4 Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 5-1.4 as follows:

6 (305 ILCS 5/5-1.4)

7 Sec. 5-1.4. Moratorium on eligibility and benefit  
8 expansions.

9 (a) Beginning on January 25, 2011 (the effective date of  
10 Public Act 96-1501), there shall be a 4-year moratorium on the  
11 expansion of eligibility through increasing financial  
12 eligibility standards, or through increasing income  
13 disregards, or through the creation of new programs which would  
14 add new categories of eligible individuals under the medical  
15 assistance program in addition to those categories covered on  
16 January 1, 2011 or above the level of any subsequent reduction  
17 in eligibility. This moratorium shall not apply to expansions  
18 required as a federal condition of State participation in the  
19 medical assistance program or to expansions approved by the  
20 federal government that are financed entirely by units of local  
21 government and federal matching funds. If the State of Illinois  
22 finds that the State has borne a cost related to such an  
23 expansion, the unit of local government shall reimburse the

1 State. All federal funds associated with an expansion funded by  
2 a unit of local government shall be returned to the local  
3 government entity funding the expansion, pursuant to an  
4 intergovernmental agreement between the Department of  
5 Healthcare and Family Services and the local government entity.  
6 Within 10 calendar days of the effective date of this  
7 amendatory Act of the 97th General Assembly, the Department of  
8 Healthcare and Family Services shall formally advise the  
9 Centers for Medicare and Medicaid Services of the passage of  
10 this amendatory Act of the 97th General Assembly. The State is  
11 prohibited from submitting additional waiver requests that  
12 expand or allow for an increase in the classes of persons  
13 eligible for medical assistance under this Article to the  
14 federal government for its consideration beginning on the 20th  
15 calendar day following the effective date of this amendatory  
16 Act of the 97th General Assembly until January 25, 2015. This  
17 moratorium shall not apply to those persons eligible for  
18 medical assistance pursuant to 42 U.S.C.  
19 1396a(a)(10)(A)(i)(VIII) and 42 U.S.C. 1396a(a)(10)(A)(i)(IX).

20 (b) If the Department fails to reach the 50% care  
21 coordination enrollment mandate contained in Section 23 of the  
22 Children's Health Insurance Program Act, Section 56 of the  
23 Covering ALL KIDS Health Insurance Act, and Section 5-30 of  
24 this Code by the January 1, 2015 deadline, then the moratorium  
25 established under subsection (a) shall be extended for an  
26 additional 2-year period, or until the 50% care coordination

1 enrollment mandate is achieved, whichever period is longer.  
2 This extended moratorium shall also include a moratorium on  
3 benefit expansions which shall run concurrently with the
