capacity to provide screening through the State Laboratory.
16 If expanded screening is provided on a temporary basis through
17 an accredited laboratory, the Department shall substitute the
18 fee charged by the accredited laboratory, plus a 5% surcharge
19 for documentation and handling, for the fee authorized in
20 subsection (e) of this Section.

21 (a-6) In accordance with the timetable specified in this
22 subsection, provide all newborns with expanded screening tests
23 for the presence of certain Lysosomal Storage Disorders known
24 as Krabbe, Pompe, Gaucher, Fabry, and Niemann-Pick. The testing
25 shall begin within 6 months following the occurrence of all of
26 the following:

1 (i) the establishment and verification of relevant and
2 appropriate performance specifications as defined under
3 the federal Clinical Laboratory Improvement Amendments and
4 regulations thereunder for Federal Drug
5 Administration-cleared or in-house developed methods,
6 performed under an institutional review board approved
7 protocol, if required;

8 (ii) the availability of quality assurance testing
9 methodology for these processes;

10 (iii) the acquisition and installment by the
11 Department of the equipment necessary to implement the
12 expanded screening tests;

13 (iv) establishment of precise threshold values
14 ensuring defined disorder identification for each
15 screening test;

16 (v) authentication of pilot testing achieving each
17 milestone described in items (i) through (iv) of this
18 subsection (a-6) for each disorder screening test; and

19 (vi) authentication achieving potentiality of high
20 throughput standards for statewide volume of each disorder
21 screening test concomitant with each milestone described
22 in items (i) through (iv) of this subsection (a-6).

23 It is the goal of Public Act 97-532 ~~this amendatory Act of~~
24 ~~the 97th General Assembly~~ that the expanded screening for the
25 specified Lysosomal Storage Disorders begins within 2 years
26 after August 23, 2011 (the effective date of Public Act 97-532)

1 ~~this amendatory Act of the 97th General Assembly.~~ The
2 Department is authorized to implement an additional fee for the
3 screening prior to beginning the testing in order to accumulate
4 the resources for start-up and other costs associated with
5 implementation of the screening and thereafter to support the
6 costs associated with screening and follow-up programs for the
7 specified Lysosomal Storage Disorders.

8 (a-7) In accordance with the timetable specified in this
9 subsection (a-7), provide all newborns with expanded screening
10 tests for the presence of Severe Combined Immunodeficiency
11 Disease (SCID). The testing shall begin within 12 months
12 following the occurrence of all of the following:

13 (i) the establishment and verification of relevant and
14 appropriate performance specifications as defined under
15 the federal Clinical Laboratory Improvement Amendments and
16 regulations thereunder for Federal Drug
17 Administration-cleared or in-house developed methods,
18 performed under an institutional review board approved
19 protocol, if required;

20 (ii) the availability of quality assurance testing and
21 comparative threshold values for SCID;

22 (iii) the acquisition and installment by the
23 Department of the equipment necessary to implement the
24 initial pilot and expanded statewide volume of screening
25 tests for SCID;

26 (iv) establishment of precise threshold values

1 ensuring defined disorder identification for SCID;

2 (v) authentication of pilot testing achieving each
3 milestone described in items (i) through (iv) of this
4 subsection (a-7) for SCID; and

5 (vi) authentication achieving potentiality of high
6 throughput standards for statewide volume of the SCID
7 screening test concomitant with each milestone described
8 in items (i) through (iv) of this subsection (a-7).

9 It is the goal of Public Act 97-532 ~~this amendatory Act of~~
10 ~~the 97th General Assembly~~ that the expanded screening for
11 Severe Combined Immunodeficiency Disease begins within 2 years
12 after August 23, 2011 (the effective date of Public Act 97-532)
13 ~~this amendatory Act of the 97th General Assembly~~. The
14 Department is authorized to implement an additional fee for the
15 screening prior to beginning the testing in order to accumulate
16 the resources for start-up and other costs associated with
17 implementation of the screening and thereafter to support the
18 costs associated with screening and follow-up programs for
19 Severe Combined Immunodeficiency Disease.

20 (a-8) In accordance with the timetable specified in this
21 subsection (a-8), provide all newborns with expanded screening
22 tests for the presence of certain Lysosomal Storage Disorders
23 known as Mucopolysaccharidosis I (Hurlers) and
24 Mucopolysaccharidosis II (Hunters). The testing shall begin
25 within 12 months following the occurrence of all of the
26 following:

1 (i) the establishment and verification of relevant and
2 appropriate performance specifications as defined under
3 the federal Clinical Laboratory Improvement Amendments and
4 regulations thereunder for Federal Drug
5 Administration-cleared or in-house developed methods,
6 performed under an institutional review board approved
7 protocol, if required;

8 (ii) the availability of quality assurance testing and
9 comparative threshold values for each screening test and
10 accompanying disorder;

11 (iii) the acquisition and installment by the
12 Department of the equipment necessary to implement the
13 initial pilot and expanded statewide volume of screening
14 tests for each disorder;

15 (iv) establishment of precise threshold values
16 ensuring defined disorder identification for each
17 screening test;

18 (v) authentication of pilot testing achieving each
19 milestone described in items (i) through (iv) of this
20 subsection (a-8) for each disorder screening test; and

21 (vi) authentication achieving potentiality of high
22 throughput standards for statewide volume of each disorder
23 screening test concomitant with each milestone described
24 in items (i) through (iv) of this subsection (a-8).

25 It is the goal of Public Act 97-532 ~~this amendatory Act of~~
26 ~~the 97th General Assembly~~ that the expanded screening for the

1 specified Lysosomal Storage Disorders begins within 3 years
2 after August 23, 2011 (the effective date of Public Act 97-532)
3 ~~this amendatory Act of the 97th General Assembly~~. The
4 Department is authorized to implement an additional fee for the
5 screening prior to beginning the testing in order to accumulate
6 the resources for start-up and other costs associated with
7 implementation of the screening and thereafter to support the
8 costs associated with screening and follow-up programs for the
9 specified Lysosomal Storage Disorders.

10 (b) Maintain a registry of cases including information of
11 importance for the purpose of follow-up services to prevent
12 intellectual disabilities.

13 (c) Supply the necessary metabolic treatment formulas
14 where practicable for diagnosed cases of amino acid metabolism
15 disorders, including phenylketonuria, organic acid disorders,
16 and fatty acid oxidation disorders for as long as medically
17 indicated, when the product is not available through other
18 State agencies.

19 (d) Arrange for or provide public health nursing, nutrition
20 and social services and clinical consultation as indicated.

21 (e) Require that all specimens collected pursuant to this
22 Act or the rules and regulations promulgated hereunder be
23 submitted for testing to the nearest Department of Public
24 Health laboratory designated to perform such tests. The
25 Department may develop a reasonable fee structure and may levy
26 fees according to such structure to cover the cost of providing

1 this testing service. Fees collected from the provision of this
2 testing service shall be placed in a special fund in the State
3 Treasury, hereafter known as the Metabolic Screening and
4 Treatment Fund. Other State and federal funds for expenses
5 related to metabolic screening, follow-up and treatment
6 programs may also be placed in such Fund. Moneys shall be
7 appropriated from such Fund to the Department of Public Health
8 solely for the purposes of providing metabolic screening,
9 follow-up and treatment programs. Nothing in this Act shall be
10 construed to prohibit any licensed medical facility from
11 collecting additional specimens for testing for metabolic or
12 neonatal diseases or any other diseases or conditions, as it
13 deems fit. Any person violating the provisions of this
14 subsection (e) is guilty of a petty offense.

17 Section 550. The Sanitary Food Preparation Act is amended
18 by changing Section 11 as follows:

19 (410 ILCS 650/11) (from Ch. 56 1/2, par. 77)

20 Sec. 11. Except as hereinafter provided and as provided in
21 Sections ~~Section~~ 3.3 and 4 of the Food Handling Regulation
22 Enforcement Act, the Department of Public Health shall enforce
23 this Act, and for that purpose it may at all times enter every
24 such building, room, basement, inclosure or premises occupied

1 or used or suspected of being occupied or used for the
2 production, preparation or manufacture for sale, or the
3 storage, sale, distribution or transportation of such food, to
4 inspect the premises and all utensils, fixtures, furniture and
5 machinery used as aforesaid; and if upon inspection any such
6 food producing or distribution establishment, conveyance, or
7 employer, employee, clerk, driver or other person is found to
8 be violating any of the provisions of this Act, or if the
9 production, preparation, manufacture, packing, storage, sale,
10 distribution or transportation of such food is being conducted
11 in a manner detrimental to the health of the employees and
12 operatives, or to the character or quality of the food therein
13 being produced, manufactured, packed, stored, sold,
14 distributed or conveyed, the officer or inspector making the
15 inspection or examination shall report such conditions and
16 violations to the Department. The Department of Agriculture
17 shall have exclusive jurisdiction for the enforcement of this
18 Act insofar as it relates to establishments defined by Section
19 2.5 of "The Meat and Poultry Inspection Act", approved July 22,
20 1959, as heretofore or hereafter amended. The Department of
21 Agriculture or Department of Public Health, as the case may be,
22 shall thereupon issue a written order to the person, firm or
23 corporation responsible for the violation or condition
24 aforesaid to abate such condition or violation or to make such
25 changes or improvements as may be necessary to abate them,
26 within such reasonable time as may be required. Notice of the

1 order may be served by delivering a copy thereof to the person,
2 firm or corporation, or by sending a copy thereof by registered
3 mail, and the receipt thereof through the post office shall be
4 prima facie evidence that notice of the order has been
5 received. Such person, firm or corporation may appear in person
6 or by attorney before the Department of Agriculture or the
7 Department of Public Health, as the case may be, within the
8 time limited in the order, and shall be given an opportunity to
9 be heard and to show why such order or instructions should not
10 be obeyed. The hearing shall be under such rules and
11 regulations as may be prescribed by the Department of
12 Agriculture or the Department of Public Health, as the case may
13 be. If after such hearing it appears that this Act has not been
14 violated, the order shall be rescinded. If it appears that this
15 Act is being violated, and that the person, firm or corporation
16 notified is responsible therefor, the previous order shall be
17 confirmed or amended, as the facts shall warrant, and shall
18 thereupon be final, but such additional time as is necessary
19 may be granted within which to comply with the final order. If
20 such person, firm or corporation is not present or represented
21 when such final order is made, notice thereof shall be given as
22 above provided. On failure of the party or parties to comply
23 with the first order of the Department of Agriculture or the
24 Department of Public Health, as the case may be, within the
25 time prescribed, when no hearing is demanded, or upon failure
26 to comply with the final order within the time specified, the

1 Department shall certify the facts to the State's Attorney of
2 the county in which such violation occurred, and such State's
3 Attorney shall proceed against the party or parties for the
4 fines and penalties provided by this Act, and also for the
5 abatement of the nuisance: Provided, that the proceedings
6 herein prescribed for the abatement of nuisances as defined in
7 this Act shall not in any manner relieve the violator from
8 prosecution in the first instance for every such violation, nor
9 from the penalties for such violation prescribed by Section 13.

7 general construction or demolition debris to separate the
8 recyclable general construction or demolition debris,
9 recovered wood that is processed for use as fuel, and
10 general construction or demolition debris that is
11 processed for use at a landfill from the non-recyclable
12 general construction or demolition debris that is to be
13 disposed of or discarded.

14 (2) Transport off site for disposal, in accordance with
15 all applicable federal, State, and local requirements
16 within 72 hours after its receipt at the facility, all
17 non-usable or non-recyclable general construction or
18 demolition debris that is not recyclable general
19 construction or demolition debris, recovered wood that is
20 processed for use as fuel, or general construction or
21 demolition debris that is processed for use at a landfill.

22 (3) Limit the percentage of incoming non-recyclable
23 general construction or demolition debris to 25% or less of
24 the total incoming general construction or demolition
25 debris, so that 75% or more of the general construction or
26 demolition debris accepted, as calculated monthly on a

1 rolling 12-month average, consists of recyclable general
2 construction or demolition debris, recovered wood that is
3 processed for use as fuel, or general construction or
4 demolition debris that is processed for use at a landfill
5 except that general construction or demolition debris
6 processed for use at a landfill shall not exceed 35% of the
7 general construction or demolition debris accepted on a
8 rolling 12-month average basis. The percentages in this
9 paragraph (3) of subsection (b) shall be calculated by
10 weight, using scales located at the facility that are
11 certified under the Weights and Measures Act.

12 (4) Within 6 months after its receipt at the facility,
13 transport:

14 (A) all non-putrescible recyclable general
15 construction or demolition debris for recycling or
16 disposal; and

17 (B) all non-putrescible general construction or
18 demolition debris that is processed for use at a
19 landfill to a MSWLF unit for use or disposal.

20 (5) Within 45 days after its receipt at the facility,
21 transport:

22 (A) all putrescible or combustible recyclable
23 general construction or demolition debris (excluding
24 recovered wood that is processed for use as fuel) for
25 recycling or disposal;

26 (B) all recovered wood that is processed for use as

1 fuel to an intermediate processing facility for
2 sizing, to a combustion facility for use as fuel, or to
3 a disposal facility; and

4 (C) all putrescible general construction or
5 demolition debris that is processed for use at a
6 landfill to a MSWLF unit for use or disposal.

7 (6) Employ tagging and recordkeeping procedures to (i)
8 demonstrate compliance with this Section and (ii) identify
9 the source and transporter of material accepted by the
10 facility.

11 (7) Control odor, noise, combustion of materials,
12 disease vectors, dust, and litter.

13 (8) Control, manage, and dispose of any storm water
14 runoff and leachate generated at the facility in accordance
15 with applicable federal, State, and local requirements.

16 (9) Control access to the facility.

17 (10) Comply with all applicable federal, State, or
18 local requirements for the handling, storage,
19 transportation, or disposal of asbestos-containing
20 material or other material accepted at the facility that is
21 not general construction or demolition debris.

22 (11) Prior to August 24, 2009 (the effective date of
23 Public Act 96-611), submit to the Agency at least 30 days

2 the facility owner and operator;

3 (B) the street address and location of the
4 facility;

5 (C) a description of facility operations;

6 (D) a description of the tagging and recordkeeping
7 procedures the facility will employ to (i) demonstrate
8 compliance with this Section and (ii) identify the
9 source and transporter of any material accepted by the
10 facility;

11 (E) the name and location of the disposal sites to
12 be used for the disposal of any general construction or
13 demolition debris received at the facility that must be
14 disposed of;

15 (F) the name and location of an individual,
16 facility, or business to which recyclable materials
17 will be transported;

18 (G) the name and location of intermediate
19 processing facilities or combustion facilities to
20 which recovered wood that is processed for use as fuel
21 will be transported; and

22 (H) other information as specified on the form
23 provided by the Agency.

24 (12) On or after August 24, 2009 (the effective date of
25 Public Act 96-611), obtain a permit issued by the Agency
26 prior to the initial acceptance of general construction or

1 demolition debris at the facility.

2 When any of the information contained or processes
3 described in the initial notification form submitted to the
4 Agency under paragraph (11) of subsection (b) of this
5 Section changes, the owner and operator shall submit an
6 updated form within 14 days of the change.

7 (c) For purposes of this Section, the term "recyclable
8 general construction or demolition debris" means general
9 construction or demolition debris that has been rendered
10 reusable and is reused or that would otherwise be disposed of
11 or discarded but is collected, separated, or processed and
12 returned to the economic mainstream in the form of raw
13 materials or products. "Recyclable general construction or
14 demolition debris" does not include (i) general construction or
15 demolition debris processed for use as fuel, incinerated,
16 burned, buried, or otherwise used as fill material or (ii)
17 general construction or demolition debris that is processed for
18 use at a landfill.

19 (d) For purposes of this Section, "treatment" means
20 processing designed to alter the physical nature of the general
21 construction or demolition debris, including but not limited to
22 size reduction, crushing, grinding, or homogenization, but
23 does not include processing designed to change the chemical
24 nature of the general construction or demolition debris.

25 (e) For purposes of this Section, "recovered wood that is
26 processed for use as fuel" means wood that has been salvaged

1 from general construction or demolition debris and processed
2 for use as fuel, as authorized by the applicable state or
3 federal environmental regulatory authority, and supplied only
4 to intermediate processing facilities for sizing, or to
5 combustion facilities for use as fuel, that have obtained all
6 necessary waste management and air permits for handling and
7 combustion of the fuel.

8 (f) For purposes of this Section, "non-recyclable general
9 construction or demolition debris" does not include "recovered
10 wood that is processed for use as fuel" or general construction
11 or demolition debris that is processed for use at a landfill.

12 (g) Recyclable general construction or demolition debris,
13 recovered wood that is processed for use as fuel, and general
14 construction or demolition debris that is processed for use at
15 a landfill shall not be considered as meeting the 75% diversion
16 requirement for purposes of subdivision (b) (3) of this Section
17 if sent for disposal at the end of the applicable retention
18 period.

19 (h) For the purposes of this Section, "general construction
20 or demolition debris that is processed for use at a landfill"
21 means general construction or demolition debris that is
22 processed for use at a MSWLF unit as alternative daily cover,
23 road building material, or drainage structure building
24 material in accordance with the MSWLF unit's waste disposal
25 permit issued by the Agency under this Act.

26 (i) ~~(h)~~ For purposes of the 75% diversion requirement under

1 subdivision (b)(3) of this Section, owners and operators of
2 facilities accepting exclusively general construction or
3 demolition debris for transfer, storage, or treatment may
4 multiply by 2 the amount of accepted asphalt roofing shingles
5 that are transferred to a facility for recycling in accordance
6 with a beneficial use determination issued under Section 22.54
7 of this Act. The owner or operator of the facility accepting
8 exclusively general construction or demolition debris for
9 transfer, storage, or treatment must maintain receipts from the
10 shingle recycling facility that document the amounts of asphalt
11 roofing shingles transferred for recycling in accordance with
12 the beneficial use determination. All receipts must be
13 maintained for a minimum of 3 years and must be made available
14 to the Agency for inspection and copying during normal business
15 hours.

5 Waste if he disposes of hazardous waste, and his acts which
6 cause the hazardous waste to be disposed of, whether or not
7 those acts are undertaken pursuant to or under color of any
8 permit or license, are performed with a conscious disregard
9 of a substantial and unjustifiable risk that such disposing

20 (625 ILCS 5/6-201)

21 Sec. 6-201. Authority to cancel licenses and permits.

22 (a) The Secretary of State is authorized to cancel any
23 license or permit upon determining that the holder thereof:

24 1. was not entitled to the issuance thereof hereunder;

25 or

1 2. failed to give the required or correct information
2 in his application; or

3 3. failed to pay any fees, civil penalties owed to the
4 Illinois Commerce Commission, or taxes due under this Act
5 and upon reasonable notice and demand; or

6 4. committed any fraud in the making of such
7 application; or

8 5. is ineligible therefor under the provisions of
9 Section 6-103 of this Act, as amended; or

10 6. has refused or neglected to submit an alcohol, drug,
11 and intoxicating compound evaluation or to submit to
12 examination or re-examination as required under this Act;
13 or

14 7. has been convicted of violating the Cannabis Control
15 Act, the Illinois Controlled Substances Act, the
16 Methamphetamine Control and Community Protection Act, or
17 the Use of Intoxicating Compounds Act while that individual
18 was in actual physical control of a motor vehicle. For
19 purposes of this Section, any person placed on probation
20 under Section 10 of the Cannabis Control Act, Section 410
21 of the Illinois Controlled Substances Act, or Section 70 of
22 the Methamphetamine Control and Community Protection Act
23 shall not be considered convicted. Any person found guilty
24 of this offense, while in actual physical control of a
25 motor vehicle, shall have an entry made in the court record
26 by the judge that this offense did occur while the person

1 was in actual physical control of a motor vehicle and order
2 the clerk of the court to report the violation to the
3 Secretary of State as such. After the cancellation, the
4 Secretary of State shall not issue a new license or permit
5 for a period of one year after the date of cancellation.
6 However, upon application, the Secretary of State may, if
7 satisfied that the person applying will not endanger the
8 public safety, or welfare, issue a restricted driving
9 permit granting the privilege of driving a motor vehicle
10 between the petitioner's residence and petitioner's place
11 of employment or within the scope of the petitioner's
12 employment related duties, or to allow transportation for
13 the petitioner or a household member of the petitioner's
14 family for the receipt of necessary medical care, or
15 provide transportation for the petitioner to and from
16 alcohol or drug remedial or rehabilitative activity
17 recommended by a licensed service provider, or for the
18 petitioner to attend classes, as a student, in an
19 accredited educational institution. The petitioner must
20 demonstrate that no alternative means of transportation is
21 reasonably available; provided that the Secretary's
22 discretion shall be limited to cases where undue hardship,
23 as defined by the rules of the Secretary of State, would
24 result from a failure to issue such restricted driving
25 permit. In each case the Secretary of State may issue such
26 restricted driving permit for such period as he deems

1 appropriate, except that such permit shall expire within
2 one year from the date of issuance. A restricted driving
3 permit issued hereunder shall be subject to cancellation,
4 revocation and suspension by the Secretary of State in like
5 manner and for like cause as a driver's license issued
6 hereunder may be cancelled, revoked or suspended; except
7 that a conviction upon one or more offenses against laws or
8 ordinances regulating the movement of traffic shall be
9 deemed sufficient cause for the revocation, suspension or
10 cancellation of a restricted driving permit. The Secretary
11 of State may, as a condition to the issuance of a
12 restricted driving permit, require the applicant to
13 participate in a driver remedial or rehabilitative
14 program. In accordance with 49 C.F.R. 384, the Secretary of
15 State may not issue a restricted driving permit for the
16 operation of a commercial motor vehicle to a person holding
17 a CDL whose driving privileges have been revoked,
18 suspended, cancelled, or disqualified under this Code; or

19 8. failed to submit a report as required by Section
20 6-116.5 of this Code; or

21 9. has been convicted of a sex offense as defined in
22 the Sex Offender Registration Act. The driver's license
23 shall remain cancelled until the driver registers as a sex
24 offender as required by the Sex Offender Registration Act,
25 proof of the registration is furnished to the Secretary of
26 State and the sex offender provides proof of current

1 address to the Secretary; or

2 10. is ineligible for a license or permit under Section
3 6-107, 6-107.1, or 6-108 of this Code; or

4 11. refused or neglected to appear at a Driver Services
5 facility to have the license or permit corrected and a new
6 license or permit issued or to present documentation for
7 verification of identity; or

8 12. failed to submit a medical examiner's certificate
9 or medical variance as required by 49 C.F.R. 383.71 or
10 submitted a fraudulent medical examiner's certificate or
11 medical variance.

12 (b) Upon such cancellation the licensee or permittee must
13 surrender the license or permit so cancelled to the Secretary
14 of State.

15 (c) Except as provided in Sections 6-206.1 and 7-702.1, the
16 Secretary of State shall have exclusive authority to grant,
17 issue, deny, cancel, suspend and revoke driving privileges,
18 drivers' licenses and restricted driving permits.

19 (d) The Secretary of State may adopt rules to implement
20 this Section.

23 (625 ILCS 5/6-206.1) (from Ch. 95 1/2, par. 6-206.1)

24 Sec. 6-206.1. Monitoring Device Driving Permit.
25 Declaration of Policy. It is hereby declared a policy of the

1 State of Illinois that the driver who is impaired by alcohol,
2 other drug or drugs, or intoxicating compound or compounds is a
3 threat to the public safety and welfare. Therefore, to provide
4 a deterrent to such practice, a statutory summary driver's
5 license suspension is appropriate. It is also recognized that
6 driving is a privilege and therefore, that the granting of
7 driving privileges, in a manner consistent with public safety,
8 is warranted during the period of suspension in the form of a
9 monitoring device driving permit. A person who drives and fails
10 to comply with the requirements of the monitoring device
11 driving permit commits a violation of Section 6-303 of this
12 Code.

13 The following procedures shall apply whenever a first
14 offender, as defined in Section 11-500 of this Code, is
15 arrested for any offense as defined in Section 11-501 or a
16 similar provision of a local ordinance and is subject to the
17 provisions of Section 11-501.1:

18 (a) Upon mailing of the notice of suspension of driving
19 privileges as provided in subsection (h) of Section 11-501.1 of
20 this Code, the Secretary shall also send written notice
21 informing the person that he or she will be issued a monitoring
22 device driving permit (MDDP). The notice shall include, at
23 minimum, information summarizing the procedure to be followed
24 for issuance of the MDDP, installation of the breath alcohol
25 ignition installation device (BAIID), as provided in this
26 Section, exemption from BAIID installation requirements, and

1 procedures to be followed by those seeking indigent status, as
2 provided in this Section. The notice shall also include
3 information summarizing the procedure to be followed if the
4 person wishes to decline issuance of the MDDP. A copy of the
5 notice shall also be sent to the court of venue together with
6 the notice of suspension of driving privileges, as provided in
7 subsection (h) of Section 11-501. However, a MDDP shall not be
8 issued if the Secretary finds that:

9 (1) The offender's driver's license is otherwise
10 invalid;

11 (2) Death or great bodily harm resulted from the arrest
12 for Section 11-501;

13 (3) The offender has been previously convicted of
14 reckless homicide or aggravated driving under the
15 influence involving death; or

16 (4) The offender is less than 18 years of age.

17 Any offender participating in the MDDP program must pay the
18 Secretary a MDDP Administration Fee in an amount not to exceed
19 \$30 per month, to be deposited into the Monitoring Device
20 Driving Permit Administration Fee Fund. The Secretary shall
21 establish by rule the amount and the procedures, terms, and
22 conditions relating to these fees. The offender must have an
23 ignition interlock device installed within 14 days of the date
24 the Secretary issues the MDDP. The ignition interlock device
25 provider must notify the Secretary, in a manner and form
26 prescribed by the Secretary, of the installation. If the

1 Secretary does not receive notice of installation, the
2 Secretary shall cancel the MDDP.

3 A MDDP shall not become effective prior to the 31st day of
4 the original statutory summary suspension.

5 Upon receipt of the notice, as provided in paragraph (a) of
6 this Section, the person may file a petition to decline
7 issuance of the MDDP with the court of venue. The court shall
8 admonish the offender of all consequences of declining issuance
9 of the MDDP including, but not limited to, the enhanced
10 penalties for driving while suspended. After being so
11 admonished, the offender shall be permitted, in writing, to
12 execute a notice declining issuance of the MDDP. This notice
13 shall be filed with the court and forwarded by the clerk of the
14 court to the Secretary. The offender may, at any time
15 thereafter, apply to the Secretary for issuance of a MDDP.

16 (a-1) A person issued a MDDP may drive for any purpose and
17 at any time, subject to the rules adopted by the Secretary
18 under subsection (g). The person must, at his or her own
19 expense, drive only vehicles equipped with an ignition
20 interlock device as defined in Section 1-129.1, but in no event
21 shall such person drive a commercial motor vehicle.

22 (a-2) Persons who are issued a MDDP and must drive
23 employer-owned vehicles in the course of their employment
24 duties may seek permission to drive an employer-owned vehicle
25 that does not have an ignition interlock device. The employer
26 shall provide to the Secretary a form, as prescribed by the

1 Secretary, completed by the employer verifying that the
2 employee must drive an employer-owned vehicle in the course of
3 employment. If approved by the Secretary, the form must be in
4 the driver's possession while operating an employer-owner
5 vehicle not equipped with an ignition interlock device. No
6 person may use this exemption to drive a school bus, school
7 vehicle, or a vehicle designed to transport more than 15
8 passengers. No person may use this exemption to drive an
9 employer-owned motor vehicle that is owned by an entity that is
10 wholly or partially owned by the person holding the MDDP, or by
11 a family member of the person holding the MDDP. No person may
12 use this exemption to drive an employer-owned vehicle that is
13 made available to the employee for personal use. No person may
14 drive the exempted vehicle more than 12 hours per day, 6 days
15 per week.

16 (a-3) Persons who are issued a MDDP and who must drive a
17 farm tractor to and from a farm, within 50 air miles from the
18 originating farm are exempt from installation of a BAIID on the
19 farm tractor, so long as the farm tractor is being used for the
20 exclusive purpose of conducting farm operations.

21 (b) (Blank).

22 (c) (Blank).

23 (c-1) If the holder of the MDDP is convicted of or receives
24 court supervision for a violation of Section 6-206.2, 6-303,
25 11-204, 11-204.1, 11-401, 11-501, 11-503, 11-506 or a similar
26 provision of a local ordinance or a similar out-of-state

1 offense or is convicted of or receives court supervision for
2 any offense for which alcohol or drugs is an element of the
3 offense and in which a motor vehicle was involved (for an
4 arrest other than the one for which the MDDP is issued), or
5 de-installs the BAIID without prior authorization from the
6 Secretary, the MDDP shall be cancelled.

7 (c-5) If the Secretary determines that the person seeking
8 the MDDP is indigent, the Secretary shall provide the person
9 with a written document as evidence of that determination, and
10 the person shall provide that written document to an ignition
11 interlock device provider. The provider shall install an
12 ignition interlock device on that person's vehicle without
13 charge to the person, and seek reimbursement from the Indigent
14 BAIID Fund. If the Secretary has deemed an offender indigent,
15 the BAIID provider shall also provide the normal monthly
16 monitoring services and the de-installation without charge to
17 the offender and seek reimbursement from the Indigent BAIID
18 Fund. Any other monetary charges, such as a lockout fee or
19 reset fee, shall be the responsibility of the MDDP holder. A
20 BAIID provider may not seek a security deposit from the
21 Indigent BAIID Fund.

22 (d) MDDP information shall be available only to the courts,
23 police officers, and the Secretary, except during the actual
24 period the MDDP is valid, during which time it shall be a
25 public record.

26 (e) (Blank).

1 (f) (Blank).

2 (g) The Secretary shall adopt rules for implementing this
3 Section. The rules adopted shall address issues including, but
4 not limited to: compliance with the requirements of the MDDP;
5 methods for determining compliance with those requirements;
6 the consequences of noncompliance with those requirements;
7 what constitutes a violation of the MDDP; methods for
8 determining indigency; and the duties of a person or entity
9 that supplies the ignition interlock device.

10 (h) The rules adopted under subsection (g) shall provide,
11 at a minimum, that the person is not in compliance with the
12 requirements of the MDDP if he or she:

13 (1) tampers or attempts to tamper with or circumvent
14 the proper operation of the ignition interlock device;

15 (2) provides valid breath samples that register blood
16 alcohol levels in excess of the number of times allowed
17 under the rules;

18 (3) fails to provide evidence sufficient to satisfy the
19 Secretary that the ignition interlock device has been
20 installed in the designated vehicle or vehicles; or

21 (4) fails to follow any other applicable rules adopted
22 by the Secretary.

23 (i) Any person or entity that supplies an ignition
24 interlock device as provided under this Section shall, in
25 addition to supplying only those devices which fully comply
26 with all the rules adopted under subsection (g), provide the

1 Secretary, within 7 days of inspection, all monitoring reports
2 of each person who has had an ignition interlock device
3 installed. These reports shall be furnished in a manner or form
4 as prescribed by the Secretary.

5 (j) Upon making a determination that a violation of the
6 requirements of the MDDP has occurred, the Secretary shall
7 extend the summary suspension period for an additional 3 months
8 beyond the originally imposed summary suspension period,
9 during which time the person shall only be allowed to drive
10 vehicles equipped with an ignition interlock device; provided
11 further there are no limitations on the total number of times
12 the summary suspension may be extended. The Secretary may,
13 however, limit the number of extensions imposed for violations
14 occurring during any one monitoring period, as set forth by
15 rule. Any person whose summary suspension is extended pursuant
16 to this Section shall have the right to contest the extension
17 through a hearing with the Secretary, pursuant to Section 2-118
18 of this Code. If the summary suspension has already terminated
19 prior to the Secretary receiving the monitoring report that
20 shows a violation, the Secretary shall be authorized to suspend
21 the person's driving privileges for 3 months, provided that the
22 Secretary may, by rule, limit the number of suspensions to be
23 entered pursuant to this paragraph for violations occurring
24 during any one monitoring period. Any person whose license is
25 suspended pursuant to this paragraph, after the summary
26 suspension had already terminated, shall have the right to

1 contest the suspension through a hearing with the Secretary,
2 pursuant to Section 2-118 of this Code. The only permit the
3 person shall be eligible for during this new suspension period
4 is a MDDP.

5 (k) A person who has had his or her summary suspension
6 extended for the third time, or has any combination of 3
7 extensions and new suspensions, entered as a result of a
8 violation that occurred while holding the MDDP, so long as the
9 extensions and new suspensions relate to the same summary
10 suspension, shall have his or her vehicle impounded for a
11 period of 30 days, at the person's own expense. A person who
12 has his or her summary suspension extended for the fourth time,
13 or has any combination of 4 extensions and new suspensions,
14 entered as a result of a violation that occurred while holding
15 the MDDP, so long as the extensions and new suspensions relate
16 to the same summary suspension, shall have his or her vehicle
17 subject to seizure and forfeiture. The Secretary shall notify
18 the prosecuting authority of any third or fourth extensions or
19 new suspension entered as a result of a violation that occurred
20 while the person held a MDDP. Upon receipt of the notification,
21 the prosecuting authority shall impound or forfeit the vehicle.
22 The impoundment or forfeiture of a vehicle shall be conducted
23 pursuant to the procedure specified in Article 36 of the
24 Criminal Code of 1961.

25 (l) A person whose driving privileges have been suspended
26 under Section 11-501.1 of this Code and who had a MDDP that was

1 cancelled, or would have been cancelled had notification of a
2 violation been received prior to expiration of the MDDP,
3 pursuant to subsection (c-1) of this Section, shall not be
4 eligible for reinstatement when the summary suspension is
5 scheduled to terminate. Instead, the person's driving
6 privileges shall be suspended for a period of not less than
7 twice the original summary suspension period, or for the length
8 of any extensions entered under subsection (j), whichever is
9 longer. During the period of suspension, the person shall be
10 eligible only to apply for a restricted driving permit. If a
11 restricted driving permit is granted, the offender may only
12 operate vehicles equipped with a BAIID in accordance with this
13 Section.

14 (m) Any person or entity that supplies an ignition
15 interlock device under this Section shall, for each ignition
16 interlock device installed, pay 5% of the total gross revenue
17 received for the device, including monthly monitoring fees,
18 into the Indigent BAIID Fund. This 5% shall be clearly
19 indicated as a separate surcharge on each invoice that is
20 issued. The Secretary shall conduct an annual review of the
21 fund to determine whether the surcharge is sufficient to
22 provide for indigent users. The Secretary may increase or
23 decrease this surcharge requirement as needed.

24 (n) Any person or entity that supplies an ignition
25 interlock device under this Section that is requested to
26 provide an ignition interlock device to a person who presents

1 written documentation of indigency from the Secretary, as
2 provided in subsection (c-5) of this Section, shall install the
3 device on the person's vehicle without charge to the person and
4 shall seek reimbursement from the Indigent BAIID Fund.

5 (o) The Indigent BAIID Fund is created as a special fund in
6 the State treasury. The Secretary shall, subject to
7 appropriation by the General Assembly, use all money in the
8 Indigent BAIID Fund to reimburse ignition interlock device
9 providers who have installed devices in vehicles of indigent
10 persons. The Secretary shall make payments to such providers
11 every 3 months. If the amount of money in the fund at the time
12 payments are made is not sufficient to pay all requests for
13 reimbursement submitted during that 3 month period, the
14 Secretary shall make payments on a pro-rata basis, and those
15 payments shall be considered payment in full for the requests
16 submitted.

17 (p) The Monitoring Device Driving Permit Administration
18 Fee Fund is created as a special fund in the State treasury.
19 The Secretary shall, subject to appropriation by the General
20 Assembly, use the money paid into this fund to offset its
21 administrative costs for administering MDDPs.

22 (q) The Secretary is authorized to prescribe such forms as
23 it deems necessary to carry out the provisions of this Section.

8 (1) a CDL in the driver's possession;

9 (2) having obtained a CDL;

10 (3) the proper class of CDL or endorsements or both for
11 the specific vehicle group being operated or for the
12 passengers or type of cargo being transported; or

13 (4) a copy of a medical variance document, if one
14 exists, such as an exemption letter or a skill performance
15 evaluation certificate.

16 (b) Except as otherwise provided by this Code, no person
17 may drive a commercial motor vehicle on the highways while such
18 person's driving privilege, license, or permit is:

19 (1) Suspended, revoked, cancelled, or subject to
20 disqualification. Any person convicted of violating this
21 provision or a similar provision of this or any other state
22 shall have their driving privileges revoked under
23 paragraph 12 of subsection (a) of Section 6-205 of this
24 Code.

25 (2) Subject to or in violation of an "out-of-service"
26 order. Any person who has been issued a CDL and is

1 convicted of violating this provision or a similar
2 provision of any other state shall be disqualified from
3 operating a commercial motor vehicle under subsection (i)
4 of Section 6-514 of this Code.

5 (3) Subject to or in violation of a driver or vehicle
6 "out of service" order while operating a vehicle designed
7 to transport 16 or more passengers, including the driver,
8 or transporting hazardous materials required to be
9 placarded. Any person who has been issued a CDL and is
10 convicted of violating this provision or a similar
11 provision of this or any other state shall be disqualified
12 from operating a commercial motor vehicle under subsection
13 (i) of Section 6-514 of this Code.

14 (b-3) Except as otherwise provided by this Code, no person
15 may drive a commercial motor vehicle on the highways during a
16 period which the commercial motor vehicle or the motor carrier
17 operation is subject to an "out-of-service" order. Any person
18 who is convicted of violating this provision or a similar
19 provision of any other state shall be disqualified from
20 operating a commercial motor vehicle under subsection (i) of
21 Section 6-514 of this Code.

22 (b-5) Except as otherwise provided by this Code, no person

26 during a period in which the commercial motor vehicle or the

1 motor carrier operation is subject to an "out-of-service"
2 order. Any person who is convicted of violating this provision
3 or a similar provision of any other state shall be disqualified
4 from operating a commercial motor vehicle under subsection (i)
5 of Section 6-514 of this Code.

6 (c) Pursuant to the options provided to the States by FHWA
7 Docket No. MC-88-8, the driver of any motor vehicle controlled
8 or operated by or for a farmer is waived from the requirements
9 of this Section, when such motor vehicle is being used to
10 transport: agricultural products; implements of husbandry; or
11 farm supplies; to and from a farm, as long as such movement is
12 not over 150 air miles from the originating farm. This waiver
13 does not apply to the driver of any motor vehicle being used in
14 a common or contract carrier type operation. However, for those
15 drivers of any truck-tractor semitrailer combination or
16 combinations registered under subsection (c) of Section 3-815
17 of this Code, this waiver shall apply only when the driver is a
18 farmer or a member of the farmer's family and the driver is 21
19 years of age or more and has successfully completed any tests
20 the Secretary of State deems necessary.

21 In addition, the farmer or a member of the farmer's family
22 who operates a truck-tractor semitrailer combination or
23 combinations pursuant to this waiver shall be granted all of
24 the rights and shall be subject to all of the duties and
25 restrictions with respect to Sections 6-514 and 6-515 of this
26 Code applicable to the driver who possesses a commercial

1 driver's license issued under this Code, except that the driver
2 shall not be subject to any additional duties or restrictions
3 contained in Part 382 of the Federal Motor Carrier Safety
4 Regulations that are not otherwise imposed under Section 6-514
5 or 6-515 of this Code.

6 For purposes of this subsection (c), a member of the
7 farmer's family is a natural or in-law spouse, child, parent,
8 or sibling.

9 (c-5) An employee of a township or road district with a
10 population of less than 3,000 operating a vehicle within the
11 boundaries of the township or road district for the purpose of
12 removing snow or ice from a roadway by plowing, sanding, or
13 salting is waived from the requirements of this Section when
14 the employee is needed to operate the vehicle because the
15 employee of the township or road district who ordinarily
16 operates the vehicle and who has a commercial driver's license
17 is unable to operate the vehicle or is in need of additional
18 assistance due to a snow emergency.

19 (c-10) A driver of a commercial motor vehicle used
20 primarily in the transportation of propane winter heating fuel
21 or a driver of a motor vehicle used to respond to a pipeline
22 emergency is waived from the requirements of this Section if
23 such requirements would prevent the driver from responding to
24 an emergency condition requiring immediate response as defined
25 in 49 C.F.R. Part 390.5.

26 (d) Any person convicted of violating this Section, shall

1 be guilty of a Class A misdemeanor.

19 under the provisions of this Section shall have been
20 performed according to standards promulgated by the
21 Department of State Police by a licensed physician,
22 registered nurse, trained phlebotomist, certified
23 paramedic, or other individual possessing a valid permit
24 issued by that Department for this purpose. The Director of
25 State Police is authorized to approve satisfactory

1 techniques or methods, to ascertain the qualifications and
2 competence of individuals to conduct such analyses, to
3 issue permits which shall be subject to termination or
4 revocation at the discretion of that Department and to
5 certify the accuracy of breath testing equipment. The
6 Department of State Police shall prescribe regulations as
7 necessary to implement this Section.

8 2. When a person in this State shall submit to a blood
9 test at the request of a law enforcement officer under the
10 provisions of Section 11-501.1, only a physician
11 authorized to practice medicine, a licensed physician
12 assistant, a licensed advanced practice nurse, a
13 registered nurse, trained phlebotomist, or certified
14 paramedic, or other qualified person approved by the
15 Department of State Police may withdraw blood for the
16 purpose of determining the alcohol, drug, or alcohol and
17 drug content therein. This limitation shall not apply to
18 the taking of breath or urine specimens.

19 When a blood test of a person who has been taken to an
20 adjoining state for medical treatment is requested by an
21 Illinois law enforcement officer, the blood may be
22 withdrawn only by a physician authorized to practice
23 medicine in the adjoining state, a licensed physician
24 assistant, a licensed advanced practice nurse, a
25 registered nurse, a trained phlebotomist acting under the
26 direction of the physician, or certified paramedic. The law

1 enforcement officer requesting the test shall take custody
2 of the blood sample, and the blood sample shall be analyzed
3 by a laboratory certified by the Department of State Police
4 for that purpose.

5 3. The person tested may have a physician, or a
6 qualified technician, chemist, registered nurse, or other
7 qualified person of their own choosing administer a
8 chemical test or tests in addition to any administered at
9 the direction of a law enforcement officer. The failure or
10 inability to obtain an additional test by a person shall
11 not preclude the admission of evidence relating to the test
12 or tests taken at the direction of a law enforcement
13 officer.

14 4. Upon the request of the person who shall submit to a
15 chemical test or tests at the request of a law enforcement
16 officer, full information concerning the test or tests
17 shall be made available to the person or such person's
18 attorney.

19 5. Alcohol concentration shall mean either grams of
20 alcohol per 100 milliliters of blood or grams of alcohol
21 per 210 liters of breath.

22 (b) Upon the trial of any civil or criminal action or
23 proceeding arising out of acts alleged to have been committed
24 by any person while driving or in actual physical control of a
25 vehicle while under the influence of alcohol, the concentration
26 of alcohol in the person's blood or breath at the time alleged

1 as shown by analysis of the person's blood, urine, breath, or
2 other bodily substance shall give rise to the following
3 presumptions:

4 1. If there was at that time an alcohol concentration
5 of 0.05 or less, it shall be presumed that the person was
6 not under the influence of alcohol.

7 2. If there was at that time an alcohol concentration
8 in excess of 0.05 but less than 0.08, such facts shall not
9 give rise to any presumption that the person was or was not
10 under the influence of alcohol, but such fact may be
11 considered with other competent evidence in determining
12 whether the person was under the influence of alcohol.

13 3. If there was at that time an alcohol concentration
14 of 0.08 or more, it shall be presumed that the person was
15 under the influence of alcohol.

16 4. The foregoing provisions of this Section shall not
17 be construed as limiting the introduction of any other
18 relevant evidence bearing upon the question whether the
19 person was under the influence of alcohol.

20 (c) 1. If a person under arrest refuses to submit to a
21 chemical test under the provisions of Section 11-501.1,
22 evidence of refusal shall be admissible in any civil or
23 criminal action or proceeding arising out of acts alleged to
24 have been committed while the person under the influence of
25 alcohol, other drug or drugs, or intoxicating compound or
26 compounds, or any combination thereof was driving or in actual

1 physical control of a motor vehicle.

2 2. Notwithstanding any ability to refuse under this Code to
3 submit to these tests or any ability to revoke the implied
4 consent to these tests, if a law enforcement officer has
5 probable cause to believe that a motor vehicle driven by or in
6 actual physical control of a person under the influence of
7 alcohol, other drug or drugs, or intoxicating compound or
8 compounds, or any combination thereof has caused the death or
9 personal injury to another, the law enforcement officer shall
10 request, and that person shall submit, upon the request of a
11 law enforcement officer, to a chemical test or tests of his or
12 her blood, breath or urine for the purpose of determining the
13 alcohol content thereof or the presence of any other drug or
14 combination of both.

15 This provision does not affect the applicability of or
16 imposition of driver's license sanctions under Section
17 11-501.1 of this Code.

18 3. For purposes of this Section, a personal injury includes
19 any Type A injury as indicated on the traffic accident report
20 completed by a law enforcement officer that requires immediate
21 professional attention in either a doctor's office or a medical
22 facility. A Type A injury includes severe bleeding wounds,
23 distorted extremities, and injuries that require the injured
24 party to be carried from the scene.

10 vehicles that are subject to inspection under this Section
11 may apply to the Agency for a permit to establish and
12 operate a private official inspection station in
13 accordance with rules adopted by the Agency.

14 (11) Pursuant to Title 40, Section 51.371 of the Code
15 of Federal Regulations, the Agency may establish a program
16 of on-road testing of in-use vehicles through the use of
17 remote sensing devices. In any such program, the Agency
18 shall evaluate the emission performance of 0.5% of the
19 subject fleet or 20,000 vehicles, whichever is less. Under
20 no circumstances shall on-road testing include any sort of
21 roadblock or roadside pullover or cause any type of traffic
22 delay. If, during the course of an on-road inspection, a
23 vehicle is found to exceed the on-road emissions standards
24 established for the model year and type of vehicle, the
25 Agency shall send a notice to the vehicle owner. The notice
26 shall document the occurrence and the results of the

1 on-road exceedance. The notice of a second on-road
2 exceedance shall indicate that the vehicle has been
3 reassigned and is subject to an out-of-cycle follow-up
4 inspection at an official inspection station. In no case
5 shall the Agency send a notice of an on-road exceedance to
6 the owner of a vehicle that was found to exceed the on-road
7 emissions standards established for the model year and type
8 of vehicle, if the vehicle is registered outside of the
9 affected counties.

12 (625 ILCS 5/15-301) (from Ch. 95 1/2, par. 15-301)

13 Sec. 15-301. Permits for excess size and weight.

14 (a) The Department with respect to highways under its
15 jurisdiction and local authorities with respect to highways
16 under their jurisdiction may, in their discretion, upon
17 application and good cause being shown therefor, issue a
18 special permit authorizing the applicant to operate or move a
19 vehicle or combination of vehicles of a size or weight of
20 vehicle or load exceeding the maximum specified in this Act or
21 otherwise not in conformity with this Act upon any highway
22 under the jurisdiction of the party granting such permit and
23 for the maintenance of which the party is responsible.
24 Applications and permits other than those in written or printed
25 form may only be accepted from and issued to the company or

1 individual making the movement. Except for an application to
2 move directly across a highway, it shall be the duty of the
3 applicant to establish in the application that the load to be
4 moved by such vehicle or combination cannot reasonably be
5 dismantled or disassembled, the reasonableness of which shall
6 be determined by the Secretary of the Department. For the
7 purpose of over length movements, more than one object may be
8 carried side by side as long as the height, width, and weight
9 laws are not exceeded and the cause for the over length is not
10 due to multiple objects. For the purpose of over height
11 movements, more than one object may be carried as long as the
12 cause for the over height is not due to multiple objects and
13 the length, width, and weight laws are not exceeded. For the
14 purpose of an over width movement, more than one object may be
15 carried as long as the cause for the over width is not due to
16 multiple objects and length, height, and weight laws are not
17 exceeded. No state or local agency shall authorize the issuance
18 of excess size or weight permits for vehicles and loads that
19 are divisible and that can be carried, when divided, within the
20 existing size or weight maximums specified in this Chapter. Any
21 excess size or weight permit issued in violation of the
22 provisions of this Section shall be void at issue and any
23 movement made thereunder shall not be authorized under the
24 terms of the void permit. In any prosecution for a violation of
25 this Chapter when the authorization of an excess size or weight
26 permit is at issue, it is the burden of the defendant to

1 establish that the permit was valid because the load to be
2 moved could not reasonably be dismantled or disassembled, or
3 was otherwise nondivisible.

4 (b) The application for any such permit shall: (1) state
5 whether such permit is requested for a single trip or for
6 limited continuous operation; (2) state if the applicant is an
7 authorized carrier under the Illinois Motor Carrier of Property
8 Law, if so, his certificate, registration or permit number
9 issued by the Illinois Commerce Commission; (3) specifically
10 describe and identify the vehicle or vehicles and load to be
11 operated or moved except that for vehicles or vehicle
12 combinations registered by the Department as provided in
13 Section 15-319 of this Chapter, only the Illinois Department of
14 Transportation's (IDT) registration number or classification
15 need be given; (4) state the routing requested including the
16 points of origin and destination, and may identify and include
17 a request for routing to the nearest certified scale in
18 accordance with the Department's rules and regulations,
19 provided the applicant has approval to travel on local roads;
20 and (5) state if the vehicles or loads are being transported
21 for hire. No permits for the movement of a vehicle or load for
22 hire shall be issued to any applicant who is required under the
23 Illinois Motor Carrier of Property Law to have a certificate,
24 registration or permit and does not have such certificate,
25 registration or permit.

26 (c) The Department or local authority when not inconsistent

1 with traffic safety is authorized to issue or withhold such
2 permit at its discretion; or, if such permit is issued at its
3 discretion to prescribe the route or routes to be traveled, to
4 limit the number of trips, to establish seasonal or other time
5 limitations within which the vehicles described may be operated
6 on the highways indicated, or otherwise to limit or prescribe
7 conditions of operations of such vehicle or vehicles, when
8 necessary to assure against undue damage to the road
9 foundations, surfaces or structures, and may require such
10 undertaking or other security as may be deemed necessary to
11 compensate for any injury to any roadway or road structure. The
12 Department shall maintain a daily record of each permit issued
13 along with the fee and the stipulated dimensions, weights,
14 conditions and restrictions authorized and this record shall be
15 presumed correct in any case of questions or dispute. The
16 Department shall install an automatic device for recording
17 applications received and permits issued by telephone. In
18 making application by telephone, the Department and applicant
19 waive all objections to the recording of the conversation.

20 (d) The Department shall, upon application in writing from
21 any local authority, issue an annual permit authorizing the
22 local authority to move oversize highway construction,
23 transportation, utility and maintenance equipment over roads
24 under the jurisdiction of the Department. The permit shall be
25 applicable only to equipment and vehicles owned by or
26 registered in the name of the local authority, and no fee shall

1 be charged for the issuance of such permits.

2 (e) As an exception to paragraph (a) of this Section, the
3 Department and local authorities, with respect to highways
4 under their respective jurisdictions, in their discretion and
5 upon application in writing may issue a special permit for
6 limited continuous operation, authorizing the applicant to
7 move loads of agricultural commodities on a 2 axle single
8 vehicle registered by the Secretary of State with axle loads
9 not to exceed 35%, on a 3 or 4 axle vehicle registered by the
10 Secretary of State with axle loads not to exceed 20%, and on a
11 5 axle vehicle registered by the Secretary of State not to
12 exceed 10% above those provided in Section 15-111. The total
13 gross weight of the vehicle, however, may not exceed the
14 maximum gross weight of the registration class of the vehicle
15 allowed under Section 3-815 or 3-818 of this Code.

16 As used in this Section, "agricultural commodities" means:

17 (1) cultivated plants or agricultural produce grown
18 including, but is not limited to, corn, soybeans, wheat,
19 oats, grain sorghum, canola, and rice;

20 (2) livestock, including but not limited to hogs,
21 equine, sheep, and poultry;

22 (3) ensilage; and

23 (4) fruits and vegetables.

24 Permits may be issued for a period not to exceed 40 days
25 and moves may be made of a distance not to exceed 50 miles from
26 a field, an on-farm grain storage facility, a warehouse as

1 defined in the Illinois Grain Code, or a livestock management
2 facility as defined in the Livestock Management Facilities Act
3 over any highway except the National System of Interstate and
4 Defense Highways. The operator of the vehicle, however, must
5 abide by posted bridge and posted highway weight limits. All
6 implements of husbandry operating under this Section between
7 sunset and sunrise shall be equipped as prescribed in Section
8 12-205.1.

9 (e-1) Upon a declaration by the Governor that an emergency
10 harvest situation exists, a special permit issued by the
11 Department under this Section shall not be required from
12 September 1 through December 31 during harvest season
13 emergencies, provided that the weight does not exceed 20% above
14 the limits provided in Section 15-111. All other restrictions
15 that apply to permits issued under this Section shall apply
16 during the declared time period. With respect to highways under
17 the jurisdiction of local authorities, the local authorities
18 may, at their discretion, waive special permit requirements
19 during harvest season emergencies. This permit exemption shall
20 apply to all vehicles eligible to obtain permits under this
21 Section, including commercial vehicles in use during the
22 declared time period.

23 (f) The form and content of the permit shall be determined
24 by the Department with respect to highways under its
25 jurisdiction and by local authorities with respect to highways
26 under their jurisdiction. Every permit shall be in written form

1 and carried in the vehicle or combination of vehicles to which
2 it refers and shall be open to inspection by any police officer
3 or authorized agent of any authority granting the permit and no
4 person shall violate any of the terms or conditions of such
5 special permit. Violation of the terms and conditions of the
6 permit shall not be deemed a revocation of the permit; however,
7 any vehicle and load found to be off the route prescribed in
8 the permit shall be held to be operating without a permit. Any
9 off route vehicle and load shall be required to obtain a new
10 permit or permits, as necessary, to authorize the movement back
11 onto the original permit routing. No rule or regulation, nor
12 anything herein shall be construed to authorize any police
13 officer, court, or authorized agent of any authority granting
14 the permit to remove the permit from the possession of the
15 permittee unless the permittee is charged with a fraudulent
16 permit violation as provided in paragraph (i). However, upon
17 arrest for an offense of violation of permit, operating without
18 a permit when the vehicle is off route, or any size or weight
19 offense under this Chapter when the permittee plans to raise
20 the issuance of the permit as a defense, the permittee, or his
21 agent, must produce the permit at any court hearing concerning
22 the alleged offense.

23 If the permit designates and includes a routing to a
24 certified scale, the permittee ~~permittee~~, while enroute to the
25 designated scale, shall be deemed in compliance with the weight
26 provisions of the permit provided the axle or gross weights do

1 not exceed any of the permitted limits by more than the
2 following amounts:

3	Single axle	2000 pounds
4	Tandem axle	3000 pounds
5	Gross	5000 pounds

6 (g) The Department is authorized to adopt, amend, and to
7 make available to interested persons a policy concerning
8 reasonable rules, limitations and conditions or provisions of
9 operation upon highways under its jurisdiction in addition to
10 those contained in this Section for the movement by special
11 permit of vehicles, combinations, or loads which cannot
12 reasonably be dismantled or disassembled, including
13 manufactured and modular home sections and portions thereof.
14 All rules, limitations and conditions or provisions adopted in
15 the policy shall have due regard for the safety of the
16 traveling public and the protection of the highway system and
17 shall have been promulgated in conformity with the provisions
18 of the Illinois Administrative Procedure Act. The requirements
19 of the policy for flagmen and escort vehicles shall be the same
20 for all moves of comparable size and weight. When escort
21 vehicles are required, they shall meet the following
22 requirements:

23 (1) All operators shall be 18 years of age or over and
24 properly licensed to operate the vehicle.

25 (2) Vehicles escorting oversized loads more than
26 12-feet wide must be equipped with a rotating or flashing

1 amber light mounted on top as specified under Section
2 12-215.

3 The Department shall establish reasonable rules and
4 regulations regarding liability insurance or self insurance
5 for vehicles with oversized loads promulgated under The
6 Illinois Administrative Procedure Act. Police vehicles may be
7 required for escort under circumstances as required by rules
8 and regulations of the Department.

9 (h) Violation of any rule, limitation or condition or
10 provision of any permit issued in accordance with the
11 provisions of this Section shall not render the entire permit
12 null and void but the violator shall be deemed guilty of
13 violation of permit and guilty of exceeding any size, weight or
14 load limitations in excess of those authorized by the permit.
15 The prescribed route or routes on the permit are not mere
16 rules, limitations, conditions, or provisions of the permit,
17 but are also the sole extent of the authorization granted by
18 the permit. If a vehicle and load are found to be off the route
19 or routes prescribed by any permit authorizing movement, the
20 vehicle and load are operating without a permit. Any off route
21 movement shall be subject to the size and weight maximums,
22 under the applicable provisions of this Chapter, as determined
23 by the type or class highway upon which the vehicle and load
24 are being operated.

25 (i) Whenever any vehicle is operated or movement made under
26 a fraudulent permit the permit shall be void, and the person,

1 firm, or corporation to whom such permit was granted, the
2 driver of such vehicle in addition to the person who issued
3 such permit and any accessory, shall be guilty of fraud and
4 either one or all persons may be prosecuted for such violation.
5 Any person, firm, or corporation committing such violation
6 shall be guilty of a Class 4 felony and the Department shall
7 not issue permits to the person, firm or corporation convicted
8 of such violation for a period of one year after the date of
9 conviction. Penalties for violations of this Section shall be
10 in addition to any penalties imposed for violation of other
11 Sections of this Act.

12 (j) Whenever any vehicle is operated or movement made in
13 violation of a permit issued in accordance with this Section,
14 the person to whom such permit was granted, or the driver of
15 such vehicle, is guilty of such violation and either, but not
16 both, persons may be prosecuted for such violation as stated in
17 this subsection (j). Any person, firm or corporation convicted
18 of such violation shall be guilty of a petty offense and shall
19 be fined for the first offense, not less than \$50 nor more than
20 \$200 and, for the second offense by the same person, firm or
21 corporation within a period of one year, not less than \$200 nor
22 more than \$300 and, for the third offense by the same person,
23 firm or corporation within a period of one year after the date
24 of the first offense, not less than \$300 nor more than \$500 and
25 the Department shall not issue permits to the person, firm or
26 corporation convicted of a third offense during a period of one

1 year after the date of conviction for such third offense.

2 (k) Whenever any vehicle is operated on local roads under
3 permits for excess width or length issued by local authorities,
4 such vehicle may be moved upon a State highway for a distance
5 not to exceed one-half mile without a permit for the purpose of
6 crossing the State highway.

7 (l) Notwithstanding any other provision of this Section,
8 the Department, with respect to highways under its
9 jurisdiction, and local authorities, with respect to highways
10 under their jurisdiction, may at their discretion authorize the
11 movement of a vehicle in violation of any size or weight
12 requirement, or both, that would not ordinarily be eligible for
13 a permit, when there is a showing of extreme necessity that the
14 vehicle and load should be moved without unnecessary delay.

15 For the purpose of this subsection, showing of extreme
16 necessity shall be limited to the following: shipments of
17 livestock, hazardous materials, liquid concrete being hauled
18 in a mobile cement mixer, or hot asphalt.

19 (m) Penalties for violations of this Section shall be in
20 addition to any penalties imposed for violating any other
21 Section of this Code.

22 (n) The Department with respect to highways under its
23 jurisdiction and local authorities with respect to highways
24 under their jurisdiction, in their discretion and upon
25 application in writing, may issue a special permit for
26 continuous limited operation, authorizing the applicant to

1 operate a tow-truck that exceeds the weight limits provided for
2 in subsection (a) of Section 15-111, provided:

3 (1) no rear single axle of the tow-truck exceeds 26,000
4 pounds;

5 (2) no rear tandem axle of the tow-truck exceeds 50,000
6 pounds;

7 (2.1) no triple rear axle on a manufactured recovery
8 unit exceeds 60,000 pounds;

9 (3) neither the disabled vehicle nor the disabled
10 combination of vehicles exceed the weight restrictions
11 imposed by this Chapter 15, or the weight limits imposed
12 under a permit issued by the Department prior to hookup;

13 (4) the tow-truck prior to hookup does not exceed the
14 weight restrictions imposed by this Chapter 15;

15 (5) during the tow operation the tow-truck does not
16 violate any weight restriction sign;

17 (6) the tow-truck is equipped with flashing, rotating,
18 or oscillating amber lights, visible for at least 500 feet
19 in all directions;

20 (7) the tow-truck is specifically designed and
21 licensed as a tow-truck;

22 (8) the tow-truck has a gross vehicle weight rating of
23 sufficient capacity to safely handle the load;

24 (9) the tow-truck is equipped with air brakes;

25 (10) the tow-truck is capable of utilizing the lighting
26 and braking systems of the disabled vehicle or combination

1 of vehicles;

2 (11) the tow commences at the initial point of wreck or
3 disablement and terminates at a point where the repairs are
4 actually to occur;

5 (12) the permit issued to the tow-truck is carried in
6 the tow-truck and exhibited on demand by a police officer;
7 and

8 (13) the movement shall be valid only on state routes
9 approved by the Department.

10 (o) The Department, with respect to highways under its
11 jurisdiction, and local authorities, with respect to highways
12 under their jurisdiction, in their discretion and upon
13 application in writing, may issue a special permit for
14 continuous limited operation, authorizing the applicant to
15 transport raw milk that exceeds the weight limits provided for
16 in subsection (a) of Section 15-111 of this Code, provided:

17 (1) no single axle exceeds 20,000 pounds;

18 (2) no gross weight exceeds 80,000 pounds;

19 (3) permits issued by the State are good only for
20 federal and State highways and are not applicable to
21 interstate highways; and

22 (4) all road and bridge postings must be obeyed.

23 (p) In determining whether a load may be reasonably
24 dismantled or disassembled for the purpose of paragraph (a),
25 the Department shall consider whether there is a significant
26 negative impact on the condition of the pavement and structures

1 along the proposed route, whether the load or vehicle as
2 proposed causes a safety hazard to the traveling public,
3 whether dismantling or disassembling the load promotes or
4 stifles economic development and whether the proposed route
5 travels less than 5 miles. A load is not required to be
6 dismantled or disassembled for the purposes of paragraph (a) if
7 the Secretary of the Department determines there will be no
8 significant negative impact to pavement or structures along the
9 proposed route, the proposed load or vehicle causes no safety
10 hazard to the traveling public, dismantling or disassembling
11 the load does not promote economic development and the proposed
12 route travels less than 5 miles. The Department may promulgate
13 rules for the purpose of establishing the divisibility of a
14 load pursuant to paragraph (a). Any load determined by the
15 Secretary to be nondivisible shall otherwise comply with the
16 existing size or weight maximums specified in this Chapter.

12 Section 610. The Clerks of Courts Act is amended by
13 changing Section 27.3a as follows:

14 (705 ILCS 105/27.3a)

15 (Text of Section before amendment by P.A. 97-46)

16 Sec. 27.3a. Fees for automated record keeping and State
17 Police operations.

18 1. The expense of establishing and maintaining automated
19 record keeping systems in the offices of the clerks of the
20 circuit court shall be borne by the county. To defray such
21 expense in any county having established such an automated
22 system or which elects to establish such a system, the county
23 board may require the clerk of the circuit court in their
24 county to charge and collect a court automation fee of not less

1 than \$1 nor more than \$15 to be charged and collected by the
2 clerk of the court. Such fee shall be paid at the time of
3 filing the first pleading, paper or other appearance filed by
4 each party in all civil cases or by the defendant in any
5 felony, traffic, misdemeanor, municipal ordinance, or
6 conservation case upon a judgment of guilty or grant of
7 supervision, provided that the record keeping system which
8 processes the case category for which the fee is charged is
9 automated or has been approved for automation by the county
10 board, and provided further that no additional fee shall be
11 required if more than one party is presented in a single
12 pleading, paper or other appearance. Such fee shall be
13 collected in the manner in which all other fees or costs are
14 collected.

15 1.5. Starting on the effective date of this amendatory Act
16 of the 96th General Assembly, a clerk of the circuit court in
17 any county that imposes a fee pursuant to subsection 1 of this
18 Section, shall charge and collect an additional fee in an
19 amount equal to the amount of the fee imposed pursuant to
20 subsection 1 of this Section. This additional fee shall be paid
21 by the defendant in any felony, traffic, misdemeanor, local
22 ordinance, or conservation case upon a judgment of guilty or
23 grant of supervision.

24 2. With respect to the fee imposed under subsection 1 of
25 this Section, each clerk shall commence such charges and
26 collections upon receipt of written notice from the chairman of

1 the county board together with a certified copy of the board's
2 resolution, which the clerk shall file of record in his office.

3 3. With respect to the fee imposed under subsection 1 of
4 this Section, such fees shall be in addition to all other fees
5 and charges of such clerks, and assessable as costs, and may be
6 waived only if the judge specifically provides for the waiver
7 of the court automation fee. The fees shall be remitted monthly
8 by such clerk to the county treasurer, to be retained by him in
9 a special fund designated as the court automation fund. The
10 fund shall be audited by the county auditor, and the board
11 shall make expenditure from the fund in payment of any cost
12 related to the automation of court records, including hardware,
13 software, research and development costs and personnel related
14 thereto, provided that the expenditure is approved by the clerk
15 of the court and by the chief judge of the circuit court or his
16 designate.

17 4. With respect to the fee imposed under subsection 1 of
18 this Section, such fees shall not be charged in any matter
19 coming to any such clerk on change of venue, nor in any
20 proceeding to review the decision of any administrative
21 officer, agency or body.

22 5. With respect to the additional fee imposed under
23 subsection 1.5 of this Section, the fee shall be remitted by
24 the circuit clerk to the State Treasurer within one month after
25 receipt for deposit into the State Police Operations Assistance
26 Fund.

1 6. With respect to the additional fees imposed under
2 subsection 1.5 of this Section, the Director of State Police
3 may direct the use of these fees for homeland security purposes
4 by transferring these fees on a quarterly basis from the State
5 Police Operations Assistance Fund into the Illinois Law
6 Enforcement Alarm Systems (ILEAS) Fund for homeland security
7 initiatives programs. The transferred fees shall be allocated,
8 subject to the approval of the ILEAS Executive Board, as
9 follows: (i) 66.6% shall be used for homeland security
10 initiatives and (ii) 33.3% shall be used for airborne
11 operations. The ILEAS Executive Board shall annually supply the
12 Director of State Police with a report of the use of these
13 fees.

15 (Text of Section after amendment by P.A. 97-46)

16 Sec. 27.3a. Fees for automated record keeping and State and
17 Conservation Police operations.

18 1. The expense of establishing and maintaining automated
19 record keeping systems in the offices of the clerks of the
20 circuit court shall be borne by the county. To defray such
21 expense in any county having established such an automated
22 system or which elects to establish such a system, the county
23 board may require the clerk of the circuit court in their
24 county to charge and collect a court automation fee of not less
25 than \$1 nor more than \$15 to be charged and collected by the

1 clerk of the court. Such fee shall be paid at the time of
2 filing the first pleading, paper or other appearance filed by

8 automated or has been approved for automation by the county
9 board, and provided further that no additional fee shall be
10 required if more than one party is presented in a single
11 pleading, paper or other appearance. Such fee shall be

4 3. With respect to the fee imposed under subsection 1 of
5 this Section, such fees shall be in addition to all other fees
6 and charges of such clerks, and assessable as costs, and may be
7 waived only if the judge specifically provides for the waiver
8 of the court automation fee. The fees shall be remitted monthly
9 by such clerk to the county treasurer, to be retained by him in

22 Section 615. The Juvenile Court Act of 1987 is amended by
23 changing Section 1-8 as follows:

24 (705 ILCS 405/1-8) (from Ch. 37, par. 801-8)

1 Sec. 1-8. Confidentiality and accessibility of juvenile
2 court records.

3 (A) Inspection and copying of juvenile court records
4 relating to a minor who is the subject of a proceeding under
5 this Act shall be restricted to the following:

6 (1) The minor who is the subject of record, his
7 parents, guardian and counsel.

8 (2) Law enforcement officers and law enforcement
9 agencies when such information is essential to executing an
10 arrest or search warrant or other compulsory process, or to
11 conducting an ongoing investigation or relating to a minor
12 who has been adjudicated delinquent and there has been a
13 previous finding that the act which constitutes the
14 previous offense was committed in furtherance of criminal
15 activities by a criminal street gang.

16 Before July 1, 1994, for the purposes of this Section,
17 "criminal street gang" means any ongoing organization,
18 association, or group of 3 or more persons, whether formal
19 or informal, having as one of its primary activities the
20 commission of one or more criminal acts and that has a
21 common name or common identifying sign, symbol or specific
22 color apparel displayed, and whose members individually or
23 collectively engage in or have engaged in a pattern of
24 criminal activity.

25 Beginning July 1, 1994, for purposes of this Section,
26 "criminal street gang" has the meaning ascribed to it in

1 Section 10 of the Illinois Streetgang Terrorism Omnibus
2 Prevention Act.

3 (3) Judges, hearing officers, prosecutors, probation
4 officers, social workers or other individuals assigned by
5 the court to conduct a pre-adjudication or predisposition
6 investigation, and individuals responsible for supervising
7 or providing temporary or permanent care and custody for
8 minors pursuant to the order of the juvenile court when
9 essential to performing their responsibilities.

10 (4) Judges, prosecutors and probation officers:

11 (a) in the course of a trial when institution of
12 criminal proceedings has been permitted or required
13 under Section 5-805; or

14 (b) when criminal proceedings have been permitted
15 or required under Section 5-805 and a minor is the
16 subject of a proceeding to determine the amount of
17 bail; or

18 (c) when criminal proceedings have been permitted
19 or required under Section 5-805 and a minor is the
20 subject of a pre-trial investigation, pre-sentence
21 investigation or fitness hearing, or proceedings on an
22 application for probation; or

23 (d) when a minor becomes 17 years of age or older,
24 and is the subject of criminal proceedings, including a
25 hearing to determine the amount of bail, a pre-trial
26 investigation, a pre-sentence investigation, a fitness

1 hearing, or proceedings on an application for
2 probation.

3 (5) Adult and Juvenile Prisoner Review Boards.

4 (6) Authorized military personnel.

5 (7) Victims, their subrogees and legal
6 representatives; however, such persons shall have access
7 only to the name and address of the minor and information
8 pertaining to the disposition or alternative adjustment
9 plan of the juvenile court.

10 (8) Persons engaged in bona fide research, with the
11 permission of the presiding judge of the juvenile court and
12 the chief executive of the agency that prepared the
13 particular records; provided that publication of such
14 research results in no disclosure of a minor's identity and
15 protects the confidentiality of the record.

16 (9) The Secretary of State to whom the Clerk of the
17 Court shall report the disposition of all cases, as
18 required in Section 6-204 of the Illinois Vehicle Code.
19 However, information reported relative to these offenses
20 shall be privileged and available only to the Secretary of
21 State, courts, and police officers.

22 (10) The administrator of a bonafide substance abuse
23 student assistance program with the permission of the
24 presiding judge of the juvenile court.

25 (11) Mental health professionals on behalf of the
26 Illinois Department of Corrections or the Department of

1 Human Services or prosecutors who are evaluating,
2 prosecuting, or investigating a potential or actual
3 petition brought under the Sexually Violent Persons
4 Commitment Act relating to a person who is the subject of
5 juvenile court records or the respondent to a petition
6 brought under the Sexually Violent Persons Commitment Act,
7 who is the subject of juvenile court records sought. Any
8 records and any information obtained from those records
9 under this paragraph (11) may be used only in sexually
10 violent persons commitment proceedings.

11 (A-1) Findings and exclusions of paternity entered in
12 proceedings occurring under Article II of this Act shall be
13 disclosed, in a manner and form approved by the Presiding Judge
14 of the Juvenile Court, to the Department of Healthcare and
15 Family Services when necessary to discharge the duties of the
16 Department of Healthcare and Family Services under Article X of
17 the Illinois Public Aid Code.

18 (B) A minor who is the victim in a juvenile proceeding
19 shall be provided the same confidentiality regarding
20 disclosure of identity as the minor who is the subject of
21 record.

22 (C) Except as otherwise provided in this subsection (C),
23 juvenile court records shall not be made available to the
24 general public but may be inspected by representatives of
25 agencies, associations and news media or other properly
26 interested persons by general or special order of the court

1 presiding over matters pursuant to this Act.

2 (0.1) In cases where the records concern a pending
3 juvenile court case, the party seeking to inspect the
4 juvenile court records shall provide actual notice to the
5 attorney or guardian ad litem of the minor whose records
6 are sought.

7 (0.2) In cases where the records concern a juvenile
8 court case that is no longer pending, the party seeking to
9 inspect the juvenile court records shall provide actual
10 notice to the minor or the minor's parent or legal
11 guardian, and the matter shall be referred to the chief
12 judge presiding over matters pursuant to this Act.

13 (0.3) In determining whether the records should be
14 available for inspection, the court shall consider the
15 minor's interest in confidentiality and rehabilitation
16 over the moving party's interest in obtaining the
17 information. The State's Attorney, the minor, and the
18 minor's parents, guardian, and counsel shall at all times
19 have the right to examine court files and records. For
20 purposes of obtaining documents pursuant to this Section, a
21 civil subpoena is not an order of the court.

22 (0.4) Any records obtained in violation of this
23 subsection (C) shall not be admissible in any criminal or
24 civil proceeding, or operate to disqualify a minor from
25 subsequently holding public office, or operate as a
26 forfeiture of any public benefit, right, privilege, or

1 right to receive any license granted by public authority.

2 (1) The court shall allow the general public to have
3 access to the name, address, and offense of a minor who is
4 adjudicated a delinquent minor under this Act under either
5 of the following circumstances:

6 (A) The adjudication of delinquency was based upon
7 the minor's commission of first degree murder, attempt
8 to commit first degree murder, aggravated criminal
9 sexual assault, or criminal sexual assault; or

10 (B) The court has made a finding that the minor was
11 at least 13 years of age at the time the act was
12 committed and the adjudication of delinquency was
13 based upon the minor's commission of: (i) an act in
14 furtherance of the commission of a felony as a member
15 of or on behalf of a criminal street gang, (ii) an act
16 involving the use of a firearm in the commission of a
17 felony, (iii) an act that would be a Class X felony
18 offense under or the minor's second or subsequent Class
19 2 or greater felony offense under the Cannabis Control
20 Act if committed by an adult, (iv) an act that would be
21 a second or subsequent offense under Section 402 of the
22 Illinois Controlled Substances Act if committed by an
23 adult, (v) an act that would be an offense under
24 Section 401 of the Illinois Controlled Substances Act
25 if committed by an adult, (vi) an act that would be a
26 second or subsequent offense under Section 60 of the

1 Methamphetamine Control and Community Protection Act,
2 or (vii) an act that would be an offense under another
3 Section of the Methamphetamine Control and Community
4 Protection Act.

5 (2) The court shall allow the general public to have
6 access to the name, address, and offense of a minor who is
7 at least 13 years of age at the time the offense is
8 committed and who is convicted, in criminal proceedings
9 permitted or required under Section 5-4, under either of
10 the following circumstances:

11 (A) The minor has been convicted of first degree
12 murder, attempt to commit first degree murder,
13 aggravated criminal sexual assault, or criminal sexual
14 assault,

15 (B) The court has made a finding that the minor was
16 at least 13 years of age at the time the offense was
17 committed and the conviction was based upon the minor's
18 commission of: (i) an offense in furtherance of the
19 commission of a felony as a member of or on behalf of a
20 criminal street gang, (ii) an offense involving the use
21 of a firearm in the commission of a felony, (iii) a
22 Class X felony offense under or a second or subsequent
23 Class 2 or greater felony offense under the Cannabis
24 Control Act, (iv) a second or subsequent offense under
25 Section 402 of the Illinois Controlled Substances Act,
26 (v) an offense under Section 401 of the Illinois

1 Controlled Substances Act, (vi) an act that would be a
2 second or subsequent offense under Section 60 of the
3 Methamphetamine Control and Community Protection Act,
4 or (vii) an act that would be an offense under another
5 Section of the Methamphetamine Control and Community
6 Protection Act.

7 (D) Pending or following any adjudication of delinquency
8 for any offense defined in Sections 11-1.20 through 11-1.60 or
9 12-13 through 12-16 of the Criminal Code of 1961, the victim of
10 any such offense shall receive the rights set out in Sections 4
11 and 6 of the Bill of Rights for Victims and Witnesses of
12 Violent Crime Act; and the juvenile who is the subject of the
13 adjudication, notwithstanding any other provision of this Act,
14 shall be treated as an adult for the purpose of affording such
15 rights to the victim.

16 (E) Nothing in this Section shall affect the right of a
17 Civil Service Commission or appointing authority of any state,
18 county or municipality examining the character and fitness of
19 an applicant for employment with a law enforcement agency,
20 correctional institution, or fire department to ascertain
21 whether that applicant was ever adjudicated to be a delinquent
22 minor and, if so, to examine the records of disposition or
23 evidence which were made in proceedings under this Act.

24 (F) Following any adjudication of delinquency for a crime
25 which would be a felony if committed by an adult, or following
26 any adjudication of delinquency for a violation of Section

1 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961, the
2 State's Attorney shall ascertain whether the minor respondent
3 is enrolled in school and, if so, shall provide a copy of the
4 dispositional order to the principal or chief administrative
5 officer of the school. Access to such juvenile records shall be
6 limited to the principal or chief administrative officer of the
7 school and any guidance counselor designated by him.

8 (G) Nothing contained in this Act prevents the sharing or
9 disclosure of information or records relating or pertaining to
10 juveniles subject to the provisions of the Serious Habitual
11 Offender Comprehensive Action Program when that information is
12 used to assist in the early identification and treatment of
13 habitual juvenile offenders.

14 (H) When a Court hearing a proceeding under Article II of
15 this Act becomes aware that an earlier proceeding under Article
16 II had been heard in a different county, that Court shall
17 request, and the Court in which the earlier proceedings were
18 initiated shall transmit, an authenticated copy of the Court
19 record, including all documents, petitions, and orders filed
20 therein and the minute orders, transcript of proceedings, and
21 docket entries of the Court.

22 (I) The Clerk of the Circuit Court shall report to the
23 Department of State Police, in the form and manner required by
24 the Department of State Police, the final disposition of each
25 minor who has been arrested or taken into custody before his or
26 her 17th birthday for those offenses required to be reported

1 under Section 5 of the Criminal Identification Act. Information
2 reported to the Department under this Section may be maintained
3 with records that the Department files under Section 2.1 of the
4 Criminal Identification Act.

7 Section 620. The Criminal Code of 1961 is amended by
8 changing Sections 10-5, 21-3, 24-3, 26-1, and 26-4 and the
9 heading of Article 24.6 as follows:

10 (720 ILCS 5/10-5) (from Ch. 38, par. 10-5)

11 Sec. 10-5. Child abduction.

12 (a) For purposes of this Section, the following terms have
13 the following meanings:

14 (1) "Child" means a person who, at the time the alleged
15 violation occurred, was under the age of 18 or severely or
16 profoundly intellectually disabled.

17 (2) "Detains" means taking or retaining physical
18 custody of a child, whether or not the child resists or
19 objects.

20 (2.1) "Express consent" means oral or written
21 permission that is positive, direct, and unequivocal,
22 requiring no inference or implication to supply its
23 meaning.

24 (2.2) "Luring" means any knowing act to solicit,

1 entice, tempt, or attempt to attract the minor.

2 (3) "Lawful custodian" means a person or persons
3 granted legal custody of a child or entitled to physical
4 possession of a child pursuant to a court order. It is
5 presumed that, when the parties have never been married to
6 each other, the mother has legal custody of the child
7 unless a valid court order states otherwise. If an
8 adjudication of paternity has been completed and the father
9 has been assigned support obligations or visitation
10 rights, such a paternity order should, for the purposes of
11 this Section, be considered a valid court order granting
12 custody to the mother.

13 (4) "Putative father" means a man who has a reasonable
14 belief that he is the father of a child born of a woman who
15 is not his wife.

16 (5) "Unlawful purpose" means any misdemeanor or felony
17 violation of State law or a similar federal or sister state
18 law or local ordinance.

19 (b) A person commits the offense of child abduction when he
20 or she does any one of the following:

21 (1) Intentionally violates any terms of a valid court
22 order granting sole or joint custody, care, or possession
23 to another by concealing or detaining the child or removing
24 the child from the jurisdiction of the court.

25 (2) Intentionally violates a court order prohibiting
26 the person from concealing or detaining the child or

1 removing the child from the jurisdiction of the court.

2 (3) Intentionally conceals, detains, or removes the
3 child without the consent of the mother or lawful custodian
4 of the child if the person is a putative father and either:
5 (A) the paternity of the child has not been legally
6 established or (B) the paternity of the child has been
7 legally established but no orders relating to custody have
8 been entered. Notwithstanding the presumption created by
9 paragraph (3) of subsection (a), however, a mother commits
10 child abduction when she intentionally conceals or removes
11 a child, whom she has abandoned or relinquished custody of,
12 from an unadjudicated father who has provided sole ongoing
13 care and custody of the child in her absence.

14 (4) Intentionally conceals or removes the child from a
15 parent after filing a petition or being served with process
16 in an action affecting marriage or paternity but prior to
17 the issuance of a temporary or final order determining
18 custody.

19 (5) At the expiration of visitation rights outside the
20 State, intentionally fails or refuses to return or impedes
21 the return of the child to the lawful custodian in
22 Illinois.

23 (6) Being a parent of the child, and if the parents of
24 that child are or have been married and there has been no
25 court order of custody, knowingly conceals the child for 15
26 days, and fails to make reasonable attempts within the

1 15-day period to notify the other parent as to the specific
2 whereabouts of the child, including a means by which to
3 contact the child, or to arrange reasonable visitation or
4 contact with the child. It is not a violation of this
5 Section for a person fleeing domestic violence to take the
6 child with him or her to housing provided by a domestic
7 violence program.

8 (7) Being a parent of the child, and if the parents of
9 the child are or have been married and there has been no
10 court order of custody, knowingly conceals, detains, or
11 removes the child with physical force or threat of physical
12 force.

13 (8) Knowingly conceals, detains, or removes the child
14 for payment or promise of payment at the instruction of a
15 person who has no legal right to custody.

16 (9) Knowingly retains in this State for 30 days a child
17 removed from another state without the consent of the
18 lawful custodian or in violation of a valid court order of
19 custody.

20 (10) Intentionally lures or attempts to lure a child
21 under the age of 16 into a motor vehicle, building,
22 housetrailer, or dwelling place without the consent of the
23 child's parent or lawful custodian for other than a lawful
24 purpose. For the purposes of this item (10), the trier of
25 fact may infer that luring or attempted luring of a child
26 under the age of 16 into a motor vehicle, building,

1 housetrailer, or dwelling place without the express
2 consent of the child's parent or lawful custodian or with
3 the intent to avoid the express consent of the child's
4 parent or lawful custodian was for other than a lawful
5 purpose.

6 (11) With the intent to obstruct or prevent efforts to
7 locate the child victim of a child abduction, knowingly
8 destroys, alters, conceals, or disguises physical evidence
9 or furnishes false information.

10 (c) It is an affirmative defense to subsections (b) (1)
11 through (b) (10) of this Section that:

12 (1) the person had custody of the child pursuant to a
13 court order granting legal custody or visitation rights
14 that existed at the time of the alleged violation;

15 (2) the person had physical custody of the child
16 pursuant to a court order granting legal custody or
17 visitation rights and failed to return the child as a
18 result of circumstances beyond his or her control, and the
19 person notified and disclosed to the other parent or legal
20 custodian the specific whereabouts of the child and a means
21 by which the child could be contacted or made a reasonable
22 attempt to notify the other parent or lawful custodian of
23 the child of those circumstances and made the disclosure
24 within 24 hours after the visitation period had expired and
25 returned the child as soon as possible;

26 (3) the person was fleeing an incidence or pattern of

1 domestic violence; or

2 (4) the person lured or attempted to lure a child under
3 the age of 16 into a motor vehicle, building, housetrailer,
4 or dwelling place for a lawful purpose in prosecutions
5 under paragraph (10) of subsection (b).

6 (d) A person convicted of child abduction under this
7 Section is guilty of a Class 4 felony. A person convicted of
8 child abduction under subsection (b)(10) shall undergo a sex
9 offender evaluation prior to a sentence being imposed. A person
10 convicted of a second or subsequent violation of paragraph (10)
11 of subsection (b) of this Section is guilty of a Class 3
12 felony. A person convicted of child abduction under subsection
13 (b)(10) when the person has a prior conviction of a sex offense
14 as defined in the Sex Offender Registration Act or any
15 substantially similar federal, Uniform Code of Military
16 Justice, sister state, or foreign government offense is guilty
17 of a Class 2 felony. It is a factor in aggravation under
18 subsections (b)(1) through (b)(10) of this Section for which a
19 court may impose a more severe sentence under Section 5-8-1
20 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V of the Unified
21 Code of Corrections if, upon sentencing, the court finds
22 evidence of any of the following aggravating factors:

23 (1) that the defendant abused or neglected the child
24 following the concealment, detention, or removal of the
25 child;

26 (2) that the defendant inflicted or threatened to

1 inflict physical harm on a parent or lawful custodian of
2 the child or on the child with intent to cause that parent
3 or lawful custodian to discontinue criminal prosecution of
4 the defendant under this Section;

5 (3) that the defendant demanded payment in exchange for
6 return of the child or demanded that he or she be relieved
7 of the financial or legal obligation to support the child
8 in exchange for return of the child;

9 (4) that the defendant has previously been convicted of
10 child abduction;

11 (5) that the defendant committed the abduction while
12 armed with a deadly weapon or the taking of the child
13 resulted in serious bodily injury to another; or

14 (6) that the defendant committed the abduction while in
15 a school, regardless of the time of day or time of year; in
16 a playground; on any conveyance owned, leased, or
17 contracted by a school to transport students to or from
18 school or a school related activity; on the real property
19 of a school; or on a public way within 1,000 feet of the
20 real property comprising any school or playground. For
21 purposes of this paragraph (6), "playground" means a piece
22 of land owned or controlled by a unit of local government
23 that is designated by the unit of local government for use
24 solely or primarily for children's recreation; and
25 "school" means a public or private elementary or secondary
26 school, community college, college, or university.

22 for its purchase has been made. However, this paragraph (g)
23 does not apply to: (1) the sale of a firearm to a law
24 enforcement officer if the seller of the firearm knows that
25 the person to whom he or she is selling the firearm is a
26 law enforcement officer or the sale of a firearm to a

23 substances, if the agency or prosecutor can demonstrate that
24 the item requested would be useful to the agency or prosecutor
25 in their enforcement efforts. When any forfeited conveyance,
26 including an aircraft, vehicle, or vessel, is returned to the

1 seizing agency or prosecutor, the conveyance may be used
2 immediately in the enforcement of the criminal laws of this

17 relationship to the degree of direct participation of the
18 law enforcement agency in the effort resulting in the
19 forfeiture, taking into account the total value of the
20 property forfeited and the total law enforcement effort
21 with respect to the violation of the law upon which the
22 forfeiture is based. Amounts distributed to the agency or
23 agencies shall be used for the enforcement of laws
24 governing cannabis and controlled substances or for
25 security cameras used for the prevention or detection of
26 violence, except that amounts distributed to the Secretary

1 of State shall be deposited into the Secretary of State
2 Evidence Fund to be used as provided in Section 2-115 of
3 the Illinois Vehicle Code.

4 (2) (i) 12.5% shall be distributed to the Office of the
5 State's Attorney of the county in which the prosecution
6 resulting in the forfeiture was instituted, deposited in a
7 special fund in the county treasury and appropriated to the
8 State's Attorney for use in the enforcement of laws
9 governing cannabis and controlled substances, or at the
10 discretion of the State's Attorney, in addition to other
11 authorized purposes, to make grants to local substance
12 abuse treatment facilities and half-way houses. In
13 counties over 3,000,000 population, 25% will be
14 distributed to the Office of the State's Attorney for use
15 in the enforcement of laws governing cannabis and
16 controlled substances, or at the discretion of the State's
17 Attorney, in addition to other authorized purposes, to make
18 grants to local substance abuse treatment facilities and
19 half-way houses. If the prosecution is undertaken solely by
20 the Attorney General, the portion provided hereunder shall
21 be distributed to the Attorney General for use in the
22 enforcement of laws governing cannabis and controlled
23 substances.

24 (ii) 12.5% shall be distributed to the Office of the
25 State's Attorneys Appellate Prosecutor and deposited in
26 the Narcotics Profit Forfeiture Fund of that Office to be

1 used for additional expenses incurred in the
2 investigation, prosecution and appeal of cases arising
3 under laws governing cannabis and controlled substances.
4 The Office of the State's Attorneys Appellate Prosecutor
5 shall not receive distribution from cases brought in
6 counties with over 3,000,000 population.

7 (3) 10% shall be retained by the Department of State
8 Police for expenses related to the administration and sale
9 of seized and forfeited property.

5 (2) An investigator for the Consumer Protection

22 information of the type requested for the purpose of
23 investigations involving controlled substances; and

24 (C) engaged in the investigation or prosecution of

5 violation under any State or federal law that involves a
6 controlled substance has occurred; and

7 (2) the requested information is reasonably related to
8 the investigation, adjudication, or prosecution of the
9 violation described in subdivision (1).

10 (f) The Department may receive and release prescription
11 record information under Section 316 and former Section 321 to:

12 (1) a governing body that licenses practitioners;

13 (2) an investigator for the Consumer Protection
14 Division of the office of the Attorney General, a

4 outside the scope of their practice, pharmacy, or business, as
5 determined by the Advisory Committee created by Section 320.

6 (g) The information described in subsection (f) may not be
7 released until it has been reviewed by an employee of the
8 Department who is licensed as a prescriber or a dispenser and
9 until that employee has certified that further investigation is
10 warranted. However, failure to comply with this subsection (g)
11 does not invalidate the use of any evidence that is otherwise
12 admissible in a proceeding described in subsection (h).

13 (h) An investigator or a law enforcement officer receiving
14 confidential information under subsection (c), (d), or (f) may
15 disclose the information to a law enforcement officer or an

17 evidence in the following:

18 (1) A proceeding under any State or federal law that
19 involves a controlled substance.

20 (2) A criminal proceeding or a proceeding in juvenile
21 court that involves a controlled substance.

22 (i) The Department may compile statistical reports from the
23 information described in subsection (a). The reports must not
24 include information that identifies, by name, license or
25 address, any practitioner, dispenser, ultimate user, or other
26 person administering a controlled substance.

1 (j) Based upon federal, initial and maintenance funding, a
2 prescriber and dispenser inquiry system shall be developed to
3 assist the health care community in its goal of effective
4 clinical practice and to prevent patients from diverting or

15 between an inquirer and the Department. Technical
16 assistance shall also be provided.

17 (4) Written inquiries are acceptable but must include
18 the fee and the requestor's Drug Enforcement
19 Administration license number and submitted upon the
20 requestor's business stationery ~~stationary~~.

21 (5) As directed by the Prescription Monitoring Program
22 Advisory Committee and the Clinical Director for the
23 Prescription Monitoring Program, aggregate data that does
24 not indicate any prescriber, practitioner, dispenser, or
25 patient may be used for clinical studies.

26 (6) Tracking analysis shall be established and used per

1 administrative rule.

2 (7) Nothing in this Act or Illinois law shall be
3 construed to require a prescriber or dispenser to make use
4 of this inquiry system.

5 (8) If there is an adverse outcome because of a
6 prescriber or dispenser making an inquiry, which is
7 initiated in good faith, the prescriber or dispenser shall
8 be held harmless from any civil liability.

9 (k) The Department shall establish, by rule, the process by
10 which to evaluate possible erroneous association of
11 prescriptions to any licensed prescriber or end user of the
12 Illinois Prescription Information Library (PIL).

13 (l) The Prescription Monitoring Program Advisory Committee

3 (720 ILCS 570/505) (from Ch. 56 1/2, par. 1505)

4 Sec. 505. (a) The following are subject to forfeiture:

5 (1) all substances which have been manufactured,
6 distributed, dispensed, or possessed in violation of this
7 Act;

8 (2) all raw materials, products and equipment of any
9 kind which are used, or intended for use in manufacturing,
10 distributing, dispensing, administering or possessing any
11 substance in violation of this Act;

12 (3) all conveyances, including aircraft, vehicles or
13 vessels, which are used, or intended for use, to transport,
14 or in any manner to facilitate the transportation, sale,
15 receipt, possession, or concealment of property described
16 in paragraphs (1) and (2), but:

17 (i) no conveyance used by any person as a common
18 carrier in the transaction of business as a common
19 carrier is subject to forfeiture under this Section
20 unless it appears that the owner or other person in
21 charge of the conveyance is a consenting party or privy
22 to a violation of this Act;

23 (ii) no conveyance is subject to forfeiture under
24 this Section by reason of any act or omission which the
25 owner proves to have been committed or omitted without

1 his or her knowledge or consent;

2 (iii) a forfeiture of a conveyance encumbered by a
3 bona fide security interest is subject to the interest
4 of the secured party if he or she neither had knowledge
5 of nor consented to the act or omission;

6 (4) all money, things of value, books, records, and
7 research products and materials including formulas,
8 microfilm, tapes, and data which are used, or intended to
9 be used in violation of this Act;

10 (5) everything of value furnished, or intended to be
11 furnished, in exchange for a substance in violation of this
12 Act, all proceeds traceable to such an exchange, and all
13 moneys, negotiable instruments, and securities used, or
14 intended to be used, to commit or in any manner to
15 facilitate any violation of this Act;

16 (6) all real property, including any right, title, and
17 interest (including, but not limited to, any leasehold
18 interest or the beneficial interest in a land trust) in the
19 whole of any lot or tract of land and any appurtenances or
20 improvements, which is used or intended to be used, in any
21 manner or part, to commit, or in any manner to facilitate
22 the commission of, any violation or act that constitutes a
23 violation of Section 401 or 405 of this Act or that is the
24 proceeds of any violation or act that constitutes a
25 violation of Section 401 or 405 of this Act.

26 (b) Property subject to forfeiture under this Act may be

1 seized by the Director or any peace officer upon process or
2 seizure warrant issued by any court having jurisdiction over
3 the property. Seizure by the Director or any peace officer
4 without process may be made:

5 (1) if the seizure is incident to inspection under an
6 administrative inspection warrant;

7 (2) if the property subject to seizure has been the
8 subject of a prior judgment in favor of the State in a
9 criminal proceeding, or in an injunction or forfeiture
10 proceeding based upon this Act or the Drug Asset Forfeiture
11 Procedure Act;

12 (3) if there is probable cause to believe that the
13 property is directly or indirectly dangerous to health or
14 safety;

15 (4) if there is probable cause to believe that the
16 property is subject to forfeiture under this Act and the
17 property is seized under circumstances in which a
18 warrantless seizure or arrest would be reasonable; or

19 (5) in accordance with the Code of Criminal Procedure
20 of 1963.

21 (c) In the event of seizure pursuant to subsection (b),
22 notice shall be given forthwith to all known interest holders
23 that forfeiture proceedings, including a preliminary review,
24 shall be instituted in accordance with the Drug Asset
25 Forfeiture Procedure Act and such proceedings shall thereafter
26 be instituted in accordance with that Act. Upon a showing of

1 good cause, the notice required for a preliminary review under
2 this Section may be postponed.

3 (d) Property taken or detained under this Section shall not
4 be subject to replevin, but is deemed to be in the custody of
5 the Director subject only to the order and judgments of the
6 circuit court having jurisdiction over the forfeiture
7 proceedings and the decisions of the State's Attorney under the
8 Drug Asset Forfeiture Procedure Act. When property is seized
9 under this Act, the seizing agency shall promptly conduct an
10 inventory of the seized property and estimate the property's
11 value, and shall forward a copy of the inventory of seized
12 property and the estimate of the property's value to the
13 Director. Upon receiving notice of seizure, the Director may:

14 (1) place the property under seal;

15 (2) remove the property to a place designated by the
16 Director;

17 (3) keep the property in the possession of the seizing
18 agency;

19 (4) remove the property to a storage area for
20 safekeeping or, if the property is a negotiable instrument
21 or money and is not needed for evidentiary purposes,
22 deposit it in an interest bearing account;

23 (5) place the property under constructive seizure by
24 posting notice of pending forfeiture on it, by giving
25 notice of pending forfeiture to its owners and interest
26 holders, or by filing notice of pending forfeiture in any

1 appropriate public record relating to the property; or

2 (6) provide for another agency or custodian, including
3 an owner, secured party, or lienholder, to take custody of
4 the property upon the terms and conditions set by the
5 Director.

6 (e) If the Department of Financial and Professional
7 Regulation suspends or revokes a registration, all controlled
8 substances owned or possessed by the registrant at the time of
9 suspension or the effective date of the revocation order may be
10 placed under seal by the Director. No disposition may be made
11 of substances under seal until the time for taking an appeal
12 has elapsed or until all appeals have been concluded unless a
13 court, upon application therefor, orders the sale of perishable
14 substances and the deposit of the proceeds of the sale with the
15 court. Upon a suspension or revocation order becoming final,
16 all substances may be forfeited to the Illinois State Police.

17 (f) When property is forfeited under this Act the Director
18 shall sell all such property unless such property is required
19 by law to be destroyed or is harmful to the public, and shall
20 distribute the proceeds of the sale, together with any moneys
21 forfeited or seized, in accordance with subsection (g).
22 However, upon the application of the seizing agency or
23 prosecutor who was responsible for the investigation, arrest or
24 arrests and prosecution which lead to the forfeiture, the
25 Director may return any item of forfeited property to the
26 seizing agency or prosecutor for official use in the

1 enforcement of laws relating to cannabis or controlled
2 substances, if the agency or prosecutor can demonstrate that
3 the item requested would be useful to the agency or prosecutor
4 in their enforcement efforts. When any forfeited conveyance,
5 including an aircraft, vehicle, or vessel, is returned to the
6 seizing agency or prosecutor, the conveyance may be used
7 immediately in the enforcement of the criminal laws of this
8 State. Upon disposal, all proceeds from the sale of the
9 conveyance must be used for drug enforcement purposes. When any
10 real property returned to the seizing agency is sold by the
11 agency or its unit of government, the proceeds of the sale
12 shall be delivered to the Director and distributed in
13 accordance with subsection (g).

14 (g) All monies and the sale proceeds of all other property
15 forfeited and seized under this Act shall be distributed as
16 follows:

17 (1) 65% shall be distributed to the metropolitan
18 enforcement group, local, municipal, county, or state law
19 enforcement agency or agencies which conducted or
20 participated in the investigation resulting in the
21 forfeiture. The distribution shall bear a reasonable
22 relationship to the degree of direct participation of the
23 law enforcement agency in the effort resulting in the
24 forfeiture, taking into account the total value of the
25 property forfeited and the total law enforcement effort
26 with respect to the violation of the law upon which the

1 forfeiture is based. Amounts distributed to the agency or
2 agencies shall be used for the enforcement of laws
3 governing cannabis and controlled substances or for
4 security cameras used for the prevention or detection of
5 violence, except that amounts distributed to the Secretary
6 of State shall be deposited into the Secretary of State
7 Evidence Fund to be used as provided in Section 2-115 of
8 the Illinois Vehicle Code.

9 (2) (i) 12.5% shall be distributed to the Office of the
10 State's Attorney of the county in which the prosecution
11 resulting in the forfeiture was instituted, deposited in a
12 special fund in the county treasury and appropriated to the
13 State's Attorney for use in the enforcement of laws
14 governing cannabis and controlled substances, or at the
15 discretion of the State's Attorney, in addition to other
16 authorized purposes, to make grants to local substance
17 abuse treatment facilities and half-way houses. In
18 counties over 3,000,000 population, 25% will be
19 distributed to the Office of the State's Attorney for use
20 in the enforcement of laws governing cannabis and
21 controlled substances, or at the discretion of the State's
22 Attorney, in addition to other authorized purposes, to make
23 grants to local substance abuse treatment facilities and
24 half-way houses. If the prosecution is undertaken solely by
25 the Attorney General, the portion provided hereunder shall
26 be distributed to the Attorney General for use in the

1 enforcement of laws governing cannabis and controlled
2 substances.

3 (ii) 12.5% shall be distributed to the Office of the
4 State's Attorneys Appellate Prosecutor and deposited in
5 the Narcotics Profit Forfeiture Fund of that office to be
6 used for additional expenses incurred in the
7 investigation, prosecution and appeal of cases arising
8 under laws governing cannabis and controlled substances.
9 The Office of the State's Attorneys Appellate Prosecutor
10 shall not receive distribution from cases brought in
11 counties with over 3,000,000 population.

12 (3) 10% shall be retained by the Department of State
13 Police for expenses related to the administration and sale
14 of seized and forfeited property.

15 (h) Species of plants from which controlled substances in
16 Schedules I and II may be derived which have been planted or
17 cultivated in violation of this Act, or of which the owners or
18 cultivators are unknown, or which are wild growths, may be
19 seized and summarily forfeited to the State. The failure, upon
20 demand by the Director or any peace officer, of the person in
21 occupancy or in control of land or premises upon which the
22 species of plants are growing or being stored, to produce
23 registration, or proof that he or she is the holder thereof,
24 constitutes authority for the seizure and forfeiture of the
25 plants.

2 Section 635. The Methamphetamine Control and Community
3 Protection Act is amended by changing Section 85 as follows:

4 (720 ILCS 646/85)

6 (a) The following are subject to forfeiture:

7 (1) all substances containing methamphetamine which
8 have been produced, manufactured, delivered, or possessed
9 in violation of this Act;

10 (2) all methamphetamine manufacturing materials which
11 have been produced, delivered, or possessed in connection
12 with any substance containing methamphetamine in violation
13 of this Act;

14 (3) all conveyances, including aircraft, vehicles or
15 vessels, which are used, or intended for use, to transport,
16 or in any manner to facilitate the transportation, sale,
17 receipt, possession, or concealment of property described
18 in paragraph (1) or (2) that constitutes a felony violation
19 of the Act, but:

20 (i) no conveyance used by any person as a common
21 carrier in the transaction of business as a common
22 carrier is subject to forfeiture under this Section
23 unless it appears that the owner or other person in
24 charge of the conveyance is a consenting party or privy

1 to a violation of this Act;

2 (ii) no conveyance is subject to forfeiture under
3 this Section by reason of any act or omission which the
4 owner proves to have been committed or omitted without
5 his or her knowledge or consent;

6 (iii) a forfeiture of a conveyance encumbered by a
7 bona fide security interest is subject to the interest
8 of the secured party if he or she neither had knowledge
9 of nor consented to the act or omission;

10 (4) all money, things of value, books, records, and
11 research products and materials including formulas,
12 microfilm, tapes, and data which are used, or intended for
13 use in a felony violation of this Act;

14 (5) everything of value furnished or intended to be
15 furnished by any person in exchange for a substance in
16 violation of this Act, all proceeds traceable to such an
17 exchange, and all moneys, negotiable instruments, and
18 securities used, or intended to be used, to commit or in
19 any manner to facilitate any felony violation of this Act.

20 (6) all real property, including any right, title, and
21 interest (including, but not limited to, any leasehold
22 interest or the beneficial interest in a land trust) in the
23 whole of any lot or tract of land and any appurtenances or
24 improvements, which is used, or intended to be used, in any
25 manner or part, to commit, or in any manner to facilitate
26 the commission of, any violation or act that constitutes a

1 violation of this Act or that is the proceeds of any
2 violation or act that constitutes a violation of this Act.

3 (b) Property subject to forfeiture under this Act may be
4 seized by the Director or any peace officer upon process or
5 seizure warrant issued by any court having jurisdiction over
6 the property. Seizure by the Director or any peace officer
7 without process may be made:

8 (1) if the property subject to seizure has been the
9 subject of a prior judgment in favor of the State in a
10 criminal proceeding or in an injunction or forfeiture
11 proceeding based upon this Act or the Drug Asset Forfeiture
12 Procedure Act;

13 (2) if there is probable cause to believe that the
14 property is directly or indirectly dangerous to health or
15 safety;

16 (3) if there is probable cause to believe that the
17 property is subject to forfeiture under this Act and the
18 property is seized under circumstances in which a
19 warrantless seizure or arrest would be reasonable; or

20 (4) in accordance with the Code of Criminal Procedure
21 of 1963.

22 (c) In the event of seizure pursuant to subsection (b),
23 notice shall be given forthwith to all known interest holders
24 that forfeiture proceedings, including a preliminary review,
25 shall be instituted in accordance with the Drug Asset
26 Forfeiture Procedure Act and such proceedings shall thereafter

1 be instituted in accordance with that Act. Upon a showing of
2 good cause, the notice required for a preliminary review under
3 this Section may be postponed.

4 (d) Property taken or detained under this Section is not
5 subject to replevin, but is deemed to be in the custody of the
6 Director subject only to the order and judgments of the circuit
7 court having jurisdiction over the forfeiture proceedings and
8 the decisions of the State's Attorney under the Drug Asset
9 Forfeiture Procedure Act. When property is seized under this
10 Act, the seizing agency shall promptly conduct an inventory of
11 the seized property, estimate the property's value, and forward
12 a copy of the inventory of seized property and the estimate of
13 the property's value to the Director. Upon receiving notice of
14 seizure, the Director may:

15 (1) place the property under seal;

17 her;

18 (3) keep the property in the possession of the seizing
19 agency;

20 (4) remove the property to a storage area for

23 deposit it in an interest bearing account;

24 (5) place the property under constructive seizure by

26 notice of pending forfeiture to its owners and interest

1 holders, or by filing notice of pending forfeiture in any
2 appropriate public record relating to the property; or

3 (6) provide for another agency or custodian, including
4 an owner, secured party, or lienholder, to take custody of
5 the property upon the terms and conditions set by the
6 Director.

7 (e) No disposition may be made of property under seal until
8 the time for taking an appeal has elapsed or until all appeals
9 have been concluded unless a court, upon application therefor,
10 orders the sale of perishable substances and the deposit of the
11 proceeds of the sale with the court.

12 (f) When property is forfeited under this Act, the Director
13 shall sell the property unless the property is required by law
14 to be destroyed or is harmful to the public, and shall
15 distribute the proceeds of the sale, together with any moneys
16 forfeited or seized, in accordance with subsection (g).
17 However, upon the application of the seizing agency or
18 prosecutor who was responsible for the investigation, arrest or
19 arrests and prosecution which lead to the forfeiture, the
20 Director may return any item of forfeited property to the
21 seizing agency or prosecutor for official use in the
22 enforcement of laws relating to methamphetamine, cannabis, or
23 controlled substances, if the agency or prosecutor
24 demonstrates that the item requested would be useful to the
25 agency or prosecutor in their enforcement efforts. When any
26 forfeited conveyance, including an aircraft, vehicle, or

1 vessel, is returned to the seizing agency or prosecutor, the
2 conveyance may be used immediately in the enforcement of the
3 criminal laws of this State. Upon disposal, all proceeds from
4 the sale of the conveyance must be used for drug enforcement
5 purposes. When any real property returned to the seizing agency
6 is sold by the agency or its unit of government, the proceeds
7 of the sale shall be delivered to the Director and distributed
8 in accordance with subsection (g).

9 (g) All moneys and the sale proceeds of all other property
10 forfeited and seized under this Act shall be distributed as
11 follows:

12 (1) 65% shall be distributed to the metropolitan
13 enforcement group, local, municipal, county, or State law
14 enforcement agency or agencies which conducted or
15 participated in the investigation resulting in the
16 forfeiture. The distribution shall bear a reasonable
17 relationship to the degree of direct participation of the
18 law enforcement agency in the effort resulting in the
19 forfeiture, taking into account the total value of the
20 property forfeited and the total law enforcement effort
21 with respect to the violation of the law upon which the
22 forfeiture is based. Amounts distributed to the agency or
23 agencies shall be used for the enforcement of laws
24 governing methamphetamine, cannabis, and controlled
25 substances or for security cameras used for the prevention
26 or detection of violence, except that amounts distributed

1 to the Secretary of State shall be deposited into the
2 Secretary of State Evidence Fund to be used as provided in
3 Section 2-115 of the Illinois Vehicle Code.

4 (2) (i) 12.5% shall be distributed to the Office of the
5 State's Attorney of the county in which the prosecution
6 resulting in the forfeiture was instituted, deposited in a
7 special fund in the county treasury and appropriated to the
8 State's Attorney for use in the enforcement of laws
9 governing methamphetamine, cannabis, and controlled
10 substances, or at the discretion of the State's Attorney,
11 in addition to other authorized purposes, to make grants to
12 local substance abuse treatment facilities and half-way
13 houses. In counties with a population over 3,000,000, 25%
14 shall be distributed to the Office of the State's Attorney
15 for use in the enforcement of laws governing
16 methamphetamine, cannabis, and controlled substances, or
17 at the discretion of the State's Attorney, in addition to
18 other authorized purposes, to make grants to local
19 substance abuse treatment facilities and half-way houses.
20 If the prosecution is undertaken solely by the Attorney
21 General, the portion provided hereunder shall be
22 distributed to the Attorney General for use in the
23 enforcement of laws governing methamphetamine, cannabis,
24 and controlled substances.

25 (ii) 12.5% shall be distributed to the Office of the
26 State's Attorneys Appellate Prosecutor and deposited in

1 the Narcotics Profit Forfeiture Fund of that Office to be
2 used for additional expenses incurred in the
3 investigation, prosecution and appeal of cases arising
4 under laws governing methamphetamine, cannabis, and
5 controlled substances. The Office of the State's Attorneys
6 Appellate Prosecutor shall not receive distribution from
7 cases brought in counties with a population over 3,000,000.

8 (3) 10% shall be retained by the Department of State
9 Police for expenses related to the administration and sale
10 of seized and forfeited property.

13 Section 640. The Code of Criminal Procedure of 1963 is
14 amended by changing Sections 109-1 and 124B-125 as follows:

15 (725 ILCS 5/109-1) (from Ch. 38, par. 109-1)

16 Sec. 109-1. Person arrested.

17 (a) A person arrested with or without a warrant shall be
18 taken without unnecessary delay before the nearest and most
19 accessible judge in that county, except when such county is a
20 participant in a regional jail authority, in which event such
21 person may be taken to the nearest and most accessible judge,
22 irrespective of the county where such judge presides, and a
23 charge shall be filed. Whenever a person arrested either with
24 or without a warrant is required to be taken before a judge, a

1 charge may be filed against such person by way of a two-way

14 (730 ILCS 5/3-6-2) (from Ch. 38, par. 1003-6-2)

15 Sec. 3-6-2. Institutions and Facility Administration.

16 (a) Each institution and facility of the Department shall
17 be administered by a chief administrative officer appointed by
18 the Director. A chief administrative officer shall be
19 responsible for all persons assigned to the institution or
20 facility. The chief administrative officer shall administer
21 the programs of the Department for the custody and treatment of
22 such persons.

23 (b) The chief administrative officer shall have such
24 assistants as the Department may assign.

1 (c) The Director or Assistant Director shall have the
2 emergency powers to temporarily transfer individuals without
3 formal procedures to any State, county, municipal or regional
4 correctional or detention institution or facility in the State,
5 subject to the acceptance of such receiving institution or
6 facility, or to designate any reasonably secure place in the
7 State as such an institution or facility and to make transfers
8 thereto. However, transfers made under emergency powers shall
9 be reviewed as soon as practicable under Article 8, and shall
10 be subject to Section 5-905 of the Juvenile Court Act of 1987.
11 This Section shall not apply to transfers to the Department of
12 Human Services which are provided for under Section 3-8-5 or
13 Section 3-10-5.

14 (d) The Department shall provide educational programs for
15 all committed persons so that all persons have an opportunity
16 to attain the achievement level equivalent to the completion of
17 the twelfth grade in the public school system in this State.
18 Other higher levels of attainment shall be encouraged and
19 professional instruction shall be maintained wherever
20 possible. The Department may establish programs of mandatory
21 education and may establish rules and regulations for the
22 administration of such programs. A person committed to the
23 Department who, during the period of his or her incarceration,
24 participates in an educational program provided by or through
25 the Department and through that program is awarded or earns the
26 number of hours of credit required for the award of an

1 associate, baccalaureate, or higher degree from a community
2 college, college, or university located in Illinois shall
3 reimburse the State, through the Department, for the costs
4 incurred by the State in providing that person during his or
5 her incarceration with the education that qualifies him or her
6 for the award of that degree. The costs for which reimbursement
7 is required under this subsection shall be determined and
8 computed by the Department under rules and regulations that it
9 shall establish for that purpose. However, interest at the rate
10 of 6% per annum shall be charged on the balance of those costs
11 from time to time remaining unpaid, from the date of the
12 person's parole, mandatory supervised release, or release
13 constituting a final termination of his or her commitment to
14 the Department until paid.

15 (d-5) A person committed to the Department is entitled to
16 confidential testing for infection with human immunodeficiency
17 virus (HIV) and to counseling in connection with such testing,
18 with no copay to the committed person. A person committed to
19 the Department who has tested positive for infection with HIV
20 is entitled to medical care while incarcerated, counseling, and
21 referrals to support services, in connection with that positive
22 test result. Implementation of this subsection (d-5) is subject
23 to appropriation.

24 (e) A person committed to the Department who becomes in
25 need of medical or surgical treatment but is incapable of
26 giving consent thereto shall receive such medical or surgical

1 treatment by the chief administrative officer consenting on the
2 person's behalf. Before the chief administrative officer
3 consents, he or she shall obtain the advice of one or more
4 physicians licensed to practice medicine in all its branches in
5 this State. If such physician or physicians advise:

6 (1) that immediate medical or surgical treatment is
7 required relative to a condition threatening to cause
8 death, damage or impairment to bodily functions, or
9 disfigurement; and

10 (2) that the person is not capable of giving consent to
11 such treatment; the chief administrative officer may give
12 consent for such medical or surgical treatment, and such
13 consent shall be deemed to be the consent of the person for
14 all purposes, including, but not limited to, the authority
15 of a physician to give such treatment.

16 (e-5) If a physician providing medical care to a committed
17 person on behalf of the Department advises the chief
18 administrative officer that the committed person's mental or
19 physical health has deteriorated as a result of the cessation
20 of ingestion of food or liquid to the point where medical or
21 surgical treatment is required to prevent death, damage, or
22 impairment to bodily functions, the chief administrative
23 officer may authorize such medical or surgical treatment.

24 (f) In the event that the person requires medical care and
25 treatment at a place other than the institution or facility,
26 the person may be removed therefrom under conditions prescribed

1 by the Department. The Department shall require the committed
2 person receiving medical or dental services on a non-emergency
3 basis to pay a \$5 co-payment to the Department for each visit
4 for medical or dental services. The amount of each co-payment
5 shall be deducted from the committed person's individual
6 account. A committed person who has a chronic illness, as
7 defined by Department rules and regulations, shall be exempt
8 from the \$5 co-payment for treatment of the chronic illness. A
9 committed person shall not be subject to a \$5 co-payment for
10 follow-up visits ordered by a physician, who is employed by, or
11 contracts with, the Department. A committed person who is
12 indigent is exempt from the \$5 co-payment and is entitled to
13 receive medical or dental services on the same basis as a
14 committed person who is financially able to afford the
15 co-payment. For purposes of this Section only, "indigent" means
16 a committed person who has \$20 or less in his or her Inmate
17 Trust Fund at the time of such services or for the 30 days
18 prior to such services. Notwithstanding any other provision in
19 this subsection (f) to the contrary, any person committed to
20 any facility operated by the Department of Juvenile Justice, as
21 set forth in Section 3-2.5-15 of this Code, is exempt from the
22 co-payment requirement for the duration of confinement in those
23 facilities.

24 (g) Any person having sole custody of a child at the time
25 of commitment or any woman giving birth to a child after her
26 commitment, may arrange through the Department of Children and

1 Family Services for suitable placement of the child outside of
2 the Department of Corrections. The Director of the Department
3 of Corrections may determine that there are special reasons why
4 the child should continue in the custody of the mother until
5 the child is 6 years old.

6 (h) The Department may provide Family Responsibility
7 Services which may consist of, but not be limited to the
8 following:

9 (1) family advocacy counseling;

10 (2) parent self-help group;

11 (3) parenting skills training;

12 (4) parent and child overnight program;

13 (5) parent and child reunification counseling, either
14 separately or together, preceding the inmate's release;
15 and

2 from the Department of Corrections. The sex offender evaluation
3 shall be conducted in conformance with the standards and
4 guidelines developed under the Sex Offender Management Board
5 Act and by an evaluator approved by the Board.

7 Justice for a sex offense as defined by the Sex Offender
8 Management Board Act shall be required to undergo sex offender
9 treatment by a treatment provider approved by the Board and
10 conducted in conformance with the Sex Offender Management Board
11 Act.

12 (l) Prior to the release of any inmate committed to a
13 facility of the Department or the Department of Juvenile
14 Justice, the Department must provide the inmate with
15 appropriate information verbally, in writing, by video, or
16 other electronic means, concerning HIV and AIDS. The Department
17 shall develop the informational materials in consultation with
18 the Department of Public Health. At the same time, the
19 Department must also offer the committed person the option of
20 testing for infection with human immunodeficiency virus (HIV),
21 with no copayment for the test. Pre-test information shall be
22 provided to the committed person and informed consent obtained
23 as required in subsection (d) of Section 3 and Section 5 of the
24 AIDS Confidentiality Act. The Department may conduct opt-out
25 HIV testing as defined in Section 4 of the AIDS Confidentiality
26 Act. If the Department conducts opt-out HIV testing, the

1 Department shall place signs in English, Spanish and other
2 languages as needed in multiple, highly visible locations in
3 the area where HIV testing is conducted informing inmates that
4 they will be tested for HIV unless they refuse, and refusal or
5 acceptance of testing shall be documented in the inmate's
6 medical record. The Department shall follow procedures
7 established by the Department of Public Health to conduct HIV
8 testing and testing to confirm positive HIV test results. All
9 testing must be conducted by medical personnel, but pre-test
10 and other information may be provided by committed persons who
11 have received appropriate training. The Department, in
12 conjunction with the Department of Public Health, shall develop
13 a plan that complies with the AIDS Confidentiality Act to
14 deliver confidentially all positive or negative HIV test
15 results to inmates or former inmates. Nothing in this Section
16 shall require the Department to offer HIV testing to an inmate
17 who is known to be infected with HIV, or who has been tested
18 for HIV within the previous 180 days and whose documented HIV
19 test result is available to the Department electronically. The
20 testing provided under this subsection (1) shall consist of a
21 test approved by the Illinois Department of Public Health to
22 determine the presence of HIV infection, based upon
23 recommendations of the United States Centers for Disease
24 Control and Prevention. If the test result is positive, a
25 reliable supplemental test based upon recommendations of the
26 United States Centers for Disease Control and Prevention shall

1 be administered.

2 Prior to the release of an inmate who the Department knows
3 has tested positive for infection with HIV, the Department in a
4 timely manner shall offer the inmate transitional case
5 management, including referrals to other support services.

6 (m) The chief administrative officer of each institution or
7 facility of the Department shall make a room in the institution
8 or facility available for addiction recovery services to be
9 provided to committed persons on a voluntary basis. The
10 services shall be provided for one hour once a week at a time
11 specified by the chief administrative officer of the
12 institution or facility if the following conditions are met:

26 testing provided under this subsection (a-5) shall consist of a

1 test approved by the Illinois Department of Public Health to
2 determine the presence of HIV infection, based upon
3 recommendations of the United States Centers for Disease
4 Control and Prevention. If the test result is positive, a

1 provided in this Code, the Department shall establish
2 procedures to provide written notification to the proper law
3 enforcement agency for any municipality of any release of any
4 person who has been convicted of a felony if the arrest of the
5 offender or the commission of the offense took place in the
6 municipality, if the offender is to be paroled or released into
7 the municipality, or if the offender resided in the
8 municipality at the time of the commission of the offense. If a
9 person convicted of a felony who is in the custody of the
10 Department of Corrections or on parole or mandatory supervised
11 release informs the Department that he or she has resided,
12 resides, or will reside at an address that is a housing
13 facility owned, managed, operated, or leased by a public
14 housing agency, the Department must send written notification
15 of that information to the public housing agency that owns,
16 manages, operates, or leases the housing facility. The written
17 notification shall, when possible, be given at least 14 days
18 before release of the person from custody, or as soon
19 thereafter as possible.

20 (c-1) (Blank).

21 (c-2) The Department shall establish procedures to provide
22 notice to the Department of State Police of the release or
23 discharge of persons convicted of violations of the
24 Methamphetamine Control and Community Protection Act or a
25 violation of the Methamphetamine Precursor Control Act. The
26 Department of State Police shall make this information

1 available to local, State, or federal law enforcement agencies
2 upon request.

3 (c-5) If a person on parole or mandatory supervised release
4 becomes a resident of a facility licensed or regulated by the
5 Department of Public Health, the Illinois Department of Public
6 Aid, or the Illinois Department of Human Services, the
7 Department of Corrections shall provide copies of the following

23 parole agent and parole supervisor.

24 This information shall be provided within 3 days of the
25 person becoming a resident of the facility.

26 (c-10) If a person on parole or mandatory supervised

1 release becomes a resident of a facility licensed or regulated
2 by the Department of Public Health, the Illinois Department of
3 Public Aid, or the Illinois Department of Human Services, the
4 Department of Corrections shall provide written notification
5 of such residence to the following:

6 (1) The Prisoner Review Board.

7 (2) The chief of police and sheriff in the municipality
8 and county in which the licensed facility is located.

9 The notification shall be provided within 3 days of the

12 mandatory supervised release, final discharge or pardon, the
13 Department shall provide such person with information

18 (e) Upon the release of a committed person on parole,
19 mandatory supervised release, final discharge, pardon, or who
20 has been wrongfully imprisoned, the Department shall provide
21 the person who has met the criteria established by the
22 Department with an identification card identifying the person
23 as being on parole, mandatory supervised release, final
24 discharge, pardon, or wrongfully imprisoned, as the case may
25 be. The Department, in consultation with the Office of the
26 Secretary of State, shall prescribe the form of the

1 identification card, which may be similar to the form of the
2 standard Illinois Identification Card. The Department shall
3 inform the committed person that he or she may present the

8 for the identification card.

9 For purposes of a committed person receiving an
10 identification card issued by the Department under this
11 subsection, the Department shall establish criteria that the
12 committed person must meet before the card is issued. It is the
13 sole responsibility of the committed person requesting the
14 identification card issued by the Department to meet the
15 established criteria. The person's failure to meet the criteria
16 is sufficient reason to deny the committed person the
17 identification card. An identification card issued by the
18 Department under this subsection shall be valid for a period of
19 time not to exceed 30 calendar days from the date the card is
20 issued. The Department shall not be held civilly or criminally
21 liable to anyone because of any act of any person utilizing a
22 card issued by the Department under this subsection.

23 The Department shall adopt rules governing the issuance of
24 identification cards to committed persons being released on

9 at the jail, or a member of the jail medical staff must provide
10 the prisoner with appropriate written information concerning
11 human immunodeficiency virus (HIV) and acquired

23 Health & Hospitals System in consultation with the Illinois
24 Department of Public Health. Nothing in this Section shall
25 require the Cook County Health & Hospitals System to offer HIV
26 testing to inmates who are known to be infected with HIV. The

1 Department of Public Health and community-based organizations
2 certified to provide HIV/AIDS testing may provide these
3 informational materials to the Bureau at no cost to the county.
4 The testing provided under this subsection (b) shall consist of
5 a test approved by the Illinois Department of Public Health to
6 determine the presence of HIV infection, based upon
7 recommendations of the United States Centers for Disease

10 United States Centers for Disease Control and Prevention shall
11 be administered.

12 (c) In each county, the warden of the jail must make
13 appropriate written information concerning HIV/AIDS available

16 counseling and testing. The Department of Public Health and
17 community-based organizations certified to provide HIV/AIDS
18 testing must provide these informational materials to the
19 warden at no cost to the office of the county sheriff.

20 (d) Implementation of this Section is subject to

4 found to be no longer sexually dangerous and discharged, shall
5 register for the period of his or her natural life. A sexually
6 violent person or sexual predator shall register for the period
7 of his or her natural life after conviction or adjudication if
8 not confined to a penal institution, hospital, or other
9 institution or facility, and if confined, for the period of his
10 or her natural life after parole, discharge, or release from
11 any such facility. A person who becomes subject to registration
12 under paragraph (2.1) of subsection (c) of Section 3 of this
13 Article who has previously been subject to registration under
14 this Article shall register for the period currently required
15 for the offense for which the person was previously registered
16 if not confined to a penal institution, hospital, or other
17 institution or facility, and if confined, for the same period
18 after parole, discharge, or release from any such facility.
19 Except as otherwise provided in this Section, a person who

22 under the Murderer and Violent Offender Against Youth
23 Registration Act or similar registration requirements of other
24 jurisdictions shall register for the period of his or her
25 natural life if not confined to a penal institution, hospital,

1 or other institution or facility, and if confined, for the
2 period of his or her natural life after parole, discharge, or
3 release from any such facility. Any other person who is
4 required to register under this Article shall be required to
5 register for a period of 10 years after conviction or
6 adjudication if not confined to a penal institution, hospital
7 or any other institution or facility, and if confined, for a
8 period of 10 years after parole, discharge or release from any
9 such facility. A sex offender who is allowed to leave a county,
10 State, or federal facility for the purposes of work release,

16 facility and if confined, at the expiration of 10 years from
17 the date of parole, discharge or release from any such
18 facility, providing such person does not, during that period,
19 again become liable to register under the provisions of this
20 Article. Reconfinement due to a violation of parole or other
21 circumstances that relates to the original conviction or
22 adjudication shall extend the period of registration to 10
23 years after final parole, discharge, or release. Reconfinement
24 due to a violation of parole, a conviction reviving
25 registration, or other circumstances that do not relate to the
26 original conviction or adjudication shall toll the running of

1 the balance of the 10-year period of registration, which shall
2 not commence running until after final parole, discharge, or
3 release. The Director of State Police, consistent with
4 administrative rules, shall extend for 10 years the
5 registration period of any sex offender, as defined in Section
6 2 of this Act, who fails to comply with the provisions of this
7 Article. The registration period for any sex offender who fails
8 to comply with any provision of the Act shall extend the period
9 of registration by 10 years beginning from the first date of
10 registration after the violation. If the registration period is
11 extended, the Department of State Police shall send a
12 registered letter to the law enforcement agency where the sex
13 offender resides within 3 days after the extension of the
14 registration period. The sex offender shall report to that law
15 enforcement agency and sign for that letter. One copy of that
16 letter shall be kept on file with the law enforcement agency of
17 the jurisdiction where the sex offender resides and one copy
18 shall be returned to the Department of State Police.

17 (735 ILCS 5/5-105) (from Ch. 110, par. 5-105)

18 Sec. 5-105. Leave to sue or defend as an indigent person.

19 (a) As used in this Section:

20 (1) "Fees, costs, and charges" means payments imposed
21 on a party in connection with the prosecution or defense of
22 a civil action, including, but not limited to: filing fees;
23 appearance fees; fees for service of process and other
24 papers served either within or outside this State,
25 including service by publication pursuant to Section 2-206

1 of this Code and publication of necessary legal notices;
2 motion fees; jury demand fees; charges for participation
3 in, or attendance at, any mandatory process or procedure
4 including, but not limited to, conciliation, mediation,
5 arbitration, counseling, evaluation, "Children First",
6 "Focus on Children" or similar programs; fees for
7 supplementary proceedings; charges for translation
8 services; guardian ad litem fees; charges for certified
9 copies of court documents; and all other processes and
10 procedures deemed by the court to be necessary to commence,
11 prosecute, defend, or enforce relief in a civil action.

12 (2) "Indigent person" means any person who meets one or
13 more of the following criteria:

14 (i) He or she is receiving assistance under one or
15 more of the following public benefits programs:
16 Supplemental Security Income (SSI), Aid to the Aged,
17 Blind and Disabled (AABD), Temporary Assistance for
18 Needy Families (TANF), Food Stamps, General
19 Assistance, State Transitional Assistance, or State
20 Children and Family Assistance.

21 (ii) His or her available income is 125% or less of
22 the current poverty level as established by the United
23 States Department of Health and Human Services, unless
24 the applicant's assets that are not exempt under Part 9
25 or 10 of Article XII of this Code are of a nature and
26 value that the court determines that the applicant is

1 able to pay the fees, costs, and charges.

2 (iii) He or she is, in the discretion of the court,
3 unable to proceed in an action without payment of fees,
4 costs, and charges and whose payment of those fees,
5 costs, and charges would result in substantial
6 hardship to the person or his or her family.

7 (iv) He or she is an indigent person pursuant to
8 Section 5-105.5 of this Code.

9 (b) On the application of any person, before, or after the
10 commencement of an action, a court, on finding that the
11 applicant is an indigent person, shall grant the applicant
12 leave to sue or defend the action without payment of the fees,
13 costs, and charges of the action.

14 (c) An application for leave to sue or defend an action as
15 an indigent person shall be in writing and supported by the
16 affidavit of the applicant or, if the applicant is a minor or
17 an incompetent adult, by the affidavit of another person having
18 knowledge of the facts. The contents of the affidavit shall be
19 established by Supreme Court Rule. The court shall provide,
20 through the office of the clerk of the court, simplified forms
21 consistent with the requirements of this Section and applicable
22 Supreme Court Rules to any person seeking to sue or defend an
23 action who indicates an inability to pay the fees, costs, and
24 charges of the action. The application and supporting affidavit
25 may be incorporated into one simplified form. The clerk of the
26 court shall post in a conspicuous place in the courthouse a

1 notice no smaller than 8.5 x 11 inches, using no smaller than
2 30-point typeface printed in English and in Spanish, advising
3 the public that they may ask the court for permission to sue or
4 defend a civil action without payment of fees, costs, and
5 charges. The notice shall be substantially as follows:

6 "If you are unable to pay the fees, costs, and charges
7 of an action you may ask the court to allow you to proceed
8 without paying them. Ask the clerk of the court for forms."

9 (d) The court shall rule on applications under this Section
10 in a timely manner based on information contained in the
11 application unless the court, in its discretion, requires the
12 applicant to personally appear to explain or clarify
13 information contained in the application. If the court finds
14 that the applicant is an indigent person, the court shall enter
15 an order permitting the applicant to sue or defend without
16 payment of fees, costs, or charges. If the application is
17 denied, the court shall enter an order to that effect stating
18 the specific reasons for the denial. The clerk of the court
19 shall promptly mail or deliver a copy of the order to the
20 applicant.

21 (e) The clerk of the court shall not refuse to accept and
22 file any complaint, appearance, or other paper presented by the
23 applicant if accompanied by an application to sue or defend in
24 forma pauperis, and those papers shall be considered filed on
25 the date the application is presented. If the application is
26 denied, the order shall state a date certain by which the

1 necessary fees, costs, and charges must be paid. The court, for
2 good cause shown, may allow an applicant whose application is
3 denied to defer payment of fees, costs, and charges, make
4 installment payments, or make payment upon reasonable terms and
5 conditions stated in the order. The court may dismiss the
6 claims or defenses of any party failing to pay the fees, costs,
7 or charges within the time and in the manner ordered by the
8 court. A determination concerning an application to sue or
9 defend in forma pauperis shall not be construed as a ruling on
10 the merits.

11 (f) The court may order an indigent person to pay all or a
12 portion of the fees, costs, or charges waived pursuant to this
13 Section out of moneys recovered by the indigent person pursuant
14 to a judgment or settlement resulting from the civil action.
15 However, nothing in ~~is~~ this Section shall be construed to limit
16 the authority of a court to order another party to the action
17 to pay the fees, costs, or charges of the action.

18 (g) A court, in its discretion, may appoint counsel to
19 represent an indigent person, and that counsel shall perform
20 his or her duties without fees, charges, or reward.

21 (h) Nothing in this Section shall be construed to affect
22 the right of a party to sue or defend an action in forma
23 pauperis without the payment of fees, costs, or charges, or the
24 right of a party to court-appointed counsel, as authorized by
25 any other provision of law or by the rules of the Illinois
26 Supreme Court.

1 (i) The provisions of this Section are severable under
2 Section 1.31 of the Statute on Statutes.

9 Section 680. The Illinois Marriage and Dissolution of
10 Marriage Act is amended by changing Sections 504 and 505 as
11 follows:

12 (750 ILCS 5/504) (from Ch. 40, par. 504)

13 Sec. 504. Maintenance.

14 (a) In a proceeding for dissolution of marriage or legal
15 separation or declaration of invalidity of marriage, or a
16 proceeding for maintenance following dissolution of the
17 marriage by a court which lacked personal jurisdiction over the
18 absent spouse, the court may grant a temporary or permanent
19 maintenance award for either spouse in amounts and for periods
20 of time as the court deems just, without regard to marital
21 misconduct, in gross or for fixed or indefinite periods of

1 time, and the maintenance may be paid from the income or
2 property of the other spouse after consideration of all
3 relevant factors, including:

4 (1) the income and property of each party, including
5 marital property apportioned and non-marital property
6 assigned to the party seeking maintenance;

7 (2) the needs of each party;

8 (3) the present and future earning capacity of each
9 party;

10 (4) any impairment of the present and future earning
11 capacity of the party seeking maintenance due to that party
12 devoting time to domestic duties or having forgone or
13 delayed education, training, employment, or career
14 opportunities due to the marriage;

15 (5) the time necessary to enable the party seeking
16 maintenance to acquire appropriate education, training,
17 and employment, and whether that party is able to support
18 himself or herself through appropriate employment or is the
19 custodian of a child making it appropriate that the
20 custodian not seek employment;

21 (6) the standard of living established during the
22 marriage;

23 (7) the duration of the marriage;

24 (8) the age and the physical and emotional condition of
25 both parties;

26 (9) the tax consequences of the property division upon

1 the respective economic circumstances of the parties;

2 (10) contributions and services by the party seeking
3 maintenance to the education, training, career or career
4 potential, or license of the other spouse;

5 (11) any valid agreement of the parties; and

6 (12) any other factor that the court expressly finds to
7 be just and equitable.

8 (b) (Blank).

9 (b-5) Any maintenance obligation including any unallocated
10 maintenance and child support obligation, or any portion of any
11 support obligation, that becomes due and remains unpaid shall
12 accrue simple interest as set forth in Section 505 of this Act.

13 (b-7) Any new or existing maintenance order including any
14 unallocated maintenance and child support order entered by the
15 court under this Section shall be deemed to be a series of
16 judgments against the person obligated to pay support
17 thereunder. Each such judgment to be in the amount of each
18 payment or installment of support and each such judgment to be
19 deemed entered as of the date the corresponding payment or
20 installment becomes due under the terms of the support order,
21 except no judgment shall arise as to any installment coming due
22 after the termination of maintenance as provided by Section 510
23 of the Illinois Marriage and Dissolution of Marriage Act or the
24 provisions of any order for maintenance. Each such judgment
25 shall have the full force, effect and attributes of any other
26 judgment of this State, including the ability to be enforced.

1 Notwithstanding any other State or local law to the contrary, a
2 lien arises by operation of law against the real and personal
3 property of the obligor for each installment of overdue support
4 owed by the obligor.

5 (c) The court may grant and enforce the payment of
6 maintenance during the pendency of an appeal as the court shall
7 deem reasonable and proper.

8 (d) No maintenance shall accrue during the period in which
9 a party is imprisoned for failure to comply with the court's
10 order for the payment of such maintenance.

11 (e) When maintenance is to be paid through the clerk of the
12 court in a county of 1,000,000 inhabitants or less, the order
13 shall direct the obligor to pay to the clerk, in addition to
14 the maintenance payments, all fees imposed by the county board
15 under paragraph (3) of subsection (u) of Section 27.1 of the
16 Clerks of Courts Act. Unless paid in cash or pursuant to an
17 order for withholding, the payment of the fee shall be by a
18 separate instrument from the support payment and shall be made
19 to the order of the Clerk.

20 (f) An award ordered by a court upon entry of a dissolution
21 judgment or upon entry of an award of maintenance following a
22 reservation of maintenance in a dissolution judgment may be
23 reasonably secured, in whole or in part, by life insurance on
24 the payor's life on terms as to which the parties agree, or, if
25 they do not agree, on such terms determined by the court,
26 subject to the following:

1 (1) With respect to existing life insurance, provided
2 the court is apprised through evidence, stipulation, or
3 otherwise as to level of death benefits, premium, and other
4 relevant data and makes findings relative thereto, the
5 court may allocate death benefits, the right to assign
6 death benefits, or the obligation for future premium
7 payments between the parties as it deems just.

8 (2) To the extent the court determines that its award
9 should be secured, in whole or in part, by new life
10 insurance on the payor's life, the court may only order:

11 (i) that the payor cooperate on all appropriate
12 steps for the payee to obtain such new life insurance;
13 and

14 (ii) that the payee, at his or her sole option and
15 expense, may obtain such new life insurance on the
16 payor's life up to a maximum level of death benefit
17 coverage, or descending death benefit coverage, as is
18 set by the court, such level not to exceed a reasonable
19 amount in light of the court's award, with the payee or
20 the payee's designee being the beneficiary of such life
21 insurance.

22 In determining the maximum level of death benefit coverage,
23 the court shall take into account all relevant facts and
24 circumstances, including the impact on access to life
25 insurance by the maintenance payor. If in resolving any
26 issues under paragraph (2) of this subsection (f) a court

1 reviews any submitted or proposed application for new
2 insurance on the life of a maintenance payor, the review
3 shall be in camera.

4 (3) A judgment shall expressly set forth that all death
5 benefits paid under life insurance on a payor's life
6 maintained or obtained pursuant to this subsection to
7 secure maintenance are designated as excludable from the
8 gross income of the maintenance payee under Section
9 71(b)(1)(B) of the Internal Revenue Code, unless an
10 agreement or stipulation of the parties otherwise
11 provides.

12 (Source: P.A. 97-186, eff. 7-22-11; 97-608, eff. 1-1-12;
13 revised 9-29-11.)

14 (750 ILCS 5/505) (from Ch. 40, par. 505)

15 Sec. 505. Child support; contempt; penalties.

16 (a) In a proceeding for dissolution of marriage, legal
17 separation, declaration of invalidity of marriage, a
18 proceeding for child support following dissolution of the
19 marriage by a court which lacked personal jurisdiction over the
20 absent spouse, a proceeding for modification of a previous
21 order for child support under Section 510 of this Act, or any
22 proceeding authorized under Section 501 or 601 of this Act, the
23 court may order either or both parents owing a duty of support
24 to a child of the marriage to pay an amount reasonable and
25 necessary for his support, without regard to marital

1 misconduct. The duty of support owed to a child includes the
2 obligation to provide for the reasonable and necessary
3 physical, mental and emotional health needs of the child. For
4 purposes of this Section, the term "child" shall include any
5 child under age 18 and any child under age 19 who is still
6 attending high school.

7 (1) The Court shall determine the minimum amount of
8 support by using the following guidelines:

9	Number of Children	Percent of Supporting Party's
10		Net Income
11	1	20%
12	2	28%
13	3	32%
14	4	40%
15	5	45%
16	6 or more	50%

17 (2) The above guidelines shall be applied in each case
18 unless the court makes a finding that application of the
19 guidelines would be inappropriate, after considering the
20 best interests of the child in light of evidence including
21 but not limited to one or more of the following relevant
22 factors:

23 (a) the financial resources and needs of the child;

24 (b) the financial resources and needs of the
25 custodial parent;

26 (c) the standard of living the child would have

1 enjoyed had the marriage not been dissolved;

2 (d) the physical and emotional condition of the
3 child, and his educational needs; and

4 (e) the financial resources and needs of the
5 non-custodial parent.

6 If the court deviates from the guidelines, the court's
7 finding shall state the amount of support that would have
8 been required under the guidelines, if determinable. The
9 court shall include the reason or reasons for the variance
10 from the guidelines.

11 (3) "Net income" is defined as the total of all income
12 from all sources, minus the following deductions:

13 (a) Federal income tax (properly calculated
14 withholding or estimated payments);

15 (b) State income tax (properly calculated
16 withholding or estimated payments);

17 (c) Social Security (FICA payments);

18 (d) Mandatory retirement contributions required by
19 law or as a condition of employment;

20 (e) Union dues;

21 (f) Dependent and individual
22 health/hospitalization insurance premiums and life
23 insurance premiums for life insurance ordered by the
24 court to reasonably secure child support or support
25 ordered pursuant to Section 513, any such order to
26 entail provisions on which the parties agree or,

1 otherwise, in accordance with the limitations set
2 forth in subsection 504(f) (1) and (2);

3 (g) Prior obligations of support or maintenance
4 actually paid pursuant to a court order;

5 (h) Expenditures for repayment of debts that
6 represent reasonable and necessary expenses for the
7 production of income, medical expenditures necessary
8 to preserve life or health, reasonable expenditures
9 for the benefit of the child and the other parent,
10 exclusive of gifts. The court shall reduce net income
11 in determining the minimum amount of support to be
12 ordered only for the period that such payments are due
13 and shall enter an order containing provisions for its
14 self-executing modification upon termination of such
15 payment period;

16 (i) Foster care payments paid by the Department of
17 Children and Family Services for providing licensed
18 foster care to a foster child.

19 (4) In cases where the court order provides for
20 health/hospitalization insurance coverage pursuant to
21 Section 505.2 of this Act, the premiums for that insurance,
22 or that portion of the premiums for which the supporting
23 party is responsible in the case of insurance provided
24 through an employer's health insurance plan where the
25 employer pays a portion of the premiums, shall be
26 subtracted from net income in determining the minimum

1 amount of support to be ordered.

2 (4.5) In a proceeding for child support following
3 dissolution of the marriage by a court that lacked personal
4 jurisdiction over the absent spouse, and in which the court
5 is requiring payment of support for the period before the
6 date an order for current support is entered, there is a
7 rebuttable presumption that the supporting party's net
8 income for the prior period was the same as his or her net
9 income at the time the order for current support is
10 entered.

11 (5) If the net income cannot be determined because of
12 default or any other reason, the court shall order support
13 in an amount considered reasonable in the particular case.
14 The final order in all cases shall state the support level
15 in dollar amounts. However, if the court finds that the
16 child support amount cannot be expressed exclusively as a
17 dollar amount because all or a portion of the payor's net
18 income is uncertain as to source, time of payment, or
19 amount, the court may order a percentage amount of support
20 in addition to a specific dollar amount and enter such
21 other orders as may be necessary to determine and enforce,
22 on a timely basis, the applicable support ordered.

23 (6) If (i) the non-custodial parent was properly served
24 with a request for discovery of financial information
25 relating to the non-custodial parent's ability to provide
26 child support, (ii) the non-custodial parent failed to

1 comply with the request, despite having been ordered to do
2 so by the court, and (iii) the non-custodial parent is not
3 present at the hearing to determine support despite having
4 received proper notice, then any relevant financial
5 information concerning the non-custodial parent's ability
6 to provide child support that was obtained pursuant to
7 subpoena and proper notice shall be admitted into evidence
8 without the need to establish any further foundation for
9 its admission.

10 (a-5) In an action to enforce an order for support based on
11 the respondent's failure to make support payments as required
12 by the order, notice of proceedings to hold the respondent in
13 contempt for that failure may be served on the respondent by
14 personal service or by regular mail addressed to the
15 respondent's last known address. The respondent's last known
16 address may be determined from records of the clerk of the
17 court, from the Federal Case Registry of Child Support Orders,
18 or by any other reasonable means.

19 (b) Failure of either parent to comply with an order to pay
20 support shall be punishable as in other cases of contempt. In
21 addition to other penalties provided by law the Court may,
22 after finding the parent guilty of contempt, order that the
23 parent be:

24 (1) placed on probation with such conditions of
25 probation as the Court deems advisable;

26 (2) sentenced to periodic imprisonment for a period not

1 to exceed 6 months; provided, however, that the Court may
2 permit the parent to be released for periods of time during
3 the day or night to:

4 (A) work; or

5 (B) conduct a business or other self-employed
6 occupation.

7 The Court may further order any part or all of the earnings
8 of a parent during a sentence of periodic imprisonment paid to
9 the Clerk of the Circuit Court or to the parent having custody
10 or to the guardian having custody of the children of the
11 sentenced parent for the support of said children until further
12 order of the Court.

13 If there is a unity of interest and ownership sufficient to
14 render no financial separation between a non-custodial parent
15 and another person or persons or business entity, the court may
16 pierce the ownership veil of the person, persons, or business
17 entity to discover assets of the non-custodial parent held in
18 the name of that person, those persons, or that business
19 entity. The following circumstances are sufficient to
20 authorize a court to order discovery of the assets of a person,
21 persons, or business entity and to compel the application of
22 any discovered assets toward payment on the judgment for
23 support:

24 (1) the non-custodial parent and the person, persons,
25 or business entity maintain records together.

26 (2) the non-custodial parent and the person, persons,

1 or business entity fail to maintain an arms length
2 relationship between themselves with regard to any assets.

3 (3) the non-custodial parent transfers assets to the
4 person, persons, or business entity with the intent to
5 perpetrate a fraud on the custodial parent.

6 With respect to assets which are real property, no order
7 entered under this paragraph shall affect the rights of bona
8 fide purchasers, mortgagees, judgment creditors, or other lien
9 holders who acquire their interests in the property prior to
10 the time a notice of lis pendens pursuant to the Code of Civil
11 Procedure or a copy of the order is placed of record in the
12 office of the recorder of deeds for the county in which the
13 real property is located.

14 The court may also order in cases where the parent is 90
15 days or more delinquent in payment of support or has been
16 adjudicated in arrears in an amount equal to 90 days obligation
17 or more, that the parent's Illinois driving privileges be
18 suspended until the court determines that the parent is in
19 compliance with the order of support. The court may also order
20 that the parent be issued a family financial responsibility
21 driving permit that would allow limited driving privileges for
22 employment and medical purposes in accordance with Section
23 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit
24 court shall certify the order suspending the driving privileges
25 of the parent or granting the issuance of a family financial
26 responsibility driving permit to the Secretary of State on

1 forms prescribed by the Secretary. Upon receipt of the
2 authenticated documents, the Secretary of State shall suspend
3 the parent's driving privileges until further order of the
4 court and shall, if ordered by the court, subject to the
5 provisions of Section 7-702.1 of the Illinois Vehicle Code,
6 issue a family financial responsibility driving permit to the
7 parent.

8 In addition to the penalties or punishment that may be
9 imposed under this Section, any person whose conduct
10 constitutes a violation of Section 15 of the Non-Support
11 Punishment Act may be prosecuted under that Act, and a person
12 convicted under that Act may be sentenced in accordance with
13 that Act. The sentence may include but need not be limited to a
14 requirement that the person perform community service under
15 Section 50 of that Act or participate in a work alternative
16 program under Section 50 of that Act. A person may not be
17 required to participate in a work alternative program under
18 Section 50 of that Act if the person is currently participating
19 in a work program pursuant to Section 505.1 of this Act.

20 A support obligation, or any portion of a support
21 obligation, which becomes due and remains unpaid as of the end
22 of each month, excluding the child support that was due for
23 that month to the extent that it was not paid in that month,
24 shall accrue simple interest as set forth in Section 12-109 of
25 the Code of Civil Procedure. An order for support entered or
26 modified on or after January 1, 2006 shall contain a statement

1 that a support obligation required under the order, or any
2 portion of a support obligation required under the order, that
3 becomes due and remains unpaid as of the end of each month,
4 excluding the child support that was due for that month to the
5 extent that it was not paid in that month, shall accrue simple
6 interest as set forth in Section 12-109 of the Code of Civil
7 Procedure. Failure to include the statement in the order for
8 support does not affect the validity of the order or the
9 accrual of interest as provided in this Section.

10 (c) A one-time charge of 20% is imposable upon the amount
11 of past-due child support owed on July 1, 1988 which has
12 accrued under a support order entered by the court. The charge
13 shall be imposed in accordance with the provisions of Section
14 10-21 of the Illinois Public Aid Code and shall be enforced by
15 the court upon petition.

16 (d) Any new or existing support order entered by the court
17 under this Section shall be deemed to be a series of judgments
18 against the person obligated to pay support thereunder, each
19 such judgment to be in the amount of each payment or
20 installment of support and each such judgment to be deemed
21 entered as of the date the corresponding payment or installment
22 becomes due under the terms of the support order. Each such
23 judgment shall have the full force, effect and attributes of
24 any other judgment of this State, including the ability to be
25 enforced. Notwithstanding any other State or local law to the
26 contrary, a lien arises by operation of law against the real

1 and personal property of the noncustodial parent for each
2 installment of overdue support owed by the noncustodial parent.

3 (e) When child support is to be paid through the clerk of
4 the court in a county of 1,000,000 inhabitants or less, the
5 order shall direct the obligor to pay to the clerk, in addition
6 to the child support payments, all fees imposed by the county
7 board under paragraph (3) of subsection (u) of Section 27.1 of
8 the Clerks of Courts Act. Unless paid in cash or pursuant to an
9 order for withholding, the payment of the fee shall be by a
10 separate instrument from the support payment and shall be made
11 to the order of the Clerk.

12 (f) All orders for support, when entered or modified, shall
13 include a provision requiring the obligor to notify the court
14 and, in cases in which a party is receiving child and spouse
15 services under Article X of the Illinois Public Aid Code, the
16 Department of Healthcare and Family Services, within 7 days,
17 (i) of the name and address of any new employer of the obligor,
18 (ii) whether the obligor has access to health insurance
19 coverage through the employer or other group coverage and, if
20 so, the policy name and number and the names of persons covered
21 under the policy, and (iii) of any new residential or mailing
22 address or telephone number of the non-custodial parent. In any
23 subsequent action to enforce a support order, upon a sufficient
24 showing that a diligent effort has been made to ascertain the
25 location of the non-custodial parent, service of process or
26 provision of notice necessary in the case may be made at the

1 last known address of the non-custodial parent in any manner
2 expressly provided by the Code of Civil Procedure or this Act,
3 which service shall be sufficient for purposes of due process.

4 (g) An order for support shall include a date on which the
5 current support obligation terminates. The termination date
6 shall be no earlier than the date on which the child covered by
7 the order will attain the age of 18. However, if the child will
8 not graduate from high school until after attaining the age of
9 18, then the termination date shall be no earlier than the
10 earlier of the date on which the child's high school graduation
11 will occur or the date on which the child will attain the age
12 of 19. The order for support shall state that the termination
13 date does not apply to any arrearage that may remain unpaid on
14 that date. Nothing in this subsection shall be construed to
15 prevent the court from modifying the order or terminating the
16 order in the event the child is otherwise emancipated.

17 (g-5) If there is an unpaid arrearage or delinquency (as
18 those terms are defined in the Income Withholding for Support
19 Act) equal to at least one month's support obligation on the
20 termination date stated in the order for support or, if there
21 is no termination date stated in the order, on the date the
22 child attains the age of majority or is otherwise emancipated,
23 the periodic amount required to be paid for current support of
24 that child immediately prior to that date shall automatically
25 continue to be an obligation, not as current support but as
26 periodic payment toward satisfaction of the unpaid arrearage or

1 delinquency. That periodic payment shall be in addition to any
2 periodic payment previously required for satisfaction of the
3 arrearage or delinquency. The total periodic amount to be paid
4 toward satisfaction of the arrearage or delinquency may be
5 enforced and collected by any method provided by law for
6 enforcement and collection of child support, including but not
7 limited to income withholding under the Income Withholding for
8 Support Act. Each order for support entered or modified on or
9 after the effective date of this amendatory Act of the 93rd
10 General Assembly must contain a statement notifying the parties
11 of the requirements of this subsection. Failure to include the
12 statement in the order for support does not affect the validity
13 of the order or the operation of the provisions of this
14 subsection with regard to the order. This subsection shall not
15 be construed to prevent or affect the establishment or
16 modification of an order for support of a minor child or the
17 establishment or modification of an order for support of a
18 non-minor child or educational expenses under Section 513 of
19 this Act.

20 (h) An order entered under this Section shall include a
21 provision requiring the obligor to report to the obligee and to
22 the clerk of court within 10 days each time the obligor obtains
23 new employment, and each time the obligor's employment is
24 terminated for any reason. The report shall be in writing and
25 shall, in the case of new employment, include the name and
26 address of the new employer. Failure to report new employment

1 or the termination of current employment, if coupled with
2 nonpayment of support for a period in excess of 60 days, is
3 indirect criminal contempt. For any obligor arrested for
4 failure to report new employment bond shall be set in the
5 amount of the child support that should have been paid during
6 the period of unreported employment. An order entered under
7 this Section shall also include a provision requiring the
8 obligor and obligee parents to advise each other of a change in
9 residence within 5 days of the change except when the court
10 finds that the physical, mental, or emotional health of a party
11 or that of a child, or both, would be seriously endangered by
12 disclosure of the party's address.

13 (i) The court does not lose the powers of contempt,
14 driver's license suspension, or other child support
15 enforcement mechanisms, including, but not limited to,
16 criminal prosecution as set forth in this Act, upon the
17 emancipation of the minor child or children.

20 Section 685. The Illinois Domestic Violence Act of 1986 is
21 amended by changing Section 214 as follows:

22 (750 ILCS 60/214) (from Ch. 40, par. 2312-14)

23 Sec. 214. Order of protection; remedies.

24 (a) Issuance of order. If the court finds that petitioner

1 has been abused by a family or household member or that
2 petitioner is a high-risk adult who has been abused, neglected,
3 or exploited, as defined in this Act, an order of protection
4 prohibiting the abuse, neglect, or exploitation shall issue;
5 provided that petitioner must also satisfy the requirements of
6 one of the following Sections, as appropriate: Section 217 on
7 emergency orders, Section 218 on interim orders, or Section 219
8 on plenary orders. Petitioner shall not be denied an order of
9 protection because petitioner or respondent is a minor. The
10 court, when determining whether or not to issue an order of
11 protection, shall not require physical manifestations of abuse
12 on the person of the victim. Modification and extension of
13 prior orders of protection shall be in accordance with this
14 Act.

15 (b) Remedies and standards. The remedies to be included in
16 an order of protection shall be determined in accordance with
17 this Section and one of the following Sections, as appropriate:
18 Section 217 on emergency orders, Section 218 on interim orders,
19 and Section 219 on plenary orders. The remedies listed in this
20 subsection shall be in addition to other civil or criminal
21 remedies available to petitioner.

22 (1) Prohibition of abuse, neglect, or exploitation.
23 Prohibit respondent's harassment, interference with
24 personal liberty, intimidation of a dependent, physical
25 abuse, or willful deprivation, neglect or exploitation, as
26 defined in this Act, or stalking of the petitioner, as

1 defined in Section 12-7.3 of the Criminal Code of 1961, if
2 such abuse, neglect, exploitation, or stalking has
3 occurred or otherwise appears likely to occur if not
4 prohibited.

5 (2) Grant of exclusive possession of residence.
6 Prohibit respondent from entering or remaining in any
7 residence, household, or premises of the petitioner,
8 including one owned or leased by respondent, if petitioner
9 has a right to occupancy thereof. The grant of exclusive
10 possession of the residence, household, or premises shall
11 not affect title to real property, nor shall the court be
12 limited by the standard set forth in Section 701 of the
13 Illinois Marriage and Dissolution of Marriage Act.

14 (A) Right to occupancy. A party has a right to
15 occupancy of a residence or household if it is solely
16 or jointly owned or leased by that party, that party's
17 spouse, a person with a legal duty to support that
18 party or a minor child in that party's care, or by any
19 person or entity other than the opposing party that
20 authorizes that party's occupancy (e.g., a domestic
21 violence shelter). Standards set forth in subparagraph
22 (B) shall not preclude equitable relief.

23 (B) Presumption of hardships. If petitioner and
24 respondent each has the right to occupancy of a
25 residence or household, the court shall balance (i) the
26 hardships to respondent and any minor child or

1 dependent adult in respondent's care resulting from
2 entry of this remedy with (ii) the hardships to
3 petitioner and any minor child or dependent adult in
4 petitioner's care resulting from continued exposure to
5 the risk of abuse (should petitioner remain at the
6 residence or household) or from loss of possession of
7 the residence or household (should petitioner leave to
8 avoid the risk of abuse). When determining the balance
9 of hardships, the court shall also take into account
10 the accessibility of the residence or household.
11 Hardships need not be balanced if respondent does not
12 have a right to occupancy.

13 The balance of hardships is presumed to favor
14 possession by petitioner unless the presumption is
15 rebutted by a preponderance of the evidence, showing
16 that the hardships to respondent substantially
17 outweigh the hardships to petitioner and any minor
18 child or dependent adult in petitioner's care. The
19 court, on the request of petitioner or on its own
20 motion, may order respondent to provide suitable,
21 accessible, alternate housing for petitioner instead
22 of excluding respondent from a mutual residence or
23 household.

24 (3) Stay away order and additional prohibitions. Order
25 respondent to stay away from petitioner or any other person
26 protected by the order of protection, or prohibit

1 respondent from entering or remaining present at
2 petitioner's school, place of employment, or other
3 specified places at times when petitioner is present, or
4 both, if reasonable, given the balance of hardships.
5 Hardships need not be balanced for the court to enter a
6 stay away order or prohibit entry if respondent has no
7 right to enter the premises.

8 (A) If an order of protection grants petitioner
9 exclusive possession of the residence, or prohibits
10 respondent from entering the residence, or orders
11 respondent to stay away from petitioner or other
12 protected persons, then the court may allow respondent
13 access to the residence to remove items of clothing and
14 personal adornment used exclusively by respondent,
15 medications, and other items as the court directs. The
16 right to access shall be exercised on only one occasion
17 as the court directs and in the presence of an
18 agreed-upon adult third party or law enforcement
19 officer.

20 (B) When the petitioner and the respondent attend
21 the same public, private, or non-public elementary,
22 middle, or high school, the court when issuing an order
23 of protection and providing relief shall consider the
24 severity of the act, any continuing physical danger or
25 emotional distress to the petitioner, the educational
26 rights guaranteed to the petitioner and respondent

1 under federal and State law, the availability of a
2 transfer of the respondent to another school, a change
3 of placement or a change of program of the respondent,
4 the expense, difficulty, and educational disruption
5 that would be caused by a transfer of the respondent to
6 another school, and any other relevant facts of the
7 case. The court may order that the respondent not
8 attend the public, private, or non-public elementary,
9 middle, or high school attended by the petitioner,
10 order that the respondent accept a change of placement
11 or change of program, as determined by the school
12 district or private or non-public school, or place
13 restrictions on the respondent's movements within the
14 school attended by the petitioner. The respondent
15 bears the burden of proving by a preponderance of the
16 evidence that a transfer, change of placement, or
17 change of program of the respondent is not available.
18 The respondent also bears the burden of production with
19 respect to the expense, difficulty, and educational
20 disruption that would be caused by a transfer of the
21 respondent to another school. A transfer, change of
22 placement, or change of program is not unavailable to
23 the respondent solely on the ground that the respondent
24 does not agree with the school district's or private or
25 non-public school's transfer, change of placement, or
26 change of program or solely on the ground that the

1 respondent fails or refuses to consent or otherwise
2 does not take an action required to effectuate a
3 transfer, change of placement, or change of program.
4 When a court orders a respondent to stay away from the
5 public, private, or non-public school attended by the
6 petitioner and the respondent requests a transfer to
7 another attendance center within the respondent's
8 school district or private or non-public school, the
9 school district or private or non-public school shall
10 have sole discretion to determine the attendance
11 center to which the respondent is transferred. In the
12 event the court order results in a transfer of the
13 minor respondent to another attendance center, a
14 change in the respondent's placement, or a change of
15 the respondent's program, the parents, guardian, or
16 legal custodian of the respondent is responsible for
17 transportation and other costs associated with the
18 transfer or change.

19 (C) The court may order the parents, guardian, or
20 legal custodian of a minor respondent to take certain
21 actions or to refrain from taking certain actions to
22 ensure that the respondent complies with the order. ~~The~~
23 ~~court may order the parents, guardian, or legal~~
24 ~~custodian of a minor respondent to take certain actions~~
25 ~~or to refrain from taking certain actions to ensure~~
26 ~~that the respondent complies with the order.~~ In the

1 event the court orders a transfer of the respondent to
2 another school, the parents, guardian, or legal
3 custodian of the respondent is responsible for
4 transportation and other costs associated with the
5 change of school by the respondent.

6 (4) Counseling. Require or recommend the respondent to
7 undergo counseling for a specified duration with a social
8 worker, psychologist, clinical psychologist, psychiatrist,
9 family service agency, alcohol or substance abuse program,
10 mental health center guidance counselor, agency providing
11 services to elders, program designed for domestic violence
12 abusers or any other guidance service the court deems
13 appropriate. The Court may order the respondent in any
14 intimate partner relationship to report to an Illinois
15 Department of Human Services protocol approved partner
16 abuse intervention program for an assessment and to follow
17 all recommended treatment.

18 (5) Physical care and possession of the minor child. In
19 order to protect the minor child from abuse, neglect, or
20 unwarranted separation from the person who has been the
21 minor child's primary caretaker, or to otherwise protect
22 the well-being of the minor child, the court may do either
23 or both of the following: (i) grant petitioner physical
24 care or possession of the minor child, or both, or (ii)
25 order respondent to return a minor child to, or not remove
26 a minor child from, the physical care of a parent or person

1 in loco parentis.

2 If a court finds, after a hearing, that respondent has
3 committed abuse (as defined in Section 103) of a minor
4 child, there shall be a rebuttable presumption that
5 awarding physical care to respondent would not be in the
6 minor child's best interest.

7 (6) Temporary legal custody. Award temporary legal
8 custody to petitioner in accordance with this Section, the
9 Illinois Marriage and Dissolution of Marriage Act, the
10 Illinois Parentage Act of 1984, and this State's Uniform
11 Child-Custody Jurisdiction and Enforcement Act.

12 If a court finds, after a hearing, that respondent has
13 committed abuse (as defined in Section 103) of a minor
14 child, there shall be a rebuttable presumption that
15 awarding temporary legal custody to respondent would not be
16 in the child's best interest.

17 (7) Visitation. Determine the visitation rights, if
18 any, of respondent in any case in which the court awards
19 physical care or temporary legal custody of a minor child
20 to petitioner. The court shall restrict or deny
21 respondent's visitation with a minor child if the court
22 finds that respondent has done or is likely to do any of
23 the following: (i) abuse or endanger the minor child during
24 visitation; (ii) use the visitation as an opportunity to
25 abuse or harass petitioner or petitioner's family or
26 household members; (iii) improperly conceal or detain the

1 minor child; or (iv) otherwise act in a manner that is not
2 in the best interests of the minor child. The court shall
3 not be limited by the standards set forth in Section 607.1
4 of the Illinois Marriage and Dissolution of Marriage Act.
5 If the court grants visitation, the order shall specify
6 dates and times for the visitation to take place or other
7 specific parameters or conditions that are appropriate. No
8 order for visitation shall refer merely to the term
9 "reasonable visitation".

10 Petitioner may deny respondent access to the minor
11 child if, when respondent arrives for visitation,
12 respondent is under the influence of drugs or alcohol and
13 constitutes a threat to the safety and well-being of
14 petitioner or petitioner's minor children or is behaving in
15 a violent or abusive manner.

16 If necessary to protect any member of petitioner's
17 family or household from future abuse, respondent shall be
18 prohibited from coming to petitioner's residence to meet
19 the minor child for visitation, and the parties shall
20 submit to the court their recommendations for reasonable
21 alternative arrangements for visitation. A person may be
22 approved to supervise visitation only after filing an
23 affidavit accepting that responsibility and acknowledging
24 accountability to the court.

25 (8) Removal or concealment of minor child. Prohibit
26 respondent from removing a minor child from the State or

1 concealing the child within the State.

2 (9) Order to appear. Order the respondent to appear in
3 court, alone or with a minor child, to prevent abuse,
4 neglect, removal or concealment of the child, to return the
5 child to the custody or care of the petitioner or to permit
6 any court-ordered interview or examination of the child or
7 the respondent.

8 (10) Possession of personal property. Grant petitioner
9 exclusive possession of personal property and, if
10 respondent has possession or control, direct respondent to
11 promptly make it available to petitioner, if:

12 (i) petitioner, but not respondent, owns the
13 property; or

14 (ii) the parties own the property jointly; sharing
15 it would risk abuse of petitioner by respondent or is
16 impracticable; and the balance of hardships favors
17 temporary possession by petitioner.

18 If petitioner's sole claim to ownership of the property
19 is that it is marital property, the court may award
20 petitioner temporary possession thereof under the
21 standards of subparagraph (ii) of this paragraph only if a
22 proper proceeding has been filed under the Illinois
23 Marriage and Dissolution of Marriage Act, as now or
24 hereafter amended.

25 No order under this provision shall affect title to
26 property.

1 (11) Protection of property. Forbid the respondent
2 from taking, transferring, encumbering, concealing,
3 damaging or otherwise disposing of any real or personal
4 property, except as explicitly authorized by the court, if:

5 (i) petitioner, but not respondent, owns the
6 property; or

7 (ii) the parties own the property jointly, and the
8 balance of hardships favors granting this remedy.

9 If petitioner's sole claim to ownership of the property
10 is that it is marital property, the court may grant
11 petitioner relief under subparagraph (ii) of this
12 paragraph only if a proper proceeding has been filed under
13 the Illinois Marriage and Dissolution of Marriage Act, as
14 now or hereafter amended.

15 The court may further prohibit respondent from
16 improperly using the financial or other resources of an
17 aged member of the family or household for the profit or
18 advantage of respondent or of any other person.

19 (11.5) Protection of animals. Grant the petitioner the
20 exclusive care, custody, or control of any animal owned,
21 possessed, leased, kept, or held by either the petitioner
22 or the respondent or a minor child residing in the
23 residence or household of either the petitioner or the
24 respondent and order the respondent to stay away from the
25 animal and forbid the respondent from taking,
26 transferring, encumbering, concealing, harming, or

1 otherwise disposing of the animal.

2 (12) Order for payment of support. Order respondent to
3 pay temporary support for the petitioner or any child in
4 the petitioner's care or custody, when the respondent has a
5 legal obligation to support that person, in accordance with
6 the Illinois Marriage and Dissolution of Marriage Act,
7 which shall govern, among other matters, the amount of
8 support, payment through the clerk and withholding of
9 income to secure payment. An order for child support may be
10 granted to a petitioner with lawful physical care or
11 custody of a child, or an order or agreement for physical
12 care or custody, prior to entry of an order for legal
13 custody. Such a support order shall expire upon entry of a
14 valid order granting legal custody to another, unless
15 otherwise provided in the custody order.

16 (13) Order for payment of losses. Order respondent to
17 pay petitioner for losses suffered as a direct result of
18 the abuse, neglect, or exploitation. Such losses shall
19 include, but not be limited to, medical expenses, lost
20 earnings or other support, repair or replacement of
21 property damaged or taken, reasonable attorney's fees,
22 court costs and moving or other travel expenses, including
23 additional reasonable expenses for temporary shelter and
24 restaurant meals.

25 (i) Losses affecting family needs. If a party is
26 entitled to seek maintenance, child support or

1 property distribution from the other party under the
2 Illinois Marriage and Dissolution of Marriage Act, as
3 now or hereafter amended, the court may order
4 respondent to reimburse petitioner's actual losses, to
5 the extent that such reimbursement would be
6 "appropriate temporary relief", as authorized by
7 subsection (a) (3) of Section 501 of that Act.

8 (ii) Recovery of expenses. In the case of an
9 improper concealment or removal of a minor child, the
10 court may order respondent to pay the reasonable
11 expenses incurred or to be incurred in the search for
12 and recovery of the minor child, including but not
13 limited to legal fees, court costs, private
14 investigator fees, and travel costs.

15 (14) Prohibition of entry. Prohibit the respondent
16 from entering or remaining in the residence or household
17 while the respondent is under the influence of alcohol or
18 drugs and constitutes a threat to the safety and well-being
19 of the petitioner or the petitioner's children.

20 (14.5) Prohibition of firearm possession.

21 (a) Prohibit a respondent against whom an order of
22 protection was issued from possessing any firearms
23 during the duration of the order if the order:

24 (1) was issued after a hearing of which such
25 person received actual notice, and at which such
26 person had an opportunity to participate;

1 (2) restrains such person from harassing,
2 stalking, or threatening an intimate partner of
3 such person or child of such intimate partner or
4 person, or engaging in other conduct that would
5 place an intimate partner in reasonable fear of
6 bodily injury to the partner or child; and

7 (3)(i) includes a finding that such person
8 represents a credible threat to the physical
9 safety of such intimate partner or child; or (ii)
10 by its terms explicitly prohibits the use,
11 attempted use, or threatened use of physical force
12 against such intimate partner or child that would
13 reasonably be expected to cause bodily injury.

14 Any Firearm Owner's Identification Card in the
15 possession of the respondent, except as provided in
16 subsection (b), shall be ordered by the court to be
17 turned over to the local law enforcement agency for
18 safekeeping. The court shall issue a warrant for
19 seizure of any firearm and Firearm Owner's
20 Identification Card in the possession of the
21 respondent, to be kept by the local law enforcement
22 agency for safekeeping, except as provided in
23 subsection (b). The period of safekeeping shall be for
24 the duration of the order of protection. The firearm or
25 firearms and Firearm Owner's Identification Card shall
26 be returned to the respondent at the end of the order

1 of protection.

2 (b) If the respondent is a peace officer as defined
3 in Section 2-13 of the Criminal Code of 1961, the court
4 shall order that any firearms used by the respondent in
5 the performance of his or her duties as a peace officer
6 be surrendered to the chief law enforcement executive
7 of the agency in which the respondent is employed, who
8 shall retain the firearms for safekeeping for the
9 duration of the order of protection.

10 (c) Upon expiration of the period of safekeeping,
11 if the firearms or Firearm Owner's Identification Card
12 cannot be returned to respondent because respondent
13 cannot be located, fails to respond to requests to
14 retrieve the firearms, or is not lawfully eligible to
15 possess a firearm, upon petition from the local law
16 enforcement agency, the court may order the local law
17 enforcement agency to destroy the firearms, use the
18 firearms for training purposes, or for any other
19 application as deemed appropriate by the local law
20 enforcement agency; or that the firearms be turned over
21 to a third party who is lawfully eligible to possess
22 firearms, and who does not reside with respondent.

23 (15) Prohibition of access to records. If an order of
24 protection prohibits respondent from having contact with
25 the minor child, or if petitioner's address is omitted
26 under subsection (b) of Section 203, or if necessary to

1 prevent abuse or wrongful removal or concealment of a minor
2 child, the order shall deny respondent access to, and
3 prohibit respondent from inspecting, obtaining, or
4 attempting to inspect or obtain, school or any other
5 records of the minor child who is in the care of
6 petitioner.

7 (16) Order for payment of shelter services. Order
8 respondent to reimburse a shelter providing temporary
9 housing and counseling services to the petitioner for the
10 cost of the services, as certified by the shelter and
11 deemed reasonable by the court.

12 (17) Order for injunctive relief. Enter injunctive
13 relief necessary or appropriate to prevent further abuse of
14 a family or household member or further abuse, neglect, or
15 exploitation of a high-risk adult with disabilities or to
16 effectuate one of the granted remedies, if supported by the
17 balance of hardships. If the harm to be prevented by the
18 injunction is abuse or any other harm that one of the
19 remedies listed in paragraphs (1) through (16) of this
20 subsection is designed to prevent, no further evidence is
21 necessary that the harm is an irreparable injury.

22 (c) Relevant factors; findings.

23 (1) In determining whether to grant a specific remedy,
24 other than payment of support, the court shall consider
25 relevant factors, including but not limited to the
26 following:

1 (i) the nature, frequency, severity, pattern and
2 consequences of the respondent's past abuse, neglect
3 or exploitation of the petitioner or any family or
4 household member, including the concealment of his or
5 her location in order to evade service of process or
6 notice, and the likelihood of danger of future abuse,
7 neglect, or exploitation to petitioner or any member of
8 petitioner's or respondent's family or household; and

9 (ii) the danger that any minor child will be abused
10 or neglected or improperly removed from the
11 jurisdiction, improperly concealed within the State or
12 improperly separated from the child's primary
13 caretaker.

14 (2) In comparing relative hardships resulting to the
15 parties from loss of possession of the family home, the
16 court shall consider relevant factors, including but not
17 limited to the following:

18 (i) availability, accessibility, cost, safety,
19 adequacy, location and other characteristics of
20 alternate housing for each party and any minor child or
21 dependent adult in the party's care;

22 (ii) the effect on the party's employment; and

23 (iii) the effect on the relationship of the party,
24 and any minor child or dependent adult in the party's
25 care, to family, school, church and community.

26 (3) Subject to the exceptions set forth in paragraph

1 (4) of this subsection, the court shall make its findings
2 in an official record or in writing, and shall at a minimum
3 set forth the following:

4 (i) That the court has considered the applicable
5 relevant factors described in paragraphs (1) and (2) of
6 this subsection.

7 (ii) Whether the conduct or actions of respondent,
8 unless prohibited, will likely cause irreparable harm
9 or continued abuse.

10 (iii) Whether it is necessary to grant the
11 requested relief in order to protect petitioner or
12 other alleged abused persons.

13 (4) For purposes of issuing an ex parte emergency order
14 of protection, the court, as an alternative to or as a
15 supplement to making the findings described in paragraphs
16 (c) (3) (i) through (c) (3) (iii) of this subsection, may use
17 the following procedure:

18 When a verified petition for an emergency order of
19 protection in accordance with the requirements of Sections
20 203 and 217 is presented to the court, the court shall
21 examine petitioner on oath or affirmation. An emergency
22 order of protection shall be issued by the court if it
23 appears from the contents of the petition and the
24 examination of petitioner that the averments are
25 sufficient to indicate abuse by respondent and to support
26 the granting of relief under the issuance of the emergency

1 order of protection.

2 (5) Never married parties. No rights or
3 responsibilities for a minor child born outside of marriage
4 attach to a putative father until a father and child
5 relationship has been established under the Illinois
6 Parentage Act of 1984, the Illinois Public Aid Code,
7 Section 12 of the Vital Records Act, the Juvenile Court Act
8 of 1987, the Probate Act of 1985, the Revised Uniform
9 Reciprocal Enforcement of Support Act, the Uniform
10 Interstate Family Support Act, the Expedited Child Support
11 Act of 1990, any judicial, administrative, or other act of
12 another state or territory, any other Illinois statute, or
13 by any foreign nation establishing the father and child
14 relationship, any other proceeding substantially in
15 conformity with the Personal Responsibility and Work
16 Opportunity Reconciliation Act of 1996 (Pub. L. 104-193),
17 or where both parties appeared in open court or at an
18 administrative hearing acknowledging under oath or
19 admitting by affirmation the existence of a father and
20 child relationship. Absent such an adjudication, finding,
21 or acknowledgement, no putative father shall be granted
22 temporary custody of the minor child, visitation with the
23 minor child, or physical care and possession of the minor
24 child, nor shall an order of payment for support of the
25 minor child be entered.

26 (d) Balance of hardships; findings. If the court finds that

1 the balance of hardships does not support the granting of a
2 remedy governed by paragraph (2), (3), (10), (11), or (16) of
3 subsection (b) of this Section, which may require such
4 balancing, the court's findings shall so indicate and shall
5 include a finding as to whether granting the remedy will result
6 in hardship to respondent that would substantially outweigh the
7 hardship to petitioner from denial of the remedy. The findings
8 shall be an official record or in writing.

9 (e) Denial of remedies. Denial of any remedy shall not be
10 based, in whole or in part, on evidence that:

11 (1) Respondent has cause for any use of force, unless
12 that cause satisfies the standards for justifiable use of
13 force provided by Article VII of the Criminal Code of 1961;

14 (2) Respondent was voluntarily intoxicated;

15 (3) Petitioner acted in self-defense or defense of
16 another, provided that, if petitioner utilized force, such
17 force was justifiable under Article VII of the Criminal
18 Code of 1961;

19 (4) Petitioner did not act in self-defense or defense
20 of another;

21 (5) Petitioner left the residence or household to avoid
22 further abuse, neglect, or exploitation by respondent;

23 (6) Petitioner did not leave the residence or household
24 to avoid further abuse, neglect, or exploitation by
25 respondent;

26 (7) Conduct by any family or household member excused

1 the abuse, neglect, or exploitation by respondent, unless
2 that same conduct would have excused such abuse, neglect,
3 or exploitation if the parties had not been family or
4 household members.

8 Transfer on Death Instrument Act is amended by changing Section
9 55 as follows:

10 (755 ILCS 27/55)

11 Sec. 55. Revocation by recorded instrument authorized;
12 revocation by act or unrecorded instrument, not authorized.

13 (a) An instrument is effective to revoke a recorded
14 transfer on death instrument, or any part of it, only if:

15 (1) it is:

16 (A) another transfer on death instrument that
17 revokes the instrument or part of the instrument
18 expressly or by inconsistency; or

19 (B) an instrument of revocation that expressly
20 revokes the instrument or part of the instrument; and

21 (2) it is:

22 (A) executed, witnessed, and acknowledged in the
23 same manner as is required by Section 45 on a date that
24 is after the date of the acknowledgment of the

1 instrument being revoked; and

2 (B) recorded before the owner's death in the public
3 records in the office of the recorder of the county or
4 counties where the prior transfer on death instrument
5 is recorded.

6 (b) A transfer on death instrument executed and recorded in
7 accordance with this Act may not be revoked by a revocatory act
8 on the instrument, by an unrecorded instrument, or by a
9 provision in a will.

12 changing Section 5 as follows:

13 (760 ILCS 55/5) (from Ch. 14, par. 55)

14 Sec. 5. Registration requirement.

15 (a) The Attorney General shall establish and maintain a
16 register of trustees subject to this Act and of the particular
17 trust or other relationship under which they hold property for
18 charitable purposes and, to that end, shall conduct whatever
19 investigation is necessary, and shall obtain from public
20 records, court officers, taxing authorities, trustees and
21 other sources, copies of instruments, reports and records and
22 whatever information is needed for the establishment and
23 maintenance of the register.

1 under penalty of perjury by 2 officers of a corporate
2 charitable organization or by 2 trustees if not a corporate
3 organization. One signature will be accepted if there is only
4 one officer or one trustee. A registration fee of \$15 shall be
5 paid with each initial registration. If a person, trustee or
6 organization fails to maintain a registration of a trust or
7 organization as required by this Act, and its registration is
8 cancelled as provided in this Act, and if that trust or
9 organization remains in existence and by law is required to be
10 registered, in order to re-register, a new registration must be
11 filed accompanied by required financial reports, and in all
12 instances where re-registration is required, submitted, and
13 allowed, the new re-registration materials must be filed,
14 accompanied by a re-registration fee of \$200.

15 (c) If a person or trustee fails to register or maintain
16 registration of a trust or organization or fails to file
17 reports as provided in this Act, the person or trustee is
18 subject to injunction, to removal, to account, and to
19 appropriate other relief before a court of competent
20 jurisdiction exercising chancery jurisdiction. In the event of
21 such action, the court may impose a civil penalty of not less
22 than ~~that~~ \$500 nor more than \$1,000 against the organization or
23 trust estate that failed to register or to maintain a
24 registration required under this Act. The collected penalty
25 shall be used for charitable trust enforcement and for
26 providing charitable trust information to the public.

8 changing Section 18.5 as follows:

9 (765 ILCS 605/18.5) (from Ch. 30, par. 318.5)

10 Sec. 18.5. Master Associations.

11 (a) If the declaration, other condominium instrument, or
12 other duly recorded covenants provide that any of the powers of
13 the unit owners associations are to be exercised by or may be
14 delegated to a nonprofit corporation or unincorporated
15 association that exercises those or other powers on behalf of
16 one or more condominiums, or for the benefit of the unit owners
17 of one or more condominiums, such corporation or association
18 shall be a master association.

19 (b) There shall be included in the declaration, other
20 condominium instruments, or other duly recorded covenants
21 establishing the powers and duties of the master association
22 the provisions set forth in subsections (c) through (h).

23 In interpreting subsections (c) through (h), the courts
24 should interpret these provisions so that they are interpreted

1 consistently with the similar parallel provisions found in
2 other parts of this Act.

3 (c) Meetings and finances.

4 (1) Each unit owner of a condominium subject to the
5 authority of the board of the master association shall
6 receive, at least 30 days prior to the adoption thereof by
7 the board of the master association, a copy of the proposed
8 annual budget.

9 (2) The board of the master association shall annually
10 supply to all unit owners of condominiums subject to the
11 authority of the board of the master association an
12 itemized accounting of the common expenses for the
13 preceding year actually incurred or paid, together with a
14 tabulation of the amounts collected pursuant to the budget
15 or assessment, and showing the net excess or deficit of
16 income over expenditures plus reserves.

17 (3) Each unit owner of a condominium subject to the
18 authority of the board of the master association shall
19 receive written notice mailed or delivered no less than 10
20 and no more than 30 days prior to any meeting of the board
21 of the master association concerning the adoption of the
22 proposed annual budget or any increase in the budget, or
23 establishment of an assessment.

24 (4) Meetings of the board of the master association
25 shall be open to any unit owner in a condominium subject to
26 the authority of the board of the master association,

1 except for the portion of any meeting held:

2 (A) to discuss litigation when an action against or
3 on behalf of the particular master association has been
4 filed and is pending in a court or administrative
5 tribunal, or when the board of the master association
6 finds that such an action is probable or imminent,

7 (B) to consider information regarding appointment,
8 employment or dismissal of an employee, or

9 (C) to discuss violations of rules and regulations
10 of the master association or unpaid common expenses
11 owed to the master association.

12 Any vote on these matters shall be taken at a meeting or
13 portion thereof open to any unit owner of a condominium
14 subject to the authority of the master association.

15 Any unit owner may record the proceedings at meetings
16 required to be open by this Act by tape, film or other
17 means; the board may prescribe reasonable rules and
18 regulations to govern the right to make such recordings.
19 Notice of meetings shall be mailed or delivered at least 48
20 hours prior thereto, unless a written waiver of such notice
21 is signed by the persons entitled to notice before the
22 meeting is convened. Copies of notices of meetings of the
23 board of the master association shall be posted in
24 entranceways, elevators, or other conspicuous places in
25 the condominium at least 48 hours prior to the meeting of
26 the board of the master association. Where there is no

1 common entranceway for 7 or more units, the board of the
2 master association may designate one or more locations in
3 the proximity of these units where the notices of meetings
4 shall be posted.

5 (5) If the declaration provides for election by unit
6 owners of members of the board of directors in the event of
7 a resale of a unit in the master association, the purchaser
8 of a unit from a seller other than the developer pursuant
9 to an installment contract for purchase shall, during such
10 times as he or she resides in the unit, be counted toward a
11 quorum for purposes of election of members of the board of
12 directors at any meeting of the unit owners called for
13 purposes of electing members of the board, and shall have
14 the right to vote for the election of members of the board
15 of directors and to be elected to and serve on the board of
16 directors unless the seller expressly retains in writing
17 any or all of those rights. In no event may the seller and
18 purchaser both be counted toward a quorum, be permitted to
19 vote for a particular office, or be elected and serve on
20 the board. Satisfactory evidence of the installment
21 contract shall be made available to the association or its
22 agents. For purposes of this subsection, "installment

4 Tenant Utility Payment Disclosure Act.

5 (7) The board of the master association or a common
6 interest community association shall have the power, after
7 notice and an opportunity to be heard, to levy and collect
8 reasonable fines from members for violations of the
9 declaration, bylaws, and rules and regulations of the
10 master association or the common interest community
11 association. Nothing contained in this subdivision (7)
12 shall give rise to a statutory lien for unpaid fines.

13 (8) Other than attorney's fees, no fees pertaining to
14 the collection of a unit owner's financial obligation to
15 the Association, including fees charged by a manager or
16 managing agent, shall be added to and deemed a part of an
17 owner's respective share of the common expenses unless: (i)
18 the managing agent fees relate to the costs to collect
19 common expenses for the Association; (ii) the fees are set
20 forth in a contract between the managing agent and the
21 Association; and (iii) the authority to add the management
22 fees to an owner's respective share of the common expenses
23 is specifically stated in the declaration or bylaws of the
24 Association.

25 (d) Records.

26 (1) The board of the master association shall maintain

1 the following records of the association and make them
2 available for examination and copying at convenient hours
3 of weekdays by any unit owners in a condominium subject to
4 the authority of the board or their mortgagees and their
5 duly authorized agents or attorneys:

6 (i) Copies of the recorded declaration, other
7 condominium instruments, other duly recorded covenants
8 and bylaws and any amendments, articles of
9 incorporation of the master association, annual
10 reports and any rules and regulations adopted by the
11 master association or its board shall be available.
12 Prior to the organization of the master association,
13 the developer shall maintain and make available the
14 records set forth in this subdivision (d)(1) for
15 examination and copying.

16 (ii) Detailed and accurate records in
17 chronological order of the receipts and expenditures
18 affecting the common areas, specifying and itemizing
19 the maintenance and repair expenses of the common areas
20 and any other expenses incurred, and copies of all
21 contracts, leases, or other agreements entered into by
22 the master association, shall be maintained.

23 (iii) The minutes of all meetings of the master
24 association and the board of the master association
25 shall be maintained for not less than 7 years.

26 (iv) Ballots and proxies related thereto, if any,

1 for any election held for the board of the master
2 association and for any other matters voted on by the
3 unit owners shall be maintained for not less than one
4 year.

5 (v) Such other records of the master association as
6 are available for inspection by members of a
7 not-for-profit corporation pursuant to Section 107.75
8 of the General Not For Profit Corporation Act of 1986
9 shall be maintained.

10 (vi) With respect to units owned by a land trust,
11 if a trustee designates in writing a person to cast
12 votes on behalf of the unit owner, the designation
13 shall remain in effect until a subsequent document is
14 filed with the association.

15 (2) Where a request for records under this subsection
16 is made in writing to the board of managers or its agent,
17 failure to provide the requested record or to respond
18 within 30 days shall be deemed a denial by the board of
19 directors.

20 (3) A reasonable fee may be charged by the master
21 association or its board for the cost of copying.

22 (4) If the board of directors fails to provide records
23 properly requested under subdivision (d)(1) within the
24 time period provided in subdivision (d)(2), the unit owner
25 may seek appropriate relief, including an award of
26 attorney's fees and costs.

1 (e) The board of directors shall have standing and capacity
2 to act in a representative capacity in relation to matters
3 involving the common areas of the master association or more
4 than one unit, on behalf of the unit owners as their interests
5 may appear.

6 (f) Administration of property prior to election of the
7 initial board of directors.

8 (1) Until the election, by the unit owners or the
9 boards of managers of the underlying condominium
10 associations, of the initial board of directors of a master
11 association whose declaration is recorded on or after
12 August 10, 1990, the same rights, titles, powers,
13 privileges, trusts, duties and obligations that are vested
14 in or imposed upon the board of directors by this Act or in
15 the declaration or other duly recorded covenant shall be
16 held and performed by the developer.

17 (2) The election of the initial board of directors of a
18 master association whose declaration is recorded on or
19 after August 10, 1990, by the unit owners or the boards of
20 managers of the underlying condominium associations, shall
21 be held not later than 60 days after the conveyance by the
22 developer of 75% of the units, or 3 years after the
23 recording of the declaration, whichever is earlier. The
24 developer shall give at least 21 days notice of the meeting
25 to elect the initial board of directors and shall upon
26 request provide to any unit owner, within 3 working days of

1 the request, the names, addresses, and weighted vote of
2 each unit owner entitled to vote at the meeting. Any unit
3 owner shall upon receipt of the request be provided with
4 the same information, within 10 days of the request, with
5 respect to each subsequent meeting to elect members of the
6 board of directors.

7 (3) If the initial board of directors of a master
8 association whose declaration is recorded on or after
9 August 10, 1990 is not elected by the unit owners or the
10 members of the underlying condominium association board of
11 managers at the time established in subdivision (f)(2), the
12 developer shall continue in office for a period of 30 days,
13 whereupon written notice of his resignation shall be sent
14 to all of the unit owners or members of the underlying
15 condominium board of managers entitled to vote at an
16 election for members of the board of directors.

17 (4) Within 60 days following the election of a majority
18 of the board of directors, other than the developer, by
19 unit owners, the developer shall deliver to the board of
20 directors:

21 (i) All original documents as recorded or filed
22 pertaining to the property, its administration, and
23 the association, such as the declaration, articles of
24 incorporation, other instruments, annual reports,
25 minutes, rules and regulations, and contracts, leases,
26 or other agreements entered into by the association. If

1 any original documents are unavailable, a copy may be
2 provided if certified by affidavit of the developer, or
3 an officer or agent of the developer, as being a
4 complete copy of the actual document recorded or filed.

5 (ii) A detailed accounting by the developer,
6 setting forth the source and nature of receipts and
7 expenditures in connection with the management,
8 maintenance and operation of the property, copies of
9 all insurance policies, and a list of any loans or

11 (iii) Association funds, which shall have been at
12 all times segregated from any other moneys of the
13 developer.

14 (iv) A schedule of all real or personal property,
15 equipment and fixtures belonging to the association,
16 including documents transferring the property,
17 warranties, if any, for all real and personal property
18 and equipment, deeds, title insurance policies, and
19 all tax bills.

20 (v) A list of all litigation, administrative
21 action and arbitrations involving the association, any
22 notices of governmental bodies involving actions taken
23 or which may be taken concerning the association,
24 engineering and architectural drawings and
25 specifications as approved by any governmental
26 authority, all other documents filed with any other

1 governmental authority, all governmental certificates,
2 correspondence involving enforcement of any
3 association requirements, copies of any documents
4 relating to disputes involving unit owners, and
5 originals of all documents relating to everything
6 listed in this subparagraph.

7 (vi) If the developer fails to fully comply with
8 this paragraph (4) within the 60 days provided and
9 fails to fully comply within 10 days of written demand
10 mailed by registered or certified mail to his or her
11 last known address, the board may bring an action to
12 compel compliance with this paragraph (4). If the court
13 finds that any of the required deliveries were not made
14 within the required period, the board shall be entitled
15 to recover its reasonable attorneys' fees and costs
16 incurred from and after the date of expiration of the
17 10 day demand.

18 (5) With respect to any master association whose
19 declaration is recorded on or after August 10, 1990, any
20 contract, lease, or other agreement made prior to the
21 election of a majority of the board of directors other than
22 the developer by or on behalf of unit owners or underlying
23 condominium associations, the association or the board of
24 directors, which extends for a period of more than 2 years
25 from the recording of the declaration, shall be subject to
26 cancellation by more than 1/2 of the votes of the unit

1 owners, other than the developer, cast at a special meeting
2 of members called for that purpose during a period of 90
3 days prior to the expiration of the 2 year period if the
4 board of managers is elected by the unit owners, otherwise
5 by more than 1/2 of the underlying condominium board of
6 managers. At least 60 days prior to the expiration of the 2
7 year period, the board of directors, or, if the board is
8 still under developer control, then the board of managers
9 or the developer shall send notice to every unit owner or
10 underlying condominium board of managers, notifying them
11 of this provision, of what contracts, leases and other
12 agreements are affected, and of the procedure for calling a
13 meeting of the unit owners or for action by the underlying
14 condominium board of managers for the purpose of acting to
15 terminate such contracts, leases or other agreements.
16 During the 90 day period the other party to the contract,
17 lease, or other agreement shall also have the right of
18 cancellation.

19 (6) The statute of limitations for any actions in law
20 or equity which the master association may bring shall not
21 begin to run until the unit owners or underlying
22 condominium board of managers have elected a majority of
23 the members of the board of directors.

24 (g) In the event of any resale of a unit in a master
25 association by a unit owner other than the developer, the owner
26 shall obtain from the board of directors and shall make

1 available for inspection to the prospective purchaser, upon
2 demand, the following:

3 (1) A copy of the declaration, other instruments and
4 any rules and regulations.

5 (2) A statement of any liens, including a statement of
6 the account of the unit setting forth the amounts of unpaid
7 assessments and other charges due and owing.

8 (3) A statement of any capital expenditures
9 anticipated by the association within the current or
10 succeeding 2 fiscal years.

11 (4) A statement of the status and amount of any reserve
12 for replacement fund and any portion of such fund earmarked
13 for any specified project by the board of directors.

14 (5) A copy of the statement of financial condition of
15 the association for the last fiscal year for which such a
16 statement is available.

17 (6) A statement of the status of any pending suits or
18 judgments in which the association is a party.

19 (7) A statement setting forth what insurance coverage
20 is provided for all unit owners by the association.

21 (8) A statement that any improvements or alterations
22 made to the unit, or any part of the common areas assigned
23 thereto, by the prior unit owner are in good faith believed
24 to be in compliance with the declaration of the master
25 association.

26 The principal officer of the unit owner's association or

1 such other officer as is specifically designated shall furnish
2 the above information when requested to do so in writing,
3 within 30 days of receiving the request.

4 A reasonable fee covering the direct out-of-pocket cost of
5 copying and providing such information may be charged by the
6 association or its board of directors to the unit seller for
7 providing the information.

8 (g-1) The purchaser of a unit of a common interest
9 community at a judicial foreclosure sale, other than a
10 mortgagee, who takes possession of a unit of a common interest
11 community pursuant to a court order or a purchaser who acquires
12 title from a mortgagee shall have the duty to pay the
13 proportionate share, if any, of the common expenses for the
14 unit that would have become due in the absence of any
15 assessment acceleration during the 6 months immediately
16 preceding institution of an action to enforce the collection of
17 assessments and the court costs incurred by the association in
18 an action to enforce the collection that remain unpaid by the
19 owner during whose possession the assessments accrued. If the
20 outstanding assessments and the court costs incurred by the
21 association in an action to enforce the collection are paid at
22 any time during any action to enforce the collection of
23 assessments, the purchaser shall have no obligation to pay any
24 assessments that accrued before he or she acquired title. The
25 notice of sale of a unit of a common interest community under
26 subsection (c) of Section 15-1507 of the Code of Civil

1 Procedure shall state that the purchaser of the unit other than
2 a mortgagee shall pay the assessments and court costs required
3 by this subsection (g-1).

4 (h) Errors and omissions.

5 (1) If there is an omission or error in the declaration
6 or other instrument of the master association, the master
7 association may correct the error or omission by an
8 amendment to the declaration or other instrument, as may be
9 required to conform it to this Act, to any other applicable
10 statute, or to the declaration. The amendment shall be
11 adopted by vote of two-thirds of the members of the board
12 of directors or by a majority vote of the unit owners at a
13 meeting called for that purpose, unless the Act or the
14 declaration of the master association specifically
15 provides for greater percentages or different procedures.

16 (2) If, through a scrivener's error, a unit has not
17 been designated as owning an appropriate undivided share of
18 the common areas or does not bear an appropriate share of
19 the common expenses, or if all of the common expenses or
20 all of the common elements in the condominium have not been
21 distributed in the declaration, so that the sum total of
22 the shares of common areas which have been distributed or
23 the sum total of the shares of the common expenses fail to
24 equal 100%, or if it appears that more than 100% of the
25 common elements or common expenses have been distributed,
26 the error may be corrected by operation of law by filing an

1 amendment to the declaration, approved by vote of
2 two-thirds of the members of the board of directors or a
3 majority vote of the unit owners at a meeting called for
4 that purpose, which proportionately adjusts all percentage
5 interests so that the total is equal to 100%, unless the
6 declaration specifically provides for a different
7 procedure or different percentage vote by the owners of the
8 units and the owners of mortgages thereon affected by
9 modification being made in the undivided interest in the
10 common areas, the number of votes in the unit owners
11 association or the liability for common expenses
12 appertaining to the unit.

13 (3) If an omission or error or a scrivener's error in
14 the declaration or other instrument is corrected by vote of
15 two-thirds of the members of the board of directors
16 pursuant to the authority established in subdivisions
17 (h)(1) or (h)(2) of this Section, the board, upon written
18 petition by unit owners with 20% of the votes of the
19 association or resolutions adopted by the board of managers
20 or board of directors of the condominium and common
21 interest community associations which select 20% of the
22 members of the board of directors of the master
23 association, whichever is applicable, received within 30
24 days of the board action, shall call a meeting of the unit
25 owners or the boards of the condominium and common interest
26 community associations which select members of the board of

1 directors of the master association within 30 days of the
2 filing of the petition or receipt of the condominium and
3 common interest community association resolution to
4 consider the board action. Unless a majority of the votes
5 of the unit owners of the association are cast at the
6 meeting to reject the action, or board of managers or board
7 of directors of condominium and common interest community
8 associations which select over 50% of the members of the
9 board of the master association adopt resolutions prior to
10 the meeting rejecting the action of the board of directors
11 of the master association, it is ratified whether or not a
12 quorum is present.

13 (4) The procedures for amendments set forth in this
14 subsection (h) cannot be used if such an amendment would
15 materially or adversely affect property rights of the unit
16 owners unless the affected unit owners consent in writing.
17 This Section does not restrict the powers of the
18 association to otherwise amend the declaration, bylaws, or
19 other condominium instruments, but authorizes a simple
20 process of amendment requiring a lesser vote for the
21 purpose of correcting defects, errors, or omissions when
22 the property rights of the unit owners are not materially
23 or adversely affected.

24 (5) If there is an omission or error in the declaration
25 or other instruments that may not be corrected by an
26 amendment procedure set forth in subdivision (h)(1) or

1 (h) (2) of this Section, then the circuit court in the
2 county in which the master association is located shall
3 have jurisdiction to hear a petition of one or more of the
4 unit owners thereon or of the association, to correct the
5 error or omission, and the action may be a class action.
6 The court may require that one or more methods of
7 correcting the error or omission be submitted to the unit
8 owners to determine the most acceptable correction. All
9 unit owners in the association must be joined as parties to
10 the action. Service of process on owners may be by
11 publication, but the plaintiff shall furnish all unit
12 owners not personally served with process with copies of
13 the petition and final judgment of the court by certified
14 mail, return receipt requested, at their last known
15 address.

16 (6) Nothing contained in this Section shall be
17 construed to invalidate any provision of a declaration
18 authorizing the developer to amend an instrument prior to
19 the latest date on which the initial membership meeting of
20 the unit owners must be held, whether or not it has
21 actually been held, to bring the instrument into compliance
22 with the legal requirements of the Federal National
23 Mortgage Association, the Federal Home Loan Mortgage
24 Corporation, the Federal Housing Administration, the
25 United States Veterans Administration or their respective
26 successors and assigns.

1 (i) The provisions of subsections (c) through (h) are
2 applicable to all declarations, other condominium instruments,
3 and other duly recorded covenants establishing the powers and
4 duties of the master association recorded under this Act. Any
5 portion of a declaration, other condominium instrument, or
6 other duly recorded covenant establishing the powers and duties
7 of a master association which contains provisions contrary to
8 the provisions of subsection (c) through (h) shall be void as
9 against public policy and ineffective. Any declaration, other
10 condominium instrument, or other duly recorded covenant
11 establishing the powers and duties of the master association
12 which fails to contain the provisions required by subsections
13 (c) through (h) shall be deemed to incorporate such provisions
14 by operation of law.

13 Sec. 7A-102. Procedures.

14 (A) Charge.

15 (1) Within 180 days after the date that a civil rights
16 violation allegedly has been committed, a charge in writing
17 under oath or affirmation may be filed with the Department
18 by an aggrieved party or issued by the Department itself
19 under the signature of the Director.

20 (2) The charge shall be in such detail as to
21 substantially apprise any party properly concerned as to
22 the time, place, and facts surrounding the alleged civil
23 rights violation.

24 (3) Charges deemed filed with the Department pursuant
25 to subsection (A-1) of this Section shall be deemed to be

1 in compliance with this subsection.

2 (A-1) Equal Employment Opportunity Commission Charges.

3 (1) If a charge is filed with the Equal Employment
4 Opportunity Commission (EEOC) within 180 days after the
5 date of the alleged civil rights violation, the charge
6 shall be deemed filed with the Department on the date filed
7 with the EEOC. If the EEOC is the governmental agency
8 designated to investigate the charge first, the Department
9 shall take no action until the EEOC makes a determination
10 on the charge and after the complainant notifies the
11 Department of the EEOC's determination. In such cases,
12 after receiving notice from the EEOC that a charge was
13 filed, the Department shall notify the parties that (i) a
14 charge has been received by the EEOC and has been sent to
15 the Department for dual filing purposes; (ii) the EEOC is
16 the governmental agency responsible for investigating the
17 charge and that the investigation shall be conducted
18 pursuant to the rules and procedures adopted by the EEOC;
19 (iii) it will take no action on the charge until the EEOC
20 issues its determination; (iv) the complainant must submit
21 a copy of the EEOC's determination within 30 days after
22 service of the determination by the EEOC on complainant;
23 and (v) that the time period to investigate the charge
24 contained in subsection (G) of this Section is tolled from
25 the date on which the charge is filed with the EEOC until
26 the EEOC issues its determination.

1 (2) If the EEOC finds reasonable cause to believe that
2 there has been a violation of federal law and if the
3 Department is timely notified of the EEOC's findings by
4 complainant, the Department shall notify complainant that
5 the Department has adopted the EEOC's determination of
6 reasonable cause and that complainant has the right, within
7 90 days after receipt of the Department's notice, to either
8 file his or her own complaint with the Illinois Human
9 Rights Commission or commence a civil action in the
10 appropriate circuit court or other appropriate court of
11 competent jurisdiction. The Department's notice to
12 complainant that the Department has adopted the EEOC's
13 determination of reasonable cause shall constitute the
14 Department's Report for purposes of subparagraph (D) of
15 this Section.

16 (3) For those charges alleging violations within the
17 jurisdiction of both the EEOC and the Department and for
18 which the EEOC either (i) does not issue a determination,
19 but does issue the complainant a notice of a right to sue,
20 including when the right to sue is issued at the request of
21 the complainant, or (ii) determines that it is unable to
22 establish that illegal discrimination has occurred and
23 issues the complainant a right to sue notice, and if the
24 Department is timely notified of the EEOC's determination
25 by complainant, the Department shall notify the parties
26 that the Department will adopt the EEOC's determination as

1 a dismissal for lack of substantial evidence unless the
2 complainant requests in writing within 35 days after
3 receipt of the Department's notice that the Department
4 review the EEOC's determination.

5 (a) If the complainant does not file a written
6 request with the Department to review the EEOC's
7 determination within 35 days after receipt of the
8 Department's notice, the Department shall notify
9 complainant that the decision of the EEOC has been
10 adopted by the Department as a dismissal for lack of
11 substantial evidence and that the complainant has the
12 right, within 90 days after receipt of the Department's
13 notice, to commence a civil action in the appropriate
14 circuit court or other appropriate court of competent
15 jurisdiction. The Department's notice to complainant
16 that the Department has adopted the EEOC's
17 determination shall constitute the Department's report
18 for purposes of subparagraph (D) of this Section.

19 (b) If the complainant does file a written request
20 with the Department to review the EEOC's
21 determination, the Department shall review the EEOC's
22 determination and any evidence obtained by the EEOC
23 during its investigation. If, after reviewing the
24 EEOC's determination and any evidence obtained by the
25 EEOC, the Department determines there is no need for
26 further investigation of the charge, the Department

1 shall issue a report and the Director shall determine
2 whether there is substantial evidence that the alleged
3 civil rights violation has been committed pursuant to
4 subsection (D) of Section 7A-102. If, after reviewing
5 the EEOC's determination and any evidence obtained by
6 the EEOC, the Department determines there is a need for
7 further investigation of the charge, the Department
8 may conduct any further investigation it deems
9 necessary. After reviewing the EEOC's determination,
10 the evidence obtained by the EEOC, and any additional
11 investigation conducted by the Department, the
12 Department shall issue a report and the Director shall
13 determine whether there is substantial evidence that
14 the alleged civil rights violation has been committed
15 pursuant to subsection (D) of Section 7A-102 of this
16 Act.

17 (4) Pursuant to this Section, if the EEOC dismisses the
18 charge or a portion of the charge of discrimination
19 because, under federal law, the EEOC lacks jurisdiction
20 over the charge, and if, under this Act, the Department has
21 jurisdiction over the charge of discrimination, the
22 Department shall investigate the charge or portion of the
23 charge dismissed by the EEOC for lack of jurisdiction
24 pursuant to subsections (A), (A-1), (B), (B-1), (C), (D),
25 (E), (F), (G), (H), (I), (J), and (K) of Section 7A-102 of
26 this Act.

1 (5) The time limit set out in subsection (G) of this
2 Section is tolled from the date on which the charge is
3 filed with the EEOC to the date on which the EEOC issues
4 its determination.

5 (B) Notice and Response to Charge. The Department shall,
6 within 10 days of the date on which the charge was filed, serve
7 a copy of the charge on the respondent. This period shall not
8 be construed to be jurisdictional. The charging party and the
9 respondent may each file a position statement and other
10 materials with the Department regarding the charge of alleged
11 discrimination within 60 days of receipt of the notice of the
12 charge. The position statements and other materials filed shall
13 remain confidential unless otherwise agreed to by the party
14 providing the information and shall not be served on or made
15 available to the other party during pendency of a charge with
16 the Department. The Department shall require the respondent to
17 file a verified response to the allegations contained in the
18 charge within 60 days of receipt of the notice of the charge.
19 The respondent shall serve a copy of its response on the
20 complainant or his representative. All allegations contained
21 in the charge not timely denied by the respondent shall be
22 deemed admitted, unless the respondent states that it is
23 without sufficient information to form a belief with respect to
24 such allegation. The Department may issue a notice of default
25 directed to any respondent who fails to file a verified
26 response to a charge within 60 days of receipt of the notice of

1 the charge, unless the respondent can demonstrate good cause as
2 to why such notice should not issue. The term "good cause"
3 shall be defined by rule promulgated by the Department. Within
4 30 days of receipt of the respondent's response, the
5 complainant may file a reply to said response and shall serve a
6 copy of said reply on the respondent or his representative. A
7 party shall have the right to supplement his response or reply
8 at any time that the investigation of the charge is pending.
9 The Department shall, within 10 days of the date on which the
10 charge was filed, and again no later than 335 days thereafter,
11 send by certified or registered mail written notice to the
12 complainant and to the respondent informing the complainant of
13 the complainant's right to either file a complaint with the
14 Human Rights Commission or commence a civil action in the
15 appropriate circuit court under subparagraph (2) of paragraph
16 (G), including in such notice the dates within which the
17 complainant may exercise this right. In the notice the
18 Department shall notify the complainant that the charge of
19 civil rights violation will be dismissed with prejudice and
20 with no right to further proceed if a written complaint is not
21 timely filed with the Commission or with the appropriate
22 circuit court by the complainant pursuant to subparagraph (2)
23 of paragraph (G) or by the Department pursuant to subparagraph
24 (1) of paragraph (G).

25 (B-1) Mediation. The complainant and respondent may agree
26 to voluntarily submit the charge to mediation without waiving

1 any rights that are otherwise available to either party
2 pursuant to this Act and without incurring any obligation to
3 accept the result of the mediation process. Nothing occurring
4 in mediation shall be disclosed by the Department or admissible
5 in evidence in any subsequent proceeding unless the complainant
6 and the respondent agree in writing that such disclosure be
7 made.

8 (C) Investigation.

9 (1) After the respondent has been notified, the
10 Department shall conduct a full investigation of the
11 allegations set forth in the charge.

12 (2) The Director or his or her designated
13 representatives shall have authority to request any member
14 of the Commission to issue subpoenas to compel the
15 attendance of a witness or the production for examination
16 of any books, records or documents whatsoever.

17 (3) If any witness whose testimony is required for any
18 investigation resides outside the State, or through
19 illness or any other good cause as determined by the
20 Director is unable to be interviewed by the investigator or
21 appear at a fact finding conference, his or her testimony
22 or deposition may be taken, within or without the State, in
23 the same manner as is provided for in the taking of
24 depositions in civil cases in circuit courts.

25 (4) Upon reasonable notice to the complainant and the
26 respondent, the Department shall conduct a fact finding

1 conference, unless prior to 365 days after the date on
2 which the charge was filed the Director has determined
3 whether there is substantial evidence that the alleged
4 civil rights violation has been committed, the charge has
5 been dismissed for lack of jurisdiction, or the parties
6 voluntarily and in writing agree to waive the fact finding
7 conference. Any party's failure to attend the conference
8 without good cause shall result in dismissal or default.
9 The term "good cause" shall be defined by rule promulgated
10 by the Department. A notice of dismissal or default shall
11 be issued by the Director. The notice of default issued by
12 the Director shall notify the respondent that a request for
13 review may be filed in writing with the Commission within
14 30 days of receipt of notice of default. The notice of
15 dismissal issued by the Director shall give the complainant
16 notice of his or her right to seek review of the dismissal
17 before the Human Rights Commission or commence a civil
18 action in the appropriate circuit court. If the complainant
19 chooses to have the Human Rights Commission review the
20 dismissal order, he or she shall file a request for review
21 with the Commission within 90 days after receipt of the
22 Director's notice. If the complainant chooses to file a
23 request for review with the Commission, he or she may not
24 later commence a civil action in a circuit court. If the
25 complainant chooses to commence a civil action in a circuit
26 court, he or she must do so within 90 days after receipt of

1 the Director's notice.

2 (D) Report.

3 (1) Each charge shall be the subject of a report to the
4 Director. The report shall be a confidential document
5 subject to review by the Director, authorized Department
6 employees, the parties, and, where indicated by this Act,
7 members of the Commission or their designated hearing
8 officers.

9 (2) Upon review of the report, the Director shall
10 determine whether there is substantial evidence that the
11 alleged civil rights violation has been committed. The
12 determination of substantial evidence is limited to
13 determining the need for further consideration of the
14 charge pursuant to this Act and includes, but is not
15 limited to, findings of fact and conclusions, as well as
16 the reasons for the determinations on all material issues.
17 Substantial evidence is evidence which a reasonable mind
18 accepts as sufficient to support a particular conclusion
19 and which consists of more than a mere scintilla but may be
20 somewhat less than a preponderance.

21 (3) If the Director determines that there is no
22 substantial evidence, the charge shall be dismissed by
23 order of the Director and the Director shall give the
24 complainant notice of his or her right to seek review of
25 the dismissal order before the Commission or commence a
26 civil action in the appropriate circuit court. If the

1 complainant chooses to have the Human Rights Commission
2 review the dismissal order, he or she shall file a request
3 for review with the Commission within 90 days after receipt
4 of the Director's notice. If the complainant chooses to
5 file a request for review with the Commission, he or she
6 may not later commence a civil action in a circuit court.
7 If the complainant chooses to commence a civil action in a
8 circuit court, he or she must do so within 90 days after
9 receipt of the Director's notice.

10 (4) If the Director determines that there is
11 substantial evidence, he or she shall notify the
12 complainant and respondent of that determination. The
13 Director shall also notify the parties that the complainant
14 has the right to either commence a civil action in the
15 appropriate circuit court or request that the Department of
16 Human Rights file a complaint with the Human Rights
17 Commission on his or her behalf. Any such complaint shall
18 be filed within 90 days after receipt of the Director's
19 notice. If the complainant chooses to have the Department
20 file a complaint with the Human Rights Commission on his or
21 her behalf, the complainant must, within 30 days after
22 receipt of the Director's notice, request in writing that
23 the Department file the complaint. If the complainant
24 timely requests that the Department file the complaint, the
25 Department shall file the complaint on his or her behalf.
26 If the complainant fails to timely request that the

1 Department file the complaint, the complainant may file his
2 or her complaint with the Commission or commence a civil
3 action in the appropriate circuit court. If the complainant
4 files a complaint with the Human Rights Commission, the
5 complainant shall give notice to the Department of the
6 filing of the complaint with the Human Rights Commission.

7 (E) Conciliation.

8 (1) When there is a finding of substantial evidence,
9 the Department may designate a Department employee who is
10 an attorney licensed to practice in Illinois to endeavor to
11 eliminate the effect of the alleged civil rights violation
12 and to prevent its repetition by means of conference and
13 conciliation.

14 (2) When the Department determines that a formal
15 conciliation conference is necessary, the complainant and
16 respondent shall be notified of the time and place of the
17 conference by registered or certified mail at least 10 days
18 prior thereto and either or both parties shall appear at
19 the conference in person or by attorney.

20 (3) The place fixed for the conference shall be within
21 35 miles of the place where the civil rights violation is
22 alleged to have been committed.

23 (4) Nothing occurring at the conference shall be
24 disclosed by the Department unless the complainant and
25 respondent agree in writing that such disclosure be made.

26 (5) The Department's efforts to conciliate the matter

1 shall not stay or extend the time for filing the complaint
2 with the Commission or the circuit court.

3 (F) Complaint.

4 (1) When the complainant requests that the Department
5 file a complaint with the Commission on his or her behalf,
6 the Department shall prepare a written complaint, under
7 oath or affirmation, stating the nature of the civil rights
8 violation substantially as alleged in the charge
9 previously filed and the relief sought on behalf of the
10 aggrieved party. The Department shall file the complaint
11 with the Commission.

12 (2) If the complainant chooses to commence a civil
13 action in a circuit court, he or she must do so in the
14 circuit court in the county wherein the civil rights
15 violation was allegedly committed. The form of the
16 complaint in any such civil action shall be in accordance
17 with the Illinois Code of Civil Procedure.

18 (G) Time Limit.

19 (1) When a charge of a civil rights violation has been
20 properly filed, the Department, within 365 days thereof or
21 within any extension of that period agreed to in writing by
22 all parties, shall issue its report as required by
23 subparagraph (D). Any such report shall be duly served upon
24 both the complainant and the respondent.

25 (2) If the Department has not issued its report within
26 365 days after the charge is filed, or any such longer

1 period agreed to in writing by all the parties, the
2 complainant shall have 90 days to either file his or her
3 own complaint with the Human Rights Commission or commence
4 a civil action in the appropriate circuit court. If the
5 complainant files a complaint with the Commission, the form
6 of the complaint shall be in accordance with the provisions
7 of paragraph (F)(1). If the complainant commences a civil
8 action in a circuit court, the form of the complaint shall
9 be in accordance with the Illinois Code of Civil Procedure.
10 The aggrieved party shall notify the Department that a
11 complaint has been filed and shall serve a copy of the
12 complaint on the Department on the same date that the
13 complaint is filed with the Commission or in circuit court.
14 If the complainant files a complaint with the Commission,
15 he or she may not later commence a civil action in circuit
16 court.

17 (3) If an aggrieved party files a complaint with the
18 Human Rights Commission or commences a civil action in
19 circuit court pursuant to paragraph (2) of this subsection,
20 or if the time period for filing a complaint has expired,
21 the Department shall immediately cease its investigation
22 and dismiss the charge of civil rights violation. Any final
23 order entered by the Commission under this Section is
24 appealable in accordance with paragraph (B)(1) of Section
25 8-111. Failure to immediately cease an investigation and
26 dismiss the charge of civil rights violation as provided in

1 this paragraph (3) constitutes grounds for entry of an
2 order by the circuit court permanently enjoining the
3 investigation. The Department may also be liable for any
4 costs and other damages incurred by the respondent as a
5 result of the action of the Department.

6 (4) The Department shall stay any administrative
7 proceedings under this Section after the filing of a civil
8 action by or on behalf of the aggrieved party under any
9 federal or State law seeking relief with respect to the
10 alleged civil rights violation.

11 (H) This amendatory Act of 1995 applies to causes of action
12 filed on or after January 1, 1996.

13 (I) This amendatory Act of 1996 applies to causes of action
14 filed on or after January 1, 1996.

15 (J) The changes made to this Section by Public Act 95-243
16 apply to charges filed on or after the effective date of those
17 changes.

18 (K) The changes made to this Section by this amendatory Act
19 of the 96th General Assembly apply to charges filed on or after
20 the effective date of those changes.

23 Section 720. The Limited Liability Company Act is amended
24 by changing Section 30-10 as follows:

1 (805 ILCS 180/30-10)

2 Sec. 30-10. Rights of a transferee.

3 (a) A transferee of a distributional interest may become a
4 member of a limited liability company if and to the extent that
5 the transferor gives the transferee the right in accordance
6 with authority described in the operating agreement or all
7 other members consent.

8 (b) A transferee who has become a member, to the extent
9 transferred, has the rights and powers, and is subject to the
10 restrictions and liabilities, of a member under the operating
11 agreement of a limited liability company and this Act. A
12 transferee who becomes a member also is liable for the
13 transferor member's obligations to make contributions under
14 Section 20-5 and for obligations under Section 25-35 to return
15 unlawful distributions, but the transferee is not obligated for
16 the transferor member's liabilities unknown to the transferee
17 at the time the transferee becomes a member.

18 (c) Whether or not a transferee of a distributional
19 interest becomes a member under subsection (a) of this Section,
20 the transferor is not released from liability to the limited
21 liability company under the operating agreement or this Act.

22 (d) A transferee who does not become a member is not
23 entitled to participate in the management or conduct of the
24 limited liability company's business, require access to
25 information concerning the company's transactions, or inspect
26 or copy any of the company's records.

1 (e) A transferee who does not become a member is entitled
2 to:

3 (1) receive, in accordance with the transfer,
4 distributions to which the transferor would otherwise be
5 entitled;

6 (2) receive, upon dissolution and winding up of the
7 limited liability company's business:

8 (A) in accordance with the transfer, the net amount
9 otherwise distributable to the transferor; and

10 (B) a statement of account only from the date of
11 the latest statement of account agreed to by all the
12 members; and

13 (3) seek under subdivision (5) ~~(6)~~ of Section 35-1 a
14 judicial determination that it is equitable to dissolve and
15 wind up the company's business.

16 (f) A limited liability company need not give effect to a
17 transfer until it has notice of the transfer.

19 Section 725. The Uniform Limited Partnership Act (2001) is

21 (805 ILCS 215/210)

22 Sec. 210. Annual report for Secretary of State.

23 (a) A limited partnership or a foreign limited partnership
24 authorized to transact business in this State shall deliver to

2 (1) the name of the limited partnership or foreign
3 limited partnership;

4 (2) the street and mailing address of its designated

11 limited partnership is formed and any alternate name
12 adopted under Section 905(a);

13 (5) Additional information that may be necessary or
14 appropriate in order to enable the Secretary of State to
15 administer this Act and to verify the proper amount of fees
16 payable by the limited partnership; and

17 (6) The annual report shall be made on forms prescribed
18 and furnished by the Secretary of State, and the
19 information therein, required by paragraphs (1) through
20 (4) of subsection (a), both inclusive, shall be given as of
21 the date of signing of the annual report. The annual report
22 shall be signed by a general partner.

23 (b) Information in an annual report must be current as of
24 the date the annual report is delivered to the Secretary of
25 State for filing.

26 (c) The annual report, together with all fees and charges

1 prescribed by this Act, shall be delivered to the Secretary of
2 State within 60 days immediately preceding the first day of the
3 anniversary month. Proof to the satisfaction of the Secretary
4 of State that, before the first day of the anniversary month of
5 the limited partnership or the foreign limited partnership, the
6 report, together with all fees and charges as prescribed by
7 this Act, was deposited in the United States mail in a sealed
8 envelope, properly addressed, with postage prepaid, shall be
9 deemed compliance with this requirement.

10 (d) If an annual report does not contain the information
11 required in subsection (a), the Secretary of State shall
12 promptly notify the reporting limited partnership or foreign
13 limited partnership and return the report to it for correction.
14 If the report is corrected to contain the information required
15 in subsection (a) and delivered to the Secretary of State
16 within 30 days after the effective date of the notice, it is
17 timely delivered.

18 (e) If a limited partnership or foreign limited partnership
19 fails to file its annual report and pay the requisite fee as
20 required by this Act before the first day of the anniversary
21 month in the year which it is due, the Secretary of State
22 shall:

23 (1) declare any limited partnership or foreign limited
24 partnership to be delinquent and not in good standing; and

25 (2) not file any additional documents, amendments,
26 reports, or other papers relating to the limited

1 partnership or foreign limited partnership organized under
2 or subject to the provisions of this Act until the
3 delinquency is satisfied.

4 (f) ~~(e)~~ If a limited partnership or foreign limited
5 partnership fails to file its annual report and pay the
6 requisite fee as required by this Act before the first day of
7 the anniversary month in the year in which it is due, the
8 Secretary of State may show the limited partnership or foreign
9 limited partnership as not in good standing in response to
10 inquiries received from any party regarding a limited
11 partnership that is delinquent.

12 (Source: P.A. 95-368, eff. 8-23-07; revised 11-21-11.)

13 (805 ILCS 215/1305)

14 Sec. 1305. Federal Employers Identification Number.

15 (a) All documents required by this Act to be filed in the
16 Office of the Secretary of State shall contain the Federal
17 Employers Identification Number of the limited partnership or
18 foreign limited partnership with respect to which the document
19 is filed, unless the partnership has not obtained a Federal
20 Employer Identification Number at the time of filing. In the
21 event a limited partnership or foreign limited partnership does
22 not have a Federal Employer Identification Number at the time
23 of such filing, such a number shall be obtained on behalf of
24 such partnership and shall be given to the Secretary of State
25 within 180 days after filing its initial document with the

1 Secretary of State.

2 (b) If a limited partnership or foreign limited partnership
3 fails to provide the Federal Employer Identification Number
4 within the time period prescribed by this Section, the
5 Secretary of State shall:

6 (1) declare any limited partnership or foreign limited
7 partnership to be delinquent and not in good standing; and

8 (2) not file any additional documents, amendments,
9 reports, or other papers relating to the limited
10 partnership or foreign limited partnership organized under
11 or subject to the provisions of this Act until the
12 delinquency is satisfied.

13 (c) ~~(e)~~ If a limited partnership or foreign limited
14 partnership fails to provide the Federal Employer
15 Identification Number within the time period prescribed by this
16 Section, the Secretary of State may show the limited
17 partnership or foreign limited partnership as not in good
18 standing in response to inquiries received from any party
19 regarding a limited partnership that is delinquent.

20 (Source: P.A. 95-368, eff. 8-23-07; revised 11-21-11.)

21 Section 730. The Uniform Commercial Code is amended by
22 changing Sections 3-305, 4A-211, and 4A-507 as follows:

23 (810 ILCS 5/3-305) (from Ch. 26, par. 3-305)

24 Sec. 3-305. Defenses and claims in recoupment.

1 (a) Except as stated in subsection (b), the right to
2 enforce the obligation of a party to pay an instrument is
3 subject to the following:

4 (1) a defense of the obligor based on (i) infancy of
5 the obligor to the extent it is a defense to a simple
6 contract, (ii) duress, lack of legal capacity, or
7 illegality of the transaction which, under the law,
8 nullifies the obligation of the obligor, (iii) fraud that
9 induced the obligor to sign the instrument with neither
10 knowledge nor reasonable opportunity to learn of its
11 character or its essential terms, or (iv) discharge of the
12 obligor in insolvency proceedings;

13 (2) a defense of the obligor stated in another Section
14 of this Article or a defense of the obligor that would be
15 available if the person entitled to enforce the instrument
16 were enforcing a right to payment under a simple contract;
17 and

18 (3) a claim in recoupment of the obligor against the
19 original payee of the instrument if the claim arose from
20 the transaction that gave ~~give~~ rise to the instrument; but
21 the claim of the obligor may be asserted against a
22 transferee of the instrument only to reduce the amount
23 owing on the instrument at the time the action is brought.

24 (b) The right of a holder in due course to enforce the
25 obligation of a party to pay the instrument is subject to
26 defenses of the obligor stated in subsection (a)(1), but is not

1 subject to defenses of the obligor stated in subsection (a) (2)
2 or claims in recoupment stated in subsection (a) (3) against a
3 person other than the holder.

4 (c) Except as stated in subsection (d), in an action to
5 enforce the obligation of a party to pay the instrument, the
6 obligor may not assert against the person entitled to enforce
7 the instrument a defense, claim in recoupment, or claim to the
8 instrument (Section 3-306) of another person, but the other
9 person's claim to the instrument may be asserted by the obligor
10 if the other person is joined in the action and personally
11 asserts the claim against the person entitled to enforce the
12 instrument. An obligor is not obliged to pay the instrument if
13 the person seeking enforcement of the instrument does not have
14 rights of a holder in due course and the obligor proves that
15 the instrument is a lost or stolen instrument.

16 (d) In an action to enforce the obligation of an
17 accommodation party to pay an instrument, the accommodation
18 party may assert against the person entitled to enforce the
19 instrument any defense or claim in recoupment under subsection
20 (a) that the accommodated party could assert against the person
21 entitled to enforce the instrument, except the defenses of
22 discharge in insolvency proceedings, infancy, or lack of legal
23 capacity.

24 (Source: P.A. 87-582; 87-1135; revised 11-21-11.)

25 (810 ILCS 5/4A-211) (from Ch. 26, par. 4A-211)

1 Sec. 4A-211. Cancellation and amendment of payment order.

2 (a) A communication of the sender of a payment order
3 cancelling or amending the order may be transmitted to the
4 receiving bank orally, electronically, or in writing. If a
5 security procedure is in effect between the sender and the
6 receiving bank, the communication is not effective to cancel or
7 amend the order unless the communication is verified pursuant
8 to the security procedure or the bank agrees to the
9 cancellation or amendment.

10 (b) Subject to subsection (a), a communication by the
11 sender cancelling or amending a payment order is effective to
12 cancel or amend the order if notice of the communication is
13 received at a time and in a manner affording the receiving bank
14 a reasonable opportunity to act on the communication before the
15 bank accepts the payment order.

16 (c) After a payment order has been accepted, cancellation
17 or amendment of the order is not effective unless the receiving
18 bank agrees or a funds transfer system rule allows cancellation
19 or amendment without agreement of the bank.

20 (1) With respect to a payment order accepted by a
21 receiving bank other than the beneficiary's bank,
22 cancellation or amendment is not effective unless a
23 conforming cancellation or amendment of the payment order
24 issued by the receiving bank is also made.

25 (2) With respect to a payment order accepted by the
26 beneficiary's bank, cancellation or amendment is not

1 effective unless the order was issued in execution of an
2 unauthorized payment order, or because of a mistake by a
3 sender in the funds transfer which resulted in the issuance
4 of a payment order (i) that is a duplicate of a payment
5 order previously issued by the sender, (ii) that orders
6 payment to a beneficiary not entitled to receive payment
7 from the originator, or (iii) that orders payment in an
8 amount greater than ~~that~~ the amount the beneficiary was
9 entitled to receive from the originator. If the payment
10 order is canceled or amended, the beneficiary's bank is
11 entitled to recover from the beneficiary any amount paid to
12 the beneficiary to the extent allowed by the law governing
13 mistake and restitution.

14 (d) An unaccepted payment order is canceled by operation of
15 law at the close of the fifth funds transfer business day of
16 the receiving bank after the execution date or payment date of
17 the order.

18 (e) A canceled payment order cannot be accepted. If an
19 accepted payment order is canceled, the acceptance is nullified
20 and no person has any right or obligation based on the
21 acceptance. Amendment of a payment order is deemed to be
22 cancellation of the original order at the time of amendment and
23 issue of a new payment order in the amended form at the same
24 time.

25 (f) Unless otherwise provided in an agreement of the
26 parties or in a funds transfer system rule, if the receiving

1 bank, after accepting a payment order, agrees to cancellation
2 or amendment of the order by the sender or is bound by a funds
3 transfer system rule allowing cancellation or amendment
4 without the bank's agreement, the sender, whether or not
5 cancellation or amendment is effective, is liable to the bank
6 for any loss and expenses, including reasonable attorney's
7 fees, incurred by the bank as a result of the cancellation or
8 amendment or attempted cancellation or amendment.

9 (g) A payment order is not revoked by the death or legal
10 incapacity of the sender unless the receiving bank knows of the
11 death or of an adjudication of incapacity by a court of
12 competent jurisdiction and has reasonable opportunity to act
13 before acceptance of the order.

14 (h) A funds transfer system rule is not effective to the
15 extent it conflicts with subsection (c) (2).

16 (Source: P.A. 86-1291; revised 11-21-11.)

17 (810 ILCS 5/4A-507) (from Ch. 26, par. 4A-507)

18 Sec. 4A-507. Choice of law.

19 (a) The following rules apply unless the affected parties
20 otherwise agree or subsection (c) applies:

21 (1) The rights and obligations between the sender of a
22 payment order and the receiving bank are governed by the
23 law of the jurisdiction in which the receiving bank is
24 located.

25 (2) The rights and obligations between the

1 beneficiary's bank and the beneficiary are governed by the
2 law of the jurisdiction in which the beneficiary's bank is
3 located.

4 (3) The issue of when payment is made pursuant to a
5 funds transfer by the originator to the beneficiary is
6 governed by the law of the jurisdiction in which the
7 beneficiary's bank is located.

8 (b) If the parties described in each paragraph of
9 subsection (a) have made an agreement selecting the law of a
10 particular jurisdiction to govern rights and obligations
11 between each other, the law of that jurisdiction governs those
12 rights and obligations, whether or not the payment order or the
13 funds transfer bears a reasonable relation to that
14 jurisdiction.

15 (c) A funds transfer system rule may select the law of a
16 particular jurisdiction to govern (i) rights and obligations
17 between participating banks with respect to payment orders
18 transmitted or processed through the system, or (ii) the rights
19 and obligations of some or all parties to a funds transfer any
20 part of which is carried out by means of the system. A choice
21 of law made pursuant to clause (i) is binding on participating
22 banks. A choice of law made pursuant to clause (ii) is binding
23 on the originator, other sender, or a receiving bank having
24 notice that the funds transfer system might be used in the
25 funds transfer and of the choice of law by the system when the
26 originator, other sender, or receiving bank issued or accepted

1 a payment order. The beneficiary of a funds transfer is bound
2 by the choice of law if, when the funds transfer is initiated,
3 the beneficiary has notice that the funds transfer system might
4 be used in the funds transfer and of the choice of law by the
5 system. The law of a jurisdiction selected pursuant to this
6 subsection may govern, whether or not that law bears a
7 reasonable relation to the matter in issue.

8 (d) In the event of inconsistency between an agreement
9 under subsection (b) and a choice of law rule under subsection
10 (c), the agreement under subsection (b) prevails.

11 (e) If a funds transfer is made by use of more than ~~that~~
12 one funds transfer system and there is inconsistency between
13 choice of law rules of the systems, the matter in issue is
14 governed by the law of the selected jurisdiction that has the
15 most significant relationship to the matter in issue.

15 or businesses enumerated in Section 3 of this Act, or who at or
16 prior to the time of the accident to the employee for which
17 compensation under this Act may be claimed, has in the manner

25 compensation to his own immediate employees in accordance with

1 the provisions of this Act, and in addition thereto if he
2 directly or indirectly engages any contractor whether
3 principal or sub-contractor to do any such work, he is liable
4 to pay compensation to the employees of any such contractor or
5 sub-contractor unless such contractor or sub-contractor has
6 insured, in any company or association authorized under the
7 laws of this State to insure the liability to pay compensation
8 under this Act, or guaranteed his liability to pay such
9 compensation. With respect to any time limitation on the filing
10 of claims provided by this Act, the timely filing of a claim
11 against a contractor or subcontractor, as the case may be,
12 shall be deemed to be a timely filing with respect to all
13 persons upon whom liability is imposed by this paragraph.

14 In the event any such person pays compensation under this
15 subsection he may recover the amount thereof from the

11 Illinois Workers' Compensation Commission or in any action to
12 secure such reimbursement. Where any benefit is provided or
13 paid by such loaning employer the employee has the duty of
14 rendering reasonable cooperation in any hearings, trials or
15 proceedings in the case, including such proceedings for
16 reimbursement.

17 Where an employee files an Application for Adjustment of
18 Claim with the Illinois Workers' Compensation Commission
19 alleging that his claim is covered by the provisions of the
20 preceding paragraph, and joining both the alleged loaning and
21 borrowing employers, they and each of them, upon written demand
22 by the employee and within 7 days after receipt of such demand,

9 with respect to claims brought under paragraph (c) of Section

18 2. Every person in the service of another under any

23 non-fatal injuries within the State of Illinois where the
24 contract of hire is made outside of the State of Illinois, and
25 persons whose employment is principally localized within the
26 State of Illinois, regardless of the place of the accident or

1 the place where the contract of hire was made, and including
2 aliens, and minors who, for the purpose of this Act are
3 considered the same and have the same power to contract,

11 pursue his remedy in the State where injured or disabled, or in
12 the State where the contract of hire is made, or in the State
13 where the employment is principally localized.

14 However, any employer may elect to provide and pay
15 compensation to any employee other than those engaged in the
16 usual course of the trade, business, profession or occupation
17 of the employer by complying with Sections 2 and 4 of this Act.
18 Employees are not included within the provisions of this Act
19 when excluded by the laws of the United States relating to
20 liability of employers to their employees for personal injuries
21 where such laws are held to be exclusive.

22 The term "employee" does not include persons performing

8 9-15-11.)

9 (820 ILCS 305/8) (from Ch. 48, par. 138.8)

10 Sec. 8. The amount of compensation which shall be paid to
11 the employee for an accidental injury not resulting in death
12 is:

13 (a) The employer shall provide and pay the negotiated rate,
14 if applicable, or the lesser of the health care provider's
15 actual charges or according to a fee schedule, subject to
16 Section 8.2, in effect at the time the service was rendered for
17 all the necessary first aid, medical and surgical services, and
18 all necessary medical, surgical and hospital services
19 thereafter incurred, limited, however, to that which is
20 reasonably required to cure or relieve from the effects of the
21 accidental injury, even if a health care provider sells,
22 transfers, or otherwise assigns an account receivable for
23 procedures, treatments, or services covered under this Act. If
24 the employer does not dispute payment of first aid, medical,
25 surgical, and hospital services, the employer shall make such

1 payment to the provider on behalf of the employee. The employer
2 shall also pay for treatment, instruction and training
3 necessary for the physical, mental and vocational
4 rehabilitation of the employee, including all maintenance
5 costs and expenses incidental thereto. If as a result of the
6 injury the employee is unable to be self-sufficient the
7 employer shall further pay for such maintenance or
8 institutional care as shall be required.

9 The employee may at any time elect to secure his own
10 physician, surgeon and hospital services at the employer's
11 expense, or,

12 Upon agreement between the employer and the employees, or
13 the employees' exclusive representative, and subject to the
14 approval of the Illinois Workers' Compensation Commission, the
15 employer shall maintain a list of physicians, to be known as a
16 Panel of Physicians, who are accessible to the employees. The
17 employer shall post this list in a place or places easily
18 accessible to his employees. The employee shall have the right
19 to make an alternative choice of physician from such Panel if
20 he is not satisfied with the physician first selected. If, due
21 to the nature of the injury or its occurrence away from the
22 employer's place of business, the employee is unable to make a
23 selection from the Panel, the selection process from the Panel
24 shall not apply. The physician selected from the Panel may
25 arrange for any consultation, referral or other specialized
26 medical services outside the Panel at the employer's expense.

1 Provided that, in the event the Commission shall find that a
2 doctor selected by the employee is rendering improper or
3 inadequate care, the Commission may order the employee to
4 select another doctor certified or qualified in the medical
5 field for which treatment is required. If the employee refuses
6 to make such change the Commission may relieve the employer of
7 his obligation to pay the doctor's charges from the date of
8 refusal to the date of compliance.

9 Any vocational rehabilitation counselors who provide
10 service under this Act shall have appropriate certifications
11 which designate the counselor as qualified to render opinions
12 relating to vocational rehabilitation. Vocational
13 rehabilitation may include, but is not limited to, counseling
14 for job searches, supervising a job search program, and
15 vocational retraining including education at an accredited
16 learning institution. The employee or employer may petition to
17 the Commission to decide disputes relating to vocational
18 rehabilitation and the Commission shall resolve any such
19 dispute, including payment of the vocational rehabilitation
20 program by the employer.

21 The maintenance benefit shall not be less than the
22 temporary total disability rate determined for the employee. In
23 addition, maintenance shall include costs and expenses
24 incidental to the vocational rehabilitation program.

25 When the employee is working light duty on a part-time
26 basis or full-time basis and earns less than he or she would be

1 earning if employed in the full capacity of the job or jobs,
2 then the employee shall be entitled to temporary partial
3 disability benefits. Temporary partial disability benefits
4 shall be equal to two-thirds of the difference between the
5 average amount that the employee would be able to earn in the
6 full performance of his or her duties in the occupation in
7 which he or she was engaged at the time of accident and the
8 gross amount which he or she is earning in the modified job
9 provided to the employee by the employer or in any other job
10 that the employee is working.

11 Every hospital, physician, surgeon or other person
12 rendering treatment or services in accordance with the
13 provisions of this Section shall upon written request furnish
14 full and complete reports thereof to, and permit their records
15 to be copied by, the employer, the employee or his dependents,
16 as the case may be, or any other party to any proceeding for
17 compensation before the Commission, or their attorneys.

18 Notwithstanding the foregoing, the employer's liability to
19 pay for such medical services selected by the employee shall be
20 limited to:

- 21 (1) all first aid and emergency treatment; plus
22 (2) all medical, surgical and hospital services
23 provided by the physician, surgeon or hospital initially
24 chosen by the employee or by any other physician,
25 consultant, expert, institution or other provider of
26 services recommended by said initial service provider or

1 any subsequent provider of medical services in the chain of
2 referrals from said initial service provider; plus

3 (3) all medical, surgical and hospital services
4 provided by any second physician, surgeon or hospital
5 subsequently chosen by the employee or by any other
6 physician, consultant, expert, institution or other
7 provider of services recommended by said second service
8 provider or any subsequent provider of medical services in
9 the chain of referrals from said second service provider.
10 Thereafter the employer shall select and pay for all
11 necessary medical, surgical and hospital treatment and the
12 employee may not select a provider of medical services at
13 the employer's expense unless the employer agrees to such
14 selection. At any time the employee may obtain any medical
15 treatment he desires at his own expense. This paragraph
16 shall not affect the duty to pay for rehabilitation
17 referred to above.

18 (4) The following shall apply for injuries occurring on
19 or after June 28, 2011 (the effective date of Public Act
20 97-18) ~~this amendatory Act of the 97th General Assembly~~ and
21 only when an employer has an approved preferred provider
22 program pursuant to Section 8.1a on the date the employee
23 sustained his or her accidental injuries:

24 (A) The employer shall, in writing, on a form
25 promulgated by the Commission, inform the employee of
26 the preferred provider program;

1 (B) Subsequent to the report of an injury by an
2 employee, the employee may choose in writing at any
3 time to decline the preferred provider program, in
4 which case that would constitute one of the two choices
5 of medical providers to which the employee is entitled
6 under subsection (a) (2) or (a) (3); and

7 (C) Prior to the report of an injury by an
8 employee, when an employee chooses non-emergency
9 treatment from a provider not within the preferred
10 provider program, that would constitute the employee's
11 one choice of medical providers to which the employee
12 is entitled under subsection (a) (2) or (a) (3).

13 When an employer and employee so agree in writing, nothing
14 in this Act prevents an employee whose injury or disability has
15 been established under this Act, from relying in good faith, on
16 treatment by prayer or spiritual means alone, in accordance
17 with the tenets and practice of a recognized church or
18 religious denomination, by a duly accredited practitioner
19 thereof, and having nursing services appropriate therewith,
20 without suffering loss or diminution of the compensation
21 benefits under this Act. However, the employee shall submit to
22 all physical examinations required by this Act. The cost of
23 such treatment and nursing care shall be paid by the employee
24 unless the employer agrees to make such payment.

25 Where the accidental injury results in the amputation of an
26 arm, hand, leg or foot, or the enucleation of an eye, or the

1 loss of any of the natural teeth, the employer shall furnish an
2 artificial of any such members lost or damaged in accidental
3 injury arising out of and in the course of employment, and
4 shall also furnish the necessary braces in all proper and
5 necessary cases. In cases of the loss of a member or members by
6 amputation, the employer shall, whenever necessary, maintain
7 in good repair, refit or replace the artificial limbs during
8 the lifetime of the employee. Where the accidental injury
9 accompanied by physical injury results in damage to a denture,
10 eye glasses or contact eye lenses, or where the accidental
11 injury results in damage to an artificial member, the employer
12 shall replace or repair such denture, glasses, lenses, or
13 artificial member.

14 The furnishing by the employer of any such services or
15 appliances is not an admission of liability on the part of the
16 employer to pay compensation.

17 The furnishing of any such services or appliances or the
18 servicing thereof by the employer is not the payment of
19 compensation.

20 (b) If the period of temporary total incapacity for work
21 lasts more than 3 working days, weekly compensation as
22 hereinafter provided shall be paid beginning on the 4th day of
23 such temporary total incapacity and continuing as long as the
24 total temporary incapacity lasts. In cases where the temporary
25 total incapacity for work continues for a period of 14 days or
26 more from the day of the accident compensation shall commence

1 on the day after the accident.

2 1. The compensation rate for temporary total
3 incapacity under this paragraph (b) of this Section shall
4 be equal to 66 2/3% of the employee's average weekly wage
5 computed in accordance with Section 10, provided that it
6 shall be not less than 66 2/3% of the sum of the Federal
7 minimum wage under the Fair Labor Standards Act, or the
8 Illinois minimum wage under the Minimum Wage Law, whichever
9 is more, multiplied by 40 hours. This percentage rate shall
10 be increased by 10% for each spouse and child, not to
11 exceed 100% of the total minimum wage calculation,
12 nor exceed the employee's average weekly wage computed in
13 accordance with the provisions of Section 10, whichever is
14 less.

15 2. The compensation rate in all cases other than for
16 temporary total disability under this paragraph (b), and
17 other than for serious and permanent disfigurement under
18 paragraph (c) and other than for permanent partial
19 disability under subparagraph (2) of paragraph (d) or under
20 paragraph (e), of this Section shall be equal to 66 2/3% of
21 the employee's average weekly wage computed in accordance
22 with the provisions of Section 10, provided that it shall
23 be not less than 66 2/3% of the sum of the Federal minimum
24 wage under the Fair Labor Standards Act, or the Illinois
25 minimum wage under the Minimum Wage Law, whichever is more,
26 multiplied by 40 hours. This percentage rate shall be

1 increased by 10% for each spouse and child, not to exceed
2 100% of the total minimum wage calculation,
3 nor exceed the employee's average weekly wage computed in
4 accordance with the provisions of Section 10, whichever is
5 less.

6 2.1. The compensation rate in all cases of serious and
7 permanent disfigurement under paragraph (c) and of
8 permanent partial disability under subparagraph (2) of
9 paragraph (d) or under paragraph (e) of this Section shall
10 be equal to 60% of the employee's average weekly wage
11 computed in accordance with the provisions of Section 10,
12 provided that it shall be not less than 66 2/3% of the sum
13 of the Federal minimum wage under the Fair Labor Standards
14 Act, or the Illinois minimum wage under the Minimum Wage
15 Law, whichever is more, multiplied by 40 hours. This
16 percentage rate shall be increased by 10% for each spouse
17 and child, not to exceed 100% of the total minimum wage
18 calculation,
19 nor exceed the employee's average weekly wage computed in
20 accordance with the provisions of Section 10, whichever is
21 less.

22 3. As used in this Section the term "child" means a
23 child of the employee including any child legally adopted
24 before the accident or whom at the time of the accident the
25 employee was under legal obligation to support or to whom
26 the employee stood in loco parentis, and who at the time of

1 the accident was under 18 years of age and not emancipated.
2 The term "children" means the plural of "child".

3 4. All weekly compensation rates provided under
4 subparagraphs 1, 2 and 2.1 of this paragraph (b) of this
5 Section shall be subject to the following limitations:

6 The maximum weekly compensation rate from July 1, 1975,
7 except as hereinafter provided, shall be 100% of the

11 The maximum weekly compensation rate, for the period

16 be determined as follows: if during the preceding 12 month
17 period there shall have been an increase in the State's
18 average weekly wage in covered industries under the

23 Insurance Act during such period.

24 The maximum weekly compensation rate, for the period

4 the maximum weekly compensation rate, except as
5 hereinafter provided, shall be determined as follows: if
6 during the preceding 12 month period there shall have been
7 an increase in the State's average weekly wage in covered
8 industries under the Unemployment Insurance Act, the
9 weekly compensation rate shall be proportionately
10 increased by the same percentage as the percentage of
11 increase in the State's average weekly wage in covered
12 industries under the Unemployment Insurance Act during

21 to 133-1/3% of the State's average weekly wage in covered
22 industries under the Unemployment Insurance Act.

23 For injuries occurring on or after February 1, 2006,

7 this Section, shall in no event be less than 50% of the
8 State's average weekly wage in covered industries under the
9 Unemployment Insurance Act.

10 4.2. Any provision to the contrary notwithstanding,
11 the total compensation payable under Section 7 shall not
12 exceed the greater of \$500,000 or 25 years.

13 5. For the purpose of this Section this State's average
14 weekly wage in covered industries under the Unemployment
15 Insurance Act on July 1, 1975 is hereby fixed at \$228.16
16 per week and the computation of compensation rates shall be
17 based on the aforesaid average weekly wage until modified
18 as hereinafter provided.

19 6. The Department of Employment Security of the State
20 shall on or before the first day of December, 1977, and on
21 or before the first day of June, 1978, and on the first day
22 of each December and June of each year thereafter, publish
23 the State's average weekly wage in covered industries under
24 the Unemployment Insurance Act and the Illinois Workers'
25 Compensation Commission shall on the 15th day of January,
26 1978 and on the 15th day of July, 1978 and on the 15th day

1 of each January and July of each year thereafter, post and
2 publish the State's average weekly wage in covered
3 industries under the Unemployment Insurance Act as last
4 determined and published by the Department of Employment
5 Security. The amount when so posted and published shall be
6 conclusive and shall be applicable as the basis of
7 computation of compensation rates until the next posting
8 and publication as aforesaid.

9 7. The payment of compensation by an employer or his
10 insurance carrier to an injured employee shall not
11 constitute an admission of the employer's liability to pay
12 compensation.

13 (c) For any serious and permanent disfigurement to the
14 hand, head, face, neck, arm, leg below the knee or the chest
15 above the axillary line, the employee is entitled to
16 compensation for such disfigurement, the amount determined by
17 agreement at any time or by arbitration under this Act, at a
18 hearing not less than 6 months after the date of the accidental
19 injury, which amount shall not exceed 150 weeks (if the
20 accidental injury occurs on or after the effective date of this
21 amendatory Act of the 94th General Assembly but before February
22 1, 2006) or 162 weeks (if the accidental injury occurs on or
23 after February 1, 2006) at the applicable rate provided in
24 subparagraph 2.1 of paragraph (b) of this Section.

25 No compensation is payable under this paragraph where
26 compensation is payable under paragraphs (d), (e) or (f) of

1 this Section.

2 A duly appointed member of a fire department in a city, the
3 population of which exceeds 500,000 according to the last
4 federal or State census, is eligible for compensation under
5 this paragraph only where such serious and permanent
6 disfigurement results from burns.

7 (d) 1. If, after the accidental injury has been sustained,
8 the employee as a result thereof becomes partially
9 incapacitated from pursuing his usual and customary line of
10 employment, he shall, except in cases compensated under the
11 specific schedule set forth in paragraph (e) of this Section,
12 receive compensation for the duration of his disability,
13 subject to the limitations as to maximum amounts fixed in
14 paragraph (b) of this Section, equal to 66-2/3% of the
15 difference between the average amount which he would be able to
16 earn in the full performance of his duties in the occupation in
17 which he was engaged at the time of the accident and the
18 average amount which he is earning or is able to earn in some
19 suitable employment or business after the accident. For
20 accidental injuries that occur on or after September 1, 2011,
21 an award for wage differential under this subsection shall be
22 effective only until the employee reaches the age of 67 or 5
23 years from the date the award becomes final, whichever is
24 later.

25 2. If, as a result of the accident, the employee sustains
26 serious and permanent injuries not covered by paragraphs (c)

1 and (e) of this Section or having sustained injuries covered by
2 the aforesaid paragraphs (c) and (e), he shall have sustained
3 in addition thereto other injuries which injuries do not
4 incapacitate him from pursuing the duties of his employment but
5 which would disable him from pursuing other suitable
6 occupations, or which have otherwise resulted in physical
7 impairment; or if such injuries partially incapacitate him from
8 pursuing the duties of his usual and customary line of
9 employment but do not result in an impairment of earning
10 capacity, or having resulted in an impairment of earning
11 capacity, the employee elects to waive his right to recover
12 under the foregoing subparagraph 1 of paragraph (d) of this
13 Section then in any of the foregoing events, he shall receive
14 in addition to compensation for temporary total disability
15 under paragraph (b) of this Section, compensation at the rate
16 provided in subparagraph 2.1 of paragraph (b) of this Section
17 for that percentage of 500 weeks that the partial disability
18 resulting from the injuries covered by this paragraph bears to
19 total disability. If the employee shall have sustained a
20 fracture of one or more vertebra or fracture of the skull, the
21 amount of compensation allowed under this Section shall be not
22 less than 6 weeks for a fractured skull and 6 weeks for each
23 fractured vertebra, and in the event the employee shall have
24 sustained a fracture of any of the following facial bones:
25 nasal, lachrymal, vomer, zygoma, maxilla, palatine or
26 mandible, the amount of compensation allowed under this Section

1 shall be not less than 2 weeks for each such fractured bone,
2 and for a fracture of each transverse process not less than 3
3 weeks. In the event such injuries shall result in the loss of a
4 kidney, spleen or lung, the amount of compensation allowed
5 under this Section shall be not less than 10 weeks for each
6 such organ. Compensation awarded under this subparagraph 2
7 shall not take into consideration injuries covered under
8 paragraphs (c) and (e) of this Section and the compensation
9 provided in this paragraph shall not affect the employee's
10 right to compensation payable under paragraphs (b), (c) and (e)
11 of this Section for the disabilities therein covered.

12 (e) For accidental injuries in the following schedule, the
13 employee shall receive compensation for the period of temporary
14 total incapacity for work resulting from such accidental
15 injury, under subparagraph 1 of paragraph (b) of this Section,
16 and shall receive in addition thereto compensation for a
17 further period for the specific loss herein mentioned, but
18 shall not receive any compensation under any other provisions
19 of this Act. The following listed amounts apply to either the
20 loss of or the permanent and complete loss of use of the member
21 specified, such compensation for the length of time as follows:

1 after February 1, 2006.

7 after February 1, 2006.

8 3. Second, or middle finger-

16 specified. The loss of more than one phalanx shall be
17 considered as the loss of the entire thumb, finger or toe.

20 loss of a hand.

21 9. Hand-

5 syndrome due to repetitive or cumulative trauma, in
6 which case the permanent partial disability shall not
7 exceed 15% loss of use of the hand, except for cause
8 shown by clear and convincing evidence and in which
9 case the award shall not exceed 30% loss of use of the
10 hand.

11 The loss of 2 or more digits, or one or more phalanges
12 of 2 or more digits, of a hand may be compensated on the
13 basis of partial loss of use of a hand, provided, further,
14 that the loss of 4 digits, or the loss of use of 4 digits,
15 in the same hand shall constitute the complete loss of a
16 hand.

17 10. Arm-

18 235 weeks if the accidental injury occurs on or
19 after the effective date of this amendatory Act of the
20 94th General Assembly but before February 1, 2006.

22 after February 1, 2006.

23 Where an accidental injury results in the amputation of
24 an arm below the elbow, such injury shall be compensated as
25 a loss of an arm. Where an accidental injury results in the
26 amputation of an arm above the elbow, compensation for an

1 additional 15 weeks (if the accidental injury occurs on or
2 after the effective date of this amendatory Act of the 94th
3 General Assembly but before February 1, 2006) or an
4 additional 17 weeks (if the accidental injury occurs on or
5 after February 1, 2006) shall be paid, except where the
6 accidental injury results in the amputation of an arm at
7 the shoulder joint, or so close to shoulder joint that an
8 artificial arm cannot be used, or results in the
9 disarticulation of an arm at the shoulder joint, in which
10 case compensation for an additional 65 weeks (if the
11 accidental injury occurs on or after the effective date of
12 this amendatory Act of the 94th General Assembly but before

9 additional 27 weeks (if the accidental injury occurs on or
10 after February 1, 2006) shall be paid, except where the
11 accidental injury results in the amputation of a leg at the
12 hip joint, or so close to the hip joint that an artificial
13 leg cannot be used, or results in the disarticulation of a

15 additional 75 weeks (if the accidental injury occurs on or

12 after February 1, 2006.

13 Total and permanent loss of hearing of both ears-

14 200 weeks if the accidental injury occurs on or
15 after the effective date of this amendatory Act of the

4 after February 1, 2006.

5 16. For the permanent partial loss of use of a member
6 or sight of an eye, or hearing of an ear, compensation
7 during that proportion of the number of weeks in the
8 foregoing schedule provided for the loss of such member or
9 sight of an eye, or hearing of an ear, which the partial
10 loss of use thereof bears to the total loss of use of such
11 member, or sight of eye, or hearing of an ear.

12 (a) Loss of hearing for compensation purposes
13 shall be confined to the frequencies of 1,000, 2,000
14 and 3,000 cycles per second. Loss of hearing ability
15 for frequency tones above 3,000 cycles per second are
16 not to be considered as constituting disability for
17 hearing.

18 (b) The percent of hearing loss, for purposes of
19 the determination of compensation claims for
20 occupational deafness, shall be calculated as the
21 average in decibels for the thresholds of hearing for
22 the frequencies of 1,000, 2,000 and 3,000 cycles per
23 second. Pure tone air conduction audiometric
24 instruments, approved by nationally recognized
25 authorities in this field, shall be used for measuring
26 hearing loss. If the losses of hearing average 30

1 decibels or less in the 3 frequencies, such losses of
2 hearing shall not then constitute any compensable
3 hearing disability. If the losses of hearing average 85
4 decibels or more in the 3 frequencies, then the same
5 shall constitute and be total or 100% compensable
6 hearing loss.

7 (c) In measuring hearing impairment, the lowest
8 measured losses in each of the 3 frequencies shall be
9 added together and divided by 3 to determine the
10 average decibel loss. For every decibel of loss
11 exceeding 30 decibels an allowance of 1.82% shall be
12 made up to the maximum of 100% which is reached at 85
13 decibels.

14 (d) If a hearing loss is established to have
15 existed on July 1, 1975 by audiometric testing the
16 employer shall not be liable for the previous loss so
17 established nor shall he be liable for any loss for
18 which compensation has been paid or awarded.

19 (e) No consideration shall be given to the question
20 of whether or not the ability of an employee to
21 understand speech is improved by the use of a hearing
22 aid.

23 (f) No claim for loss of hearing due to industrial
24 noise shall be brought against an employer or allowed
25 unless the employee has been exposed for a period of
26 time sufficient to cause permanent impairment to noise

1 levels in excess of the following:

2 Sound Level DBA

3 Slow Response Hours Per Day

4 90 8

5 92 6

6 95 4

7 97 3

8 100 2

9 102 1-1/2

10 105 1

11 110 1/2

12 115 1/4

13 This subparagraph (f) shall not be applied in cases of
14 hearing loss resulting from trauma or explosion.

15 17. In computing the compensation to be paid to any
16 employee who, before the accident for which he claims
17 compensation, had before that time sustained an injury
18 resulting in the loss by amputation or partial loss by
19 amputation of any member, including hand, arm, thumb or
20 fingers, leg, foot or any toes, such loss or partial loss
21 of any such member shall be deducted from any award made
22 for the subsequent injury. For the permanent loss of use or
23 the permanent partial loss of use of any such member or the
24 partial loss of sight of an eye, for which compensation has
25 been paid, then such loss shall be taken into consideration
26 and deducted from any award for the subsequent injury.

1 18. The specific case of loss of both hands, both arms,
2 or both feet, or both legs, or both eyes, or of any two
3 thereof, or the permanent and complete loss of the use
4 thereof, constitutes total and permanent disability, to be
5 compensated according to the compensation fixed by
6 paragraph (f) of this Section. These specific cases of
7 total and permanent disability do not exclude other cases.

8 Any employee who has previously suffered the loss or
9 permanent and complete loss of the use of any of such
10 members, and in a subsequent independent accident loses
11 another or suffers the permanent and complete loss of the
12 use of any one of such members the employer for whom the
13 injured employee is working at the time of the last
14 independent accident is liable to pay compensation only for
15 the loss or permanent and complete loss of the use of the
16 member occasioned by the last independent accident.

17 19. In a case of specific loss and the subsequent death
18 of such injured employee from other causes than such injury
19 leaving a widow, widower, or dependents surviving before
20 payment or payment in full for such injury, then the amount
21 due for such injury is payable to the widow or widower and,
22 if there be no widow or widower, then to such dependents,
23 in the proportion which such dependency bears to total
24 dependency.

25 Beginning July 1, 1980, and every 6 months thereafter, the
26 Commission shall examine the Second Injury Fund and when, after

1 deducting all advances or loans made to such Fund, the amount
2 therein is \$500,000 then the amount required to be paid by
3 employers pursuant to paragraph (f) of Section 7 shall be
4 reduced by one-half. When the Second Injury Fund reaches the
5 sum of \$600,000 then the payments shall cease entirely.
6 However, when the Second Injury Fund has been reduced to
7 \$400,000, payment of one-half of the amounts required by
8 paragraph (f) of Section 7 shall be resumed, in the manner
9 herein provided, and when the Second Injury Fund has been
10 reduced to \$300,000, payment of the full amounts required by
11 paragraph (f) of Section 7 shall be resumed, in the manner
12 herein provided. The Commission shall make the changes in
13 payment effective by general order, and the changes in payment
14 become immediately effective for all cases coming before the
15 Commission thereafter either by settlement agreement or final
16 order, irrespective of the date of the accidental injury.

17 On August 1, 1996 and on February 1 and August 1 of each
18 subsequent year, the Commission shall examine the special fund
19 designated as the "Rate Adjustment Fund" and when, after
20 deducting all advances or loans made to said fund, the amount
21 therein is \$4,000,000, the amount required to be paid by
22 employers pursuant to paragraph (f) of Section 7 shall be
23 reduced by one-half. When the Rate Adjustment Fund reaches the
24 sum of \$5,000,000 the payment therein shall cease entirely.
25 However, when said Rate Adjustment Fund has been reduced to
26 \$3,000,000 the amounts required by paragraph (f) of Section 7

1 shall be resumed in the manner herein provided.

2 (f) In case of complete disability, which renders the
3 employee wholly and permanently incapable of work, or in the
4 specific case of total and permanent disability as provided in
5 subparagraph 18 of paragraph (e) of this Section, compensation
6 shall be payable at the rate provided in subparagraph 2 of
7 paragraph (b) of this Section for life.

8 An employee entitled to benefits under paragraph (f) of
9 this Section shall also be entitled to receive from the Rate
10 Adjustment Fund provided in paragraph (f) of Section 7 of the
11 supplementary benefits provided in paragraph (g) of this
12 Section 8.

13 If any employee who receives an award under this paragraph
14 afterwards returns to work or is able to do so, and earns or is
15 able to earn as much as before the accident, payments under
16 such award shall cease. If such employee returns to work, or is
17 able to do so, and earns or is able to earn part but not as much
18 as before the accident, such award shall be modified so as to
19 conform to an award under paragraph (d) of this Section. If
20 such award is terminated or reduced under the provisions of
21 this paragraph, such employees have the right at any time
22 within 30 months after the date of such termination or
23 reduction to file petition with the Commission for the purpose
24 of determining whether any disability exists as a result of the
25 original accidental injury and the extent thereof.

26 Disability as enumerated in subdivision 18, paragraph (e)

1 of this Section is considered complete disability.

2 If an employee who had previously incurred loss or the
3 permanent and complete loss of use of one member, through the
4 loss or the permanent and complete loss of the use of one hand,
5 one arm, one foot, one leg, or one eye, incurs permanent and
6 complete disability through the loss or the permanent and
7 complete loss of the use of another member, he shall receive,
8 in addition to the compensation payable by the employer and
9 after such payments have ceased, an amount from the Second
10 Injury Fund provided for in paragraph (f) of Section 7, which,
11 together with the compensation payable from the employer in
12 whose employ he was when the last accidental injury was
13 incurred, will equal the amount payable for permanent and
14 complete disability as provided in this paragraph of this
15 Section.

16 The custodian of the Second Injury Fund provided for in
17 paragraph (f) of Section 7 shall be joined with the employer as
18 a party respondent in the application for adjustment of claim.
19 The application for adjustment of claim shall state briefly and
20 in general terms the approximate time and place and manner of
21 the loss of the first member.

22 In its award the Commission or the Arbitrator shall
23 specifically find the amount the injured employee shall be
24 weekly paid, the number of weeks compensation which shall be
25 paid by the employer, the date upon which payments begin out of
26 the Second Injury Fund provided for in paragraph (f) of Section

1 7 of this Act, the length of time the weekly payments continue,
2 the date upon which the pension payments commence and the
3 monthly amount of the payments. The Commission shall 30 days
4 after the date upon which payments out of the Second Injury
5 Fund have begun as provided in the award, and every month
6 thereafter, prepare and submit to the State Comptroller a
7 voucher for payment for all compensation accrued to that date
8 at the rate fixed by the Commission. The State Comptroller
9 shall draw a warrant to the injured employee along with a
10 receipt to be executed by the injured employee and returned to
11 the Commission. The endorsed warrant and receipt is a full and
12 complete acquittance to the Commission for the payment out of
13 the Second Injury Fund. No other appropriation or warrant is
14 necessary for payment out of the Second Injury Fund. The Second
15 Injury Fund is appropriated for the purpose of making payments
16 according to the terms of the awards.

17 As of July 1, 1980 to July 1, 1982, all claims against and
18 obligations of the Second Injury Fund shall become claims
19 against and obligations of the Rate Adjustment Fund to the
20 extent there is insufficient money in the Second Injury Fund to
21 pay such claims and obligations. In that case, all references
22 to "Second Injury Fund" in this Section shall also include the
23 Rate Adjustment Fund.

24 (g) Every award for permanent total disability entered by
25 the Commission on and after July 1, 1965 under which
26 compensation payments shall become due and payable after the

1 effective date of this amendatory Act, and every award for
2 death benefits or permanent total disability entered by the
3 Commission on and after the effective date of this amendatory
4 Act shall be subject to annual adjustments as to the amount of
5 the compensation rate therein provided. Such adjustments shall
6 first be made on July 15, 1977, and all awards made and entered
7 prior to July 1, 1975 and on July 15 of each year thereafter.
8 In all other cases such adjustment shall be made on July 15 of
9 the second year next following the date of the entry of the
10 award and shall further be made on July 15 annually thereafter.
11 If during the intervening period from the date of the entry of
12 the award, or the last periodic adjustment, there shall have
13 been an increase in the State's average weekly wage in covered
14 industries under the Unemployment Insurance Act, the weekly
15 compensation rate shall be proportionately increased by the
16 same percentage as the percentage of increase in the State's
17 average weekly wage in covered industries under the
18 Unemployment Insurance Act. The increase in the compensation
19 rate under this paragraph shall in no event bring the total
20 compensation rate to an amount greater than the prevailing
21 maximum rate at the time that the annual adjustment is made.
22 Such increase shall be paid in the same manner as herein
23 provided for payments under the Second Injury Fund to the
24 injured employee, or his dependents, as the case may be, out of
25 the Rate Adjustment Fund provided in paragraph (f) of Section 7
26 of this Act. Payments shall be made at the same intervals as

1 provided in the award or, at the option of the Commission, may
2 be made in quarterly payment on the 15th day of January, April,
3 July and October of each year. In the event of a decrease in
4 such average weekly wage there shall be no change in the then
5 existing compensation rate. The within paragraph shall not
6 apply to cases where there is disputed liability and in which a
7 compromise lump sum settlement between the employer and the
8 injured employee, or his dependents, as the case may be, has
9 been duly approved by the Illinois Workers' Compensation
10 Commission.

11 Provided, that in cases of awards entered by the Commission
12 for injuries occurring before July 1, 1975, the increases in
13 the compensation rate adjusted under the foregoing provision of
14 this paragraph (g) shall be limited to increases in the State's
15 average weekly wage in covered industries under the
16 Unemployment Insurance Act occurring after July 1, 1975.

17 For every accident occurring on or after July 20, 2005 but
18 before the effective date of this amendatory Act of the 94th
19 General Assembly (Senate Bill 1283 of the 94th General
20 Assembly), the annual adjustments to the compensation rate in
21 awards for death benefits or permanent total disability, as
22 provided in this Act, shall be paid by the employer. The
23 adjustment shall be made by the employer on July 15 of the
24 second year next following the date of the entry of the award
25 and shall further be made on July 15 annually thereafter. If
26 during the intervening period from the date of the entry of the

1 award, or the last periodic adjustment, there shall have been
2 an increase in the State's average weekly wage in covered
3 industries under the Unemployment Insurance Act, the employer
4 shall increase the weekly compensation rate proportionately by
5 the same percentage as the percentage of increase in the
6 State's average weekly wage in covered industries under the
7 Unemployment Insurance Act. The increase in the compensation
8 rate under this paragraph shall in no event bring the total
9 compensation rate to an amount greater than the prevailing
10 maximum rate at the time that the annual adjustment is made. In
11 the event of a decrease in such average weekly wage there shall
12 be no change in the then existing compensation rate. Such
13 increase shall be paid by the employer in the same manner and
14 at the same intervals as the payment of compensation in the
15 award. This paragraph shall not apply to cases where there is
16 disputed liability and in which a compromise lump sum
17 settlement between the employer and the injured employee, or
18 his or her dependents, as the case may be, has been duly
19 approved by the Illinois Workers' Compensation Commission.

20 The annual adjustments for every award of death benefits or
21 permanent total disability involving accidents occurring
22 before July 20, 2005 and accidents occurring on or after the
23 effective date of this amendatory Act of the 94th General
24 Assembly (Senate Bill 1283 of the 94th General Assembly) shall
25 continue to be paid from the Rate Adjustment Fund pursuant to
26 this paragraph and Section 7(f) of this Act.

1 (h) In case death occurs from any cause before the total
2 compensation to which the employee would have been entitled has
3 been paid, then in case the employee leaves any widow, widower,
4 child, parent (or any grandchild, grandparent or other lineal
5 heir or any collateral heir dependent at the time of the
6 accident upon the earnings of the employee to the extent of 50%
7 or more of total dependency) such compensation shall be paid to
8 the beneficiaries of the deceased employee and distributed as
9 provided in paragraph (g) of Section 7.

10 (h-1) In case an injured employee is under legal disability
11 at the time when any right or privilege accrues to him or her
12 under this Act, a guardian may be appointed pursuant to law,
13 and may, on behalf of such person under legal disability, claim
14 and exercise any such right or privilege with the same effect
15 as if the employee himself or herself had claimed or exercised
16 the right or privilege. No limitations of time provided by this
17 Act run so long as the employee who is under legal disability
18 is without a conservator or guardian.

19 (i) In case the injured employee is under 16 years of age
20 at the time of the accident and is illegally employed, the
21 amount of compensation payable under paragraphs (b), (c), (d),
22 (e) and (f) of this Section is increased 50%.

23 However, where an employer has on file an employment
24 certificate issued pursuant to the Child Labor Law or work
25 permit issued pursuant to the Federal Fair Labor Standards Act,
26 as amended, or a birth certificate properly and duly issued,

1 such certificate, permit or birth certificate is conclusive
2 evidence as to the age of the injured minor employee for the
3 purposes of this Section.

4 Nothing herein contained repeals or amends the provisions
5 of the Child Labor Law relating to the employment of minors
6 under the age of 16 years.

7 (j) 1. In the event the injured employee receives benefits,
8 including medical, surgical or hospital benefits under any
9 group plan covering non-occupational disabilities contributed
10 to wholly or partially by the employer, which benefits should
11 not have been payable if any rights of recovery existed under
12 this Act, then such amounts so paid to the employee from any
13 such group plan as shall be consistent with, and limited to,
14 the provisions of paragraph 2 hereof, shall be credited to or
15 against any compensation payment for temporary total
16 incapacity for work or any medical, surgical or hospital
17 benefits made or to be made under this Act. In such event, the
18 period of time for giving notice of accidental injury and
19 filing application for adjustment of claim does not commence to
20 run until the termination of such payments. This paragraph does
21 not apply to payments made under any group plan which would
22 have been payable irrespective of an accidental injury under
23 this Act. Any employer receiving such credit shall keep such
24 employee safe and harmless from any and all claims or
25 liabilities that may be made against him by reason of having
26 received such payments only to the extent of such credit.

1 Any excess benefits paid to or on behalf of a State
2 employee by the State Employees' Retirement System under
3 Article 14 of the Illinois Pension Code on a death claim or
4 disputed disability claim shall be credited against any
5 payments made or to be made by the State of Illinois to or on
6 behalf of such employee under this Act, except for payments for
7 medical expenses which have already been incurred at the time
8 of the award. The State of Illinois shall directly reimburse
9 the State Employees' Retirement System to the extent of such
10 credit.

11 2. Nothing contained in this Act shall be construed to give
12 the employer or the insurance carrier the right to credit for
13 any benefits or payments received by the employee other than
14 compensation payments provided by this Act, and where the
15 employee receives payments other than compensation payments,
16 whether as full or partial salary, group insurance benefits,
17 bonuses, annuities or any other payments, the employer or
18 insurance carrier shall receive credit for each such payment
19 only to the extent of the compensation that would have been
20 payable during the period covered by such payment.

21 3. The extension of time for the filing of an Application
22 for Adjustment of Claim as provided in paragraph 1 above shall
23 not apply to those cases where the time for such filing had
24 expired prior to the date on which payments or benefits
25 enumerated herein have been initiated or resumed. Provided
26 however that this paragraph 3 shall apply only to cases wherein

1 the payments or benefits hereinabove enumerated shall be
2 received after July 1, 1969.

5 (820 ILCS 305/11) (from Ch. 48, par. 138.11)

6 Sec. 11. The compensation herein provided, together with
7 the provisions of this Act, shall be the measure of the
8 responsibility of any employer engaged in any of the
9 enterprises or businesses enumerated in Section 3 of this Act,
10 or of any employer who is not engaged in any such enterprises
11 or businesses, but who has elected to provide and pay
12 compensation for accidental injuries sustained by any employee
13 arising out of and in the course of the employment according to
14 the provisions of this Act, and whose election to continue
15 under this Act, has not been nullified by any action of his
16 employees as provided for in this Act.

17 Accidental injuries incurred while participating in
18 voluntary recreational programs including but not limited to
19 athletic events, parties and picnics do not arise out of and in
20 the course of the employment even though the employer pays some
21 or all of the cost thereof. This exclusion shall not apply in
22 the event that the injured employee was ordered or assigned by
23 his employer to participate in the program.

24 Notwithstanding any other defense, accidental injuries
25 incurred while the employee is engaged in the active commission

1 of and as a proximate result of the active commission of (a) a
2 forcible felony, (b) aggravated driving under the influence of
3 alcohol, other drug or drugs, or intoxicating compound or
4 compounds, or any combination thereof, or (c) reckless homicide
5 and for which the employee was convicted do not arise out of
6 and in the course of employment if the commission of that
7 forcible felony, aggravated driving under the influence, or
8 reckless homicide caused an accident resulting in the death or
9 severe injury of another person. If an employee is acquitted of
10 a forcible felony, aggravated driving under the influence, or
11 reckless homicide that caused an accident resulting in the
12 death or severe injury of another person or if these charges
13 are dismissed, there shall be no presumption that the employee
14 is eligible for benefits under this Act. No employee shall be
15 entitled to additional compensation under Sections 19(k) or
16 19(l) of this Act or attorney's fees under Section 16 of this
17 Act when the employee has been charged with a forcible felony,
18 aggravated driving under the influence, or reckless homicide
19 that caused an accident resulting in the death or severe injury
20 of another person and the employer terminates benefits or
21 refuses to pay benefits to the employee until the termination
22 of any pending criminal proceedings.

23 Accidental injuries incurred while participating as a
24 patient in a drug or alcohol rehabilitation program do not
25 arise out of and in the course of employment even though the
26 employer pays some or all of the costs thereof.

1 Any injury to or disease or death of an employee arising
2 from the administration of a vaccine, including without
3 limitation smallpox vaccine, to prepare for, or as a response
4 to, a threatened or potential bioterrorist incident to the
5 employee as part of a voluntary inoculation program in
6 connection with the person's employment or in connection with
7 any governmental program or recommendation for the inoculation
8 of workers in the employee's occupation, geographical area, or
9 other category that includes the employee is deemed to arise
10 out of and in the course of the employment for all purposes
11 under this Act. This paragraph added by this amendatory Act of
12 the 93rd General Assembly is declarative of existing law and is
13 not a new enactment.

14 No compensation shall be payable if (i) the employee's
15 intoxication is the proximate cause of the employee's
16 accidental injury or (ii) at the time the employee incurred the
17 accidental injury, the employee was so intoxicated that the
18 intoxication constituted a departure from the employment.
19 Admissible evidence of the concentration of (1) alcohol, (2)
20 cannabis as defined in the Cannabis Control Act, (3) a
21 controlled substance listed in the Illinois Controlled
22 Substances Act, or (4) an intoxicating compound listed in the
23 Use of Intoxicating Compounds Act in the employee's blood,
24 breath, or urine at the time the employee incurred the
25 accidental injury shall be considered in any hearing under this
26 Act to determine whether the employee was intoxicated at the

1 time the employee incurred the accidental injuries. If at the
2 time of the accidental injuries, there was 0.08% or more by
3 weight of alcohol in the employee's blood, breath, or urine or
4 if there is any evidence of impairment due to the unlawful or
5 unauthorized use of (1) cannabis as defined in the Cannabis
6 Control Act, (2) a controlled substance listed in the Illinois
7 Controlled Substances Act, or (3) an intoxicating compound
8 listed in the Use of Intoxicating Compounds Act or if the
9 employee refuses to submit to testing of blood, breath, or
10 urine, then there shall be a rebuttable presumption that the
11 employee was intoxicated and that the intoxication was the
12 proximate cause of the employee's injury. The employee may
13 overcome the rebuttable presumption by the preponderance of the
14 admissible evidence that the intoxication was not the sole
15 proximate cause or proximate cause of the accidental injuries.
16 Percentage by weight of alcohol in the blood shall be based on
17 grams of alcohol per 100 milliliters of blood. Percentage by
18 weight of alcohol in the breath shall be based upon grams of
19 alcohol per 210 liters of breath. Any testing that has not been
20 performed by an accredited or certified testing laboratory
21 shall not be admissible in any hearing under this Act to
22 determine whether the employee was intoxicated at the time the
23 employee incurred the accidental injury.

24 All sample collection and testing for alcohol and drugs
25 under this Section shall be performed in accordance with rules
26 to be adopted by the Commission. These rules shall ensure:

1 (1) compliance with the National Labor Relations Act
2 regarding collective bargaining agreements or regulations
3 promulgated by the United States Department of
4 Transportation;

5 (2) that samples are collected and tested in
6 conformance with national and State legal and regulatory
7 standards for the privacy of the individual being tested,
8 and in a manner reasonably calculated to prevent
9 substitutions or interference with the collection or
10 testing of reliable sample;

11 (3) that split testing procedures are utilized;

12 (4) that sample collection is documented, and the
13 documentation procedures include:

14 (A) the labeling of samples in a manner so as to
15 reasonably preclude the probability of erroneous
16 identification of test result; and

17 (B) an opportunity for the employee to provide
18 notification of any information which he or she
19 considers relevant to the test, including
20 identification of currently or recently used
21 prescription or nonprescription drugs and other
22 relevant medical information;

23 (5) that sample collection, storage, and
24 transportation to the place of testing is performed in a
25 manner so as to reasonably preclude the probability of
26 sample contamination or adulteration; and

1 (6) that chemical analyses of blood, urine, breath, or
2 other bodily substance are performed according to
3 nationally scientifically accepted analytical methods and
4 procedures.

5 The changes to this Section made by Public Act 97-18 ~~this~~
6 ~~amendatory Act of the 97th General Assembly~~ apply only to
7 accidental injuries that occur on or after September 1, 2011.

10 Section 995. No acceleration or delay. Where this Act makes
11 changes in a statute that is represented in this Act by text
12 that is not yet or no longer in effect (for example, a Section
13 represented by multiple versions), the use of that text does
14 not accelerate or delay the taking effect of (i) the changes
15 made by this Act or (ii) provisions derived from any other
16 Public Act.

17 Section 996. No revival or extension. This Act does not
18 revive or extend any Section or Act otherwise repealed.

19 Section 999. Effective date. This Act takes effect upon
20 becoming law.
