12 (14) Provisions requiring that any firearm permitted  
13 on day care home premises, except handguns in the

6 children diagnosed as mentally ill, intellectually disabled or  
7 physically handicapped, who are determined to be in need of  
8 special mental treatment or of nursing care, or both mental  
9 treatment and nursing care, the Department shall seek the  
10 advice and recommendation of the Department of Human Services,  
11 the Department of Public Health, or both Departments regarding

16 any evidence of current drug or alcohol abuse in the  
17 prospective foster family. The Department shall not license a  
18 person as a foster parent if drug or alcohol abuse has been  
19 identified in the foster family or if a reasonable suspicion of  
20 such abuse exists, except that the Department may grant a  
21 foster parent license to an applicant identified with an  
22 alcohol or drug problem if the applicant has successfully  
23 participated in an alcohol or drug treatment program, self-help  
24 group, or other suitable activities.

25 (d) The Department, in applying standards prescribed and  
26 published, as herein provided, shall offer consultation

1 through employed staff or other qualified persons to assist

3 requirements for a license and to help them otherwise to  
4 achieve programs of excellence related to the care of children  
5 served. Such consultation shall include providing information  
6 concerning education and training in early childhood  
7 development to providers of day care home services. The  
8 Department may provide or arrange for such education and  
9 training for those providers who request such assistance.

10 (e) The Department shall distribute copies of licensing  
11 standards to all licensees and applicants for a license. Each  
12 licensee or holder of a permit shall distribute copies of the  
13 appropriate licensing standards and any other information  
14 required by the Department to child care facilities under its  
15 supervision. Each licensee or holder of a permit shall maintain  
16 appropriate documentation of the distribution of the  
17 standards. Such documentation shall be part of the records of  
18 the facility and subject to inspection by authorized  
19 representatives of the Department.

20 (f) The Department shall prepare summaries of day care  
21 licensing standards. Each licensee or holder of a permit for a  
22 day care facility shall distribute a copy of the appropriate  
23 summary and any other information required by the Department,  
24 to the legal guardian of each child cared for in that facility  
25 at the time when the child is enrolled or initially placed in  
26 the facility. The licensee or holder of a permit for a day care

1 facility shall secure appropriate documentation of the  
2 distribution of the summary and brochure. Such documentation  
3 shall be a part of the records of the facility and subject to  
4 inspection by an authorized representative of the Department.

5 (g) The Department shall distribute to each licensee and  
6 holder of a permit copies of the licensing or permit standards

13 any subsequent changes. Each licensee or holder of a permit  
14 shall maintain appropriate documentation of the current review  
15 of licensing standards by all employees. Such records shall be  
16 part of the records of the facility and subject to inspection  
17 by authorized representatives of the Department.

18 (h) Any standards involving physical examinations,  
19 immunization, or medical treatment shall include appropriate  
20 exemptions for children whose parents object thereto on the  
21 grounds that they conflict with the tenets and practices of a  
22 recognized church or religious organization, of which the  
23 parent is an adherent or member, and for children who should  
24 not be subjected to immunization for clinical reasons.

25 (i) The Department, in cooperation with the Department of  
26 Public Health, shall work to increase immunization awareness

1 and participation among parents of children enrolled in day  
2 care centers and day care homes by publishing on the  
3 Department's website information about the benefits of  
4 immunization against vaccine preventable diseases, including  
5 influenza and pertussis. The information for vaccine  
6 preventable diseases shall include the incidence and severity  
7 of the diseases, the availability of vaccines, and the  
8 importance of immunizing children and persons who frequently  
9 have close contact with children. The website content shall be  
10 reviewed annually in collaboration with the Department of  
11 Public Health to reflect the most current recommendations of  
12 the Advisory Committee on Immunization Practices (ACIP). The  
13 Department shall work with day care centers and day care homes  
14 licensed under this Act to ensure that the information is  
15 annually distributed to parents in August or September.

16 (j) Any standard adopted by the Department that requires an  
17 applicant for a license to operate a day care home to include a  
18 copy of a high school diploma or equivalent certificate with  
19 his or her application shall be deemed to be satisfied if the  
20 applicant includes a copy of a high school diploma or  
21 equivalent certificate or a copy of a degree from an  
22 institution of higher education or equivalent certificate.
