8 Sec. 1-10. Application.

9 (a) This Code applies only to procurements for which
10 contractors were first solicited on or after July 1, 1998. This
11 Code shall not be construed to affect or impair any contract,
12 or any provision of a contract, entered into based on a
13 solicitation prior to the implementation date of this Code as
14 described in Article 99, including but not limited to any
15 covenant entered into with respect to any revenue bonds or
16 similar instruments. All procurements for which contracts are
17 solicited between the effective date of Articles 50 and 99 and
18 July 1, 1998 shall be substantially in accordance with this
19 Code and its intent.

20 (a-5) If a form, schedule to a form, or line item in a form
21 issued by the United States Internal Revenue Service is
22 specifically cited by number or letter in a provision of this
23 Code and if, after the effective date of the Public Act that

1 established that citation, the United States Internal Revenue
2 Service form, schedule to a form, or line item in a form cited
3 is redesignated without any other change whatever being made to
4 it, then the provision of this Code containing that citation
5 shall be construed as though the redesignation of the form,
6 schedule to a form, or line item in a form of the United States
7 Internal Revenue Service had not occurred.

8 (a-10) For purposes of this Section, the terms "interested
9 persons" and "related for-profit organization" have the
10 meanings ascribed to those terms in Sections 1-15.120 and
