1 AMENDMENT TO SENATE BILL 923

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 923 as follows:

3 on page 39, by replacing lines 3 through 10 with the following:

4 "(r) After a municipality or county enacts an ordinance  
5 providing for automated traffic law enforcement systems under  
6 this Section, each school district within that municipality or  
7 county's jurisdiction may implement an automated traffic law  
8 enforcement system under this Section. The elected school board  
9 for that district must approve the implementation of an  
10 automated traffic law enforcement system. The school district  
11 shall be responsible for entering into a contract, approved by  
12 the elected school board of that district, with vendors for the  
13 installation, maintenance, and operation of the automatic  
14 traffic law enforcement system. The school district must enter  
15 into an intergovernmental agreement, approved by the elected  
16 school board of that district, with the municipality or county

1 with jurisdiction over that school district for the  
2 administration of the automated traffic law enforcement  
3 system. The proceeds from a school district's automated traffic  
4 law enforcement system's fines shall be divided equally between  
5 the school district and the municipality or county  
6 administering the automated traffic law enforcement system."
