HOUSE RESOLUTION

2 WHEREAS, Since the 1950s, stillbirths have declined
3 dramatically, largely due to better treatment of certain
4 chronic conditions, however, there are still approximately 900
5 fetal deaths per year in the State of Illinois; and

6 WHEREAS, Stillbirths are caused by a number of known causes
7 including, birth defects, placental problems, poor fetal
8 growth, infections, chronic health conditions of the mother,
9 and umbilical cord accidents; risk factors include a maternal
10 age over 35, maternal obesity, multiple gestation, and
11 African-American ancestry; a recent study found that
12 African-American women had a two-fold increased risk of
13 stillbirth compared to caucasian women; it is not known why
14 this is the case; and

15 WHEREAS, Women can take steps to lessen the risks of having
16 a stillbirth; before pregnancy, have a preconception visit with
17 their healthcare provider; during pregnancy, treat existing
18 conditions such as diabetes, high blood pressure, and obesity;
19 discuss with their healthcare provider all prescription,
20 over-the-counter, and herbal medications they are taking so
21 that the medications do not pose a risk to the fetus; and not
22 smoke, drink alcohol, or use street drugs during pregnancy; and

1 WHEREAS, Women who experience a stillbirth have the option
2 of receiving a Certificate of Stillbirth from the Department of
3 Health; it appears that the overwhelming majority of women who
4 experience such a tragedy are not interested in a certificate
5 or are not aware one is available to them; in the last 10 years
6 only 75 Certificates of Stillbirth have been requested;
7 therefore, be it

8 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE
9 NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that
10 stillbirths are a not a problem of the past and that a
11 Certificate of Stillbirth is available in this State; and be it
12 further

13 RESOLVED, That a suitable copy of this resolution be
14 presented to the Illinois Department of Health and Planned
15 Parenthood of Illinois.
