6 Section 5. Statement of legislative intent. The State's  
7 greatest untapped resource is that part of the expertise of its  
8 citizens that is not being allowed to enter into the  
9 marketplace. These are skills held by people who are not able  
10 to use their expertise because of existing State laws and  
11 administrative rules that harm the Illinois private sector,  
12 hurt job creation and the creation of new Illinois businesses,  
13 and prevent expansion of existing Illinois businesses.  
14 Therefore, the Commission created by this Act and its  
15 professional staff are authorized to take actions under this  
16 Act that are directed to maximize overall job growth and  
17 economic productivity in Illinois.

21 Commission shall be appointed by each legislative leader. All  
22 of the appointees shall be persons who have derived more than

1 50% of their workplace compensation, from their attaining the  
2 age of 21 until their time of appointment, as owners or  
3 compensated employees in the private sector of the United  
4 States. The appointees may be persons who have partly or  
5 totally retired from private-sector employment. Members of the  
6 Commission shall receive no compensation, but may be reimbursed  
7 for their expenses from appropriations available for that  
8 purpose. The Commission shall elect 2 chairpersons, who shall  
9 serve jointly. One chairperson must be elected from among the 6  
10 persons appointed by the Illinois General Assembly Democratic  
11 caucus leaders, and one chairperson must be elected from among  
12 the 6 persons appointed by the Illinois General Assembly  
13 Republican caucus leaders. The Commission shall meet monthly,  
14 or more often at the call of the Chair. Each commission member  
15 shall have a 4-year term. A legislative leaders may appoint a

19 individual meetings of the Commission.

20 Section 15. Commission staff. The Commission may appoint an  
21 executive director, and the executive director may hire a  
22 permanent nonpartisan staff. However, all of the employment  
23 contracts signed by the staff and the executive director shall  
24 state, on their face, that the Commission is scheduled to go  
25 out of business on June 30, 2017. As of that date, the

1 Commission and the staff shall no longer be employed or  
2 compensated.

3 Section 20. Scrutinization of statutes. The Commission and  
4 its staff shall scrutinize the existing Illinois Compiled  
5 Statutes to see which laws are serving as a net drag on

8 shall adopt, by two-thirds majority vote (8 of 12), with at  
9 least one vote from a member appointed by each legislative  
10 leader, and shall submit to the Governor, the General Assembly,  
11 and the executive director of the Legislative Reference Bureau  
12 (LRB), an omnibus list of all of the laws, and sections of  
13 laws, within the Illinois Compiled Statutes that the Commission  
14 believes can be repealed, abolished, or amended to maximize the  
15 wealth and productivity of Illinois.

16 Section 25. Omnibus revisory bill. The Commission, in  
17 cooperation with LRB, shall oversee the drafting of an omnibus  
18 revisory bill reflecting these recommendations. This omnibus  
19 bill must be introduced in each house of the General Assembly  
20 no later than February 1 of each calendar year.

21 Section 30. Scrutinization of rules. The Commission and its

5 appointed by each legislative leader, and shall submit to the  
6 Governor, the General Assembly, and the executive director of  
7 the Joint Committee on Administrative Rules (JCAR), an omnibus  
8 list of all of the rules within the Illinois Administrative  
9 Code that the Commission believes can be repealed, abolished,  
10 or amended to maximize the wealth and productivity of Illinois.  
11 These reports are public documents and must be posted on a  
12 publicly accessible Internet website. By the following March 1,  
13 each omnibus list must be accepted or not accepted, on a  
14 single, up-or-down record vote, by JCAR. A three-fifths vote by  
15 JCAR with respect to a list shall prohibit all of the rules on  
16 the list.

17 Section 35. Public comment. Persons concerned about the  
18 Commission's work may submit comments to the Commission. The  
19 Commission's reports must contain summaries of the comments  
20 received as of the deadline date for receiving comments. These  
21 reports shall be public documents and must be posted on a  
22 publicly accessible Internet website. After a report to JCAR  
23 has been filed and while it is being considered by JCAR,  
24 persons may comment to JCAR, but JCAR is not required to  
25 publish the comments.

2 Commission's annual report shall contain texts of substitute

11 replacement rules, then the agency must submit a written  
12 explanation to the Commission and to JCAR on why the agency did  
13 not use the Commission's recommended emergency language. No  
14 emergency replacement rule is valid if the emergency  
15 replacement rule adopted by an agency under this Act is  
16 substantively similar to rules that had recently been  
17 prohibited by JCAR under the procedures set forth in this Act,  
18 and the Secretary of State is directed not to accept any such  
19 invalid rule for filing.

22 new business and shall devote its time to winding down its  
23 affairs. If the Commission chooses, it may submit a final  
24 report to the Governor, General Assembly, and JCAR by June 30,

1 2017 describing its work over the course of its operations.
