

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section  
5 21B-25 as follows:

6 (105 ILCS 5/21B-25)

7 Sec. 21B-25. Endorsement on licenses. All licenses issued  
8 under paragraph (1) of Section 21B-20 of this Code shall be  
9 specifically endorsed by the State Board of Education for each  
10 content area, school support area, and administrative area for  
11 which the holder of the license is qualified. Recognized  
12 institutions approved to offer educator preparation programs  
13 shall be trained to add endorsements to licenses issued to  
14 applicants who meet all of the requirements for the endorsement  
15 or endorsements, including passing any required tests. The  
16 State Superintendent of Education shall randomly audit  
17 institutions to ensure that all rules and standards are being  
18 followed for entitlement or when endorsements are being  
19 recommended.

20 (1) The State Board of Education, in consultation with  
21 the State Educator Preparation and Licensure Board, shall  
22 establish, by rule, the grade level and subject area  
23 endorsements to be added to the Professional Educator

1 License. These rules shall outline the requirements for  
2 obtaining each endorsement.

3 (2) In addition to any and all grade level and content  
4 area endorsements developed by rule, the State Board of  
5 Education, in consultation with the State Educator  
6 Preparation and Licensure Board, shall develop the  
7 requirements for the following endorsements:

8 (A) General administrative endorsement. A general  
9 administrative endorsement shall be added to a  
10 Professional Educator License, provided that an  
11 approved program has been completed. An individual  
12 holding a general administrative endorsement may work  
13 only as a principal or assistant principal or in a  
14 related or similar position, as determined by the State  
15 Superintendent of Education, in consultation with the  
16 State Educator Preparation and Licensure Board.

17 Beginning on September 1, 2014, the general  
18 administrative endorsement shall no longer be issued.  
19 Individuals who hold a valid and registered  
20 administrative certificate with a general  
21 administrative endorsement issued under Section 21-7.1  
22 of this Code or a Professional Educator License with a  
23 general administrative endorsement issued prior to  
24 September 1, 2014 and who have served for at least one  
25 full year during the 5 years prior in a position  
26 requiring a general administrative endorsement shall,

1           upon request to the State Board of Education and  
2           through July 1, 2015, have their respective general  
3           administrative endorsement converted to a principal  
4           endorsement on the Professional Educator License.  
5           Candidates shall not be admitted to an approved general  
6           administrative preparation program after September 1,  
7           2012.

8           All other individuals holding a valid and  
9           registered administrative certificate with a general  
10          administrative endorsement issued pursuant to Section  
11          21-7.1 of this Code or a general administrative  
12          endorsement on a Professional Educator License issued  
13          prior to September 1, 2014 shall have the general  
14          administrative endorsement converted to a principal  
15          endorsement on a Professional Educator License upon  
16          request to the State Board of Education and by  
17          completing one of the following pathways:

18                   (i) Passage of the State principal assessment  
19                   developed by the State Board of Education.

20                   (ii) Through July 1, 2019, completion of an

24                   program established and approved pursuant to  
25                   Section 21B-60 of this Code and applicable rules.

1           general       administrative       endorsement       on       the  
2           administrative certificate issued pursuant to Section  
3           21-7.1 of this Code or on the Professional Educator  
4           License shall continue to be able to serve in any  
5           position previously allowed under paragraph (2) of  
6           subsection (e) of Section 21-7.1 of this Code.

7           The general administrative endorsement on the  
8           Professional Educator License is available only to  
9           individuals who, prior to September 1, 2014, had such  
10          an endorsement on the administrative certificate  
11          issued pursuant to Section 21-7.1 of this Code or who  
12          already have a Professional Educator License and have  
13          completed a general administrative program and who do  
14          not choose to convert the general administrative  
15          endorsement to a principal endorsement pursuant to the  
16          options in this Section.

4           consultation with the State Educator Preparation  
5           and Licensure Board, shall allow, by rules, for  
6           fewer than 4 years of experience based on meeting  
7           standards set forth in such rules, including  
8           without limitation a review of performance  
9           evaluations or other evidence of demonstrated
