

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by  
5 changing Section 11-110-1 as follows:

6 (65 ILCS 5/11-110-1) (from Ch. 24, par. 11-110-1)

7 Sec. 11-110-1. The corporate authorities of cities and  
8 villages for drainage purposes may lay out, establish,  
9 construct, and maintain drains, storm sewers, detention  
10 basins, retention basins and other "green infrastructure"  
11 facilities, such as green roofs, rain gardens, bioswales, tree  
12 boxes, porous pavement, porous pipe systems, native plantings,  
13 constructed wetlands, and cisterns, ditches, levees, dykes,  
14 pumping works, and machinery, and may acquire the necessary  
15 land and machinery therefor, and in this manner may provide for  
16 draining or otherwise managing the runoff, such as by  
17 infiltration, evapotranspiration, or collection, on any  
18 portion of the land within their corporate limits, by special  
19 assessment upon the property benefited thereby, or by general  
20 taxation, or a combination ~~both~~. No lot, block, tract, or  
21 parcel of land, however, shall be assessed more than once in  
22 any one year by a municipality for maintenance.
