6 (225 ILCS 10/2.04) (from Ch. 23, par. 2212.04)

2.04. "Related" means any of the following relationships by blood, marriage, civil union, or adoption: grandparent, great-grandparent, great-uncle, great-aunt, brother, sister, stepgrandparent, stepparent, stepbrother, stepsister, uncle, aunt, nephew, niece, or first cousin or second cousin. more than 8 related children placed by the Department, unless the children are of common parentage, for the purpose of providing family care and training for the children on a full-time basis, except the Director of Children and Family Services, pursuant to Department regulations, may waive the limit of 8 children unrelated to an adoptive family for good cause and only to facilitate an adoptive placement. The family's or relative's own children, under 18 years of age, shall be included in determining the maximum number of children served. For purposes of this Section, a "relative" includes any person, 21 years of age or over, other than the parent, who (i) is currently related to the child in any of the following ways by blood or adoption: grandparent, sibling, great-grandparent, uncle, aunt, nephew, niece, first cousin, great-uncle, or great-aunt; or (ii) is the spouse of such a relative; or (iii) is a child's step-father, step-mother, or adult step-brother or step-sister; "relative" also includes a person related in any of the foregoing ways to a sibling of a child, even though the person is not related to the child, when the child and its sibling are placed together with that person. The term 6 "foster family home" includes homes receiving children from any 7 State-operated institution for child care; or from any agency 8 established by a municipality or other political subdivision of 9 the State of Illinois authorized to provide care for children 10 outside their own homes. The term "foster family home" does not 11 include an "adoption-only home" as defined in Section 2.23 of 12 this Act. The types of foster family homes are defined as
 - (a) "Boarding home" means a foster family home which receives payment for regular full-time care of a child or children.
- 17 (b) "Free home" means a foster family home other than an adoptive home which does not receive payments for the care of a child or children.
 - (c) "Adoptive home" means a foster family home which receives a child or children for the purpose of adopting the child or children.

- 1 Department prescribed under this Act. The child or children may
- 2 receive a wage in connection with the services rendered the
- 3 foster family.
- 4 (e) "Agency-supervised home" means a foster family home
- 5 under the direct and regular supervision of a licensed child
- 6 welfare agency, of the Department of Children and Family
- 7 Services, of a circuit court, or of any other State agency
- 8 which has authority to place children in child care facilities,
- and which receives no more than 8 children, unless of common
- parentage, who are placed and are regularly supervised by one
- of the specified agencies.
- 12 (f) "Independent home" means a foster family home, other
- than an adoptive home, which receives no more than 4 children,
- 14 unless of common parentage, directly from parents, or other
- 15 legally responsible persons, by independent arrangement and
- 16 which is not subject to direct and regular supervision of a
- 17 specified agency except as such supervision pertains to
- 18 licensing by the Department.
- 19 (Source: P.A. 92-318, eff. 1-1-02.)
- 20 (225 ILCS 10/4) (from Ch. 23, par. 2214)
- 21 Sec. 4. License requirement; application; notice.
- 22 (a) Any person, group of persons or corporation who or
- 23 which receives children or arranges for care or placement of
- one or more children unrelated to the operator must apply for a
- 25 license to operate one of the types of facilities defined in

- 1 Sections 2.05 through 2.19 and in Section 2.22 of this Act. Any
- 2 relative, as defined in Section 2.17 of this Act, who receives
- 3 a child or children for placement by the Department on a
- 4 full-time basis may apply for a license to operate a foster
- family home as defined in Section 2.17 of this Act.
- 6 (a-5) Any agency, person, group of persons, association,
- 7 organization, corporation, institution, center, or group
- 8 providing adoption services must be licensed by the Department
- 9 as a child welfare agency as defined in Section 2.08 of this
- 10 Act. "Providing adoption services" as used in this Act,
- includes facilitating or engaging in adoption services.
- 12 (b) Application for a license to operate a child care
- facility must be made to the Department in the manner and on
- forms prescribed by it. An application to operate a foster
- family home shall include, at a minimum: a completed written
- 16 form; written authorization by the applicant and all adult
- 17 members of the applicant's household to conduct a criminal
- 18 background investigation; medical evidence in the form of a
- 19 medical report, on forms prescribed by the Department, that the
- 20 applicant and all members of the household are free from
- 21 communicable diseases or physical and mental conditions that
- 22 affect their ability to provide care for the child or children;
- the names and addresses of at least 3 persons not related to
- 24 the applicant who can attest to the applicant's moral
- character; and fingerprints submitted by the applicant and all
- adult members of the applicant's household.

- (c) The Department shall notify the public when a child care institution, maternity center, or group home licensed by the Department undergoes a change in (i) the range of care or services offered at the facility, (ii) the age or type of children served, or (iii) the area within the facility used by children. The Department shall notify the public of the change in a newspaper of general circulation in the county or municipality in which the applicant's facility is or is proposed to be located.
- (d) If, upon examination of the facility and investigation of persons responsible for care of children, the Department is satisfied that the facility and responsible persons reasonably meet standards prescribed for the type of facility for which application is made, it shall issue a license in proper form, designating on that license the type of child care facility and, except for a child welfare agency, the number of children to be served at any one time.
- (e) The Department shall not issue or renew the license of any child welfare agency providing adoption services, unless the agency (i) is officially recognized by the United States Internal Revenue Service as a tax-exempt organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (or any successor provision of federal tax law) and (ii) is in compliance with all of the standards necessary to maintain its status as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (or any

successor provision of federal tax law). The Department shall 1 2 grant a grace period of 24 months from the effective date of this amendatory Act of the 94th General Assembly for existing 3 child welfare agencies providing adoption services to obtain 5 501(c)(3) status. The Department shall permit an existing child welfare agency that converts from its current structure in 6 7 order to be recognized as a 501(c)(3) organization as required 8 by this Section to either retain its current license or 9 transfer its current license to a newly formed entity, if the 10 creation of a new entity is required in order to comply with 11 this Section, provided that the child welfare 12 demonstrates that it continues to meet all other licensing 13 requirements and that the principal officers and directors and 14 programs of the converted child welfare agency or newly 15 organized child welfare agency are substantially the same as 16 the original. The Department shall have the sole discretion to 17 grant a one year extension to any agency unable to obtain 501(c)(3) status within the timeframe specified in this 18 19 subsection (e), provided that such agency has filed an 20 application for 501(c)(3) status with the Internal Revenue 21 Service within the 2-year timeframe specified in this 22 subsection (e).

- maternity centers, child welfare agencies, day care centers, 1 2 day care agencies and group homes, the Department, upon 3 receiving application filed in proper order, shall examine the facilities and persons responsible for care of children
 - In respect to foster family and day care homes, (b) applications may be filed on behalf of such homes by a licensed child welfare agency, by a State agency authorized to place children in foster care or by out-of-State agencies approved by the Department to place children in this State. In respect to day care homes, applications may be filed on behalf of such homes by a licensed day care agency or licensed child welfare agency. In applying for license in behalf of a home in which children are placed by and remain under supervision of the applicant agency, such agency shall certify that the home and persons responsible for care of unrelated children therein, or the home and relatives, as defined in Section 2.17 of this Act, responsible for the care of related children therein, were found to be in reasonable compliance with standards prescribed by the Department for the type of care indicated.
 - (c) The Department shall not allow any person to examine facilities under a provision of this Act who has not passed an examination demonstrating that such person is familiar with this Act and with the appropriate standards and regulations of the Department.
 - (d) With the exception of day care centers, day care homes,

and group day care homes, licenses shall be issued in such form and manner as prescribed by the Department and are valid for 4 years from the date issued, unless revoked by the Department or voluntarily surrendered by the licensee. When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license shall continue in full force and effect for up to 30 days until the final agency decision on the application has been made. The Department may further extend the period in which such decision must be made in individual cases for up to 30 days, but such extensions shall be only upon good cause shown.

- (e) The Department may issue one 6-month permit to a newly established facility for child care to allow that facility reasonable time to become eligible for a full license. If the facility for child care is a foster family home, or day care home the Department may issue one 2-month permit only.
- (f) The Department may issue an emergency permit to a child care facility taking in children as a result of the temporary closure for more than 2 weeks of a licensed child care facility due to a natural disaster. An emergency permit under this subsection shall be issued to a facility only if the persons providing child care services at the facility were employees of

- 1 the temporarily closed day care center at the time it was
- 2 closed. No investigation of an employee of a child care
- 3 facility receiving an emergency permit under this subsection
- 4 shall be required if that employee has previously been
- 5 investigated at another child care facility. No emergency
- 6 permit issued under this subsection shall be valid for more
- 7 than 90 days after the date of issuance.
- 8 (g) During the hours of operation of any licensed child
- 9 care facility, authorized representatives of the Department
- 10 may without notice visit the facility for the purpose of
- 11 determining its continuing compliance with this Act or
- 12 regulations adopted pursuant thereto.
- 13 (h) Day care centers, day care homes, and group day care
- 14 homes shall be monitored at least annually by a licensing
- 15 representative from the Department or the agency that
- 16 recommended licensure.

Criminal Code of 1961 or the Criminal Code of 2012.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 or the Criminal Code of 2012 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

- (j) Open and notorious adultery or fornication.
- (j-1) (Blank).
- (k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to

which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

- (1) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.
- (m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent during any 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (ii) to make reasonable progress toward the return of the child to the parent during any 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes the parent's failure to substantially fulfill his or obligations under the service plan and correct the conditions that brought the child into care during any 9-month period following the adjudication under Section 2 - 3or 2-4 of the Juvenile Court Act of 1987. Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (ii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain

contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

- (o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.
- (p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or an intellectual disability as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and
