

98TH GENERAL ASSEMBLY

State of Illinois

2013 and 2014

HB4440

by Rep. Linda Chapa LaVia

SYNOPSIS AS INTRODUCED:

105 ILCS 5/1C-2

Amends the School Code with respect to block grants for school districts other than the Chicago school district. Provides that not less than 14% (instead of 11%) of the Early Childhood Education Block Grant shall be used to fund programs for children ages 0-3, which percentage shall increase to at least 20% by Fiscal Year 2016 (instead of 2015). Effective July 1, 2014.

LRB098 18023 NHT 53152 b

FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 1C-2 as follows:

6 (105 ILCS 5/1C-2)

7 Sec. 1C-2. Block grants.

8 (a) For fiscal year 1999, and each fiscal year thereafter,
9 the State Board of Education shall award to school districts
10 block grants as described in subsection (c). The State Board of
11 Education may adopt rules and regulations necessary to
12 implement this Section. In accordance with Section 2-3.32, all
13 state block grants are subject to an audit. Therefore, block
14 grant receipts and block grant expenditures shall be recorded
15 to the appropriate fund code.

16 (b) (Blank).

17 (c) An Early Childhood Education Block Grant shall be
18 created by combining the following programs: Preschool
19 Education, Parental Training and Prevention Initiative. These
20 funds shall be distributed to school districts and other
21 entities on a competitive basis. Not less than 14% ~~11%~~ of this
22 grant shall be used to fund programs for children ages 0-3,
23 which percentage shall increase to at least 20% by Fiscal Year

1 2016 ~~2015~~. However, if, in a given fiscal year, the amount
2 appropriated for the Early Childhood Education Block Grant is
3 insufficient to increase the percentage of the grant to fund
4 programs for children ages 0-3 without reducing the amount of
5 the grant for existing providers of preschool education
6 programs, then the percentage of the grant to fund programs for
7 children ages 0-3 may be held steady instead of increased.
