

HB3313

98TH GENERAL ASSEMBLY

State of Illinois

2013 and 2014

HB3313

by Rep. Chad Hays

SYNOPSIS AS INTRODUCED:

New Act

Creates the Wind Farm State Property Lease Act. Authorizes the State to lease State-owned property for the use of wind farms or electric-generating wind devices, including all associated transmission lines, substations, and other equipment related to the generation of electricity from wind energy devices, provided that the wind farm and electric-generating wind devices comply with any requirements the applicable county or municipality has established under the Counties Code or Illinois Municipal Code.

FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the Wind
5 Farm State Property Lease Act.

6 Section 5. Leasing of State property for wind farms.
7 Notwithstanding any other law to the contrary, the State may
8 lease State-owned property for the use of wind farms or
9 electric-generating wind devices, including all associated
10 transmission lines, substations, and other equipment related
11 to the generation of electricity from wind energy devices,
12 provided that the wind farm and electric-generating wind
13 devices comply with any requirements the county or municipality
14 in which that leased property is located has established under
15 Section 5-12020 of the Counties Code or Section 11-13-26 of the
16 Illinois Municipal Code.
